and the committee report was adopted and ordered to third reading.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Bettencourt moved that the House reconsider its action whereby, on a roll call vote of 247-86, it adopted the committee report of Ought to Pass with Amendment on **HB 337-FN-L**, relative to the calculation and distribution of adequate education grants. Rep. Bettencourt spoke against.
Motion failed.

REGULAR CALENDAR (CONT'D)

HB 546, relative to the use of hand-held cellular phones while driving. **INEXPEDIENT TO LEGISLATE.**

Rep. Lisa E. Scentsas for Transportation: The negligent driving statute already covers this type of distraction. As a committee we are going to work on this statute to be more effective. There are many distractions on the road today. We must try to make people understand that they need to be more responsible while driving. Vote 10-4.

Committee report adopted.

HB 156-FN-A, reducing the rates of the tobacco tax. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Patrick F. Abrami for the Majority of Ways and Means: Reducing the rate of the tobacco tax will re-establish New Hampshire's competitiveness with Maine, Massachusetts and Vermont. New Hampshire will see an increase not only in tobacco sales but in the sales of its collateral products at the lottery and at liquor stores. Small convenience store owners, large grocers and restaurants will have positive sales in relation to the lowering of the tax. The effect of those positive sales will increase our BPT and BET revenue. The lowering of this tax will create a positive ripple effect that will benefit New Hampshire's businesses and provide an increased revenue stream to the state. Vote 14-5.

Rep. Susan W. Almy for the Minority of Ways and Means: The minority believes New Hampshire's current tobacco tax rate is competitive with neighboring states and that it is unlikely a reduction of 10 cents per pack will result in increased sales sufficient to outweigh the lost revenue. The committee received competing information and studies, all funded by interested parties. While it is true tobacco sales have been on a decline for some years, the causes include not only the price of cigarettes themselves but also the rising cost of gasoline, coupled with stagnant wages, thus resulting in fewer sales to out-of-state customers. If, as some past experience has shown, the 10 cents is retained by the manufacturer, distributor, or retailer rather than being passed on to the consumer, there would be no increase in tobacco sales but the state's general fund would be reduced by what has been estimated to be \$16 million in 2012 alone. Even with a gain in sales, unlikely given the small change, the loss would be \$9 million. This includes a substantial loss statewide for non-cigarette products (OTPs: pineapple cigars, cigarette-like cigarillos, cherry snuff teabags) which finally were restored to tax parity with regular cigarettes last term, in order to stop smokers from defaulting to them to evade the tax. The bill reduces them to 78% of parity. The minority believes that this bill will only further aggravate our current budget problem.

The question being adoption of the majority committee report of Ought to Pass.

Rep. Hamm spoke against.

Reps. Abrami and Sapareto spoke in favor and yielded to questions.

Rep. Bettencourt requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Bettencourt moved that the House reconsider its action whereby, on a roll call vote of 236-93, it adopted the majority committee report of Ought to Pass on **HB 156-FN-A**, reducing the rates of the tobacco tax.

Rep. Bettencourt spoke against.

On a division vote, 77 members having voted in the affirmative and 251 in the negative, the motion failed.

The House recessed at 12:10 p.m.

RECESS**(Speaker O'Brien in the Chair)**

The House reconvened at 1:15 p.m.

REGULAR CALENDAR (CONT'D)

HB 213-FN-A, reducing the rate of the business profits tax. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Laurie J. Sanborn for the Majority of Ways and Means: This bill, as amended, reduces the current New Hampshire business profits tax rate from 8.5% to 8.25% effective 7/1/11, and to 8% effective 7/1/12. Currently, New Hampshire is ranked 50th (last) in terms of corporate taxes by the tax foundation. This bill makes our state markedly more competitive and attractive to businesses. At a time when other states are reducing their corporate tax rates, New Hampshire needs to send a clear message that we welcome responsible business growth and success, so they can create jobs and build the economic base. Vote 14-5.

Rep. William A. Hatch for the Minority of Ways and Means: The purpose of this bill is to reduce the Business Profits Tax from the current 8.5% to 8.25% for the business profits tax of every business organization's business profit tax. The majority reasons this will help many small businesses and spur investments and help them create jobs. The majority also considers this a step in making New Hampshire more attractive for business to locate in. The majority recognizes the fiscal note indicates that revenue loss will be at least \$9.2 million for FY 2012 and indeterminable amounts thereafter but will be more than made up for by the job growth it creates. The minority does not believe that to create considerable revenue loss again and without any plan for replacement or cuts to accommodate the loss is irresponsible. The minority also questions if our small businesses are a beneficiary of this cut. Reason and testimony from a large CPA firm indicate that the large companies and large box stores gain the most benefit when you consider that these companies base employment level on need and investment in an area on the business realized the minority questions how much job growth this type of tax cut will bring. The minority agrees that we should do as much as possible to make New Hampshire an attractive place for businesses to locate because of the economic and job growth it provides, but questions the wisdom of doing many indiscriminate tax cuts without revenue replacement or exact expenditure cuts. It is agreed by many economists that the issues that drive a company to locate in one area over another, educated work force, infrastructure concerns such as transportation, the cost of utilities, quality of life issues and housing are greater than the tax structure provided the taxes of a state are stable and not unreasonable. When you consider New Hampshire is considered not to have an overbearing tax structure for business and is high on the list as a desirable place to locate the minority believes it is unwise to take away the revenues needed to provide the education and infrastructure needs that make it attractive for companies. The minority also argues that considering we are only halfway through the term of the governor's commission to study business taxes, which is charged to do a review of the state's business tax structure and recommend changes, it would be sensible to wait for the report prior to making these major changes in business taxes.

Majority Amendment (0355h)

Amend the bill by replacing sections 1-2 with the following:

1 Business Profits Tax; Rate Reduced; July 1, 2011. Amend RSA 77-A:2 to read as follows:

77-A:2 Imposition of Tax. A tax is imposed at the rate of [8.5] **8.25** percent upon the taxable business profits of every business organization.

2 Business Profits Tax; Rate Reduced; July 1, 2012. Amend RSA 77-A:2 to read as follows:
 77-A:2 Imposition of Tax. A tax is imposed at the rate of [8-25] 8 percent upon the taxable business profits of every business organization.
 Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.
 Reps. Hatch and Almy spoke against.
 Reps. Sanborn and Stepanek spoke in favor.
 Rep. Dan McGuire requested a roll call; sufficiently seconded.

HB 229-FN-A, repealing the tax on gambling winnings. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Patrick F. Abrami for Ways and Means: This bill will repeal the tax on gambling winnings. The committee was unanimous in its belief that the gambling tax has done harm to our lottery sales as well as our various racing enterprises and thus revenue. The evidence shows that the revenue gain from the increased lottery sales and race betting will more than off-set the lost revenue from the gambling tax. Both the lottery commission and the racing and charitable gaming commission supported this bill. The bill was amended to go into effect 14 days after its enactment, instead of upon enactment, thus providing the various agencies the time needed to modify the pertinent software code. Vote 19-0.

Amendment (0515h)

Amend the bill by replacing all after section 2 with the following:

3 Applicability. This act shall apply to all gambling winnings received on or after the effective date of this act.

4 Effective Date. This act shall take effect 14 days after its passage.

Amendment adopted.

Committee report adopted and ordered to third reading.

HB 277-FN, relative to the deposit of fees collected under the Unified Carrier Registration System into the highway fund. **OUGHT TO PASS.**

Rep. Gary S. Azarian for Ways and Means: This bill requires fees collected under the Unified Carrier Registration System to be deposited into the highway fund. The federal government requires that fees collected under the Unified Carrier System be deposited into the highway fund and not into the general fund as has been done previously. This is merely a housekeeping bill to become compliant with the federal requirement. Vote 19-0.

Committee report adopted and ordered to third reading.

HB 557-FN-A, relative to the standards and burden of proof with respect to the business profits tax deduction for reasonable compensation attributable to owners of partnerships, limited liability companies, and sole proprietorships. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Frank V. Sapareto for the Majority of Ways and Means: This bill leaves a \$50,000 safe-harbor deduction as reasonable compensation just as in current law. It also moves the burden of proof from the department of revenue administration for determining what is reasonable compensation, from the taxpayer to the department. It provides for definite proof of the amount deducted under IRS Code 162A and allows the commissioner to disallow the deduction only under the terms of excessive gross distributions. This definition of what is reasonable is the same as what existed in the state from 1973 to 1993. Overall, this bill brings us back to the business friendly and fair application of the reasonable compensation deduction on the LLC tax. Vote 16-4.

Rep. William A. Hatch for the Minority of Ways and Means: This bill, as amended, changes the standards and burden of proof for the business profits tax deduction for reasonable compensation for owners of partnerships, LLC's and sole proprietorships. This bill states a taxpayer claiming a deduction for an owners compensation need only to show one or more proprietors, partners or members provided actual services to the business organization at any time during the taxable period. Once a taxpayer has satisfied this burden of proof, the amount claimed as a deduction shall be presumed to be reasonable, unless the commissioner proves by a preponderance of the evidence that the deduction claimed by the taxpayer is grossly excessive. This bill shifts the burden of proof for compensation deductions from the taxpayer to the DRA from the onset. The majority states this is necessary to stop excessive auditing by the DRA over this issue. The majority also believes that in recent audits business owners are not allowed to deduct the full and fair value of their services to their small business to determine the business profits tax. The majority good tax policy requires tax rules that provide taxpayers with clear guidance that encourages compliance. Based on 2008 tax returns, the fiscal note indicates the revenue was \$49 million for this tax which equals the maximum loss exposure. The DRA states in reality the revenue loss would be somewhere in the middle which would equate to the neighborhood of 25 million. The majority did not express any concern over the revenue loss. The minority believes this change is not good tax policy and should not go forward. The minority is very concerned with the burden of proof issue and believes this alone will effectively eliminate the business profit tax paid by these businesses. In any other area of tax law the burden of proof belongs with the tax payer until there is adjudication and for good reason. The DRA does not have the company records that would give them the necessary information to contest a compensation deduction on file, there for take away any bases except by subpoena. The minority is also concerned this may bring our business tax structure back into the courts because it will create a disproportionate business tax structure for our larger corporations. The minority is also very concerned with the revenue loss this bill creates. Though it is impossible to determine the exact loss, it is agreed the loss will be several millions which again limits the state's ability to provide the necessary services, an ability that the minority believes is at the breaking point.

Majority Amendment (0757h)

Amend RSA 77-A:4, III as inserted by section 2 of the bill by replacing it with the following:

III.(a) In the case of a proprietorship, partnership, or limited liability company filing a business profits tax return as a proprietorship or a partnership, a deduction equal to a fair and reasonable compensation for the personal services of a natural person who is a proprietor, partner, or member provided to the business organization, provided, under this chapter however, that the amount of such deduction shall not reduce such business organization's tax to less than zero. The purpose of this paragraph is to permit a deduction from gross business profits of such a proprietorship, partnership, or limited liability company of all amounts that are fairly attributable to the personal services of the proprietor, partner, or member. Such amounts shall generally include all amounts reported as earned income on federal tax returns, but shall also include amounts attributable to personal services provided in connection with the operation and rental of real property, the sale of property and services, and other amounts due to services rendered.

(b) Subject to the provisions of subparagraph (c) which establishes a record-keeping safe harbor, one method of determining the amount of the deduction allowed under this paragraph shall be by using the standards set forth in section 162(a)(1) of the United States Internal Revenue Code, as it may be amended from time to time, and the Treasury Regulations, administrative rulings, and judicial cases issued thereunder.

(c) In lieu of substantiating the value of the personal services of proprietors, partners, or members, a business organization or group of related business organizations may elect, as a record-keeping safe-harbor, to deduct up to \$50,000 as total compensation for the tax year;

(d)(1) In this paragraph, "record-keeping safe harbor" means that amount of compensation for personal services claimed by a business organization which does not need to be substantiated by any evidence, records, or legal or regulatory authority, except as provided in subparagraph (e).

(2) Notwithstanding subparagraph III(d)(1), the record-keeping safe harbor shall not be relevant or admissible for any purpose in determining whether a compensation deduction claimed in an amount in excess of any such record-keeping safe harbor is fair and reasonable.

(e) A business organization or group of related business organizations may elect the record-keeping safe-harbor option in subparagraph III(c) without a redetermination of the reasonableness of the deduction by the commissioner. Any such deduction claimed by the business organization or group of related business organizations shall not be subject to challenge; provided, that upon request, the business organization or group of related business organizations shall be required to substantiate that the proprietor or at least one partner or member performed personal services for the business organization or group of related business organizations.

(f) Related business organizations electing not to substantiate the extent of the personal services of their proprietors, partners, and members, shall be limited to the safe harbor deduction, less any owners' compensation taken on the federal tax returns of corporate members of the group, allocated among the related business organizations. For the purposes of RSA 77-A:4, III, "related business organizations" are unitary business organizations and business organizations that would qualify as unitary but for the fact that they conduct business only within the state.

(g) A taxpayer claiming a deduction under this paragraph shall bear the burden of proving that at least one or more proprietors, partners, or members provided actual services to the business organization at any time during the taxable period. Once a taxpayer has satisfied this burden of proof, the amount claimed as a deduction shall be presumed to be reasonable, unless the commissioner proves by a preponderance of the evidence that the deduction claimed by the taxpayer is grossly excessive. Amend the bill by inserting after section 2 the following and renumbering the original sections 3-4 to read as 5-6, respectively:

3 New Paragraph; Appeal for Redetermination or Reconsideration; Procedure. Amend RSA 21-J:28-b by inserting after paragraph VII the following new paragraph:

VIII. The department shall bear the burden of proof on any change to any compensation deduction under RSA 77-A finally determined to be due after January 1, 2011.

4 New Section; Interest and Dividends Tax; Excess Compensation. Amend RSA 77 by inserting after section 4-f the following new section:

77:4-g Dividend. Excess compensation determined by audit of the department shall not be considered a dividend under this chapter unless such determination is accepted by the Internal Revenue Service.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.
 Rep. Sapareto spoke in favor.
 Rep. Hatch spoke against.
 Rep. Hess spoke in favor and yielded to questions.
 Rep. Jasper requested a roll call; sufficiently seconded.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Stepanek moved that the House reconsider its action whereby, on a roll call vote of 238-77, it adopted the majority committee report of Ought to Pass with Amendment on **HB 557-FN-A**, relative to the standards and burden of proof with respect to the business profits tax deduction for reasonable compensation attributable to owners of partnerships, limited liability companies, and sole proprietorships.

Rep. Stepanek spoke against.

On a division vote, 72 members having voted in the affirmative and 243 in the negative, the motion failed.

BILLS REMOVED FROM THE CONSENT CALENDAR

HB 562, relative to overdraft fees charged by banks. **INEXPEDIENT TO LEGISLATE.**

Rep. Jennifer R. Coffey for Commerce and Consumer Affairs: This bill limits overdraft fees by banks to \$50. The bill looks to solve a problem that does not exist. Customers are properly noticed and aware that if they spend more than they have, they will be charged fees. This bill would have also only impacted state banks and had no effect on the larger banks across the state that are not New Hampshire based. Vote 14-0.

Committee report adopted.

HB 577, relative to the use of foreign languages by retail establishments. **INEXPEDIENT TO LEGISLATE.**

Rep. Jennifer R. Coffey for Commerce and Consumer Affairs: This bill requires establishments that provide in-store aisle marking or directions in a foreign language to provide such signs in the six official languages of the United Nation. This bill creates an unfair burden on private businesses especially those that may cater to foreign retail items such as Gaelic shops or Japanese or Korean grocery stores. Vote 16-0.

LAI D ON THE TABLE

Rep. Jennifer Coffey moved that **HB 577**, relative to the use of foreign languages by retail establishments, be laid on the table.

Rep. Weber requested a roll call; sufficiently seconded.

BILLS REMOVED FROM THE CONSENT CALENDAR (CONT'D)

HB 617, repealing the prohibitions on Sunday business activities. **OUGHT TO PASS.**

Rep. Jennifer R. Coffey for Commerce and Consumer Affairs: This bill repeals the chapter prohibiting certain business activities on Sunday. This is an outdated law that the committee believes should be repealed as all businesses should be on equal terms of operations with each other, and we will decrease the size of our statutes as well as over regulation of businesses by the state. Vote 15-0. Committee report adopted and ordered to third reading.

HB 453-FN-L, making persons fleeing to avoid prosecution or custody or violating parole or probation ineligible to receive certain disability aid. **INEXPEDIENT TO LEGISLATE.**

Rep. Mark Warden for Criminal Justice and Public Safety: The committee felt this bill would add bureaucratic requirements to an already-overburdened department. Supporters didn't demonstrate a real need for the legislation. According to a representative from the department of health and human services (DHHS), the number of cases that would fall into this new regulation would be approximately 1/10 of 1% of total cases, making it insignificant and unnecessary. By including in regulation what is illegal in other states and at the federal level, constantly changing criteria would make enforcement difficult. Vote 14-3.

Rep. Shurtleff requested a roll call; sufficiently seconded.

and the committee report was adopted.

Rep. Merrick did not vote and notified the Clerk that she wished to be recorded in favor.

HB 552, establishing a committee to study repealing the revisions to the law implemented by SB 500-FN of the 2010 legislative session. **INEXPEDIENT TO LEGISLATE.**

Rep. Laura C. Pantelakos for Criminal Justice and Public Safety: This bill would establish a committee to study repealing the provisions of SB 500 which was enacted last session. The committee believes that this study is unnecessary because separate legislation exists this session which specifically addresses the perceived deficiencies of SB 500 and which can be used as vehicles to amend the law. Therefore, further study is not needed at this time and the committee recommends inexpedient to legislate. Vote 15-1.

Committee report adopted.

HB 421, relative to candidates for United States senator. **INEXPEDIENT TO LEGISLATE.**

Rep. Kathleen M. Hoelzel for Election Law: This bill, as originally submitted, required members of the General Court to nominate candidates for United States senator. The 17th Amendment to the US Constitution took away state legislatures' involvement in the election of US senators. Part 1, Article 11 of the New Hampshire constitution guarantees the equal right of a citizen to be elected to office. Permitting only the political parties' favorites to file for office violates this guarantee. HB 421 would deprive the people of the power the 17th Amendment guarantees them. Vote 18-0. Rep. Pierce spoke against.

LAI D ON THE TABLE

Rep. Bettencourt moved that **HB 421**, relative to candidates for United States senator, be laid on the table.

On a division vote, 204 members having voted in the affirmative and 81 in the negative, the motion was adopted.

BILLS REMOVED FROM THE CONSENT CALENDAR (CONT'D)

HB 484-FN, requiring random drug testing of food stamp program participants. **INEXPEDIENT TO LEGISLATE.**

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: The sponsors of this bill demonstrated a laudable concern about drug use among our citizens and its impact on society. However, this legislation contains several defects that render it Inexpedient to Legislate. The department of health and human services, in the fiscal note, clearly states that mandatory drug testing is prohibited by the federal supplemental nutrition assistance program (SNAP). In addition, a senior attorney from the office of the attorney general cited several concerns about the constitutionality of the legislation. The fiscal note indicated that the cost of implementing this program could range from 3.5 to over 7 million dollars. This legislation could have the unintended consequences of family members, including minors, deprived of food stamp assistance. Lastly, the state has a long history of advocating for treating individuals with substance use and mental illness. Perhaps more thought could be given to ways to identify methods to involve these individuals in appropriate treatment services. Vote 16-1.

LAID ON THE TABLE

Rep. Reagan moved that **HB 484-FN**, requiring random drug testing of food stamp program participants, be laid in the table.

Rep. Pilotte requested a roll call; sufficiently seconded.

and the motion was adopted.

BILLS REMOVED FROM THE CONSENT CALENDAR (CONT'D)

HB 485-FN, relative to requiring photo identification for food stamp program participants. **INEX-PEDIENT TO LEGISLATE.**

Rep. Charles E. McMahon for Health, Human Services and Elderly Affairs: This bill would mandate the use of photo identification "for continued eligibility" in the food stamp program. In essence, the eligible food stamp recipient would be required to provide a photo ID along with the electronic benefits transfer (EBT) card, e.g. to retail goods stores or meal services. It is not possible to place a picture of the recipient on the EBT card. In addition, federal regulation would require a photo ID for every family member. This legislation would require the issuance of upwards of 112,293 photo ID's with an approximate cost of \$90,000. Since the food stamp program is 100% federally funded, any savings would not accrue to the State of New Hampshire. Vote 16-1.

LAID ON THE TABLE

Rep. Reagan moved that **HB 485-FN**, relative to requiring photo identification for food stamp program participants, be laid on the table.

Rep. Patrick Garrity requested a roll call; sufficiently seconded.

and the motion was adopted.

BILLS REMOVED FROM THE CONSENT CALENDAR (CONT'D)

HB 489-FN, relative to health information exchange. **OUGHT TO PASS WITH AMENDMENT.**
Rep. Alida I. Millham for Health, Human Services and Elderly Affairs: This bill creates an oversight structure for electronic health information transmission between health care providers. This

structure is called the health information organization (HIO). Previous legislation insures privacy as well as establishes the parameters for the sharing of data. This HIO will oversee the grant monies that will be used to implement this project as well as the design and implementation of the project. Members of the HIO will be providers as well as members of the public who have had some health care experience. The electronic transmission of health care information will give providers a way of transferring patient data in an efficient, encrypted, expedient fashion which will improve provider communication and consequently will lower patient costs. The amendment clarifies that the HIO should not be confused with the Health Benefit Exchange. Vote 18-0.

Amendment (0774h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a health information organization corporation.

Amend RSA 332-I:3 as inserted by section 4 of the bill by inserting after paragraph VI the following new paragraph:

VII. The health information organization shall follow all current and future laws relative to medical information privacy and all existing laws regarding health information exchanges.

Amend RSA 332-I:3, III as inserted by section 4 of the bill by replacing it with the following:

III. [A] The health information [exchange] organization shall maintain an audit log of [health care providers who access protected health information] the transactions transmitted through the health information organization. The parties transmitting or receiving information through the health information organization shall maintain audit logs in accordance with nationally accepted interoperability standards, practices, regulations, and statutes, including but not limited to:

(a) The identity of the health care provider accessing the information;

(b) The identity of the individual whose protected health information was accessed by the health care provider;

(c) The date the protected health information was accessed; and

(d) The area of the record that was accessed

Amend RSA 332-I:8, I as inserted by section 5 of the bill by replacing it with the following:

I. The powers of the corporation shall be vested in 12 members and up to 3 at-large members. Except for the members appointed under subparagraphs I(b)-(d), members shall serve 3-year terms. No member shall serve more than 2 full consecutive terms. Members shall be appointed as follows:

(a) A consumer not affiliated with the health care industry, appointed by the governor.

(b) A member of the house of representatives, appointed by the speaker of the house of representatives.

(c) A member of the senate, appointed by the president of the senate.

(d) The commissioner of the department of health and human services, or designee.

(e) A member of the department of health and human services, office of medicaid business and policy, appointed by the commissioner.

(f) A member representing a large hospital, appointed by the New Hampshire Hospital Association.

(g) A member representing a critical access hospital, appointed by the New Hampshire Hospital Association.

(h) An independent practice physician not affiliated with any hospital, appointed by the New Hampshire Medical Society.

(i) A representative of community health centers, appointed by Bi-State Primary Care Association.

(j) A representative of community mental health centers, appointed by the New Hampshire Community Behavioral Health Association.

(k) A retail pharmacist, appointed by the pharmacy board.

(l) A representative of home health care agencies, appointed by the Home Care Association of New Hampshire.

(m) The board may appoint up to 3 at-large members with qualifications, experience and expertise as identified and determined by the board.

Amend the bill by replacing section 6 with the following:

6 Initial Terms for Members of Health Information Organization Board; First Meeting. The initial terms of office for the members appointed to the health information organization board established in RSA 332-I:8 as inserted by section 5 of this act shall be as follows: the members in subparagraphs I(e), (f), (h), and (l) shall serve for 3 years; the members in subparagraphs I(a),

(g), (i), (j), and (k) shall serve for 2 years. The members in subparagraphs I(b), (c) and (d) shall serve coterminous with their term or terms in office. The at-large members in subparagraph I(m), if any, shall serve for terms not exceeding 3 years as determined by the board. Initial appointments shall be made within 30 days of the effective date of this section. The first meeting shall be held within 60 days of the effective date of this section and shall be called by the member of the house of representatives.

Amend the bill by inserting after section 7 the following and renumbering the original section 8 to read as 9:

8 Applicability. Nothing in this act shall be construed to enable or support a health benefit exchange.

Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment.

Rep. Millham offered floor amendment (0820h).

Floor Amendment (0820h)

Amend RSA 332-I:10 as inserted by section 5 of the bill by deleting paragraph II and renumbering paragraphs III-VII to read as paragraphs II-VI, respectively.

Rep. Millham spoke in favor.

Floor amendment (0820h) adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment.

Rep. Manuse spoke against and yielded to questions.

Rep. Warden spoke against.

Rep. Millham spoke in favor and yielded to questions.

On a division vote, 185 members having voted in the affirmative and 88 in the negative, the committee report was adopted and ordered to third reading.

HB 573, relative to the administration of certain pain relief medications by a school nurse. INEXPEDIENT TO LEGISLATE.

Rep. Robert A. Fredette for Health, Human Services and Elderly Affairs: The committee determined that this bill was not necessary. There is currently language, Ed 311.02 (p), that allows school nurses to administer certain over the counter medications providing the medications are included in school policy and providing there is parental consent. HB 573 was generated because of a problem in a particular school. The department of education agreed to follow up with that school to make sure that the personnel fully understood the existing rule. Vote 16-1.

Rep. Notter spoke against.

LAI D ON THE TABLE

Rep. Reagan moved that **HB 573**, relative to the administration of certain pain relief medications by a school nurse, be laid on the table.

Motion adopted.

BILLS REMOVED FROM THE CONSENT CALENDAR (CONT'D)

HB 569-FN, establishing domestic union as a valid contract and extending certain rights to parties to a domestic union. **INEXPEDIENT TO LEGISLATE.**

Rep. Gregory M. Sorg for Judiciary: This bill would entirely replace civil marriage and civil unions with domestic unions for all couples, heterosexual or homosexual, beginning January 1, 2012. Except for the curious difference that the new scheme would recognize unions between siblings, first cousins, aunts and uncles with nephews and nieces, and step-parents with step-children, it undertakes to parallel marriage precisely, the evident purpose being to disentangle the civil and religious aspects of the institution. The committee concluded that substitutes for marriage is an idea whose time has come and gone in New Hampshire. Heterosexual couples never wanted them for themselves and were willing to accept them for homosexual couples in order to enable them to share in the economic advantages of marriage. Homosexual couples have moved on to marriage. There is no longer any constituency for substitutes for marriage except among a small minority who would alter society to conform to an abstract ideal of logical perfection. The majority believes that few, if any, would-be "June Brides" would prefer to be "June Parties-to-a-Domestic-Union," which just doesn't have quite the same romantic feel. Vote 16-0.

MOTION TO LAY ON THE TABLE

Rep. Bolster moved that **HB 569-FN**, establishing domestic union as a valid contract and extending certain rights to parties to a domestic union, be laid on the table.

On a division vote, 74 members having voted in the affirmative and 186 in the negative, the motion failed.

The question now being adoption of the committee report of Inexpedient to Legislate.

Reps. Bolster, Simmons and Tamburello spoke against and yielded to questions.

Rep. Rowe spoke in favor and yielded to questions.

Rep. Cohn spoke against and requested a roll call; sufficiently seconded.

Bowers, Spec
and the committee report was adopted.
Rep. Greazzo voted Nay and intended to vote Yea.

HB 640-FN, relative to notice to the department of health and human services of the allocation of spousal income and relative to estate planning by guardians. **INEXPEDIENT TO LEGISLATE.** Rep. Donald B. McClarren for Judiciary: This bill would require a person who has a spouse who received medical assistance under the state Medicaid program to notice the department of health and human services and as a result possibly be responsible for reimbursing the state for benefits given to the spouse. The committee felt that the small number of possible instances where this bill would have an affect did not justify the passage of the bill. Vote 17-0. Committee report adopted.

HB 641-FN, relative to lien authority for the office of reimbursements within the department of health and human services. **INEXPEDIENT TO LEGISLATE.** Rep. Norman A. Tregenza for Judiciary: This bill's intent is to recover costs that have been expended by the various statewide institutions providing health care. It would enable the department of health and human services or the office of reimbursements to file liens against patients who have received services but not paid for them. Any notice of lien would be filed with the register of deeds in the patient's home county. The committee voted Inexpedient to Legislate for more than one reason. There may be cases where the family members of those who received services are forced to pay for those services. This bill would also empower statewide federal agencies to file a notice of lien on private citizens. Such authority concerned some members in a similar way that expansion of internal revenue service would also. Vote 17-0. Committee report adopted.

HB 26-FN, clarifying the definition of gross misconduct for purposes of unemployment compensation. **OUGHT TO PASS WITH AMENDMENT.**

Rep. William J. Infantine for Labor, Industrial and Rehabilitative Services: The original bill would make any dishonest act of an employee that was fired for that act be classified as "gross misconduct" under the law. Gross misconduct results in the employee's inability to receive unemployment compensation and losing all their earned unemployment credits. Misconduct has a lesser penalty in that the employee would still be ineligible to receive employment compensation but they would not lose their earned unemployment credits. The committee determined that the word "dishonest" was too vague and open to severe penalties for an infraction worth \$0.01 and utilized by unscrupulous employers as a means to keep their unemployment tax low. The committee felt it was better to amend the current threshold of a theft of greater than \$500.00 to include accumulation of multiple thefts in an amount greater than \$500.00. Employees who have committed misconduct or gross misconduct will not be able to obtain benefits from their previous employers if the employer is an unemployment tax paying employer. Contributing employers could be responsible for paying unemployment benefits. However, they have access to an appeals process at the department of employment security to request non payment of benefits. Vote 15-0.

Amendment (0567h)

Amend RSA 282-A:35 as inserted by section 1 of the bill by replacing it with the following:

282-A:35 Gross Misconduct. An unemployed individual who has been discharged for arson, sabotage, felony, assault which causes bodily injury, criminal threatening, or ~~[theft of]~~ **a theft or multiple thefts in** an amount greater than \$500, where such conduct is connected with his or her work, shall suffer the loss of all wage credits earned prior to the date of such dismissal.

Reps. Frederick Rice and Kappler spoke against.

Rep. Infantine spoke in favor and yielded to questions.

Rep. Giuda spoke against, yielded to questions and requested a roll call; sufficiently seconded.

and the committee amendment failed.

Lovett, Charlene

Osgood, Joe

The question now being adoption of the motion of Ought to Pass.
Rep. Infantine offered floor amendment (0917h).

Floor Amendment (0917h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the definition of gross misconduct for purposes of unemployment compensation.

Amend RSA 282-A:35 as inserted by section 1 of the bill by replacing it with the following:

282-A:35 Gross Misconduct. An unemployed individual who has been discharged for arson, sabotage, felony, assault which causes bodily injury, criminal threatening, or ~~[theft of]~~ **a theft or multiple thefts in** an amount greater than ~~[\$500]~~ **\$250**, where such conduct is connected with his or her work, shall suffer the loss of all wage credits earned prior to the date of such dismissal.

AMENDED ANALYSIS

This bill clarifies the definition of gross misconduct for purposes of unemployment compensation and reduces the amount of a work-related theft resulting in the loss of wage credits.

Rep. Greemore spoke against and yielded to questions.

Reps. Giuda and Soltani spoke against.

Rep. Infantine spoke in favor and yielded to questions.

Rep. Kappler requested a roll call; sufficiently seconded.

MOTION TO REQUIRE VOTE

Rep. Soltani moved that the Speaker be called upon to register his vote on floor amendment (0917h) to **HB 26-FN**, relative to the definition of gross misconduct for purposes of unemployment compensation, since the vote may be decisive.

On a division vote, 56 members having voted in the affirmative and 209 in the negative, the motion failed.

The question now being adoption of the committee report of Ought to Pass with Amendment.
 Rep. Burt requested a roll call; sufficiently seconded.

and the committee report was adopted and ordered to third reading.

INTRODUCTION OF SPECIAL GUEST

Former Speaker of the United States House of Representatives, the Honorable Newt Gingrich was introduced and invited to the rostrum.

BILLS REMOVED FROM THE CONSENT CALENDAR (CONT'D)

HB 621-FN-L, relative to the authority of the department of transportation. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Mark E. McConkey for Public Works and Highways: This bill, as amended, expands the issuance of a permit by notification by the department of environmental services for the repair, replacement or maintenance of stream crossings and culverts from the present diameter limit of

36" to 48". Secondly, it establishes a committee to study certain rules recently adopted by DES concerning stream crossings. The duty of the committee is to determine: 1.) if the above mentioned rules as adopted violate Article 28-a of the NH Constitution, 2.) if DES had the authority to implement those rules. Vote 15-0.

Amendment (0130h)

Amend RSA 482-A:3, III as inserted by section 2 of the bill by replacing it with the following:

III. The filing fees collected pursuant to paragraphs I, V(c), XI(h), and XII(c) and RSA 483-B:5-b are continually appropriated to and shall be expended by the department for paying per diem and expenses of the public members of the council, hiring additional staff, reviewing applications and activities relative to the wetlands of the state and protected shorelands under RSA 483-B, conducting field investigations, and holding public hearings. ~~[Such fees shall be held by the treasurer in a nonlapsing fund identified as the wetlands and shorelands review fund.]~~

Amend RSA 482-A:3, III as inserted by section 3 of the bill by replacing it with the following:

III. The filing fees collected pursuant to paragraphs I, V(c), XI(h), and XII(c) are continually appropriated to and shall be expended by the department for paying per diem and expenses of the public members of the council, hiring additional staff, reviewing applications and activities relative to the wetlands of the state and protected shorelands under RSA 483-B, conducting field investigations, and holding public hearings. ~~[Such fees shall be held by the treasurer in a nonlapsing fund identified as the wetlands and shorelands review fund.]~~

Amend the bill by replacing section 5 with the following:

5 Permit Required; Fees. Amend the introductory paragraph of RSA 483-B:5-b, I(b) to read as follows:

(b) The permit application fee shall be \$100 plus \$.10 per square foot of area affected by the proposed activities and shall be ~~[deposited in the wetlands and shorelands review fund established under RSA 482-A:3, III. Such fees shall be]~~ capped as follows:

Amend the bill by inserting after section 6 the following and renumbering the original section 7 to read as 8:

7 Repeal. RSA 6:12, I(b)(131), relative to the wetlands and shorelands review fund, is repealed. Rep. Chandler spoke against.

Amendment failed.

The question now being adoption of the motion of Ought to Pass.

Rep. McConkey offered floor amendment (0878h).

Floor Amendment (0878h)

Amend the bill by replacing all after section 1 with the following:

2 New Paragraph; Municipalities; Permit by Notification. Amend RSA 482-A:3 by inserting after paragraph XV the following new paragraph:

XVI.(a) Any person or political subdivision that repairs, replaces, or maintains structures in accordance with the best management practices for routine roadway maintenance in New Hampshire published by the department of transportation, including culverts up to 48 inches in diameter or the functional hydraulic equivalent, and files an appropriate notice under subparagraph (b), shall satisfy the permitting requirements of this section for minimum impact activities, as defined by rules adopted by the commissioner.

(b) Appropriate notice to the department shall include a completed routine roadway notification form as outlined in Env Wt 303.05 including, at a minimum, the following information:

- (1) Name and mailing address of the applicant or authorized person.
- (2) Name and mailing address of the applicant or authorized agent, if any, representing the political subdivision.
- (3) Telephone number, and email address and fax number if available.
- (4) A copy of the appropriate United States Geological Survey topographic map at its original scale on 8-1/2 x 11 sheets with the project locations clearly labeled.
- (5) Town tax map, number, and lot number, if any, of the project sites.
- (6) Project location including street name and address or distance from the nearest intersection to the project.
- (7) Information regarding the existing and proposed structure shown on plan sheets or equivalent plans as shown in the best management practices for routine roadway manual and a listing of the best management practices to be used during construction.

(8) Color photographs depicting the proposed work sites showing existing structures, surrounding land, and jurisdictional areas in and adjacent to the work location.

(9) A signed certification that information is accurate and correct and that work will conform to the best management practices for routine roadway maintenance.

(c) Appropriate notice to the department under subparagraphs (a) and (b) shall be mailed and received by department at least 5 days prior to the start of construction.

3 Committee Established. There is established a committee to study certain rules adopted by the department of environmental services concerning stream crossings.

4 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Four members of the house of representatives, appointed by the speaker of the house of representatives.

(b) Two members of the senate, appointed by the president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

5 Duties. The committee shall study whether study certain rules adopted by the department of environmental services concerning stream crossings:

I. Violate Article 28-a of the New Hampshire constitution.

II. Have statutory authority for their implementation.

6 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

7 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2011.

8 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill provides for an excavation and dredging permit by notification for municipalities that construct and maintain structures in accordance with Best Management Practices for Routine Roadway Maintenance.

This bill establishes a committee to study certain rules pertaining to stream crossings.

Rep. McConkey spoke in favor.

Floor amendment (0878h) adopted.

Committee report adopted and ordered to third reading.

CLERK'S NOTE

When less than two-thirds of the elected membership is present, Part II, Article 20 of the state constitution requires the assent of two-thirds of those present and voting to render their acts and proceedings valid.

BILLS REMOVED FROM THE CONSENT CALENDAR (CONT'D)

HCR 13, urging Congress to pass legislation against losses in value due to money supply by the federal reserve; restoring gold and silver money; and phasing out the federal reserve system. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Frank H. McCarthy for State-Federal Relations and Veterans Affairs: This bill urges the New Hampshire congressional delegation to support H.R. 459 and S. 202. Both of these bills require a comprehensive audit of the federal reserve which, since its existence, has never been audited. The chairman of the US House subcommittee on domestic monetary policy is the prime sponsor of H.R. 459. The committee agreed that this is a responsible and necessary resolution. Vote 13-0.

Amendment (0622h)

Amend the title of the bill by replacing it with the following:

A RESOLUTION urging the New Hampshire delegation to support HR 459 and S.202 requiring a comprehensive audit of the Federal Reserve.

Amend the resolution by replacing the first paragraph after the resolving clause with the following:

That the general court of the state of New Hampshire, the Congress of the United States, and particularly, the legislative delegation to Congress of the state of New Hampshire, are hereby urged and petitioned to use all of their efforts, energies, and diligence to protect all the citizens of this nation from potential, unprecedented losses in the value of take-home pay, retirement income, insurance policies, and investments as a result of the Federal Reserve's ongoing inflation of our unbacked paper money by passing HR 459 in the House of Representatives and S.202 in the Senate requiring a comprehensive audit of the Federal Reserve; and

AMENDED ANALYSIS

This house concurrent resolution urges the New Hampshire delegation to support HR 459 and S.202 requiring a comprehensive audit of the Federal Reserve.

Amendment adopted by the necessary two-thirds vote.

On a division vote, 164 members having voted in the affirmative and 90 in the negative, the committee report failed lacking the necessary two-thirds vote.

LAI'D ON THE TABLE

Rep. Jasper moved that *HCR 13*, urging the New Hampshire delegation to support HR 459 and S.202 requiring a comprehensive audit of the Federal Reserve, be laid on the table.

Motion adopted by the necessary two-thirds vote.

BILLS REMOVED FROM THE CONSENT CALENDAR (CONT'D)

HCR 15, ordering our federal senators to vote against the Law of the Sea Convention. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Lucien A. Vita for State-Federal Relations and Veterans Affairs: The Law of the Sea Convention has never been subjected to a two-thirds vote of the Senate and therefore is unenforceable and of no relevance to the several states. Yet should this treaty be adopted, in any form, a supranational body (the U.N.) will have control over our territorial waters, the great lakes, the sea beds below these waters and the air space above. Essentially we are ceding control of part of our country to the U.N., negatively impacting our status as a sovereign nation. Vote 9-3.

Amendment (0581h)

Amend the title of the bill by replacing it with the following:

A RESOLUTION urging our federal senators to vote against the Law of the Sea Convention.

Amend the resolution by replacing the first 2 paragraphs after the title with the following:

Whereas, Article 1, Section 1 of the Constitution for the United States of America delegates all legislative authority of the government of United States of America to the Congress of the United States; and

Whereas, Article 2, of the Constitution for the United States of America delegates no legislative authority to the President of the United States of America; and

Amend the resolution by replacing all after the resolving clause with the following:

That the general court of the state of New Hampshire urges Senator Shaheen and Senator Ayotte representing New Hampshire in the United States Senate in the Congress of the United States to vote against ratification of the Law of the Sea Convention; and

That the general court of the state of New Hampshire does not support any executive order creating new treaties or agreements among nations or with the United Nations without the affirmative vote of 2/3 of the United States Senate; and

That the house clerk transmit copies of this resolution to Senator Shaheen and Senator Ayotte.

AMENDED ANALYSIS

The house concurrent resolution urges our federal senators to vote against the Law of the Sea Convention.

Adopted by the necessary two-thirds vote.

LAI'D ON THE TABLE

Rep. Baldasaro moved that *HCR 15*, urging our federal senators to vote against the Law of the Sea Convention, be laid on the table.

On a division vote, 207 members having voted in the affirmative and 47 in the negative, the motion was adopted by the necessary two-thirds vote.

BILLS REMOVED FROM THE CONSENT CALENDAR (CONT'D)

HB 549, relative to driver's license reexaminations. **OUGHT TO PASS.**

Rep. Robert W. Williams for Transportation: This bill eliminates the possibility of age based rules that a driver have a road test upon reaching his or her seventy-fifth birthday. The bill provides for new functional and medical based rules for persons of all ages to have a required road test. The current reexamination statute does not require a road test for 75 and older seniors. The statute states that the director shall decide on the reexamination test required for seniors. The director has prescribed that every person reaching his or her seventy-fifth birthday shall have a road test. As it now stands the present age based reexamination statute is discriminatory, ineffective, unnecessary and expensive. New Hampshire does not need an age based test now that it has a medical board which was created to develop new evidence based tests. In 2010, a Senate bill created the NH medical board. It made New Hampshire one (1) of forty (40) states that have medical boards: over 40 states are using functional and medical fitness rather than age based reasons for a driver renewal road test being required. Passage of this bill would end New Hampshire as being one (1) of two (2) states which have age based driver's license renewal tests. This bill would base final license decisions on functional and medical fitness to drive and not chronological age. Vote 14-0.

Committee report adopted by the necessary two-thirds vote and ordered to third reading.

RESOLUTION

Rep. Jasper offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, March 30, 2011 at 9:00 a.m. Adopted by the necessary two-thirds vote.

LATE SESSION**Third reading and final passage**

HB 218, repealing the New Hampshire rail transit authority.

HB 335-FN-A, establishing multi-use number plates.

HB 540-FN, relative to motor vehicle inspections.

HB 337-FN-L, relative to the calculation and distribution of adequate education grants.

HB 156-FN-A, reducing the rates of the tobacco tax.

HB 229-FN-A, repealing the tax on gambling winnings.

HB 277-FN, relative to the deposit of fees collected under the Unified Carrier Registration System into the highway fund.

HB 557-FN-A, relative to the standards and burden of proof with respect to the business profits tax deduction for reasonable compensation attributable to owners of partnerships, limited liability companies, and sole proprietorships.

HB 617, repealing the prohibitions on Sunday business activities.

HB 489-FN, establishing a health information organization corporation.

HB 26-FN, relative to the definition of gross misconduct for purposes of unemployment compensation.

HB 621-FN-L, relative to the authority of the department of transportation.

HB 549, relative to driver's license reexaminations.

UNANIMOUS CONSENT

Reps. Hoell and Cohn addressed the House.

RECESS MOTION

Rep. Jasper moved that the House stand in recess for the purposes of the introduction of bills, receiving Senate messages, enrolled bill amendments and enrolled bill reports. Adopted.

The House recessed at 5:15 p.m.

RECESS

(Rep. Reagan in the Chair)**RESOLUTION**

Rep. Elliott offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, Senate Bills numbered 12, 70, 105, 106, 152, 162, 192 and 194 shall be by this resolution read a first and second time by the therein listed titles and referred to the therein designated committees.

Adopted.

INTRODUCTION OF SENATE BILLS**First, second reading and referral**

SB 12-FN, relative to screening panels for medical injury claims. (Judiciary)

SB 70-FN, relative to remedies in landlord-tenant actions. (Judiciary)

SB 105, exempting highway trail crossing from evaluation requirements for certain all terrain and trail bike trails. (Resources, Recreation and Development)

SB 106, naming the visitor center at Jericho Mountain state park for Robert Danderson. (Resources, Recreation and Development)

SB 152-FN, relative to participation in state employees' group insurance by members of the general court. (Executive Departments and Administration)

SB 162-FN, relative to federal health care reform 2010. (Commerce and Consumer Affairs)

SB 192, establishing a commission to identify strategies needed for delivering a 21st century education. (Education)

SB 194, transferring all real and personal property from the former department of regional community-technical colleges to the board of trustees of the community college system of New Hampshire. (Education)

RECESS**COMMITTEE ASSIGNMENTS**

The Speaker made the following changes to committee assignments:

Rep. Infantine off the Special Committee on Public Employee Pensions Reform.

Rep. Laware on the Special Committee on Public Employee Pensions Reform.

RECESS**(Rep. Bettencourt in the Chair)****RESOLUTION**

Rep. Silva offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, Senate Bills numbered 27, 51, 53, 56, 63, 72, 93, 100, 107, 123, 125, 147, 153, 157, 161, 171, 176, 180, 190 and 195 shall be by this resolution read a first and second time by the therein listed titles and referred to the therein designated committees.

Adopted.

INTRODUCTION OF SENATE BILLS**First, second reading and referral**

SB 27, relative to speed limitations for boats. (Resources, Recreation and Development)

SB 51, relative to the establishment of a state leadership team to address issues concerning certain adults with developmental disabilities who may present a substantial risk to the community. (Health, Human Services and Elderly Affairs)

SB 53-FN, relative to the definition of nursing and establishing a nursing assistant registry fund administered by the board of nursing. (Ways and Means)

SB 56-FN, authorizing the department of revenue administration to accept credit card and debit card payments of taxes. (Ways and Means)

SB 63, relative to the list of bail bondsmen and prohibiting law enforcement and corrections officers from indicating preferences for bail bond companies. (Judiciary)

SB 72-FN, establishing a comprehensive cancer plan fund. (Health, Human Services and Elderly Affairs)

SB 93, relative to pharmacist administration of vaccines. (Health, Human Services and Elderly Affairs)

SB 100, relative to the size limitations on OHRVs operating in Jericho Mountain state park, and the definition of utility terrain vehicle. (Resources, Recreation and Development)

SB 107, establishing a committee to study the effectiveness of criteria for establishing ATV and trail bike trails on state lands. (Resources, Recreation and Development)

SB 123, relative to notification if a person found incompetent to stand trial and civilly committed is released into the community. (Criminal Justice and Public Safety)

SB 125-FN-A, relative to the business profits tax deduction for reasonable compensation. (Ways and Means)

SB 147-FN, relative to Medicaid managed care. (Ways and Means)

SB 153-FN, relative to the regulation of real estate appraisers by the New Hampshire real estate appraiser board. (Executive Departments and Administration)

SB 157-FN, relative to the division of weights and measures and fees for licensing weighing devices and the definition of service technician. (Executive Departments and Administration)

SB 161-FN, relative to procedures for adoption of agency rules under the administrative procedures act. (Executive Departments and Administration)

SB 171, relative to prescription drug benefits for the treatment of pain. (Commerce and Consumer Affairs)

SB 176, relative to marriage licenses. (Judiciary)

SB 180, establishing a committee to study the availability of community supervision programs for prisoners released on probation or parole. (Criminal Justice and Public Safety)

SB 190, relative to the duties and membership of the executive branch ethics committee. (Election Law)

SB 195, naming the Manchester Airport Access Road for Raymond Wieczorek. (Public Works and Highways)

SENATE MESSAGE

CONCURRENCE

HB 116, relative to the rulemaking requirement for establishing operating restrictions on certain bodies of water.

HB 117, allowing additional weight for vehicles using idle reduction technology in order to promote reduction of fuel use and emissions.

HB 188, relative to division responsibility for road toll administration, hazardous waste transport, truck weight enforcement, and the international registration plan by the department of safety and relative to clerical support for the advisory board of fire control.

HB 192, relative to commercial motor vehicle registration.

HB 363-L, relative to Depot Street in the town of Andover.

HB 399, relative to nonresident registration of motor vehicles.

RECESS

(Rep. Tucker in the Chair)

Rep. Jasper moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 13

Wednesday, March 30, 2011

The House assembled at 9:00 a.m., the hour to which it stood adjourned, and was called to order by the Deputy Speaker, Rep. Tucker.

Prayer was offered by House Chaplain, Reverend Roger Boucher.

Eternal God, we find ourselves in the spring of the year; a time of anticipation for new growth and one of hesitation because of old weather. In the midst of our assembly and legislative purpose we ask for Your grace, Your guidance and Your love. Bless the membership of this House in this early season so that we might pick solid ground to plow. Choices are not always easy and usually always stressful. We find it no compromise to ask for Your strength in putting our faith and reason to the task of the common good. Help us this day to keep our mission on good ground; to engage each other with goodwill, compassion and the hope that what we do helps all the people of our state to flourish with the dignity they own. We especially remember those of us struck with grief in this time of year, those who need physical healing, those who need their emotional life restored and those who need their families wholesome. We remember our friends and family members in uniform who are in harm's way. We ask that they return to us safe and sound and to a culture not marked itself with violence and death. This is not too much to ask for, Lord, in a chamber whose history of debate is rational, vigorous, honest and accountable. Help us, this day, then, to choose and maintain what is essential in ensuring a productive harvest for what we have planted. In Your Holy name we pray. Amen.

Representative David Pierce, member from Etna, led the Pledge of Allegiance.

The National Anthem was sung by the B Naturals from Alvirne High School in Hudson.

LEAVES OF ABSENCE

Reps. Ronald Belanger, Cataldo, Panek, Sapienza and Weeden, the day, illness.

Reps. Brosseau, Dwinell, Flanders, Thomas Keane, Lambert, Leonard, Peckham, Michael Reed, Shackett and Simpson, the day, important business.

INTRODUCTION OF GUESTS

Alan Cail and Darla, Kerina and Nygil Cusson, husband, nieces and nephew of Rep. Cusson-Cail. Gerald Walsh, guest of Rep. James Belanger. Georgia and Alan Palmieri, guests of Rep. Byrnes.

John Cialek and Lucas Dube, students at Campbell High School in Litchfield, Pages for the day.

(Speaker O'Brien in the Chair)

MOTION TO AMEND HOUSE RULES

Rep. Tucker moved that the House amend House Rule 25, as proposed by the Rules Committee.

Amendment to House Rules

House Rule 25. **Reconsideration**

Add the following sentence to the opening paragraph:

A motion for reconsideration is debatable only to the extent that it does not open the underlying question to debate.

The paragraph would then read as follows:

No vote shall be reconsidered unless the motion for reconsideration is made by a member who voted with the prevailing side while the bill or resolution is in the possession of the House. A motion for reconsideration is debatable only to the extent that it does not open the underlying question to debate.

Adopted by the necessary two-thirds vote.

CONSENT CALENDAR

Rep. Bettencourt moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

Consent Calendar adopted.

SB 112, relative to the membership on the advanced manufacturing education advisory council. **OUGHT TO PASS.**

Rep. Steven J. Winter for Executive Departments and Administration: The advanced manufacturing education advisory council advises the department of education in the implementation, evaluation, and expansion of the advanced manufacturing curriculum. The expanded members named in this bill have been deemed to be necessary additions for their expertise and full involvement for the success of the council's programs. Vote 12-0.

SB 127-FN, relative to the city of Manchester's contributory retirement system. **OUGHT TO PASS.** Rep. Kenneth Hawkins for Executive Departments and Administration: The Manchester Employee Retirement System is separate from the New Hampshire Retirement System and was created in a separate RSA. Our only job is to approve changes to that system that the Mayor and aldermen have approved once we have received it in writing. We have been provided this document. Vote 15-0.

HB 353-FN, establishing a Medicaid waiver program to provide in-home support services for children who are medically fragile or children with chronic illness. **INEXPEDIENT TO LEGISLATE.** Rep. Thomas E. Keane for Finance: This bill sought to create within the department of health and human services (DHHS) a pilot program to provide a financial stipend of up to \$30,000 dollars annually for any parent of a severely disabled child who volunteered to stay home and provide care for their child in lieu of a significantly more costly residential placement. The proposed bill required a Medicaid waiver, spending authorization of \$200,000 dollars and capped the number of participants at 20. Although the committee agreed with the concept, it believes the program, cost and technical issues are best addressed in HB 2. Vote 24-0.

HB 131, relative to indemnification of volunteers performing duties in the state park system. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Norman A. Tregenza for Judiciary: This bill, as amended, extends the indemnifications already contained in RSA 216-A:3-h for volunteers working with park managers in the state parks to all volunteers working under the general supervision of department of resources and economic development personnel. As a result, the statute will now cover volunteers working on state forests, reservations, trails and historic sites as well as state parks. The bill will better enable volunteer organizations to recruit volunteers to maintain the state's various trail systems and will benefit the state financially. The bill also extends the expiration date of the state park system advisory council from 2012 to 2016. Vote 14-0.

Amendment (1151h)

Amend the bill by replacing all after the enacting clause with the following:

1 Indemnification of Department of Resources and Economic Development Volunteers. Amend RSA 216-A:3-h to read as follows:

216-A:3-h Indemnification of [Park] *Department of Resources and Economic Development* Volunteers. Any person recognized by the [~~director, division of parks and recreation,~~] *commissioner of the department of resources and economic development* as a [park] volunteer *and* who is under the *general* supervision of [~~a park manager~~] *authorized department of resources and economic development personnel*, and is actually performing assigned volunteer duties or activities at a state park, *forest, reservation, trail, or historic site*, shall be considered a state employee for the purpose of defense and indemnification from civil suits under RSA 99-D[~~;- provided, however, such a volunteer shall not be indemnified from any civil suit arising out of a criminal act~~].

2 State Park System Advisory Council; Repeal Date Extended. Amend 2007, 359:5 as amended by 2010, 374:1 to read as follows:

359:5 Repeal. Section 4 of this act is repealed effective June 30, [~~2012~~] **2016**.

3 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill amends the statute governing indemnification of volunteers under the supervision of department of resources and economic development personnel. The bill also extends the repeal date of the state park system advisory council to June 30, 2016.

SB 15, relative to the duties of tax collectors and clerks. **OUGHT TO PASS.**

Rep. Betsey L. Patten for Municipal and County Government: Currently the tax collectors shall remit all monies collected to the treasurer when the receipts total \$500 or more on a weekly or on a daily basis. SB 15 increases the amount to \$1500. The committee believes that this is an acceptable increase. Vote 16-0.

SB 16, relative to amendments to warrant articles. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Philip L. Munck for Municipal and County Government: This bill clarifies to the department of revenue administration that the decision of a town to require votes of the governing body to be printed in the warrant also applies to the printed ballot. It also applies to decisions of the governing body to place tallies on the ballot as well as the warrant. Vote 16-0.

Amendment (0561h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the placement of numerical tallies on a ballot.

Amend the bill by replacing all after the enacting clause with the following:

1 Use of Official Ballot. Amend RSA 40:13, V-a to read as follows:

V-a. Any town may vote to require that all votes by an advisory budget committee, a town budget committee, and the governing body or, in towns without a budget committee, all votes of the governing body relative to budget items or any warrant articles *or ballot questions* shall be recorded votes and the numerical tally of any such vote shall be printed in the town warrant next to the affected warrant article *or on the ballot next to the affected ballot question*. If a town has not voted to require such tallies to be printed in the town warrant next to the affected warrant article *or on the ballot next to the affected ballot question*, the governing body may do so on its own initiative.

2 Tallies on Ballot Permitted. Any ballot vote that includes a tally shall be valid, notwithstanding the fact that the vote occurred prior to the effective date of this act.

3 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill permits towns to place the tallies of certain votes of an advisory budget committee, a town budget committee, and the governing body on the ballot next to the affected ballot question.

SB 174, relative to the Concord regional solid waste/resource recovery cooperative. **OUGHT TO PASS.**

Rep. James E. Coffey for Municipal and County Government: This bill allows the Concord regional solid waste/resource cooperative agreement to be amended to encompass changes to the agreement by the 25 municipalities dated January 16, 2003 and January 22, 2009 and to promote provisions for recycling in addition to its present waste to energy facility. Vote 16-0.

REGULAR CALENDAR

HB 590, expressing the position of the New Hampshire general court that the offering and acceptance of federal grants-in-aid relating to matters not included among the defined powers of the federal government is unconstitutional under the state and federal Constitutions and establishing a committee to review state participation in federal grant-in-aid programs. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Joseph F. Krasucki for the Majority of Constitutional Review and Statutory Recodification: This bill proposes to establish a legislative study committee to examine New Hampshire RSAs to identify the statutory authority for each federal grant-in-aid program. The committee will solicit information from the legislative budget assistance's office, dept of health and human services, department of education, dept of environmental services, and other agencies and individuals with information and expertise relevant to the study. The study committee will recommend legislation to the general court to repeal or amend federal grant-in-aid programs. HB 590 is clearly constitutional. Vote 12-2.

Rep. Gary B. Richardson for the Minority of Constitutional Review and Statutory Recodification: This bill would create a study committee to assess all federal grants-in-aid and "make recommendations as to the most expeditious and practical means of modifying (them) to make feasible the transition to support entirely from state, local and/or private sources of funding." The sponsors failed to identify any particular grant-in-aid that is alleged to be unconstitutional or the number of grants-in-aid that would be placed in jeopardy. By characterizing grants-in-aid as "bribes," it is clear that this bill is motivated by ideology rather than honest constitutional concerns since grants-in-aid have been repeatedly upheld by judicial decisions, e.g. New York v. United States, 488U.S.1041 (1992).

The question being adoption of the majority committee report of Ought to Pass.

Rep. Theberge spoke against.

Rep. Krasucki spoke in favor and yielded to questions.

Majority committee report adopted and ordered to third reading.

HCR 19, affirming States' powers based on the Constitution for the United States and the Constitution of New Hampshire. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Kevin E. Reichard for the Majority of Constitutional Review and Statutory Recodification: This bill is a resolution to reaffirm state constitutional rights vs. federal powers. It was the consensus of the committee that there has been a usurpation of powers reserved to the states, violating the 9th and 10th amendments of the federal Constitution and that this resolution addresses that concern. With the exception of the 18 enumerated powers to the federal government in article 1, section 8 of the Constitution for the United States, all other powers are un-delegated and are reserved for the states or the people. The committee feels that this resolution will help in reestablishing states' sovereignty. It urges other states to assert their own rights. Currently there are at least 7 states that have passed similar resolutions and 20 other states that have resolutions pending. Vote 11-3.

Rep. Gary B. Richardson for the Minority of Constitutional Review and Statutory Recodification: This bill is another in a series of resolutions and bills sponsored by members who are upset over the relationship between the federal government and the states. During the Constitutional Convention that led to the adoption of the U.S. Constitution, the New Jersey Plan would have continued to require the approval of states of legislation as had been required under the Articles of Confederation. Ultimately the New Jersey Plan was rejected in favor of the Virginia Plan that permitted congress to exercise legislative authority directly on individuals. However, as stated by Sandra Day O'Connor in New York v. United States, 488 U.S. 1041 (1992), this is not to say that congress lacks the ability to encourage a state to regulate in a particular way or that congress may not hold out incentives to the states as a method of influencing a states policy choices. HCR 19 is confusing and poorly drafted, but appears to reject most authority of congress to regulate and therefore makes an incorrect statement of accepted constitutional law. Finally, HCR 19 rejects the authority of the courts to determine the constitutionality of legislative acts, which is also beyond serious constitutional question.

The question being adoption of the majority committee report of Ought to Pass.

Rep. Itse spoke in favor and yielded to questions.

Rep. Serlin spoke against and requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

HB 292-FN, relative to securities regulation. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Philip E. Ginsburg for the Majority of Criminal Justice and Public Safety: As the second committee, Criminal Justice and Public Safety examined the penalty portion of this bill. The

committee supported the increase of penalty for unlawful representation concerning registration from a misdemeanor to a class B felony, but amended the bill to leave violations of licensing requirements and registration requirements as misdemeanors except for subsequent violations which will be a felony level offense. Vote 10-6.

Rep. Mark Warden for the Minority of Criminal Justice and Public Safety: This bill would change statute to increase penalties for misdemeanor to felony level for certain actions, including violations of RSA 421-B: 6, B: 11 and B: 20, relative to licensing and registration requirements. The minority believes this bill is flawed. Some of the language is ambiguous and includes undefined terms such as “public welfare offense.” Securities bureau personnel testified that only one or two people were prosecuted last year for misdemeanor charges.

Majority Amendment (1126h)

Amend RSA 421-B:24, II as inserted by section 7 of the bill by replacing it with the following:

II. Any person who willfully violates RSA 421-B:6[.] **or** 421-B:11 [~~or 421-B:20~~] shall be guilty of a class A misdemeanor if a natural person, and guilty of a felony if any other person. ***Any person who willfully violates RSA 421-B:20 shall be guilty of a felony.*** Each of the acts specified shall constitute a separate offense and a prosecution or conviction for any one of such offenses shall not bar prosecution or conviction for any other offense. For any subsequent offense ***under RSA 421-B:6 or RSA 421-B:11***, any person shall be guilty of a class B felony.

LAI D ON THE TABLE

Rep. Swinford moved that ***HB 292-FN***, relative to securities regulation, be laid on the table.

On a division vote, 331 members having voted in the affirmative and 17 in the negative, the motion was adopted.

REGULAR CALENDAR (CONT'D)

HB 375, relative to immunity for school personnel using reasonable force to protect pupils. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Michael A. Balboni for Education: This bill was referred to the Education Committee as a second committee after the unanimous affirming vote by the Judiciary Committee and majority voice vote of the House. The committee unanimously agrees with the Judiciary Committee which stated that, “This bill addresses a significant problem in New Hampshire schools, namely the imbalance of power favoring students who promote disruption and violence while under a teacher’s care and supervision....The committee unanimously believes that the legislature should make a strong statement to teachers, administrators, parents and students by moving the balance of power back to the teachers by providing them with immunity when using reasonable force to control students who are ruining the educational climate for others.” (Judiciary Committee Report, House Record Vol. 33, No. 15, February 18, 2011). Testimony from teachers and administrators received by this committee confirmed that, due to the lack of parental support and the threat of lawsuits, teachers are afraid to intervene when students exhibit disruptive or violent behavior, possibly resulting in harm to themselves or others. We also heard testimony from the attorney general’s office which did not previously testify before the Judiciary Committee. The AG’s office is concerned that the bill’s wording would narrow the scope of current legal protections, possibly opening litigation and criminal charges against non-teacher care givers unconnected to the traditional school setting. The bill does this by changing the word “minor” in current law to “pupil,” removing protection from those who care for “minors” who are not legally considered “pupils,” for example, those in day care centers, those involved in after school programs and those housed at state facilities such as the Sununu Youth Services Center. Therefore, the committee has proposed an amendment to the bill that would return the wording to “minor” in order to maintain the protections in current law. We also discussed the bill’s change from “necessary force” to “reasonable force.” The AG’s office believes “reasonable” is the more legally appropriate term. Vote 12-0.

Amendment (1128h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to immunity for school personnel using reasonable force to protect a minor for special purposes or pupil.

Amend RSA 627:6, II(a) as inserted by section 1 of the bill by replacing it with the following:

II.(a) A teacher or person otherwise entrusted with the care or supervision of a minor for special purposes *or pupil* is justified ~~[on the premises]~~ *during the care and supervision of the minor or pupil* in using [necessary] *reasonable* force against any such minor *or pupil*, when the minor *or pupil* creates a disturbance, or refuses to leave the premises, or when it is necessary for the maintenance of discipline. *A teacher or person otherwise entrusted with the care or supervision of such minor or pupil shall be immune from any civil or criminal liability for any act or omission performed in good faith and in accordance with this paragraph.*

AMENDED ANALYSIS

This bill provides civil and criminal immunity for good faith acts or omissions performed by teachers or persons otherwise entrusted with the care or supervision of a minor for special purposes or pupil.

Amendment adopted.

Committee report adopted and ordered to third reading.

MOTION TO SPECIAL ORDER

Rep. Bettencourt moved that **HB 1-A**, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2012 and June 30, 2013 and **HB 2-FN-A-L**, relative to state fees, funds, revenues, and expenditures, be Special Ordered to the end of the Regular Calendar beginning with **HB 2-FN-A-L**.

Rep. Bettencourt spoke in favor and yielded to questions.

Motion adopted.

REGULAR CALENDAR (CONT'D)

HB 160, relative to decisions and actions of the joint committee on legislative facilities. **INEXPEDIENT TO LEGISLATE.**

Rep. Kenneth L. Weyler for Finance: The legislative facilities committee has a narrow and detailed function. It approves budget transfers within the legislative budget and sets salaries and appointments of legislative employees. It may enter into contracts and hire consultants. It establishes policy for the use of legislative facilities. None of these functions seem to arise to the importance of involving the whole House or Senate. The change to making the committee responsible for the policies regarding the operation of the facilities would require more frequent meetings to accomplish a function now detailed to Chiefs of Staff. The ability to put a stay by one member for 14 days creates some problematic scenarios. If a large group is allowed to use the House Chamber for a forum, and one member has objection that member could enter a stay the day before, and thus cause cancellation of a long-planned event, which has no alternative space. The majority saw no reason to make such a drastic change to something that appears to be working and saving the deliberations of the General Court for more important matters. Vote 17-3.

Reps. Renzullo and Weyler spoke against.

Committee report failed.

Rep. Renzullo moved Ought to Pass and offered floor amendment (1236h).

Floor Amendment (1236h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the powers of the joint committee on legislative facilities.

Amend the bill by replacing all after the enacting clause with the following:

1 Joint Committee on Legislative Facilities; Powers and Duties. Amend RSA 17-E:5-a, VIII to read as follows:

VIII. To establish policies regarding the use of the facilities under control of the legislature in the state house, the legislative office building, the Upham Walker house, parking garages and lots, and any future facility that may come under legislative management. *Beginning July 1, 2011, nothing in this paragraph shall authorize the committee to revise or establish a policy on the carrying of weapons in the state house complex, unless such policy revision or establishment is approved by legislation adopted by the general court.*

2 Effective Date. This act shall take effect July 1, 2011.

AMENDED ANALYSIS

This bill requires that beginning July 1, 2011, any policy revision concerning the carrying of weapons in the state house complex must be by legislation adopted by the general court.

Rep. Renzullo spoke in favor.
 Floor amendment (1236h) adopted.

The question now being adoption of the motion of Ought to Pass with Amendment.
 Rep. DeStefano requested a roll call; sufficiently seconded.

----------------	-----------------	--------------------	-----------------

and the motion was adopted and ordered to third reading.

HB 438-FN-A, relative to funding of the Claremont, Colebrook, Milford, and Keene District Courts and establishing a committee to study the utilization of existing facilities to house courts leased by communities through the state. **OUGHT TO PASS WITH AMENDMENT.**

Rep. William S. Belvin for Finance: This bill grows out of an attempt to close a number of district courts in the current biennium, which all remain open today due to 2009 legislative action. HB 438 desires to keep these courts open going forward. As introduced, the bill did three things: it kept open in FY's 2012 & 2013 the district courts in Colebrook, Claremont, Keene and Milford; it appropriated funds to reimburse the towns for expenses to keep the district courts open in FY 2011; and established a committee to study leased court space. The bill came out of the Judiciary Committee as OTP and was so voted on the House floor. It was referred to the Finance Committee as a second committee due to its fiscal impact. In Finance the bill was amended to remove all funds and the study committee, leaving the approved policy requirement in place to keep these four courts open and additionally the Plaistow District Court in FY 2012 & 2013. It is important to keep justice close to the people as required by RSA 502-A:2 which says in part "...The administrative judge shall consider the convenience of each court's users" Vote 20-4.

Amendment (0892h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to funding of the Claremont, Colebrook, Milford, Keene, and Plaistow District Courts.

Amend the bill by replacing all after the enacting clause with the following:

1 Operation and Funding of Certain District Courts. For the fiscal years ending June 30, 2012 and June 30, 2013, the Colebrook District Court, the Keene District Court, the Claremont District Court, the Plaistow District Court, and the Milford District Court shall remain open and the judicial branch shall pay the costs of maintaining such courts within its operating budget.

2 Effective Date. This act shall take effect July 1, 2011.

AMENDED ANALYSIS

This bill requires the judicial branch to continue to operate the Claremont, Colebrook, Milford, Plaistow, and Keene District Courts in fiscal years 2012 and 2013 within its operating budget. Amendment adopted.

Committee report adopted and ordered to third reading.

HB 479-FN, relative to receivership of nursing homes and other residential health care facilities. **OUGHT TO PASS.**

Rep. Thomas E. Keane for Finance: This bill reinstates a previous law that sunset. The law allows the department of health and human services, under the supervision of a probate court, to manage a state licensed Medicaid nursing home or other residential facility that fails financially. Under this law, the department would appoint a qualified administrator to manage the day-to-day operations until such time as a bankruptcy court appoints a master. There is the potential for some cost to the state to maintain services on a temporary basis but the state has collected fees over the years that would likely offset the cost. Vote 24-0.

Committee report adopted and ordered to third reading.

HB 490-FN, adopting the interstate compact for juveniles. **OUGHT TO PASS.**

Rep. Sharon Nordgren for Finance: Continuing with our membership in the interstate compact will allow the state to be reimbursed by other states for services provided to children from other states. In the event of a runaway child, need for joint supervision or mutual assistance, the State of NH would be allowed to collect payment from the other state involved. Also law enforcement agencies would be notified if a juvenile offender is authorized to travel or is relocated across state lines. Dues for this compact for NH will be \$12,000 calculated by state population and activity. Vote 24-0.

Committee report adopted and ordered to third reading.

(Rep. Bettencourt in the Chair)

HB 519-FN, repealing New Hampshire's regional greenhouse gas initiative cap and trade program for controlling carbon dioxide emissions. **MAJORITY: OUGHT TO PASS. MINORITY: IN-EXPEDIENT TO LEGISLATE.**

Rep. Neal M. Kurk for the Majority of Finance: This bill repeals the carbon tax on electricity generation in New Hampshire. More than \$30 million has already been taken out of the New Hampshire economy that could have been used to create jobs. The balance of RGGI funds as of January 1, 2012 will be transferred to the state-created CORE energy efficiency program to directly benefit additional individuals and business electricity customers. Vote 17-6Rep. Robert A. Foose for the Minority of Finance: RGGI is scheduled to undergo a complete review by the PUC to be completed by the end of 2011. The minority believes that the legislature should not interfere with the PUC review process. The PUC should be allowed to complete its study and release its report. Moreover, as long as New Hampshire continues to be part of ISO, we will continue to pay for RGGI. But, if we repeal it, we will no longer reap its benefits. This will mean a yearly financial loss of 8 to 13 million dollars for New Hampshire.

The question being adoption of the majority committee report of Ought to Pass.

Rep. James Garrity spoke in favor.

Rep. Foose spoke against and requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

(Speaker O'Brien in the Chair)

HB 635-FN-A, requiring the governor to consolidate certain agency functions and making an appropriation therefor. **OUGHT TO PASS.**

Rep. Dan McGuire for Finance: This bill directs the governor to create a plan to consolidate both back office and front office operations where savings are available. This goes beyond similar measures already present in the governor's proposed budget. We will be very pleased if even a fraction of the anticipated savings materialize. Vote 17-0.

Committee report adopted and ordered to third reading.

HCR 6, requiring the Congress of the United States of America to reaffirm its adherence to the Constitution of the United States regarding international agreements and treaties. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Kenneth L. Weyler for Finance: This bill was sent to Finance because it was felt that language requiring the House Clerk to deliver the resolution, meant that she must bring it in person to all the addressees. The committee changed that section to "cause to be delivered." We also deleted the other state legislatures from the addressee list. Vote 16-8.

Amendment (1025h)

Amend the resolution by replacing the second paragraph after the resolving clause with the following:

That the clerk of the house of representatives shall cause to be delivered signed copies of this resolution to the President of the United States of America, the Speaker of the United States House of Representatives, the President of the United States Senate, and the members of the New Hampshire congressional delegation, urging them to give it wide dissemination amongst their bodies, so that they may be apprised of the sense of the citizens of New Hampshire in this matter.

Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment.

Rep. Peter Schmidt spoke against.

Rep. Weyler spoke in favor and yielded to questions.

On a division vote, 213 members having voted in the affirmative and 132 in the negative, the committee report was adopted and ordered to third reading.

HB 651, allowing the sale and possession of monk parakeets. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS.**

Rep. Gary S. Hopper for the Majority of Fish and Game and Marine Resources: This bill would lift all restrictions on the sale or possession of a Monk/Quaker Parrot. Unlike other tropical birds, Quakers are an intelligent and adaptable bird. In fact, there is a colony of about 200 in Chicago. As a result of people being unaware that the Quakers were illegal, there are roughly 1000 birds in the state today. The committee feels it is unwise to take a chance on allowing more. The amended version will grandfather the parrots that are currently in the state and discontinues the introduction of any more. Vote 12-1.

Rep. Jenna J. Roberts for the Minority of Fish and Game and Marine Resources: The original bill allowed for the possession and sale of Quaker or Monk parakeets. This bill, as amended, bans the sale and possession of these common pets. According to testimony by fish and game, no monk parakeets are known to be living wild in New Hampshire. Of those wild populations living in other states, the reported issue is these feral populations can cause damage to power lines but do not negatively

impact crops or threaten native species. Currently, 30 states, including some with wild populations, have no restrictions on possession or sale of these well-loved, family-friendly pets. It is a bird sold by pet stores and home-breeders alike. In fact, Massachusetts lifted its ban against this bird. Even in Connecticut where this bird has caused a nuisance for utility poles, the state allows possession but restricts their sale. The minority opposes the amendment.

Majority Amendment (1066h)

Amend the title of the bill by replacing it with the following:

AN ACT banning the sale and possession of monk parakeets.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Monk Parakeets. Amend RSA 437 by inserting after section 17 the following new section:

437:17-a Monk Parakeets. Monk parakeets (*Myiopsitta monachus*), also known as quaker parrots, shall not be possessed, bred, or sold within the state.

2 Monk Parakeets; Exception. Any person in possession of one or more monk parakeets on the 30th day after the passage of this act shall not be in violation of RSA 437:17-a, provided that said person does not breed the monk parakeets in his or her possession.

3 Invasive Species. The commissioner of the department of agriculture, markets, and food shall add monk parakeets (*Myiopsitta monachus*) to the invasive species list.

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

I. Bans the possession, breeding, and sale of monk parakeets.

II. Allows those persons who own monk parakeets at the time of the passage of this act to possess those monk parakeets.

III. Requires the commissioner of the department of agriculture, markets, and food to add monk parakeets to the invasive species list.

Reps. Notter, Jenna Roberts, Bowers and James Belanger spoke against.

Rep. Newton spoke in favor.

On a division vote, 120 members having voted in the affirmative and 237 in the negative, the majority committee amendment failed.

Minority committee report of Ought to Pass adopted and ordered to third reading.

REMOVED FROM THE TABLE

Rep. Bettencourt moved that **CACR 6**, relating to taxation. Providing that a 3/5 vote is required to pass legislation imposing new or increased taxes or license fees provided that the legislature may increase the rate of taxes and fees with a majority vote in any fiscal year that insufficient revenues are provided to pay the principal and interest on a debt payable in that year, to which the state has pledged its faith and credit, be removed from the table. (Pending question: Minority committee report of Inexpedient to Legislate)

On a division vote, 248 members having voted in the affirmative and 118 in the negative, the motion was adopted.

MOTION TO SUSPEND HOUSE RULES

Rep. Bettencourt moved that House Rules be suspended as to allow further consideration on **CACR 6**, relating to taxation. Providing that a 3/5 vote is required to pass legislation imposing new or increased taxes or license fees provided that the legislature may increase the rate of taxes and fees with a majority vote in any fiscal year that insufficient revenues are provided to pay the principal and interest on a debt payable in that year, to which the state has pledged its faith and credit.

Rep. Weber spoke against.

Rep. Jasper spoke in favor, yielded to questions and requested a roll call; sufficiently seconded.

and the minority committee report failed.

Rep. Jasper moved Ought to Pass and offered floor amendment (1169h).

Floor Amendment (1169h)

Amend the title of the resolution by replacing it with the following:

RELATING TO: taxation.

PROVIDING THAT: a 3/5 vote is required to pass legislation imposing new or increased taxes or license fees, or to authorize the issuance of state bonds and providing that the general court shall appropriate funds for payment of interest and installments of principle of all state bonds.

Amend the resolution by replacing paragraph I with the following:

I. That the second part of the constitution be amended by inserting after article 5-b the following new articles:

[Art.] 5-c. [Increase in Rate of Taxation.] A 3/5 vote of the members present and voting in the house of representatives and the senate shall be required to pass a new tax or license fee or to increase a tax or license fee that has been levied by the state, or to authorize the issuance of state bonds.

[Art.] 5-d. [Appropriation for Payment of Interest and Installments of Principle on Bonded Debt.] The general court shall provide by appropriation for the payment of interest upon and installments of principle of all bonded debt created on behalf of the State as the same shall become due and payable. If at anytime the general court shall fail to make any such appropriation, the treasurer of the State shall set apart from the first general fund revenues thereafter received a sum sufficient to pay such interest or installments of principle and shall so apply the money thus set apart.

Amend the resolution by replacing paragraph IV with the following:

IV. That the wording of the question put to the qualified voters shall be:

“Are you in favor of amending the second part of the constitution by inserting after article 5-b a new articles to read as follows:

[Art.] 5-c. [Increase in Rate of Taxation.] A 3/5 vote of the members present and voting in the house of representatives and the senate shall be required to pass a new tax or license fee or to increase a tax or license fee that has been levied by the state, or to authorize the issuance of state bonds.

[Art.] 5-d. [Appropriation for Payment of Interest and Installments of Principle on Bonded Debt.] The general court shall provide by appropriation for the payment of interest upon and installments of principle of all bonded debt created on behalf of the State as the same shall become due and payable. If at anytime the general court shall fail to make any such appropriation, the treasurer of the State shall set apart from the first general fund revenues thereafter received a sum sufficient to pay such interest or installments of principle and shall so apply the money thus set apart.”

AMENDED ANALYSIS

This constitutional amendment concurrent resolution provides that a 3/5 vote of the house of representatives and the senate shall be required to pass a new tax or license fee or to increase any tax or license fee that has been levied, or to authorize the issuance of state bonds.

This resolution also provides for appropriations for the payment of interest and installments of principle of all bonded state debt.

APPEAL THE RULING OF THE CHAIR

Rep. Norelli appealed the ruling of the Chair whereby the Chair declared that no further motion to suspend the rules was necessary for action on **CACR 6**, relating to taxation. Providing that a 3/5 vote is required to pass legislation imposing new or increased taxes or license fees provided that the legislature may increase the rate of taxes and fees with a majority vote in any fiscal year that insufficient revenues are provided to pay the principal and interest on a debt payable in that year, to which the state has pledged its faith and credit.

The question being shall the ruling of the Chair be upheld?

Rep. Norelli requested a roll call; sufficiently seconded.

and the motion was adopted by the necessary three-fifths vote and ordered to third reading.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Bettencourt moved that the House reconsider its action whereby, on a roll call vote of 256-117, it adopted the motion of Ought to Pass with Amendment on **CACR 6**, relating to taxation. Providing that a 3/5 vote is required to pass legislation imposing

new or increased taxes or license fees, or to authorize the issuance of state bonds and providing that the general court shall appropriate funds for payment of interest and installments of principle of all state bonds.

Rep. Bettencourt spoke against.

On a division vote, 104 members having voted in the affirmative and 269 in the negative, the motion failed.

MOTION TO PRINT DEBATE

Rep. Tamburello moved that the debate on **CACR 6**, relating to taxation. Providing that a 3/5 vote is required to pass legislation imposing new or increased taxes or license fees, or to authorize the issuance of state bonds and providing that the general court shall appropriate funds for payment of interest and installments of principle of all state bonds, be printed in the Permanent Journal. Adopted.

DEBATE ON CACR 6

Speaker O'Brien: The Chair recognizes Rep. Bettencourt for a parliamentary inquiry.

Rep. Bettencourt: Mister Speaker, my question is if we were to attempt to take CACR 6 off the table, what is the parliamentary procedure that we would be facing?

Speaker O'Brien: Rep. Bettencourt, if there was a motion to take CACR 6 off the table, it would require a majority vote to come off the table. It is past the deadline for first committee bills and therefore it would require a motion to suspend the rules in order for there to be further action on CACR 6 and that would require two-thirds of those present. Thereafter, the pending motion is Inexpedient to Legislate. It would require a majority vote to defeat that motion or for that motion to carry. If that motion does not carry, it is open for further motions. To amend it would require a majority vote. If the motion is Ought to Pass or Ought to Pass with Amendment, that would require three-fifths of the House that is present and that would be 239 members that would have to vote in the affirmative.

Rep. Bettencourt: Mister Speaker, I move that CACR 6 be taken off the table.

Speaker O'Brien: Rep. Bettencourt moves that CACR 6 be taken off the table. The motion before the House is to take CACR 6 off the table. Are you ready for the vote? A division vote has been requested. This is a division vote. Will members please take their seats? The House will come to order. The question before the House is the motion by Rep. Bettencourt to remove CACR 6 from the table. This is a division vote. The Chair recognizes Rep. Bettencourt for the purpose of a parliamentary inquiry.

Rep. Bettencourt: Mister Speaker, if I knew that CACR 6 needed fine tuning and it was therefore placed on the table. Mister Speaker, if I know that we came within five votes of passing the amendment on the initial vote and there were individuals that wanted to participate, but couldn't and, if I also knew Mister Speaker that this legislation has been improved and deserves to be debated on the floor again, would I press the green button so that we may remove CACR 6 from the table.

Speaker O'Brien: The question before the House is the motion of Rep. Bettencourt to remove CACR 6 from the table. This is a division vote. If you are in favor of removing CACR 6 from the table, you'll press the green button. If you are opposed, you'll press the red button. Voting stations are open for 60 seconds. The House will be attentive to the state of the vote. With 248 members having voted in the affirmative and 118 in the negative the motion carries. The Chair recognizes Rep. Bettencourt for a motion.

Rep. Bettencourt: Mister Speaker, I would move that the rules be so far suspended as to allow us to be able to adequately take up CACR 6.

Speaker O'Brien: Rep. Bettencourt moves to suspend the rules to allow further action on CACR 6. The Chair recognizes Rep. Weber for the purpose of comments.

Rep. Weber: Thank you, Mister Speaker. Mister Speaker, this House had every opportunity to debate, to consider, to deliberate this bill and they did so and the orderly business of this House requires that we progress on to other matters because the decision has already been made on this issue. So I would urge a no vote on the rules suspension.

Speaker O'Brien: The question before the House is the motion to suspend the rules to allow further action on CACR 6. The Chair recognizes Rep. Jasper for comments.

Rep. Jasper: Thank you, Mister Speaker. I would urge the body to suspend the rules to allow us to consider further amendments and action on this CACR. We know it came very close. There were

imperfections in the amendment that was before us a couple of weeks ago and by suspending the rules, and the reason we need to suspend the rules is because we are after the deadline for bills going to a first committee and I think it's important that we take this up and fully debate all the other actions relative to this CACR. Thank you.

Speaker O'Brien: For what purpose does the member rise?

Rep. Gary Richardson: Parliamentary inquiry of the previous speaker please.

Speaker O'Brien: Does the member yield to a question? I assume this is a question of the speaker and not a parliamentary inquiry.

Rep. Gary Richardson: That is correct, Mister Speaker. My question is this. I believe we are being asked to suspend the rules so that we can take up a new amendment to CACR 6 and I assume the reason for the rules that we have about deadlines and all is so that we can have public hearings and open debate and discussion of matters before we have to vote on them on the floor. So my question to you is, you have alluded to changes to CACR 6, but I think we need to know how extensive those changes are before we are asked to suspend rules and then have to vote on a constitutional amendment with no public hearing.

Rep. Jasper: Thank you for the question. My belief is the reason, first of all, that we have the rules the way we do is because bills going to a second committee, there are quite a few of them, and if we had them all intertwined, crossover could be a very difficult time, even as it is with the rules. I don't think it has anything to do with public hearings. I think it has a matter of doing with how many committees these bills need to go to. As you well know, we have many amendments in our seat pockets today from your colleagues having to do with the budget and HB 1 and HB 2 which also have not gone to a public hearing. You also know that we quite often adopt floor amendments to bills. The requirement is that bills have a public hearing, not floor amendments. So this is going through the normal process and all we are asking at this time is to suspend the rules because of that deadline and we will then have the full debate on the amendment which is in the seat pocket.

Rep. Gary Richardson: Follow up, Mister Speaker.

Speaker O'Brien: Does the member yield for a follow up question? The member does yield. Rep. Richardson please proceed.

Rep. Gary Richardson: I assume you are referring to the amendment that is in the seat pocket which seems to me to be a substantial revision of the bill. So could you describe for us, before we suspend the rules, exactly what are differences to CACR 6 that we defeated last week and the current version.

Speaker O'Brien: That question goes beyond the limits of debate on this motion, Representative. The question before the House.....Does the member yield for an additional question? Rep. Vaillancourt you are recognized for an additional question.

Rep. Vaillancourt: Thank you, Mister Speaker. In checking the previous roll call, I noted that there were 352 people here. According to the last roll call we just had or division, there were 366, so if we did not do this, would it in effect be disenfranchising the people that are here today that couldn't make it then if we don't agree to do this?

Rep. Jasper: I'm not sure I would go that far because we always have different numbers of members here and I wouldn't want to put myself in a situation of saying that every time we had a vote on something when there are more people here we should revisit it, but we have the opportunity here and we have an amendment in the seat pockets so I think it is proper to suspend the rules and deal with this, particularly where the vote was so close the last time.

Speaker O'Brien: The question before the House is the suspension of the rules. This is a division vote. Members will please take their seats and the Chair will recognize Rep. (Gary) Richardson for the purpose of a parliamentary inquiry.

Rep. Gary Richardson: Thank you, Mister Speaker. If I've read the proposed amendment to CACR 6 that is in our seat pockets and if I know that it involves significant new language that we have not considered before and if I know that to fool with this constitutional amendment at this date puts members in a position of having to vote without being fully informed, would I now vote red to oppose the motion to suspend the rules? Thank you.

Speaker O'Brien: This is a division vote. The question is on the motion to suspend rules. The Chair recognizes Rep. Bettencourt for the purpose of a parliamentary inquiry.

Rep. Bettencourt: Mister Speaker, if I know that in order to move forward on CACR 6, it is necessary to suspend the rules and if I know that this legislation is important to the tax-payers of our state and Mister Speaker, if I want to give a new and improved CACR 6 an opportunity to be debated in this Chamber, would I not press the green button to suspend the rules?

Speaker O'Brien: Rep. Jasper requests a roll call. Is that sufficiently seconded? It is sufficiently seconded. Members have taken their seats, but this will now be a roll call vote rather than a division vote. The procedure status is that this vote requires two-thirds present and voting in order for the motion to carry. If you are in favor of suspension of the rules, you'll press the green button. If you are opposed, you'll press the red button. Voting stations will be open for 30 seconds. The House will be attentive to the state of the vote. With 258 members having voted in the affirmative and 114 in the negative and 248 being required for the motion to carry, the motion carries. The pending question is on Inexpedient to Legislate on CACR 6. The Chair recognizes Rep. Stepanek to speak in opposition to Inexpedient to Legislate.

Rep. Stepanek: Thank you, Mister Speaker. Members of this honorable House, CACR 6 is one of the most important bills you will vote on this session. I and most of you ran on a platform of limited and responsible government. This bill, more than any other, does this. Remember, by passing this we are giving the people the right to have their voice heard on this most important issue. This will go a long way towards preventing last minute midnight tax and fee increases. It will prevent reckless bonding of operating expenses, forcing our children and grandchildren to pay for it for the next 20 years. The argument has been made that this amendment will make it harder to raise taxes and fees. My answer to that is a resounding yes. Yes, it will make it harder to raise taxes and fees and take more money from our citizens. That should be a harder task on this legislature. The legislature must be held to a higher standard when it comes to raising taxes and fees. People have said it will be harder to borrow money. Again, my answer is a resounding yes. Yes, it should be harder to borrow money that our children and grandchildren will have to pay back. We make it harder for our cities and towns to borrow money. Why should the state be any different? I urge all of you to support this bill and allow the people of New Hampshire to vote on this most important issue. Please vote against the motion to ITL. Thank you.

Speaker O'Brien: The pending question is Inexpedient to Legislate on CACR 6. The Chair recognizes Rep. Almy of Lebanon to speak in favor of ITL.

Rep. Almy: Thank you, Mister Speaker. New Hampshire has been a fiscally prudent, very low tax state that managed to provide the essential services to its citizens and businesses by a combination of lean government and a heavy dependence on volunteers, non-profit agencies and coalitions. It has always been very hard to pass a budget because our revenues grow less than the cost of service and no one wants to raise taxes. This amendment is a solution in search of a problem and it is a very bad solution. There are occasions when taxes have to be created or raised if citizens and businesses are to get the infrastructure they need to survive and prosper. Sometimes older revenue sources peter out and die as our tobacco tax eventually will or they need to be put out of their misery as the old stock and trade tax did. They then need to be replaced if our businesses and citizens are to survive and prosper. Many of us have been through the agony of trying to get a decrepit and overcrowded school building replaced. In all but the wealthiest communities, the 60% bar for passage of a bond thwarts the will of the majority and condemns children to unsafe buildings and substandard educations. Since almost all budgets include some tweaking to taxes or fees to achieve balance, passage of this amendment means that budgets will routinely fail. As I said last time, seven of the last ten budgets would have failed. If we instead try to pass any possible tax measures needed in advance, which was suggested by the sponsor of this bill in committee, the budget processes will routinely extend into the fall and winter of the year and some legislatures may pass more revenues than we need. Bond markets hate this even more than we do. This does not mean it is harder to raise money for capital projects, this means it is more expensive and we will be paying a lot more. Arizona was degraded recently because of its supermajority requirement and last week Nevada was downgraded to one of the lowest state ratings with its supermajority requirement listed as a primary reason. The fifteen states that require supermajorities to increase taxes do not avoid fiscal peril. In fact, six out of those fifteen, but only four out of the remaining thirty five are on the Pew Center's list of the ten states in worse peril. These six are Arizona, California, Florida, Michigan, Nevada and Oregon. Do not destroy our state, vote for ITL.

Speaker O'Brien: Does the committee yield for a question from a Representative? The committee does yield. Rep. DiPentima you may inquire.

Rep. DiPentima: Thank you, Mister Speaker and thank you, Representative for taking my question. My question is, if this amendment were to pass, would it also require a two-thirds vote to downshift or cost-shift any costs to local community property taxes?

Rep. Stepanek: First of all, this requires 60% or supermajority of the members present and voting and it only impacts taxes, fees and bonding.

Speaker O'Brien: Does the member yield to a follow up question? The member does yield.

Rep. DiPentima: So if I understand this correctly, this means that we could still pass legislation that would cost-shift or downshift and increase local property taxes without having a supermajority.

Rep. Stepanek: The legislature would be free to do anything with a regular majority other than taxes, fees and bonding.

Speaker O'Brien: The question before the House is Inexpedient to Legislate. The Chair will declare this to be a division vote and therefore would members take their seats? Rep. Greazzo requests a roll call vote. Is that sufficiently seconded? It is sufficiently seconded. This will be a roll call vote. Members have taken their seats therefore we will proceed. The Chair recognizes Rep. Tucker for a parliamentary inquiry.

Rep. Tucker: Thank you, Mister Speaker. If I know that the House vote of OTP on this CACR came within 5 votes of the necessary 239 votes for passage and if I know that an amendment will be offered which will improve the CACR if the ITL motion is defeated, would I now vote to continue the debate in the fight against higher taxes and spending by pressing the red button? Thank you.

Speaker O'Brien: The question is on the motion of Inexpedient to Legislate on CACR 6. The Chair recognizes Rep. (Gary) Richardson for a parliamentary inquiry.

Rep. Gary Richardson: Thank you, Mister Speaker. If I know that last week, we voted to recommend passage of CACR 12 in which we are asking the voters to allow us to determine the amount of money that the state will spend on education by majority vote and if I know that this CACR would require a three-fifths majority vote to increase taxes and would allow a small minority to determine and control decisions made by the majority and would violate the principles set forth in CACR 12 and if I know that the responsible way to control spending and adopt a responsible budget and to fund education is by majority vote, not by a three-fifths vote, would I now vote green to support the motion of ITL?

Speaker O'Brien: The question is on the motion of Inexpedient to Legislate on CACR 6. This is a roll call vote. If you are in favor of Inexpedient to Legislate, you'll press the green button. If you are opposed, you'll press the red button. Voting stations are open for 30 seconds. The House will be attentive to the state of the vote. With 119 members voting in the affirmative and 251 in the negative, the motion does not carry. The Chair recognizes Rep. Jasper for the purpose of a motion.

Rep. Jasper: Thank you, Mister Speaker. I move that CACR 6 be Ought to Pass and then I would move amendment 1169h.

Speaker O'Brien: The question before the House is on Rep. Jasper's motion of Ought to Pass as Amended and the adoption of amendment 1169h. It's in your seat pockets. The question before the House is the adoption of floor amendment 1169h. The Chair recognizes Rep. Almy to speak in opposition to the adoption of floor amendment 1169h.

Rep. Almy: Thank you, Mister Speaker. I would like a division on this one. This amendment, at a minimum, does nothing to reduce the risk to our bond rating. It may make it worse. Legislatures always treat bonded debt as sacred so if we reach a place where this amendment would have to be activated, we will already be at the most basic essentials of a working government. If a future legislature cannot find 60% of its votes to pass a measure that pays the bonded debt obligations, the money for those obligations, according to the amendment, will come straight out of those basic functions. Most of those functions are of major concern to the bond markets. They are, of course, of greater concern to our citizens whose lives and livelihood would be seriously affected. Both this amendment and the underlying bill lead us, our citizens and our great state down into destruction. Thank you.

Speaker O'Brien: The Chair recognizes Rep. Jasper to speak in favor of the amendment.

Rep. Jasper: Thank you, Mister Speaker. First, I want to walk the House through the changes to the last CACR that we saw. When we last visited this issue, there was the issue of three-fifths vote and there was some disagreement in talking with various people as to whether it was three-fifths of the entire House or three-fifths of those present and voting. This clarifies that it is three-fifths of those present and voting. Another problem that seemed obvious was that we've seen what happened with bonding over the last four years and if we made a supermajority to raise fees and taxes, but did nothing to increase the number of votes for bonding, we'd be in that situation where we could see a lot of unnecessary and unwise bonding so we made the standard the same for bonding. Now, I worked with the State Treasurer on this. We did not go into this blindly. We wanted to make

sure that the state's bond rating was protected so the next section dealing with the payments came from bond counsel who the State Treasurer consulted. The section has been - some of these words exactly - Maine's constitution is somewhat different, but the majority of our wording came from bond counsel from the Maine constitution which makes sure that the bonds will be paid. The State Treasurer's position on this is not that she is in favor of it or against it, but she wanted to make sure that mechanically it worked and that the state was not harmed. Her exact words to me were, "This would be a negative against our credit rating, but it would not be an automatic downgrade of our bonding rate." There are other things that we can do to protect our rate. When you hear that our bond rating is going to be automatically downgraded as other states have been, that is not true. An important part of that is in fact protecting what it takes to bond future obligation by raising that. That actually helps us on the other side of the issue. So that essentially is what it does. There is going to be further debate so I'm not going to, at this particular time, go into my reasons for supporting this. I wanted to give you the run down on what it does and hope that you will adopt the amendment and then there is going to be further debate on the issue before final passage.

Speaker O'Brien: Does the member yield for a question? Rep. Ulery you are recognized for a question.

Rep. Ulery: I thank my colleague from Hudson for taking my question. When you were speaking about downgrading the bonding, but you also spoke with the Treasurer regarding the bonding, I believe some of the conversation was that because, contained in the constitutional amendment is a provision to pay the interest due before anything else, that this offsets the negative that may possibly, maybe, occur from the institution of a supermajority. Is that correct?

Rep. Jasper: To a large degree, yes. The bonding side....Her words to me were a little different the first time from when I spoke to you, from when she called me back yesterday, so I want to be clear on this. The bond rating part of it, because it has the protection, will not affect our credit rating in the first part, in the original three-fifths, may be a slight knock against our credit rating, but not automatically against our bond rating. We can take further actions, such as making sure we have money in the rainy day fund and taking other positive actions that will offset any negative that could occur.

Speaker O'Brien: Will the member yield for an additional question? The member does yield. Rep. (Gary) Richardson, you are recognized for a question.

Rep. Gary Richardson: Thank you, Mister Speaker. Thank you to the Representative from Hudson for taking my question. I believe you are aware that six days ago, Moody's downgraded the state of Nevada's bond rating and in their rating, they cited three reasons and the third was the fact that Nevada had adopted a two-thirds majority of each house of the legislature to raise taxes in 2012 and 2013. I quote "The supermajority requirement to raise taxes presents a hurdle to achieving balance or an ongoing balance going forward." I think you said in your remarks that the Treasurer had said it would be a negative against our credit rating, but not necessarily a downgrade of our bond rating. My question is why would we take this step with no opportunity to explore? This is an incredibly important issue and I know you agree with me. Why would we do this on an amendment with no opportunity for a public hearing and really, all of us, hear from the Treasurer to discuss this?

Rep. Jasper: The only part that is relative to your question that would negatively affect the bond rating is the part of the amendment that was already subject to a full public hearing of this House. The only change to that section is the fact that instead of being unclear as to whether it was three-fifths of the entire membership, we have made it clear that this is three-fifths of those present and voting which of course would be less of a problem with our bond rating than to have that absolute number set at 240 when we are a full house. I would disagree with your analogy and again I would say that there are a lot more important things in the health of the State of New Hampshire than the bond rating. High taxes, high spending lead to a much bigger negative than any possible slight downgrade in our bond rating that might occur if we don't take other positive steps to protect it.

Speaker O'Brien: Does the member yield for an additional question?

Rep. Gary Richardson: Would you believe that I vehemently disagree with your last statement?

Rep. Jasper: I would be shocked if you didn't.

Speaker O'Brien: The question before the House is on adoption of floor amendment 1169h. The Chair declares this to be a division vote. This will be a division vote. Will members please take their seats? Rep. Soltani requests a roll call vote. Is that sufficiently seconded? It is sufficiently seconded. This will be a roll call vote. Parliamentary status is that this motion requires a majority vote in order to be adopted. The question before the House is adoption of floor amendment 1169h. The Chair recognizes Rep. Weber for a parliamentary inquiry.

Rep. Weber: Thank you, Mister Chairman. Mister Chairman, I beg your pardon, Mister Speaker. Mister Speaker, if I know that many of us have seen the language of this proposed amendment to our constitution for the very first time this morning and if I know as a person very concerned with transparency in government that the wording of this amendment has had no opportunity for public comment of any sort, if I am concerned that this amendment has the potential to destroy our bond rating and cripple our ability to govern, and finally if I believe that this amendment delegates to an unelected official governmental functions which this body and the elected representatives of the people ought to be exercising themselves, would I now press the red button to vote no on the amendment?

Speaker O'Brien: The question before the House is the adoption of floor amendment 1169h to CACR 6. The Chair recognizes Rep. Bettencourt for a parliamentary inquiry.

Rep. Bettencourt: Mister Speaker, if I know that this amendment will clear up the confusion over numbers necessary for approval of any new tax and if I know that CACR 6 will now include bonding as well as taxes and if I know that this amendment came at the suggestion of the bond counsel and the Treasurer of New Hampshire and it has guaranteed that our state bonds will be paid and Mister Speaker.....

Speaker O'Brien: Will the member suspend? The members in division five please come to order. The member may proceed.

Rep. Bettencourt: And Mister Speaker, if I know that if I have a real objection to floor amendments and a strike against transparency then I would move to change the rules to ban floor amendments and that this will have a full public hearing in the Senate, would I now press the green button?

Speaker O'Brien: The question is on the adoption of floor amendment 1169h. If you are in favor of adoption, you'll press the green button. If you are opposed, you'll press the red button. Voting stations are open for 30 seconds. The House will be attentive to the state of the vote. With 265 members having voted in the affirmative, 107 in the negative, the floor amendment is adopted. The question before the House is on CACR 6 on a motion of Ought to Pass as Amended. The Chair recognizes Rep. (Kenneth) Gould from Derry to speak in opposition to Ought to Pass as Amended.

Rep. Kenneth Gould: Mister Speaker, I rise to oppose CACR 6. We're talking about enshrining into our constitution a supermajority requirement to do what we do virtually every year. We regularly need to make tweaks to our revenue system, sometimes small increases, sometimes small decreases. We do this almost every year. We have a standing committee that deals almost exclusively with revenues and it's an active committee. What do we do when horse race revenue evaporates? What do we do when dog racing disappears? We find other revenues. We have a history of doing this often and without this supermajority. We still have about the lowest state taxes in the nation. Why would we restrict future legislatures when we have not had this restriction on us for 200 plus years? There are a handful of states that have such a requirement. We could copy them. California has a wonderful time trying to put together a budget. Should we emulate them? How about Michigan? Nevada has this requirement and Moody's has just lowered their bond rating as you have heard and cited this requirement as part of the reason. They will pay a higher interest rate on their future borrowing. Arizona has sold state buildings, including the capitol, and leased them back from the investors. Don't you think that is a wonderful prospect? Mister Speaker, I believe that 50% plus one is the majority that should rule in this large, diversified legislature. This amendment to our constitution would give 41% more power than 59%. We would be afraid to lower taxes when revenues are strong just because we would be afraid of the high hurdle we would face if we needed to make a correction of subsequent years. I could go on and talk about how the business profits tax replaced the stock and trade and machinery tax forty years ago. This was done with the support of the business community and has been good for the business environment. Car dealers don't move their inventory to a lower tax town on March 31 anymore. Most everyone was happy with this change, but it did not get a 60% vote. I don't pretend to know what revenues will shrink to nothing like the horses and dogs, perhaps the tobacco tax. What will we be facing with revenue challenges 10, 20, 30 years from now? Please vote no.

Speaker O'Brien: Will the member yield for a question? The member yields. Rep. Tamburello, you are recognized.

Rep. Tamburello: Thank you, Mister Speaker and thank you, Representative, for taking my question. Just a simple quick question. Do you believe it would be right to put this amendment to the voters and let them decide whether they want to raise the threshold to prevent us from raising taxes?

Rep. Kenneth Gould: I think the voters would love to see a question like this, but I think those of us know the downside more than the voters do.

Speaker O'Brien: The question before the House is the motion of Ought to Pass as Amended. The Chair recognizes Rep. Vaillancourt to speak in favor of the motion.

Rep. Vaillancourt: Thank you, Mister Speaker. Last night - I should start by saying as I said when we debated this before, that I have never voted for a supermajority before, but I'm going to vote for it today because we have to start thinking out of the box and plus, this isn't a two-thirds, it's only 60%. So last night I went to the dictionary to look up a very simple word. The word was theft and the dictionary said, "The act of stealing." Isn't that great, I thought. It is sending me to another word I have to look up so I looked up the word steal. To steal is to take without consent. If you accept that definition of stealing, then you must accept that all taxation is stealing of one kind or another. Willingly, willingly, willingly, I suppose you if you say yes, but the society pays a price to function and that is taxation. Good. If you accept the fact that taxation is theft, then it should be a little more difficult to steal, to take from people. All this amendment does is allow voters to decide whether we want to raise the threshold, not two-thirds, but to 60%. It is certainly within the purview of putting this in the constitution. As we've seen, the hurdles we've jumped through in the last half hour, we jumped back and forth from different majorities. We had a 60% needed for this or a 239, we had a two-thirds needed moments ago. I suggest that a nimble person in charge of parliamentary procedure can easily guide us through the differences between 50 and 60%. I want to just comment, as I did the other day, about the previous member's comment that seven out of the last ten budgets would have failed if this had been in effect. I'm just going to reiterate what I said then, that is not necessarily true because if this had been in effect, those budgets would not have come forward the way they came forward. I want to just comment on the very last speaker who was asking about if horse racing goes away and the revenues dry up. That is not a terribly good example because there are very few revenues there, but what would we do with our own houses if, for example, we had to pay more for gasoline? We would probably find a way to live within our household means. The first thing we'd do would not be to run out and mortgage the house. Maybe we would go out to lunch once a week less. Maybe we would not buy an extra sweater or new jacket. No laughter, good. We would control our spending. This amendment is a way to force us, as elected officials, to control our spending. Who could ask for anything more? Please vote green.

Speaker O'Brien: Will the member yield for a question? The member does yield. Rep. Itse.

Rep. Itse: Thank you, Mister Speaker. Thank you to the member from Manchester for taking my question. Is it not true that this body, in concurrence with the Senate, cannot amend the constitution, but it is only the people that can place this restraint on future legislatures if they choose to do so.?

Rep. Vaillancourt: We are the first step in a process that ends with the people. A constitutional amendment has to have 60% of the overall body, 239 here. It will have to get 60% of the Senators and then it will go to the people and when I think of a constitutional amendment I always use as the first basis, is this something that would fittingly be in the constitution if the people chose to put it there. I believe if we sent it to the people and they decide to put it in the constitution, it certainly, historically would have every right to be there. We have such supermajorities in the constitution, but you are right, the people would ultimately decide.

Speaker O'Brien: Does the member yield for an additional question? The member does yield. Rep. Robbins you are recognized for a question.

Rep. Robbins: Thank you, Mister Speaker. I apologize for my over-eagerness. Thank you, Representative, for taking my question. If a majority of this body chose to review taxes and fees and put together a package of taxes and fees that would in fact lower overall taxes and fees, however, if one item in this package raised a specific tax or fee, would the entire package be held hostage to a 60% present and voting? I'm not sure whether to ask this of you or one of the sponsors. Thank you.

Rep. Vaillancourt: First of all, I reject the term held hostage, but the amendment speaks for itself. You may not, if this passes, raise the tax or fee unless you get the 60%. I think that pretty much speaks for itself.

Speaker O'Brien: The question before the House is the motion of Ought to Pass as Amended on CACR 6. The Chair recognizes Rep. (Gary) Richardson of Hopkinton for the purpose of speaking against the motion.

Rep. Gary Richardson: Thank you, Mister Speaker. There are times when I would truly love to take off my Democratic t-shirt and have you take off your Republican t-shirts and talk about an issue and this is certainly one of them. Last week, we passed a CACR 12 in which we asked the

people of New Hampshire to give us the full discretion to determine the amount of state funding for education. This week we are considering a CACR in which we are asking the people to limit the amount that we can raise. It seems to me that these two propositions are logically inconsistent. If we can be trusted to be the exclusive authority to determine the amount of education funding, we can be trusted to determine how much money we should raise in taxes. I think there are at least two good reasons to vote against this CACR. First of all, is local control. We pay a great deal of lip service to local control in this Hall, but when it comes down to actual votes, we aren't always consistent with that. A very substantial part of our state budget goes back to cities and towns and if we impose on ourselves special limits and requirements in terms of the amount of money that we can raise and appropriate, ironically one of the parties that is going to be hurt are cities and towns. Second of all, as you recall from the debate on CACR 12, I support targeting for education. I don't support CACR 12 because of some of the wording, but I do support what I call pure targeting which would allow us to spend state money and donate state money to cities or school districts that need it the most. I would say this to you regardless of what party you are in, if you want to kill CACR 12, if you want to kill targeting, then you will pass CACR 6. If you put a constitutional amendment on the same ballot with targeting that says that the legislature needs to have a supermajority to raise money, you are going to kill targeting. CACR 6 is a formula to allow a minority to frustrate the will of the majority. If we can be trusted to fund education, we can be trusted to do so by majority vote. If you want to pass CACR 12 or some amendment to allow targeting, then you will vote against CACR 6. Thank you.

Speaker O'Brien: Does the member yield for a question? The member does yield. Rep. Itse you are recognized for a question.

Rep. Itse: Thank you, Mister Speaker. Thank you to the Representative for taking my question. Constitutions are all about limiting the power of government and if the people believe that we have been overly generous with ourselves in taking their money, don't you believe they have a just power to limit our ability to take their money?

Rep. Gary Richardson: Well, I would answer your question with a question. Why don't we make it three-quarters then or two-thirds? I think the people sent us here. We are the most representative body in the world. We have a constituency of about 3400 people. If the people don't like what we are doing, then elections matter, don't they? We don't need a constitutional amendment. I think our constituents sent us here to act responsibly. They know that we know more about the budget than they do. They expect us to act in their interest and we don't need a constitutional amendment to be responsive to the people.

Speaker O'Brien: Will the member yield for an additional question? The member does yield. Rep. Brunelle you are recognized for a question.

Rep. Brunelle: Thank you, Mister Speaker and thank you for taking my question. You spoke about cities and towns. If revenues were falling even more below what the projections were and we couldn't raise any additional revenue and aid to cities and towns had to be touched, can you tell me what the impact would be on local property tax payers and services such as fire, police, etc.?

Rep. Gary Richardson: It's all downshifting folks. The money has to come from somewhere. If it doesn't come from the state, it comes from the local property tax.

Speaker O'Brien: Does the member yield for an additional question? Rep. Baldasaro you are recognized for a question.

Rep. Baldasaro: Thank you Mister Speaker and thank you, Representative for taking my question. You made a comment earlier concerning that the people, whether they would not want us to do this here. Would you agree that the people made a decision? Look at what's going on in this House, for us to protect the interest of their pocketbooks with the 290 something Representatives that they sent here?

Rep. Gary Richardson: Absolutely and I don't think this is just 293 trying to protect pocketbooks, I think there are 400 people trying to protect pocketbooks.

Speaker O'Brien: The question before the House is the motion of Ought to Pass as Amended on CACR 6. The Chair recognizes Rep. Jasper to speak in support of the motion.

Rep. Jasper: Thank you, Mister Speaker. Mister Speaker, as I look back over the four years and the nearly or over, I lost count, 100 taxes and fees that were increased, I know that that did damage to this state. We've been in a recession and it was about spending. We spent 24% more than we did prior and that could not have happened without those increases in fees and taxes and I heard the message from the voters of this state. We never saw a change in this House like we saw and

that was related to what was happening. I want to make sure that we are never allowed to do that damage again. One of the things that was said made me think back to why we are at a \$100 a year. Because the legislature was getting a per diem in the 1880's of about \$3 a day and they were claiming they were even meeting on Sundays and that greatly angered the people of this state and they rose up and said alright we are going to give you 50% of the average salary in the state of New Hampshire. Unfortunately they were not thinking to the future with that one, but they recognized that the legislature was not acting responsibly and the two previous legislatures did not act responsibly. We tell the people in our towns, you can't bond unless you get 60% if you are on SB 2, but let me ask you something. Which lasts longer, a tax or a bond? I've been here a long time and I've seen a lot of bonds paid off. I've seen very few taxes eliminated or lowered. It's time we said that we are going to make sure that if we are going to pass a tax or a fee, we have a good enough argument and a good enough reason to do it that we can convince 60% of our colleagues to do it. I don't think that's irresponsible. I don't think that's unreasonable and I think that it's time to let the voters decide if they believe that as well. Thank you, Mister Speaker.

Speaker O'Brien: Does the member yield for a question? The member yields. Rep. Baroody you are recognized for a question.

Rep. Baroody: Thank you, Mister Speaker. Thanks for taking my question. Out of the increase spending over the last few years, that approximately \$3 billion that we got as stimulus money, was that counted into that?

Rep. Jasper: It's counted in the total state spending because of the fact that there was no planning to deal with the end of that. We are, in part, in the situation today and I would further just like to say that I would like to compliment people on the other side of the House. I see they are taking responsibility today. They have some blue buttons on and I appreciate that. Thank you.

Speaker O'Brien: Will the speaker yield for an additional question? Representative Itse.

Rep. Itse: Thank you, Mister Speaker. Thank you to the Representative from Hudson for taking my question. The specter of downshifting costs on to the town has been raised because of this amendment, but I know that this current legislature has pledged not to downshift and should a future legislature make that mistake, would not the people have the power to rectify it?

Rep. Jasper: They certainly would and they certainly will.

Speaker O'Brien: The question before the House is the motion of Ought to Pass as Amended. Rep. Tucker requests a roll call. Is that sufficiently seconded? It is sufficiently seconded. This is a roll call vote. Will members please take their seats? Members will please take their seats. This is a roll call vote on the motion of Ought to Pass as Amended on CACR 6. The Chair recognizes Rep. Weber for a parliamentary inquiry.

Rep. Weber: Thank you, Mister Speaker. Mister Speaker, if I know that passage by this House is one important step in a constitutionally mandated procedure and if I know that this House has still not had any opportunity for public input on this language; if I believe that this House should not take action based solely on the say so of bond counsel and the Treasurer and if I know that this House has a proud tradition of not delegating its decision making processes to the Senate, would I now vote no on the pending motion and press the red button?

Speaker O'Brien: The pending motion is Ought to Pass as Amended on CACR 6. The Chair recognizes Rep. Jasper for the purpose of a parliamentary inquiry.

Rep. Jasper: Thank you, Mister Speaker. Mister Speaker, if I know that Nevada's bond rating was downgraded for a variety of reasons, including the loss of gambling revenues and including the fact that they don't have a diversified tax base and that they have been recommended to diversify their tax base and those are not issues which this state faces; if I know, Mister Speaker, that we have nearly dealt with the issue of having a desire too often to tax too much and spend too much, would I now give the voters of our state who I have full confidence in because of course they elected me and you, to support this CACR by pushing the green button?

Speaker O'Brien: The question before the House is on the motion of Ought to Pass as Amended on CACR 6. The procedural status of this motion is that it requires 239 votes to carry. If you are in favor of Ought to Pass as Amended, you'll press the green button. If you are opposed, you'll press the red button. Voting stations are open for 30 seconds. The House will be attentive to the state of the vote. 256 members having voted in the affirmative, 117 in the negative, the motion carries. The Chair recognizes Rep. Bettencourt.

Rep. Bettencourt: Mister Speaker, having voted on the prevailing side, I would move that CACR 6 be reconsidered and encourage the membership to vote no.

Speaker O'Brien: The motion before the body is reconsideration on the vote on CACR 6. Are you ready for the vote? All those in favor.....A division vote has been requested. This will be a division vote. Members please take their seats. The parliamentary status is on a motion for reconsideration. On a CACR vote, it takes a majority to ask for reconsideration. This is a division vote. If you are in favor of reconsideration, you'll vote the green button. If you are opposed, you'll vote the red button. Voting stations will be open for 30 seconds. The House will be attentive to the state of the vote. 104 members having voted in the affirmative, 269 in the negative, the motion does not carry and reconsideration fails. I have announcements. For what purpose does the member rise?

Rep. Tamburello: I'd like to make a motion Mister Speaker. I move that the entire debate on CACR 6 be entered into the Permanent Record from the time that it was taken off the table.

Speaker O'Brien: The motion is to print the debate on CACR 6 into the Permanent Journal. Are you ready for the motion? All those in favor, say Aye. Those opposed, Nay. The Ayes have it and the debate is entered into the Permanent Journal.

The House recessed at 12:20 p.m.

RECESS

(Speaker O'Brien in the Chair)

The House reconvened at 1:25 p.m.

REGULAR CALENDAR (CONT'D)

SB 133-FN, relative to reestablishing the exemption from property taxation for telecommunications poles and conduits. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. John A. Burt for the Majority of Municipal and County Government: The purpose of SB 133 is to reinstate the property tax exemption on telephone polls owned by telecommunication companies. The majority of the committee believes that it is not in the best interest of businesses and consumers of New Hampshire to assess property taxes on communications poles and conduits. Local governments have never before had the right to assess property taxes on telecom poles and conduits. Such a tax would result in new costs to the communications companies that would undoubtedly be passed on to businesses and residents who rely on landline phones, especially low income households and the elderly. As more consumers move to wireless and other technology, the burden of this tax will be on the shoulders of fewer and fewer landline consumers. While we continue to encourage broadband expansion in our rural areas, we must remember that investment by these companies in their infrastructure will not continue if every pole they erect becomes a liability. The cost of assessing the communications poles and conduits could cost several thousands of dollars in each community. In short, a tax is a tax. If there is one message that the voters sent us in November, it is that they do not want us looking for ways to expand the areas the government can levy taxes on businesses and individuals. Many of us were elected on a promise of no new taxes, and SB 133 keeps that promise. Vote 9-7.

Rep. Kris E. Roberts for the Minority of Municipal and County Government: The sponsors of SB 133 stated that the failure to pass SB 133 granting tax-exempt status to underground conduit systems and telephone poles would result in a new tax. In many ways this is a play on words. The general court can't grant a property tax exemption, abatement, or credit unless there was a tax currently in place. So failure to pass SB 133 would not result in a new tax. SB 133 in fact reinstates an exemption that over 60% of this body voted to eliminate. SB 133 is government getting involved in the free-market system by requiring the local property owner to support major corporations such as Comcast, Time Warner, Metrocast, FairPoint and numerous others through their tax dollars. Despite what many people stated, for many communities this wouldn't result in increased taxes, resulting in larger budgets. It would mean that in most communities everyone would be treated fairly and would be required to pay equal taxes based on assessed value.

The question being adoption of the majority committee report of Ought to Pass.

Rep. Weed requested a quorum call; Speaker declared a quorum present.

Reps. Kris Roberts, Webb and Vaillancourt spoke against.

Reps. Burt and Sterling spoke in favor.

Rep. James Garrity spoke in favor and yielded to questions.

On a division vote, 186 members having voted in the affirmative and 180 in the negative, the majority committee report was adopted and ordered to third reading.
Rep. DeJong declared a conflict of interest and did not participate.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Sterling moved that the House reconsider its action whereby, on a division vote of 186-180, it adopted the majority committee report of Ought to Pass on **SB 133-FN**, relative to reestablishing the exemption from property taxation for telecommunications poles and conduits.

Rep. Sterling spoke against.

On a division vote, 193 members having voted in the affirmative and 174 in the negative, the motion was adopted.

RECONSIDERATION OF SB 133-FN

The question now being adoption of the majority committee report of Ought to Pass.

LAID ON THE TABLE

Rep. Jasper moved that on **SB 133-FN**, relative to reestablishing the exemption from property taxation for telecommunications poles and conduits, be laid on the table.

On a division vote, 243 members having voted in the affirmative and 124 in the negative, the motion was adopted.

REGULAR CALENDAR (CONT'D)

HB 25-FN-A, making appropriations for capital improvements. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Gene G. Chandler for Public Works and Highways: The Capital Budget addresses the non-highway capital improvements, needs, repairs and investments in state-owned buildings, facilities, parks, regional career technical centers, post-secondary public institutions, etc. As capital expenditures, these costs are bonded typically over 20 years, and 5 years for most equipment and information technology. Critical and deferred maintenance makes up a large part of this budget. The capital budget, as unanimously recommended by the committee to the House, has reduced the general fund portion as proposed by the governor by almost 9 million dollars (-9.1%) to \$89.8 million, and additionally leverages up to \$78 million in federal money. Importantly, this budget is leaner in terms of both general fund and highway fund obligations than the past four biennial capital budgets, and is well below the State Treasurer's recommended maximum. The governor's proposal included the bonding of kindergarten aid. The committee in consultation with the chairman of the Finance Committee agreed that the bonding was not appropriate for the capital budget and removed it. Administrative Services received funding for a number of projects including parking lot repair at the Rockingham County Courthouse, site and design for a Milford courthouse, a number of energy efficiency projects and roof replacements repairs. Corrections will do some much needed safety upgrades and roof repairs. As in the last several biennia, it is recommended that the House provide funding for 75% of the cost of renovating and upgrading equipment at two regional career and technical centers. These two, located in Laconia and Derry, serve 27 communities with 27 career and technical education programs. Additionally, it is recommended that \$100,000 be provided for the pre-engineering program teaching basic skills and knowledge in pre-engineering concepts at such locations as Berlin, Jaffrey, Durham, Somersworth, Manchester, Merrimack, Nashua, etc. Environmental Services will receive federal funds to continue a number of clean water and drinking water programs throughout the state and also receives federal funding for a Great Bay Oil Spill protection strategy. Additionally, money is appropriated for dam repair and replacement. Since the avulsion of the Suncook River in Epsom in 2005, the multiple flooding, bank erosion and sediment deposits have had a devastating effect on the residents living along and near the river in the towns of Epsom, Pembroke and Allenstown and resulted in their homes being virtually unmarketable. After extensive testimony the committee concurs with the Department of Safety, the Department of Environmental Services, the town of Pembroke and the town of Allenstown that the only solution is the relocation of the residents. So far, 22 homes have been purchased. This \$2 million dollar item will attract up to \$6 million dollars in federal aid to allow for the purchase of at least

34 homes at their "pre-avulsion" value, the associated relocation costs and the demolition of the existing homes. Additionally, another \$1,035,000 is budgeted to address ongoing river erosion and sedimentation and will be used to protect Rte. 4 and the Black Hall Road Bridge, provide a geomorphic assessment of the Suncook River and delineate the fluvial erosion hazard zones and do what is necessary to protect the Epsom water supply. HHS is slated to receive funding for a number of repairs, renovations, roof replacements, handicapped access, etc. In order to bring the state's data center and network infrastructure up to date and create a Business One Stop Center, the committee allocated a total of \$9.2 million to the Department of Information Technology. The committee scrutinized their proposals and cut \$3 million from the amount requested. The money will allow for the deployment of Voice Over Internet Protocol (VOIP is the state's telephone system), ensure that critical systems can continue to be backed up as data sizes increase, replace the professional licensing system, and create the Business One Stop Center which will make it easier for new and existing businesses to interact with the state and help NH compete for businesses with other states. The capital appropriations for the Judicial Branch are key to implementing the reorganization of the court system as previously approved by the House. For example, there is an appropriation for the systems necessary for video arraignment, which will save the counties and municipalities money in prisoner transport, or officer appearances at arraignments. The appropriation for the Circuit Court Call Center will result in personnel savings by consolidating telephone inquiries in one place. The court anticipates that the break even point on this item is less than two years. The largest item is the E-Court Initiative, which will bring the court system into the 21st century. The current request is for the first two years of a four year program, with the anticipation that the remaining funds will be made available in the next Capital Budget. The only request from the NH Veterans Home was for the implementation of electronic medical records. The committee was able to reduce the original request, while still leveraging the same amount of federal funding which will be sufficient to complete this project. Two capital budget items for the Community College System of NH include a Manchester Community College Student Center (funded by student fees – no state funds) and \$18.8 million in state funded construction and critical capital maintenance, design/safety and security equipment for eight community college locations. This capital investment is needed to accommodate our rapidly growing student population in health sciences, information technology, computer sciences, welding and auto collision/repair programs in Manchester, Nashua, NHTI (Concord), Lakes Region (Laconia), River Valley (Keene and Claremont), Great Bay (Portsmouth) and White Mountain Community Colleges and their off-site facilities. Providing skilled workers for our business community will promote job growth and company expansion while improving the New Hampshire economy. In an effort to maximize revenues to the state and provide visitor services, this Capital Budget includes funding for two new liquor stores on Rte. 93 in Hooksett and a roof replacement for the Portsmouth store. The Department of Resources and Economic Development is slated for \$1.5 million for state-wide state park critical repairs and renovations. There are also funds for the North Hampton State Beach septic-system and the Hampton Beach seawall. Also, the committee approved a \$500,000 request for increased snow making at Cannon Mountain that will be paid for by the Cannon Mountain capital improvement funds which is the money received from the Mt. Sunapee lease. The committee is proposing to continue the states 2.5% match for federal aviation projects which are used to help many airports throughout the state. The Hampton and Seabrook harbors will see dredging work done which will then allow the Army Corps of Engineers to take over maintenance of these areas. Additionally, work will be done on the Hampton Harbor marine Facility. Both these projects will be self funded and do not use state dollars. Every Capital Budget contains extensions of previous capital appropriations. In large part this is due to the process. Typically the Capital Budget becomes effective in July of odd numbered years. By the time the design, bidding and approval of contracts by Governor and Council and the start of actual construction it is seldom that projects are completed within the biennium. Additionally, some projects are funded either in part or fully with federal funds in order to proceed. These types of delays require that we continue prior appropriations into succeeding bienniums. The committee diligently scrubbed the proposed extensions and eliminated several. The committee also tightened up the purpose of some of the requests. For example, in 2003 the Department of Safety (DOS) received a capital appropriation to "finish the 1st floor of Troop D barrack." Since that time the DOS has looked at using this space for various purposes. This year the committee specified what the renovation would be for. No new appropriations are contained in any of the lapse extensions. Vote 16-0.

Amendment (1176h)

Amend the bill by replacing all after the enacting clause with the following:

1 Capital Appropriations. The sums hereinafter detailed are hereby appropriated for the projects specified to the departments, agencies, and branches named:

I. Adjutant General

A. Statewide Readiness Center Life Safety Upgrades	\$ 500,000
Less Federal Funds	<u>(250,000)</u>
Net state appropriation subparagraph A	250,000
B. Statewide Readiness Center Restoration and Modernization	2,500,000
Less Federal Funds	<u>(1,250,000)</u>
Net state appropriation subparagraph B	<u>1,250,000</u>
Total state appropriation paragraph I	\$1,500,000

II. Department of Administrative Services

A. Court Facilities

1. Rockingham Cty. Courthouse-Reseal Parking Lot/Drainage Repair	\$ 300,000
2. Milford-Site and Plan Design – Court Facilities	<u>50,000</u>
Total state appropriation subparagraph A	\$350,000

B. Facilities and Asset Management

1. Gov. Hugh Gallen SOP-Main Bldg FACP Replacement	\$355,000
2. Lakes Region Facility Campus Site Environmental Survey II	300,000
3. Driveway/Parking and Walkway Paving Phase 2	575,000
4. Main Building Kitchen Roof Repair	500,000
5. Lakes Region Facility Campus Roof Repair-Multiple Bldgs.	300,000
6. Gov. Hugh Gallen SOP-Main Bldg-ADA Restrooms	425,000
7. Gov. Hugh Gallen SOP-Upgrade Electric - Philbrook Center	<u>3,575,000</u>
Total state appropriation subparagraph B	\$6,030,000

C. Financial Data Management

1. Critical IT Infrastructure	\$1,500,000
2. Enterprise Resource Planning Phase 2, general funds	<u>3,648,998</u>
Total state appropriation subparagraph C	\$5,148,998

D. General Services

1. All State Owned Facilities-Emergency Repairs	\$1,000,000
2. All State Owned Facilities- Energy Improvements	500,000
3. Londergan Hall-New Roof	161,000
4. State House/LOB-Tunnel Elevettes	91,000
5. Health and Human Services-Window Repairs	730,000
6. State House Annex-Window Repairs	<u>355,000</u>
Total state appropriation subparagraph D	<u>\$2,837,000</u>
Total state appropriation paragraph II	\$14,365,998

III. Department of Corrections

A. Replace Door Operating System in SHU	\$1,300,000
B. Replace Steam Lines and Install Steam Injector Pumps	250,000
C. Repair Bathroom Floors-Hancock Building	245,000
D. Replace Roofs-Gym, Auto Shop, Outside Canteen and Whrse.	<u>1,180,000</u>
Total state appropriation paragraph III	\$2,975,000

IV. Department of Education

A. Pre-Engineering Technology Career Pathway	\$100,000
B. Renovation of CTE Center – Pinkerton	7,875,000
C. Renovation of CTE Center – Laconia	<u>7,125,000</u>
Total state appropriation paragraph IV	\$15,100,000

V. Department of Employment Security

A. Renovation of Tobey Building	\$22,500,000
Less Federal Funds	(22,500,000)
Net state appropriation subparagraph A	<u>0</u>
Total state appropriation paragraph V	0

VI. Department of Environmental Services

A. Clean Water State Revolving Fund Loan Program	\$16,225,952
Less Other Funds*	<u>(16,225,952)</u>
Net state appropriation subparagraph A	0
B. Drinking Water State Revolving Fund State Match	6,420,220
Less Other Funds*	<u>(6,420,220)</u>
Net state appropriation subparagraph B	0
C. Dam Repairs and Reconstruction**	3,300,000
D. Great Bay Oil Spill Protection Strategy	545,000
Less Other Funds*	<u>(545,000)</u>
Net state appropriation subparagraph D	0
E. WRBP Infrastructure Capital Improvements	3,950,000
Less Other Funds*	<u>(3,950,000)</u>
Net state appropriation subparagraph E	0
F. Suncook River	
1. Infrastructure Protection Project	1,035,000
2. Property Acquisition, Fluvial Erosion Hazard Zone***	<u>2,000,000</u>
Total state appropriation subparagraph F	\$3,035,000
Total state appropriation paragraph VI	\$6,335,000

*To provide funds for the appropriations made in subparagraphs VI, A, B, D, and E the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$27,141,172 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A.

(a) Payments of principal and interest on the bonds and notes pursuant to subparagraph VI, A and B shall be made from the state water pollution control and drinking water revolving loan funds established in RSA 486:14.

(b) Payments of principal and interest on the bonds and notes pursuant to subparagraph VI, D shall be made from the oil pollution control fund established in RSA 146-A:11-a.

(c) Payments of principal and interest on the bonds issued under subparagraph VI, E shall be made from the special fund established in RSA 485-A:50, VI.

**The department of environmental services shall report quarterly to the capital budget overview committee relative to the status of dam repairs and reconstruction projects funded pursuant to subparagraph VI, C, and, in addition, such reporting shall include the status of any dam repairs, removal and reconstruction projects funded pursuant to 2007, 264:1, VII, F, as extended by 2009, 145:19, 43 and as extended by this act.

***The state funds authorized in subparagraph VI, F for Suncook River property acquisition fluvial erosion hazard zone may be used by the department to match federal funds, including but not limited to, grants from the Federal Emergency Management Agency (FEMA).

VII. Department of Health and Human Services

A. Fire Protection Sprinklers	\$1,125,000
B. Administration Building Fire Safety/ADA Compliance	385,000
C. Nurse Call System	265,000
D. APS Repairs/Renovations-Roof, Windows and Curtain Wall	4,050,000
E. New Roof-Boiler House Building	103,000
F. New Roof-Campus Edge Building	110,000
G. Incremental Renewal of New HEIGHTS	7,500,000
Less Federal Funds	<u>(3,196,500)</u>
Net state appropriation subparagraph G	4,303,500
H. Electronic Health Record	390,212
I. Regional Assessments Database II (RAD II)	1,000,000
Less Federal Funds	<u>(400,000)</u>
Net state appropriation subparagraph I	600,000
J. Administrative Appeals Unit-Video Conferencing	268,800
Less Federal Funds	<u>(107,520)</u>
Net state appropriation subparagraph J	161,280
K. Warehousing Infrastructure/Inventory Management Proj.	2,000,000
Less Federal Funds	<u>(1,900,000)</u>
Net state appropriation subparagraph K	100,000

L. Replatform Option Application	722,200
Less Federal Funds	<u>(361,100)</u>
Net state appropriation subparagraph L	361,100
M. Handicap Access and Elevator (ADA) Administration Bldg	175,000
N. DPHS Radiochemistry Laboratory Improvements	50,000
O. Brown Building Window Replacement	390,000
P. Howard Recreation Building Renovations – Roof & Brickwork	480,000
Q. Transformation Initiative-ACCESS Front Door Release 2	15,000,000
Less Federal Funds	<u>(13,500,000)</u>
Net state appropriation subparagraph Q	<u>1,500,000</u>
Total state appropriation paragraph VII	\$14,549,092
VIII. Department of Information Technology	
A. Data Center Upgrade	\$1,606,500
B. Network Operations Infrastructure Upgrade and VOIP	4,851,953
C. Business One Stop Center	2,081,984
D. E-Licensing Maintenance	<u>750,000</u>
Total state appropriation paragraph VIII	\$9,290,437
IX. Judicial Branch	
A. Prisoner Video Conference	\$541,085
B. Call Center	97,500
C. E-Court Initiative	<u>1,951,000</u>
Total state appropriation paragraph IX	\$2,589,585
X. Liquor Commission	
A. Hooksett North and South Store Additions	\$8,400,000
Less Other Funds*	<u>(8,400,000)</u>
Net state appropriation subparagraph A	0
B. Portsmouth Store 38 Roof Replacement	115,000
Less Other Funds*	<u>(115,000)</u>
Net state appropriation subparagraph B	<u>0</u>
Total state appropriation paragraph X	0
*To provide funds for the appropriations made in subparagraph X, A and B, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$8,515,000 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A. Payments of principal and interest on the bonds and notes shall be made from the liquor commission fund established in RSA 176:16.	
XI. McAuliffe-Shepard Discovery Center	
A. Original Planetarium – Replace Existing Roofing	<u>\$124,000</u>
Total state appropriation paragraph XI	\$124,000
XII. Department of Resources and Economic Development	
A. Fire Tower Maintenance	\$170,000
B. State Park Repairs	1,500,000
C. Mt. Washington State Park-Sherman Adams Bldg. Concrete Repair	180,000
D. North Hampton State Beach Redevelopment	450,000
E. Hampton Beach North Seawall Repair	500,000
F. Cannon Upgrades/Snowmaking	500,000
Less Other Funds*	<u>(500,000)</u>
Net state appropriation subparagraph F	<u>0</u>
Total state appropriation paragraph XII	\$2,800,000
*To provide funds for the appropriations made in subparagraph XII, F, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$500,000 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A. Payments of principal and interest on the bonds and notes shall be made from the Cannon Mountain capital improvement fund established in RSA 12-A:29-c.	
XIII. Department of Safety	
A. E-911 Next Generation	\$3,702,000
Less Other Funds*	<u>(3,702,000)</u>
Net state appropriation subparagraph A	<u>0</u>
Total state appropriation paragraph XIII	0

*To provide funds for the appropriations made in subparagraph XIII, A, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$3,702,000 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A. Payments of principal and interest on the bonds and notes shall be made from the enhanced 911 system fund established in RSA 106-H:9.

XIV. Department of Transportation

A. 2.5 percent Match for Federal Aviation Administration Projects	\$28,816,866
Less Federal Funds	<u>(28,077,972)</u>
Net state appropriation subparagraph A	738,894
B. Transit Match: Bus Replacement	<u>306,600</u>
Total state appropriation paragraph XIV	\$1,045,494

XV. Veterans Home

A. Electronic Medical Records	\$1,093,000
Less Federal Funds	<u>(743,000)</u>
Net state appropriation subparagraph XV	\$350,000

XVI. Community College System of New Hampshire

A. Manchester Community College Student Center	\$6,000,000
Less Other Funds*	<u>(6,000,000)</u>
Net state appropriation subparagraph A	0
B. Career and Technical Building Projects	<u>18,815,000</u>
Total state appropriation paragraph XVI	<u>\$18,815,000</u>

*To provide funds for the appropriations made in subparagraph XVI, A, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$6,000,000 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A. Payments of principal and interest on the bonds and notes shall be made from student fees.

XVII. Fish and Game Department

A. Jones Pond Dam Repair/Reconstruction	\$450,000
Less Other Funds*	<u>(450,000)</u>
Total state appropriation paragraph XVII	\$0

*To provide funds for the appropriations made in subparagraph XVII, A, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$450,000 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A. Payments of principal and interest on the bonds and notes shall be made from the fisheries habitat management account established in RSA 214:1-g.

XVIII. Pease Development Authority, Division of Ports and Harbors

A. Hampton and Seabrook Harbors Dredging	\$1,379,310
Less Other Funds*	<u>(1,379,310)</u>
Net state appropriation subparagraph A	\$0
B. Hampton Harbor Marine Facility	\$1,500,000
Less Other Funds*	<u>(1,500,000)</u>
Net state appropriation subparagraph B	\$0
Total state appropriation paragraph XVIII	\$0

*To provide funds for the appropriations made in subparagraphs XVIII, A and B, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$2,879,310 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A. Payments of principal and interest on the bonds and notes shall be made from fees relating to wharfage, dockage, and other marine terminal operations under RSA 12-G:42.

Total state appropriation section 1 \$89,839,606

2 Capital Appropriation; Highway Funds; Department of Administrative Services, Department of Safety, and Department of Transportation. The sums hereinafter detailed are appropriated for the projects specified:

I. Department of Administrative Services

A. Enterprise Resource Planning Phase 2 Highway Funds	\$398,187
Total state appropriation paragraph I	\$398,187

II. Department of Safety

A. Standby Generator Replacement Hayes Bldg (33 Hazen Dr.)	\$775,000
Total state appropriation paragraph II	\$775,000

III. Department of Transportation

A. Underground Fuel Tank Replacement-Statewide	\$2,000,000
B. Statewide Radio Communication Replacement	1,240,000
C. Statewide Salt Sheds	1,100,000
D. New Patrol Shed and Salt Storage PS514 Salem	3,330,000
E. TMC Equipment Room Upgrade to Data Center	<u>580,000</u>
Total state appropriation paragraph III	<u>\$8,250,000</u>
Total state appropriation section 2	\$9,423,187

3 Expenditures; General. The appropriation made for the purposes mentioned in sections 1 and 2 of this act and the sums available for those projects shall be expended by the trustees, commissions, commissioner, or department head of the institutions and departments referred to herein; provided that all contracts and projects and plans and specifications therefor shall be awarded in accordance with the provisions of RSA 21-I and RSA 228.

4 Land Acquisition. Any land acquired under the appropriations made in sections 1 and 2 of this act, if any, as may be acquired under the appropriation except such land if any as may be acquired for the water resources board, shall be purchased by the commissioner of the department of transportation or the commissioner of administrative services, as appropriate, with the approval of governor and council.

5 Bonds Authorized.

I. To provide funds for the total of the appropriations of state funds made in sections 1 and 2 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$148,450,275 and for said purposes may issue bonds and notes in the names and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A. The source of funds shall be as follows: general fund \$89,839,606, highway funds \$9,423,187, and other funds \$49,187,482.

6 Payments.

I. The payment of principal and interest on bonds and notes issued for the projects in section 1 shall be made when due from the general funds in the state.

II. The payment of principal and interest on bonds issued for the projects in section 2 shall be made from the highway fund.

7 Powers of Governor and Council. The governor and council are hereby authorized and empowered:

I. To cooperate with and enter into such agreements with the federal government, or any agency thereof, as they may deem advisable, to secure federal funds for the purposes hereof.

II. To accept any federal funds which are, or become available for any project under sections 1 and 2 of this act beyond the estimated amounts. The net appropriation of state funds for any project for which such additional federal funds are accepted shall be reduced by the amount of such additional funds, and the amount of bonding authorized by section 5 of this act shall be reduced by the same amount.

8 Transfers. The individual project appropriations provided in sections 1 and 2 of this act shall not be transferred or expended for any other purposes; provided that if there is a balance remaining after an individual project, which is fully funded by state funds, is completed, accepted, and final payment made, said balance or any part thereof may be transferred by Governor and Council, to any other individual project or projects, which are also fully funded by state funds, within the same section and from the same funding source, provided that prior approval of the capital budget overview committee is obtained.

9 Reduction of Appropriation and Bonding Authority. If the net appropriation of state funds for any project provided for by sections 1 and 2 of this act is determined on the basis of an estimate of anticipated federal, local, or other funds, and if the amount of such funds actually received or available is less than said estimate, then the total authorized cost for such projects and the net appropriation of state funds thereof shall be reduced by the same proportion as the proportion by which federal, local, or other funds are reduced. The amount of bonding authorized by section 5 of this act shall be reduced by the amount that the appropriation of state funds is reduced pursuant to this section.

10 Bureau of Public Works Design and Construction Inspection Services; Davis-Bacon Act Compliance. The appropriations for those projects which are managed by the bureau of public works design and construction, department of administrative services, may be expended to fund temporary personnel for the purpose of providing construction inspection services and Davis-Bacon Act Compliance services for projects utilizing federal funds, for those projects included in this act

11 Reports Required; Status of Projects; Department of Corrections.

I. The department of corrections shall report to the capital budget overview committee, in writing, within 60 days of the effective date of this section relative to the status of projects pursuant to the appropriations made to the department of corrections, all of which are extended by this act, in 2009, 145:1, IV, D, for admin. east wing-upgrade electric wiring; 2005, 259:1, IV, A, as extended by 2007, 264:29, XXVII, and as extended by 2009, 145:19, 22, for electronic security upgrades-men's prison; 2007, 264:1, V, A, as extended by 2009, 145:19, 23, for electronic security upgrades-men's prison; and 2007, 264:1, V, G, as extended by 2009, 145:19, 25, for residential treatment unit, phase 1-Concord.

II. The department of corrections shall submit a plan for the project funded in 2009, 145:1, IV, A, for women's prison and transitional housing site/design, as extended by this act, to the capital budget overview committee for approval, and shall provide an update on the status of said project to the committee, within 60 days of the effective date of this section relative to this appropriation.

12 Reporting Required; State Park Projects; Department of Resources and Economic Development. The department of resources and economic development shall report quarterly, in writing, to the capital budget overview committee, relative to all recently completed, current, and planned state park repairs and deferred maintenance projects.

13 Community College System; Plan and Updates; Critical Maintenance. The community college system of New Hampshire shall provide a plan and quarterly updates to the capital budget overview committee relative to critical maintenance funded pursuant to 2009, 145:1, III, A.

14 Project Appropriation Transferred; Department of Administrative Services. The appropriation made to the department of corrections in 2009, 145:1, IV, E for stormwater/sewer system-EPA order #05-13 project, as extended by this act, is hereby transferred to the department of administrative services. The department of administrative services shall have authority to expend funds from the appropriation and shall assume the responsibility for the project funded by said appropriation.

15 Project Appropriation Amended. Department of Safety; New Hampshire State Police Narcotics and Investigations Unit. Amend 2003, 240:3, I, D to read as follows:

19 Effective Date.

I. Section 18 of this act shall take effect June 30, 2011.

II. The remainder of this act shall take effect July 1, 2011.

Amendment adopted.

Committee report adopted and ordered to third reading.

HB 648, relative to eminent domain petitions by public utilities. OUGHT TO PASS WITH AMENDMENT.

Rep. Laurence M. Rappaport for Science, Technology and Energy: This bill, as amended, will prohibit public utilities from petitioning the Public Utilities Commission (PUC) for permission to take private land or property rights for construction or operation of an electric transmission facility so long as the transmission facility is not needed for system reliability. This brings RSA 371:1 more in line with Part I, Article 12-a of New Hampshire's constitution and bill of rights. Vote 11-4.

Amendment (1134h)

Amend the bill by replacing all after the enacting clause with the following:

1 Proceedings to Acquire Property or Rights; Petition. Amend RSA 371:1 to read as follows:

371:1 Petition. Whenever it is necessary, in order to meet the reasonable requirements of service to the public, that any public utility should construct a line, branch line, extension, [or a] pipeline, conduit, line of poles, towers, or wires across the land of another, or should acquire land, land for an electric substation, or flowage, drainage, or other rights for the necessary construction, extension, or improvement of any water power or other works owned or operated by such public utility, and it cannot agree with the owners of such land or rights as to the necessity or the price to be paid therefor, such public utility may petition the public utilities commission for such rights and easements or for permission to take such lands or rights as may be needed for said purposes. No public utility may petition for permission to take private land or property rights for the construction or operation of an electric generating plant *or a transmission facility so long as the transmission facility is not needed for system reliability.*

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill prohibits public utilities from petitioning for permission to take private land or property rights for the construction or operation of certain transmission facilities.

Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment.

Rep. Campbell spoke against and yielded to questions.

Reps. William O'Connor and Levasseur spoke against.

Reps. Rappaport and James Garrity spoke in favor.

Reps. Ladd and Pastor spoke in favor and yielded to questions.

Rep. Rappaport requested a roll call; sufficiently seconded.

and the committee report was adopted and ordered to third reading.
 Rep. Eaton voted Nay and intended to vote Yea.

HB 580-FN-L, relative to the New Hampshire retirement system. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Kenneth Hawkins for the Majority of Special Committee on Public Employee Pensions Reform: This bill makes comprehensive changes to the New Hampshire Retirement System. These changes will ensure that the current employees as well as retirees will in fact be able to receive their pensions. The changes include increased employee contributions, changes in age to receive benefits, maximum benefit entitled to and years worked to receive the benefit. We feel that this is good public policy and will help strengthen the New Hampshire Retirement System going forward. We also feel that it will help with recruitment and retention of employees. Vote 10-4.

Rep. Stephen J. Shurtleff for the Minority of Special Committee on Public Employee Pensions Reform: The minority firmly believes that this legislation should only apply to employees hired on or after the bill's effective date. As was pointed out by a member of the committee, who voted with the majority, this bill allows "everyone moving forward to know what benefits are provided." Grandfathering current employees would eliminate one possibility of the bill being challenged in court. It would also clear up the bill's numbering system. But most importantly, it would allow new employees to know exactly what benefits they can expect, while allowing current employees to finish their employment under the rules under which they were hired.

Majority Amendment (1174h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the New Hampshire retirement system, and relative to continuation of provisions of a collective bargaining agreement following the end of the term of the agreement.

Amend the bill by replacing all after the enacting clause with the following:

1 Findings and Intent.

I. It is imperative for the state to take immediate action to assure the state retirement system's future financial health.

(a) The Pew Institute has concluded that unfunded pension and healthcare liabilities are a nationwide problem, estimated at over \$1 trillion.

(b) The New Hampshire retirement system has an estimated unfunded pension liability of \$3.7 billion and \$1.5 billion of unfunded medical insurance liability. Although a plan is underway for recovery over 30 years, uncertainties in future market returns, rapid increases in medical costs, increases in life expectancy, and slower growth in public sector employment require prudent intervention to assure financial viability.

(c) The level of federal debt of almost \$14 trillion and growing rapidly suggests that federal assistance to the states may be significantly reduced in the future, adding to the problem.

(d) The budget reductions planned for the state fiscal years 2012 and 2013 are large, and do not fully meet the state's commitments to health and human services, education, transportation, and other services. Reductions in state retirement costs are a necessary part.

II. The current level of benefits for public employees is unsustainable.

(a) On average, benefits constitute an additional 52 percent increase to the cost of public salaries. This is significantly higher than the percent paid in the private sector, and taxpayers are increasing unable to continue this level of support, especially in our recessionary climate.

(b) Public employees are increasingly not cost-competitive with private alternatives to providing state and municipal services.

(c) Public employee contributions to their pensions have not been increased for many years.

III. The financial viability of the state retirement system must be preserved.

(a) Simply shifting who pays (i.e., employees or employers) will not solve the problem.

(b) It is important to adjust the system fairly among employee classes, and to introduce changes in a way to ameliorate impact on present employees, especially those closest to retirement.

(c) Pension costs must not make public employees uncompetitive with the private sector.

2 Retirement System; Definitions; Average Final Compensation. Amend RSA 100-A:1, XVIII to read as follows:

XVIII. "Average final compensation" shall mean, *for members who retire prior to July 1, 2016*, the average annual earnable compensation of a member during his or her highest 3 years of creditable service, or during all of the years in his or her creditable service if less than 3 years. *For members who retire on or after July 1, 2016, "average final compensation" shall mean the average annual earnable compensation of a member during his or her highest 5 years of creditable service, or during all of the years in his or her creditable service if less than 5 years.*

3 Retirement System; Definition of Earnable Compensation. Amend RSA 100-A:1, XVII to read as follows:

XVII. "Earnable compensation" shall mean:

(a) For all members *in service on or before June 30, 2011 and who retire prior to July 1, 2016*, the full base rate of compensation paid plus any overtime pay, holiday and vacation pay, sick pay, longevity or severance pay, cost of living bonus, additional pay for extracurricular and instructional activities or for other extra or special duty, and any military differential pay, plus the fair market value of non-cash compensation paid to, or on behalf of, the member for meals or living quarters if subject to federal income tax, but excluding other compensation except cash incentives paid by an employer to encourage members to retire, supplemental pay paid by the employer while the member is receiving workers' compensation, and teacher development pay that is not part of the contracted annual salary. However, earnable compensation in the final 12 months of creditable service prior to termination of employment shall be limited to 1- 1/2 times the higher of the earnable compensation in the 12-month period preceding the final 12 months or the highest compensation year as determined for the purpose of calculating average final compensation, but excluding the final 12 months. Any compensation received in the final 12 months of employment in excess of such limit shall not be subject to member or employer contributions to the retirement system and shall not be considered in the computation of average final compensation. Provided that, the annual compensation limit for members of governmental defined benefit pension plans under section 401(a)(17) of the United States Internal Revenue Code of 1986, as amended, shall apply to earnable compensation for all employees, teachers, permanent firemen, and permanent policemen who first become eligible for membership in the system on or after July 1, 1996. Earnable compensation shall not include compensation in any form paid later than 120 days after the member's termination of employment from a retirement eligible position, with the limited exceptions of disability related severance pay paid to a member or retiree no later than 120 days after a decision by the board of trustees granting the member or retiree disability retirement benefits pursuant to RSA 100-A:6 and of severance pay which a member was entitled to be paid within 120 days after termination but which, without the consent of the member and not through any fault of the member, was paid more than 120 days after the member's termination. The member shall have the burden of proving to the board of trustees that any severance payment paid later than 120 days after the member's termination of employment is earnable compensation and meets the requirements of an asserted exception to the 120-day post-termination payment requirement.

(b) For any member in service on and after July 1, 2011 and who retires after July 1, 2016, the full base rate of compensation paid plus holiday pay, vacation pay, and sick pay, and any compensation for mandatory training and any military differential pay. Earnable compensation shall not include pay for accumulated unused sick or vacation time. However, earnable compensation in the final 2 12-month periods of creditable service prior to termination of employment shall each be limited to 1-1/2 times the highest compensation year as determined for the purpose of calculating average final compensation, but excluding the final 24 months. Any compensation received in the final 24 months of employment in excess of such limit shall not be subject to member or employer contributions to the retirement system and shall not be considered in the computation of average final compensation. Provided that, the annual compensation limit for members of governmental defined benefit pension plans under section 401(a)(17) of the United States Internal Revenue Code of 1986, as amended, shall apply to earnable compensation for all employees, teachers, permanent firemen, and permanent policemen. Earnable compensation shall not include compensation in any form paid later than 120 days after the member's termination of employment from a retirement eligible position.

4 Membership; Employees; Full-Time Requirement. Amend RSA 100-A:3, III to read as follows:

III. The board of trustees may, in its discretion, accept as members any class of **full-time** employees, **or any class of** teachers, permanent policemen or permanent firemen, whose compensation is only partly paid by an employer or who are serving on a temporary or other than per annum basis, and it may also, in its discretion, make optional with **such** employees, teachers, permanent policemen or permanent firemen in any such class their individual entrance into membership. **Provided, however, that membership as an employee as defined in RSA 100-A:1, V shall require full-time employment, which shall not be satisfied by the combination of service in one or more part-time positions. In addition, no member in a full-time position as an employee shall be permitted to make contributions or to accrue benefits under this chapter on account of any such part-time employment. Any rule or practice adopted by the board which is inconsistent with the requirements of this paragraph shall be without effect.**

5 Service Retirement; Age Increased. Amend RSA 100-A:5 to read as follows:

100-A:5 Service Retirement Benefits.

I. Group I Members.

(a) Any group I member, **who** may retire on a service retirement allowance upon written application to the board of trustees setting forth at what time, not less than 30 days nor more than 90 days subsequent to the filing thereof, the member desires to be retired, provided the member at the time so specified for retirement has attained age 60 **if the member is in vested status before July 1, 2011 or age 65 if the member is not in vested status on July 1, 2011**, and notwithstanding that during such period of notification the member may have separated from service. For the purposes of this section, a teacher member of group I who remains in service throughout a school year shall be deemed to be in service during July and August at the end of such school year.

(b) Upon service retirement, an employee member or teacher member of group I shall receive a service retirement allowance which shall consist of a member annuity which shall be the actuarial equivalent of the member's accumulated contributions at the time of retirement, and a state annuity. Prior to the member's attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/60 of the member's average final compensation multiplied by the number of years of creditable service. After attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/66 of the member's average final compensation multiplied by the number of years of creditable service.

(c) Notwithstanding any other provision of law, any group I member who meets the requirements of RSA 100-A:10, I(a), and who has either completed at least 20 years of creditable service which, when combined with his **or her** age equals at least [70] 75 years, or who has attained the age of [50] 55, but not the age of 60 **if the member is in vested status before July 1, 2011 or the age of 65 if the member is not in vested status on July 1, 2011**, may elect to retire and have benefits commence immediately as a reduced service retirement allowance upon written application to the board of trustees setting forth the time, not less than 30 days nor more than 90 days subsequent to the filing thereof, at which the member desires to have benefits commence. The service retirement allowance shall be determined in accordance with RSA 100-A:5, I(b) and shall be reduced, for each month by which the date on which benefits commence precedes the month after which the member attains 60 years of age **if the member is in vested status before July 1, 2011 or 65 years of age if**

the member is not in vested status on July 1, 2011, by 1/8 of one percent if the member has 35 years or more of creditable service, by 1/4 of one percent if the member has 30 years but less than 35 years of creditable service, by 1/3 of one percent if the member has at least 25 years but less than 30 years of creditable service, by 5/12 of one percent if the member has at least 20 years but less than 25 years of creditable service, and by 5/9 of one percent if the member has less than 20 years of creditable service.

(d) [Repealed.]

II. Group II Members.

(a)(I) Any group II member in service, *who is in vested status before July 1, 2011*, who has attained age 45 and completed 20 years of creditable service, or who has attained age 60 regardless of the number of years of creditable service, may retire on a service retirement allowance upon written application to the board of trustees setting forth at what time not less than 30 days nor more than 90 days subsequent to the filing thereof the member desires to be retired, notwithstanding that during such period of notification the member may have separated from service.

(2) *Any group II member in service who is not in vested status on July 1, 2011, who has attained age 50 and completed 25 years of creditable service, or who has attained age 65 regardless of the number of years of creditable service, may retire and receive a service retirement allowance beginning upon the attainment of age 55 upon written application to the board of trustees setting forth at what time not less than 30 days nor more than 90 days subsequent to the filing thereof the member desires to be retired, notwithstanding that during such period of notification the member may have separated from service.*

(b) Upon service retirement, a group II member shall receive a service retirement allowance which shall consist of:

(1) A member annuity which shall be the actuarial equivalent of his accumulated contributions at the time of retirement; and

(2) *For members who are in vested status before July 1, 2011*, a state annuity which, together with his *or her* member annuity, shall be equal to 2-1/2 percent of his *or her* average final compensation multiplied by the number of years of his *or her* creditable service not in excess of 40 years, *or for members who commenced service or are not in vested status on July 1, 2011, a state annuity which, together with his or her member annuity, shall be equal to 2 percent of his or her average final compensation multiplied by the number of years of his or her creditable service not in excess of 25 years.*

(c)(1) Notwithstanding any provision of RSA 100-A to the contrary, any group II member who *is in vested status before July 1, 2011* and has retired on or after the effective date of this subparagraph after attaining the age of 45 with at least 20 years of creditable service shall receive a minimum annual service retirement allowance of \$10,000, *and any group II member who is not in vested status on July 1, 2011 and has retired on or after the effective date of this subparagraph after attaining the age of 50 with at least 25 years of creditable service, shall receive beginning upon the attainment of age 55 a minimum annual service retirement allowance of \$10,000.* If such group II member has elected to convert the retirement allowance into an optional allowance for the surviving spouse under RSA 100-A:13, the surviving spouse shall be entitled to a proportional share of the \$10,000.

(2) [Repealed.]

(3) [Repealed.]

6 Disability Retirement; Group I Age Increased. Amend RSA 100-A:6, I(b) to read as follows:

(b)(1) Upon ordinary disability retirement, the group I member who has attained age 60 *if the member is in vested status before July 1, 2011 or the age of 65 if the member is not in vested status on July 1, 2011* shall receive an ordinary disability retirement allowance which shall consist of a member annuity and shall be the actuarial equivalent of the member's accumulated contributions at the time of his ordinary disability retirement, and a state annuity as follows:

(A) Prior to the member's attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/60 of the member's average final compensation at the time of his ordinary disability retirement multiplied by the number of years of creditable service at the time of his ordinary disability retirement;

(B) After attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/66 of the member's average final compensation at the time of his ordinary disability retirement multiplied by the number of years of creditable service at the time of his ordinary disability retirement;

(C) Regardless of age at disability, the ordinary disability retirement allowance shall not be less than 25 percent of the member's average final compensation at the time of his *or her* disability retirement.

(2) Upon ordinary disability retirement, the group I member who has not attained age 60 *if the member is in vested status before July 1, 2011 or the age of 65 if the member is not in vested status on July 1, 2011* shall receive an ordinary disability retirement allowance which shall consist of: a member annuity which shall be the actuarial equivalent of the member's accumulated contributions at the time of his ordinary disability retirement; and a state annuity which, together with the member annuity, shall be equal to 1.5 percent of the member's average final compensation at the time of his ordinary disability retirement multiplied by the number of years of creditable service at that time of his ordinary disability retirement. However, regardless of age at disability, the ordinary disability retirement allowance shall not be less than 25 percent of the member's average final compensation at the time of his *or her* disability retirement.

7 Accidental Disability Retirement; Group I. Amend RSA 100-A:6, I(d) to read as follows:

(d)(1) Upon accidental disability retirement, the group I member who has attained age 60 *if the member is in vested status before July 1, 2011 or the age of 65 if the member is not in vested status on July 1, 2011* shall receive an accidental disability retirement allowance which shall consist of a member annuity and shall be the actuarial equivalent of the member's accumulated contributions at the time of his accidental disability retirement, and a state annuity as follows:

(A) Prior to the member's attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/60 of the member's average final compensation at the time of his accidental disability retirement multiplied by the number of years of creditable service at the time of his accidental disability retirement;

(B) After attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/66 of the member's average final compensation at the time of his accidental disability retirement multiplied by the number of years of creditable service at the time of his accidental disability retirement;

(C) Regardless of age at disability, such allowance shall not be less than 50 percent of the member's average final compensation at the time of his accidental disability retirement.

(2) Upon accidental disability retirement, the group I member who has not attained age 60 *if the member is in vested status before July 1, 2011 or the age of 65 if the member is not in vested status on July 1, 2011* shall receive an accidental disability retirement allowance which shall consist of: the member annuity which shall be the actuarial equivalent of the member's accumulated contributions at the time of his accidental disability retirement; and a state annuity which, together with the member annuity, shall be equal to 50 percent of the member's average final compensation at the time of his disability retirement.

8 Ordinary Disability Retirement; Group II. Amend RSA 100-A:6, II(b) to read as follows:

(b) Upon ordinary disability retirement, the group II member shall receive an ordinary disability retirement allowance which shall consist of: a member annuity which shall be the actuarial equivalent of his accumulated contributions at the time of his *or her* ordinary disability retirement; and a state annuity which, together with his *or her* member annuity, *for members who are in vested status before July 1, 2011*, shall be equal to 2-1/2 percent of his *or her* average final compensation at the time of [his] ordinary disability retirement multiplied by the number of years of his *or her* creditable service not in excess of 40 at the time of [his] ordinary disability retirement, *or for members who are not in vested status on July 1, 2011, shall be equal to 2 percent of his or her average final compensation at the time of ordinary disability retirement multiplied by the number of years of his or her creditable service not in excess of 25 at the time of ordinary disability retirement*, provided, however, that such allowance shall not be less than 25 percent of the member's final compensation at the time of his *or her* disability retirement.

9 Accidental Disability Retirement; Group II. Amend RSA 100-A:6, II(d) to read as follows:

(d)(1) Upon accidental disability retirement, the group II member *who is in vested status before July 1, 2011*, shall receive an accidental disability retirement allowance equal to 2/3 of his *or her* average final compensation at the time of [his] disability retirement, *and the group II member who is not in vested status on July 1, 2011, shall receive an accidental disability retirement allowance equal to 1/2 of his or her average final compensation at the time of disability retirement*.

(2) For any group II member who has more than 26-2/3 years of service, a supplemental disability retirement allowance shall be paid. Such supplement shall be equal to 2-1/2 percent of

his *or her* average final compensation multiplied by the number of years of his *or her* creditable service in excess of 26-2/3 but not in excess of 40 years. ***Provided however that an accidental disability retirement allowance together with a supplemental disability retirement allowance, as provided in this subparagraph, shall not exceed 100 percent of the disability retiree's average final compensation.***

10 Vested Deferred; Group II Age Increased. Amend RSA 100-A:10, II(b) to read as follows:

(b) ***For members who are in vested status before July 1, 2011***, upon the member's attainment of age 45, provided the member would then have completed 20 years of creditable service, otherwise the subsequent date on which such 20 years would have been completed, or at any time after age 60, ***or for members who are not in vested status on July 1, 2011, upon the member's attainment of age 50, provided the member would then have completed 25 years of creditable service, otherwise the subsequent date on which such 25 years would have been completed, or at any time after age 65***, a group II member who meets the requirement of subparagraph (a) may make application on a form prescribed by the board of trustees and receive a vested deferred retirement allowance which shall consist of: (1) A member annuity which shall be the actuarial equivalent of accumulated contributions on the date the member's retirement allowance commences; and (2) A state annuity which, together with the member annuity, shall be equal to a service retirement allowance based on the member's average final compensation and creditable service at the time the member's service is terminated.

11 Return of Contributions. Amend RSA 100-A:11, I(c) to read as follows:

(c) Upon the death of a group I member who has elected, pursuant to RSA 100-A:10, to receive a vested deferred retirement allowance before his *or her* attainment of age 60 ***if the member is in vested status before July 1, 2011 or the age of 65 if the member is not in vested status on July 1, 2011***, the amount of his *or her* accumulated contributions at the time of his *or her* death shall be paid to the person or persons, if any, nominated by [him] ***the member***, if living, otherwise to the member's estate.

12 Split Benefits; Minimum Age. Amend RSA 100-A:19-b to read as follows:

100-A:19-b Minimum Age. For the purposes of this subdivision only, minimum age shall mean:

I. For a member who has completed less than 20 years combined creditable service in both group I and group II, 60 years ***if the member is in vested status before July 1, 2011 or 65 years if the member is not in vested status on July 1, 2011.***

II. For a member ***who is in vested status before July 1, 2011 and***, who has completed 20 or more years of combined creditable service, one year shall be deducted from age 60 for each year of creditable group II service, provided that the age shall not be less than 45 years. ***For a member who commenced service or is not in vested status on July 1, 2011 and, who has completed 25 or more years of combined creditable service, one year shall be deducted from age 65 for each year of creditable group II service, provided that the age shall not be less than 50 years.***

13 Split Benefits; Reduced Early Retirement; Minimum Age. Amend RSA 100-A:19-d to read as follows:

100-A:19-d Reduced Early Retirement. Notwithstanding any other provision of law, any retirement system member who has creditable service in both group I and group II with at least 10 years combined creditable service, and who has attained an age which is at least 45 ***for members who are in vested status with group II service prior to July 1, 2011 or at least 50 for members who commenced group II service or are not in vested status on July 1, 2011*** and is within 10 years of the minimum age set forth in RSA 100-A:19-b, may elect to retire and have benefits commence immediately as a reduced split-benefit service retirement allowance. Application shall be as provided in RSA 100-A:5, I(c). The allowance shall be determined as a split-benefit service retirement allowance in accordance with RSA 100-A:19-c, and the total combined split-benefit service allowance shall be reduced by the percentages shown in RSA 100-A:5, I(c), based on the total combined length of creditable service, for each month by which the date on which benefits commence precedes the month after which the member attains the minimum age set forth in RSA 100-A:19-b.

14 State Employees; Retirement. Amend RSA 21-I:30, II(a) to read as follows:

(a) Has at least 10 years of creditable service for the state if the employee's service began prior to July 1, 2003 or 20 years of creditable service if the employee's service began on or after July 1, 2003, and who also is at least 60 years of age at the time of retirement ***if the employee is in vested status before July 1, 2011 or at least 65 years of age at the time of retirement if the employee is not in vested status on July 1, 2011***; or

15 State Employees; Group Insurance Benefits; Group II. Amend RSA 21-I:30, III to read as follows:

III. Any vested deferred state retiree may receive medical and surgical benefits under this section if the vested deferred state retiree is eligible. To be eligible, a group I vested deferred state retiree shall have at least 10 years of creditable service with the state if the employee's service began prior to July 1, 2003 or 20 years of creditable service with the state if the employee's service began on or after July 1, 2003 and a group II vested deferred state retiree shall have at least 20 years of creditable service with the state if the employee's service with the state began on or after July 1, 2010. In addition, if the vested deferred state retiree is a member of group I, such retiree shall be at least 60 years of age to be eligible *if the member is in vested status before July 1, 2011 or 65 years of age if the member is not in vested status on July 1, 2011*. If the vested deferred state retiree is a member of group II *who is in vested status before July 1, 2011*, such retiree shall not be eligible until 20 years from the date of becoming a member of group II and shall be at least 45 years of age, *and any group II member who is not in vested status on July 1, 2011 shall not be eligible until 25 years from the date of becoming a member of group II and shall be at least 50 years of age*.

16 Retirement Age Changed; Vested Status; Group I. Notwithstanding the provisions of RSA 100-A:5, RSA 100-A:6, RSA 100-A:10, RSA 100-A:11, RSA 100-A:19-b, and RSA 21-I:30 relating to retirement at age 60, persons who are in vested status in the retirement system or as a state employee under RSA 21-I:30 on the effective date of this section shall be permitted to retire on an unreduced service retirement, disability retirement, vested deferred retirement, or split benefit retirement at the following ages, based on the corresponding number of years of creditable service:

- I. At least 10 but not 15 years of creditable service, age 64.
- II. At least 15 but not 20 years of creditable service, age 63.
- III. At least 20 but not 25 years of creditable service, age 62.
- IV. At least 25 but not 30 years of creditable service, age 61.
- V. At least 30 years of creditable service, age 60.

17 Retirement Qualifications; Members Not in Vested Status; Group II. Notwithstanding the provisions of RSA 100-A:5, RSA 100-A:6, RSA 100-A:10, RSA 100-A:11, RSA 100-A:19-b, and RSA 21-I:30 relating to retirement qualifications and calculation of benefits for group II members, any group II member not in vested status on July 1, 2011 shall be subject to the transition provisions of this section for years of service required for regular service retirement, the minimum age for regular service retirement, and the multiplier used to calculate the retirement annuity, which shall be applicable on July 1, 2011 according to the following table:

<u>Creditable service</u> <u>on July 1, 2011</u>	<u>Minimum years of service</u>	<u>Minimum age attained</u>	<u>Annuity multiplier</u>
(1) Less than 4 years	24	age 49	2.1%
(2) At least 4 years but less than 6 years	23	age 48	2.2%
(3) At least 6 years but less than 8 years	22	age 47	2.3%
(4) At least 8 years but less than 10 years	21	age 46	2.4%

18 Financing; Contribution Rates; Group II Member Payroll Deduction. Amend RSA 100-A:16, I(a) to read as follows:

(a) The member annuity savings fund shall be a fund in which shall be accumulated the contributions deducted from the compensation of members to provide for their member annuities together with any amounts transferred thereto from a similar fund under one or more of the predecessor systems. Such contribution shall be, for each member, dependent upon the member's employment classification at the rate determined in accordance with the following table:

[Employees of employers other than the state 5.00
 Employees of the state hired on or before June 30, 2009 5.00
 Employees of the state hired after June 30, 2009 7.00
 Teachers 5.00
 Permanent Policemen 9.30
 Permanent Firemen 9.30]
Group I members, 7.00

Group II permanent fireman members, 11.80**Group II permanent police members, 11.55**

The board of trustees shall certify to the proper authority or officer responsible for making up the payroll of each employer, and such authority or officer shall cause to be deducted from the compensation of each member, except group II members *who are in vested status before July 1, 2011* with creditable service in excess of 40 years *or group II members who are not in vested status on July 1, 2011 with creditable service in excess of 25 years*, as provided in RSA 100-A:5, II(b) and RSA 100-A:6, II(b), on each and every payroll of such employer for each and every payroll period, the percentage of earnable compensation applicable to such member. No deduction from earnable compensation under this paragraph shall apply to any group II member *who is in vested status before July 1, 2011* with creditable service in excess of 40 years, *or group II member who is not in vested status on July 1, 2011 with creditable service in excess of 25 years*, as provided in RSA 100-A:5, II(b) and RSA 100-A:6, II(b), and this provision for such members shall not affect the method of determining average final compensation as provided in RSA 100-A:1, XVIII. In determining the amount earnable by a member in a payroll period, the board may consider the rate of compensation payable to such member on the first day of a payroll period as continuing throughout the payroll period and it may omit deduction from compensation for any period less than a full payroll period if such person was not a member on the first day of the payroll period, and to facilitate the making of deductions it may modify the deduction required of any member by such an amount as shall not exceed 1/10 of one percent of the annual earnable compensation upon the basis of which such deduction is made. The amounts deducted shall be reported to the board of trustees. Each of such amounts, when deducted, shall be paid to the retirement system at such times as may be designated by the board of trustees and credited to the individual account, in the member annuity savings fund, of the member from whose compensation the deduction was made.

19 Retirement System; Recalculation of Employer Rates; Recertification. Notwithstanding the notice requirements of RSA 100-A:16, III, the board of trustees of the retirement system shall recalculate employer contribution rates for the state fiscal years 2012 and 2013 to reflect the requirements of RSA 100-A as amended by this act. Notwithstanding the notice requirements of RSA 100-A:16, III, such employer contribution rates shall be effective for the biennium beginning July 1, 2011, and the recertification of employer contribution percentages, applicable beginning July 1, 2011, shall be provided to each employer within a reasonable period of time not to exceed 30 days from the effective date of this section. The exception to the notice requirements of RSA 100-A:16, III in this section shall be limited to the applicable employer contribution rates for the biennium beginning July 1, 2011.

20 New Section; Retirement System; Return to Work. Amend RSA 100-A by inserting after section 27 the following new section:

100-A:27-a Return to Work; Suspension of Benefits. Beginning July 1, 2011, no person for whom membership in the retirement system is optional under RSA 100-A:3, I, and no person employed by an employer on a full- or part-time basis or as a consultant for longer than 3 months in a year, may concurrently receive benefits under this chapter as a retired member. Benefits shall be suspended during any such period of employment.

21 Repeal. 2002, 137:7, relative to the application of the repeal of former RSA 100-A:3, I(c), is repealed.

22 Retirement System; Administration; Membership of Board. Amend RSA 100-A:14, I to read as follows:

I. The administration of this system is vested in a board of [14] **13** trustees. Each newly appointed or reappointed trustee shall have familiarity with or experience in finance or business management. The state treasurer shall be an ex officio voting member of the board. The governor and council shall appoint [2] **4** trustees, to be known as non-member trustees, who shall be qualified persons with investment and/or financial experience as provided in this paragraph and not be members of the system, and who shall serve for a term of 2 years and until their successors are appointed and qualified. The non-member trustees of the board shall have substantial experience in the field of institutional investment or finance, taking into account factors such as educational background, business experience, and professional licensure and designations. The original appointment of [one] **2** of the non-member trustees shall be for a term of one year. The remaining [11] **8** members of the board shall consist of [2 employees, 2 teachers, 2 permanent policemen, 2 permanent firemen, one member of the senate who shall be appointed annually by the senate president, one member of the house of representatives who serves on the executive departments and administration committee and

who shall be appointed annually by the speaker of the house, and one person representing management in local government. Whenever a vacancy occurs, the senate president or the speaker of the house shall fill the vacancy in the same manner by appointing a senate or a house member who shall serve for the unexpired term.] **4 member representatives and 4 employer representatives.** The New Hampshire state employees' association, the New Hampshire education association, the New Hampshire police association, **and** the New Hampshire state permanent firemen's association, **[and the New Hampshire Local Government Center]** shall each annually nominate from their members a panel of 5 persons, **[all of whom except for the panel of the Local Government Center shall be active members of the retirement system, or one of the 4 predecessor systems,]** no later than May 31 of each year, and the panels so named shall be filed with the secretary of state no later than June 10 of each year. From **[each of]** the above named panels, the governor and council shall appoint **[one person annually to]** ***the active member representatives of the board*** **[, except for the panel of the Local Government Center, which shall have one person appointed every 2 years]** ***as needed so as to maintain the representation on the board. The governor and council shall appoint the employer representatives of the board with the advice of employer organizations.*** Members appointed to the board in the manner aforesaid shall serve for a term of 2 years. Each member so appointed shall hold office until his or her successor shall be appointed and qualified. Whenever a vacancy occurs, the governor and council shall fill the vacancy by appointing a member who shall serve for the unexpired term **[from the same panel from which the former member was appointed]**. The governor shall designate one of the non-member trustees to serve as chairman of said board of trustees.

23 Application; Board of Trustees Membership. Members of the board of trustees for the retirement system on the effective date of this section shall serve for the remainder of their terms. In order to conform to changes to the retirement system board of trustees made by this act, upon a vacancy occurring in the membership on the board of trustees after the effective date of this section, the appointment of a trustee shall be made to reasonably conform to the trustee designations in RSA 100-A:14, I.

24 Repeal of Special Account. RSA 100-A:16, II(h)-(j), relative to the special account, are repealed.

25 Transfer of Balance of Special Account. Any funds remaining in the special account on the effective date of the repeal of the special account by this act shall be transferred to the respective components of the state annuity accumulation fund.

26 Definition of Terminal Funding. Amend RSA 100-A:1, XXX to read as follows:

XXX. "Terminal funding" shall mean providing the full present value of the total liability for benefit improvement. **[Unless otherwise specified, the source of terminal funding shall be the special account established under RSA 100-A:16, H(h).]**

27 Benefits Upon Death After Retirement; References to Special Account. Amend RSA 100-A:12, I-a and II to read as follows:

I-a. In addition to any other provision of this section, upon the death of a retired group II member of the New Hampshire retirement system or any predecessor system, who retired pursuant to RSA 100-A:5, II with at least 20 years of creditable service or pursuant to RSA 100-A:6, II(a) prior to April 1, 1987, there shall be paid to the member's spouse at the time of retirement, if surviving, an allowance to continue until the spouse's death or remarriage equal to 50 percent of the service or ordinary disability retirement allowance payable to the retired member prior to the member's death. The total cost of terminally funding the benefits provided by this paragraph shall be funded from the **[special account established under RSA 100-A:16, H(h)]** ***state annuity accumulation fund.***

II. Upon the death of a group II member who has retired on or after April 1, 1987, or upon the death of a group II member who has filed an application for retirement benefits with the board of trustees after January 1, 1991, there shall be paid to the person nominated by the member by written designation filed with the board, if living, otherwise to the retired member's estate, in addition to the amount payable under RSA 100-A:11 a lump sum of \$3,600 if the member retired before July 1, 1988, and if the member is married on the date of such member's retirement, there shall be paid to such surviving spouse an allowance to continue until the spouse's death or remarriage equal to 50 percent of the member's service, ordinary disability, or accidental disability retirement allowance payments. For any person who is a group II member as of June 30, 1988, and who retires on or after July 1, 1988, the lump sum payment shall be \$10,000. For any person who becomes a member of group II on or after July 1, 1988, and on or prior to July 1, 1993, the lump sum payment shall be \$3,600. It is the intent of the legislature that future group II members shall be included only if the total cost of such inclusion can be ***terminally*** funded **[by reimbursement from the special account established under RSA 100-A:16, H(h)]**.

28 Supplemental Allowance; Reference to Special Account. Amend RSA 100-A:41-a, III to read as follows:

III.(a) The payment of any such supplemental allowance shall be contingent on terminal funding of the total actuarial cost thereof. ~~[Such terminal funding shall be from the special account established under RSA 100-A:16, II(h).]~~

(b) ~~[No supplemental allowance shall reduce the funds in the respective component of the special account to an amount less than zero.]~~

(c) Cost of living adjustments shall be retroactive to the member's eligibility date pursuant to paragraph I.

29 Management of Funds; Investment Committee. Amend RSA 100-A:15, I to read as follows:

I. The members of the board of trustees shall be the trustees of the several funds created hereby and shall set the investment policy relative to those funds. The independent investment committee shall have full power to invest and reinvest such funds in accordance with the policy set by the board. The board of trustees *and the members of the independent investment committee* shall have the powers, privileges, and immunities of a corporation. The independent investment committee shall have full power to hold, purchase, sell, assign, transfer, and dispose of any of the securities and investments in which any of the funds created hereby have been invested, as well as the proceeds of such investments in accordance with the policy set by the board. All of the assets and proceeds, and income therefrom, of the New Hampshire retirement system, and all contributions and payments made thereto, shall be held, invested, or disbursed in trust.

30 Independent Investment Committee Amend RSA 100-A:15, IX to read as follows:

IX. The non-trustee members of the independent investment committee shall be afforded the same liability insurance ~~[and]~~, indemnification, *and statutory protections* as board members.

31 New Section; Retirement System; Construction of Provisions; Member Acknowledgement. Amend RSA 100-A by inserting after section I the following new section:

100-A:1-a Construction of Provisions; Member Acknowledgement.

I. The benefits provided under this chapter shall not be construed to constitute a binding contractual obligation with respect to members and may be modified or discontinued by the adoption of appropriate legislation.

II. Every employer shall keep on file for each member commencing service after June 30 2011 a statement of the employee's, teacher's, policeman's, or fireman's acknowledgement of the provisions of paragraph I of this section.

32 New Paragraph; Public Employee Labor Relations; Status Quo; Authority of Employer. Amend RSA 273-A:11 by inserting after paragraph II the following new paragraph:

III. Following the end of the term of a collective bargaining agreement and during any period of negotiation, the status quo shall be maintained as to the wages, hours, and conditions of employment of employees in good standing. Except where required by statute, the continuation, after the expiration of the agreement, of the provision of any medical, dental, and life insurance benefits, retirement or pension benefits, and any other fringe benefits, shall be subject to the exclusive authority of the public employer.

33 New Section; Department of Administrative Services; State Employee Refusal of Benefits Program. Amend RSA 21-I by inserting after section 43-a the following new section:

21-I:43-b State Employee Refusal of Benefits Program.

I. The commissioner of the department of administrative services shall establish and administer a program which shall allow a permanent full-time state employee to refuse his or her rights as a state employee to receive state medical, dental, and retirement benefits in order to instead receive an increase in his or her base salary or wage.

II. The department shall develop forms, establish procedures, and adopt rules for administering the program established by this section. The forms shall include specific notice of the details of the benefits refused by the election of a state employee under this section. Any such election shall be required to be signed and dated by the state employee.

III. A permanent full-time state employee paid through the office of the state treasurer shall be eligible to refuse state employee benefits as described in paragraph I. Upon verification by the department of the state employee's refusal of employment benefits, the state employee shall be granted an increase of 25 percent of his or her base salary or wage, excluding pay related to overtime, unused vacation time, unused sick time, longevity pay, or other compensation not deemed by the department to be base salary or wages, to be paid on regular pay schedule for employment during good standing.

IV. The election to refuse state employment benefits for an increase in base salary or wages shall only be available to a permanent full-time state employee who first commenced service with the state on or after July 1, 2004.

V. The source of funds for the payment of the increase of 25 percent for a state employee electing to refuse state employment benefits under this section shall be the employee and retiree benefit risk management fund established in RSA 21-I:30-e.

34 Severability; Contingent Amendment; Effective Date.

I. The provisions of this act making various amendments concerning the New Hampshire retirement system shall be severable and if any phrase, clause, sentence or provision of this act is declared to be contrary to the constitution of this state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this act and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby.

II. If as provided in paragraph I of this section, any phrase, clause, sentence, or provision is held contrary to the constitution of this state or of the United States, the remaining provisions of the act shall be in full force and effect as to all severable matters, and section 35 of this act shall take effect on the July 1 next following the date that the board of trustees certifies to the secretary of state and the director of legislative services of the occurrence of a final ruling on the declaration described in paragraph I.

35 Member Contribution Rates; Contingent Version. Repeal and reenact the introductory paragraph of RSA 100-A:16, I(a) and the contribution rates following the introductory paragraph to read as follows:

(a) The member annuity savings fund shall be a fund in which shall be accumulated the contributions deducted from the compensation of members to provide for their member annuities together with any amounts transferred thereto from a similar fund under one or more of the predecessor systems. Such contribution shall be, for each member, the rate percent of each member's compensation as determined by the retirement system which shall by annual total represent 50 percent of the normal contribution and accrued liability contribution determined under paragraph II.

36 Study Committee Established; Voluntary Defined Contribution Plan. There is established a committee to study the establishment of a federal tax qualified voluntary defined contribution plan.

I. The members of the committee shall be as follows:

(a) Three members of the senate, who shall be from the executive departments and administration committee, appointed by the president of the senate.

(b) Three members of the house of representatives, each of whom shall be from the special committee on public employee pensions reform, appointed by the speaker of the house of representatives.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

III. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

IV. The committee shall report its findings and any recommendations for proposed legislation to the president of the senate, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 2011.

37 Repeal. RSA 100-A:41-d, relative to additional temporary supplemental allowances, is repealed.

38 Effective Date.

I. Section 35 of this act shall take effect as provided in section 34 of this act.

II. The remainder of this act shall take effect July 1, 2011.

AMENDED ANALYSIS

This bill makes various changes to the state retirement system including:

I. Increasing retirement ages of group I and group II members for service retirement, disability retirement, vested deferred retirement, and split benefits.

II. Changing the definitions of earnable compensation and average final compensation used in calculating retirement benefits.

III. Changing the composition of the board of trustees.

IV. Eliminating the special account.

V. Increasing contribution rates.

VI. Establishing a committee to study the establishment of a voluntary defined contribution plan.

VII. Prohibiting a member in service from concurrently receiving benefits.

This bill also establishes a program allowing a state employee to refuse his or her rights as a state employee to receive state medical, dental, and retirement benefits in order to instead receive an increase in his or her base salary or wage; and provides that after the end of a collective bargaining agreement, the public employer has exclusive authority for continuation of benefits.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Shurtleff offered floor amendment (1229h).

Floor Amendment (1229h)

Amend the bill by replacing sections 2 - 18 with the following and renumbering the original sections 19 - 38 to read as 17 - 36, respectively:

2 Retirement System; Definitions; Average Final Compensation. Amend RSA 100-A:1, XVIII to read as follows:

XVIII. "Average final compensation" shall mean, *for members who commenced service prior to July 1, 2011*, the average annual earnable compensation of a member during his or her highest 3 years of creditable service, or during all of the years in his or her creditable service if less than 3 years. *For members who commenced service on or after July 1, 2011, "average final compensation" shall mean the average annual earnable compensation of a member during his or her highest 5 years of creditable service, or during all of the years in his or her creditable service if less than 5 years.*

3 Retirement System; Definition of Earnable Compensation. Amend RSA 100-A:1, XVII to read as follows:

XVII. "Earnable compensation" shall mean:

(a) For all members *who commenced service prior to July 1, 2011*, the full base rate of compensation paid plus any overtime pay, holiday and vacation pay, sick pay, longevity or severance pay, cost of living bonus, additional pay for extracurricular and instructional activities or for other extra or special duty, and any military differential pay, plus the fair market value of non-cash compensation paid to, or on behalf of, the member for meals or living quarters if subject to federal income tax, but excluding other compensation except cash incentives paid by an employer to encourage members to retire, supplemental pay paid by the employer while the member is receiving workers' compensation, and teacher development pay that is not part of the contracted annual salary. However, earnable compensation in the final 12 months of creditable service prior to termination of employment shall be limited to 1- 1/2 times the higher of the earnable compensation in the 12-month period preceding the final 12 months or the highest compensation year as determined for the purpose of calculating average final compensation, but excluding the final 12 months. Any compensation received in the final 12 months of employment in excess of such limit shall not be subject to member or employer contributions to the retirement system and shall not be considered in the computation of average final compensation. Provided that, the annual compensation limit for members of governmental defined benefit pension plans under section 401(a)(17) of the United States Internal Revenue Code of 1986, as amended, shall apply to earnable compensation for all employees, teachers, permanent firemen, and permanent policemen who first become eligible for membership in the system on or after July 1, 1996. Earnable compensation shall not include compensation in any form paid later than 120 days after the member's termination of employment from a retirement eligible position, with the limited exceptions of disability related severance pay paid to a member or retiree no later than 120 days after a decision by the board of trustees granting the member or retiree disability retirement benefits pursuant to RSA 100-A:6 and of severance pay which a member was entitled to be paid within 120 days after termination but which, without the consent of the member and not through any fault of the member, was paid more than 120 days after the member's termination. The member shall have the burden of proving to the board of trustees that any severance payment paid later than 120 days after the member's termination of employment is earnable compensation and meets the requirements of an asserted exception to the 120-day post-termination payment requirement.

(b) For any member who commenced service on or after July 1, 2011, the full base rate of compensation paid plus holiday pay, vacation pay, and sick pay, and any compensation for mandatory training and any military differential pay. Earnable compensation shall not include pay for accumulated unused sick or vacation time. However, earnable compensation in the final 2 12-month periods of creditable service prior to termination of employment shall each be limited to 1-1/2 times the highest compensation year as determined for the purpose of calculating average final compensation, but excluding the final 24 months. Any compensation received in the final 24 months of employment in excess of such limit shall not be subject to member or employer contributions to the retirement system and shall not be considered in the computation of average final compensation. Provided that, the annual compensation limit for members of governmental defined benefit pension plans under section 401(a)(17) of the United States Internal Revenue Code of 1986, as amended, shall apply to earnable compensation for all employees, teachers, permanent firemen, and permanent policemen. Earnable compensation shall not include compensation in any form paid later than 120 days after the member's termination of employment from a retirement eligible position.

4 Membership; Employees; Full-Time Requirement. Amend RSA 100-A:3, III to read as follows:

III. The board of trustees may, in its discretion, accept as members any class of **full-time** employees, **or any class of** teachers, permanent policemen or permanent firemen, whose compensation is only partly paid by an employer or who are serving on a temporary or other than per annum basis, and it may also, in its discretion, make optional with **such** employees, teachers, permanent policemen or permanent firemen in any such class their individual entrance into membership. **Provided, however, that membership as an employee as defined in RSA 100-A:1, V shall require full-time employment, which shall not be satisfied by the combination of service in one or more part-time positions. In addition, no member in a full-time position as an employee shall be permitted to make contributions or to accrue benefits under this chapter on account of any such part-time employment. Any rule or practice adopted by the board which is inconsistent with the requirements of this paragraph shall be without effect.**

5 Service Retirement; Age Increased. Amend RSA 100-A:5 to read as follows:

100-A:5 Service Retirement Benefits.

I. Group I Members.

(a) Any group I member, **who** may retire on a service retirement allowance upon written application to the board of trustees setting forth at what time, not less than 30 days nor more than 90 days subsequent to the filing thereof, the member desires to be retired, provided the member at the time so specified for retirement has attained age 60 **if the member commenced service before July 1, 2011 or age 65 if the member commenced service on or after July 1, 2011**, and notwithstanding that during such period of notification the member may have separated from service. For the purposes of this section, a teacher member of group I who remains in service throughout a school year shall be deemed to be in service during July and August at the end of such school year.

(b) Upon service retirement, an employee member or teacher member of group I shall receive a service retirement allowance which shall consist of a member annuity which shall be the actuarial equivalent of the member's accumulated contributions at the time of retirement, and a state annuity. Prior to the member's attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/60 of the member's average final compensation multiplied by the number of years of creditable service. After attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/66 of the member's average final compensation multiplied by the number of years of creditable service.

(c) Notwithstanding any other provision of law, any group I member who meets the requirements of RSA 100-A:10, I(a), and who has either completed at least 20 years of creditable service which, when combined with his **or her** age equals at least 70 years, or who has attained the age of 50, but not the age of 60 **if the member commenced service before July 1, 2011, or when combined with his or her age equals at least 75 years, or who has attained the age of 55, but not the age of 65 if the member commenced service on or after July 1, 2011**, may elect to retire and have benefits commence immediately as a reduced service retirement allowance upon written application to the board of trustees setting forth the time, not less than 30 days nor more than 90 days subsequent to the filing thereof, at which the member desires to have benefits commence. The service retirement allowance shall be determined in accordance with RSA 100-A:5, I(b) and shall be reduced, for each month by which the date on which benefits commence precedes the month after which the member attains 60 years of age **if the member commenced service before July 1, 2011 or 65 years of age**

if the member commenced service on or after July 1, 2011, by 1/8 of one percent if the member has 35 years or more of creditable service, by 1/4 of one percent if the member has 30 years but less than 35 years of creditable service, by 1/3 of one percent if the member has at least 25 years but less than 30 years of creditable service, by 5/12 of one percent if the member has at least 20 years but less than 25 years of creditable service, and by 5/9 of one percent if the member has less than 20 years of creditable service.

(d) [Repealed.]

II. Group II Members.

(a)(1) Any group II member in service, *who commenced service before July 1, 2011*, who has attained age 45 and completed 20 years of creditable service, or who has attained age 60 regardless of the number of years of creditable service, may retire on a service retirement allowance upon written application to the board of trustees setting forth at what time not less than 30 days nor more than 90 days subsequent to the filing thereof the member desires to be retired, notwithstanding that during such period of notification the member may have separated from service.

(2) *Any group II member in service who commenced service on or after July 1, 2011, who has attained age 50 and completed 25 years of creditable service, or who has attained age 65 regardless of the number of years of creditable service, may retire and receive a service retirement allowance beginning upon the attainment of age 55 upon written application to the board of trustees setting forth at what time not less than 30 days nor more than 90 days subsequent to the filing thereof the member desires to be retired, notwithstanding that during such period of notification the member may have separated from service.*

(b) Upon service retirement, a group II member shall receive a service retirement allowance which shall consist of:

(1) A member annuity which shall be the actuarial equivalent of his accumulated contributions at the time of retirement; and

(2) *For members who commenced service before July 1, 2011*, a state annuity which, together with his *or her* member annuity, shall be equal to 2-1/2 percent of his *or her* average final compensation multiplied by the number of years of his *or her* creditable service not in excess of 40 years, *or for members who commenced service on or after July 1, 2011, a state annuity which, together with his or her member annuity, shall be equal to 2 percent of his or her average final compensation multiplied by the number of years of his or her creditable service not in excess of 25 years.*

(c)(1) Notwithstanding any provision of RSA 100-A to the contrary, any group II member *who commenced service before July 1, 2011 and* has retired on or after the effective date of this subparagraph after attaining the age of 45 with at least 20 years of creditable service shall receive a minimum annual service retirement allowance of \$10,000, *and any group II member commenced service on or after July 1, 2011 and has retired on or after the effective date of this subparagraph after attaining the age of 50 with at least 25 years of creditable service, shall receive beginning upon the attainment of age 55 a minimum annual service retirement allowance of \$10,000.* If such group II member has elected to convert the retirement allowance into an optional allowance for the surviving spouse under RSA 100-A:13, the surviving spouse shall be entitled to a proportional share of the \$10,000.

(2) [Repealed.]

(3) [Repealed.]

6 Disability Retirement; Group I Age Increased. Amend RSA 100-A:6, I(b) to read as follows:

(b)(1) Upon ordinary disability retirement, the group I member who has attained age 60 *if the member commenced service before July 1, 2011 or the age of 65 if the member commenced service on or after July 1, 2011* shall receive an ordinary disability retirement allowance which shall consist of a member annuity and shall be the actuarial equivalent of the member's accumulated contributions at the time of his ordinary disability retirement, and a state annuity as follows:

(A) Prior to the member's attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/60 of the member's average final compensation at the time of his ordinary disability retirement multiplied by the number of years of creditable service at the time of his ordinary disability retirement;

(B) After attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/66 of the member's average final compensation at the time of his ordinary disability retirement multiplied by the number of years of creditable service at the time of his ordinary disability retirement;

(C) Regardless of age at disability, the ordinary disability retirement allowance shall not be less than 25 percent of the member's average final compensation at the time of his *or her* disability retirement.

(2) Upon ordinary disability retirement, the group I member who has not attained age 60 *if the member commenced service before July 1, 2011 or the age of 65 if the member commenced service on or after July 1, 2011* shall receive an ordinary disability retirement allowance which shall consist of: a member annuity which shall be the actuarial equivalent of the member's accumulated contributions at the time of his ordinary disability retirement; and a state annuity which, together with the member annuity, shall be equal to 1.5 percent of the member's average final compensation at the time of his ordinary disability retirement multiplied by the number of years of creditable service at that time of his ordinary disability retirement. However, regardless of age at disability, the ordinary disability retirement allowance shall not be less than 25 percent of the member's average final compensation at the time of his *or her* disability retirement.

7 Accidental Disability Retirement; Group I. Amend RSA 100-A:6, I(d) to read as follows:

(d)(1) Upon accidental disability retirement, the group I member who has attained age 60 *if the member commenced service before July 1, 2011 or the age of 65 if the member commenced service on or after July 1, 2011* shall receive an accidental disability retirement allowance which shall consist of a member annuity and shall be the actuarial equivalent of the member's accumulated contributions at the time of his accidental disability retirement, and a state annuity as follows:

(A) Prior to the member's attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/60 of the member's average final compensation at the time of his accidental disability retirement multiplied by the number of years of creditable service at the time of his accidental disability retirement;

(B) After attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/66 of the member's average final compensation at the time of his accidental disability retirement multiplied by the number of years of creditable service at the time of his accidental disability retirement;

(C) Regardless of age at disability, such allowance shall not be less than 50 percent of the member's average final compensation at the time of his accidental disability retirement.

(2) Upon accidental disability retirement, the group I member who has not attained age 60 *if the member commenced service before July 1, 2011 or the age of 65 if the member commenced service on or after July 1, 2011* shall receive an accidental disability retirement allowance which shall consist of: the member annuity which shall be the actuarial equivalent of the member's accumulated contributions at the time of his accidental disability retirement; and a state annuity which, together with the member annuity, shall be equal to 50 percent of the member's average final compensation at the time of his disability retirement.

8 Ordinary Disability Retirement; Group II. Amend RSA 100-A:6, II(b) to read as follows:

(b) Upon ordinary disability retirement, the group II member shall receive an ordinary disability retirement allowance which shall consist of: a member annuity which shall be the actuarial equivalent of his accumulated contributions at the time of his *or her* ordinary disability retirement; and a state annuity which, together with his *or her* member annuity, *for members who commenced service before July 1, 2011*, shall be equal to 2-1/2 percent of his *or her* average final compensation at the time of [his] ordinary disability retirement multiplied by the number of years of his *or her* creditable service not in excess of 40 at the time of [his] ordinary disability retirement, *or for members who commenced service on or after July 1, 2011, shall be equal to 2 percent of his or her average final compensation at the time of ordinary disability retirement multiplied by the number of years of his or her creditable service not in excess of 25 at the time of ordinary disability retirement*, provided, however, that such allowance shall not be less than 25 percent of the member's final compensation at the time of his *or her* disability retirement.

9 Accidental Disability Retirement; Group II. Amend RSA 100-A:6, II(d) to read as follows:

(d)(1) Upon accidental disability retirement, the group II member *who commenced service before July 1, 2011*, shall receive an accidental disability retirement allowance equal to 2/3 of his *or her* average final compensation at the time of [his] disability retirement, *and the group II member who commenced service on or after July 1, 2011, shall receive an accidental disability retirement allowance equal to 1/2 of his or her average final compensation at the time of disability retirement*.

(2) For any group II member who has more than 26-2/3 years of service, a supplemental disability retirement allowance shall be paid. Such supplement shall be equal to 2-1/2 percent of

his *or her* average final compensation multiplied by the number of years of his *or her* creditable service in excess of 26-2/3 but not in excess of 40 years. ***Provided however that an accidental disability retirement allowance together with a supplemental disability retirement allowance, as provided in this subparagraph, shall not exceed 100 percent of the disability retiree's average final compensation.***

10 Vested Deferred; Group II Age Increased. Amend RSA 100-A:10, II(b) to read as follows:

(b) ***For members who commenced service before July 1, 2011***, upon the member's attainment of age 45, provided the member would then have completed 20 years of creditable service, otherwise the subsequent date on which such 20 years would have been completed, or at any time after age 60, ***or for members who commenced service on or after July 1, 2011, upon the member's attainment of age 50, provided the member would then have completed 25 years of creditable service, otherwise the subsequent date on which such 25 years would have been completed, or at any time after age 65***, a group II member who meets the requirement of subparagraph (a) may make application on a form prescribed by the board of trustees and receive a vested deferred retirement allowance which shall consist of: (1) A member annuity which shall be the actuarial equivalent of accumulated contributions on the date the member's retirement allowance commences; and (2) A state annuity which, together with the member annuity, shall be equal to a service retirement allowance based on the member's average final compensation and creditable service at the time the member's service is terminated.

11 Return of Contributions. Amend RSA 100-A:11, I(c) to read as follows:

(c) Upon the death of a group I member who has elected, pursuant to RSA 100-A:10, to receive a vested deferred retirement allowance before his *or her* attainment of age 60 ***if the member commenced service before July 1, 2011 or the age of 65 if the member commenced service on or after July 1, 2011***, the amount of his *or her* accumulated contributions at the time of his *or her* death shall be paid to the person or persons, if any, nominated by ~~him~~ ***the member***, if living, otherwise to the member's estate.

12 Split Benefits; Minimum Age. Amend RSA 100-A:19-b to read as follows:

100-A:19-b Minimum Age. For the purposes of this subdivision only, minimum age shall mean:

I. For a member who has completed less than 20 years combined creditable service in both group I and group II, 60 years ***if the member commenced service before July 1, 2011 or 65 years if the member commenced service on or after July 1, 2011.***

II. For a member ***who commenced service before July 1, 2011 and***, who has completed 20 or more years of combined creditable service, one year shall be deducted from age 60 for each year of creditable group II service, provided that the age shall not be less than 45 years. ***For a member who commenced service on or after July 1, 2011 and, who has completed 25 or more years of combined creditable service, one year shall be deducted from age 65 for each year of creditable group II service, provided that the age shall not be less than 50 years.***

13 Split Benefits; Reduced Early Retirement; Minimum Age. Amend RSA 100-A:19-d to read as follows:

100-A:19-d Reduced Early Retirement. Notwithstanding any other provision of law, any retirement system member who has creditable service in both group I and group II with at least 10 years combined creditable service, and who has attained an age which is at least 45 ***for members who commenced group II service prior to July 1, 2011 or at least 50 for members who commenced group II service on or after July 1, 2011*** and is within 10 years of the minimum age set forth in RSA 100-A:19-b, may elect to retire and have benefits commence immediately as a reduced split-benefit service retirement allowance. Application shall be as provided in RSA 100-A:5, I(c). The allowance shall be determined as a split-benefit service retirement allowance in accordance with RSA 100-A:19-c, and the total combined split-benefit service allowance shall be reduced by the percentages shown in RSA 100-A:5, I(c), based on the total combined length of creditable service, for each month by which the date on which benefits commence precedes the month after which the member attains the minimum age set forth in RSA 100-A:19-b.

14 State Employees; Retirement. Amend RSA 21-I:30, II(a) to read as follows:

(a) Has at least 10 years of creditable service for the state if the employee's service began prior to July 1, 2003 or 20 years of creditable service if the employee's service began on or after July 1, 2003, and who also is at least 60 years of age at the time of retirement ***if the employee commenced service before July 1, 2011 or at least 65 years of age at the time of retirement if the employee commenced service on or after July 1, 2011***; or

15 State Employees; Group Insurance Benefits; Group II. Amend RSA 21-I:30, III to read as follows:

III. Any vested deferred state retiree may receive medical and surgical benefits under this section if the vested deferred state retiree is eligible. To be eligible, a group I vested deferred state retiree shall have at least 10 years of creditable service with the state if the employee's service began prior to July 1, 2003 or 20 years of creditable service with the state if the employee's service began on or after July 1, 2003 and a group II vested deferred state retiree shall have at least 20 years of creditable service with the state if the employee's service with the state began on or after July 1, 2010. In addition, if the vested deferred state retiree is a member of group I, such retiree shall be at least 60 years of age to be eligible ***if the member commenced service before July 1, 2011 or 65 years of age if the member commenced service on or after July 1, 2011***. If the vested deferred state retiree is a member of group II ***who commenced service before July 1, 2011***, such retiree shall not be eligible until 20 years from the date of becoming a member of group II and shall be at least 45 years of age, ***and any group II member who commenced service on or after July 1, 2011 shall not be eligible until 25 years from the date of becoming a member of group II and shall be at least 50 years of age***.

16 Financing; Contribution Rates; Group II Member Payroll Deduction. Amend RSA 100-A:16, I(a) to read as follows:

(a) The member annuity savings fund shall be a fund in which shall be accumulated the contributions deducted from the compensation of members to provide for their member annuities together with any amounts transferred thereto from a similar fund under one or more of the predecessor systems. Such contribution shall be, for each member, dependent upon the member's employment classification at the rate determined in accordance with the following table:

Employees of employers other than the state ***hired on or before June 30, 2011, 5.00***

Employees of the state hired on or before June 30, 2009, 5.00

Employees of the state hired after June 30, 2009, 7.00

Teachers ***hired on or before June 30, 2011, 5.00***

Permanent Policemen ***hired on or before June 30, 2011, 9.30***

Permanent Firemen ***hired on or before June 30, 2011, 9.30***

Group I members hired after June 30, 2011, 7.00

Group II permanent fireman members hired after June 30, 2011, 11.80

Group II permanent police members hired after June 30, 2011, 11.55

The board of trustees shall certify to the proper authority or officer responsible for making up the payroll of each employer, and such authority or officer shall cause to be deducted from the compensation of each member, except group II members ***who commenced service before July 1, 2011*** with creditable service in excess of 40 years ***or group II members who commenced service on or after July 1, 2011 with creditable service in excess of 25 years***, as provided in RSA 100-A:5, II(b) and RSA 100-A:6, II(b), on each and every payroll of such employer for each and every payroll period, the percentage of earnable compensation applicable to such member. No deduction from earnable compensation under this paragraph shall apply to any group II member ***who commenced service before July 1, 2011*** with creditable service in excess of 40 years, ***or group II member who commenced service on or after July 1, 2011 with creditable service in excess of 25 years***, as provided in RSA 100-A:5, II(b) and RSA 100-A:6, II(b), and this provision for such members shall not affect the method of determining average final compensation as provided in RSA 100-A:1, XVIII. In determining the amount earnable by a member in a payroll period, the board may consider the rate of compensation payable to such member on the first day of a payroll period as continuing throughout the payroll period and it may omit deduction from compensation for any period less than a full payroll period if such person was not a member on the first day of the payroll period, and to facilitate the making of deductions it may modify the deduction required of any member by such an amount as shall not exceed 1/10 of one percent of the annual earnable compensation upon the basis of which such deduction is made. The amounts deducted shall be reported to the board of trustees. Each of such amounts, when deducted, shall be paid to the retirement system at such times as may be designated by the board of trustees and credited to the individual account, in the member annuity savings fund, of the member from whose compensation the deduction was made. Amend paragraph II of section 32 of the bill by replacing it with the following:

II. If as provided in paragraph I of this section, any phrase, clause, sentence, or provision is held contrary to the constitution of this state or of the United States, the remaining provisions of

the act shall be in full force and effect as to all severable matters, and section 33 of this act shall take effect on the July 1 next following the date that the board of trustees certifies to the secretary of state and the director of legislative services of the occurrence of a final ruling on the declaration described in paragraph I.

Amend paragraph I of section 36 of the bill by replacing it with the following:

I. Section 33 of this act shall take effect as provided in section 32 of this act.

Rep. Pierce spoke in favor.

Rep. Hawkins spoke against.

Rep. Brunelle requested a roll call; sufficiently seconded.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.
Rep. Baroody offered floor amendment (1275h).

Floor Amendment (1275h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the New Hampshire retirement system.

Amend the bill by deleting section 32 and renumbering the original sections 33-38 to read as 32-37, respectively.

Amend paragraph II of section 33 of the bill by replacing it with the following:

II. If as provided in paragraph I of this section, any phrase, clause, sentence, or provision is held contrary to the constitution of this state or of the United States, the remaining provisions of the act shall be in full force and effect as to all severable matters, and section 34 of this act shall take effect on the July 1 next following the date that the board of trustees certifies to the secretary of state and the director of legislative services of the occurrence of a final ruling on the declaration described in paragraph I.

Amend paragraph I of section 37 of the bill by replacing it with the following:

I. Section 34 of this act shall take effect as provided in section 33 of this act.

AMENDED ANALYSIS

This bill makes various changes to the state retirement system including:

I. Increasing retirement ages of group I and group II members for service retirement, disability retirement, vested deferred retirement, and split benefits.

II. Changing the definitions of earnable compensation and average final compensation used in calculating retirement benefits.

III. Changing the composition of the board of trustees.

IV. Eliminating the special account.

V. Increasing contribution rates.

VI. Establishing a committee to study the establishment of a voluntary defined contribution plan.

VII. Prohibiting a member in service from concurrently receiving benefits.

This bill also establishes a program allowing a state employee to refuse his or her rights as a state employee to receive state medical, dental, and retirement benefits in order to instead receive an increase in his or her base salary or wage.

Reps. Gagnon and Proulx spoke in favor.

Rep. Hawkins spoke against.

Rep. Patrick Garrity requested a roll call; sufficiently seconded.

MOTION TO LAY ON THE TABLE

Rep. Gary Richardson moved that **HB 580-FN-L**, relative to the New Hampshire retirement system, and relative to continuation of provisions of a collective bargaining agreement following the end of the term of the agreement, be laid on the table.

Rep. Gary Richardson requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

HB 83, relative to vessel registration. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Norman L. Major for the Majority of Ways and Means: This bill adds language to New Hampshire RSA 270-E:3 and requires any vessel capable of being propelled by a motor to be

registered, even if the vessel is just to be put or placed in state waters. Such waters include tidal, coastal and inland waters. Current law solely requires registration for the above described vessels operating in these waters. This bill expands a fee on the general public. This bill is at the request of the department of safety to satisfy primarily one resident who is continually calling the marine patrol to report a boat that has been "underway" and is not registered. The marine patrol has to actually see or have proof that the boat is or has been operated on public waters in order to enforce the law. The committee feels we should not be expanding fees on the general public because of an enforcement problem. Vote 14-7.

Rep. Mary R. Cooney for the Minority of Ways and Means: This simple bill would help marine patrol to enforce boat registration laws. Currently, by a trick of wording, marine patrol cannot cite boats for lack of registration if they are moored, only boats which are "operating" or actually underway. This bill would help enforcement.

The question being adoption of the majority committee report of Inexpedient to Legislate.

Rep. Cooney spoke against.

Rep. Daugherty spoke in favor.

On a division vote, 230 members having voted in the affirmative and 111 in the negative, the majority committee report was adopted.

HB 468-FN, relative to assessments for aquatic resource compensatory mitigation. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Gary S. Azarian for Ways and Means: This bill would allow off-site mitigation when on-site mitigation is either impossible or impractical. The assessment provides three distinct advantages. It saves the developer time in expediting the mitigation process, assures the protection of high value wetlands resources and adds value to real estate that would otherwise be undeveloped. There is a benefit for the state, local communities and those that own and develop real estate. Vote 21-0.

Amendment (1124h)

Amend the bill by replacing section 4 with the following:

4 Aquatic Resource Compensatory Mitigation; Effective Date. Amend 2010, 16:10, I to read as follows:

1. Sections 3, 5, and 7 of this act shall take effect July 1, [~~2012~~] **2013**.

Amendment adopted.

Committee report adopted and ordered to third reading.

Rep. Baroody declared a conflict of interest and did not participate.

SPECIAL ORDER

HB 2-FN-A-L, relative to state fees, funds, revenues, and expenditures. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Kenneth L. Weyler for the Majority of Finance: HB 2 is the companion bill to HB 1, the budget bill. By law the budget can only contain the budget numbers and any explanatory text. Law changes needed to enable the revisions are put in HB 2. The bill as filed was the proposal sent to us by the governor. Since we published his proposal as the first draft of HB 1, it needed to be also published as supporting that document. The version before you, as with HB 1, has been extensively amended. It is also an opportunity to include House passed bills which direct the House members of the Finance Committee to follow House direction in setting the spending priorities. We have included four reductions in fees or taxes which were included in House Resolution 11. We also amended the four tax bills that we passed and then tabled, still hoping that if revenue increases, we will adopt them. Some of the amendments direct the departments where to spend the monies that we appropriate, others enable them to take some action. A study by a commission made several recommendations to the Judicial Branch to make it more efficient. That required law changes. The Dept. of Transportation contracts out about 40% of its work in plowing and paving. Some of its other functions could also be contracted out, and some of the changes in HB 2 direct this. The state had some programs for college scholarships. Some of the mechanisms for distribution were relatively inefficient, and the committee felt that scholarships were not a core function of government. So, some of these funds were used elsewhere. Our state university and community college systems had stipends from the state. They could have done more to ask their alums to contribute to their upkeep, or to make their professors teach more hours, but it was easier just to ask the state

for more money. We have made reductions in these stipends, just as we have had to tighten our belt across all functions of our society. We have made changes to the public employees' retirement and medical benefits. Both of these areas had substantial increases for the last several years. The employees have been largely protected from the increases. Changes in HB 2 ask them to increase their share in these areas. This is a reflection of public sentiment that those who supposedly work for them have it much better than those who are paying them. A recent audit of the state police revealed that in a large sample a typical state trooper only spent 7 out of a 40 hour week actually patrolling the highways. This highlights a system that needed more efficiency. Labor Department was removed from general funding. Marine patrol functions were moved to the state police. Some laboratories were combined for efficiency. State supported clinics were reduced from ten to eight. Many of the programs in Health and Human Services saw small reductions with some guidance from the department. Most of these changes were aimed at efficiency rather than reduction of services. Nearly every department of government had some reduction, and in many cases this bill needed to include language enabling the change. HB 2 is over one hundred pages; some of the typical language required is highlighted here. HB 2 and HB 1 cannot exist independently of each other. Together they make the budget for the next biennium, which will last from July 1, 2011 until June 30, 2013. The committee has balanced the budget and made changes to our government that will enable it to operate more efficiently to continue the services that the legislature has deemed appropriate for our citizens. Vote 18-7.

Rep. Robert A. Foose for the Minority of Finance: The minority of the committee cannot support HB 2 as passed. Included in the act are inappropriate changes to labor laws designed to protect collective bargaining relationships that protect public employees, abolishment of the unique program that funds scholarships and endowments of our higher education system and increased rates of contribution to the retirement system for current state employees. The act also includes the repeal or modification of a multitude of important programs, particularly in the health and human services area. The minority urges a vote of ITL.

Majority Amendment (1226h)

This amendment was printed in its entirety in House Record No. 27B, March 25, 2011 and is made part of this Journal by reference.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Campbell offered floor amendment (1238h).

Floor Amendment (1238h)

Amend the bill by inserting after section 464 the following new sections and renumbering the original section 465 to read as 467:

465 State 10-Year Transportation Improvement Plan; Capital Projects Eliminated. The following capital projects contained in the state of New Hampshire 10-year transportation improvement plan 2011-2020, adopted by 2010, 231:1, totaling \$252,000,000, are hereby eliminated due to budget reductions:

I. 2012:

Alton, project number 14121D, NH 28/Stockbridge Corner Rd intersection
Concord, project number 12004, Sewalls Falls Rd Bridge replacement
Durham- Newmarket, project number 13080, NH 108 rehabilitation & shoulders
Milford-Nashua, project number 10136, NH 101A intersection improvements
Nashua, project number 10136 A, NH 101A widening, Celina Ave-Amherst St
Walpole-Charlestown, project number 14747, NH 12 reconstruction

II. 2013:

Haverhill-Bath, project number 10436, US 302 reconstruction
Keene-Swanzey, project number 10309P, NH 9/10/12/101 multi-use trail bridge
Lebanon, project number 10034A, Mechanic Street reconstruction
Milford-Nashua, project number 10136, NH 101A intersection improvements
Plaistow-Kingston, project number 10044G, NH 125 reconstruction
Walpole-Charlestown, project number 14747, NH 12 reconstruction
Wilton-Bedford, project number 13692, NH 101 safety improvements

III. 2014:

Durham, US 4/NH 108 interchange reconfiguration
 Hinsdale-Brattleboro, project number 12210*, NH 119 bridge replacement
 Keene, project number 10309B, Winchester St reconstruction
 *Assume Hinsdale-Brattleboro starts in 2015 (red list bridges)

IV. 2015:

Barnstead-Alton, project number 14121, NH 28 rehabilitation
 Exeter, project number 14090A, Park St. bridge replacement
 Keene, project number 10309B, Winchester St. reconstruction
 Keene-Swanzey, project number 13090L, NH 12/101 interim widening
 Madison-Conway, Conway Bypass (south segment)
 Ossipee, project number 10431, NH 16 rehabilitation at NH 28 intersection
 Ossipee, project number 13910, NH 25/NH 16 intersection improvement

V. 2016:

Jefferson-Randolph, project number 13602B, US 2 reconstruction
 Madison-Conway, Conway Bypass (south segment)
 Salem, project number 12334, NH 28

VI. 2017:

Colebrook, NH 26 bridge rehabilitation over Mohawk River
 Keene-Swanzey, project number 10309J, NH 9/101 'T' int. improvements
 Littleton-Waterford*, I-93 rehabilitation, exit 41-VT (2 red list bridges)
 Madison-Conway – Conway Bypass (south segment)
 Nashua, East Hollis Street reconstruction
 *Assume Littleton-Waterford starts in 2018 (red list bridges)

VII. 2018:

Belmont-Laconia, NH 106 reconstruction south of bypass
 Madison-Conway, Conway Bypass (south segment)
 Nashua, Main Street reconstruction, Hollis St. – Orchar Ave
 Plaistow-Kingston, project number 10044E, NH 125 reconstruction

VIII. 2019:

Dummer-Errrol, NH 16 rehabilitation
 Madison-Conway – Conway Bypass (south segment)
 Plaistow-Kingston, project number 10044E, NH 125 reconstruction

IX. 2020:

Bedford, NH 101 widening from NH 114 to Wallace Rd
 Epping, NH 125 reconstruction from NH 27 to NH 87
 Jaffrey, Main Street roundabout (NH 124/US 202, "dog-leg")
 New London, NH 114, Main Street reconstruction
 Wilton-Bedford, NH 101 improvements

466 State 10-Year Transportation Improvement Plan; Betterment Projects Eliminated. The following betterment projects contained in the state of New Hampshire 10-year transportation improvement plan 2011-2020, adopted 2010, 231:1, are eliminated and the overall betterment projects within the plan, totaling \$135,000,000, are hereby eliminated due to budget reductions:

LaCasse, Paul Sr
 Smith, Steven

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Foose offered floor amendment (1271h).

Floor Amendment (1271h)

Amend the bill by replacing sections 167 through 205 with the following:

167 Retirement System; Employer Contributions; Non-State Employees; State Share Eliminated. Amend RSA 100-A:16, II(b) and (c) to read as follows:

(b) The contributions of each employer for benefits under the retirement system on account of group II members shall consist of a percentage of the earnable compensation of its members to be known as the "normal contribution," and an additional amount to be known as the "accrued liability contribution;" provided that *beginning with state fiscal year 2012 and for each state fiscal year thereafter*, any employer[, other than the state, shall pay 70 percent of such total contributions for state fiscal year 2010, and 30 percent thereof shall be paid by the state for state fiscal year 2010, and that beginning with state fiscal year 2011 any employer, other than the state, shall pay 75 percent of such total contributions, and 25 percent thereof shall be paid by the state, and that beginning with state fiscal year 2012, and every state fiscal year thereafter, any employer, other than the state, shall pay 65 percent of such total contributions, and 35 percent thereof shall be paid by the state; and provided that, in the case of compensation attributable to extra or special duty, the employer] shall pay the full amount of such total contributions[; and provided further that, in case of group II members employed by the state, the state shall pay both normal and accrued liability contributions]. The rate percent of such normal contribution, including contributions on behalf of group II members whose group II creditable service is in excess of 40 years, in each instance shall be fixed on the basis of the liabilities of the system with respect to the particular members of the various member classifications as shown by actuarial valuations, except as provided in subparagraphs (h) and (i).

(c) The contributions of each employer for benefits under the retirement system on account of group I members shall consist of a percentage of the earnable compensation of its members to be known as the "normal contribution," and an additional amount to be known as the "accrued liability contribution;" provided that *beginning with state fiscal year 2012 and for each state fiscal year thereafter*, [in the case of teachers,] any employer[, other than the state, shall pay 70 percent of such total contributions for state fiscal year 2010, and 30 percent thereof shall be paid by the state for state fiscal year 2010, and that beginning with state fiscal year 2011 any employer, other than the state, shall pay 75 percent of such total contributions, and 25 percent thereof shall be paid by the state, and that beginning with state fiscal year 2012, and every state fiscal year thereafter, any employer, other than the state, shall pay 65 percent of such total contributions, and 35 percent thereof shall be paid by the state; and provided further that in case of teacher members employed by the state the state] shall pay both normal and accrued liability contributions. The rate percent of such normal contribution in each instance shall be fixed on the basis of the liabilities of the system with respect to the particular members of the various member classifications as shown by actuarial valuation, except as provided in subparagraphs (h) and (i).

168 Retiree Medical Benefits; Beneficiary Contributions Increased. Amend RSA 100-A:54, III to read as follows:

III. The retirement system shall *either* deduct from the monthly retirement allowance of retired state employees under the age of 65 years receiving medical and surgical benefits provided pursuant to RSA 21-I:30, *or notify the department of administrative services, which shall invoice and collect from the retired state employees*, the premium contribution amounts of ~~[\$65]~~ \$100 per month for each such retiree and ~~[\$65]~~ \$100 per month for each applicable spouse; provided that the charge to each household shall not exceed ~~[\$130]~~ \$200 per month. ~~[Deducted]~~ Amounts *deducted or received upon invoicing*, [which] shall be in addition to and notwithstanding any amounts payable by the retirement system pursuant to RSA 100-A:52, RSA 100-A:52-a, and RSA 100-A:52-b, *and* shall be deposited in the employee and retiree benefit risk management fund. In the event the retiree's monthly allowance is insufficient to cover the certified contribution amount, the retirement system shall so notify the department of administrative services, which shall invoice and collect from the retiree the remaining contribution amount. *For any retired state employee who fails to pay in full within 90 days of receipt of an invoice for such contribution amount, the department of administrative services shall terminate coverage for the retired state employee and notify the retirement system of such termination.*

169 Retirement System; Definition of Earnable Compensation. Amend RSA 100-A:1, XVII to read as follows:

XVII. "Earnable compensation" shall mean:

(a) For [aH] members **who commenced service prior to July 1, 2011** the full base rate of compensation paid plus any overtime pay, holiday and vacation pay, sick pay, longevity or severance pay, cost of living bonus, additional pay for extracurricular and instructional activities or for other extra or special duty, and any military differential pay, plus the fair market value of non-cash compensation paid to, or on behalf of, the member for meals or living quarters if subject to federal income tax, but excluding other compensation except cash incentives paid by an employer to encourage members to retire, supplemental pay paid by the employer while the member is receiving workers' compensation, and teacher development pay that is not part of the contracted annual salary. However, earnable compensation in the final 12 months of creditable service prior to termination of employment shall be limited to 1-1/2 times the higher of the earnable compensation in the 12-month period preceding the final 12 months or the highest compensation year as determined for the purpose of calculating average final compensation, but excluding the final 12 months. Any compensation received in the final 12 months of employment in excess of such limit shall not be subject to member or employer contributions to the retirement system and shall not be considered in the computation of average final compensation. Provided that, the annual compensation limit for members of governmental defined benefit pension plans under section 401(a)(17) of the United States Internal Revenue Code of 1986, as amended, shall apply to earnable compensation for all employees, teachers, permanent firemen, and permanent policemen who first become eligible for membership in the system on or after July 1, 1996. Earnable compensation shall not include compensation in any form paid later than 120 days after the member's termination of employment from a retirement eligible position, with the limited exceptions of disability related severance pay paid to a member or retiree no later than 120 days after a decision by the board of trustees granting the member or retiree disability retirement benefits pursuant to RSA 100-A:6 and of severance pay which a member was entitled to be paid within 120 days after termination but which, without the consent of the member and not through any fault of the member, was paid more than 120 days after the member's termination. The member shall have the burden of proving to the board of trustees that any severance payment paid later than 120 days after the member's termination of employment is earnable compensation and meets the requirements of an asserted exception to the 120-day post-termination payment requirement.

(b) *For members who commenced service on and after July 1, 2011 the full base rate of compensation paid plus any overtime pay, holiday and vacation pay, sick pay, longevity or severance pay, cost of living bonus, additional pay for extracurricular and instructional activities or for other extra or special duty, and any military differential pay, plus the fair market value of non-cash compensation paid to, or on behalf of, the member for meals or living quarters if subject to federal income tax, but excluding other compensation except cash incentives paid by an employer to encourage members to retire, supplemental pay paid by the employer while the member is receiving workers' compensation, and teacher development pay that is not part of the contracted annual salary. However, earnable compensation in the final 12 months of creditable service prior to termination of employment shall exclude accumulated unused holiday pay, vacation pay, and sick pay, and longevity pay and severance pay, and shall be limited to 1-1/2 times the higher of the earnable compensation in the 12-month period preceding the final 12 months or the highest compensation year as determined for the purpose of calculating average final compensation, but excluding the final 12 months. Any compensation received in the final 12 months of employment in excess of such limits shall not be subject to member or employer contributions to the retirement system and shall not be considered in the computation of average final compensation. Provided that, the annual compensation limit for members of governmental defined benefit pension plans under section 401(a)(17) of the United States Internal Revenue Code of 1986, as amended, shall apply to earnable compensation for all employees, teachers, permanent firemen, and permanent policemen who first become eligible for membership in the system on or after July 1, 1996. Earnable compensation shall not include compensation in any form paid later than 120 days after the member's termination of employment from a retirement eligible position, with the limited exception of disability related pay paid to a member or retiree no later than 120 days after a decision by the board of trustees granting the member or retiree disability retirement benefits pursuant to RSA 100-A:6.*

170 Retirement System; Definitions; Average Final Compensation. Amend RSA 100-A:1, XVIII to read as follows:

XVIII. "Average final compensation" shall mean, *for members who commenced service before July 1, 2011*, the average annual earnable compensation of a member during his or her highest 3 years of creditable service, or during all of the years in his or her creditable service if less than 3 years. *For members who commenced service on or after July 1, 2011, "average final compensation" shall mean the average annual earnable compensation of a member during his or her highest 5 years of creditable service, or during all of the years in his or her creditable service if less than 5 years.*

171 Financing; Contribution Rates; Group II Member Payroll Deduction. Amend RSA 100-A:16, I(a) to read as follows:

(a) The member annuity savings fund shall be a fund in which shall be accumulated the contributions deducted from the compensation of members to provide for their member annuities together with any amounts transferred thereto from a similar fund under one or more of the predecessor systems. Such contribution shall be, for each member, dependent upon the member's employment classification at the rate determined in accordance with the following table:

Employees of employers other than the state *hired on or before June 30, 2011*, 5.00

Employees of the state hired on or before June 30, 2009, 5.00

Employees of the state hired after June 30, 2009, 7.00

Teachers *hired on or before June 30, 2011*, 5.00

Permanent Policemen *hired on or before June 30, 2011*, 9.30

Permanent Firemen *hired on or before June 30, 2011*, 9.30

Group I members hired after June 30, 2011, 7.00

Group II members hired after June 30, 2011, 11.30

The board of trustees shall certify to the proper authority or officer responsible for making up the payroll of each employer, and such authority or officer shall cause to be deducted from the compensation of each member, except group II members with creditable service in excess of 40 years, as provided in RSA 100-A:5, II(b) and RSA 100-A:6, II(b), on each and every payroll of such employer for each and every payroll period, the percentage of earnable compensation applicable to such member. No deduction from earnable compensation under this paragraph shall apply to any group II member with creditable service in excess of 40 years, as provided in RSA 100-A:5, II(b) and RSA 100-A:6, II(b), and this provision for such members shall not affect the method of determining average final compensation as provided in RSA 100-A:1, XVIII. In determining the amount earnable by a member in a payroll period, the board may consider the rate of compensation payable to such member on the first day of a payroll period as continuing throughout the payroll period and it may omit deduction from compensation for any period less than a full payroll period if such person was not a member on the first day of the payroll period, and to facilitate the making of deductions it may modify the deduction required of any member by such an amount as shall not exceed 1/10 of one percent of the annual earnable compensation upon the basis of which such deduction is made. The amounts deducted shall be reported to the board of trustees. Each of such amounts, when deducted, shall be paid to the retirement system at such times as may be designated by the board of trustees and credited to the individual account, in the member annuity savings fund, of the member from whose compensation the deduction was made.

172 State Employees; Group Insurance Benefits; Group II. Amend RSA 21-I:30, III to read as follows:

III. Any vested deferred state retiree may receive medical and surgical benefits under this section if the vested deferred state retiree is eligible. To be eligible, a group I vested deferred state retiree shall have at least 10 years of creditable service with the state if the employee's service began prior to July 1, 2003 or 20 years of creditable service with the state if the employee's service began on or after July 1, 2003 and a group II vested deferred state retiree shall have at least 20 years of creditable service with the state if the employee's service with the state began on or after July 1, 2010. In addition, if the vested deferred state retiree is a member of group I, such retiree shall be at least 60 years of age to be eligible. If the vested deferred state retiree is a member of group II *who commenced service before July 1, 2011*, such retiree shall not be eligible until 20 years from the date of becoming a member of group II and shall be at least 45 years of age, *and any group II member who commenced service on or after July 1, 2011 shall not be eligible until 25 years from the date of becoming a member of group II and shall be at least 50 years of age.*

173 Service Retirement; Group II. Amend RSA 100-A:5 to read as follows:

100-A:5 Service Retirement Benefits.

I. Group I Members.

(a) Any group I member, **who** may retire on a service retirement allowance upon written application to the board of trustees setting forth at what time, not less than 30 days nor more than 90 days subsequent to the filing thereof, the member desires to be retired, provided the member at the time so specified for retirement has attained age 60 **if the member commenced service before July 1, 2011 or age 65 if the member commenced service on or after July 1, 2011**, and notwithstanding that during such period of notification the member may have separated from service. For the purposes of this section, a teacher member of group I who remains in service throughout a school year shall be deemed to be in service during July and August at the end of such school year.

(b) Upon service retirement, an employee member or teacher member of group I shall receive a service retirement allowance which shall consist of a member annuity which shall be the actuarial equivalent of the member's accumulated contributions at the time of retirement, and a state annuity. Prior to the member's attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/60 of the member's average final compensation multiplied by the number of years of creditable service. After attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/66 of the member's average final compensation multiplied by the number of years of creditable service.

(c) Notwithstanding any other provision of law, any group I member who meets the requirements of RSA 100-A:10, I(a), and who has either completed at least 20 years of creditable service which, when combined with his age equals at least 70 years, or who has attained the age of 50, but not the age of 60 **if the member commenced service before July 1, 2011 or the age of 65 if the member commenced service on or after July 1, 2011**, may elect to retire and have benefits commence immediately as a reduced service retirement allowance upon written application to the board of trustees setting forth the time, not less than 30 days nor more than 90 days subsequent to the filing thereof, at which the member desires to have benefits commence. The service retirement allowance shall be determined in accordance with RSA 100-A:5, I(b) and shall be reduced, for each month by which the date on which benefits commence precedes the month after which the member attains 60 years of age **if the member commenced service before July 1, 2011 or 65 years of age if the member commenced service on or after July 1, 2011**, by 1/8 of one percent if the member has 35 years or more of creditable service, by 1/4 of one percent if the member has 30 years but less than 35 years of creditable service, by 1/3 of one percent if the member has at least 25 years but less than 30 years of creditable service, by 5/12 of one percent if the member has at least 20 years but less than 25 years of creditable service, and by 5/9 of one percent if the member has less than 20 years of creditable service.

(d) [Repealed.]

II. Group II Members.

(a) Any group II member in service, **who commenced service before July 1, 2011**, who has attained age 45 and completed 20 years of creditable service, or who has attained age 60 regardless of the number of years of creditable service, **and a group II member who commenced service on or after July 1, 2011, who has attained age 50 and completed 25 years of creditable service, or who has attained age 65 regardless of the number of years of creditable service**, may retire on a service retirement allowance upon written application to the board of trustees setting forth at what time not less than 30 days nor more than 90 days subsequent to the filing thereof the member desires to be retired, notwithstanding that during such period of notification the member may have separated from service.

(b) Upon service retirement, a group II member shall receive a service retirement allowance which shall consist of:

(1) A member annuity which shall be the actuarial equivalent of his **or her** accumulated contributions at the time of retirement; and

(2) A state annuity which, together with his **or her** member annuity, shall be equal to 2-1/2 percent of his **or her** average final compensation multiplied by the number of years of his **or her** creditable service not in excess of 40 years.

(c)(1) Notwithstanding any provision of RSA 100-A to the contrary, any group II member who **commenced service before July 1, 2011 and** has retired on or after the effective date of this subparagraph after attaining the age of 45 with at least 20 years of creditable service, **and any group II member who commenced service on or after July 1, 2011 and has retired on or after the effective date of this subparagraph after attaining the age of 50 with at least 25 years of creditable service**,

shall receive a minimum annual service retirement allowance of \$10,000. If such group II member has elected to convert the retirement allowance into an optional allowance for the surviving spouse under RSA 100-A:13, the surviving spouse shall be entitled to a proportional share of the \$10,000.

(2) [Repealed.]

(3) [Repealed.]

174 Disability Retirement; Group I Age Increased. Amend RSA 100-A:6, I(b) to read as follows:

(b)(1) Upon ordinary disability retirement, the group I member who has attained age 60 ***if the member commenced service before July 1, 2011 or the age of 65 if the member commenced service on or after July 1, 2011*** shall receive an ordinary disability retirement allowance which shall consist of a member annuity and shall be the actuarial equivalent of the member's accumulated contributions at the time of his ordinary disability retirement, and a state annuity as follows:

(A) Prior to the member's attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/60 of the member's average final compensation at the time of his ordinary disability retirement multiplied by the number of years of creditable service at the time of his ordinary disability retirement;

(B) After attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/66 of the member's average final compensation at the time of his ordinary disability retirement multiplied by the number of years of creditable service at the time of his ordinary disability retirement;

(C) Regardless of age at disability, the ordinary disability retirement allowance shall not be less than 25 percent of the member's average final compensation at the time of his ***or her*** disability retirement.

(2) Upon ordinary disability retirement, the group I member who has not attained age 60 ***if the member commenced service before July 1, 2011 or the age of 65 if the member commenced service on or after July 1, 2011*** shall receive an ordinary disability retirement allowance which shall consist of: a member annuity which shall be the actuarial equivalent of the member's accumulated contributions at the time of his ordinary disability retirement; and a state annuity which, together with the member annuity, shall be equal to 1.5 percent of the member's average final compensation at the time of his ordinary disability retirement multiplied by the number of years of creditable service at that time of his ordinary disability retirement. However, regardless of age at disability, the ordinary disability retirement allowance shall not be less than 25 percent of the member's average final compensation at the time of his ***or her*** disability retirement.

175 Accidental Disability Retirement; Group I. Amend RSA 100-A:6, I(d) to read as follows:

(d)(1) Upon accidental disability retirement, the group I member who has attained age 60 ***if the member commenced service before July 1, 2011 or the age of 65 if the member commenced service on or after July 1, 2011*** shall receive an accidental disability retirement allowance which shall consist of a member annuity and shall be the actuarial equivalent of the member's accumulated contributions at the time of his accidental disability retirement, and a state annuity as follows:

(A) Prior to the member's attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/60 of the member's average final compensation at the time of his accidental disability retirement multiplied by the number of years of creditable service at the time of his accidental disability retirement;

(B) After attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/66 of the member's average final compensation at the time of his accidental disability retirement multiplied by the number of years of creditable service at the time of his accidental disability retirement;

(C) Regardless of age at disability, such allowance shall not be less than 50 percent of the member's average final compensation at the time of his accidental disability retirement.

(2) Upon accidental disability retirement, the group I member who has not attained age 60 ***if the member commenced service before July 1, 2011 or the age of 65 if the member commenced service on or after July 1, 2011*** shall receive an accidental disability retirement allowance which shall consist of: the member annuity which shall be the actuarial equivalent of the member's accumulated contributions at the time of his accidental disability retirement; and a state annuity which, together with the member annuity, shall be equal to 50 percent of the member's average final compensation at the time of his disability retirement.

176 Vested Deferred; Group II Age Increased. Amend RSA 100-A:10, II(b) to read as follows:

(b) *For members who commenced service before July 1, 2011*, upon the member's attainment of age 45, provided the member would then have completed 20 years of creditable service, otherwise the subsequent date on which such 20 years would have been completed, *or for members who commenced service after June 30, 2011, upon the member's attainment of age 50, provided the member would then have completed 25 years of creditable service, otherwise the subsequent date on which such 25 years would have been completed*, or at any time after age 60, a group II member who meets the requirement of subparagraph (a) may make application on a form prescribed by the board of trustees and receive a vested deferred retirement allowance which shall consist of: (1) A member annuity which shall be the actuarial equivalent of accumulated contributions on the date the member's retirement allowance commences; and (2) A state annuity which, together with the member annuity, shall be equal to a service retirement allowance based on the member's average final compensation and creditable service at the time the member's service is terminated.

177 Return of Contributions. Amend RSA 100-A:11, I(c) to read as follows:

(c) Upon the death of a group I member who has elected, pursuant to RSA 100-A:10, to receive a vested deferred retirement allowance before his *or her* attainment of age 60 *if the member commenced service before July 1, 2011 or the age of 65 if the member commenced service on or after July 1, 2011*, the amount of his accumulated contributions at the time of his *or her* death shall be paid to the person or persons, if any, nominated by ~~[him]~~ *the member*, if living, otherwise to the member's estate.

178 Split Benefits; Minimum Age. Amend RSA 100-A:19-b to read as follows:

100-A:19-b Minimum Age. For the purposes of this subdivision only, minimum age shall mean:

I. For a member who has completed less than 20 years combined creditable service in both group I and group II, 60 years *if the member commenced service before July 1, 2011 or 65 years if the member commenced service or after July 1, 2011*.

II. For a member *who commenced service before July 1, 2011 and*, who has completed 20 or more years of combined creditable service, one year shall be deducted from age 60 for each year of creditable group II service, provided that the age shall not be less than 45 years. *For a member who commenced service on or after July 1, 2011 and, who has completed 25 or more years of combined creditable service, one year shall be deducted from age 65 for each year of creditable group II service, provided that the age shall not be less than 50 years.*

179 Split Benefits; Reduced Early Retirement; Minimum Age. Amend RSA 100-A:19-d to read as follows:

100-A:19-d Reduced Early Retirement. Notwithstanding any other provision of law, any retirement system member who has creditable service in both group I and group II with at least 10 years combined creditable service, and who has attained an age which is at least 45 *for members who commenced group II service prior to July 1, 2011 or at least 50 for members who commenced group II service on or after July 1, 2011* and is within 10 years of the minimum age set forth in RSA 100-A:19-b, may elect to retire and have benefits commence immediately as a reduced split-benefit service retirement allowance. Application shall be as provided in RSA 100-A:5, I(c). The allowance shall be determined as a split-benefit service retirement allowance in accordance with RSA 100-A:19-c, and the total combined split-benefit service allowance shall be reduced by the percentages shown in RSA 100-A:5, I(c), based on the total combined length of creditable service, for each month by which the date on which benefits commence precedes the month after which the member attains the minimum age set forth in RSA 100-A:19-b.

180 State Employees; Retirement. Amend RSA 21-I:30, II(a) to read as follows:

(a) Has at least 10 years of creditable service for the state if the employee's service began prior to July 1, 2003 or 20 years of creditable service if the employee's service began on or after July 1, 2003, and who also is at least 60 years of age at the time of retirement *if the employee commenced service before July 1, 2011 or at least 65 years of age at the time of retirement if the employee commenced services on or after July 1, 2011*; or
Amend section 465 of the bill by deleting paragraph VII

AMENDED ANALYSIS

64. Makes various changes to the state retirement system for beginning July 1, 2011, including:

(a) Increasing retirement ages of group I and group II members for service retirement, disability retirement, vested deferred retirement, and split benefits.

(b) Changing the definitions of earnable compensation and average final compensation used in calculating retirement benefits.

(c) Increasing certain group I and group II retirement system member contribution rates.

(d) Eliminating the state share of retirement system employer contributions for group I and group II members not employed by the state.

(e) Increasing the monthly contribution for medical benefits paid by retired state employees under age 65.

Rep. Pierce spoke in favor and yielded to questions.

Rep. Hawkins spoke against.

Rep. Brunelle requested a roll call; sufficiently seconded.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Rosenwald offered floor amendment (1273h).

Floor Amendment (1273h)

Amend the bill by replacing sections 36-41 with the following:

34 Uncompensated Care Fund. Amend RSA 167:64, I to read as follows:

I. There is hereby established in the state treasury an uncompensated care fund which shall consist of the moneys collected pursuant to RSA 84-A. Investment earnings of the fund shall be credited to the fund. Moneys paid into the fund shall be exempt from any state budget reductions, and the commissioner is authorized to expend these funds, together with matching federal funds, as follows:

(a) No less than ~~[50]~~ **40** percent of the moneys paid into the fund shall be utilized to support uncompensated care in hospitals in accordance with rules adopted by the commissioner, pursuant to RSA 541-A.

(b) The commissioner is hereby authorized and directed to develop and implement, *in connection with the payment by the state to hospitals for reimbursement of uncompensated care costs for state fiscal year 2012 and thereafter*, a schedule of payments for reimbursement of the uncompensated care costs of those hospitals that are subject to the tax liability imposed under RSA 84-A and that participate in the state Medicaid program. *The reimbursement of uncompensated care costs paid in state fiscal year 2012 and each year thereafter shall be in accordance with the* schedule of payments to hospitals ~~[shall]~~ **that** take effect on ~~[January]~~ **or before July 1, 2011**, subject to the prior review and approval of ~~[the fiscal committee of the general court and]~~ the federal Centers for Medicare and Medicaid Services, and shall be structured in a manner that ~~[-(i) reduces to the greatest extent practicable the disproportionate impact among hospitals of uncompensated care costs; (ii)~~

permits maximum available federal financial participation for these payments in accordance with Title XIX of the Social Security Act; and (iii) is consistent with all federal laws and regulations governing Title XIX disproportionate share hospital payment adjustments and permissible sources of state financial participation as provided for under 42 C.F.R. part 433 **and all other applicable federal regulations.**

(c) For purposes of this section, uncompensated care costs shall include: charity care costs, any portion of Medicaid patient care costs that are unreimbursed by Medicaid payments, and any portion of bad debt costs that the commissioner determines would meet the criteria under 42 U.S.C. section 1396r-4(g) governing hospital-specific limits on disproportionate share hospital payments under Title XIX of the Social Security Act.

(d) The commissioner may provide reimbursement for uncompensated care costs in accordance with the approved schedule of payments through either Medicaid fee for service rate adjustments or disproportionate share hospital payment adjustments, or a combination thereof. Funds available under this section shall be [first] allocated [to ensure that critical access hospitals and rehabilitation hospitals receive reimbursement for reported uncompensated care costs at the rate of 100 percent of the individual hospital limit for disproportionate share payments] as determined by the commissioner consistent with the provisions of 42 U.S.C. section 1396r-4(g). [Non-critical access hospitals shall receive reimbursement at the highest uniform percentage of each hospital limit as the funds made available under this section permit.] The commissioner may create additional categories of need and make further reasonable distinctions among hospitals when determining the methodology for payments under this section, as necessary, to ensure that no hospital is unduly burdened by the fiscal effect of uncompensated care costs.

(e) One percent of the payments made from the class lines in the budget of the office of the commissioner, department of health and human services, entitled "hospital disproportionate share," "New Hampshire hospital disproportionate share," and "hospital uncompensated care pool" shall be placed in a separate class line reserved for the expenses of the department in administering this subdivision.

(f) For fiscal year 2012 and every fiscal year thereafter, 10 percent of the revenue collected under RSA 84-A shall be made available to the department of health and human services to support medical provider payments and shall not be paid into the general fund.

35 Uncompensated Care Fund; Duties of the Commissioner. Amend RSA 167:65, II and III to read as follows:

II. Seek input from the [chairman of the] senate health and human services committee, the [chairman of the] house health, human services and elderly affairs committee, the [chairmen of the] house and senate finance committees, the insurance department, and [representatives of] from the hospitals currently participating in the uncompensated care program [in developing] **during the development of** the uncompensated care payment system required under paragraph I, and present a report [detailing all the options and making recommendations] **describing the proposed payment system** to the oversight committee on health and human services, established under RSA 126-A:13, [not later than January 1, 2010] **prior to the payments being made.**

III. Submit the Medicaid state plan amendment and an estimate of the fiscal impact of such plan amendment to the fiscal committee of the general court for its review [and approval] prior to submission of the plan amendment to the federal Centers for Medicare and Medicaid Services and implementation of the plan.

AMENDED ANALYSIS

28. Clarifies the allocation and use of the moneys in the uncompensated care fund.
Reps. Kappler and Kurk spoke against.
Rep. Rosenwald spoke in favor and requested a roll call; sufficiently seconded.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Foose offered floor amendment (1277h).

Floor Amendment (1277h)

Amend the bill by replacing section 119 with the following:

119 College Tuition Savings Plan. For the biennium ending June 30, 2013, administrative fees less any administrative costs that are generated from the New Hampshire college tuition savings plan shall be allocated in the following manner: 70 percent of such total fees shall be paid prior to the end of the state fiscal year to the university system of New Hampshire and 30 percent of such total fees shall be paid prior to the end of the state fiscal year to the community college system of New Hampshire.

Amend the bill by replacing section 121 with the following:

121 Repeals. The following are repealed:

I. RSA 6:12, I(b)(140), relative to moneys deposited in the forgivable loan fund and the loan repayment fund in the workforce incentive program under RSA 188-D:18-f through RSA 188-D:18-h.

II. RSA 6:12, I(b)(241), relative to moneys deposited by the postsecondary education commission in the essential functions fund established under RSA 188-D:8, IX.

III. RSA 6:12, I(b)(243), relative to moneys used for the New Hampshire incentive program established in RSA 188-D:10.

IV. RSA 6:12, I(b)(244), relative to moneys used for the leveraged incentive grant program established in RSA 188-D:33.

V. RSA 6:12, I(b)(245), relative to moneys used for the granite state scholars program established in RSA 188-D:36.

VI. RSA 6:12, I(b)(247), relative to moneys used for the veterinary/medical/optometric education program established in RSA 200-J.

VII. RSA 6:12, I(b)(270), relative to the large animal veterinarian net tuition repayment fund established in RSA 200-J:7.

VIII. RSA 6:12-d, II(k), relative to the surety indemnification accounts of the postsecondary education commission.

IX. RSA 188-D, relative to the postsecondary education commission.

X. RSA 200-J, relative to the veterinary/medical/optometric education program.

AMENDED ANALYSIS

55. For the biennium ending June 30, 2013, transfers the balance of the New Hampshire excellence in higher education endowment trust fund in part to the university system of New Hampshire and in part to the community college system of New Hampshire.

Rep. Foose spoke in favor and requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

Rep. Tholl declared a conflict of interest and did not participate.

Rep. Antosz did not vote and notified the Clerk that he wished to be recorded in favor.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Jasper moved that the House reconsider its action whereby, on a roll call vote of 222-119, it adopted the majority committee report of Ought to Pass with Amendment on **HB 2-FN-A-L**, relative to state fees, funds, revenues, and expenditures.

Rep. Jasper spoke against.

On a division vote, 96 members having voted in the affirmative and 241 in the negative, the motion failed.

Rep. Tholl declared a conflict of interest and did not participate.

MOTION TO PRINT DEBATE

Rep. Patrick Garrity moved that the debate on **HB 2-FN-A-L**, relative to state fees, funds, revenues, and expenditures, be printed in the Permanent Journal.

On a division vote, 101 members having voted in the affirmative and 237 in the negative, the motion failed.

RESOLUTION

Rep. Bettencourt offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, March 31, 2011 at 9:00 a.m.

Adopted.

LATE SESSION**Third reading and final passage**

SB 112, relative to the membership on the advanced manufacturing education advisory council.

SB 127-FN, relative to the city of Manchester's contributory retirement system.

HB 131, relative to indemnification of volunteers performing duties in the state park system.

SB 15, relative to the duties of tax collectors and clerks.

SB 16, relative to amendments to warrant articles.

SB 174, relative to the Concord regional solid waste/resource recovery cooperative.

HB 590, expressing the position of the New Hampshire general court that the offering and acceptance of federal grants-in-aid relating to matters not included among the defined powers of the federal government is unconstitutional under the state and federal Constitutions and establishing a committee to review state participation in federal grant-in-aid programs.

HCR 19, affirming States' powers based on the Constitution for the United States and the Constitution of New Hampshire.

HB 375, relative to immunity for school personnel using reasonable force to protect a minor for special purposes or pupil.

HB 160, relative to the powers of the joint committee on legislative facilities.

HB 438-FN-A, relative to funding of the Claremont, Colebrook, Milford, Keene, and Plaistow District Courts.

HB 479-FN, relative to receivership of nursing homes and other residential health care facilities.

HB 490-FN, adopting the interstate compact for juveniles.

HB 519-FN, repealing New Hampshire's regional greenhouse gas initiative cap and trade program for controlling carbon dioxide emissions.

HB 635-FN-A, requiring the governor to consolidate certain agency functions and making an appropriation therefor.

HCR 6, requiring the Congress of the United States of America to reaffirm its adherence to the Constitution of the United States regarding international agreements and treaties.

HB 651, allowing the sale and possession of monk parakeets.

CACR 6, relating to taxation. Providing that a 3/5 vote is required to pass legislation imposing new or increased taxes or license fees, or to authorize the issuance of state bonds and providing that the general court shall appropriate funds for payment of interest and installments of principle of all state bonds.

HB 25-FN-A, making appropriations for capital improvements.

HB 648, relative to eminent domain petitions by public utilities.

HB 580-FN-L, relative to the New Hampshire retirement system, and relative to continuation of provisions of a collective bargaining agreement following the end of the term of the agreement.

HB 468-FN, relative to assessments for aquatic resource compensatory mitigation.

HB 2-FN-A-L, relative to state fees, funds, revenues, and expenditures.

RECESS MOTION

Rep. Jasper moved that the House stand in recess for the purposes of the introduction of bills, receiving Senate messages, enrolled bill amendments and enrolled bill reports.
Adopted.

The House recessed at 7:15 p.m.

RECESS

(Speaker O'Brien in the Chair)

Rep. Bates moved that the House adjourn.
Adopted.

HOUSE JOURNAL No. 14

Thursday, March 31, 2011

The House assembled at 9:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Roger Boucher.

Today, Lord, we tackle again the tough and rough decisions that must provide security, preserve liberty and continue to build a responsible foundation for the common good. Give us the energy we need to be open to see each issue wisely and to exercise courage according to Your measure. The larger picture is far more important than we can normally envision and the good order persons seek for themselves is never separated from the good order of the body politic. Help us keep the balance. Again we ask for Your intercession for peacekeepers in uniform. We wish them out of harm's way and back to our beautiful state. In addition, we pray for the safety and health of the members of this chamber and their families. Help us to see, Lord, that what we do today is so important that it should stand the test of years. Give us courage in a climate of growing disorder to aim for spiritual and social harmony and give us wisdom and insight to see the ultimate good in what we do for those we represent. We ask this in Your Holy name. Amen.

Representative Laurie Sanborn, member from Henniker, led the Pledge of Allegiance.

The National Anthem was sung by Nick DeFrancesco, an All-State vocalist from Londonderry High School.

LEAVES OF ABSENCE

Reps. Ronald Belanger, Dowling, Hawkes, Karen Hutchinson, Kingsbury, Pepino, Kris Roberts, Sapienza and Stroud, the day, illness.

Reps. Beattie, Brosseau, Coughlin, DeJong, Dwinell, Flanders, Thomas Keane, Larsen, Leonard, Parison, Peckham and Simpson, the day, important business.

INTRODUCTION OF GUESTS

Anthony DeFrancesco, father of the singer, guest of the Auburn and Londonderry delegation. Jeff Thibodeau, Cynthia and Phil Howard, guests of Rep. LaCasse. Jean Townsend, wife of Rep. Townsend.

Katelyn Gagnon and Alexander Palermo, students at Franklin High School, Pages for the day.

MOTION TO VACATE

Rep. Renzullo moved that the House vacate the reference of **SB 27**, relative to speed limitations for boats, to the Committee on Resources, Recreation and Development.

Adopted.

The Speaker referred **SB 27** to the Committee on Transportation.

REGULAR CALENDAR (CONT'D)

HB 1-A, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2012 and June 30, 2013. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Kenneth L. Weyler for the Majority of Finance: The last election saw people energized like never before. The message most of us received was that government had gotten too big, too controlling and too expensive. Our mandate was to balance the budget without new taxes, cut the size of government and stop letting the public employees continue to get increases in pay and benefits while the general public was suffering from layoffs and reduced earnings. The House is by constitution the place where the budget must begin. We accept a proposal by the governor as a starting point. Due to time constraints it was published as the first draft of **HB 1** and similarly the governor's proposal for the accompanying legislation as **HB 2**. There were many criticisms of the governor's proposal, but we knew from last year's experience that we had too much government for the revenue we had. Last session we had to pass a supplementary budget bill due to revenue shortfalls. That problem looks to continue into the future. Nevertheless, the governor's proposal contained unrealistic

revenue projections. In round numbers this was our challenge: the governor proposed a budget that showed 290 million more for the biennium than our Ways and Means Committee believed. One of our colleagues on that committee has been more accurate than the governor for the last ten years. We support his numbers. The next challenge was to avoid downshifting to the cities and towns any more than the previous budget had done. The governor proposed reducing the catastrophic aid for special education from 23 million a year to 7 million, the school building aid from 46 million to 20 million in 2012 and then to full funding in 2013. One of the biggest downshifts was to eliminate the state's share of municipal employees' retirement contribution from 47 million in 2011 to zero for both 2012 and 2013. These downshifts involved about 154 million for the biennium. When added to the difference in revenue estimates, our challenge was about 444 million. Yes, we had to make some cuts and just like the previous budgets when the Republicans were in the majority, the opposition was in full media mode with their usual outlets. It is unfortunate that state employees and state contractors use our most vulnerable citizens as pawns. They are all put in full fear mode that they will lose services. These rumors are always self-serving by the previously mentioned groups, who are more worried about their positions than about any clients. But it is sometimes effective when you hear from these fearful constituents and believe that we on the committee are unaware of their concerns. The services have always been maintained, but the efficiencies affect the employees and the contractors more than the clients. We have funded catastrophic aid at the 2011 level for the next two years, 23 million each year. We have funded school building aid at the 2011 level, 46 million each for 2012 and 2013. The biggest challenge was the almost 47 million each year for municipal retirement contributions. The governor had zeroed it out. We decided that the employees could share in this burden by increasing their contributions by 2% for teachers, 2.25% for police, and 2.5% for fire fighters. These modest increases still leave the employers making far higher contributions than the employee, in the case of firefighters by a factor of more than two. The three divisions went into a great amount of detail for each agency budget they reviewed. We needed to find new ways to solve problems. We do not need a public relations person in every agency. The commissioner should be the one who speaks for that agency. If our benefits package has grown too generous for our employees, they will find themselves underbid by contractors who may pay similar wages, but have benefits more in line with the national average than the very high standard that the state pays. Our health care costs can be reduced by managed care, where a patient is closely followed and evaluated and recommendations in preventive care are made, rather than have the patient waiting until a crisis occurs and then having very expensive care provided. Most people are pleased to have someone monitoring their care. We have reduced some college scholarship funds that we deem are not a core function of state government. Colleges have increased their tuition far faster than inflation. Perhaps government aid has gone into pay raises rather than student help. Please support the Finance Committee for HB 1. The budget is balanced with realistic revenues, downshifting to towns and cities have been minimized and the delivery of core services has been maintained. Vote 18-7.

Rep. Robert A. Foose for the Minority of Finance: The minority of the Finance Committee cannot support HB 1 as presented because the level and breadth of the cuts will threaten essential programs and services unnecessarily. If the Finance Committee had considered a responsible revenue estimate for the next two years, the minority believes that at least \$200 million of the cuts could be restored. Further, the minority believes that adjustments proposed to avoid paying hospitals over \$116 million of disproportionate share support is essentially a new and inappropriate business tax. Finally, the minority believes that the proposed increase in retirement contributions is essentially an income tax for almost all of our public employees. We propose ITL.

Majority Amendment (1172h)

This amendment was printed in its entirety in House Record No. 27A, March 25, 2011 and is made part of this Journal by reference.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Almy offered floor amendment (1250h).

Floor Amendment (1250h)

Amend the bill by replacing section 24 with the following:

24 Estimates of Unrestricted Revenue.

GENERAL FUND	<u>FY 2012</u>	<u>FY 2013</u>
BUSINESS PROFITS TAX	\$267,550,000	\$292,220,000
BUSINESS ENTERPRISE TAX	<u>66,270,000</u>	<u>72,380,000</u>
SUBTOTAL BUSINESS TAXES	333,820,000	364,600,000
MEALS AND ROOMS TAX	231,060,000	245,970,000

and floor amendment (1237h) failed.

Rep. Hinch did not vote and notified the Clerk that he wished to be recorded against.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.
Rep. Benn offered floor amendment (1246h).

Floor Amendment (1246h)

Amend the bill by inserting after section 22 the following new section and renumbering the remaining sections:

23 Department of Resources and Economic Development; Innovative Research Center; Additional Appropriation. In addition to any other sums appropriated to the department of resources and economic development, the sum of \$385,000 in fiscal year 2012 and the sum of \$385,000 in fiscal year 2013 are hereby appropriated to department of resources and economic development for the purpose of restoring funding to the innovative research center (accounting unit 03-35-35-350510-3615). The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

Rep. Weed spoke in favor and requested a roll call; sufficiently seconded.

(Speaker O'Brien in the Chair)

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Benn offered floor amendment (1249h).

Floor Amendment (1249h)

Amend the bill by inserting after section 22 the following new sections and renumbering the remaining sections:

23 Department of Agriculture, Markets, and Food; Weights and Measures; Additional Appropriation. In addition to any other sums appropriated to the department of agriculture, markets, and food, the sum of \$189,949 in fiscal year 2012 and the sum of \$194,390 in fiscal year 2013 are hereby appropriated to department of agriculture, markets and food, division of weights and measures (accounting unit 02-18-18-180010-2133) for the purpose of restoring 3 positions within the division of weights and measures. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

24 Department of Justice; Consumer Protection; Additional Appropriation. In addition to any other sums appropriated to the department of justice, the sum of \$180,162 in fiscal year 2012 and the sum of \$239,783 in fiscal year 2013 are hereby appropriated to department of justice for the purpose of consumer protection (accounting unit 02-20-20-200510-2611). The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

Reps. Benn and Gary Richardson spoke in favor.

Rep. Benn requested a roll call; sufficiently seconded.

and floor amendment (1249h) failed.

Rep. Chip Rice declared a conflict of interest and did not participate.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.
Rep. Foosse offered floor amendment (1253h).

Floor Amendment (1253h)

Amend the bill by replacing section 19 with the following:

19 Department of Safety; Additional General Fund Appropriations. In addition to any other sums appropriated to the department of safety, the sums of \$714,710 in the fiscal year ending June 30, 2012 and \$709,806 in the fiscal year ending June 30, 2013 are hereby appropriated to the department of safety, division of state police in accounting unit 02-23-23-2340-5412 (Detective Bureau), for the purpose of funding the salary and benefit class lines associated with 7 positions. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.
Rep. Lerandeau spoke in favor and requested a roll call; sufficiently seconded.

and floor amendment (1253h) failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.
Rep. Nordgren offered floor amendment (1254h).

Floor Amendment (1254h)

Amend the bill by inserting after section 22 the following new section and renumbering the remaining sections:

23 Department of Health and Human Services; Domestic Violence Program; Additional Appropriation. In addition to any other sums appropriated in section 1 of this act, the sum of \$150,000 for the fiscal year ending June 30, 2012, and the sum of \$150,000 for the fiscal year ending June 30, 2013, are hereby appropriated to the department of health and human services in account 05-95-40-403010-6040, class 073 Grants-Non Federal, for the purpose of funding domestic violence programs. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

Rep. Shurtleff spoke in favor, yielded to questions and requested a roll call; sufficiently seconded.

and floor amendment (1255h) failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Nordgren offered floor amendment (1256h).

Floor Amendment (1256h)

Amend the bill by inserting after section 22 the following new section and renumbering the remaining sections:

23 Department of Health and Human Services; Additional Appropriations. In addition to any other sums appropriated to the department of health and human services in section 1 of this act:

I. The sum of \$7,355,037 for the fiscal year ending June 30, 2012, and the sum of \$7,401,551 for the fiscal year ending June 30, 2013, are hereby appropriated to the department of health and human services, in account 05-95-93-930010-7100, class 557 Medicaid Waiver Services, for the purpose of providing developmental services. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

II. The sum of \$835,448 for the fiscal year ending June 30, 2012, and the sum of \$855,529 for the fiscal year ending June 30, 2013, are hereby appropriated to the department of health and human services in account 05-95-93-930010-7016, class 557 Medicaid Waiver Services for the purpose of providing acquired brain disorder services. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

III. The sum of \$1,772,650 for the fiscal year ending June 30, 2012, and the sum of \$1,810,426 for the fiscal year ending June 30, 2013, are hereby appropriated to the department of health and human services in account 05-95-93-930010-7013, class 102 Contracts for program services for the purpose of providing family support services. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

Rep. Sandra Keans spoke in favor and requested a roll call; sufficiently seconded.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.

APPEAL OF THE RULING OF THE CHAIR

Rep. Gary Richardson appealed the ruling of the Chair whereby the Chair declared that the Gallery will remain closed for the remainder of the day.

The question being shall the ruling of the Chair be upheld?

Rep. Bettencourt moved the previous question.

The question being shall debate now be limited?

Rep. Norelli requested a roll call; sufficiently seconded.

REGULAR CALENDAR – HB 1-A (CONT'D)

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Nordgren offered floor amendment (1257h).

Floor Amendment (1257h)

Amend the bill by inserting after section 22 the following new section and renumbering the remaining sections:

23 Department of Health and Human Services; Community Mental Health Services; Additional Appropriation. In addition to any other sums appropriated in section 1 of this act, the sum of \$12,647,000 for the fiscal year ending June 30, 2012, and \$12,517,000 for the fiscal year ending June 30, 2013, are hereby appropriated to the department of health and human services in account 05-95-92-920010-7010, class 502 Payments to Providers for the purposes of community mental health services for children and adults. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

Rep. MacKay spoke in favor and requested a roll call; sufficiently seconded.

and floor amendment (1258h) failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Foose offered floor amendment (1261h).

Floor Amendment (1261h)

Amend the bill by inserting after section 22 the following new sections and renumbering the remaining sections:

23 Community College System; Additional Appropriation. In addition to any other sums appropriated to the community college system of New Hampshire, the sum of \$6,000,000 in each fiscal year of the biennium ending June 30, 2013 is hereby appropriated to the community college system of New Hampshire. The governor shall draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

24 University System of New Hampshire; Additional Appropriation. In addition to any other sums appropriated to the university system of New Hampshire, the sum of \$25,000,000 in each fiscal year of the biennium ending June 30, 2013 is hereby appropriated to the university system of New Hampshire, accounting unit 06-50-50-5060-1855 (University System of NH). The governor shall draw a warrant for said sums from any money in the treasury not otherwise appropriated. Rep. Foose spoke in favor and requested a roll call; sufficiently seconded.

and floor amendment (1261h) failed.

Rep. Terrio declared a conflict of interest and did not participate.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.
Rep. Emerson offered floor amendment (1306h).

Floor Amendment (1306h)

1 Children in Need of Services; Appropriation. In addition to any other sums appropriated in section 1 of this act, the sum of \$5,836,030 for the fiscal year ending June 30, 2012, and the sum of \$8,016,332 for the fiscal year ending June 30, 2013 are hereby appropriated to the department of health and human services in account 05-95-40-403010-5855 for the purposes of funding programs for children in need of services. Of this amount:

I. The sum of \$3,648,000 for the fiscal year 2012 and the sum of \$5,009,999 for fiscal year 2013 shall be general funds. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

II. The remainder of the sums appropriated shall be charges to the following funds:

	<u>FY 2012</u>	<u>FY 2013</u>
(a) Federal	\$1,924,852	\$2,647,574
(b) Other	\$263,178	\$358,759

2 Domestic Violence Programs; Appropriation. In addition to any other sums appropriated in section 1 of this act, the sum of \$150,000 for the fiscal year ending June 30, 2012, and the sum of \$150,000 for the fiscal year ending June 30, 2013 are hereby appropriated to the department of health and human services in account 05-95-40-403010-6040, class 073 Grants-Nonfederal for the purpose of domestic violence programs. and floor amendment (1321h) failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.
Rep. Hatch offered floor amendment (1322h).

Floor Amendment (1322h)

1 Department of Health and Human Services; ServiceLink Program. In addition to any other sums appropriated in section 1 of this act, the sum of \$641,102 for the fiscal year ending June 30, 2012 and the sum of \$640,811 for the fiscal year ending June 30, 2013 are hereby appropriated to the department of health and human services in account 05-95-48-481010-9565, for the purposes of providing state funding for the ServiceLink program. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.
Rep. Hatch spoke in favor and requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Jasper moved that the House reconsider its action whereby, on a roll call vote of 243-124, it adopted the majority committee report of Ought to Pass with Amendment on **HB 1-A**, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2012 and June 30, 2013.

Rep. Jasper spoke against.

On a division vote, 104 members having voted in the affirmative and 260 in the negative, the motion failed.

PROTEST

In accordance with Part II, Article 24 of the New Hampshire Constitution, I hereby submit my protest regarding the vote on HB 1-A.

Reps. Aguiar, Almy, Baroody, Benn, Berube, Julie Brown, Brendon Browne, Brunelle, Butynski, Cali-Pitts, Carr, Chase, Cloutier, Cote, Coulombe, Deloge, DeStefano, DiPentima, Domingo, Frazer, Gagnon, Patrick Garrity, Gidge, Gile, Ginsburg, Goley, Gorman, Franklin Gould, Grassie, Hamm, Hofemann, Dorothea Hooper, Jeudy, Gladys Johnsen, Kaen, Katsiantonis, Sandra Keans, Lefebvre, Lerandau, Levasseur, Long, Lovejoy, MacKay, Merrick, Moody, Nordgren, Pantelakos, Parkhurst, Pastor, Dick Patten, Pierce, Porter, Potter, Powers, Robin Read, Chip Rice, Jenna Roberts, Rokas, Rosenwald, Schlachman, Peter Schmidt, Shaw, Suzanne Smith, Spainhower, Spang, Yvonne Thomas, Watters, Weed and Williams.

PROTEST

In accordance with Part II, Article 24 of the New Hampshire Constitution, I hereby submit my protest regarding the vote on HB 1-A because this budget will be devastating to our state.

Rep. Norelli.

PROTEST

In accordance with Part II, Article 24 of the New Hampshire Constitution, I hereby submit my protest regarding the vote on HB 1-A because this budget will do irreparable harm to our state.

Rep. Wallner.

PROTEST

In accordance with Part II, Article 24 of the New Hampshire Constitution, I hereby submit my protest regarding the vote on HB 1-A. We in New Hampshire can do better for all our citizens.
Rep. Weber.

PROTEST

In accordance with Part II, Article 24 of the New Hampshire Constitution, I hereby submit my protest regarding the vote on HB 1-A. I submit my protest to passage of HB 1 based on the unacceptable and likely irreparable harm to my community, children, the poor, the elderly, those with mental illness, and to public employees. There were other options.
Rep. White.

PROTEST

In accordance with Part II, Article 24 of the New Hampshire Constitution, I hereby submit my protest regarding the vote on HB 1-A for the specific reason that this budget is irresponsible, immoral, and will lead to lasting harm to our most vulnerable while asking no sacrifices of those most able to sustain them.
Rep. Serlin.

PROTEST

In accordance with Part II, Article 24 of the New Hampshire Constitution, I hereby submit my protest regarding the vote on HB 1-A. This budget inappropriately hurts the poor and the sick.
Rep. Andrew Schmidt.

PROTEST

In accordance with Part II, Article 24 of the New Hampshire Constitution, I hereby submit my protest regarding the vote on HB 1-A. The reduction in certain taxes, i.e., cigarette tax and room and meals tax was never requested by the people and was not warranted thereby resulting in the lack of revenue for critical programs.
Rep. Theberge.

PROTEST

In accordance with Part II, Article 24 of the New Hampshire Constitution, I hereby submit my protest regarding the vote on HB 1-A. I protest that this budget was based on unrealistically low estimates forcing cuts in DHHS programs and services.
Rep. Cooney.

PROTEST

In accordance with Part II, Article 24 of the New Hampshire Constitution, I hereby submit my protest regarding the vote on HB 1-A. I also protest HB 2 and HB 519, if it is in order to do so, as well as the clearing of the Gallery on Thursday 3-31-11.
Rep. Horrigan.

PROTEST

In accordance with Part II, Article 24 of the New Hampshire Constitution, I hereby submit my protest regarding the vote on HB 1-A and HB 2-FN-A-L, violations of Part II, Article 18-a and Part II, Article 8 of the New Hampshire Constitution.
Rep. Watrous.

PROTEST

In accordance with Part II, Article 24 of the New Hampshire Constitution, I hereby submit my protest regarding the vote on HB 1-A, violations of Part II, Article 18-a and Part II, Article 8 of the New Hampshire Constitution.
Rep. Steven Lindsey.

MOTION TO PRINT REMARKS

Rep. Jasper moved that the remarks made by the last two speakers and the parliamentary inquiries on the vote of Ought to Pass with Amendment on **HB 1-A**, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2012 and June 30, 2013, be printed in the Permanent Journal.
Adopted.

REMARKS

Rep. Wallner: Thank you, Mister Speaker. Colleagues, our nation and our state are going through difficult times. The national economic recession is having a significant impact on our state resources and many of our family members, friends and neighbors are struggling and many are without jobs. Now is not the time for government to turn away from citizens in need, now is the time to work together to help our citizens. Children in need of services will be left with no guidance and supervision and nowhere to turn. The families of developmentally disabled children will lose their support network. Adults and families with drug and alcohol addiction will lose their treatment services. Victims of domestic violence will no longer have court advocates or shelter care. Children and adults with mental illness will lose counseling. College students and their families will pay higher tuitions. High school students attending the career technical centers will not be able to complete their studies and families with elders suffering from Alzheimer's disease will lose their caregiver support programs. Unemployed workers who need job training will lose those programs. The destructive budget cuts in this bill will damage our state long into the future. It will profoundly change the New Hampshire that we know and love and where we have raised our families. This budget is a job killer. Where in this budget is the promise of job development? The budget threatens the jobs of thousands of New Hampshire's workers. For every service that is cut, we also cut the job that keeps that service operating. Not only does a developmentally disabled person lose their necessary services, but the home care aide who helps that person, loses their job. We value New Hampshire workers, the teachers who teach our children and lay the foundation to the future, the state employees who fill potholes in our streets and protect our drinking water, the municipal and county employees who guard our prisons and care for our loved ones in nursing homes, the police who keep us safe, the firefighters who protect our lives. They should all be given the respect their profession deserves. This budget will increase our property taxes as many services will fall to the county and local level. Towns and cities will lose revenue sharing and highway betterment money as well as cuts to education funding. Because of the national recession and the loss of jobs, the loss of homes and the increased use of services from the Department of Health and Human Services, more people have needed our help than ever before. We can and we must do better for our children, our working families, our elderly and our citizens who need our help. If this budget passes, it will be noted as a black stain on New Hampshire's history. It will be remembered as a time when we turned our back on our citizens when they needed us the most. If this devastating budget passes, it will kill the soul of New Hampshire. Thank you, Mister Speaker and I urge the members to vote no and I ask for a roll call.

Rep. Bettencourt: Thank you, Mister Speaker. Members of the House, any discussion of this budget must begin with an acknowledgement and thank you to the members of the Finance Committee who dedicated considerable amounts of their time and energy in putting together this extraordinarily difficult budget. It is estimated that they spent approximately 360 hours since February 15th, gathering information from the public and department heads to ensure that the work before us today is worthy of our consideration. Upon reflecting on their task to balance the many compelling and competing needs of our citizens, with our state's revenues that still very much bear the weight of an economic downturn, but their hard work is something that all of us, while maybe not enthusiastically, but nonetheless, we can be proud to support their work. Before this House is a budget that is balanced and lives up to our commitment of making government live within its means just as every family in New Hampshire does. It also keeps faith with our constituents that excessive and wasteful spending in state government will not and cannot be tolerated. It also ensures that during these difficult economic times, state government does not confiscate anymore of their hard earned money when they need it most and this budget includes no new or increased taxes and fees, it includes no further downshifting of services and it does not, it does not further bond and saddle our future generation with fiscal irresponsibility. We do this while setting ourselves on a path of sustainable spending that encourages future economic growth. We are confident that the decisions we have made today will produce a more prosperous future for New Hampshire in the months and years to come. Let's be straight, we know that there is pain in this budget. Whenever budget reductions happen, it impacts real people. We understand that and any suggestion to the contrary is nonsense. The Finance Committee was dedicated to minimizing the effects on those who depend and require state services the most which is why this budget allocates \$3.7 billion to the Department of Health and Human Services. Of course we all wish we could do more. Of course no one is happy that we must tell those who have previously gotten state assistance that we simply can't afford it anymore,

but this is what must be done. This budget, Mister Speaker, at the end of the day, essentially rolls back spending slightly below the budget that this state operated under in 2008 and 2009. Make no mistake, Mister Speaker, I will return to this, there were a lot of tough calls and sacrifices. With hand on heart, Mister Speaker, I wish there were another way, but I say to this House, that there is no other responsible way. After all, at a time when our citizens are dealing with pay cuts, layoffs, investment and home losses and other tough times in their own lives, how could we look them in the eye and tell them that we are unwilling to make the same difficult choices in state government that they make for themselves. To hold our own example to a different standard than those we represent is unbecoming of this institution and we can be proud that this budget avoids that kind of hypocrisy. Mister Speaker, this budget also recognizes that cutting spending alone will not get our economy moving again. The cuts have been paired with measures that protect and defend the New Hampshire advantage and create an environment where small businesses, which are the backbone of our economy, can grow and flourish. Mister Speaker, taking these measures and solving our budget challenges must not be about the betterment of one political party or one special interest group over another. It must always be about the people of New Hampshire. This budget was written without consideration for political interests, opinion polls, editorials or special favors. It makes tough choices, but it puts people first. Never in the years, Mister Speaker, that I have been in this House have I ever heard such outrageous and exaggerated political hyperbole engulf a budget proposal such as we have seen here. Indeed, we have seen the motives and intentions of members of the Finance Committee and this House questioned and labeled with terms as extreme as immoral and evil. What a disgrace. What a shame that at such a difficult hour in our state's economic history that we cannot stand together, share in the sacrifice and deliver what is necessary for our state together, but stand and deliver we will because leadership isn't always easy and it isn't always popular, but it's about doing the right thing. This Finance Committee, this House and this economy, with this budget is leading. That is what our citizens have asked us to do and we must not betray their trust because the cuts got hard and the decisions got tough. The truth is that we know while very difficult, this budget was built wisely, it was built surely, it was built faithfully and it was not built for the popularity of the moment, but it was built for the prosperity in the years that are to come. As we progress this budget cycle, Mister Speaker, and indeed this is still a cycle. This is step two in a four step process. As we progress, we must expect that there will be difficulties, many unpleasant surprises, but we may be sure that the task that is before this House, that we are freely accepted is not beyond our compass and strength. I am proud of the work that the Finance Committee has done. I am proud of my colleagues for the professionalism that they have shown during this difficult time. The challenges we face in New Hampshire today were years in the making and it will take time and shared sacrifice to achieve our goals for the future, but Mister Speaker, the road to recovery begins today. I ask the House to join me in supporting this budget.

Speaker O'Brien: The question before the House is the majority committee report of Ought to Pass as Amended. Rep. Bettencourt requests a roll call vote. Is that sufficiently seconded? It is sufficiently seconded. This will be a roll call vote. Members will please take their seats. The House will come to order. The question before the House is the committee report of Ought to Pass as Amended on HB 1. The chair recognizes Rep. Norelli for a parliamentary inquiry.

Rep. Norelli: Thank you, Mister Speaker. Mister Speaker, if I know that the passage of HB 1 will have a painful, devastating and unnecessarily long lasting impact on our great state and if I know that this bill will kill not create jobs in the Granite State at a time when our economy is still recovering and if I further know that the cuts in this budget will downshift costs to communities, increasing property taxes to unsustainable levels for our working families, businesses and seniors and, finally, if I know that this budget will dismantle our schools, increase our healthcare costs, leave women unprotected, endanger public safety, raise college tuition for our students and create undue harm for so many, Mister Speaker, if I know all of this, then would I press the red button and vote no on HB 1 as amended? Thank you.

Speaker O'Brien: The Chair recognizes Rep. Tucker for a parliamentary inquiry.

Rep. Tucker: Thank you, Mister Speaker. If I know that the people of New Hampshire handed us an overwhelming majority of 75% with the charge of returning fiscal sanity to the state and Mister Speaker, if I also know that we have crafted a budget without over-inflated revenues, without downshifting, without bonding our children's future, without further increasing taxes and without accounting gimmicks that were used in the past, and if I also know, Mister Speaker, that after four years and nearly 25% increase in state spending we have successfully done what the voters have sent

us here to do: we have reduced the previous budget by \$724 million; Mister Speaker, if I also know that, unlike the Governor, we did not reduce the school building aid nor did we reduce catastrophic aid for special education and finally, Mister Speaker if I know that this amendment meets the needs of those who are challenged in our society, spending \$3.7 billion alone in funding for Health and Human Services and if I believe this is our moment, this is our chance to deliver on our promises, to right the ship and get us back on track for this generation and generations to come, would I then press the green button and support HB 1? Thank you.

RESOLUTION

Rep. Jasper offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, April 13, 2011 at 10:00 a.m. Adopted.

LATE SESSION

Third reading and final passage

HB 1-A, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2012 and June 30, 2013.

UNANIMOUS CONSENT

Rep. Hess addressed the House.

MOTION TO PRINT REMARKS

Rep. Kotowski moved that the remarks made by Rep. Hess during unanimous consent be printed in the Permanent Journal. Adopted.

REMARKS

Rep. Hess: Thank you, Mister Speaker. Driving up here this morning I had planned to make a humorous announcement to sort of break the ice. It somehow seems inappropriate after what has happened today and yesterday. This is my 21st year in this Chamber and I have to say that I have never heard rhetoric more harsh or decorum more disrespectful than I have the last two days. No side of the aisle has a monopoly on that unfortunate behavior and I was reminded of comments that Warren Buffet has shared with his employees and fellow directors at Berkshire Hathaway for over 25 years. This is not the letter to shareholders that gets so much news attention. This is an inside communication and in that communication for over a quarter of a century he has shared some very simple and I think profound thoughts that I think we all, all of us, should reflect upon in the coming days and weeks. To paraphrase him, he says, "We can afford to lose votes. We can afford to lose a lot of votes, but we cannot afford to lose our reputation or even a shred of our reputation." The rationale that, well, everybody else is doing it or that, they're doing it or that they did it to us in the past, is almost always bad. If we see anyone or anything that borders on illegality or even impropriety and it causes us to hesitate, it almost certainly is inappropriate and wrong and should be abandoned immediately. Finally, culture, not rulebooks, determines an organizations' behavior. We have lost part of our culture the last two days and I hope that each one of us, myself included, yourself Mister Speaker included, decides that in the days and the weeks ahead, we commit to taking one small step, one step toward each other and try to regain some of that culture. Thank you.

RECESS MOTION

Rep. Bettencourt moved that the House stand in recess for the purposes of the introduction of bills, receiving Senate messages, enrolled bill amendments and enrolled bill reports. Adopted.

The House recessed at 2:40 p.m.

RECESS

(Rep. Comerford in the Chair)

RESOLUTION

Rep. Mirski offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, Senate Bills numbered 2, 3, 22, 40, 50, 52, 54, 58, 75, 76, 78, 86, 88, 92, 111, 117, 120, 121, 129, 151, 154, 156, 160, 166, 170, 179, 189, 193, 196 and 197 and Constitutional Amendment Concurrent Resolutions numbered 5 and 14 shall be by this resolution read a first and second time by the therein listed titles and referred to the therein designated committees.

Adopted.

INTRODUCTION OF SENATE BILLS AND CACRS**First, second reading and referral**

- SB 2**, relative to adoption of spending caps by municipalities. (Municipal and County Government)
- SB 3-FN-A-L**, making comprehensive changes to the state retirement system. (Special Committee on Public Employee Pensions Reform)

- SB 58-FN-A**, adding qualified community development entities to the definition of "qualified investment company" under the business profits tax and the business enterprise tax. (Ways and Means)
- SB 75-FN**, relative to clarification of part-time service in the state retirement system. (Special Committee on Public Employee Pensions Reform)
- SB 76-FN**, relative to the authority of the department of revenue administration to adopt rules and to administer state tax laws. (Executive Departments and Administration)
- SB 78-FN-A-L**, relative to motor vehicle registration fees. (Finance)
- SB 86**, requiring the department of labor to warn employers of certain violations prior to imposing a fine. (Labor, Industrial and Rehabilitative Services)
- SB 88**, relative to physical force in defense of a person and relative to the brandishing of a firearm or other means of self-defense. (Criminal Justice and Public Safety)
- SB 92**, establishing an economic strategic commission to review the relationship between business and government. (Executive Departments and Administration)
- SB 111**, relative to short sales of a homeowner's residence. (Commerce and Consumer Affairs)
- SB 117**, relative to private postsecondary career schools and the student tuition guaranty fund. (Education)
- SB 120**, relative to alcoholic beverage advertising restrictions. (Commerce and Consumer Affairs)
- SB 121**, relative to the application of the worker adjustment and retraining notification act. (Labor, Industrial and Rehabilitative Services)
- SB 129-FN**, relative to presenting photo identification to vote in person and relative to the election fund. (Election Law)
- SB 151-FN**, relative to contracts of the department of health and human services. (Health, Human Services and Elderly Affairs)
- SB 154-FN**, reforming and renaming the comprehensive shoreland protection act. (Resources, Recreation and Development)
- SB 156-FN-L**, authorizing retail vehicle dealers to act as agents of the division of motor vehicles for vehicle registrations and title applications. (Commerce and Consumer Affairs)
- SB 160-FN**, relative to the definition and regulation of installment loans. (Commerce and Consumer Affairs)
- SB 166**, relative to medical benefits for beneficiaries of a police officer or firefighter killed in the line of duty. (Executive Departments and Administration)

SB 170, relative to the New Hampshire Medical Malpractice Joint Underwriting Association. (Executive Departments and Administration)

SB 179, relative to qualified purchasing alliances. (Commerce and Consumer Affairs)

SB 189, relative to the definition of mortgage loan originator. (Commerce and Consumer Affairs)

SB 193, relative to nomination of political organizations. (Election Law)

SB 196, relative to the renomination or reelection of teachers and prohibiting assessing teacher performance based solely on assessment scores. (Education)

SB 197, regulating guaranteed price plans and prepaid contracts for heating oil, kerosene, or liquefied petroleum gas. (Commerce and Consumer Affairs)

CACR 5, relating to the governor's power to reduce appropriations. Providing that the governor shall have line item reduction power of items in any bill making appropriations of money. (Ways and Means)

CACR 14, relating to public education. Providing that the general court shall have the authority to define standards for public education, establish standards of accountability, mitigate local disparities in educational opportunity and fiscal capacity, and shall have full discretion to determine the amount of state funding for education. (Special Committee on Education Funding Reform)

SENATE MESSAGE

CONCURRENCE

HB 32, relative to statutory references to the choice and duties of town auditors.

HB 45, relative to the Connecticut Lakes headwater citizens committee.

HB 91, relative to the reporting by state agencies with capital budget projects to the capital budget overview committee.

HB 93, relative to medical documentation for a crossbow permit for a person with a disability.

HB 167, naming the Enfield wildlife management area after former fish and game biologist Henry Laramie.

HB 195, relative to special permits for transportation of deer.

HB 288-FN-L, relative to payment for election services to unincorporated places.

HB 410, extending the reporting date of the committee to study dispatch times within the enhanced 911 system and requiring quarterly meetings of the committee.

HB 441-FN, relative to muffling devices on boats.

HB 525, naming a bridge in the town of Merrimack in honor of Corporal Timothy Gibson, U.S.M.C.

RECESS

(Rep. Bettencourt in the Chair)

ENROLLED BILL AMENDMENT

SB 174, relative to the Concord regional solid waste/resource recovery cooperative. (Amendment printed SJ 4-13-11)

Adopted.

RECESS

COMMITTEE ASSIGNMENTS

The Speaker made the following changes to committee assignments:

Rep. Marshall Quandt off the Committee on Finance.

RECESS

(Rep. Itse in the Chair)

RESOLUTION

Rep. Ingbretonson offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk and pursuant to 541-A:13 VII, House Joint Resolution numbered 4 shall be by this resolution read a first and second time by the therein listed title and referred to the therein designated committee.

Adopted.

INTRODUCTION OF HOUSE JOINT RESOLUTION

First, second reading and referral

HJR 4, prohibiting the implementation of certain rules of the board of medicine. (B. Patten, Carr 4; Manuse, Rock 5; C. McGuire, Merr 8; Merrill, Dist 21; Groen, Dist 6: Executive Departments and Administration)

RECESS

COMMITTEE ASSIGNMENTS

The Speaker made the following changes to committee assignments:
Rep. Garcia on the Committee on Finance.

RECESS

(Speaker O'Brien in the Chair)

Rep. Jasper moved that the House adjourn.
Adopted.

HOUSE JOURNAL No. 15

Wednesday, April 13, 2011

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Roger Boucher.

Heavenly Father we sense the hope of spring. It is the time of new life and the restoration of sturdy roots that will bring forth the glory of the Architect of Nature. We ask that You strengthen our hearts to read Your designs correctly so that we may plant in the right good earth. Tilling the soil of government is always challenging in the spring. Keep us, we pray, focused on the higher things and our call to good leadership. It remains true even in this mass-age of ours that individual genius and courage, the imagination and boldness of even a handful of New Hampshire men and women, may strengthen the foundations of liberty and maintain a solvent economic exchange. Help us to rediscover the old truths of wise, care-filled civil government for the long haul. We care and pray for our future, for our families, those who carry pain and require healing, those who are away from home serving in uniform. We pray for the freedom we celebrate but also guard jealously from enemies foreign and domestic. Keep us skilled and alert to the higher things; those permanent values that come from the same Providence once trusted by our founders. This is what keeps us above the fray and the weeds. Help us, once again, with the strength to represent our people with professionalism and personal grace. Bless our land with renewed life, economic stability and peace. Inspire our imaginations with the energy and the talent that determines the right course for the service of the common good. This is the spring that we long for. Aye! And today let us say it in the hardy words of the independent people of the tartan:

May there always be work for your hands to do.

May your purse always hold a coin or two.

May the sun always shine upon your window pane.

May a rainbow be certain to follow each rain.

May the hand of a friend always be near to you and

May God fill your heart with gladness to cheer you.

We ask this in Your Holy name. Amen.

Representative Lawrence Kappler, member from Raymond, led the Pledge of Allegiance.

The National Anthem was sung by the Lebanon High School Superlatives.

LEAVES OF ABSENCE

Reps. Ronald Belanger, Benn, Cunningham, Gary Hopper, Merrick, Peter Schmidt, Taylor, Marc Tremblay and Weeden, the day, illness.

Reps. Ahlgren, Ball, Coughlin, Hoell, Karen Hutchinson, Infantine, Itse, Kaen, Leonard, Bruce MacMahon, Norelli, Panek, Pastor, Pelletier, Peterson, Pierce, Robin Read, Michael Reed, Chip Rice, Jon Richardson, Serlin, Todd Smith, St. Cyr, Daniel Sullivan, Tholl and White, the day, important business.

Reps. Berube and Ingbreton, the day, illness in the family.

INTRODUCTION OF GUESTS

Nurses from various programs around New Hampshire, guests of Reps. Blankenbeker, DiPentima, Millham, Pettengill and Harding. Peter Kucmas, guest of the Hillsborough District 4 delegation. Barbara and Timothy McGuinness, mother and brother of Rep. McGuinness. Rosemary Fesh, wife of Rep. Fesh. Lynda Hunt, wife of Rep. Hunt.

Alexandra Evans and Robert Cowall, students at Bedford High School, Pages for the day.

INTRODUCITON OF SPECIAL GUESTS

State Master Jim Tetreault and members of the New Hampshire Grange.

PROCLAMATION

NEW HAMPSHIRE TARTAN DAY

APRIL 6, 2011

WHEREAS, The Declaration of Arbroath, declaring Scottish independence, was signed at Arbroath Abbey on April 6, 1320 by Bernard de Linton, Chancellor of Scotland; and

WHEREAS, Helping expand freedom for all people, Scotland abolished slavery in 1777 by freeing African-born slave Joseph Knight, who had been sold in Jamaica and brought to Scotland; and WHEREAS, The United States Declaration of Independence was modeled, in part, after the Declaration of Arbroath; and

WHEREAS, Nearly half of the signers of the Declaration of Independence and nine of the original governors, including New Hampshire's governor, were of Scottish descent; and

WHEREAS, Scots and Scottish-Americans have made outstanding contributions to both the United States and the State of New Hampshire in the fields of science, math, medicine, education, politics, business and the arts; and

WHEREAS, The United States Senate has passed a resolution designating April 6 of each year as National Tartan Day; and

WHEREAS, The Saint Andrew's Society of New Hampshire along with many other Scottish organizations, including the New Hampshire Gathering of the Scottish Clans, the Scottish Club of the Twin States, the Strathspey & Reel Society of New Hampshire, the New Hampshire School of Scottish Arts and thousands of citizens who claim Scottish heritage in the state, support Scottish Heritage Day; NOW, THEREFOR, I, JOHN H. LYNCH, GOVERNOR of the State of New Hampshire, do hereby proclaim APRIL 6, 2011 as NEW HAMPSHIRE TARTAN DAY and call upon the citizens of the state to commemorate the great struggles of freedom and historical achievements of Scottish Americans in New Hampshire.

Given at the Executive Chamber in Concord, this 11th day of April, in the year of Our Lord two thousand and eleven, and the independence of the United States of America, two hundred and thirty-five.

John H. Lynch, Governor

TARTAN DAY PROGRAM

Rep. John Hunt introduced special guests who performed for the House in honor of New Hampshire Tartan Day: Piper Campbell Webster and dancer Marielle Webster under the direction of Pipe Major Gordon Webster and Mrs. Lezlie Webster of the New Hampshire School for Scottish Arts. Piper Campbell Webster played Piobaireachd in tribute to New Hampshire's sons and daughters who have given their lives in defense of our country and Rep. Rowe offered a Scottish Blessing.

COMMUNICATION

To the Honorable William O'Brien

Speaker of the New Hampshire House of Representatives:

It is with heavy heart I write to you. I had such desire and willingness to serve and due to unforeseeable events I need to (with regret) resign my seat as a New Hampshire State Representative.

I want to thank you Mr. Speaker for giving me the opportunity to try and sort out the myriad of issues I have been trying to deal with since the beginning of this year, I appreciated your advice and counsel. I am sorry I was unable to find the solutions that would allow me to continue.

We have an unprecedented opportunity in our state to make significant change to a broken system. I wish I was still able to be an active part of those changes; I will however support whomever the good residents of my district choose to replace me. I wish him/her the best of luck!

My most humble and absolute apologies to the citizens of Peterborough, Sharon, New Ipswich and; especially my former Town of Greenville. I want to thank the voters for giving me an opportunity to represent them. In other pursuits I have had cause to be in almost every town in New Hampshire and our towns truly represent what New Hampshire is all about. We have warmth and sense of community that is truly remarkable. It was my pleasure and honor to serve you. Thank you.

With deepest regret

Robert Huxley

COMMUNICATION

April 5, 2011

Dear Speaker O'Brien:

I regret that I can no longer effectively serve the citizens of my district as a State Representative from Rockingham County, District #14.

I hereby tender my resignation from the New Hampshire House of Representatives, effective this date.

Respectfully,

Gary W. Wheaton

PETITIONS

Petitioner Representative Daniel Itse of Fremont, on behalf of Elena Katz, Arnold Goodman, and their daughter, seeks redress relative to a dispute with the State of New Hampshire, Rockingham County Attorney's Office.

Petitioner Representative Daniel Itse of Fremont, on behalf of Michael Brewster, seeks redress relative to a dispute with the State of New Hampshire, Rockingham County Superior Court.

Petitioner Representative Daniel Itse of Fremont, on behalf of Vincent Milano, seeks redress relative to a dispute with the Epping School District.

The Speaker referred the Petitions to the Committee on Redress of Grievances.

CONSENT CALENDAR

Rep. Bettencourt moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

SB 66, relative to nonresident fees for motorcycle rider education, removed by Rep. Packard. Consent Calendar adopted.

SB 25, relative to the Connecticut River Valley resource commission. **OUGHT TO PASS.**

Rep. Spec Bowers for Executive Departments and Administration: The bill attaches the Connecticut River Valley resource commission to the department of environmental services instead of the office of energy and planning. There is no change in the duties of the commission. Both agencies agree to the transfer. Vote 11-0.

SB 26, establishing a committee to study the classification of motor vehicles. **OUGHT TO PASS.** Rep. John A. Hikel for Transportation: Because of the many new and different types of vehicles entering the market today, the committee felt it would be prudent to look at these vehicles and determine if we need some new classifications and what classification these vehicles should be listed. Vote 12-0.

SB 29, relative to the definition of "moped" and relative to motorcycle endorsements. **OUGHT TO PASS.**

Rep. Lisa E. Scontos for Transportation: This bill removes an antiquated section of the moped RSA that was confusing to town clerks. It also allows for a separate license for 3 wheeled motorcycles. This is to accommodate those NH citizens who choose not to ride a two wheeled vehicle and only ride a three wheeled vehicle. Vote 12-1.

SB 31, relative to revocation or denial of a driver's license for drug or alcohol involvement by persons under 21 years of age. **OUGHT TO PASS.**

Rep. John E. Tholl for Transportation: The bill removes the requirement for a hearing whenever a person under 21 has been convicted of an alcohol or drug offense, unless the court orders the suspension or denial of a drivers license. Currently, a hearing is required unless the court specifically orders none to be held. This is in line with the legislature's position in 2007 that a license revocation for an alcohol offense should not be mandatory if the offense did not involve a motor vehicle. Passage of this bill will reduce the paperwork required by both the courts and the department of safety and prevent unnecessary hearings for those whom the court did not intend to have a license suspension. Vote 14-0.

SB 60, relative to the definition of commercial motor vehicle. **OUGHT TO PASS.**

Rep. John R. Cloutier for Transportation: This bill would clarify RSA 259:12-e, IIa by adding language so as to exempt drivers of fire department vehicles from being required to have a Commercial Driver's License (CDL), not only going to a fire or reported fire, but also "returning from fire service purposes or being driven in a parade." This clarification would especially help volunteer fire departments in our smaller communities. A representative of the department of safety testified that the department has no objection to the bill. Vote 11-2.

SB 18, deleting a function of the central tax services unit. **OUGHT TO PASS.**

Rep. Patrick F. Abrami for Ways and Means: This bill removes control of tax receivables for the department of revenue administration from the responsibilities of the central tax services unit. This

bill was requested by the department of revenue administration to insure that individuals in the central tax services unit no longer have access to tax receivables information. This change actually went into effect three years ago with this statute change simply catching up with current practice. The committee was unanimously supportive of this change. Vote 20-0.

SB 35-FN-A, relative to exemption from the definition of utility property for purposes of the utility property tax. **OUGHT TO PASS.**

Rep. Frank V. Sapareto for Ways and Means: This bill is a housekeeping bill that clarifies what is and is not to be taxed as utility property. Utility property is currently taxed at \$6.60/\$1,000 of assessed value. The committee recognizes that an emergency power generator for a business or home was never intended to be included in that tax and generally isn't. This ambiguity has existed since the inception of the 1999 utility tax and this clarification is long overdue. Vote 20-0.

SB 43, making a technical correction to the tobacco tax laws. **OUGHT TO PASS.**

Rep. Joe Osgood for Ways and Means: This bill came to the committee as a housekeeping bill and we agreed to this unanimously. This bill changes the word "report" to "returns." Vote 20-0.

REGULAR CALENDAR

SB 85, naming a bay in the town of Meredith Johnson Bay. **OUGHT TO PASS.**

Rep. Lawrence M. Kappler for Resources, Recreation and Development: This bill names Johnson Bay in Meredith in memory of the late Senator Carl Johnson and his wife, Jeannette, who worked tirelessly to promote and protect New Hampshire's precious resources, especially our loons and lakes. There is no cost to the state. All signage expenses will be paid for by private donations. Vote 14-0. Rep. Greemore spoke in favor and requested a roll call; sufficiently seconded.

and the committee report was adopted and ordered to third reading.

INTRODUCTION OF GUESTS

Carl Johnson, Jr. and wife, Linda. Linda Johnson Weeks and husband, Harry, son and daughter of Senator Carl Johnson, guests of the House.

REGULAR CALENDAR (CONT'D)

SB 102, establishing a commission to study the effects of service-connected post-traumatic stress disorder and traumatic brain injury suffered in the line of duty by members of the armed forces and veterans. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Robert L. Theberge for State-Federal Relations and Veterans Affairs: A prior commission, established in 2008, gathered significant information on PTSD and TBI. However, it had insufficient time to present a final report. The committee feels that the commission needs to be reestablished. The members also hope that, as a result, more funding will be available to the VA in support of PTSD and TBI programs and how best to help community based programs. Vote 12-0.

Amendment (1368h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Commission on the Effects of Service-Connected Post-Traumatic Stress Disorder and Traumatic Brain Injury. Amend RSA by inserting after chapter 115-C the following new chapter:

CHAPTER 115-D**COMMISSION ON THE EFFECTS OF SERVICE-CONNECTED POST-TRAUMATIC STRESS DISORDER AND TRAUMATIC BRAIN INJURY**

115-D:1 Commission Established. There is established a commission to study the effects of service-connected post-traumatic stress disorder and traumatic brain injury suffered in the line of duty by members of the armed forces and veterans.

115-D:2 Membership and Compensation.**I. The members of the commission shall be as follows:**

- (a) One member of the senate, who is a member of the health and human services committee, appointed by the president of the senate.
- (b) Two members of the house of representatives, one of whom is a member of the health, human services and elderly affairs committee and one of whom is a member of the state-federal relations and veterans affairs committee, appointed by the speaker of the house of representatives.
- (c) One representative of the Veterans Administration Hospital who has expertise with post-traumatic stress disorder and traumatic brain injury, appointed by the governor.
- (d) One member representing the mental health profession, appointed by the governor.
- (e) One member who specializes in neurology, appointed by the governor.
- (f) One member representing the law enforcement profession, appointed by the governor.
- (g) The commissioner of the department of health and human services, or designee.
- (h) The director of the state veterans council, or designee.
- (i) One representative of the New Hampshire Psychological Association, appointed by the executive director of the association.
- (j) One representative of the Brain Injury Association of New Hampshire, appointed by such association.
- (k) One representative of the governor's commission on disabilities, appointed by the governor.
- (l) One representative of the Disabilities Rights Center, appointed by the executive director of the center.
- (m) Two representatives of veterans organizations who serve on the state veterans' advisory committee, appointed by the chairman of the state veterans' advisory committee.
- (n) One representative of the New Hampshire veterans' home, appointed by the chairman of the board of managers of the veterans' home.
- (o) One representative of the army national guard, appointed by the adjutant general.
- (p) One representative of the army reserve, appointed by the adjutant general.

II. Legislative members of the commission shall receive mileage at the legislative rate when attending to the duties of the commission.

III. In appointing members to the commission, the appointing authorities shall give priority to persons who served on the commission established by 2008, 257 (HB 1335 of the 2008 legislative session).

115-D:3 Duties. The commission shall study the effects of service-connected post-traumatic stress disorder and traumatic brain injury suffered in the line of duty by members of the armed forces and veterans.

115-D:4 Chairperson; Quorum. The members of the commission shall elect a chairperson from among the members. The first meeting of the commission shall be called by the first-named senate member. The first meeting of the commission shall be held within 45 days of the effective date of this section. Nine members of the commission shall constitute a quorum.

115-D:5 Report. The commission shall report its findings and any recommendations for proposed legislation to the president of the senate, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before December 1, 2011.

2 Repeal. RSA 115-D, relative to a commission to study the effects of service-connected post-traumatic stress disorder and traumatic brain injury, is repealed.

3 Effective Date.

I. Section 2 of this act shall take effect May 1, 2012.

II. The remainder of this act shall take effect upon its passage.

Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment. Rep. Baldasaro spoke in favor and requested a roll call; sufficiently seconded.

and the committee report was adopted and ordered to third reading.

SB 140-FN, relative to the disposition of military justice fines. **OUGHT TO PASS.**

Rep. Lynne F. Blankenbeker for State-Federal Relations and Veterans Affairs: Historically, the National Guard funded its scholarship fund by renting out armory space for trade shows. The fire marshal has since prohibited such rental because of fire code deficiencies. The cost to return to code would be \$750,000. This bill would allow funding of this scholarship fund with the money originated by the Guard as fines paid to the military court. The value of this would be negligible at roughly \$10,000/year. Vote 11-0.

Committee report adopted and ordered to third reading.

BILL REMOVED FROM THE CONSENT CALENDAR

SB 66, relative to nonresident fees for motorcycle rider education. **OUGHT TO PASS.**

Rep. Robert W. Williams for Transportation: Three years ago, out-of-state residents were allowed to take the NH motorcycle education program. The program is funded by a separate \$1.00 fee on motorcycle registration and a \$5.00 extra fee on motorcycle license renewal. This bill allows the director of motor vehicles to request a separate fee structure for out-of-state residents. The same as applies to a hunting license. Vote 12-1.

Rep. Packard offered floor amendment (1399h).

Floor Amendment (1399h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to nonresident tuition for motorcycle rider education.

Amend the bill by replacing section 1 with the following:

1 New Paragraph; Motorcycle Rider Education Program; Rulemaking. Amend RSA 263:34-c by inserting after paragraph XI the following new paragraph:

XII. Tuition charged to nonresidents.

AMENDED ANALYSIS

This bill requires the director of the division of motor vehicles to adopt rules relative to nonresident tuition for motorcycle rider education.

This bill was requested by the department of safety.

Rep. Packard spoke in favor and yielded to questions.

On a division vote, 258 members having voted in the affirmative and 90 in the negative, floor amendment (1399h) was adopted.

Committee report adopted and ordered to third reading.

RESOLUTION

Rep. Bettencourt offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, April 27, 2011 at 10:00 a.m.
Adopted.

LATE SESSION

Third reading and final passage

SB 25, relative to the Connecticut River Valley resource commission.

SB 26, establishing a committee to study the classification of motor vehicles.

SB 29, relative to the definition of "moped" and relative to motorcycle endorsements.

SB 31, relative to revocation or denial of a driver's license for drug or alcohol involvement by persons under 21 years of age.

SB 60, relative to the definition of commercial motor vehicle.

SB 18, deleting a function of the central tax services unit.

SB 35-FN-A, relative to exemption from the definition of utility property for purposes of the utility property tax.

SB 43, making a technical correction to the tobacco tax laws.

SB 85, naming a bay in the town of Meredith Johnson Bay.

SB 102, establishing a commission to study the effects of service-connected post-traumatic stress disorder and traumatic brain injury suffered in the line of duty by members of the armed forces and veterans.

SB 140-FN, relative to the disposition of military justice fines.

SB 66, relative to nonresident fees for motorcycle rider education.

UNANIMOUS CONSENT

Reps. Rowe, Campbell and Mirski addressed the House.

MOTION TO PRINT REMARKS

Rep. Jasper moved that the remarks made by Rep. Campbell be printed in the Permanent Journal.
Adopted.

REMARKS

Rep. Campbell: Thank you, Mister Speaker. I hope I didn't wear out my welcome already. I'm here for historical, not political reasons. 150 years ago yesterday, the Civil War began. 146 years ago tomorrow, Abraham Lincoln was assassinated, and I want to share with you, very quickly if I could, a story of two portraits that hang in our Hall, that of John Parker Hale and Abraham Lincoln. Abraham Lincoln was, of course, our 16th President and he is the great emancipator and well known to all. John Parker Hale was born in Rochester and raised in Dover. He owned a textile mill there. He became a US Senator in the 1940's and was the first avowed abolitionist in the US Senate. There were anti-slavery Senators before him, like Daniel Webster, but he was the first avowed abolitionist and he was known for that. He crusaded throughout his career. He was threatened on the floor of the Senate by southern Senators many times and at gunpoint sometimes. He saw the successful culmination of his goals with the signing of the Emancipation Proclamation by Lincoln in 1863, but there is a lot more to the story. The story just starts there. John Hale had a beautiful young daughter named Lucy Hale. Lucy Hale was the toast of Washington society and a belle. She was sought after by many men and had many suitors. John Hale had hoped that his daughter would be a good match for Robert Lincoln who was the son of the President, but Robert Lincoln spent most of his time during the Civil War being educated in New England at Phillips Exeter and then at Harvard College. In fact, Lincoln came to New Hampshire famously in February of 1860. He came here basically to see his son and while he was here he made a political stop. He spoke at the Phenix Hall and it is a very famous part of Lincoln in New Hampshire. When he spoke there, he praised John Hale for his dedication of fortitude for being an abolitionist. Lucy's favorite suitor was not a President's son. It was, in fact, an actor who lived in Washington by the name of John Wilkes Booth. So, John Wilkes Booth and Lucy Hale were supposedly secretly engaged, secretly meaning it wasn't publicly announced. There is a famous picture that you may have seen during the civil war where Booth is eerily close to Lincoln on the 2nd Inauguration. That's because he got a ticket from Lucy Hale. Booth pursued Lucy Hale for a long time and they exchanged rings. It's uncertain whether she did that for access to Lincoln or not, but what is not uncertain is that John Hale despised John Wilkes Booth. He despised him because he was an actor. He despised him because he was an avowed and fervent confederate. On the morning of April 14th, 146 years ago tomorrow, John Hale who had recently lost his re-election in New Hampshire, went to see the President at the White House and asked to be nominated to be the Ambassador to Spain. The reason for that was to remove Lucy from the influence of John Wilkes Booth. While they met, Lucy Hale studied Spanish in the White House with Robert Lincoln who was home to celebrate the fact that Appomattox surrender had been five days earlier and it was John Hay from New Hampshire. John Hay was a private secretary to the President and John Hay retired in New Hampshire on Lake Sunapee at a big estate that is now a federal park. The last official act of Lincoln was to nominate John Parker Hale to be an ambassador. That night, Lucy had dinner with her mother and John Wilkes Booth at a hotel. At 8:00, Booth excused himself, went to the theater and an hour later he shot President Lincoln. Lincoln of course died the next day to the shock and horror of the country, but he is immortalized as our greatest President. Booth escaped and the famous manhunt that took two weeks found him in Virginia and when they found him in that barn, he did have a ring on and he did have five portraits of women in his pocket and one of them was Lucy Hale. John Hale and Lucy Hale went on to Spain for the ambassadorship for several years. Interestingly enough, the great investigation by Secretary of War Stanton into the conspiracy of Booth, never interviewed Lucy Hale. John Hale died shortly after their return. Lucy Hale went on to marry a gentleman by the name of William Chandler from New Hampshire. The historical society was a Chandler household. That's where he played as a child. They had another son named John Parker Hall Chandler and they had a son, another gentleman by the name of John Chandler. We know him here. Many years ago, when I served from 1979 to 1983, he was a Senator and a former State Rep. who had a seat over there where Rep. Pantelakos is sitting right now, and a Councilor, his name was Happy Jack Chandler and he was a very conservative "Mel Thomson" Republican. He had his own room up at the Cat and Fiddle that was decorated with flags and he had meetings every week and William Loeb was one of the great people that came there and visited quite often. I actually co-sponsored a bill to put snow making on then Mount Sunapee State Park with John Chandler. I thank you for this indulgence. I think it's interesting. Every time I look at those two portraits, that story goes through my head and I wanted to share it with you. I thank you.

RECESS MOTION

Rep. Bettencourt moved that the House stand in recess for the purposes of the introduction of bills, receiving Senate messages, enrolled bill amendments and enrolled bill reports.
Adopted.

The House recessed at 11:20 a.m.

RECESS

(Rep. Tucker in the Chair)

ENROLLED BILL AMENDMENT

HB 288-FN-L, relative to payment for election services to unincorporated places.

Amendment (1332-EBA)

Amend the title of the bill by replacing it with the following:

AN ACT relative to payment for election services by unincorporated places.

Adopted.

ENROLLED BILLS REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bills numbered 32, 45, 91, 93, 116, 117, 167, 188, 192, 195, 363, 399, 410, 441 and 525 and Senate Bills numbered 15, 112 and 127.

Rep. Kidder, Sen. Prescott for the Committee

SENATE MESSAGES**CONCURRENCE**

HB 27, relative to the classification of rivers, de minimis impact work in designated rivers, and protected instream flows, and extending the time for septage and sludge land application restrictions.

HB 46, relative to the membership of the current use advisory board.

HB 63, extending the instream pilot program for one year.

NONCONCURRENCE

HB 230, exempting the repair of certain structures from compensatory mitigation requirements.

HB 548, relative to boater safety education and relative to the minimum age for operation of motorized vessels.

RECESS

(Speaker O'Brien in the Chair)

Rep. Silva moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 16

Wednesday, April 27, 2011

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Roger Boucher.

Dear Lord, in this season when many have celebrated the liberation of Passover and the resurrection of Easter, we pray that You stand by us too as we proclaim attitudes of joy and peace in our work to legislate to secure the common good. Give us an appreciation of the dignity bestowed on all things new and perishable. We ask for restored health to those who are ill, to Representative Tony Pellegrino, to those who cannot be with us, those who are disenfranchised and those in harm's way. We still rely on Your intercession Lord, in what we think is a self-made world to keep us attentive to the beauty of new life that springs from the earth, to the vital love which comes from caring for each other as well as the preservation of the living ideals of those who wish and deserve freedom. Keep us focused today on the ultimate benefit of those we serve in the great State of New Hampshire. We pray this in Your Holy name. Amen.

Representative Kathleen Taylor, member from Franconia, led the Pledge of Allegiance.

Representative James Garrity of Atkinson led the singing of the National Anthem.

LEAVES OF ABSENCE

Reps. Ronald Belanger, Champagne, Charron, Fleck, Hofemann, Karen Hutchinson, Ladd, Levasseur, Messier, Pellegrino, Rosenwald and Soltani, the day, illness.

Reps. Beattie, Bolster, Brendon Browne, Copeland, Coughlin, Garcia, Gary Hopper, Introne, Lefebvre, Leonard, Lovejoy, Lovett, Marcus, Bruce MacMahon, Nordgren, William O'Connor, Peckham, Pelletier, Amy Perkins, Lawrence Perkins, Michael Reed, Kevin Sullivan, Summers, Thomas and Tucker, the day, important business.

Reps. Pantelakos and Schroadter, the day, death in the family.

INTRODUCTION OF GUESTS

Ellamae Hess, mother of Rep. Hess. Lori, Aiden and Kieran Cox, wife and sons of Rep. Cox. Mary Simard, wife of Rep. Simard. Phyllis Burt, wife of Rep. Burt. Seamus Alukonis, guest of Rep. Silva. Nina DeJong, Judith Messenger and Susan Long, mother and aunts of Rep. DeJong. Barbara Dupont and Michael Bradley, sister and guest of Rep. Porter. Jack Kennedy and the Honorable Martha McLeod, former member from Franconia, husband and guest of Rep. Taylor. Karen and Kevin Hayes, daughter and son-in-law of Rep. Erickson. Rhonda, Stephanie, Rebecca and Emily Lambert and Samantha Harrison, wife, daughters and guest of Rep. Lambert. Becca Peterson, daughter of Rep. Peterson.

Brianna Hartford of Littleton High School and Matthew Geason of Hanover High School, Pages for the day.

DECLARATION

In Recognition of Bob Lawton

WHEREAS, Bob Lawton recently celebrated his 80th birthday on March 2nd, 2011; and

WHEREAS, in 1952 at the age of 21, Bob Lawton borrowed \$750.00 from his grandmother, Mary Long, to purchase The Weirs Sport Center at the Weirs, which later was relocated north of Weirs Beach and renamed Funspot. To this day he continues to work 7 days a week; and the center is certified by The Guinness Book of World Records as the largest arcade in the world, and

WHEREAS, having served a total of 8 terms in the New Hampshire Legislature from 1969 to 1980, and again from 1995 to 1998. During his 1969-1970 term, Bob Lawton was the sole sponsor of a bill to have the new state motto "Live Free or Die" replace the word "scenic" on our license plates; and

WHEREAS, "Live Free or Die" was a toast written by General John Stark on July 31, 1809, and in 2003 Bob Lawton's son David was a member of the Legislature when he sponsored a bill so that we now celebrate General John Stark Day on the 4th Monday in April; now therefore, be it

DECLARED, by the Speaker of the New Hampshire House of Representatives, that Bob Lawton be congratulated on his many accomplishments and that best wishes be extended to him and his family for continued good health and much enjoyment.

Offered by Rep. Gene Chandler and current and former members from the Lakes Region.

INTRODUCTION OF SPECIAL GUESTS

The Honorable Robert Lawton, former member from Meredith and the Honorable David Lawton, former member from Meredith, guests of the House.

PETITION

Petitioner Representative Al Baldasaro of Londonderry, on behalf of David Johnson, seeks redress relative to a dispute with the State of New Hampshire, two marital masters, three judges, a guardian ad litem, and the Administrative Director of the Family Division of the court.

The Speaker referred the Petition to the Committee on Redress of Grievances.

SENATE MESSAGES

REQUESTS CONCURRENCE WITH AMENDMENTS

HB 444-FN, relative to the commemoration of General John Stark Day. (Amendment printed SJ 4-13-11)

Rep. Carol McGuire moved that the House concur and spoke in favor.

Adopted.

HB 71, authorizing establishment of pharmaceutical drug take-back programs. (Amendment printed SJ 4-20-11)

Rep. Reagan moved that the House concur and spoke in favor.

Adopted.

HB 464-FN, requiring the transfer of certain retirement system group II special account funds to the state annuity accumulation fund. (Amendment printed SJ 4-13-11)

Rep. Hawkins moved that the House concur and spoke in favor.

Adopted.

CONSENT CALENDAR

Rep. Bettencourt moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

SB 152-FN, relative to participation in state employees' group insurance by members of the general court, removed by Rep. Antosz.

SB 173, proclaiming January 24, 2012 as Granny D. Day, removed by Rep. DeLemus.

Consent Calendar adopted.

SB 54, relative to the definition of declarant under the condominium act and the duties of the committee to study laws relating to condominium and homeowners' associations. **OUGHT TO PASS.** Rep. Donna L. Schlachman for Commerce and Consumer Affairs: This bill changes language in existing statute to enable more timely transfers of foreclosed properties by exempting the mortgage holders from the lengthy process of re-registering the property with the attorney general's office. The bill also adds to the duties of the "committee to study the laws related to condominium and homeowners associations" that was established in 2010 and has already submitted a preliminary report. Vote 17-0. Referred to the Committee on Judiciary.

SB 62, relative to persons participating in the return to work program. **OUGHT TO PASS.**

Rep. Donna C. Mauro for Commerce and Consumer Affairs: This bill exempts all individuals who participate in the New Hampshire return to work program from the definition of employment and allows placement of any individual in a 6 week on-the-job program that benefits both the individual and the company. Vote 17-0.

SB 40, making technical corrections to meals and rooms tax laws. **OUGHT TO PASS.**

Rep. Peter T. Hansen for Executive Departments and Administration: This bill addresses the department's need to reflect changes in the rooms and meals tax and creates remedies for non-compliant

tax remitters. It also defines when a license is in effect during an appeal, defines policy changes for the licensing and renewal licenses of establishments which have been revoked and addresses non compliance remedies of the agency rules. Vote 10-0.
Referred to the Committee on Ways and Means.

SB 92, establishing an economic strategic commission to review the relationship between business and government. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Kenneth Hawkins for Executive Departments and Administration: This bill sets up a commission to review the relationship between business and government, with the goal of improving the business climate in New Hampshire. The commission includes members of the business community, experts in business law, commissioners of agencies that deal with businesses and the judicial office of mediation. It will examine the implementation of the "one door" interface with government, the appeal process from administrative rulings and New Hampshire business laws and regulations, then make recommendations for legislation. The commission sunsets in December, 2012. Vote 12-1.

Amendment (1513h)

Amend RSA 359-K:1, I as inserted by section 1 of the bill by replacing it with the following:

I. The general court finds that public policies are urgently required to restore the strength and sustain growth of the New Hampshire economy, in order to create new job opportunities, reduce under-employment, and enhance the opportunity to re-establish the philosophy that the New Hampshire advantage is predicated on a belief that the business to government relationship is best served when government embraces responsible business success and nurtures good behavior. This belief is meant to increase the prosperity and enhance the opportunities of the people of New Hampshire. The general court finds that such public policies must be pursued in a coherent, consistent, and comprehensive manner, both to meet the immediate economic and social challenges and to serve as the foundation for future interests of the state and its people. The general court charges the commission established in this chapter to examine all aspects of the business to government relationship and establish measures to further economic development, capital formation, business assistance, infrastructure development, physical and intellectual protections, and equal due process in conflict resolution through legislative initiatives.

Amend RSA 359-K:3, I as inserted by section 1 of the bill by inserting after subparagraph (d) the following:

(e) Three commissioners of New Hampshire departments, one of whom shall be appointed by the governor, one of whom shall be appointed by the senate president, and one of whom shall be appointed by the speaker of the house of representative.

Amend RSA 359-K:4, III(b) as inserted by section 1 of the bill by replacing it with the following:

(b) Examine existing New Hampshire laws, in comparison to the laws of other states, to determine New Hampshire's competitiveness and recommend legislation to re-position New Hampshire as the preeminent state in America to start and operate a business.

Amend RSA 359-K:5 as inserted by section 1 of the bill by replacing it with the following:

359-K:5 Chairperson; Quorum. The members of the commission shall elect a chairperson from among the members. The first meeting of the commission shall be called by the first-named senate member. The first meeting of the commission shall be held within 30 days of the effective date of this section. Thirteen members of the commission shall constitute a quorum.

SB 161-FN, relative to procedures for adoption of agency rules under the administrative procedures act. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Maurice L. Pilotte for Executive Departments and Administration: This bill is the result of a LEAN process analysis by stakeholders on how to streamline the administrative rules process. It makes several changes: shortens the public comment period following a public hearing from 10 to 5 days, provides for electronic publication of the rules register, authorizes agencies to hold a second public hearing when substantive changes are made in response to public comments at the initial public hearing, expands the life-span of rules from 8 to 10 years, makes provisions for allowing incorporation by reference of Internet content, allows emergency rules to be adopted when substantial fiscal harm could occur if not addressed expeditiously and requires the director of legislative services to develop a process for expedited re-adoption of rules which contain no substantive changes. The amendment changes the due date for the development of an expedited re-adoption process from November 1, 2011, to November 1, 2012 and changes the window for the introduction of a joint resolution by the joint committee on administrative rules from 10 to 20 business days. Vote 13-0.

Amendment (1442h)

Amend the bill by replacing section 14 with the following:

14 Expedited Process for Readoption of Rules. The director of legislative services shall develop an expedited process for readopting rules which contain no changes or contain only minor changes. Minor changes shall include renumbering, updating internal references, references to documents incorporated by reference, date and year changes, typographical or grammatical errors, and other editorial changes. The director shall consult with agency staff as necessary. The director shall provide a report on an expedited process and any proposals for legislation to the chairperson of the joint legislative committee on administrative rules not later than November 1, 2012.

Amend the bill by inserting after section 15 the following and renumbering the original sections 16-17 to read as 17-18, respectively:

16 Review by the Joint Legislative Committee on Administrative Rules; Introduction of Joint Resolution. Amend RSA 541-A:13, VII(c) to read as follows:

(c) If the committee votes to sponsor a joint resolution pursuant to subparagraph VII(b), the joint resolution shall be introduced in the house of representatives or senate within ~~[+0]~~ 20 business days of such vote when the general court is in session and ~~[+0]~~ 20 business days of the start of the following legislative session if such vote occurs when the general court is not in session. If a joint resolution is not introduced within this time frame, the agency may adopt the rule. If a joint resolution is introduced within this time frame, the agency shall be prevented from adopting and filing such rule until final legislative action is taken on the resolution or the passage of 90 consecutive calendar days during which the general court shall have been in session, whichever occurs first. The 90 calendar day period shall commence on the date such joint resolution has been introduced. If the session of the general court adjourns prior to the sixtieth calendar day after such joint resolution has been introduced, then the agency shall be prevented from adopting and filing such rule until 90 calendar days, beginning with the next session of the general court, have passed.

AMENDED ANALYSIS

This bill:

- I. Shortens the public comment period after a public hearing.
- II. Gives the director of legislative services limited discretion in the publication of rulemaking notices.
- III. Provides for electronic copies of the rulemaking register.
- IV. Allows agencies to hold a second public hearing on proposed rules.
- V. Extends the expiration date of rules to 10 years and allows for extending rules by filing re-adoption of currently effective rules.
- VI. Allows for incorporation by reference of Internet content.
- VII. Modifies procedures for interim and emergency rulemaking.
- VIII. Requires the director of legislative services to develop a process for expedited readoption of rules.
- IX. Extends the date for introduction of a joint resolution by the joint legislative committee on administrative rules.

Referred to the Committee on Finance.

SB 104, relative to certain agricultural operations and certain bonds for excavation and driveways. **OUGHT TO PASS.**

Rep. John A. Burt for Municipal and County Government: This bill does three things. It requires municipalities be equitable and reasonable when they require that a business or individual post a bond to use a municipal road. This will help protect those businesses and individuals required to post such bonds by insuring they do not pay for someone else's damage to the road. Secondly, SB 104 encourages municipalities to preserve agricultural operations when adopting zoning ordinances. Currently, municipalities are encouraged to adopt zoning ordinances to preserve agricultural buildings and lands. Extending this to include the agricultural operation is important because it is the agricultural operation or business that ultimately supports the buildings and land. Thirdly, SB 104 clarifies that planning boards do not have review or regulatory authority over timber harvests. Arguably this is already in law, but due to a number of recent instances where Planning Boards are attempting to regulate timber harvesting, the law needs to be clearer. SB 104 provides this clarity. SB 104 was broadly supported by the New Hampshire Timberland Owners Association, New Hampshire Farm Bureau Federation, New Hampshire Municipal Association, New Hampshire Division of Forest and Lands and the Society for the Protection of New Hampshire's Forests. Vote 17-0.

SB 144, relative to extending certain permits and approvals. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Andrew Renzullo for Resources, Recreation and Development: Through a drafting error, SB 144, which is a bill containing subject matter within the purview of the Municipal and County Government Committee, also had attached to it a section nearly identical to that contained within SB 38, a bill the Resources, Recreation and Development Committee heard the previous week. Accordingly, R R & D amended SB 144 to remove this identical section and passed the remainder of the bill with the expectation that this now clean bill, dealing with planning board activities, would be referred to the proper committee. Vote 13-0.

Amendment (1393h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to extending permits and approvals for subdivision of land.

Amend the bill by deleting sections 2-3 and renumbering the original section 4 to read as 2.

AMENDED ANALYSIS

This bill extends certain permits and approvals for subdivision of land.
Referred to the Committee on Municipal and County Government.

SB 42, relative to the declaration of consideration for purposes of the real estate transfer tax. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Gary S. Azarian for Ways and Means: This bill was brought about by a request of the department of revenue administration. The purpose of the bill is to separate the sensitive information of the buyer and seller during the closing of real estate transactions. Vote 18-0.

Amendment (1350h)

Amend RSA 78-B:10, I(b) as inserted by section 1 of the bill by replacing it with the following:

(b) Contain a space immediately below the statement in subparagraph (a) for the dated and witnessed ~~[signatures of both buyer and seller]~~ *signature of the purchaser, grantee, assignee, or transferee* of the deeded real estate *on their respective declaration of consideration and for the dated and witnessed signature of the seller, grantor, assignor, or transferor of the deeded real estate on their respective declaration of consideration.*

Amend RSA 78-B:10, IV as inserted by section 1 of the bill by replacing it with the following:

IV. The ~~[declaration]~~ *declarations* required by this section shall be filed ~~[with the department of revenue administration]~~ *separately* by the purchaser, grantee, assignee, or transferee, *and the seller, grantor, assignor, or transferor with the department of revenue administration*, no later than 30 days from the recording of the deed at the registry of deeds or transfer of real estate, whichever is later.

SB 56-FN, authorizing the department of revenue administration to accept credit card and debit card payments of taxes. **OUGHT TO PASS.**

Rep. Keith Murphy for Ways and Means: This bill authorizes the department of revenue administration to accept credit and debit cards when collecting taxes. It provides a convenience to taxpayers that choose to use it and the department anticipates some savings due to the ease of processing electronic payments compared to the 265,000 paper checks currently processed annually. Implementation will cost the state nothing and processing fees will be paid by the taxpayer to the chosen payment processor. This same method has been used for years by the secretary of state with great success. Vote 19-0.

Referred to the Committee on Finance.

SB 130-FN-A, repealing the tax on gambling winnings. **INEXPEDIENT TO LEGISLATE.**

Rep. Frank V. Sapareto for Ways and Means: This bill is the Senate version of the repeal on gambling tax winnings. At this time both bodies have passed HB 157, the House version. This bill has become redundant and unnecessary. With the consent of the Senate, it was agreed to ITL this bill. Vote 20-0.

REGULAR CALENDAR

SB 57, relative to regulation of title loan lenders. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Kenneth N. Gidge for the Majority of Commerce and Consumer Affairs: The committee has historically supported providing credit options for New Hampshire consumers. These options have

included title loans. Title loans are short term (30 day), small dollar loans based on a percentage of the value of a fully paid off car, which is used for collateral. Since the loans are based on the value of the car and the borrower's ability to pay (credit scores are not checked), title loans often have higher interest rates. SB 57 allows for title lending in New Hampshire again. It is an industry that provided over 48,000 consumer loans in the state with only 12 complaints to the NH Banking Department. There are consumer protections in law regarding disclosures and limits. We believe that a consumer has the right and the ability to make financial decisions without government intrusion. Vote 16-2.

Rep. Donna L. Schlachman for the Minority of Commerce and Consumer Affairs: This bill creates public policy that allows a business to prey on people's desperation. The minority does not believe this is the direction NH should be moving especially in a time when we know many families are turning to public agencies for assistance to meet their basic needs. The committee heard testimony from the director of NH's consumer protection bureau and from NH Legal Assistance against this bill. In addition, the committee learned that the NH Community Loan fund, which works with individuals and groups to foster financial self-sufficiency, is developing a low-interest loan program. The minority believes it is good public policy and in the best interest of NH's citizens to wait for a more appropriate product to become available.

The question being adoption of the majority committee report of Ought to Pass.
Rep. Vaillancourt offered floor amendment (1549h).

Floor Amendment (1549h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to regulation of title loan lenders, and reducing the interest rate on late and delinquent property tax payments, subsequent payments, and other unpaid taxes.

Amend the bill by inserting after section 2 the following and renumbering the original section 3 to read as 16:

3 Local Interest Rate; Pease Development Authority Lessees. Amend RSA 12-G:14, II(b)(1) to read as follows:

(1) Interest shall accrue on the unpaid taxes at a rate of [~~18~~] **9** percent per annum from the due date until such taxes are paid;

4 Excavation Taxes. Amend RSA 72-B:6 to read as follows:

72-B:6 Unpaid Taxes. The taxes which are not paid when due pursuant to RSA 72-B:4 shall bear interest at the rate of [~~18~~] **9** percent per year computed from the due date. Interest and penalties on the tax shall be collected by the tax collector and deposited in the general fund of the municipality. In addition to the interest due, a penalty for failure to pay may be assessed against the owner as provided in RSA 21-J:33.

5 Property Taxes; Interest on Late Payment. Amend RSA 76:13 to read as follows:

76:13 Interest. Interest at [~~12~~] **6** percent per annum shall be charged upon all taxes except resident taxes, except as otherwise provided by statute, not paid on or before December 1 after their assessment, which shall be collected from that date with the taxes as incident thereto, except in the case where a tax bill sent to the taxpayer on or after November 2 and before April 1 of the following year interest shall not be charged until 30 days after the bills are mailed. Interest due in an amount up to \$25 may be waived by the collector, with the approval and consent of the board of selectmen and the board of assessors, if in the collector's judgment the administrative and collection costs involved do not warrant collection of the amount due. The tax collector shall state on the tax bill the date from which interest will be charged and such date shall be determined by the day the collector sends out the last tax bill on the list. The collector shall notify the board of tax and land appeals in writing of the date on which the last tax bill was sent.

6 Property Taxes; Quarterly Billing. Amend RSA 76:15-aa, IV to read as follows:

IV. Interest at the rate of [~~12~~] **6** percent per annum shall be charged on all taxes not paid on or before their due dates or 30 days after mailing, whichever is later.

7 Unpaid Taxes; Normal Yield Tax. Amend RSA 79:4-a to read as follows:

79:4-a Unpaid Taxes. The taxes which are not paid when due pursuant to RSA 79:3 shall bear interest at the rate of [~~18~~] **9** percent per year computed from the due date. Interest and penalties on the tax shall be collected by the tax collector and deposited in the general fund of the town. In addition to the interest due, a penalty for failure to pay may be assessed against the owner as provided in RSA 21-J:33.

8 Current Use; Land Use Change Tax. Amend RSA 79-A:7, II(d) to read as follows:

(d) Payment of the land use change tax, together with the recording fees due the register of deeds, shall be due not later than 30 days after mailing of the tax bills for such tax, and interest at the rate of [†8] 9 percent per annum shall be due thereafter on any taxes not paid within the 30-day period.

9 Discretionary Easements. Amend RSA 79-C:9, II(d) to read as follows:

(d) Payment of the consideration shall be due not later than 30 days after the mailing of the bill. Interest at the rate of [†8] 9 percent per annum shall be due thereafter on any consideration not paid within the 30-day period.

10 Discretionary Preservation Easements. Amend RSA 79-D:9, II(d) to read as follows:

(d) Payment of the consideration shall be due not later than 30 days after the mailing of the bill. Interest at the rate of [†8] 9 percent per annum shall be due thereafter on any consideration not paid within the 30-day period.

11 Community Revitalization Tax Relief Incentive. Amend RSA 79-E:9, II(d) to read as follows:

(d) Payment shall be due not later than 30 days after the mailing of the bill. Interest at the rate of [†8] 9 percent per annum shall be due thereafter on any amount not paid within the 30-day period. Interest at [†2] 6 percent per annum shall be charged upon all taxes that would have been due and payable on or before December 1 of each tax year as if no tax relief had been granted.

12 Collection of Taxes; Tax Sales; Redemption; Interest Rate. Amend RSA 80:32 to read as follows:

80:32 Redemption. Any person with a legal interest in land so sold may redeem the same by paying or tendering to the collector, or in his *or her* absence, at his *or her* usual place of abode, at any time before a deed thereof is given by the collector, the amount for which the land was sold, with interest at [†8] 9 percent per annum upon the whole amount for which the land was sold from the time of sale to the time of payment in full, except that in the case of partial payments in redemption made under RSA 80:33-a, the interest shall be computed on the unpaid balance, together with redemption costs and costs for notifying the mortgagees, if any. In case the tax collector who sold the property in question shall have died, become incapacitated, been removed from office or removed from the town or city, or shall have been discharged from his *or her* bond by the selectmen or assessors, then the person with the legal interest in redeeming the property may tender such sums to the tax collector then in office of said city or town. Upon advice from the selectmen or assessors that the amount tendered is the correct amount due, the tax collector shall accept said amount for the redemption of the property.

13 Collection of Taxes; Tax Sales; Subsequent Tax; Interest Rate. Amend RSA 80:37 to read as follows:

80:37 Payment of Subsequent Tax. For purposes of this section, "subsequent tax" shall mean any tax assessed upon the real estate subsequent to that for which it was sold by a municipality, a county, or the state. The purchaser of real estate at any tax sale may pay to the collector any subsequent tax and the collector shall, within 30 days after such payment, notify the register of deeds thereof, giving the date and the amount of such payment and the name of the person so paying together with the date of the tax sale, the name of the person taxed, and a description of the property sold as shown in the report of sale recorded in the registry of deeds. The collector of taxes shall receive \$1 for such notice to the register of deeds of the payment of subsequent tax plus \$1 to be paid to the register of deeds. The purchaser, within 30 days of payment of the subsequent tax, shall personally, or by certified mail, notify in writing any mortgagee who was notified of his *or her* purchase at the tax sale of this payment of the subsequent tax. The purchaser paying the subsequent tax shall receive the same fees prescribed for notifying the mortgagee of his *or her* purchase at the tax sale to be included in his *or her* costs to be paid by the person making redemption, except that when a town is a purchaser at a tax sale and the town pays a subsequent tax and the selectmen direct the collector of taxes as agent for the town to give notice of payment of a subsequent tax to any mortgagee who was notified of the purchase by the town at the tax sale, the collector shall be paid the sum of \$5 for this service. Any amounts so paid on account of subsequent taxes, together with interest thereon at the rate of [†8] 9 percent per annum from the date of payment shall, in addition to the purchase price at the time of sale with accrued interest and costs, be paid by the person making redemption.

14 Collection of Taxes; Tax Liens; Redemption; Interest Rate. Amend RSA 80:69 to read as follows:

80:69 Redemption. Any person with a legal interest in land subject to a real estate tax lien may redeem the same by paying or tendering to the collector, at any time before a deed thereof is given

by the collector, the amount of the real estate lien, with interest at [†8] 9 percent per annum upon the whole amount of the recorded lien from the date of execution to the time of payment in full, except that in the case of partial payments in redemption made under RSA 80:71, the interest shall be computed on the unpaid balance, together with redemption costs and costs for identifying and notifying the mortgagees, if any. In case the tax collector who executed the tax lien against the property in question shall have died, become incapacitated, been removed from office or removed from the town or city, or shall have been discharged from his *or her* bond by the selectmen or assessors, then the person with the legal interest in redeeming the property may tender such sums to the tax collector then in office of said city or town. Upon advice from the selectmen or assessors that the amount tendered is the correct amount due, the tax collector shall accept said amount for the redemption of the property.

15 Collection of Taxes; Tax Liens; Interest Rate. Amend RSA 80:75, III to read as follows:

III. When a municipality is the lienholder and the municipality pays a subsequent tax and the selectmen direct the collector of taxes, as agent of the municipality, to give such notice of said payment to any owner and to any mortgagee as provided above, the collector of taxes shall receive the same fees provided for the lienholder for his *or her* service. The amount of subsequent taxes paid, together with interest on such taxes at the rate of [†8] 9 percent per annum from the date of payment shall, in addition to the tax lien amount at the time of execution with interest and costs, be paid by the person making redemption.

AMENDED ANALYSIS

This bill:

I. Increases the maximum percentage of interest allowed to be charged by title loan lenders annually.

II. Reduces the number of additional pay periods for which a lender may allow a title loan to be renewed.

III. Requires a borrower whose title loan has been renewed to pay at least 10 percent of the loan's original principal balance at the time of renewal.

This bill also lowers the interest rates applicable to late and delinquent property tax payments, subsequent payments, and other unpaid taxes enforced through the lien procedure.

Reps. Betsey Patten and Hunt spoke against.

Rep. Vaillancourt spoke in favor and requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

MOTION TO SPECIAL ORDER

Rep. Baldasaro moved that ***SB 156-FN-L***, authorizing retail vehicle dealers to act as agents of the division of motor vehicles for vehicle registrations and title applications, be made a Special Order to the end of today's calendar.

Rep. Baldasaro spoke in favor.

On a division vote, 102 members having voted in the affirmative and 242 in the negative, the motion failed.

REGULAR CALENDAR (CONT'D)

SB 156-FN-L, authorizing retail vehicle dealers to act as agents of the division of motor vehicles for vehicle registrations and title applications. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Jennifer R. Coffey for the Majority of Commerce and Consumer Affairs: New Hampshire state government has been taking a number of incremental steps forward technologically such as bringing innovation to the court system as we did in HB 609 and as we have done by moving more information onto the state's legislative website. SB 156 proposes to bring to car registration the same innovative principles. Currently, auto dealers often hire "runners" to bring title applications and car registrations to the division of motor vehicles (DMV) for approval. This legislation would allow a pilot program where dealers could connect directly with the DMV for these tasks by essentially "outstationing" DMV to the dealers' facility. Right now, dealers already can register off-road vehicles, snowmobiles, boats and heavy-duty trucks so this is a logical step forward building on a platform that already works. This also means car buyers can purchase and take delivery of their cars faster. Cities and towns will continue to get the information about buyers just as they do through the DMV today. They will also continue to get payments for the work done by the dealers, without incurring the cost of registering and doing title application in person. This is a needed step forward into the 21st century and will make government far more user-friendly for our citizens. Vote 14-4. Rep. Frederick C. Rice for the Minority of Commerce and Consumer Affairs: Although the opportunity to eliminate inconvenience to NH residents is an attractive one, there are multiple issues

and problems in the implementation of this program that do not support its adoption in this form. Among these are: it would force a mandate on cities and towns that they could not opt out of; it would allow local revenues to be controlled by auto dealerships; it would remove town and city treasurers' delegation of deposit authority; it would circumvent statutory deposit requirements; it would delay receipt of local funds; it would increase state and local expenses for audits, error correction and meeting expenses; and would not be consistent with current House efforts to curtail the broad rulemaking powers of state agencies and their ability to establish new fees without appropriate legislative reviews and approval.

Majority Amendment (1534h)

Amend RSA 261:74-o as inserted by section 5 of the bill by replacing it with the following:

261:74-o Optional Electronic Vehicle Registration Charge. Each dealer agent may collect a charge from the consumer to transmit electronically the registration and title data and the fees collected required to register a motor vehicle, issue a permit for registration, transfer a motor vehicle registration, or title a motor vehicle. This optional charge is in addition to other dealership fees or charges and the fees otherwise required to register a motor vehicle, issue a permit for registration, transfer a motor vehicle registration, or title a motor vehicle. The charge shall be separately stated and identified as "optional EVR charge" on the purchase agreement between the customer and the dealer agent and shall be disclosed on a separate document signed by the customer. If a customer declines to pay the optional electronic vehicle registration charge, the dealer agent is not required to register the vehicle, issue a permit for registration, title the vehicle, or collect the required fees. Amend RSA 261:74-s, III as inserted by section 5 of the bill by replacing it with the following:

III. To ensure the EVR integrator and dealer agents are accurately calculating the applicable fees and properly transmitting the fees and data, and that towns and cities may integrate the data and fees into the software used by towns and cities to transmit registration data to the state, the EVR program shall be implemented as follows:

(a) The first year of the EVR program shall involve a limited number of dealers and towns and cities as determined by the director and a single EVR integrator to ensure that the EVR program is successfully implemented. The director shall select which towns, cities, and dealers shall participate during the first year from a list of desiring volunteers submitted to the director by the senate president and the speaker of the house of representatives within 60 days of the effective date of this section. The director shall select the participants after obtaining the input of the New Hampshire City and Town Clerks' Association and the New Hampshire Automobile Dealers Association. The director shall ensure that a combination of large and small municipalities and large and small dealers are included in the initial group.

(b) After the EVR program has operated for 270 days, the director shall seek formal input from the EVR advisory group established in paragraph IV and towns, cities, and dealer agents involved in the program as to whether or not the EVR integrator and dealer agents are properly calculating and assessing applicable fees, properly transmitting the fees and data, and properly integrating data and moneys into the software used by towns and cities to transmit registration data to the state.

(c) After no more than 365 days of operation, the director, with consultation from the EVR advisory group established in paragraph IV, shall determine if the EVR program has achieved material compliance with the requirements set forth in RSA 261:74-h through RSA 261:74-s.

(d) The director, upon determining under subparagraph (c) that the EVR program has either achieved material compliance or has not achieved material compliance, shall report the basis for the determination to the president of the senate, the speaker of the house of representatives, and the senate and house standing committees with jurisdiction over commerce, and shall include any recommendations for statutory changes that may be necessary, in his or her opinion, to facilitate material compliance.

(e) If the director determines that there is a failure of the EVR program to materially comply with the requirements, he or she may, upon consultation with the EVR advisory group established in paragraph IV, authorize an additional 180 days of operation of the program to allow the achievement of material compliance with the requirements. No later than the one hundred eightieth day of the extension, the director shall, with consultation with the EVR advisory group, determine if material compliance with the requirements has been achieved. If material compliance has not been achieved by the end of the extension, the program shall end.

(f) Upon achievement of material compliance with the requirements of the EVR program, the director, upon consultation with the EVR advisory group established in paragraph IV, shall develop

a plan to bring all remaining towns and cities who are municipal agents under RSA 261:74-a into the EVR program and allow additional dealer agents to apply for inclusion in the program. Any municipality that is not a municipal agent shall not be required to participate in the EVR program.

(g) One year after the incorporation of the remaining municipal agents into the EVR program, the department may enter into agreements with additional EVR integrators.

(h) After the incorporation of all municipal agents into the EVR program, the director shall evaluate on a periodic basis, no less than annually, whether the EVR integrators and dealer agents are properly calculating and assessing applicable fees, properly transmitting the fees and data, and properly integrating data and moneys into the software used by towns and cities to transmit registration data to the state.

Rep. Hunt yielded to questions.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Keith Murphy offered floor amendment (1609h).

Floor Amendment (1609h)

Amend the title of the bill by replacing it with the following:

AN ACT authorizing retail vehicle dealers to act as agents of the division of motor vehicles for vehicle registrations and title applications and relative to motor vehicle inspections.

Amend the bill by replacing all after section 5 with the following:

6 Vehicle Inspection; Frequency. Amend RSA 266:1, II to read as follows:

II. Any vehicle registered under this title, except an OHRV, snowmobile, moped, or other exempt vehicle, shall be inspected once ~~[a]~~ **every second** year, during the month in which the birth date of the owner is observed, if the owner is a natural person. ~~[An inspection sticker shall be valid for the same duration as the vehicle's registration, which shall not exceed 16 months. If the month in which the anniversary of the owner's birth occurs will be one of the next 4 months, an inspection sticker may be issued, with an expiration date of the birth month in the following year, of the first person named on the title application.]~~ Nothing in this paragraph shall require any person who has registered and had inspected a vehicle with temporary plates to have the vehicle reinspected upon receipt of permanent motor vehicle plates. An inspection sticker shall not expire when a vehicle is transferred to a licensed dealer.

7 Motor Vehicle Inspections; Dates. Amend RSA 266:1, III to read as follows:

III. If the owner of the vehicle is a company or corporation or other than a natural person, the ~~[annual]~~ **biennial** inspection shall be made during the month designated by the director as the registration month for such legal entity. ~~[Vehicles registered as antique motor vehicles and antique motorcycles and which are 40 years old and over shall be inspected biennially.]~~ Antique motor vehicles and custom vehicles shall be inspected in the month of April. Without regard to the owner's birth date or registration month, motorcycles and recreational vehicles shall be inspected ~~[annually]~~ by July 1 **of every second year**.

8 Motor Vehicle Inspections; Fees. Amend RSA 266:2 to read as follows:

266:2 Fees. The fee for inspection stickers shall be ~~[\$3.25]~~ **\$6.50** for each sticker furnished an approved inspection station. The division shall transfer ~~[\$.25]~~ **\$.50** of each fee collected under this section to the motor vehicle air pollution abatement fund established by RSA 125-S:3 and ~~[\$.25]~~ **\$.50** of each fee collected under this section to the general fund. All unused stickers returned by the approved inspection station to the division shall be refundable at the rate of ~~[\$3.25]~~ **\$6.50** each, except that unused stickers purchased from the division for a fee of \$2.50 shall be refundable at the rate of \$2.50 each **and unused stickers purchased from the division for a fee of \$3.25 shall be refundable at the rate of \$3.25 each.**

9 Effective Date.

I. Sections 6-8 of this act shall take effect January 1, 2012.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill authorizes retail vehicle dealers to act as agents of the division of motor vehicles for vehicle registrations and title applications. This bill changes the annual motor vehicle inspection requirement to a biennial requirement. This bill also raises the fee for inspection stickers from \$3.25 to \$6.50.

Reps. Keith Murphy and Tamburello spoke in favor.

Rep. Vaillancourt spoke in favor and yielded to questions.

Reps. Frederick Rice, Packard and Hunt spoke against.
Rep. Tamburello requested a roll call; sufficiently seconded.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Bettencourt moved that the House reconsider its action whereby, on a roll call vote of 176-166, it adopted the majority committee report of Ought to Pass with Amendment on ***SB 156-FN-L***, authorizing retail vehicle dealers to act as agents of the division of motor vehicles for vehicle registrations and title applications.

Rep. Bettencourt spoke against.

Rep. Frederick Rice requested a roll call; sufficiently seconded.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Hunt moved that the House reconsider its action whereby, on a roll call vote of 180-171, it adopted the majority committee report of Ought to Pass on **SB 57**, relative to regulation of title loan lenders.

Rep. Hunt spoke against.

Motion failed.

REGULAR CALENDAR (CONT'D)

SB 157-FN, relative to the division of weights and measures and fees for licensing weighing devices and the definition of service technician. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Calvin D. Pratt for Executive Departments and Administration: For the majority of the last twenty years, the licensed and state-regulated weights and measures service technicians have been able to place state "seals" on the equipment they calibrate and maintain. During the state budget process two years ago this privilege was removed and transferred to state inspectors. This change required two service calls per vendor and added a delay to the process in the interim. In addition, the finance committee added additional registration fees to cover the cost of the four inspectors that were added to the staff. The fee increases were passed on to vendors and through them to customers. Last year, in SB 514, Chapter 358, Laws of 2010, these licensed service technicians were reinstated in part and allowed to place their professional "mark" on devices so they could be used until such time as the state inspectors could place a "seal." For utility purposes, the mark and the seal performed the same function. SB 157 completes the process begun the year earlier and allows the licensed service technicians to calibrate, maintain and "seal" the registered devices (similar to the process used for car inspections). This bill will also return the registration fees to their previous levels since the four recent inspectors' positions have been defunded in the current House-passed budget, thus reducing costs to vendors and customers. This is a plus in our current inflationary economy. The committee amendment requires the department to report annually on complaints, investigations and audits of these devices. Vote 11-3.

Amendment (1478h)

Amend the bill by inserting after section 2 the following and renumbering the original sections 3-4 to read as 4-5, respectively:

3 New Paragraph; Commissioner of Agriculture, Markets and Food; Annual Report. Amend RSA 438:7 by inserting after paragraph VIII the following new paragraph:

IX. The commissioner shall make an annual report on October 1 of each year to the house and senate committees on executive departments and administration and to the house and senate clerks including the number of consumer complaints, the number of inspections, and the number of audits during the prior fiscal year for meters, scales, and other devices.

AMENDED ANALYSIS

This bill:

I. Eliminates the rulemaking authority of the commissioner of the department of agriculture, markets and food to set fees for licensing weighing devices.

II. Allows service technicians to issue state seals.

III. Sets a fee schedule for licensing weighing devices.

IV. Requires the commissioner of the department of agriculture, markets and food to make an annual report to the house and senate regarding consumer complaints, inspections, and audits.

Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment.

Rep. Pratt spoke in favor.

Rep. Peter Schmidt spoke against, yielded to questions and requested a roll call; sufficiently seconded.

and the committee report was adopted.
Referred to the Committee on Ways and Means.

The House recessed at 1:05 p.m.

RECESS

(Speaker O'Brien in the Chair)

The House reconvened at 2:15 p.m.

REGULAR CALENDAR (CONT'D)

SB 91, relative to automatic fire suppression sprinklers. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. John A. Burt for the Majority of Municipal and County Government: The bill prohibits ordinances, regulations, codes and administrative practices requiring fire sprinklers in one and two family homes. This is a safeguard to personal liberty by preserving an individual's choice whether or not to purchase such a system for their home. The committee heard testimony regarding the considerable expense of the system, accessory components and ongoing maintenance costs associated with these systems, placing a significant financial burden on new home buyers. The recommendation of the committee to pass SB 91 follows the overwhelming and non-partisan support for HB 109 which prevents planning boards from requiring fire sprinklers and HB 1486, Chapter 282, Laws of 2010 removing fire sprinklers from the statewide building code. Passage of this bill is consumer friendly for NH home buyers. Vote 12-5.

Rep. Kris E. Roberts for the Minority of Municipal and County Government: This bill is not just an attempt to limit local control. SB 91 is a attempt to issue a state defined one-size fits all ban on the requirement of fire sprinkler systems for new single and two-family homes regardless of local conditions. What would work in some communities wouldn't and doesn't work in places like Keene where some homes are being built miles away from city water and require in excess of 15 minutes, longer in winter, travel time for fire equipment, nor in communities that don't have paid fire departments. SB 91, as amended, removing the word "enforce" leaves open to interpretation, if SB 91 would require any town or city currently having an ordinance requiring fire sprinkler systems to invalidate that ordinance. The sponsors have stated that this is about individual rights and limiting government control, but the government has the requirement to provide a certain level of public safety to every citizen regardless of the costs. One sponsor stated that some communities are buying larger fire equipment to provide fire protection to homes away from the town center, this at the cost of all other property owners in the community. Additionally, insurance companies develop community insurance overlays based on fire protection services and local fire codes, again affecting everyone's insurance costs. We shouldn't be using the power of the government to require the majority to assume the cost of the moral hazard. The sponsors of SB 91 stated that the high cost of installing sprinkler systems was having a serious negative effect on the construction trades in New Hampshire. Research has shown that the average nation-wide cost of home fire sprinkler systems in new construction is about 1.5%. Even if the NH rate was double the national average and a home fire sprinkler system added \$9,000 to a cost of a new \$300,000 home, most realtors would confirm that the major components in home sales are quality of schools, community safety and property taxes. The property taxes on that same \$300,000 home would be \$3,000 in Moultonborough, \$6,000 in Hollis and \$9,000 in Keene. If someone is willing to pay in excess of \$180,000 in additional property taxes over the life of a thirty year mortgage by living in Keene rather than in Moultonborough, it is highly unlikely the cost of a \$4,500-\$9,000 home sprinkler system plays a factor in that person's home-buying decision. The prime sponsors stated that SB 91 would reduce the cost of work force housing thus increasing the availability. Firstly, there is very little, if any, work force housing built or being built outside the community water service. But most important, the House voted to end the state's mandate concerning work force housing to the local communities. Now we are being asked to strip local communities of local control by passing a state mandate prohibiting them from acting in the best interest and safety of their communities.

Majority Amendment (1415h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Power to Amend State Building Code and Establish Enforcement Procedures.
Amend RSA 674:51 by inserting after paragraph IV the following new paragraph:

V. No municipality or local land use board as defined in RSA 672:7 shall adopt any ordinance, regulation, code, or administrative practice requiring the installation of automatic fire suppression sprinklers in any new or existing detached one- or 2-family dwelling unit in a structure used only for residential purposes.

2 Effective Date. This act shall take effect July 1, 2011.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.

Reps. Kris Roberts and Condra spoke against.

Reps. Burt and Gimas spoke in favor.

Rep. DeStefano spoke against and yielded to questions.

Rep. Sterling spoke in favor and yielded to questions.

Rep. Kris Roberts requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

SB 78-FN-A-L, relative to motor vehicle registration fees. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Karen C. Umberger for the Majority of Finance: This bill, in its original form, would have accelerated the sunset of the surcharge on motor vehicles of \$30 or more each year. While the Governor wanted to keep this unpopular surcharge, the proposed House budget eliminated it. As the bill is currently constructed, the only NH citizens to benefit are those with birthdays in May and June. The amendment provides an avenue to spread this benefit to all residents by proposing a 5 cent per gallon gas tax holiday from its effective date until 30 June 2011. The New Hampshire House is sensitive to the ever growing cost of gas and its burden on our citizens as well its drag on our economy. In addition to providing relief to the drivers of New Hampshire, this amendment will allow the state to attract out-of-state residents who will also likely purchase other goods like cigarettes, lottery tickets and liquor. The committee heard from a gas station owner who testified that in the competitive environment of that industry, stations will need to reduce their prices accordingly or lose volume to those other stations that do make the reduction. The effect on the highway fund is below the current operating surplus so no cuts in the 2011 highway budget are necessary. Ultimately this bill will make New Hampshire more competitive while helping our residents who are now struggling with the soaring price of gasoline. Vote 20-6.

Rep. Robert A. Foose for the Minority of Finance: The minority believes that there has been extensive evidence from the work of the Public Works Committee over multiple biennia that the Highway Fund cannot survive within a revenue structure that does not contain an appropriate substitute for the registration surcharge. When the last Legislature completed its budget for this biennium it was with the understanding that the sunset of the surcharge would be coupled with action taken to replace the funds. Further, the minority believes that the logic that the 5-cent temporary tax reduction would be seen by the consumer is purely speculative.

Majority Amendment (1519h)

Amend the title of the bill by replacing it with the following:

AN ACT reducing the rate of the road toll.

Amend the bill by replacing all after the enacting clause with the following:

1 Road Toll; Rate Reduced. For the period beginning on the effective date of this section and ending June 30, 2011, the road toll imposed pursuant to RSA 260:32 shall be \$.13 per gallon.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill reduces the rate of the road toll from \$.18 per gallon to \$.13 per gallon through June 30, 2011.

Rep. Campbell spoke against and yielded to questions.

Rep. Weyler spoke in favor and yielded to questions.

Rep. Bettencourt requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

SB 147-FN, relative to Medicaid managed care. OUGHT TO PASS WITH AMENDMENT.

Rep. Patrick F. Abrami for Ways and Means: Currently, the Medicaid program is structured predominantly as a fee-for-service program. It has been determined that this is a costly model to the state. This bill calls for the state to move to a less costly managed care model. In addition, this bill requires the commissioner of the department of health and human services to issue a 5-year request for proposal to enter into contracts with vendors who can support a managed care model. The committee unanimously endorsed the concept of moving our Medicaid program to a managed care model. Vote 20-0.

Amendment (1564h)

Amend RSA 126-A:5, XIX(a) as inserted by section 1 of the bill by replacing it with the following:

XIX.(a) The commissioner shall employ a managed care model for administering the Medicaid program and its enrollees to provide for managed care services for all Medicaid populations

throughout New Hampshire consistent with the provisions of 42 U.S.C. 1396r-2. Models for managed care may include, but not be limited to, a traditional capitated managed care organization contract, an administrative services organization, an accountable care organization, or a primary care case management model, or a combination thereof, offering the best value, quality assurance, and efficiency, maximizing the potential for savings, and presenting the most innovative approach compared to other externally administered models. The department shall present the opportunities of the various models or combination of models with a recommendation for the best managed care model for New Hampshire, no later than July 15, 2011, to the fiscal committee of the general court which shall consult with the oversight committee on health and human services. Services to be managed within the model shall include all mandatory Medicaid covered services and may include, but shall not be limited to, care coordination, utilization management, disease management, pharmacy benefit management, provider network management, quality management, and customer services. The commissioner shall issue a 5-year request for proposals to enter into contracts with the vendors that demonstrate the greatest ability to satisfy the state's need for value, quality, efficiency, innovation, and savings. The request for proposals shall be released no later than October 15, 2011. The vendors of the managed care model or combination of models demonstrating the greatest ability to satisfy the state's need for value, quality, efficiency, innovation, and savings shall be selected no later than January 15, 2012 with final contracts submitted to the governor and council no later than March 15, 2012 unless this date is extended by the fiscal committee. After the bidding process, the commissioner shall establish a capitated rate based on the bids by the appropriate model for the contract that is full risk to the vendors. The capitated rate shall be broken down into rate cells for each population including, but not limited to, the persons eligible for temporary assistance to needy families (TANF), aid for the permanently and totally disabled (APTD), breast and cervical cancer program (BCCP), home care for children with severe disabilities (HC-CSD), and those residing in nursing facilities. The capitated rate shall be approved by the fiscal committee of the general court. The managed care model or models' selected vendors providing the Medicaid services shall establish medical homes and all Medicaid recipients shall receive their care through a medical home. In contracting for a managed care model and the various rate cells, the department shall ensure no reduction in the quality of care of services provided to enrollees in the managed care model and shall exercise all due diligence to maintain or increase the current level of quality of care provided. The target date for implementation of the contract is July 1, 2012. The commissioner may, in consultation with the fiscal committee, adopt rules, if necessary, to implement the provisions of this paragraph. The department shall seek, with the approval of the fiscal committee, all necessary and appropriate waivers to implement the provisions of this paragraph.

Amend RSA 126-A:5, XIX(c)(3) as inserted by section 1 of the bill by replacing it with the following:

(3) A "managed care organization" means an entity that is authorized by law to provide covered health services on a capitated risk basis and arranges for the provision of medical assistance services and supplies and coordinates the care of Medicaid recipients residing in all areas of the state, including the elderly, those meeting federal supplemental security income and state standards for disability, and those who are also currently enrolled in Medicare.

AMENDED ANALYSIS

This bill requires the commissioner of the department of health and human services to issue a 5-year request for proposals to enter into contracts with vendors of a managed care model to provide for managed care services to the Medicaid population. The commissioner, in consultation with the fiscal committee of the general court, is granted rulemaking authority for the purposes of this bill. Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment. Rep. Hess offered floor amendment (1610h).

Floor Amendment (1610h)

Amend RSA 126-A:5, XIX(a) as inserted by section 1 of the bill by replacing it with the following:

XIX.(a) The commissioner shall employ a managed care model for administering the Medicaid program and its enrollees to provide for managed care services for all Medicaid populations throughout New Hampshire consistent with the provisions of 42 U.S.C. 1396r-2. Models for managed care may include, but not be limited to, a traditional capitated managed care organization contract, an administrative services organization, an accountable care organization, or a primary

care case management model, or a combination thereof, offering the best value, quality assurance, and efficiency, maximizing the potential for savings, and presenting the most innovative approach compared to other externally administered models. The department shall present the opportunities of the various models or combination of models with a recommendation for the best managed care model for New Hampshire, no later than July 15, 2011, to the fiscal committee of the general court which shall consult with the oversight committee on health and human services. Services to be managed within the model shall include all mandatory Medicaid covered services and may include, but shall not be limited to, care coordination, utilization management, disease management, pharmacy benefit management, provider network management, quality management, and customer services. The model shall not include mandatory dental services. The commissioner shall issue a 5-year request for proposals to enter into contracts with the vendors that demonstrate the greatest ability to satisfy the state's need for value, quality, efficiency, innovation, and savings. The request for proposals shall be released no later than October 15, 2011. The vendors of the managed care model or combination of models demonstrating the greatest ability to satisfy the state's need for value, quality, efficiency, innovation, and savings shall be selected no later than January 15, 2012 with final contracts submitted to the governor and council no later than March 15, 2012 unless this date is extended by the fiscal committee. After the bidding process, the commissioner shall establish a capitated rate based on the bids by the appropriate model for the contract that is full risk to the vendors. The capitated rate shall be broken down into rate cells for each population including, but not limited to, the persons eligible for temporary assistance to needy families (TANF), aid for the permanently and totally disabled (APTD), breast and cervical cancer program (BCCP), home care for children with severe disabilities (HC-CSD), and those residing in nursing facilities. The capitated rate shall be approved by the fiscal committee of the general court. The managed care model or models' selected vendors providing the Medicaid services shall establish medical homes and all Medicaid recipients shall receive their care through a medical home. In contracting for a managed care model and the various rate cells, the department shall ensure no reduction in the quality of care of services provided to enrollees in the managed care model and shall exercise all due diligence to maintain or increase the current level of quality of care provided. The target date for implementation of the contract is July 1, 2012. The commissioner may, in consultation with the fiscal committee, adopt rules, if necessary, to implement the provisions of this paragraph. The department shall seek, with the approval of the fiscal committee, all necessary and appropriate waivers to implement the provisions of this paragraph.

Reps. Hess, Kurk and Almy spoke in favor.

Floor amendment (1610h) adopted.

Committee report adopted and ordered to third reading.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Hess moved that the House reconsider its action whereby, on a voice vote, it adopted the committee report of Ought to Pass with Amendment on **SB 147-FN**, relative to Medicaid managed care.

Rep. Hess spoke against.

Motion failed.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Hess moved that the House reconsider its action whereby, on a roll call vote of 208-98, it adopted the majority committee report of Ought to Pass with Amendment on **SB 78-FN-A-L**, relative to motor vehicle registration fees.

Rep. Hess spoke against.

Motion failed.

BILLS REMOVED FROM THE CONSENT CALENDAR

SB 152-FN, relative to participation in state employees' group insurance by members of the general court. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Maurice L. Pilote for Executive Departments and Administration: This bill adds a new paragraph to RSA 14-A:6 stipulating that members of the general court who participate in the state employees' insurance but who fail to pay within 30 days of billing shall have their coverage terminated. Current members could re-enroll upon payment of outstanding bills. Former members who allow

their payment to lapse would have their coverage permanently terminated. The amendment provides for proper notification to the member that coverage would be terminated within 10 business days unless payment is sent. The amendment also requires that an automatic payment option be available to minimize the likelihood of inadvertent termination of coverage. Vote 14-0.

Amendment (1483h)

Amend RSA 14-A:6, V as inserted by section 1 of the bill by replacing it with the following:

V. If a participant pursuant to paragraph II of this section fails to remit payment in full for participation within 30 days of billing, on the 30th day the participant shall be notified by certified or registered mail that he or she shall remit payment to the department within 10 business days of receiving the letter or his or her benefits shall be permanently terminated effective upon the 10th business day after receipt of the letter.

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3:

2 Department of Administrative Services; Automatic Payment Option. The department of administrative services shall implement a system of payment for participants in the group insurance plan under RSA 14-A:6 that allows for a participant to opt for automatic payment to the department from the participant's bank account.

AMENDED ANALYSIS

This bill allows the department of administrative services to invoice and collect payment for participation in the group insurance plan by members of the general court.

This bill also requires the department of administrative services to offer a form of automatic payment for participation in the group insurance plan.

Rep. Carol McGuire moved Recommit, spoke in favor and yielded to questions.

Motion adopted.

Recommitted to the Committee on Executive Departments and Administration.

SB 173, proclaiming January 24, 2012 as Granny D. Day. **OUGHT TO PASS.**

Rep. Kenneth Hawkins for Executive Departments and Administration: The committee is unanimous in support of having the governor issue a proclamation on January 24, 2012 honoring Granny D for her walk at age 90 across America. Vote 15-0.

Rep. Horrigan requested a roll call; sufficiently seconded.

ENROLLED BILLS REPORT

The Committee on Enrolled Bills has examined and found correctly Enrolled House Bills numbered 27, 46, 63, 69, 79, 80, 88, 95, 106, 111, 112, 170, 172, 185, 206, 229, 289, 333, 336, 364, 404, 491, 535, 570, House Joint Resolution numbered 3 and Senate Bills numbered 16, 26 and 35.

Rep. Kidder, Sen. Prescott for the Committee

RESOLUTION

Rep. Bettencourt offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, May 4, 2011 at 10:00 a.m.
Adopted.

LATE SESSION**Third reading and final passage**

SB 62, relative to persons participating in the return to work program.

SB 92, establishing an economic strategic commission to review the relationship between business and government.

SB 104, relative to certain agricultural operations and certain bonds for excavation and driveways.

SB 42, relative to the declaration of consideration for purposes of the real estate transfer tax.

SB 57, relative to regulation of title loan lenders.

SB 156-FN-L, authorizing retail vehicle dealers to act as agents of the division of motor vehicles for vehicle registrations and title applications.

SB 91, relative to automatic fire suppression sprinklers.

SB 78-FN-A-L, relative to motor vehicle registration fees.

SB 147-FN, relative to Medicaid managed care.

SB 173, proclaiming January 24, 2012 as Granny D. Day.

UNANIMOUS CONSENT

Reps. Jennifer Coffey, Baldasaro and Norelli addressed the House.

MOTION TO PRINT REMARKS

Rep. Bettencourt moved that the remarks made by Rep. Jennifer Coffey be printed in the Permanent Journal.

Adopted.

REMARKS

Rep. Jennifer Coffey: Thank you, Mister Speaker and thank you to my colleagues for this moment. The Holocaust was the state-sponsored, systematic persecution and annihilation of European Jewry by Nazi Germany and its collaborators between 1933 and 1945. Six million Jews were murdered; Roma (Gypsies), people with disabilities, and Poles were also targeted for destruction or decimation for racial, ethnic, or national reasons; and millions more, including homosexuals, Jehovah's Witnesses, Soviet prisoners of war, and political dissidents, also suffered grievous oppression and death under Nazi tyranny. The history of the Holocaust offers an opportunity to reflect on the moral responsibilities of individuals, societies, and governments; and we the people of the State of New Hampshire should always remember the terrible events of the Holocaust and remain vigilant against hatred, persecution, and tyranny; and we the people of the State of New Hampshire should actively rededicate ourselves to the principles of individual freedom in a just society. The Days of Remembrance have been set aside for the people of the State of New Hampshire to remember the victims of the Holocaust as well as to reflect on the need for respect of all peoples; and pursuant to an Act of Congress, October 7, 1980, the United States Holocaust Memorial Council designates the Days of Remembrance of the victims of the Holocaust to be Sunday, May 1 through Sunday, May 8, 2011, including the Day of Remembrance known as Yom Hashoah, May 1, 2011. I ask for a moment of silence to remember all of those who perished in the Holocaust.

MOMENT OF SILENCE

A moment of silence was observed in honor and in memory of those who perished in the Holocaust.

MOTION TO PRINT REMARKS

Rep. DiPentima moved that the remarks made by Rep. Baldasaro be printed in the Permanent Journal. Adopted.

REMARKS

Rep. Baldasaro: Thank you, Mister Speaker. Mister Speaker, I would like to take this opportunity to talk about a young lieutenant from my town of Londonderry that we lost, Pete Sohm, whom I really didn't know much at all and so I didn't have a clue of what to say. All I knew of Pete was that in the many parades that I march, it was his music on the trumpet playing Taps. So I really thought about this and on such short notice, we have a writer in our town called Joe who writes a column called *Joe's Two Cents* and he actually knew Lieutenant Sohm. I asked him last night and he sent me over his story that he wrote about the Lieutenant and I thought I would share it with all.

Joe's Two Cents by Joe Paradis of Londonderry

It was a tradition in this high school band every Memorial Day. They'd march through the center of our quaint little town. All three hundred of them. Playing patriotic songs on their way to the town cemetery. Once there, three of the trumpeters would silently peel off and station themselves at different locations throughout the cemetery. One close to the gravesite where flowers were laid, one farther away at the edge of the woods, and the third a bit farther away over the hill. And when the time was right, and the speeches completed, they would play taps – one at a time, starting with the closest trumpeter – as a salute to America's fallen. As I recall during my time as a "Band Parent," Pete would start, the echo of his strong notes drifting over the warm breeze and into the hearts of those in attendance. Robert would echo those notes at the edge of the woods. And Fran would follow up from the farthest point. At the end of that two minutes, the crowd would solemnly disburse, each of us with either a lump in the throat or a tear in the eye from that magical mixture of five simple notes, played so eloquently by three high school students. Robert and Fran would tell you that Pete's was definitely the loudest trumpet. The purest sound. The strongest talent. They believed Pete was so good, that often as they were marching the many miles they covered each year with Londonderry's Marching Lancers, they wouldn't play at all. They called it a "short rest." That concept caught on with a lot of the other kids on the trumpet line. They all knew Pete's instrument was so strong, even on his own, that they could fake it for a few minutes. Pete didn't seem to mind. He was proud of that talent. And just like his talent, his shiny silver trumpet stood out among everyone else's brass instruments. I learned later that Pete had other talents. He'd been flying small airplanes for a number of years – he was all of seventeen when I learned that. He was goal-driven and seemed to know what he wanted to do with his life. He was a friendly kid, with a smile that didn't quit. All that talent landed him at the United States Air Force Academy, with a four-year college scholarship. On a journey that would earn him his gold bars and a commission as a 2nd Lieutenant in the U.S. Air Force, after four grueling years of study and hard work. To Pete, this seemed to be a fun journey. I met up with his mother one day during his first year. She told me how Pete had learned to be "innovative" in school – how he would cop a piece of tin foil from somewhere and use it to make toast over a candle in his room. A little snack that was apparently not allowed in the strict dorm room environment of one of America's toughest educational facilities. Where toast could probably get you expelled. But Pete had fun with it – and obviously never got caught. I last met Pete and his winning smile at the Manchester airport two years ago. He was between school years – summer break to us – and touring the country with an Air Force team, performing at air shows. He told me of the acrobatics he and his team would perform in small propeller-driven airplanes. Of the precision and reflexes it took to complete these aerial maneuvers – and above all, how much fun it was. We talked about the Air Force – just little things. I marveled that he was allowed to wear fatigues in an airport – when I served, it was frowned upon to wear them anywhere in public while off duty. Besides, the public was just learning not to spit on its military in those days – but that's another story. From Pete's perspective, my experience was strange. I was happy that he was where he was at that point in time, when America appreciated those who were serving. We talked about toast, of course. And of other little antics he did to keep some sanity in his life at the Academy. But above all, we talked flying – and I learned right there why Pete's talent with the trumpet would so easily transfer to this latest challenge he had presented himself. But it was soon time for his flight, so we shook hands and I hugged this kid who made me so proud. I can only imagine his parents' pride. Then he walked down the ramp to his plane. I never saw Pete again. Last week, I heard about a small airplane crash near San Angelo, Texas. Two young off duty Air Force 2nd lieutenants, who, as the news told it, were taking their aircraft up to view the wildfires that had spread across Texas. There was one story of an eyewitness who saw a small single engine plane doing aerial maneuvers over the area where

the plane went down. Regardless of the stories, I learned that one of those young men was Pete. No one can know the whole story of what happened over Texas that day. Experts will sift through that. All I know is that the Air Force lost two outstanding young pilots, one of them, a true high school friend of my own son. And I cannot even imagine the agony that is piercing the very souls of his mother, his father, and his sisters as they sort through this personal tragedy. But I do firmly believe that Heaven will benefit from Pete's presence, where the sweet melodic notes of Pete's silver trumpet can only enhance the trumpet section of the angels. Sailing through the sky, high above the clouds. In a place where Pete has always wanted to be. Thanks for sharing your life with us, Lieutenant. May your courage bring strength to the rest of us, who will miss your winning smile.

Thank you.

MOMENT OF SILENCE

A moment of silence was observed in honor and in memory of 2nd Lieutenant Peter Sohm of Londonderry.

RECESS MOTION

Rep. Bettencourt moved that the House stand in recess for the purposes of the introduction of bills, receiving Senate messages, enrolled bill amendments, enrolled bill reports and forming Committees of Conference.

Adopted.

The House recessed at 4:10 p.m.

RECESS

(Rep. Rowe in the Chair)

ENROLLED BILL AMENDMENTS

HB 142-FN, relative to sales of artificial flowers and miniature flags.

Amendment (1469-EBA)

Amend section 1 of the bill by replacing line 1 with the following:

1 Repeal. The subdivision heading preceding RSA 320:17 and RSA 320:17 through 320:19, relative to

Adopted.

HB 571-FN, relative to lobster and crab licenses issued by the fish and game department.

Amendment (1480-EBA)

Amend RSA 211:18, III(c) as inserted by section 1 of the bill by replacing line 1 with the following:

(c) Any individual who possessed a valid limited commercial lobster and crab license prior to

Adopted.

SENATE MESSAGES

CONCURRENCE

HB 56, relative to proper observance of September 11, 2001.

HB 198, relative to the investment options for county funds.

HB 251, relative to absentee ballots.

HB 274-FN, relative to voting procedures.

HB 277-FN, relative to the deposit of fees collected under the Unified Carrier Registration System into the highway fund.

HB 331-FN, relative to posting agency expenditures on the state transparency website.

HB 426, adding certain entities to the unused prescription drug program.

NONCONCURRENCE

HB 572-FN, relative to official oppression.

RE-REFERRED TO COMMITTEE

HB 405, relative to dissolving corporations.

LAI D ON THE TABLE

HB 156-FN-A, reducing the rates of the tobacco tax.

HB 348-FN, transferring the duties of the racing and charitable gaming commission to the lottery commission and abolishing the racing and charitable gaming commission, and prohibiting new electronic gaming devices without statutory authorization.

RECESS

(Speaker O'Brien in the Chair)

Rep. Stepanek moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 17

Wednesday, May 4, 2011

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Roger Boucher.

Almighty God, as always we lift up our personal cares and ask that You help us prevail over the dilemmas of our lives. We remember the House members and their families who are ill and need healing. Give us the courage to take the day's responsibilities of our office to heart and exercise common sense and respectability in our high calling. Today we are especially thankful and reassured that life is meaningful under this flag because of great courage shown by our men and women in uniform. Only when we are not indifferent to evil and suffering, and are called to endure some of its hardships and to pursue the good that brings joy in seeing justice done do we clearly see Your blessings and Your vision of life restored. And so we ask for Your special blessings on them, especially those from the State of New Hampshire. If they are alert to Your presence, Lord, then keep us alert also to the value of life. We all seek peace in the portion of life given to us and when the responsibilities to secure peace are shouldered by the armed services, our measure of fear is lifted and turned into confidence and hope. Give us courage, then, to protect the innocent and foster the blessed humanity of each civilian we serve. Keep us always focused on the ultimate good. We ask this in Your name. Amen.

Representative Daniel Tamburello, member from Londonderry, led the Pledge of Allegiance.

Representative James Garrity of Atkinson led the singing of the National Anthem.

LEAVES OF ABSENCE

Reps. Charron, Eaton, Hofemann and Robert Moore, the day, illness.

Reps. Beattie, Campbell, Coughlin, Hamm, Katsiantonis, Leonard, Marcus, Mauro, Mirski, Packard, Panek, Sapienza, Stephen Schmidt and Suzanne Smith, the day, important business.

INTRODUCTION OF GUESTS

Nancy and Jerry Desmarais, parents of Rep. Sanborn. Donald McGuinness, father of Rep. McGuinness. Windham Selectman Bruce Breton, guest of Rep. Ronald Belanger. Santa Garcia, Matteo and Tina Gravina, mother and guests of Rep. Garcia.

INTRODUCTION OF SPECIAL GUESTS

The Winnacunnet Girls Basketball Team, 2011 Division I State Champions accompanied by Head Coach Ed Beattie.

WITHOUT OBJECTION

Without objection, the Speaker ordered that Senate Messages be taken up after the Consent Calendar.

CONSENT CALENDAR

Rep. Bettencourt moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

SB 89, establishing a study committee on the procurement of health insurance by employee leasing companies, removed by Rep. Pilotte.

SB 195, naming the Manchester Airport Access Road for Raymond Wieczorek, removed by Rep. Bowers.

SB 75-FN, relative to clarification of part-time service in the state retirement system, removed by Rep. Bergevin.

Consent Calendar adopted.

SB 50, making various changes to laws regulating trusts and trust companies. **OUGHT TO PASS WITH AMENDMENT.**

Rep. David J. Palfrey for Commerce and Consumer Affairs: This bill continues the long-standing legislative initiative to establish New Hampshire as a leading jurisdiction in the national market for

financial, trust and fiduciary services and to attract the good, clean financial service jobs of that marketplace to New Hampshire. SB 50 makes changes to the statutes governing wills and trusts that will continue to maintain New Hampshire's competitiveness among states in this growing economic sector. The committee amendment clarifies the authority of the probate court and certain state agencies and makes several minor editing and technical corrections to the bill as it passed the Senate. Vote 18-0.

Amendment (1533h)

Amend RSA 551:22, II as inserted by section 2 of the bill by replacing it with the following:

II. A no-contest provision shall be enforceable according to the express terms of the no-contest provision without regard to the presence or absence of probable cause for, or the beneficiary's good or bad faith in, taking the action that would justify the complete or partial forfeiture of the beneficiary's interest in the will under the terms of the no-contest provision. A no-contest provision shall be unenforceable to the extent that the will is invalid because of fraud, duress, undue influence, lack of testamentary capacity, or any other reason. In the case of an action solely to challenge the acts of the executor or other fiduciary of the will, a no-contest provision shall be unenforceable to the extent that the executor or other fiduciary has committed a breach of fiduciary duties or breach of trust.

Amend RSA 551:22, III(a)-(b) as inserted by section 2 of the bill by replacing it with the following:

(a) Any action brought by the executor or other fiduciary of a will that incorporates a no-contest provision, unless the executor or other fiduciary is a beneficiary against whom the no-contest provision is otherwise enforceable;

(b) Any agreement among the beneficiaries and any other interested persons in settlement of a dispute or resolution of any other matter relating to such will;

Amend RSA 564:1, II as inserted by section 3 of the bill by replacing it with the following:

II. Except as provided in RSA 564:19, IV, this section shall not apply with respect to any trust exempted from the accounting requirements under RSA 564:19, II.

Amend RSA 564:19 as inserted by section 5 of the bill by replacing it with the following:

564:19 Filing Account.

I. Except as otherwise provided in paragraph II, every trustee shall file in the probate court an annual account of administration, unless upon petition [he] ***the trustee*** is excused by the judge of probate; but in no event shall [he] ***the trustee*** be excused for a period longer than [three] 3 years, except that in cases where such filing may be impractical and may work financial hardship to the trust estate the judge of probate upon written approval of the attorney general may extend said period not exceeding in the aggregate [five] 5 years. Such annual account of administration provided for herein may be allowed by the judge of probate without publication unless he ***or she*** shall otherwise order. Before giving notice to settle a final account the trustee shall file it in the probate office and shall cause the fact of such filing to appear in the notice and shall at the same time file a statement of the names and residences of the beneficiaries in the trust estate.

II. The following trusts created under will shall be exempt from the accounting requirements of paragraph I:

(a) ***A trust created under a will admitted to probate on or after January 1, 2012, shall be exempt from the accounting requirements of paragraph I if, under the terms of the will, the testator expressly waives the requirement for annual accountings.***

(b) ***A trust created under any will shall be exempt from the accounting requirements of paragraph I if all of the interested persons agree to waive the trustee's filing of accounts, and the probate court finds that the waiver of filing of accounts does not violate a material purpose of the trust. The interested persons may agree to waive the trustee's filing of accounts by means of a nonjudicial settlement agreement within the meaning of RSA 564-B:1-111. For purposes of this subparagraph, the trustee's filing of accounts is not a material purpose of a trust created under a will unless, under the terms of the will, there is a clear and express manifestation of the testator's intent that the trust shall be subject to full judicial supervision, including a requirement that the trustee file accounts with the court.***

(c) ***If the court grants a petition for the acceptance of jurisdiction over a trust with respect to which a court of another state has released its jurisdiction, and the court releasing jurisdiction did not require the trustee or trustees of the trust to file accounts with that court, or required that the trustee or trustees of the trust file accounts less frequently than annually, then the court accepting jurisdiction over such trust shall not require accountings whatsoever, or shall require accountings less frequently than annually, as the case may be, on the same basis as may have been required by the court releasing jurisdiction.***

III. A trust created under a will described in paragraph II, with respect to which no judicial accountings will be required, shall in all respects be subject to the beneficiary reporting and information requirements of RSA 564-B, the Uniform Trust Code, and all other pertinent provisions of such code, except to the extent that a contrary provision appears in the will under which the trust was created, provided that such contrary provision does not violate any of the mandatory rules of RSA 564-B:1-105. For these purposes, the pertinent terms of the will shall have the same meaning as "terms of a trust" and the "will creating the trust" shall have the same meaning as "trust instrument", as defined in RSA 564-B:1-103(19) and (20), respectively.

IV. Nothing in this section shall be interpreted to modify or limit the jurisdiction or authority of the probate court to require any trustee of a trust created under a will to make a judicial accounting or to give bond, either upon a motion on interested person, or on the probate court's own action.

V. For purposes of this section, an "interested person" means any person who has standing to petition the court to order the trustee to account, including the director of charitable trusts if, with respect to the trust, the director has the rights of a qualified beneficiary under RSA 564-B:1-110(c).

VI. Nothing in this section shall limit the authority of the attorney general or the department of health and human services otherwise provided by common law or other statute.

Amend RSA 564-B:2-201(b) as inserted by section 9 of the bill by replacing it with the following:

(b) A trust, other than a trust created by a will, ~~is not~~ **subject to the provisions of RSA 564:19, shall not be** subject to continuing judicial supervision unless ordered by the court.

Amend the bill by replacing all after section 10 with the following:

11 Uniform Trust Code; Limitation of Action Against Trustee. Amend RSA 564-B:10-1005 to read as follows:

564-B:10-1005 Limitation of Action Against a Trustee by a Beneficiary.

(a) A beneficiary may not commence a proceeding against a trustee for breach of trust more than one year after the date the beneficiary or a representative of the beneficiary was sent a report that adequately disclosed the existence of a potential claim for breach of trust and informed the beneficiary of the time allowed for commencing a proceeding.

(b) A report adequately discloses the existence of a potential claim for breach of trust if it provides sufficient information so that the beneficiary or representative knows of the potential claim or should have inquired into its existence.

(c) If subsection (a) does not apply, a judicial proceeding by a beneficiary against a trustee for breach of trust must be commenced within 3 years after the first to occur of:

- (1) The removal, resignation, or death of the trustee;
- (2) The termination of the beneficiary's interest in the trust; ~~or~~
- (3) The termination of the trust; ~~or~~

(4) The date on which the beneficiary or a representative of the beneficiary was sent a report that adequately disclosed the existence of a potential claim for breach of trust.

(d) The periods of limitation under this section shall not be tolled for any reason, except by a written agreement of the trustees and qualified beneficiaries or a court order. Without limiting the circumstances under which a court may issue an order tolling the period of limitations, a court may issue an order tolling the period of limitations under this section during the pendency of any action described in RSA 564-B:10-1014(c)(3).

(e) Nothing in this section shall limit the authority of the attorney general or the department of health and human services otherwise provided by common law or other statute.

12 New Section; Uniform Trust Code; Limitation of Action Against a Trustee by a Trustee, Trust Advisor, or Trust Protector. Amend RSA 564-B by inserting after section 10-1005 the following new section:

564-B:10-1005A Limitation of Action Against a Trustee by a Trustee, Trust Advisor, or Trust Protector.

(a) A trustee shall commence a proceeding against a cotrustee or a former trustee for breach of trust within 3 years after the earlier of the date on which the trustee was sent a report that adequately disclosed the existence of a potential claim for breach of trust or the removal, resignation, or death of the cotrustee or former trustee. A trustee, however, shall not commence a proceeding against a cotrustee or a former trustee if, under RSA 564-B:10-1005, none of the beneficiaries may commence a proceeding against the cotrustee or former trustee for such breach of trust.

(b) A trust advisor or trust protector shall commence a proceeding against a trustee for breach of trust within 3 years after earlier of the date on which the trust advisor or trust protector was sent a report that adequately disclosed the existence of a potential claim for breach of trust or the removal, resignation, or death of the trustee. A trust advisor or trust protector, however, shall not commence a proceeding against a trustee for breach of trust if, under RSA 564-B:10-1005, none of the beneficiaries may commence a proceeding against the trustee for such breach of trust.

(c) A report adequately discloses the existence of a potential claim for breach of trust if it provides sufficient information so that the recipient knows of the potential claim or should have inquired into its existence.

(d) The periods of limitation under subsection (a) shall not be tolled except by either a written agreement of the trustees or, in the case of a possible claim against a former trustee, the trustees and the former trustee or a court order. The periods of limitation under subsection (b) shall not be tolled except by a written agreement of the trust advisors, trust protectors, and trustees or a court order. Without limiting the circumstances under which a court may issue an order tolling the period of limitations, a court may issue an order tolling the period of limitations under this section during the pendency of any action described in RSA 564-B:10-1014(c)(3).

13 New Section; Uniform Trust Code; Enforcement of No-Contest Provision. Amend RSA 564-B by inserting after section 10-1013 the following new section:

564-B:10-1014 Enforcement of No-Contest Provision.

(a) For the purposes of this section, a "no-contest provision" of a trust instrument means a provision that, if given effect, would reduce or eliminate the interest of any beneficiary of such trust who, directly or indirectly, initiates or otherwise pursues:

(1) Any action to contest the validity of the trust or the terms of the trust;

(2) Any action to set aside or vary the terms of the trust;

(3) Any action to challenge the acts of the trustee or other fiduciary of the trust in the performance of the trustee's or other fiduciary's duties as described in the terms of the trust; or

(4) Any other act or proceedings to frustrate or defeat the settlor's intent as expressed in the terms of the trust.

(b) A no-contest provision shall be enforceable according to the express terms of the no-contest provision without regard to the presence or absence of probable cause for, or the beneficiary's good or bad faith in, taking the action that would justify the complete or partial forfeiture of the beneficiary's interest in the trust under the terms of the no-contest provision. A no-contest provision shall be unenforceable to the extent that the trust is invalid because of fraud, duress, undue influence, lack of testamentary capacity, or any other reason. In the case of an action solely to challenge the acts of the trustee or other fiduciary of the trust, a no-contest provision shall be unenforceable to the extent that the trustee or other fiduciary has committed a breach of fiduciary duties or breach of trust.

(c) Subsection (b) shall not apply to:

(1) Any action brought by the trustee or any other fiduciary serving under the terms of the trust, unless the trustee or other fiduciary is a beneficiary against whom the no-contest provision is otherwise enforceable;

(2) Any agreement among the beneficiaries and any other interested persons in settlement of a dispute or resolution of any other matter relating to the trust, including without limitation any nonjudicial settlement agreement;

(3) Any action to determine whether a proposed or pending motion, petition, or other proceeding constitutes a contest within the meaning of a no-contest provision;

(4) Any action brought by a beneficiary or on behalf of any such beneficiary for a construction or interpretation of the terms of the trust; or

(5) Any action brought by the attorney general for a construction or interpretation of a charitable trust or a trust containing a charitable interest if a provision exists in a trust purporting to penalize a charity or charitable interest for contesting the trust if probable cause exists for instituting proceedings.

(d) It is the intent of this section to enforce the settlor's intent as reflected in a no-contest provision to the greatest extent possible. The provisions of this section shall be construed and applied in a manner consistent with such intent.

(e) This section shall apply to all judicial proceedings concerning the enforcement or interpretation of a no-contest provision commenced on or after its effective date.

14 New Section; Uniform Trust Code; Limitation of Action Against a Trust Advisor or Trust Protector. Amend RSA 564-B by inserting after section 12-1205 the following new section:

564-B:12-1206 Limitation of Action Against a Trust Advisor or Trust Protector.

(a) A beneficiary shall commence a proceeding against a trust advisor or trust protector for breach of trust within the earlier of:

(1) One year after the date on which the beneficiary or the beneficiary's representative was sent a report that adequately disclosed the existence of a potential claim for breach of trust and informed the beneficiary of the time allowed for commencing a proceeding; or

(2) Three years after the date on which the beneficiary or the beneficiary's representative was sent a report that adequately disclosed the existence of a potential claim for breach of trust.

(b) A fiduciary shall commence a proceeding against a trust advisor or trust protector for breach of trust within 3 years after the date on which the fiduciary was sent a report that adequately disclosed the existence of a potential claim for breach of trust; provided, however, that a fiduciary shall not commence a proceeding against a trust advisor or trust protector for breach of trust if, under subsection (a), none of the beneficiaries may commence a proceeding against the trust advisor or trust protector for such breach of trust. For purposes of this section, a "fiduciary" means any trustee, trust advisor, or trust protector.

(c) A report adequately discloses the existence of a potential claim for breach of trust if it provides sufficient information so that the recipient knows of the potential claim or should have inquired into its existence.

(d) The periods of limitation under subsection (a) shall not be tolled for any reason, except by a written agreement of the qualified beneficiaries and each of the trust advisors and trust protectors against whom a beneficiary may commence a proceeding or a court order. The periods of limitation under subsection (b) shall not be tolled for any reason, except by a written agreement of the trustees and each of the trust advisors and trust protectors against whom a fiduciary may commence a proceeding or a court order. Without limiting the circumstances under which a court may issue an order tolling the period of limitations, a court may issue an order tolling the period of limitations under this section during the pendency of any action described in RSA 564-B:10-1014(c)(3).

(e) Nothing in this section shall limit the authority of the attorney general or the department of health and human services provided by common law or other statute.

15 Uniform Principal and Income Act; Conversion to Unitrust. Amend RSA 564-C:1-106(a)-(b) to read as follows:

(a) Unless expressly prohibited by the terms of the trust, a trustee may convert a trust into a unitrust as described in this section if all of the following apply:

(1) The trustee determines that the conversion will enable the trustee to better carry out the intent of the settlor [~~or testator~~], *as defined in RSA 564-B:1-103(15)*, and the purposes of the trust.

(2) The trustee gives written notice of the trustee's intention to convert the trust into a unitrust and of how the unitrust will operate, including what initial decisions the trustee will make under this section, to all the [sui-juris] *qualified* beneficiaries, *as defined in RSA 564-B:1-103(12) and including the director of charitable trusts if, with respect to the trust, the director has the right of a "qualified beneficiary" under RSA 564-B:1-110(c)*. [who:

(A) Are currently eligible to receive income from the trust;

(B) Would be eligible, if a power of appointment were not exercised, to receive income from the trust if the interest of all the beneficiaries eligible to receive income under subparagraph (a)(2)(A) were to terminate immediately before the giving of notice; and

(C) Would receive, if no powers of appointment were exercised, a distribution of principal if the trust were to terminate immediately prior to the giving of notice.

(3) There is at least one sui-juris beneficiary under subparagraph (a)(2)(A) and at least one sui-juris beneficiary under subparagraph (a)(2)(B):

(4) No sui-juris] (3) *No qualified* beneficiary objects to the conversion to a unitrust in a writing delivered to the trustee within 60 days of the mailing of the notice under subparagraph (a)(2).

(b)(1) The trustee may petition the court to approve the conversion to a unitrust if [any of the following apply:

(A) A beneficiary timely objects to the conversion to a unitrust:

(B) There are no sui-juris beneficiaries under subparagraph (a)(2)(A):

~~(C) There are no sui-juris beneficiaries under subparagraph (a)(2)(C):~~ ***a qualified beneficiary timely objects to the conversion of the unitrust.***

(2) A ***qualified*** beneficiary may request a trustee to convert to a unitrust. If the trustee does not convert, the beneficiary may petition the court to order the conversion.

(3) The court shall approve the conversion or direct the requested conversion if the court concludes that the conversion will enable the trustee to better carry out the intent of the settlor ~~or testator~~ and the purposes of the trust.

16 Uniform Principal and Income Act; Conversion to Unitrust. Amend RSA 564-C:1-106(j)-(l) to read as follows:

(j)(1) If subparagraph (i)(3), (i)(4), or ~~[(i)(5)]~~ ***(i)(6)*** applies to a trustee and there is more than one trustee, a cotrustee to whom the provision does not apply may convert the trust, unless the exercise of the power by the remaining trustee or trustees is prohibited by the terms of the trust.

(2) If subparagraph (i)(3), (i)(4), or ~~[(i)(5)]~~ ***(i)(6)*** applies to all the trustees, the trustees may petition the court to direct a conversion.

(k) A trustee may permanently release the power conferred by paragraph (a) or may release the power conferred by paragraph (a) for a specified period including a period measured by the life of an individual to convert to a unitrust if any of the following apply:

(1) The trustee is uncertain about whether possessing or exercising the power will cause a result described in subparagraph (i)(3), (i)(4), or (i)(5).

(2) The trustee determines that possessing or exercising the power will or may deprive the trust of a tax benefit or impose a tax burden not described in paragraph (i).

~~(l) [The provisions of RSA 564-B:3-304 shall apply with respect to beneficiaries other than sui-juris beneficiaries]~~ ***For the purposes of this section, a person may represent and bind another person in accordance with Article 3 of RSA 564-B.***

17 Uniform Trust Code; Conforming Change. Amend RSA 564-B:3-304 to read as follows:

564-B:3-304 Representation by Person Having Substantially Identical Interest. Unless otherwise represented, a minor, incapacitated, or unborn individual, or a person whose identity or location is unknown and not reasonably ascertainable, may be represented by and bound by another having a substantially identical interest with respect to the particular question or dispute, but only to the extent there is no conflict of interest between the representative and the person represented. ~~[Nothing in this section shall expand or limit the virtual representation of sui-juris beneficiaries for purposes of RSA 564-C:1-106.]~~

18 New Paragraph; Uniform Trust Code; Notice for Minors and Incapacitated Persons. Amend RSA 564-B:1-109 by inserting after paragraph (d) the following new paragraph:

(e) Notice to any minor or incapacitated individual shall not be effective unless such notice is sent to a person who represents and can bind such minor or incapacitated individual in accordance with the provisions of Article 3 of this chapter.

19 Qualified Dispositions in Trust Act; When Transferor May Serve as Trust Advisor. Amend RSA 564-D:5 to read as follows:

564-D:5 Transferor May Serve as Trust Advisor. Any individual, including the transferor of the qualified disposition, may serve as a trust advisor as described in RSA 564-D:4. However, if such transferor serves as the trust advisor, his or her rights and powers as a trust advisor shall be limited to ~~[the right to disapprove distributions from the trust and the right to consent to a trustee's action or inaction relating to the investment of trust assets:]~~

I. The right to direct, consent to, or veto a fiduciary's actual or proposed investment decisions; and

II. The rights and powers described in RSA 564-D:2, II excluding any power that would enable the transferor, acting as trust advisor, to direct, consent to, veto, or otherwise participate in a distribution by the trustee to or for the benefit of the transferor, the transferor's creditors, the transferor's estate, or the creditors of the transferor's estate.

20 Effective Date. This act shall take effect 60 days after its passage.

Referred to the Committee on Judiciary.

SB 116, relative to the manufactured housing installation standards board. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Sean M. McGuinness for Commerce and Consumer Affairs: This bill amends law pertaining to the manufactured housing installation standards board. The bill permits a licensed installer to place

a warranty seal on a manufactured home. Currently, only a manufacturer can obtain a seal. The bill also allows the standards board to meet at the call of the board chair rather than only every 90 days. The bill also allows a licensed installer's employer to provide a surety bond or a letter of credit on behalf of the licensee. Finally, the committee adopted an amendment which exempted certain temporary construction units (on site trailers) from the third party inspection process required of residential units under RSA 205 C-1. Industry advocates and state fire officials are not in conflict over this technical change. Vote 18-0.

Amendment (1573h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the manufactured housing installation standards board and relative to the definition of a modular building.

Amend the bill by inserting after section 3 the following and renumbering the original section 4 to read as 5:

4 Modular Building Standards; Definition of Modular Building. Amend RSA 205-C:1, XI to read as follows:

XI. "Modular building" means any building of closed construction, which is made or assembled in manufacturing facilities off the building site, for installation, or assembly and installation, on the building site. This definition shall not be construed to include any structure labeled in accordance with the Federal Manufactured Housing Construction and Safety Standards Act of 1974, *nor shall it include single-wide structures under 750 square feet, provided that they are not for residential or classroom use*, nor shall it include any recreational vehicle or park trailer as defined in American National Standards Institute A119.2, Standard for Recreational Vehicles, or A119.5, Standard for Park Trailers, or any building type not subject to the requirements of nationally recognized model building codes.

AMENDED ANALYSIS

This bill:

- I. Requires a licensed installer or manufacturer to attach a warranty seal to a manufactured home.
- II. Removes the requirement that the manufactured housing installation standards board meet at least every 90 days and permits the board to meet at the call of the board or the chairperson.
- III. Provides that a licensed installer's employer may file the required surety bond or letter of credit on behalf of the licensee.
- IV. Clarifies the definition of a modular building under RSA 205-C, relative to modular building standards.

SB 122, establishing a committee to study the laws relating to electronic prescriptions. **OUGHT TO PASS.**

Rep. Chris F. Nevins for Commerce and Consumer Affairs: This bill seeks to improve and encourage the use of electronic prescriptions with private medical practices. Currently, most New Hampshire hospitals already have such a system which has proven to be successful at reducing costs and eliminating errors. A committee will be established to study the laws relating to electronic prescriptions and will report its findings by Nov. 1, 2011. Vote 17-1.

SB 33-FN, relative to retired state employee contributions for medical benefits costs. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Kenneth Hawkins for Executive Departments and Administration: This bill, introduced at the request of the department of administrative services, authorizes the department to collect from retired state employees under the age of 65, the statutorily required premium of \$65.00 per month for a single retiree or \$130.00 per month for a retiree and spouse. This provision applies both to retirees who receive a retirement allowance and retirees who do not receive an allowance. The amendment adds a reenrollment clause for retirees whose benefits were terminated for nonpayment, within six months of the termination date, upon payment of any outstanding contribution or other amount. Vote 15-1.

Amendment (1505h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; State Employee Contributions to Medical and Surgical Benefits. Amend RSA 21-I:30 by inserting after paragraph V the following new paragraph:

VI. The commissioner of administrative services shall invoice and collect from retired state employees under the age of 65 years receiving medical and surgical benefits provided under this section, who do not receive a retirement allowance as defined in RSA 100-A:1, XXII, the premium contribution amounts of \$65 per month for each such retiree and \$65 per month for each applicable spouse; provided that the charge to each household shall not exceed \$130 per month. The commissioner of administrative services is also authorized to invoice and collect from such other participants contribution amounts as specified by law. Collected amounts shall be deposited in the employee and retiree benefit risk management fund. Failure to remit payment of the contribution amount in full within 30 days of billing shall be grounds for terminating benefits, effective with the beginning of the billing period. Reenrollment shall be dependent upon payment of any outstanding contribution or other amounts within 6 months of the termination date. If a participant fails to remit payment in full for participation within 30 days of billing, on the 30th day the participant shall be notified by certified mail, return receipt requested, that he or she shall remit payment to the department within 10 business days of receiving the letter or his or her benefits shall be terminated effective upon the 10th business day after receipt of the letter and that reenrollment shall be dependent upon payment of any outstanding contribution or other amount within 6 months of the termination date.

2 New Hampshire Retirement System; Medical and Surgical Benefit Administration. Amend RSA 100-A:54, III to read as follows:

III. The retirement system shall deduct from the monthly retirement allowance of retired state employees under the age of 65 years receiving medical and surgical benefits provided pursuant to RSA 21-I:30, the premium contribution amounts of \$65 per month for each such retiree and \$65 per month for each applicable spouse; provided that the charge to each household shall not exceed \$130 per month. Deducted amounts, which shall be in addition to and notwithstanding any amounts payable by the retirement system pursuant to RSA 100-A:52, RSA 100-A:52-a, and RSA 100-A:52-b, shall be deposited in the employee and retiree benefit risk management fund. In the event the retiree's monthly allowance is insufficient to cover the certified contribution amount, the retirement system shall so notify the department of administrative services, which shall invoice and collect from the retiree the ~~[remaining]~~ contribution amount. *Failure to remit payment of the contribution amount in full within 30 days of billing shall be grounds for terminating benefits, effective with the beginning of the billing period. Reenrollment shall be dependent upon payment of any outstanding contribution or other amounts within 6 months of the termination date. The department of administrative services shall provide notice of the termination of benefits pursuant to RSA 21-I:30, VI.*

3 Effective Date. This act shall take effect 60 days after its passage.

SB 76-FN, relative to the authority of the department of revenue administration to adopt rules and to administer state tax laws. **INEXPEDIENT TO LEGISLATE.**

Rep. Peter T. Hansen for Executive Departments and Administration: The committee felt that this bill required additional work before it could be considered and that HB 564, currently retained by Ways and Means, would be the best way to address the issues in SB 76 as they are similar. Vote 17-0.

SB 81-FN, relative to powers and duties of commissioners of executive branch agencies, and relative to the extension of the expired term of a commissioner or agency head. **OUGHT TO PASS.** Rep. Randall A. Whitehead for Executive Departments and Administration: This bill will improve the functionality and efficiency of departments, should re-assignment of employees be necessary, by allowing the commissioner to transfer or re-assign personnel or to delegate, transfer or assign the authority to administer within components of the agency. This bill limits the extension of the service of a commissioner or agency head as a holdover from an expired term. There is no fiscal impact resulting from this bill. Vote 13-1.

SB 51, relative to the establishment of a state leadership team to address issues concerning certain adults with developmental disabilities who may present a substantial risk to the community. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Frank R. Kotowski for Health, Human Services and Elderly Affairs: As amended, the bill requires that the department of health and human services initiate action to produce a Memorandum of Understanding among itself, the department of corrections and the attorney general. The Memorandum of Understanding shall outline responsibilities, including the roles each will take in the future in addressing issues concerning adults with developmental disabilities who could potentially present a substantial risk to the community. Vote 16-0.

Amendment (1452h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the establishment of an inter-departmental team to address issues concerning certain adults with developmental disabilities who may present a substantial risk to the community.

Amend the bill by replacing section 1 with the following:

1 New Paragraph; Inter-Departmental Team. Amend RSA 126-A:5 by inserting after paragraph XVIII the following new paragraph:

XIX.(a) The commissioners of the departments of health and human services and corrections, and the attorney general shall enter into a memorandum of understanding establishing an inter-departmental team, to address responsibilities associated with the most challenging cases of individuals 18 years of age or older with developmental disabilities or acquired brain disorders who present a substantial risk to community safety as determined by a comprehensive risk assessment appropriate to the individual. The memorandum of understanding shall include a requirement for participation by the: department of health and human services, including the bureau of developmental services, the bureau of behavioral health, the division for children, youth and families, the bureau of drug and alcohol services, the New Hampshire hospital, the department of justice, and the department of corrections. The purpose of the memorandum of understanding is to promote collaboration and cooperation across all services systems to determine and recommend system responsibility for providing and/or funding specific services and supports to effectively meet the needs of the individual and the public safety of the community in accordance with the rules of the respective departments.

(b) Nothing in this paragraph shall abrogate the rights of individuals or responsibilities of agencies under RSA 171-A, RSA 171-B, RSA 137-K, or any other applicable state or federal law.

(c) Any of the departments may refer a case to the team for consideration. In addition, a county house of corrections may refer a case to the team for consideration for individuals determined eligible under RSA 171-A.

(d) The commissioners and the attorney general shall submit an annual report beginning on November 1, 2011 to the president of the senate, the speaker of the house of representatives, and the governor relative to the outcomes and recommendations of the team.

AMENDED ANALYSIS

This bill requires the commissioners of the departments of health and human services and corrections, and the attorney general to enter into a memorandum of understanding to establish an inter-departmental team, to address issues concerning certain adults with developmental disabilities who may present a substantial risk to the community.

Referred to the Committee on Criminal Justice and Public Safety.

SB 72-FN, establishing a comprehensive cancer plan fund. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Laurie Harding for Health, Human Services and Elderly Affairs: This bill, as amended, gives the department of health and human services (DHHS) the authority to establish a cancer fund should new grants or private monies become available. SB 72 does not require or request any state dollars. The commissioner of DHHS, in collaboration with the Cancer Collaborative, will direct the use of the funds. Maintaining the possibility of a fund specifically for projects related to cancer makes a statement that New Hampshire continues to recognize that this disease is an issue for its citizens. Vote 16-0.

Amendment (1404h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the comprehensive cancer plan fund.

Amend the bill by replacing all after the enacting clause with the following:

1 Comprehensive Cancer Plan Fund. Amend the introductory paragraph of RSA 126-A:64 to read as follows:

There is hereby established in the office of the state treasurer the comprehensive cancer plan fund, to be administered by the department of health and human services. The department is authorized to accept public sector and private sector grants, gifts, donations, and appropriations for deposit into the fund. The fund shall be nonlapsing and continually appropriated to the department, and shall be used to implement the provisions of the New Hampshire comprehensive cancer plan as developed

by the New Hampshire comprehensive cancer collaboration. The fund shall be expended annually for the following purposes, with allocations determined by the [comprehensive cancer plan oversight board] *commissioner of the department of health and human services, in consultation with the comprehensive cancer collaboration:*

2 Repeal Date Extended. Amend 2007, 263:176, IX to read as follows:

IX. *Paragraph II* of section 98 of this act shall take effect June 30, 2011.

3 Effective Date. This act shall take effect June 30, 2011.

Referred to the Committee on Ways and Means.

SB 151-FN, relative to contracts of the department of health and human services. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Frank R. Kotowski for Health, Human Services and Elderly Affairs: This bill requires the commissioner of the department of health and human services to develop a plan to consolidate contracts of the department including, but not limited to, contracts for the acquisition of goods and services and for the provision of services to clients of the department no later than January 1, 2012. The plan shall be presented for review and comment by the health and human service oversight committee. For the remainder of the biennium ending June 30, 2013, the commissioner shall provide reports to the health and human service oversight committee of the contract consolidation plan. Vote 16-0.

Amendment (1420h)

Amend the bill by replacing section 1 with the following:

1 Contract Consolidation; Department of Health and Human Services. No later than January 1, 2012, the commissioner of the department of health and human services shall develop a plan to consolidate contracts of the department including, but not limited to, contracts for the acquisition of goods and services and for the provision of services to clients of the department. The plan shall be provided for review and comment to the oversight committee on health and human services established pursuant to RSA 126-A:13. For the remainder of the biennium ending June 30, 2013, the commissioner shall provide reports on a quarterly basis to the oversight committee on implementation of the contract consolidation plan.

Referred to the Committee on Finance.

MOTION TO SPECIAL ORDER

Rep. Hawkins moved that **SB 3-FN-A-L**, making comprehensive changes to the state retirement system, be made a Special Order to the beginning of the Regular Calendar and if passed, that House Rules be suspended as to allow immediate third reading.

Adopted by the necessary two-thirds vote.

REGULAR CALENDAR

SPECIAL ORDER

SB 3-FN-A-L, making comprehensive changes to the state retirement system. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Kenneth Hawkins for the Majority of Special Committee on Public Employee Pensions Reform: This bill is much like HB 580 in that it is making changes to the New Hampshire Retirement System. The committee has amended it to reflect the House position on a number of retirement issues. Changes to age requirements, years worked and contribution rates are addressed in the bill. The committee feels that this bill will help strengthen the new retirement system's ability to pay current and future retirees their pension. Vote 10-3.

Rep. Stephen J. Shurtleff for the Minority of Special Committee on Public Employee Pensions Reform: This bill would make substantial changes in employee contributions to the New Hampshire Retirement System (NHRS) and the methodology of how employees' retirement benefits are computed. There are several areas of concern with SB 3. The bill refers to employees "who have not obtained vested status by January 1, 2012" as being subject of this legislation, as well as new employees. However, there is a legal question regarding the definition of the word "vested" as used in this bill. The bill's drafters used the word "vested" to mean those employees who have been employed for ten or more years and eligible for pensions through the NHRS. But as has been pointed out by legal counsel, under well established case law and in accordance with legal opinions of the New Hampshire Attorney General's Office "vested" status is attained by members of the NHRS upon attainment of permanent employment status, usually after a one year probationary period is

successfully completed. Sadly, this bill also contains what is referred to as a "poison pill" provision. Under section 39 of the bill, if any employee challenges this bill in court and any part of the bill is found to be contrary to the constitution of our state or of the United States then section 36 of the bill will come in to effect. This section states that employees contribution to the NHRS will increase as employees will now also be responsible for 50% of the normal contribution as well as 50% of the accrued liability contribution. By including this provision we are saying that if one segment of our population attempts to use its God given rights to challenge the constitutionality of any legislation passed by the New Hampshire House, they will be penalized for doing so. It is not right to say to anyone or any group that if you look to our constitution for protection of your rights, then you do so at your own peril. This is not the American way or the New Hampshire way and should not be part of any legislation emanating from this body.

Majority Amendment (1576h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the New Hampshire retirement system, and relative to continuation of provisions of a collective bargaining agreement following the end of the term of the agreement.

Amend the bill by replacing all after the enacting clause with the following:

1 Findings and Intent.

I. It is imperative for the state to take immediate action to assure the state retirement system's future financial health.

(a) The Pew Institute has concluded that unfunded pension and health care liabilities are a nationwide problem, estimated at over \$1 trillion.

(b) The New Hampshire retirement system has an estimated unfunded pension liability of \$3.7 billion and \$1.5 billion of unfunded medical insurance liability. Although a plan is underway for recovery over 30 years, uncertainties in future market returns, rapid increases in medical costs, increases in life expectancy, and slower growth in public sector employment require prudent intervention to assure financial viability.

(c) The level of federal debt of almost \$14 trillion and growing rapidly suggests that federal assistance to the states may be significantly reduced in the future, adding to the problem.

(d) The budget reductions planned for the state fiscal years 2012 and 2013 are large, and do not fully meet the state's commitments to health and human services, education, transportation, and other services. Reductions in state retirement costs are a necessary part.

II. The current level of benefits for public employees is unsustainable.

(a) On average, benefits constitute an additional 52 percent increase to the cost of public salaries. This is significantly higher than the percent paid in the private sector, and taxpayers are increasing unable to continue this level of support, especially in our recessionary climate.

(b) Public employees are increasingly not cost-competitive with private alternatives to providing state and municipal services.

(c) Public employee contributions to their pensions have not been increased for many years.

III. The financial viability of the state retirement system must be preserved.

(a) Simply shifting who pays (i.e., employees or employers) will not solve the problem.

(b) It is important to adjust the system fairly among employee classes, and to introduce changes in a way to ameliorate impact on present employees, especially those closest to retirement.

(c) Pension costs must not make public employees uncompetitive with the private sector.

2 Retirement System; Definition of Earnable Compensation. Amend RSA 100-A:1, XVII to read as follows:

XVII. "Earnable compensation" shall mean:

(a) For all members *in service on or before June 30, 2011 and who retire prior to July 1, 2016*, the full base rate of compensation paid plus any overtime pay, holiday and vacation pay, sick pay, longevity or severance pay, cost of living bonus, additional pay for extracurricular and instructional activities or for other extra or special duty, and any military differential pay, plus the fair market value of non-cash compensation paid to, or on behalf of, the member for meals or living quarters if subject to federal income tax, but excluding other compensation except cash incentives paid by an employer to encourage members to retire, supplemental pay paid by the employer while the member is receiving workers' compensation, and teacher development pay that is not part of the contracted annual salary. However, earnable compensation in the final 12 months of creditable service prior to termination of

employment shall be limited to 1- 1/2 times the higher of the earnable compensation in the 12-month period preceding the final 12 months or the highest compensation year as determined for the purpose of calculating average final compensation, but excluding the final 12 months. Any compensation received in the final 12 months of employment in excess of such limit shall not be subject to member or employer contributions to the retirement system and shall not be considered in the computation of average final compensation. Provided that, the annual compensation limit for members of governmental defined benefit pension plans under section 401(a)(17) of the United States Internal Revenue Code of 1986, as amended, shall apply to earnable compensation for all employees, teachers, permanent firemen, and permanent policemen who first become eligible for membership in the system on or after July 1, 1996. Earnable compensation shall not include compensation in any form paid later than 120 days after the member's termination of employment from a retirement eligible position, with the limited exceptions of disability related severance pay paid to a member or retiree no later than 120 days after a decision by the board of trustees granting the member or retiree disability retirement benefits pursuant to RSA 100-A:6 and of severance pay which a member was entitled to be paid within 120 days after termination but which, without the consent of the member and not through any fault of the member, was paid more than 120 days after the member's termination. The member shall have the burden of proving to the board of trustees that any severance payment paid later than 120 days after the member's termination of employment is earnable compensation and meets the requirements of an asserted exception to the 120-day post-termination payment requirement.

(b) For any member in service on and after July 1, 2011 and who retires after July 1, 2016, the full base rate of compensation paid plus holiday pay, vacation pay, and sick pay, and any compensation for mandatory training and any military differential pay. Earnable compensation shall not include pay for accumulated unused sick or vacation time. However, earnable compensation in the final 2 12-month periods of creditable service prior to termination of employment shall each be limited to 1-1/2 times the highest compensation year as determined for the purpose of calculating average final compensation, but excluding the final 24 months. Any compensation received in the final 24 months of employment in excess of such limit shall not be subject to member or employer contributions to the retirement system and shall not be considered in the computation of average final compensation. Provided that, the annual compensation limit for members of governmental defined benefit pension plans under section 401(a)(17) of the United States Internal Revenue Code of 1986, as amended, shall apply to earnable compensation for all employees, teachers, permanent firemen, and permanent policemen. Earnable compensation shall not include compensation in any form paid later than 120 days after the member's termination of employment from a retirement eligible position.

3 Retirement System; Definitions; Average Final Compensation. Amend RSA 100-A:1, XVIII to read as follows:

XVIII. "Average final compensation" shall mean, ***for members who retire prior to July 1, 2016***, the average annual earnable compensation of a member during his or her highest 3 years of creditable service, or during all of the years in his or her creditable service if less than 3 years. ***For members who retire on or after July 1, 2016, "average final compensation" shall mean the average annual earnable compensation of a member during his or her highest 5 years of creditable service, or during all of the years in his or her creditable service if less than 5 years.***

4 New Section; Retirement Qualification Age and Benefit Calculation Tables. Amend RSA 100-A by inserting after section 1 the following new section:

100-A:1-a Retirement Qualification Age and Benefit Calculation Tables. Where applicable the following tables shall apply to group I and group II members for the purpose of determining the member's retirement qualification age, years of service, and benefit calculation:

I. Group I.

<u>Creditable service on July 1, 2011</u>	<u>Retirement qualification age</u>	<u>Multiplier</u>
Less than 10 years	65, subject to paragraph III	1/66
At least 10 but not 15 years	64	1/64
At least 15 but not 20 years	63	1/63
At least 20 but not 25 years	62	1/62
At least 25 but not 30 years	61	1/61
At least 30 years	60	1/60

II. Group II.

<u>Creditable service</u> <u>on July 1, 2011</u>	<u>Minimum years of service</u>	<u>Minimum age attained</u>	<u>Annuity multiplier</u>
0 years/ new hire	25	50, subject to paragraph III	2.0%
Less than 4 years	24	49	2.1%
At least 4 years but less than 6 years	23	48	2.2%
At least 6 years but less than 8 years	22	47	2.3%
At least 8 years but less than 10 years	21	46	2.4%
10 years or more	20	45	2.5%

III. The regular retirement qualification age for group I members, and the group II minimum age attained for regular retirement as well as the minimum age to receive a group II retirement allowance under RSA 100-A:5, II(a) for such members, shall be subject to increase according to the following procedure:

(a) Beginning July 1, 2016 and on every subsequent 5-year anniversary thereafter, the executive director shall adjust the ages required according to the increase in the average life expectancy at birth for persons born in the United States as reported in that year by the United States Census Bureau. For each increase in such average life expectancy of at least one full year which occurred during the immediately preceding five-year period, the corresponding number of full years shall be added to the ages identified in this section. Any unused portion of a full-year increase in the average life expectancy shall be carried forward to the subsequent 5-year period.

(b) The board of trustees, following each such 5-year anniversary, shall certify the average life expectancy to be used by the executive director in adjusting the ages according to this section, and shall inform all employers and members of the changes to be applied.

5 New Section; Participation Standards; Classified State Employees. Amend RSA 100-A by inserting after section 28-b the following new section:

100-A:28-c Participation Standards; Classified State Employees.

I. In order to be eligible for participation in the retirement system, an employee as defined in RSA 100-A:1, V who is a classified employee of the state or of any department, commission, institution, or agency of the state government, must be employed in a full-time position with the state or a department, commission, institution, or agency of the state government, as defined by the department of administrative services, division of personnel. Employment by a classified employee in one or more part-time positions, as defined by the department of administrative services, division of personnel, shall not result in such employee's participation in the system, regardless of the number of hours worked in one or more part-time positions, regardless of whether the part-time position or positions may in some instances qualify for vacation pay, sick pay, or other benefits, and regardless of whether positions are held within one or more departments, commissions, institutions, or agencies.

II. Employment by a full-time classified employee of any department, commission, institution, or agency of the state government in a part-time position with a different department, commission, institution, or agency of the state government shall not result in retirement contributions being made in regard to the part-time position, nor shall that position be considered for the purposes of the member's participation in the retirement system.

III. Solely part-time state employment by a classified employee shall not entitle the person to benefits under this chapter or under RSA 21-I:30, RSA 21-I:30-a, or RSA 21-I:32.

IV. To the extent that any administrative rule of the New Hampshire retirement system is inconsistent with the provisions contained this section, the operation of that rule is hereby suspended.

6 State Employees; Group Insurance Benefits. Amend RSA 21-I:30, III to read as follows:

III. Any vested deferred state retiree may receive medical and surgical benefits under this section if the vested deferred state retiree is eligible. To be eligible, a group I vested deferred state retiree shall have at least 10 years of creditable service with the state if the employee's service began prior to July 1, 2003 or 20 years of creditable service with the state if the employee's service began on or after July 1, 2003 and a group II vested deferred state retiree shall have at least 20 years of creditable service with the state if the employee's service with the state began on or after July 1, 2010. In addition, if the vested deferred state retiree is a member of group I, such retiree shall be at least [60 years of age] *the retirement qualification age under RSA 100-A:1-a, I* to be eligible.

If the vested deferred state retiree is a member of group II, such retiree shall not be eligible until [20 years from the date of becoming a member of group II and shall be at least 45 years of age] ***meeting the retirement qualifications under RSA 100-A:1-a, II.***

7 Service Retirement; Age Increased. Amend RSA 100-A:5 to read as follows:

100-A:5 Service Retirement Benefits.

I. Group I Members.

(a) Any group I member may retire on a service retirement allowance upon written application to the board of trustees setting forth at what time, not less than 30 days nor more than 90 days subsequent to the filing thereof, the member desires to be retired, provided the member at the time so specified for retirement has attained ~~[age 60]~~ ***the retirement qualification age under RSA 100-A:1-a, I*** and notwithstanding that during such period of notification the member may have separated from service. For the purposes of this section, a teacher member of group I who remains in service throughout a school year shall be deemed to be in service during July and August at the end of such school year.

(b) Upon service retirement, an employee member or teacher member of group I shall receive a service retirement allowance which shall consist of a member annuity which shall be the actuarial equivalent of the member's accumulated contributions at the time of retirement, and a state annuity. Prior to the member's attainment of age 65, the state annuity, together with the member annuity, shall be equal to ~~[1/60 of the member's average final compensation]~~ ***the benefit multiplier under RSA 100-A:1-a, I*** multiplied by the number of years of creditable service. After attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/66 of the member's average final compensation multiplied by the number of years of creditable service. ***Provided, however, that for members who were not in vested status on July 1, 2011, the number of years of his or her creditable service used to determine the retirement allowance under this subparagraph shall not exceed 33 years.***

(c) Notwithstanding any other provision of law, any group I member who meets the requirements of RSA 100-A:10, I(a), and who has either completed at least 20 years of creditable service which, when combined with his age equals at least 70 years, or who has attained the age of 50, but not the ~~[age of 60]~~ ***retirement qualification age under RSA 100-A:1-a, I***, may elect to retire and have benefits commence immediately as a reduced service retirement allowance upon written application to the board of trustees setting forth the time, not less than 30 days nor more than 90 days subsequent to the filing thereof, at which the member desires to have benefits commence. The service retirement allowance shall be determined in accordance with RSA 100-A:5, I(b) and shall be reduced, for each month by which the date on which benefits commence precedes the month after which the member attains ~~[60 years of age]~~ ***the retirement qualification age under RSA 100-A:1-a, I***, by 1/8 of one percent if the member has 35 years or more of creditable service, by 1/4 of one percent if the member has 30 years but less than 35 years of creditable service, by 1/3 of one percent if the member has at least 25 years but less than 30 years of creditable service, by 5/12 of one percent if the member has at least 20 years but less than 25 years of creditable service, and by 5/9 of one percent if the member has less than 20 years of creditable service.

(d) [Repealed.]

II. Group II Members.

(a) ~~(1) Any group II member in service who has attained [age 45 and completed 20] the retirement qualification age and attained the minimum years of creditable service under RSA 100-A:1-a, II, or who has attained age 60 regardless of the number of years of creditable service, may retire on a service retirement allowance upon written application to the board of trustees; provided however that a group II member who is not in vested status on July 1, 2011 may retire and receive a service retirement allowance beginning upon the attainment of age 55 upon written application to the board of trustees.~~

~~(2) [setting] The written application shall set forth at what time not less than 30 days nor more than 90 days subsequent to the filing thereof the member desires to be retired, notwithstanding that during such period of notification the member may have separated from service.~~

(b) Upon service retirement ***and attainment of the required age***, a group II member shall receive a service retirement allowance which shall consist of:

(1) A member annuity which shall be the actuarial equivalent of his ***or her*** accumulated contributions at the time of retirement; and

(2) A state annuity which, together with his *or her* member annuity, shall be equal to ~~[2-1/2 percent of his average final compensation]~~ ***the annuity multiplier under RSA 100-A:1-a, II*** multiplied by the number of years of his *or her* creditable service ~~[not in excess of 40 years]~~ ***provided the product does not exceed 100 percent, and then multiplied by the member's average final compensation. Provided, however, that for members who were not in vested status on July 1, 2011, the number of years of his or her creditable service used to determine the retirement allowance under this subparagraph shall not exceed 25 years.***

(c)(1) Notwithstanding any provision of RSA 100-A to the contrary, any group II member who has retired on or after the effective date of this subparagraph after attaining the ~~[age of 45 with at least 20]~~ ***retirement qualification age and minimum*** years of creditable service ***under RSA 100-A:1-a, II*** shall receive a minimum annual service retirement allowance of \$10,000. If such group II member has elected to convert the retirement allowance into an optional allowance for the surviving spouse under RSA 100-A:13, the surviving spouse shall be entitled to a proportional share of the \$10,000.

(2) [Repealed.]

(3) [Repealed.]

8 Disability Retirement; Group I Age Increased. Amend RSA 100-A:6, I(b) to read as follows:

(b)(1) Upon ordinary disability retirement, the group I member who has attained ~~[age 60]~~ ***the retirement qualification age under RSA 100-A:1-a, I*** shall receive an ordinary disability retirement allowance which shall consist of a member annuity and shall be the actuarial equivalent of the member's accumulated contributions at the time of his ordinary disability retirement, and a state annuity as follows:

(A) Prior to the member's attainment of age 65, the state annuity, together with the member annuity, shall be equal to ~~[1/60 of the member's average final compensation]~~ ***the benefit multiplier under RSA 100-A:1-a, I*** at the time of his *or her* ordinary disability retirement multiplied by the number of years of creditable service at the time of his *or her* ordinary disability retirement;

(B) After attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/66 of the member's average final compensation at the time of his *or her* ordinary disability retirement multiplied by the number of years of creditable service at the time of his *or her* ordinary disability retirement;

(C) Regardless of age at disability, the ordinary disability retirement allowance shall not be less than 25 percent of the member's average final compensation at the time of his *or her* disability retirement.

(2) Upon ordinary disability retirement, the group I member who has not attained ~~[age 60]~~ ***the retirement qualification age under RSA 100-A:1-a, I*** shall receive an ordinary disability retirement allowance which shall consist of: a member annuity which shall be the actuarial equivalent of the member's accumulated contributions at the time of his ordinary disability retirement; and a state annuity which, together with the member annuity, shall be equal to 1.5 percent of the member's average final compensation at the time of his ordinary disability retirement multiplied by the number of years of creditable service at that time of his ordinary disability retirement. However, regardless of age at disability, the ordinary disability retirement allowance shall not be less than 25 percent of the member's average final compensation at the time of his *or her* disability retirement.

9 Ordinary Disability Retirement; Group II. Amend RSA 100-A:6, II(b) to read as follows:

(b) Upon ordinary disability retirement, the group II member shall receive an ordinary disability retirement allowance which shall consist of: a member annuity which shall be the actuarial equivalent of his *or her* accumulated contributions at the time of his *or her* ordinary disability retirement; and a state annuity which, together with his *or her* member annuity, shall be equal to ~~[2-1/2 percent of his average final compensation]~~ ***the annuity multiplier under RSA 100-A:1-a, II*** at the time of ~~[his]~~ ordinary disability retirement multiplied by the number of years of his *or her* creditable service ~~[not in excess of 40 at the time of his ordinary disability retirement]~~ ***provided the product does not exceed 100 percent, and then multiplied by the member's average final compensation***, provided, ***further***, however, that such allowance shall not be less than 25 percent of the member's final compensation at the time of his *or her* disability retirement. ***Provided, however, that for members who were not in vested status on July 1, 2011, the number of years of his or her creditable service used to determine the retirement allowance under this subparagraph shall not exceed 25 years.***

10 Accidental Disability Retirement; Group I. Amend RSA 100-A:6, I(d) to read as follows:

(d)(1) Upon accidental disability retirement, the group I member who has attained ~~[age 60]~~ **the retirement qualification age under RSA 100-A:1-a, I** shall receive an accidental disability retirement allowance which shall consist of a member annuity and shall be the actuarial equivalent of the member's accumulated contributions at the time of his accidental disability retirement, and a state annuity as follows:

(A) Prior to the member's attainment of age 65, the state annuity, together with the member annuity, shall be equal to ~~[1/60 of the member's average final compensation]~~ **the benefit multiplier under RSA 100-A:1-a, I** at the time of his **or her** accidental disability retirement multiplied by the number of years of creditable service at the time of his **or her** accidental disability retirement;

(B) After attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/66 of the member's average final compensation at the time of his **or her** accidental disability retirement multiplied by the number of years of creditable service at the time of his **or her** accidental disability retirement;

(C) Regardless of age at disability, **for a member who is in vested status on July 1, 2011**, such allowance shall not be less than 50 percent of the member's average final compensation at the time of his **or her** accidental disability retirement.

(2) Upon accidental disability retirement, the group I member who has not attained ~~[age 60]~~ **the retirement qualification age under RSA 100-A:1-a, I** shall receive an accidental disability retirement allowance which shall consist of: the member annuity which shall be the actuarial equivalent of the member's accumulated contributions at the time of his accidental disability retirement; and a state annuity which, together with the member annuity, shall be equal to 50 percent of the member's average final compensation at the time of his **or her** disability retirement.

11 Accidental Disability Retirement; Group II. Amend RSA 100-A:6, II(d) to read as follows:

(d)(1) Upon accidental disability retirement, the group II member **who is in vested status before July 1, 2011**, shall receive an accidental disability retirement allowance equal to 2/3 of his **or her** average final compensation at the time of [his] disability retirement, **and the group II member who is not in vested status on July 1, 2011, shall receive an accidental disability retirement allowance equal to 1/2 of his or her average final compensation at the time of disability retirement.**

(2) For any group II member who has more than 26-2/3 years of service, a supplemental disability retirement allowance shall be paid. Such supplement shall be equal to 2-1/2 percent of his **or her** average final compensation multiplied by the number of years of his **or her** creditable service in excess of 26-2/3 but not in excess of 40 years. **Provided, however, that an accidental disability retirement allowance together with a supplemental disability retirement allowance, as provided in this subparagraph, shall not exceed 100 percent of the disability retiree's average final compensation.**

12 Vested Deferred; Group II Age Increased. Amend RSA 100-A:10, II(b) to read as follows:

(b) Upon the member's attainment of ~~[age 45, provided the member would then have completed 20]~~ **the retirement qualification age and attained the minimum** years of creditable service **under RSA 100-A:1-a, II**, otherwise the subsequent date on which such ~~[20]~~ **minimum** years would have been completed, or at any time after age 60 a group II member who meets the requirement of subparagraph (a) may make application on a form prescribed by the board of trustees and receive a vested deferred retirement allowance which shall consist of: (1) A member annuity which shall be the actuarial equivalent of accumulated contributions on the date the member's retirement allowance commences; and (2) A state annuity which, together with the member annuity, shall be equal to a service retirement allowance based on the member's average final compensation and creditable service at the time the member's service is terminated.

13 Split Benefits; Minimum Age. Amend RSA 100-A:19-b to read as follows:

100-A:19-b Minimum Age. For the purposes of this subdivision only, minimum age shall mean:

I. For a member who has completed less than ~~[20 years]~~ **the minimum years of** combined creditable service in both group I and group II **as provided in RSA 100-A:1-a, II**, 60 years **if the member is in vested status before July 1, 2011, or otherwise 65 years.**

II. For a member who has completed ~~[20 or more]~~ **at least the minimum** years of combined creditable service **as provided in RSA 100-A:1-a, II**, one year shall be deducted from age 60 **if the member is in vested status before July 1, 2011, or otherwise age 65**, for each year of creditable group II service, provided that the age shall not be less than ~~[45 years]~~ **the retirement qualification age under RSA 100-A:1-a, II.**

14 Split Benefits; Reduced Early Retirement; Minimum Age. Amend RSA 100-A:19-d to read as follows:

100-A:19-d Reduced Early Retirement. Notwithstanding any other provision of law, any retirement system member who has creditable service in both group I and group II with at least 10 years combined creditable service, and who has attained ~~[an age which is at least 45]~~ **the retirement qualification age under RSA 100-A:1-a, II** and is within 10 years of the minimum age set forth in RSA 100-A:19-b, may elect to retire and have benefits commence immediately as a reduced split-benefit service retirement allowance. Application shall be as provided in RSA 100-A:5, I(c). The allowance shall be determined as a split-benefit service retirement allowance in accordance with RSA 100-A:19-c, and the total combined split-benefit service allowance shall be reduced by the percentages shown in RSA 100-A:5, I(c), based on the total combined length of creditable service, for each month by which the date on which benefits commence precedes the month after which the member attains the minimum age set forth in RSA 100-A:19-b.

15 Financing; Contribution Rates; Group II Member Payroll Deduction. Amend RSA 100-A:16, I(a) to read as follows:

(a) The member annuity savings fund shall be a fund in which shall be accumulated the contributions deducted from the compensation of members to provide for their member annuities together with any amounts transferred thereto from a similar fund under one or more of the predecessor systems. Such contribution shall be, for each member, **subject to the additions to member contributions under RSA 100-A:16, II(f)**, dependent upon the member's employment classification at the rate determined in accordance with the following table:

[Employees of employers other than the state	5.00
Employees of the state hired on or before June 30, 2009	5.00
Employees of the state hired after June 30, 2009	7.00
Teachers	5.00
Permanent Policemen	9.30
Permanent Firemen	9.30-]
Group I members,	7.00
Group II permanent fireman members,	11.80
Group II permanent police members,	11.55

The board of trustees shall certify to the proper authority or officer responsible for making up the payroll of each employer, and such authority or officer shall cause to be deducted from the compensation of each member, except group II members **who are in vested status before July 1, 2011** with creditable service in excess of 40 years **or group II members who are not in vested status on July 1, 2011 with creditable service in excess of 25 years**, as provided in RSA 100-A:5, II(b) and RSA 100-A:6, II(b), on each and every payroll of such employer for each and every payroll period, the percentage of earnable compensation applicable to such member. No deduction from earnable compensation under this paragraph shall apply to any group II member **who is in vested status before July 1, 2011** with creditable service in excess of 40 years, **or group II member who is not in vested status on July 1, 2011 with creditable service in excess of 25 years**, as provided in RSA 100-A:5, II(b) and RSA 100-A:6, II(b), and this provision for such members shall not affect the method of determining average final compensation as provided in RSA 100-A:1, XVIII. In determining the amount earnable by a member in a payroll period, the board may consider the rate of compensation payable to such member on the first day of a payroll period as continuing throughout the payroll period and it may omit deduction from compensation for any period less than a full payroll period if such person was not a member on the first day of the payroll period, and to facilitate the making of deductions it may modify the deduction required of any member by such an amount as shall not exceed 1/10 of one percent of the annual earnable compensation upon the basis of which such deduction is made. The amounts deducted shall be reported to the board of trustees. Each of such amounts, when deducted, shall be paid to the retirement system at such times as may be designated by the board of trustees and credited to the individual account, in the member annuity savings fund, of the member from whose compensation the deduction was made.

16 Employer Contributions; Limitation Beginning 2013. Amend RSA 100-A:16, II(f) to read as follows:

(f)(I) The total amount payable to the state annuity accumulation fund in each year on account of each member classification shall not be less than normal contribution rate multiplied

by the total compensation earnable by all members in such classification for such year, plus the amount of the accrued liability contribution necessary to liquidate the unfunded accrued liability on behalf of such classification as determined by the actuary under subparagraph (e) above.

(2) Notwithstanding any provision of this paragraph to the contrary, if in any fiscal year after the fiscal year ending June 30, 2012, the total of the amount payable determined under subparagraph (1) plus the member contributions anticipated for such fiscal year, exceed the total amount payable determined under subparagraph (1) plus the member contributions as determined for fiscal year 2012, then any amount for the upcoming fiscal year which exceeds such total for fiscal year 2012 shall be assessed one-half as employer contributions and one-half as additions to the member contribution rates under RSA 100-A:16, I(a) as determined by the board.

17 Retirement System; Administration; Membership of Board. Amend RSA 100-A:14, I to read as follows:

I. The administration of this system is vested in a board of ~~[14]~~ **13** trustees. Each newly appointed or reappointed trustee shall have familiarity with or experience in finance or business management. The state treasurer shall be an ex officio voting member of the board. The governor and council shall appoint ~~[2]~~ **4** trustees, to be known as non-member trustees, who shall be qualified persons with investment and/or financial experience as provided in this paragraph and not be members of the system, and who shall serve for a term of 2 years and until their successors are appointed and qualified. The non-member trustees of the board shall have substantial experience in the field of institutional investment or finance, taking into account factors such as educational background, business experience, and professional licensure and designations. The original appointment of ~~[one]~~ **2** of the non-member trustees shall be for a term of one year. The remaining ~~[11]~~ **8** members of the board shall consist of ~~[2 employees, 2 teachers, 2 permanent policemen, 2 permanent firemen, one member of the senate who shall be appointed annually by the senate president, one member of the house of representatives who serves on the executive departments and administration committee and who shall be appointed annually by the speaker of the house, and one person representing management in local government. Whenever a vacancy occurs, the senate president or the speaker of the house shall fill the vacancy in the same manner by appointing a senate or a house member who shall serve for the unexpired term.]~~ **4 member representatives and 4 employer representatives.** The New Hampshire state employees' association, the New Hampshire education association, the New Hampshire police association, **and** the New Hampshire state permanent firemen's association, ~~[and the New Hampshire Local Government Center]~~ shall each annually nominate from their members a panel of 5 persons, ~~[all of whom except for the panel of the Local Government Center shall be active members of the retirement system, or one of the 4 predecessor systems,]~~ no later than May 31 of each year, and the panels so named shall be filed with the secretary of state no later than June 10 of each year. From ~~[each of]~~ the above named panels, the governor and council shall appoint ~~[one person annually to]~~ **the active member representatives of the board**~~[-except for the panel of the Local Government Center, which shall have one person appointed every 2 years] as needed so as to maintain the representation on the board. The governor and council shall appoint the employer representatives of the board with the advice of employer organizations.~~ Members appointed to the board in the manner aforesaid shall serve for a term of 2 years. Each member so appointed shall hold office until his or her successor shall be appointed and qualified. Whenever a vacancy occurs, the governor and council shall fill the vacancy by appointing a member who shall serve for the unexpired term ~~[from the same panel from which the former member was appointed]~~. The governor shall designate one of the non-member trustees to serve as chairman of said board of trustees.

18 Application; Board of Trustees Membership. Members of the board of trustees for the retirement system on the effective date of this section shall serve for the remainder of their terms. In order to conform to changes to the retirement system board of trustees made by this act, upon a vacancy occurring in the membership on the board of trustees after the effective date of this section, the appointment of a trustee shall be made to reasonably conform to the trustee designations in RSA 100-A:14, I.

19 Repeal of Special Account. RSA 100-A:16, II(h)-(j), relative to the special account, are repealed.

20 Transfer of Balance of Special Account. Any funds remaining in the special account on the effective date of the repeal of the special account by this act shall be transferred to the respective components of the state annuity accumulation fund.

21 Return of Contributions. Amend RSA 100-A:11, I(c) to read as follows:

(c) Upon the death of a group I member who has elected, pursuant to RSA 100-A:10, to receive a vested deferred retirement allowance before his *or her* attainment of [age 60] ***the retirement qualification age under RSA 100-A:1-a, 1***, the amount of his *or her* accumulated contributions at the time of his *or her* death shall be paid to the person or persons, if any, nominated by [him] ***the member***, if living, otherwise to the member's estate.

22 New Paragraph; Definition Added; Part-time Employment. Amend RSA 100-A:1 by inserting after paragraph XXXIII the following new paragraph:

XXXIV. "Part-time," for purposes of employment of a member, means employment by an employer depending on the group classification of the employment as follows:

(a) For group I, in no instance shall part-time employment of the member exceed 1,300 hours in a calendar year.

(b) For group II, in no instance shall part-time employment of the member exceed 1,300 hours in a calendar year.

23 Membership; Optional. Amend the introductory paragraph of RSA 100-A:3, I(a) to read as follows:

I.(a) Any person who becomes an employee, teacher, permanent policeman, or permanent fireman after the date of establishment, working in a position for an employer under this chapter as determined by common law standards, shall become a member of the retirement system as a condition of employment; except that membership shall be optional in the case of ***persons who commenced service prior to July 1, 2008 who are*** elected officials, officials appointed for fixed terms, [~~unclassified state employees;~~] or those employees of the general court who are eligible for membership in the retirement system. Elected officials and officials appointed for fixed terms shall, however, be eligible for membership in the retirement system only under the following conditions:

24 Restoration to Service; Limited to Part-time. RSA 100-A:7 is repealed and reenacted to read as follows:

100-A:7 Service After Retirement; Part-time. No employer shall employ a member in other than a part-time position after the member's retirement pursuant to this chapter.

25 Repeal. 2002, 137:7, relative to the application of the repeal of former RSA 100-A:3, I(c), is repealed.

26 Study Committee Established; Voluntary Defined Contribution Plan.

I. There is established a committee to study the establishment of a federal tax qualified voluntary defined contribution plan.

II. The members of the committee shall be as follows:

(a) Three members of the senate, who shall be from the executive departments and administration committee, appointed by the president of the senate.

(b) Three members of the house of representatives, each of whom shall be from the special committee on public employee pensions reform, appointed by the speaker of the house of representatives.

III. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

IV. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

V. The committee shall report its findings and any recommendations for proposed legislation to the president of the senate, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 2011.

27 State Employees; Retirement. Amend RSA 21-I:30, II(a) to read as follows:

(a) Has at least 10 years of creditable service for the state if the employee's service began prior to July 1, 2003 or 20 years of creditable service if the employee's service began on or after July 1, 2003, and who also is at least 60 years of age at the time of retirement ***if the employee is in vested status before July 1, 2011 or at least 65 years of age at the time of retirement if the employee is not in vested status on July 1, 2011;*** or

28 Definition of Terminal Funding. Amend RSA 100-A:1, XXX to read as follows:

XXX. "Terminal funding" shall mean providing the full present value of the total liability for benefit improvement. [~~Unless otherwise specified, the source of terminal funding shall be the special account established under RSA 100-A:16, H(h).]~~

29 Benefits Upon Death After Retirement; References to Special Account. Amend RSA 100-A:12, I-a and II to read as follows:

I-a. In addition to any other provision of this section, upon the death of a retired group II member of the New Hampshire retirement system or any predecessor system, who retired pursuant to RSA 100-A:5, II with at least 20 years of creditable service or pursuant to RSA 100-A:6, II(a) prior to April 1, 1987, there shall be paid to the member's spouse at the time of retirement, if surviving, an allowance to continue until the spouse's death or remarriage equal to 50 percent of the service or ordinary disability retirement allowance payable to the retired member prior to the member's death. The total cost of terminally funding the benefits provided by this paragraph shall be funded from the ~~[special account established under RSA 100-A:16, H(h)]~~ **state annuity accumulation fund**.

II. Upon the death of a group II member who has retired on or after April 1, 1987, or upon the death of a group II member who has filed an application for retirement benefits with the board of trustees after January 1, 1991, there shall be paid to the person nominated by the member by written designation filed with the board, if living, otherwise to the retired member's estate, in addition to the amount payable under RSA 100-A:11 a lump sum of \$3,600 if the member retired before July 1, 1988, and if the member is married on the date of such member's retirement, there shall be paid to such surviving spouse an allowance to continue until the spouse's death or remarriage equal to 50 percent of the member's service, ordinary disability, or accidental disability retirement allowance payments. For any person who is a group II member as of June 30, 1988, and who retires on or after July 1, 1988, the lump sum payment shall be \$10,000. For any person who becomes a member of group II on or after July 1, 1988, and on or prior to July 1, 1993, the lump sum payment shall be \$3,600. It is the intent of the legislature that future group II members shall be included only if the total cost of such inclusion can be **terminally** funded ~~[by reimbursement from the special account established under RSA 100-A:16, H(h)]~~.

30 Supplemental Allowance; Reference to Special Account. Amend RSA 100-A:41-a, III to read as follows:

III.(a) The payment of any such supplemental allowance shall be contingent on terminal funding of the total actuarial cost thereof. ~~[Such terminal funding shall be from the special account established under RSA 100-A:16, H(h).]~~

(b) ~~[No supplemental allowance shall reduce the funds in the respective component of the special account to an amount less than zero.]~~

(c) Cost of living adjustments shall be retroactive to the member's eligibility date pursuant to paragraph I.

31 Management of Funds; Investment Committee. Amend RSA 100-A:15, I to read as follows:

I. The members of the board of trustees shall be the trustees of the several funds created hereby and shall set the investment policy relative to those funds. The independent investment committee shall have full power to invest and reinvest such funds in accordance with the policy set by the board. The board of trustees **and the members of the independent investment committee** shall have the powers, privileges, and immunities of a corporation. The independent investment committee shall have full power to hold, purchase, sell, assign, transfer, and dispose of any of the securities and investments in which any of the funds created hereby have been invested, as well as the proceeds of such investments in accordance with the policy set by the board. All of the assets and proceeds, and income therefrom, of the New Hampshire retirement system, and all contributions and payments made thereto, shall be held, invested, or disbursed in trust.

32 Independent Investment Committee Amend RSA 100-A:15, IX to read as follows:

IX. The non-trustee members of the independent investment committee shall be afforded the same liability insurance ~~[and]~~, indemnification, **and statutory protections** as board members.

33 New Section; Retirement System; Construction of Provisions; Member Acknowledgement. Amend RSA 100-A by inserting after section I-a the following new section:

100-A:1-b Construction of Provisions; Member Acknowledgement.

I. The benefits provided under this chapter shall not be construed to constitute a binding contractual obligation with respect to members and may be modified or discontinued by the adoption of appropriate legislation.

II. Every employer shall keep on file for each member commencing service after June 30 2011 a statement of the employee's, teacher's, policeman's, or fireman's acknowledgement of the provisions of paragraph I of this section.

34 New Paragraph; Public Employee Labor Relations; Status Quo; Authority of Employer. Amend RSA 273-A:11 by inserting after paragraph II the following new paragraph:

III. Following the end of the term of a collective bargaining agreement and during any period of negotiation, the status quo shall be maintained as to the wages, hours, and conditions of employment of employees in good standing. Except where required by statute, the continuation, after the expiration of the agreement, of the provision of any medical, dental, and life insurance benefits, retirement or pension benefits, and any other fringe benefits, shall be subject to the exclusive authority of the public employer.

35 New Section; Department of Administrative Services; State Employee Refusal of Benefits Program. Amend RSA 21-I by inserting after section 43-a the following new section:

21-I:43-b State Employee Refusal of Benefits Program.

I. The commissioner of the department of administrative services shall establish and administer a program which shall allow a permanent full-time state employee to refuse his or her rights as a state employee to receive state medical, dental, and retirement benefits in order to instead receive an increase in his or her base salary or wage.

II. The department shall develop forms, establish procedures, and adopt rules for administering the program established by this section. The forms shall include specific notice of the details of the benefits refused by the election of a state employee under this section. Any such election shall be required to be signed and dated by the state employee.

III. A permanent full-time state employee paid through the office of the state treasurer shall be eligible to refuse state employee benefits as described in paragraph I. Upon verification by the department of the state employee's refusal of employment benefits, the state employee shall be granted an increase of 25 percent of his or her base salary or wage, excluding pay related to overtime, unused vacation time, unused sick time, longevity pay, or other compensation not deemed by the department to be base salary or wages, to be paid on regular pay schedule for employment during good standing.

IV. The election to refuse state employment benefits for an increase in base salary or wages shall only be available to a permanent full-time state employee who first commenced service with the state on or after July 1, 2011.

V. The source of funds for the payment of the increase of 25 percent for a state employee electing to refuse state employment benefits under this section shall be the employee and retiree benefit risk management fund established in RSA 21-I:30-e.

36 Member Contribution Rates; Contingent Version. The introductory paragraph of RSA 100-A:16, I(a) and the contribution rates following the introductory paragraph are repealed and reenacted to read as follows:

(a) The member annuity savings fund shall be a fund in which shall be accumulated the contributions deducted from the compensation of members to provide for their member annuities together with any amounts transferred thereto from a similar fund under one or more of the predecessor systems. Such contribution shall be, for each member, the rate percent of each member's compensation as determined by the retirement system which shall by annual total represent 50 percent of the normal contribution and accrued liability contribution determined under paragraph II.

37 Repeal. RSA 100-A:41-d, relative to additional temporary supplemental allowances, is repealed.

38 Severability; Contingent Amendment; Effective Date.

I. The provisions of this act making various amendments concerning the New Hampshire retirement system shall be severable and if any phrase, clause, sentence, or provision of this act is declared to be contrary to the constitution of this state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this act and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby.

II. If as provided in paragraph I of this section, any phrase, clause, sentence, or provision is held contrary to the constitution of this state or of the United States, the remaining provisions of the act shall be in full force and effect as to all severable matters, and, except where the constitutional challenge is principally in the interest of employers in the retirement system as defined in RSA 100-A:1, IV, section 36 of this act shall take effect on the July 1 next following the date that the board of trustees certifies to the secretary of state and the director of legislative services of the occurrence of a final ruling on the declaration described in paragraph I.

39 Retirement System; Recalculation of Employer Rates; Recertification. Notwithstanding the notice requirements of RSA 100-A:16, III, the board of trustees of the retirement system shall

recalculate employer contribution rates for the state fiscal years 2012 and 2013 to reflect the requirements of RSA 100-A as amended by this act. Notwithstanding the notice requirements of RSA 100-A:16, III, such employer contribution rates shall be effective for the biennium beginning July 1, 2011, and the recertification of employer contribution percentages, applicable beginning July 1, 2011, shall be provided to each employer within a reasonable period of time not to exceed 30 days from the effective date of this section. The exception to the notice requirements of RSA 100-A:16, III in this section shall be limited to the applicable employer contribution rates for the biennium beginning July 1, 2011.

40 Effective Date.

I. Section 36 of this act shall take effect as provided in section 38 of this act.

II. The remainder of this act shall take effect July 1, 2011.

AMENDED ANALYSIS

This bill makes various changes to the state retirement system including:

I. Increasing retirement ages of group I and group II members for service retirement, disability retirement, vested deferred retirement, and split benefits.

II. Changing the definitions of earnable compensation and average final compensation used in calculating retirement benefits.

III. Changing the composition of the board of trustees.

IV. Eliminating the special account.

V. Increasing contribution rates.

VI. Establishing a committee to study the establishment of a voluntary defined contribution plan.

VII. Modifying optional membership in the retirement system.

VIII. Limiting participation based on part-time employment, defining part time employment for purposes of the New Hampshire retirement system, and prohibiting members in retirement from returning to full-time employment.

This bill also establishes a program allowing a state employee to refuse his or her rights as a state employee to receive state medical, dental, and retirement benefits in order to instead receive an increase in his or her base salary or wage; and provides that after the end of a collective bargaining agreement, the public employer has exclusive authority for continuation of benefits.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Hawkins offered floor amendment (1710h).

Floor Amendment (1710h)

Amend the bill by replacing section 15 with the following:

15 Financing; Contribution Rates; Group II Member Payroll Deduction. Amend RSA 100-A:16, I(a) to read as follows:

(a)(1) The member annuity savings fund shall be a fund in which shall be accumulated the contributions deducted from the compensation of members to provide for their member annuities together with any amounts transferred thereto from a similar fund under one or more of the predecessor systems. Such contribution shall be, for each member, *subject to the additions to member contributions under RSA 100-A:16, II(f)*, dependent upon the member's employment classification at the rate determined in accordance with the following table:

~~Employees of employers other than the state 5.00~~

~~Employees of the state hired on or before June 30, 2009 5.00~~

~~Employees of the state hired after June 30, 2009 7.00~~

~~Teachers 5.00~~

~~Permanent Policemen 9.30~~

~~Permanent Firemen 9.30~~

~~Group I members, 7.00~~

~~Group II permanent fireman members, 11.80~~

~~Group II permanent police members, 11.55~~

(2) The board of trustees shall certify to the proper authority or officer responsible for making up the payroll of each employer, and such authority or officer shall cause to be deducted from the compensation of each member, except group II members *who are in vested status before July 1, 2011* with creditable service in excess of 40 years *or group II members who are not in vested status*

on July 1, 2011 with creditable service in excess of 25 years, as provided in RSA 100-A:5, II(b) and RSA 100-A:6, II(b), on each and every payroll of such employer for each and every payroll period, the percentage of earnable compensation applicable to such member. No deduction from earnable compensation under this paragraph shall apply to any group II member *who is in vested status before July 1, 2011 with creditable service in excess of 40 years, or group II member who is not in vested status on July 1, 2011 with creditable service in excess of 25 years*, as provided in RSA 100-A:5, II(b) and RSA 100-A:6, II(b), and this provision for such members shall not affect the method of determining average final compensation as provided in RSA 100-A:1, XVIII. In determining the amount earnable by a member in a payroll period, the board may consider the rate of compensation payable to such member on the first day of a payroll period as continuing throughout the payroll period and it may omit deduction from compensation for any period less than a full payroll period if such person was not a member on the first day of the payroll period, and to facilitate the making of deductions it may modify the deduction required of any member by such an amount as shall not exceed 1/10 of one percent of the annual earnable compensation upon the basis of which such deduction is made. The amounts deducted shall be reported to the board of trustees. Each of such amounts, when deducted, shall be paid to the retirement system at such times as may be designated by the board of trustees and credited to the individual account, in the member annuity savings fund, of the member from whose compensation the deduction was made.

Amend the bill by replacing section 40 with the following:

40 Applicability. Provisions of this act in sections 2, 4-14, RSA 100-A:16, I(a)(2) as inserted by section 15, 27, 35, and 39 containing references to or applicability on June 30, 2011 and July 1, 2011 shall be changed to November 30, 2011 and December 1, 2011, respectively.

41 Effective Date.

I. Section 36 of this act shall take effect as provided in section 38 of this act.

II. RSA 100-A:16, I(a)(1) as inserted by section 15 of this act shall take effect July 1, 2011.

III. The remainder of this act shall take effect December 1, 2011.

Rep. Hawkins spoke in favor.

Floor amendment (1710h) adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Shurtleff offered floor amendment (1674h).

Floor Amendment (1674h)

Amend the bill by replacing sections 2-4 with the following:

2 Retirement System; Definition of Earnable Compensation. Amend RSA 100-A:1, XVII to read as follows:

XVII. "Earnable compensation" shall mean:

(a) For all members *who commenced service on or before August 31, 2011*, the full base rate of compensation paid plus any overtime pay, holiday and vacation pay, sick pay, longevity or severance pay, cost of living bonus, additional pay for extracurricular and instructional activities or for other extra or special duty, and any military differential pay, plus the fair market value of non-cash compensation paid to, or on behalf of, the member for meals or living quarters if subject to federal income tax, but excluding other compensation except cash incentives paid by an employer to encourage members to retire, supplemental pay paid by the employer while the member is receiving workers' compensation, and teacher development pay that is not part of the contracted annual salary. However, earnable compensation in the final 12 months of creditable service prior to termination of employment shall be limited to 1- 1/2 times the higher of the earnable compensation in the 12-month period preceding the final 12 months or the highest compensation year as determined for the purpose of calculating average final compensation, but excluding the final 12 months. Any compensation received in the final 12 months of employment in excess of such limit shall not be subject to member or employer contributions to the retirement system and shall not be considered in the computation of average final compensation. Provided that, the annual compensation limit for members of governmental defined benefit pension plans under section 401(a)(17) of the United States Internal Revenue Code of 1986, as amended, shall apply to earnable compensation for all employees, teachers, permanent firemen, and permanent policemen who first become eligible for membership in the system on or after July 1, 1996. Earnable compensation shall not include compensation in any form paid later than 120 days after the member's termination of employment

from a retirement eligible position, with the limited exceptions of disability related severance pay paid to a member or retiree no later than 120 days after a decision by the board of trustees granting the member or retiree disability retirement benefits pursuant to RSA 100-A:6 and of severance pay which a member was entitled to be paid within 120 days after termination but which, without the consent of the member and not through any fault of the member, was paid more than 120 days after the member's termination. The member shall have the burden of proving to the board of trustees that any severance payment paid later than 120 days after the member's termination of employment is earnable compensation and meets the requirements of an asserted exception to the 120-day post-termination payment requirement.

(b) For any member who commenced service on or after September 1, 2011, the full base rate of compensation paid plus any compensation for mandatory training and any military differential pay. However, earnable compensation in the final 2 12-month periods of creditable service prior to termination of employment shall each be limited to 1-1/2 times the highest compensation year as determined for the purpose of calculating average final compensation, but excluding the final 24 months. Any compensation received in the final 24 months of employment in excess of such limit shall not be subject to member or employer contributions to the retirement system and shall not be considered in the computation of average final compensation. Provided that, the annual compensation limit for members of governmental defined benefit pension plans under section 401(a)(17) of the United States Internal Revenue Code of 1986, as amended, shall apply to earnable compensation for all employees, teachers, permanent firemen, and permanent policemen. Earnable compensation shall not include compensation in any form paid later than 120 days after the member's termination of employment from a retirement eligible position.

3 Retirement System; Definitions; Average Final Compensation. Amend RSA 100-A:1, XVIII to read as follows:

XVIII. "Average final compensation" shall mean, ***for members who commenced service prior to September 1, 2011***, the average annual earnable compensation of a member during his or her highest 3 years of creditable service, or during all of the years in his or her creditable service if less than 3 years. ***For members who commenced service on or after September 1, 2011, "average final compensation" shall mean the average annual earnable compensation of a member during his or her highest 5 years of creditable service, or during all of the years in his or her creditable service if less than 5 years.***

4 New Section; Retirement Qualification Age and Benefit Calculation Tables. Amend RSA 100-A by inserting after section 1 the following new section:

100-A:1-a Retirement Qualification Age and Benefit Calculation Tables. Where applicable the following tables shall apply to group I and group II members for the purpose of determining the member's retirement qualification age, years of service, and benefit calculation:

I. For Group I members who:

	<u>Retirement qualification age</u>	<u>Multiplier</u>
Commenced service before September 1, 2011	60	1/60
Commenced service on or after September 1, 2011	65, subject to paragraph III	1/66

II. For Group II members who:

	<u>Minimum years of service</u>	<u>Minimum age attained</u>	<u>Annuity multiplier</u>
Commenced service before September 1, 2011	20	45	2.5%
Commenced service on or after September 1, 2011	25	50, subject to paragraph III	2.0%

III. The regular retirement qualification age for group I and group II members who commenced service on or after September, 1, 2011 shall be subject to increase according to the following procedure:

(a) Beginning July 1, 2016 and on every subsequent 5-year anniversary thereafter, the executive director shall adjust the ages required according to the increase in the average life expectancy at birth for persons born in the United States as reported in that year by the United States Census Bureau. For each increase in such average life expectancy of at least one full year which occurred during the immediately preceding five-year period, the corresponding number of full years shall be added to the ages identified in this section. Any unused portion of a full-year increase in the average life expectancy shall be carried forward to the subsequent 5-year period.

(b) The board of trustees, following each such 5-year anniversary, shall certify the average life expectancy to be used by the executive director in adjusting the ages according to this section, and shall inform all employers and members of the changes to be applied.

Amend the bill by replacing section 7 with the following:

7 Service Retirement; Age Increased. Amend RSA 100-A:5 to read as follows:

100-A:5 Service Retirement Benefits.

I. Group I Members.

(a) Any group I member may retire on a service retirement allowance upon written application to the board of trustees setting forth at what time, not less than 30 days nor more than 90 days subsequent to the filing thereof, the member desires to be retired, provided the member at the time so specified for retirement has attained ~~[age 60]~~ ***the retirement qualification age under RSA 100-A:1-a, I*** and notwithstanding that during such period of notification the member may have separated from service. For the purposes of this section, a teacher member of group I who remains in service throughout a school year shall be deemed to be in service during July and August at the end of such school year.

(b) Upon service retirement, an employee member or teacher member of group I shall receive a service retirement allowance which shall consist of a member annuity which shall be the actuarial equivalent of the member's accumulated contributions at the time of retirement, and a state annuity. Prior to the member's attainment of age 65, the state annuity, together with the member annuity, shall be equal to ~~[1/60 of the member's average final compensation]~~ ***the benefit multiplier under RSA 100-A:1-a, I*** multiplied by the number of years of creditable service. After attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/66 of the member's average final compensation multiplied by the number of years of creditable service. ***Provided, however, that for members who commenced service on or after September 1, 2011, the number of years of his or her creditable service used to determine the retirement allowance under this subparagraph shall not exceed 33 years.***

(c) Notwithstanding any other provision of law, any group I member who meets the requirements of RSA 100-A:10, I(a), and who has either completed at least 20 years of creditable service which, when combined with his age equals at least 70 years, or who has attained the age of 50, but not the ~~[age of 60]~~ ***retirement qualification age under RSA 100-A:1-a, I***, may elect to retire and have benefits commence immediately as a reduced service retirement allowance upon written application to the board of trustees setting forth the time, not less than 30 days nor more than 90 days subsequent to the filing thereof, at which the member desires to have benefits commence. The service retirement allowance shall be determined in accordance with RSA 100-A:5, I(b) and shall be reduced, for each month by which the date on which benefits commence precedes the month after which the member attains ~~[60 years of age]~~ ***the retirement qualification age under RSA 100-A:1-a, I***, by 1/8 of one percent if the member has 35 years or more of creditable service, by 1/4 of one percent if the member has 30 years but less than 35 years of creditable service, by 1/3 of one percent if the member has at least 25 years but less than 30 years of creditable service, by 5/12 of one percent if the member has at least 20 years but less than 25 years of creditable service, and by 5/9 of one percent if the member has less than 20 years of creditable service.

(d) [Repealed.]

II. Group II Members.

(a)(I) Any group II member in service who has attained ~~[age 45 and completed 20]~~ ***the retirement qualification age and attained the minimum*** years of creditable service ***under RSA 100-A:1-a, II***, or who has attained age 60 regardless of the number of years of creditable service, may retire on a service retirement allowance upon written application to the board of trustees; ***provided however that a group II member who commenced service on or after September 1, 2011 may retire and receive a service retirement allowance beginning upon the attainment of age 55 upon written application to the board of trustees.***

(2) [setting] ***The written application shall set forth at what time not less than 30 days nor more than 90 days subsequent to the filing thereof the member desires to be retired, notwithstanding that during such period of notification the member may have separated from service.***

(b) Upon service retirement ***and attainment of the required age***, a group II member shall receive a service retirement allowance which shall consist of:

(1) A member annuity which shall be the actuarial equivalent of his ***or her*** accumulated contributions at the time of retirement; and

(2) A state annuity which, together with his *or her* member annuity, shall be equal to ~~[2-1/2 percent of his average final compensation]~~ ***the annuity multiplier under RSA 100-A:1-a, II*** multiplied by the number of years of his *or her* creditable service ~~[not in excess of 40 years]~~ ***provided the product does not exceed 100 percent, and then multiplied by the member's average final compensation. Provided, however, that for members who commenced service on or after September 1, 2011, the number of years of his or her creditable service used to determine the retirement allowance under this subparagraph shall not exceed 25 years.***

(c)(1) Notwithstanding any provision of RSA 100-A to the contrary, any group II member who has retired on or after the effective date of this subparagraph after attaining the ~~[age of 45 with at least 20]~~ ***retirement qualification age and minimum*** years of creditable service ***under RSA 100-A:1-a, II*** shall receive a minimum annual service retirement allowance of \$10,000. If such group II member has elected to convert the retirement allowance into an optional allowance for the surviving spouse under RSA 100-A:13, the surviving spouse shall be entitled to a proportional share of the \$10,000.

(2) [Repealed.]

(3) [Repealed.]

Amend the bill by replacing sections 9-11 with the following:

9 Ordinary Disability Retirement; Group II. Amend RSA 100-A:6, II(b) to read as follows:

(b) Upon ordinary disability retirement, the group II member shall receive an ordinary disability retirement allowance which shall consist of: a member annuity which shall be the actuarial equivalent of his *or her* accumulated contributions at the time of his *or her* ordinary disability retirement; and a state annuity which, together with his *or her* member annuity, shall be equal to ~~[2-1/2 percent of his average final compensation]~~ ***the annuity multiplier under RSA 100-A:1-a, II*** at the time of [his] ordinary disability retirement multiplied by the number of years of his *or her* creditable service ~~[not in excess of 40 at the time of his ordinary disability retirement]~~ ***provided the product does not exceed 100 percent, and then multiplied by the member's average final compensation***, provided, ***further***, however, that such allowance shall not be less than 25 percent of the member's final compensation at the time of his *or her* disability retirement. ***Provided, however, that for members who commenced service on or after September 1, 2011, the number of years of his or her creditable service used to determine the retirement allowance under this subparagraph shall not exceed 25 years.***

10 Accidental Disability Retirement; Group I. Amend RSA 100-A:6, I(d) to read as follows:

(d)(1) Upon accidental disability retirement, the group I member who has attained ~~[age 60]~~ ***the retirement qualification age under RSA 100-A:1-a, I*** shall receive an accidental disability retirement allowance which shall consist of a member annuity and shall be the actuarial equivalent of the member's accumulated contributions at the time of his accidental disability retirement, and a state annuity as follows:

(A) Prior to the member's attainment of age 65, the state annuity, together with the member annuity, shall be equal to ~~[1/60 of the member's average final compensation]~~ ***the benefit multiplier under RSA 100-A:1-a, I*** at the time of his *or her* accidental disability retirement multiplied by the number of years of creditable service at the time of his *or her* accidental disability retirement;

(B) After attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/66 of the member's average final compensation at the time of his *or her* accidental disability retirement multiplied by the number of years of creditable service at the time of his *or her* accidental disability retirement;

(C) Regardless of age at disability, ***for a member who commenced service before September 1, 2011***, such allowance shall not be less than 50 percent of the member's average final compensation at the time of his *or her* accidental disability retirement.

(2) Upon accidental disability retirement, the group I member who has not attained ~~[age 60]~~ ***the retirement qualification age under RSA 100-A:1-a, I*** shall receive an accidental disability retirement allowance which shall consist of: the member annuity which shall be the actuarial equivalent of the member's accumulated contributions at the time of his accidental disability retirement; and a state annuity which, together with the member annuity, shall be equal to 50 percent of the member's average final compensation at the time of his *or her* disability retirement.

11 Accidental Disability Retirement; Group II. Amend RSA 100-A:6, II(d) to read as follows:

(d)(1) Upon accidental disability retirement, the group II member *who commenced service before September 1, 2011*, shall receive an accidental disability retirement allowance equal to 2/3 of his *or her* average final compensation at the time of [his] disability retirement, *and the group II member who commenced service on or after September 1, 2011, shall receive an accidental disability retirement allowance equal to 1/2 of his or her average final compensation at the time of disability retirement.*

(2) For any group II member who has more than 26-2/3 years of service, a supplemental disability retirement allowance shall be paid. Such supplement shall be equal to 2-1/2 percent of his *or her* average final compensation multiplied by the number of years of his *or her* creditable service in excess of 26-2/3 but not in excess of 40 years. *Provided, however, that for a member who commenced service on or after September 1, 2010, an accidental disability retirement allowance together with a supplemental disability retirement allowance, as provided in this subparagraph, shall not exceed 100 percent of the disability retiree's average final compensation.*

Amend the bill by replacing section 13 with the following:

13 Split Benefits; Minimum Age. Amend RSA 100-A:19-b to read as follows:

100-A:19-b Minimum Age. For the purposes of this subdivision only, minimum age shall mean:

I. For a member who has completed less than [20 years] *the minimum years of* combined creditable service in both group I and group II *as provided in RSA 100-A:1-a, II*, 60 years *if the member commenced service before September 1, 2011, or otherwise 65 years.*

II. For a member who has completed [20 or more] *at least the minimum* years of combined creditable service *as provided in RSA 100-A:1-a, II*, one year shall be deducted from age 60 *if the member commenced service before September 1, 2011, or otherwise age 65*, for each year of creditable group II service, provided that the age shall not be less than [45 years] *the retirement qualification age under RSA 100-A:1-a, II.*

Amend the bill by replacing sections 15 and 16 with the following:

15 Financing; Contribution Rates; Group II Member Payroll Deduction. Amend RSA 100-A:16, I(a) to read as follows:

(a) The member annuity savings fund shall be a fund in which shall be accumulated the contributions deducted from the compensation of members to provide for their member annuities together with any amounts transferred thereto from a similar fund under one or more of the predecessor systems. Such contribution shall be, for each member, dependent upon the member's employment classification at the rate determined in accordance with the following table:

Employees of employers other than the state *hired on or before August 31, 2011*, 5.00

Employees of the state hired on or before June 30, 2009, 5.00

Employees of the state hired after June 30, 2009, 7.00

Teachers *hired on or before August 31, 2011*, 5.00

Permanent Policemen *hired on or before August 31, 2011*, 9.30

Permanent Firemen *hired on or before August 31, 2011*, 9.30

Group I members hired after August 31, 2011, 7.00, subject to RSA 100-A:16, II(f)(2)

Group II permanent fireman members hired after August 31, 2011, 11.80, subject to RSA 100-A:16, II(f)(2)

Group II permanent police members hired after August 31, 2011, 11.55, subject to RSA 100-A:16, II(f)(2)

The board of trustees shall certify to the proper authority or officer responsible for making up the payroll of each employer, and such authority or officer shall cause to be deducted from the compensation of each member, except group II members *who commenced service before September 1, 2011* with creditable service in excess of 40 years *or group II members who commenced service on or after September 1, 2011 with creditable service in excess of 25 years*, as provided in RSA 100-A:5, II(b) and RSA 100-A:6, II(b), on each and every payroll of such employer for each and every payroll period, the percentage of earnable compensation applicable to such member. No deduction from earnable compensation under this paragraph shall apply to any group II member *who commenced service before September 1, 2011* with creditable service in excess of 40 years, *or group II member who commenced service on or after September 1, 2011 with creditable service in excess of 25 years*, as provided in RSA 100-A:5, II(b) and RSA 100-A:6, II(b), and this provision for such members shall not affect the method of determining average final compensation as provided in RSA 100-A:1, XVIII. In determining the amount earnable by a member in a payroll period, the board may consider the rate of compensation payable to such member on the first day

of a payroll period as continuing throughout the payroll period and it may omit deduction from compensation for any period less than a full payroll period if such person was not a member on the first day of the payroll period, and to facilitate the making of deductions it may modify the deduction required of any member by such an amount as shall not exceed 1/10 of one percent of the annual earnable compensation upon the basis of which such deduction is made. The amounts deducted shall be reported to the board of trustees. Each of such amounts, when deducted, shall be paid to the retirement system at such times as may be designated by the board of trustees and credited to the individual account, in the member annuity savings fund, of the member from whose compensation the deduction was made.

16 Employer Contributions; Limitation Beginning 2013. Amend RSA 100-A:16, II(f) to read as follows:

(f)(1) The total amount payable to the state annuity accumulation fund in each year on account of each member classification shall not be less than normal contribution rate multiplied by the total compensation earnable by all members in such classification for such year, plus the amount of the accrued liability contribution necessary to liquidate the unfunded accrued liability on behalf of such classification as determined by the actuary under subparagraph (e) above.

(2) Notwithstanding any provision of this paragraph to the contrary, if in any fiscal year after the fiscal year ending June 30, 2012, the total of the amount payable determined under subparagraph (1) plus the member contributions anticipated for such fiscal year, exceed the total amount payable determined under subparagraph (1) plus the member contributions as determined for fiscal year 2012, then, for members who commenced service after August 31, 2011, a proportionate share of the amount for the upcoming fiscal year which exceeds such total for fiscal year 2012 shall be assessed one-half as employer contributions and one-half as additions to the member contribution rates under RSA 100-A:16, I(a) as determined by the board.

Amend the bill by replacing section 27 with the following:

27 State Employees; Retirement. Amend RSA 21-I:30, II(a) to read as follows:

(a) Has at least 10 years of creditable service for the state if the employee's service began prior to July 1, 2003 or 20 years of creditable service if the employee's service began on or after July 1, 2003, and who also is at least 60 years of age at the time of retirement ***if the employee commenced service before September 1, 2011 or at least 65 years of age at the time of retirement if the employee commenced service on or after September 1, 2011;*** or

Amend the bill by replacing all after section 35 with the following:

36 Repeal. RSA 100-A:41-d, relative to additional temporary supplemental allowances, is repealed.

37 Severability. The provisions of this act making various amendments concerning the New Hampshire retirement system shall be severable and if any phrase, clause, sentence, or provision of this act is declared to be contrary to the constitution of this state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this act and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby.

38 Retirement System; Recalculation of Employer Rates; Recertification. Notwithstanding the notice requirements of RSA 100-A:16, III, the board of trustees of the retirement system shall recalculate employer contribution rates for the state fiscal years 2012 and 2013 to reflect the requirements of RSA 100-A as amended by this act. Notwithstanding the notice requirements of RSA 100-A:16, III, such employer contribution rates shall be effective as provided during the biennium beginning July 1, 2011, and the recertification of employer contribution percentages shall be provided to each employer within a reasonable period of time not to exceed 30 days from the effective date of this section. The exception to the notice requirements of RSA 100-A:16, III in this section shall be limited to the applicable employer contribution rates for the biennium beginning July 1, 2011.

39 Effective Date. This act shall take effect September 1, 2011.

Rep. William Smith spoke against.

Rep. Shurtleff spoke in favor and requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

RESOLUTION

Rep. Bettencourt moved the following: **RESOLVED**, that **SB 3-FN-A-L**, making comprehensive changes to the state retirement system, be read by title only and that it be read a third time by this resolution, and that its title be the same as adopted, and that it be passed at the present time. Adopted.

Third reading and final passage

SB 3-FN-A-L, making comprehensive changes to the state retirement system.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Bettencourt moved that the House reconsider its action whereby, on a roll call vote of 238-121, it adopted the majority committee report of Ought to Pass with Amendment on **SB 3-FN-A-L**, making comprehensive changes to the state retirement system. On a division vote, 108 members having voted in the affirmative and 254 in the negative, the motion failed.

REGULAR CALENDAR (CONT'D)

SB 148-FN, relative to health insurance coverage and declaring that the attorney general should join the lawsuit challenging the Patient Protection and Affordable Care Act. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Andrew J. Manuse for the Majority of Commerce and Consumer Affairs: Federal district courts in Virginia and Florida have found the Patient Protection and Affordable Care Act unconstitutional. Currently, these lawsuits, filed by 28 states, appear headed to the U.S Supreme Court for a final ruling. The crux of these rulings has been the provision that requires individuals to purchase a health insurance policy or face a penalty. SB 148, with the committee amendment, does three things to halt the negative consequences of this federal takeover of our health care system. First, it makes clear that no resident of the "Live Free or Die" state should ever be forced to buy health insurance or face a penalty. Second, this bill affirms the House position of HB 89, instructing the attorney general to join 26 other states involved in the Florida lawsuit. Finally, SB 148 also directs the insurance department to return \$666,000 the federal government sent in planning funds back to Washington to help pay down the massive federal deficit. Taken together, these three steps send a clear message that New Hampshire will neither be a willing participant in this health care scheme that will rob consumers of freedom and drive up costs to state and federal taxpayers, nor will it waste federal taxpayer dollars on implementing a law that will likely be invalidated ultimately. Vote 12-4.

Rep. Donna L. Schlachman for the Minority of Commerce and Consumer Affairs: The minority disagrees with the claim, in the majority's amendment to this bill, that the Patient Protection and Affordable Care Act is "unconstitutional and therefore likely to be invalidated." According to Kaiser Health News, a nonprofit news organization covering health care policy and politics, of the 25 lawsuits that have made their way to the courts, only two (2) have overturned the law. Seven (7) have ruled that the law is constitutional and dismissed the suits; six (6) cases have been dismissed due to lack of standing or procedural problems; one (1) was dismissed and is being allowed to re-file; and nine (9) are still pending without a decision. Since many New Hampshire citizens already are benefitting from now-effective provisions of the health law, which include not just small business tax credits for the purchase of health coverage but the elimination of lifetime limits, and of pre-existing condition exclusions for children under age 19, the minority does not feel that it is in the best interests of our citizens to join a lawsuit. Beyond making a symbolic point to the attorney general's office and to our congressional delegation, this bill does nothing to improve health care access or affordability for businesses and individuals in New Hampshire. To the contrary, this bill, as amended, would have the New Hampshire insurance department return "any grant funds" related to implementing the Patient Protection and Affordable Care Act, including the exchange planning grant funds. Health insurance exchanges are aimed to make it easier for businesses and consumers to comparison shop by increasing cost-transparency and choice, leveraging competition in the marketplace for private health insurance. Under the health law, the federal government has made "exchange planning" funds available to the states to explore whether or not they would like to create a state-based exchange and what the options are for creation of any exchange that would meet a state's specific needs. As a result of this exploration, if a state chooses to create and design its own exchange, it can establish an exchange that meets its own needs at no cost to the state. But if a state turns away this grant, any exchange would revert to the control of the federal government. And so, in our case, the feds would create an exchange in New Hampshire that they have designed, and by which we would have to abide, without New Hampshire input or control. As a result, 46 other states are using the federal grant dollars to move forward with exchange evaluation and planning, including those that have filed suit against the new health law. With small businesses and consumers in our state being crushed by rising health care costs, it is simply a mistake for the legislature to reject this prudent opportunity to use federal grant dollars to explore such a promising

marketplace option. The minority believes that this bill is not the New Hampshire way and is a step backward for New Hampshire's ability to control its own future and to develop opportunities which would benefit our citizens.

Majority Amendment (1431h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to health insurance coverage, requiring the attorney general to join the lawsuit challenging the Patient Protection and Affordable Care Act, and requiring federal grant moneys received by the state for implementation of the Patient Protection and Affordable Care Act to be returned to the federal government.

Amend the bill by replacing all after section 1 with the following:

2 Statement of Findings. The general court finds that:

I. Several federal courts have ruled that the Patient Protection and Affordable Care Act is unconstitutional and at least one federal court has ruled the act nonseverable.

II. The New Hampshire insurance department has accepted federal moneys for implementation of a law which is likely to be ruled unconstitutional and therefore is likely to be invalidated.

III. The general court is concerned with the spending of all tax dollars, whether at the state or federal level, when the federal government is running a massive structural deficit.

3 Lawsuit Challenging the Federal Patient Protection and Affordable Care Act. The attorney general shall, no later than July 1, 2011, move to join the state of New Hampshire as a plaintiff in the lawsuit pending in federal court captioned State of Florida et al. v. United States Department of Health and Human Services et al.

4 Funds From Grants Returned to Department of Health and Human Services. The state treasurer shall return any grant funds received by the insurance department for purposes of implementing the Patient Protection and Affordable Care Act to the federal Department of Health and Human Services for the purpose of reducing the federal budget deficit.

5 Effective Date.

I. Section 1 of this act shall take effect July 1, 2011.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

I. Provides that a resident of New Hampshire shall not be required to obtain, or be assessed a fee or fine for failure to obtain, health insurance coverage.

II. Requires the attorney general to join the state of New Hampshire as a plaintiff in the lawsuit pending in federal court captioned State of Florida et al. v. United States Department of Health and Human Services et al.

III. Requires certain grant moneys received by the New Hampshire insurance department for the implementation of the Patient Protection and Affordable Care Act to be returned to the federal government.

Rep. Gary Richardson spoke against.

Rep. Schlachman spoke against and yielded to questions.

Rep. Hunt spoke in favor and yielded to questions.

Rep. Manuse spoke in favor and requested a roll call; sufficiently seconded.

and the motion was adopted.

Rep. Bergevin did not vote and notified the Clerk that he wished to be recorded in favor.

HB 132, adopting and implementing the United States flag code. (Amendment printed SJ 4-20-11)

Rep. Baldasaro moved that the House concur and spoke in favor.

Adopted.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Manuse moved that the House reconsider its action whereby, on a roll call vote of 261-104, it adopted the majority committee report of Ought to Pass with Amendment on **SB 148-FN**, relative to health insurance coverage and declaring that the attorney general should join the lawsuit challenging the Patient Protection and Affordable Care Act. On a division vote, 97 members having voted in the affirmative and 265 in the negative, the motion failed.

REGULAR CALENDAR (CONT'D)

SB 160-FN, relative to the definition and regulation of installment loans. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Sean M. McGuinness for the Majority of Commerce and Consumer Affairs: This bill seeks to authorize and regulate legal commerce in the area of consumer installment loans. The bill permits installment loan lenders to conduct business in our state under certain conditions and offers alternative sources of credit to NH consumers who wish to access such credit. Opponents of the bill argue that some lenders engaged in this business are by their nature predatory and may seek to abuse the consumer with onerous or unfair terms. Opponents further suggest that NH consumers are susceptible to deceptive practices and may otherwise act in desperation and/or are not otherwise capable of making well informed personal financial decisions on their own. The majority of the committee voted to reject the logic of the opposition in favor of a view that NH consumers are not presumed to be incompetent and should not be unreasonably restricted or prohibited from accessing well regulated loan products that are appropriate to their individual needs. Further, the committee recognized that the consumers benefit by having an option that will be properly regulated by the NH banking department. Prior to this legislation, no supervisory regulatory controls existed to protect New Hampshire consumers who currently access this kind of lending through the internet, across state lines or through alternative private sources. Vote 16-2.

Rep. Donna L. Schlachman for the Minority of Commerce and Consumer Affairs: The minority understands that in times of unexpected financial difficulty, those with poor credit histories and limited financial resources have few places to turn for assistance. This bill, however, is not the answer to responsible lending and as we learned in the public hearing, does not reflect best practice in short-term lending. While "installment loan" sounds better than "payday loan," the provisions in this bill do not protect consumers from predatory lending that comes with three-digit interest rates and "rollover" features. In addition, these loans are not based on the borrower's ability to pay and lenders are allowed to charge up to 35% of the borrower's gross monthly income. The argument that these loans are a way to establish good credit going forward is not supported by the fact that these lenders do not report to credit rating agencies. In addition, it has been shown nationally that people average 9 of these "short-term" loans per year. We should not confuse the freedom of individuals to make their own financial decisions with a public policy that discourages financial education and long term planning and which often trades one financial emergency for another.

The question being adoption of the majority committee report of Ought to Pass.
 Reps. Schlachman, Flanagan and Kidder spoke against.
 Rep. Soltani spoke against and yielded to questions.
 Reps. Jennifer Coffey and Hunt spoke in favor and yielded to questions.
 Rep. Flanagan requested a roll call; sufficiently seconded.

 Osgood, Joe

Howard, Thomas
 Rodeschin, Beverly

Laware, Thomas

MOTION TO LAY ON THE TABLE

Rep. Soltani moved that **SB 160-FN**, relative to the definition and regulation of installment loans, be laid on the table.

Motion failed.

MOTION TO INDEFINITELY POSTPONE

Rep. Pierce moved to indefinitely postpone **SB 160-FN**, relative to the definition and regulation of installment loans.

The Speaker ruled the motion out of order as a motion of higher priority was pending.

APPEAL OF THE RULING OF THE CHAIR

Rep. Watrous appealed the ruling of the Chair whereby the Chair declared that the motion to Lay on the Table **SB 160-FN**, relative to the definition and regulation of installment loans, failed. The Speaker ruled the appeal out of order.

The question now being adoption of the motion to Recommit.

On a division vote, 225 members having voted in the affirmative and 142 in the negative, the motion was adopted.

Recommitted to the Committee on Commerce and Consumer Affairs.

REGULAR CALENDAR (CONT'D)

SB 162-FN, relative to federal health care reform 2010. **OUGHT TO PASS WITH AMENDMENT.** Rep. Andrew J. Manuse for Commerce and Consumer Affairs: In the interim period while the committee studies the various options for opting-out of the Patient Protection and Affordable Care Act of 2010, and also whether to prevent its further implementation, this bill would require all actions of "any state official or agency that seeks to enforce the insurance provisions of the act" to obtain approval from an oversight committee made up of two senators and three representatives. This oversight committee would continue to check the carte blanche authority of state bureaucrats and ensure that they are not taking any actions against the will of the legislature, and indirectly, the will of the people. At this point, such an oversight committee is needed to prevent unnecessary steps toward adoption of an act that the legislature may ultimately decide not to adopt. Vote 16-2.

Amendment (1522h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to implementation of federal health care reform.

Amend the bill by replacing all after the enacting clause with the following:

1 Federal Health Care Reform 2010; Authority of Commissioner. Amend the introductory paragraph of RSA 420-L:3 to read as follows:

The commissioner shall *have the authority to* enforce the consumer protections and market reforms as set forth in the Act that relate to insurance. *Before establishing standards for enforcing the provisions of the Act, the commissioner shall obtain approval from the oversight committee, established in RSA 420-L:6. This provision requiring approval of the oversight committee before establishing standards for the enforcement of the provisions of the Act that relate to insurance shall apply to any state official or agency that seeks to enforce the insurance provisions of the Act.* This section shall not include the medical assistance program under RSA 167. The commissioner shall have full power and authority in accordance with the time frames set forth in the Act to:

2 Health Insurance Oversight Committee; Duties. Amend RSA 420-L:6 to read as follows:

420-L:6 Health Insurance Reform Oversight Committee. There is established a health insurance reform oversight committee consisting of 2 members of the senate, appointed by the president of the senate, one of whom shall be from the senate commerce[~~labor and consumer protection~~] committee, and 3 members of the house of representatives, appointed by the speaker of the house, 2 of whom shall be from the house commerce and consumer affairs committee. *The committee shall elect from its membership a chairman.* The committee shall meet at the request of the commissioner[~~but no more frequently than monthly~~] *or the chairman.* The commissioner shall make such periodic reports to the oversight committee relative to the department's federal insurance reform implementation plans and initiatives as may be required by the oversight committee. The oversight committee shall make [a summary] *an annual* report on federal insurance reform implementation, together with any recommendations for legislation, to the house commerce and consumer affairs committee and the senate commerce[~~labor and consumer protection~~] committee [by the first day of the 2011 legislative session] *on or before November 1, 2011 and thereafter on or before November 1 of each year.*

3 Repeal. The following are repealed:

I. 2010, 243:15, relative to the repeal of RSA 420-L regarding federal health care reform.

II. 2010, 243:16, relative to the expiration of rules adopted pursuant to RSA 420-L.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill removes the repeal of the law authorizing the insurance commissioner to implement the insurance reforms required under federal law. This bill also requires the insurance department to obtain approval from the health insurance reform oversight committee before implementing any of the federal changes.

On a division vote, 172 members having voted in the affirmative and 179 in the negative, the committee amendment failed.

Rep. Hunt moved Recommit.

Adopted.

Recommitted to the Committee on Commerce and Consumer Affairs.

SB 82-FN, extending the state board of education's authority to approve chartered public schools and relative to the funding of chartered public schools approved by a school district. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Michael A. Balboni for Education: The current 10-year pilot program allows the state board of education to approve up to 20 public charter schools. The pilot program has been a success and the bill would allow the state board of education to approve additional public charter schools with no set time limit. The bill also allows public charter schools to apply for federal funds specifically designated for charter schools. The bill ensures that the state adequacy aid (\$3450) follows the student when a child goes to an out of district charter school. The committee amendment, instead of returning to the education trust fund any allocated but unspent charter school funds at the end of each fiscal year, allows unspent funds in excess of \$50,000 to be distributed to all public charter schools (except VLACS, the Virtual Learning Academy Charter School) approved by the state board of education on a prorated, per pupil basis. These additional measures will assist cash-strapped charter schools with much needed additional funding. The NH department of education and the NH public charter school association testified in favor of the bill. Vote 16-1.

Amendment (1619h)

Amend the title of the bill by replacing it with the following:

AN ACT extending the state board of education's authority to approve chartered public schools, relative to the funding of chartered public schools approved by a school district, and relative to proration of unexpended funds to chartered public schools approved by the state board of education.

Amend the bill by inserting after section 2 the following and renumbering the original sections 3-4 to read as 4-5, respectively:

3 New Subparagraph; Chartered Public Schools; Funding. Amend RSA 194-B:11, I by inserting after subparagraph (d) the following new subparagraph:

(e) If at least \$50,000 of funds appropriated for the purposes of this section remain unexpended at the end of a fiscal year, the commissioner of the department of education shall prorate the remaining funds among each chartered public school approved by the state board of education pursuant to RSA 194-B:3-a. Proration of funds shall be based on the average daily membership in residence of the chartered public school. This subparagraph shall not apply to the Virtual Learning Academy chartered public school.

Amend the bill by replacing section 5 with the following:

5 Effective Date.

I. Sections 1, 2, and 4 of this act shall take effect 60 days after its passage.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

I. Repeals the 10-year pilot program for state board of education approval of chartered public schools and gives the state board of education permanent authority to approve chartered public schools.

II. Requires that the state pay tuition for each pupil attending a chartered public school located in this state but outside of the pupil's resident school district directly to such chartered public school.

III. Requires the commissioner of the department of education to prorate unexpended appropriations of \$50,000 or more at the end of a fiscal year to chartered public schools approved by the state board of education.

Amendment adopted.

Committee report adopted.

Referred to the Committee on Finance.

Rep. Ball declared a conflict of interest and did not participate.

The House recessed at 12:40 p.m.

RECESS

(Speaker O'Brien in the Chair)

The House reconvened at 1:40 p.m.

REGULAR CALENDAR (CONT'D)

SB 129-FN, relative to presenting photo identification to vote in person and relative to the election fund. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Kathleen M. Hoelzel for the Majority of Election Law: This bill requires a voter to present a valid photo I.D. to the ballot clerk prior to voting. There are provisions in the bill to allow a "provisional ballot" to be submitted if the individual does not have the identification with them. The individual would need to present the valid photo I.D. within three days of the election in order that the provisional ballot be counted. There are also provisions for a voter to obtain a photo I.D. card free of charge if he/she does not have a valid photo I.D. Vote 13-5.

Rep. David M. Pierce for the Minority of Election Law: The amendment to this bill passed even though there were substantial questions that were not answered, or even discussed, before the majority moved to call the question so a vote could be taken. The chair did not accept the motion, but the unmistakable import of that move was that the majority of the committee was not going to investigate the issues any further. The few answers the committee did get should have compelled a vote to retain the bill. Here's what the committee did discuss and learn: The Secretary of State testified extensively about the bill. From that testimony and from his deputy's testimony before the subcommittee the day before, it was made clear that that the bill's provisional ballot requirement is unworkable because of New Hampshire's uniquely short statutory and constitutional timeframes between the state's primary election and general election and between the general election and the legislative summons. The secretary pointed out that it will also profoundly affect the recount process for the worse by inviting protracted battles over the counting of the provisional ballots. More frightening though was the secretary's sense that the bill actually opens up the system to a new and different type of election fraud instead of combating it. The Secretary of State, the state's chief election officer, said that if the committee wanted to pass a photo id requirement it would be prudent for it to pass something else and not this legislation. But probably the most disturbing thing that the committee learned was that the provisional ballot is not a secret ballot because it removes safeguards so that it would be easier to see how an individual voter voted. Here's what the committee did not discuss: The committee never got to a whole host of other questions about the bill. The committee did not discuss whether the bill is constitutional under Part I, Article 11 of the New Hampshire constitution. The committee never even discussed the framework that should be used to analyze its constitutionality. The committee couldn't answer the question about whether the bill would be subject to the constitution's rational basis test or to a strict scrutiny analysis. The list of substantial and genuine questions about the bill goes on and on. Here's what the committee should have done: The bottom line is that the committee should have retained the bill. It should have honored its constitutional duty to pass legislation only once it satisfied itself that the bill is itself constitutional and that all relevant questions were asked, answered and adequately addressed. What the committee passed on to the House falls far below the high standards that the House Election Law Committee usually sets for itself and is not yet worthy of the House's consideration. The right to vote is the most fundamental right we have to keep government in its place. We ought to know what we're doing before we reform it in such a profound and fundamental way.

Majority Amendment (1606h)

Amend the bill by replacing all after the enacting clause with the following:

1 Obtaining a Ballot. Amend RSA 659:13 to read as follows:
659:13 Obtaining a Ballot.

I. A person desiring to vote shall, before being admitted to the enclosed space within the guard-rail, announce his or her name to one of the ballot clerks who shall thereupon repeat the name; and, if the name is found on the checklist by the ballot clerk, the ballot clerk shall put a checkmark beside it and again repeat the name. The ballot clerk shall state the address listed on the checklist for the voter, and ask if the address is correct; if the address on the checklist is not correct, the ballot clerk shall correct the address in red on the paper checklist and the supervisors of the checklist shall cause the centralized voter registration database to reflect the correction. ***The ballot clerk shall request that the voter present a valid photo identification meeting the requirements of paragraph II. If the voter does not have a valid photo identification, the ballot clerk shall inform the voter that he or she may vote by provisional ballot in accordance with RSA 659:13-b and present a valid photo identification to the city or town clerk within 3 days of the election. If the photo identification has an address***

that does not match the address on the checklist, the ballot clerk shall record the address from the photo identification on the checklist in a color designated for such entries and the supervisors of the checklist shall submit the additional address information to the secretary of state. The voter, if still qualified to vote in the town or ward *and having presented a valid photo identification verifying the voter's identity*, and unless challenged as provided for in RSA [659:27-33] 659:27 through 659:33, shall then be allowed to enter the space enclosed by the guardrail. After the voter enters the enclosed space, the ballot clerk shall give the voter one of each ballot to be voted on in that election which shall be folded as it was upon receipt from the secretary of state.

II. A valid photo identification shall satisfy all the following:

(a) The identification shows the name of the individual to whom the identification was issued, and the name substantially conforms to the name in the individual's voter registration record.

(b) The identification shows a photograph of the individual to whom the identification was issued.

(c) The identification was issued by the United States or the state of New Hampshire, or is a valid state driver's license.

2 New Section; Provisional Ballot. Amend RSA 659 by inserting after section 13-a the following new section:

659:13-b Provisional Ballot.

I. If a voter has not presented a valid voter identification under RSA 659:13 and is otherwise qualified to vote, the voter may cast a provisional ballot. The ballot clerk shall indicate on the checklist that the voter has voted by provisional ballot. The provisional ballot shall be the same as the ballot used at the polling place, but shall be sealed by the voter after he or she has marked the ballot in a provisional ballot envelope. The envelope shall contain an affidavit to be executed by the voter containing the same information as the affidavit of a challenged voter and shall sufficiently identify the voter to allow verification of the ballot once the voter has confirmed his or her identity.

II. The moderator shall retain possession of the provisional ballots in their sealed envelopes until the closing of the polls, at which time the moderator shall cause the provisional ballots to be delivered to the city or town clerk.

III. Within 3 days of the election, a voter who has cast a provisional ballot may appear in person before the city or town clerk and present a valid photo identification meeting the requirements of RSA 659:13, II. Upon satisfaction of the identity of the voter, the clerk shall mark the checklist and provisional ballot envelope to that effect. At the expiration of 3 days from the date of the election, the clerk shall forward all provisional ballots for which verification of identity has been provided to the moderator.

IV. The moderator, upon receipt of the verified provisional ballots, shall open the envelopes and count the votes. The moderator shall prepare an amended election return, which shall be prepared and forwarded in the same manner as any other election return. Provisional ballots shall be sealed and preserved in the same manner as other ballots.

3 Election Fund Reimbursement. Amend RSA 5:6-d, III to read as follows:

III. The secretary of state is authorized to accept, budget, and, subject to the limitations of this paragraph, expend monies in the election fund received from any party for the purposes of conducting elections, voter and election official education, the purchase or lease of voting equipment which complies with Help America Vote Act of 2002, Public Law 107-252, *reimbursing the department of safety for nondriver's picture identification cards*, election law enforcement, and improvements to related information technology, including acquisition and operation of an automated election management system. The secretary of state shall not expend any monies in the election fund unless the balance in the fund following such expenditures shall be at least 15 times the estimated annual cost of maintaining the programs established to comply with the Help America Vote Act of 2002, Public Law 107-252.

4 Identification Cards; Voucher. Amend RSA 260:21, V to read as follows:

V. The fee for such card shall be \$10 and is not refundable, except that no fee shall be charged to any person who, for reason of health or age, turns in his driver's license before the expiration date of such license. For purposes of this section, reasons of age shall be deemed to apply only to those persons over age 65. *A person who requires an identification card for voter identification purposes may obtain a voucher from his or her town or city clerk exempting the person from the identification card fee. Upon presentation of the voucher, the actual costs of issuing the card shall be paid by the secretary of state from the election fund established under RSA 5:6-d.*

5 Voter Education.

I. The department of state shall prominently display on the department's website information for voters relating to the photo identification requirements established by this act. The department shall also provide explanatory information relating to this act to media outlets for the purpose of educating the public regarding voter identification requirements.

II. Every town and city clerk shall prominently display a notice prepared by the secretary of state explaining the photo identification requirements for voters and directing voters to the department of state's website for additional information. Such notice shall be displayed for at least 14 days prior to each election held after the effective date of this act during 2011 and 2012.

6 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires that a voter present a valid photo identification to vote in person. Voters without photo identification may vote by provisional ballot. This bill also requires that the secretary of state pay the cost for a nondriver's picture identification card upon presentation of a voucher from the town or city clerk.

Rep. Bates spoke against.

Majority committee amendment failed.

Rep. Bates offered floor amendment (1712h).

Floor Amendment (1712h)

Amend the bill by replacing all after the enacting clause with the following:

1 Obtaining a Ballot. Amend RSA 659:13 to read as follows:

659:13 Obtaining a Ballot.

I. A person desiring to vote shall, before being admitted to the enclosed space within the guardrail, announce his or her name to one of the ballot clerks who shall thereupon repeat the name; and, if the name is found on the checklist by the ballot clerk, the ballot clerk shall put a checkmark beside it and again repeat the name. The ballot clerk shall state the address listed on the checklist for the voter, and ask if the address is correct; if the address on the checklist is not correct, the ballot clerk shall correct the address in red on the paper checklist and the supervisors of the checklist shall cause the centralized voter registration database to reflect the correction. ***The ballot clerk shall request that the voter present a valid photo identification meeting the requirements of paragraph II. If the voter does not have a valid photo identification, the ballot clerk shall inform the voter that he or she may vote by provisional ballot in accordance with RSA 659:13-b and present a valid photo identification, official documentation of driver's license suspension or revocation, waiver issued by the secretary of state under RSA 659:13-d, or affidavit of religious exemption to the city or town clerk by noon of the third business day after the election. If the photo identification is an out-of-state driver's license, the ballot clerk shall record the state of issuance on the checklist in a color designated for such entries and the supervisors of the checklist shall submit the information to the secretary of state.*** The voter, if still qualified to vote in the town or ward ***and having presented a valid photo identification verifying the voter's identity***, and unless challenged as provided for in RSA [659:27-33] ***659:27 through 659:33***, shall then be allowed to enter the space enclosed by the guardrail. After the voter enters the enclosed space, the ballot clerk shall give the voter one of each ballot to be voted on in that election which shall be folded as it was upon receipt from the secretary of state.

II. A valid photo identification shall satisfy all the following:

(a) The identification shows the name of the individual to whom the identification was issued, and the name substantially conforms to the name in the individual's voter registration record.

(b) The identification shows a photograph of the individual to whom the identification was issued.

(c) The identification was issued by the United States or the state of New Hampshire, or is a valid state driver's license.

2 New Sections; Provisional Ballot. Amend RSA 659 by inserting after section 13-a the following new sections:

659:13-b Provisional Ballot.

I. If a voter has not presented a valid voter identification under RSA 659:13 and is otherwise qualified to vote, the voter may cast a provisional ballot. The ballot clerk shall indicate on the

checklist that the voter has voted by provisional ballot. The provisional ballot shall be the same as the ballot used at the polling place, but shall be sealed in a plain envelope by the voter after he or she has marked the ballot. The voter shall insert the plain envelope into an envelope on which is printed the same information as the affidavit of a challenged voter to be executed by the voter and shall sufficiently identify the voter to allow verification of the ballot once the voter has confirmed his or her identity.

II. The moderator shall prepare a list of all voters who cast provisional ballots and shall retain possession of the provisional ballots in their sealed envelopes until the closing of the polls, at which time the moderator shall cause the provisional ballots and the list to be delivered to the city or town clerk. The clerk shall seal all provisional ballots in a separate box marked "provisional ballots."

III. By noon of the third business day after the election, a voter who has cast a provisional ballot may appear in person before the city or town clerk and present a valid photo identification meeting the requirements of RSA 659:13, II, official documentation of driver's license suspension or revocation, a waiver issued by the secretary of state under RSA 659:13-d, or an affidavit of religious exemption. Upon presentation of a valid photo identification, verification of driver's license suspension or revocation, or receipt of a waiver issued by the secretary of state under RSA 659:13-d or an affidavit of religious exemption, the clerk shall mark the list prepared by the moderator to that effect. The clerk shall require each person presenting a valid photo identification, official documentation of driver's license suspension or revocation, or a waiver issued by the secretary of state under RSA 659:13-d, or executing an affidavit of religious exemption to sign the list next to or beneath his or her name. At noon of the third business day after the election, the clerk shall forward all provisional ballots for which verification of identity has been provided to the moderator. The clerk shall post notice of the time and place of the processing of provisional ballots in accordance with RSA 91-A.

IV. The moderator, upon receipt of the provisional ballots, shall immediately verify that the signatures on the affidavit envelopes match the signatures on the list of provisional voters and shall process the ballots so verified in the same manner as absentee ballots. The clerk shall prepare an amended election return, which shall be prepared and forwarded in the same manner as any other election return. Provisional ballots shall be sealed and preserved in the same manner as other ballots. The duties of the moderator under this section may be fulfilled by another election official designated by the moderator; the official so designated may be an official from another ward in the same city or town and the same official may fulfill the moderator's duties for multiple wards.

659:13-c Affidavit of Religious Exemption. The affidavit of religious exemption shall be in the following form:

AFFIDAVIT OF RELIGIOUS EXEMPTION

Name: _____

Address: _____

Date of birth: _____

I hereby swear and affirm that I adhere to the beliefs of _____ religion and therefore have a religious objection to having my photograph taken and that I do not possess a valid form of identification showing my photograph.

I hereby swear and affirm, under the penalties for voting fraud set forth below, that I am the identical person whom I represent myself to be and that to the best of my knowledge and belief the information above is true and correct.

(Signature of affiant)

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed \$2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed \$5,000.

659:13-d Waiver by Secretary of State. Upon presentation of sworn evidence satisfactory to the secretary of state that a voter does not possess photo identification and also does not possess documentation necessary to obtain a nondriver's picture identification card, the secretary of state may issue a waiver of the photo identification requirement that may be presented to the clerk under RSA 659:13-b. The waiver shall be valid only for the election specified in the waiver.

3 Election Fund Reimbursement. Amend RSA 5:6-d, III to read as follows:

III. The secretary of state is authorized to accept, budget, and, subject to the limitations of this paragraph, expend monies in the election fund received from any party for the purposes of conducting

elections, voter and election official education, the purchase or lease of voting equipment which complies with Help America Vote Act of 2002, Public Law 107-252, **reimbursing the department of safety for nondriver's picture identification cards**, election law enforcement, and improvements to related information technology, including acquisition and operation of an automated election management system. The secretary of state shall not expend any monies in the election fund unless the balance in the fund following such expenditures shall be at least 15 times the estimated annual cost of maintaining the programs established to comply with the Help America Vote Act of 2002, Public Law 107-252.

4 Identification Cards; Voucher. Amend RSA 260:21, V to read as follows:

V. The fee for such card shall be \$10 and is not refundable, except that no fee shall be charged to any person who, for reason of health or age, turns in his **or her** driver's license before the expiration date of such license. For purposes of this section, reasons of age shall be deemed to apply only to those persons over age 65. ***A person who requires a photo identification card for voter identification purposes may obtain a voucher from his or her town or city clerk or the secretary of state exempting the person from the identification card fee. Upon presentation of the voucher to the division, the actual costs of issuing the card shall be paid by the secretary of state from the election fund established under RSA 5:6-d. An identification card paid for by the secretary of state shall be valid for voter identification purposes only, and the card shall be marked "for voter identification only."***

5 Final Counting; Announcement. Amend RSA 659:70 to read as follows:

659:70 Final Counting; Result. The final count of all votes on all ballots cast at the central and additional polling places, if any, shall be combined and the moderator shall announce the final count for each office **and the number of provisional ballots cast.**

6 Voter Education.

I. The department of state shall prominently display on the department's website information for voters relating to the photo identification requirements established by this act. The department shall also provide explanatory information relating to this act to media outlets for the purpose of educating the public regarding voter identification requirements.

II. Every town and city clerk shall prominently display a notice prepared by the secretary of state explaining the photo identification requirements for voters and directing voters to the department of state's website for additional information. Such notice shall be displayed for at least 14 days prior to each election held after the effective date of this act during 2011 and 2012.

7 Applicability. In accordance with RSA 659:13, as amended by this act, ballot clerks shall request that the voters present a valid photo identification at all elections after the effective date of this act. However, notwithstanding such provisions, no person shall be denied the right to vote for failure to present a valid photo identification or other documentation acceptable under this act prior to November 1, 2012. The ballot clerks shall tally the number of voters that do not present a valid photo identification at each election prior to November 1, 2012, and the town or city clerk shall report the number with the election return.

8 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires that a voter present a valid photo identification to vote in person. Voters without photo identification may vote by provisional ballot, provided that they subsequently appear in person before the city or town clerk and present a valid photo identification, official documentation of driver's license suspension or revocation, a waiver issued by the secretary of state, or an affidavit of religious exemption. This bill also requires that the secretary of state pay the cost for a nondriver's picture identification card upon presentation of a voucher to the division of motor vehicles.

Reps. Bates, Scala and Hoelzel spoke in favor and yielded to questions.
Rep. Pierce spoke against and requested a roll call; sufficiently seconded.

and floor amendment (1712h) was adopted.

Gagnon, Raymond

Lefebvre, Benjamin

Schmidt, Andrew

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Pierce offered floor amendment (1733h).

Floor Amendment (1733h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to proving identity to vote.

Amend the bill by replacing all after the enacting clause with the following:

1 Obtaining a Ballot. Amend RSA 659:13 to read as follows:

659:13 Obtaining a Ballot.

*I. A person desiring to vote shall, before being admitted to the enclosed space within the guardrail, announce his or her name to one of the ballot clerks who shall thereupon repeat the name; and, if the name is found on the checklist by the ballot clerk, the ballot clerk shall put a checkmark beside it and again repeat the name. The ballot clerk shall state the address listed on the checklist for the voter, and ask if the address is correct; if the address on the checklist is not correct, the ballot clerk shall correct the address in red on the paper checklist and the supervisors of the checklist shall cause the centralized voter registration database to reflect the correction. **The ballot clerk shall request that the voter present proof of identity meeting the requirements of paragraph II. If the voter does not present proof of identity, the ballot clerk shall record that fact on the checklist and the supervisors of the checklist shall submit the information to the secretary of state.** The voter, if still qualified to vote in the town or ward and unless challenged as provided for in RSA [659:27-33] 659:27 through 659:33, shall then be allowed to enter the space enclosed by the guardrail. After the voter enters the enclosed space, the ballot clerk shall give the voter one of each ballot to be voted on in that election which shall be folded as it was upon receipt from the secretary of state.*

II. Proof of identity shall be in one of the following forms:

(a) Photo driver's license issued by any state or the federal government.

(b) United States passport, armed services identification, or other photo identification issued by the United States government.

(c) Photo identification issued by local or state government.

(d) A photo identification not authorized by subparagraph (a), (b), or (c) but determined to be legitimate by the supervisors of the checklist or the clerk.

(e) Verification of the person's identity by another person registered as a voter and known to a supervisor or the clerk.

III. (a) The secretary of state shall cause a letter of identity verification to be mailed by first class mail to each voter who did not prove his or her identity pursuant to this section. The letter shall be mailed within 90 days after the election. The secretary of state shall mark the envelope with instructions to the United States Post Office not to forward the letter and to provide address correction information. The letter shall notify the person that a person who was unable to present

proof of identity voted using his or her name and address and instruct the person to return the letter within 30 days with a written confirmation that the person voted or to contact the attorney general immediately if he or she did not vote.

(b) The secretary of state shall cause any letters mailed pursuant to subparagraph (a) that are returned as undeliverable by the United States Post Office to be referred to the attorney general. The secretary of state shall also prepare and forward to the attorney general a list of all persons who were mailed letters under subparagraph (a) and have not confirmed that they voted. Upon receipt of notice from a person who receives a letter of identity verification that the person did not vote, or upon receipt of a referral from the secretary of state, the attorney general shall cause an investigation to be made to determine whether fraudulent voting occurred.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires that a voter be asked to present proof of identity to vote in person. Voters who do not present proof of identity shall be mailed and instructed to return an identity verification letter. Rep. Pierce spoke in favor and requested a roll call; sufficiently seconded.

and floor amendment (1733h) failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Pierce offered floor amendment (1736h).

Floor Amendment (1736h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to presenting proof of identity to vote in person, and relative to the election fund.

Amend the bill by replacing all after the enacting clause with the following:

1 Election Fund. Amend RSA 5:6-d, III to read as follows:

III. The secretary of state is authorized to accept, budget, and, subject to the limitations of this paragraph, expend monies in the election fund received from any party for the purposes of conducting elections, voter and election official education, the purchase or lease of voting equipment which complies with Help America Vote Act of 2002, Public Law 107-252, election law enforcement, and improvements to related information technology, including acquisition and operation of an automated election management system. The secretary of state shall not expend any monies in the election fund unless the balance in the fund following such expenditures shall be at least [15] 12 times the estimated annual cost of maintaining the programs established to comply with the Help America Vote Act of 2002, Public Law 107-252.

2 Obtaining a Ballot. Amend RSA 659:13 to read as follows:
659:13 Obtaining a Ballot.

I. A person desiring to vote shall, before being admitted to the enclosed space within the guard-rail, ~~announce his or her name to one of the ballot clerks who shall thereupon repeat the name~~ approach the ballot clerk to check in. The ballot clerk shall request that the voter prove his or her identity in accordance with the procedure identified in RSA 654:12, III, except that completion of a qualified voter affidavit shall not be sufficient for this purpose. The ballot clerk shall announce the name of the voter; and, if the name is found on the checklist by the ballot clerk, the ballot clerk shall put a checkmark beside it and again repeat the name. The ballot clerk shall state the address listed on the checklist for the voter, and ask if the address is correct; if the address on the checklist is not correct, the ballot clerk shall correct the address in red on the paper checklist and the supervisors of the checklist shall cause the centralized voter registration database to reflect the correction. The voter, if still qualified to vote in the town or ward *and having proven the voter's identity*, and unless challenged as provided for in RSA [659:27-33] *659:27 through 659:33*, shall then be allowed to enter the space enclosed by the guardrail. After the voter enters the enclosed space, the ballot clerk shall give the voter one of each ballot to be voted on in that election which shall be folded as it was upon receipt from the secretary of state.

II. If a voter cannot prove his or her identity in a manner that satisfies the requirements of paragraph I, the proof of identity requirement may be satisfied by having a digital photograph of the voter taken by an election official to be kept on file.

3 New Sections; Authority of Secretary of State. Amend RSA 659 by inserting after section 13-a the following new sections:

659:13-b Emergency Authority for the Secretary of State. The secretary of state may suspend the proof of identity provisions of RSA 659:13 to the extent necessary to accommodate equipment or software failure, power outages, or other unforeseen situations that prevent the provisions of RSA 659:13, II from being carried out.

659:13-c Authority to Expend Moneys From the Election Fund. The secretary of state may expend moneys from the election fund established under RSA 5:6-d for the purpose of purchasing equipment and implementing improvements to information technology that may be required by RSA 659:13, II.

4 Requesting Photo Identification. At any election prior to October 1, 2012, when issuing a ballot pursuant to RSA 659:13, the ballot clerk shall request that the voter prove his or her identity in accordance with the procedure identified in RSA 654:12, III, except that completion of a qualified voter affidavit shall not be sufficient for this purpose. If the voter cannot prove his or her identity as required under this section, the ballot clerk shall inform the voter that proof of identity will be required in future elections in order to obtain a ballot.

5 Effective Date.

I. Section 2 of this act and RSA 659:13-b as inserted by section 3 of this act shall take effect October 1, 2012.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires that a voter present proof of identity to vote in person or have his or her photograph taken by an election official to be kept on file. This bill also reduces the balance that the secretary of state is required to maintain in the election fund.

Rep. Pierce spoke in favor and requested a roll call; sufficiently seconded.

Howard, Thomas
Osgood, Joe

LaCasse, Paul Sr
Smith, Steven

The question now being adoption of the majority committee report of Ought to Pass with Amendment.
Rep. Pierce offered floor amendment (1739h).

Floor Amendment (1739h)

Amend the bill by replacing section 6 with the following:

6 Voter Education. The department of state shall take all measure reasonably calculated to alert voters about the photo identification requirement established by this act, including, without limitation, prominently display on the department's website all information relevant for such purpose. The department shall also provide explanatory information relating to this act to media outlets for the purpose of educating the public regarding voter identification requirements.

Amend the bill by inserting after section 7 the following and renumbering the original section 8 to read as 10:

8 Notice of Photo Identification Requirements. Amend RSA 658:1 to read as follows:

658:1 General Election. At least 14 days before any state general election, the selectmen shall post a warrant at all the polling places and at the office of the town or city clerk or at the town hall. Said warrant shall prescribe the hour the polls are to open and the hour before which they may not close as provided in RSA 659:4 and RSA 659:4-a. It shall also state all offices and questions which are to be voted on and the location of the central polling place and of any additional polling places. ***With each warrant shall be posted a notice prepared by the secretary of state explaining the photo identification requirements for voters and directing voters to the department of state's website for additional information.*** If the selectmen neglect to issue a warrant for the state general election, or if they neglect to cause copies of such warrant to be posted agreeably to any vote of the town, they shall for each offense be guilty of a violation and any fines collected shall be remitted to the town.

9 Notice of Photo Identification Requirements. Amend RSA 669:2 to read as follows:

669:2 Warrant. The selectmen shall include as part of the warrant for the annual town meeting a warrant for each annual town election which shall prescribe the place, day, and hour of the election, the officers to be elected, and the questions to be submitted to the voters. In a town which has adopted an official ballot system for the election of town officers, the warrant shall specify the time the polls are open and the hour before which the polls may not close. The warrant shall clearly specify which items shall be voted on by ballot at the town election and which items shall be considered at the town business meeting. In a town which has not adopted an official ballot system, it shall be sufficient for a town meeting warrant to list items to be taken up at the town business meeting, including the election of town officers. ***With each town election warrant shall be posted a notice prepared by the secretary of state explaining the photo identification requirements for voters and directing voters to the department of state's website for additional information.***

Rep. Pierce spoke in favor.

Rep. Horrigan requested a roll call; sufficiently seconded.

and the majority committee report was adopted.
Referred to the Committee on Finance.

Gagnon, Raymond

Lefebvre, Benjamin

Schmidt, Andrew

HJR 4, prohibiting the implementation of certain rules of the board of medicine. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Peter B. Schmidt for the Majority of Executive Departments and Administration: This joint resolution seeks to address alleged deficiencies in the board of medicine's procedures with regard to the retention and/or disclosure of confidential information, in the view of a majority of the joint legislative committee on administrative rules. After consideration, analysis and discussion by the committee, a strong bi-partisan majority concluded that the remedies proposed in the HJR are themselves defective and unworkable and that the board of medicine's policy regarding disclosure of confidential information, to which the JLCAR majority objected and seeks to enjoin, is in fact specifically authorized by the existing relevant statute. As to the retention of confidential information by the board, the administrator testified before the JLCAR that once a determination has been made by the board that allegations of misconduct are not supported by the facts, that the records are destroyed as soon as possible, as storage space for records is very scarce. Vote 8-4.

Rep. Kenneth Hawkins for the Minority of Executive Departments and Administration: The minority of the committee asserts that the board of medicine rules present a serious risk of inconsistent treatment in cases of physician's errors or omissions. By leaving the extent of discipline, or the release of confidential records to law enforcement or other regulatory bodies, solely to the Board's

discretion, with no guidance or criteria specified in statutes or rules, they make it impossible to ensure equal justice. While the board has not yet demonstrated grievously inconsistent actions, that is due to their institutional memory and good luck. The Board has steadfastly refused to clarify its judgmental criteria in writing. JLCAR has struggled with this issue for over a year and has been unable to convince it to document its processes. A joint resolution is necessary to enforce legislative intent on a recalcitrant board.

The question being adoption of the majority committee report of Inexpedient to Legislate.

Rep. Manuse spoke against and yielded to questions.

Reps. Soltani and Bowers spoke against.

Rep. Peter Schmidt spoke in favor and yielded to questions.

On a division vote, 89 members having voted in the affirmative and 247 in the negative, the majority committee report failed.

Rep. Bettencourt moved the minority committee report of Ought to Pass.

Minority committee report adopted and ordered to third reading.

SB 170, relative to the New Hampshire Medical Malpractice Joint Underwriting Association. OUGHT TO PASS WITH AMENDMENT.

Rep. Randall A. Whitehead for Executive Departments and Administration: This bill correctly returns any New Hampshire Medical Malpractice Joint Underwriting Association (NHMMJUA) excess funds to the policyholders, whose contributions result in any surplus funds. The state shall not, in any way, take such funds for any purpose. This bill also requires a reserve of \$25,000,000 for the payment of any federal tax liability. Furthermore, funds that cannot be distributed to a policyholder shall revert to the NHMMJUA to provide grants in aid to health care providers servicing medically underserved populations to assist in the NHMMJUA coverage. This bill requires that the NHMMJUA policyholders, the insurance commissioner and the NHMMJUA would jointly approach the United States IRS to obtain a closing agreement to determine whether the NHMMJUA has any federal tax liabilities arising from excess premiums paid. The committee amendment clarifies that any payments are taxable to the recipient and creates a study committee to determine the proper structure for the JUA going forward. Vote 14-3.

Amendment (1544h)

Amend the bill by replacing section 1 with the following:

1 Statement of Purpose. The general court finds that the New Hampshire Medical Malpractice Joint Underwriting Association (NHMMJUA) is an insurance plan funded in the first instance by premiums paid by policyholders. Since 1986, the NHMMJUA has amassed more funds through premium payments than is necessary to sustain operations. Return premiums should be issued to all policyholders who have contributed to the current surplus of funds.

Amend RSA 404-C:14, I as inserted by section 2 of the bill by replacing it with the following:

I. Notwithstanding any provision of law to the contrary, no officer or agent of the state shall take or transfer, through taxation of the New Hampshire Medical Malpractice Joint Underwriting Association (NHMMJUA) or otherwise, any funds held by the NHMMJUA on the effective date of this section in a manner inconsistent with this section. Nothing in this section shall preclude the collection of applicable state taxes, if any, owed by policyholders as a result of the return of funds referenced in this section.

Amend RSA 404-C:14 as inserted by section 2 of the bill by inserting after paragraph VI the following new paragraph:

VII.(a) Independent of the mandates of paragraphs I through VI, inclusive, which are intended to resolve historical matters, there is also established a commission to study the future of the NHMMJUA.

(b) The members of the commission shall be as follows:

(1) Two members of the senate, appointed by the president of the senate.

(2) Three members of the house of representatives, appointed by the speaker of the house of representatives.

(3) One representative of the New Hampshire Medical Society who is or has been a policyholder of the NHMMJUA, appointed by the society.

(4) One representative of the New Hampshire Association of Domestic Insurance Companies, appointed by the association.

(5) One member of the current NHMMJUA board of directors, appointed by the board.

(6) The insurance commissioner, or designee.

(c) Legislative members of the commission shall receive mileage at the legislative rate when attending to the duties of the commission.

(d) The commission shall study the NHMMJUA for the purpose of making recommendations for proposed legislation concerning its future, form, and function. The commission may solicit information from any person the commission deems relevant to its study.

(e) The members of the commission shall elect a chairperson from among the members at the first meeting. The first meeting of the commission shall be called by the first-named senate member. The first meeting of the commission shall be held within 45 days of the effective date of this section. A majority of the members of the commission shall constitute a quorum.

(f) The commission shall report its findings and any recommendations for proposed legislation to the president of the senate and the speaker of the house of representatives on or before December 1, 2011.

Amend the bill by replacing all after section 2 with the following:

3 Repeal. RSA 404-C:14, VII, relative to commission to study the future of the NHMMJUA, is repealed.

4 Effective Date.

I. Section 3 of this act shall take effect December 31, 2011.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

I. Declares that the state shall not take or transfer, through taxation or otherwise, any funds now held by the New Hampshire Medical Malpractice Joint Underwriting Association (NHMMJUA).

II. Requires the NHMMJUA, the insurance commissioner, and a representative of NHMMJUA policyholders to jointly approach the Internal Revenue Service to resolve any federal tax liability arising from excess surplus funds.

III. Establishes a commission to study the future of the NHMMJUA.

Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment.

Rep. Peter Schmidt spoke against.

Reps. Whitehead and Hansen spoke in favor.

On a division vote, 252 members having voted in the affirmative and 63 in the negative, the committee report was adopted.

Referred to the Committee on Ways and Means.

SB 93, relative to pharmacist administration of vaccines. **OUGHT TO PASS.**

Rep. Donald L. LeBrun for Health, Human Services and Elderly Affairs: This bill authorizes pharmacists to administer pneumococcal and varicella zoster vaccine (shingles) in addition to influenza. The bill requires administering pharmacists to meet certain requirements and certifications as well as provide documented record keeping to be shared with the patient's primary physician. Vote 13-3. Committee report adopted.

Referred to the Committee on Commerce and Consumer Affairs.

SB 154-FN, reforming and renaming the comprehensive shoreland protection act. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Christopher J. Ahlgren for Resources, Recreation and Development: This bill is a major rework of the comprehensive shoreland protection act. It also gives it a more definitive name, the shoreland water quality protection act. This major environmental act was established in 1991 to protect surface waters of the state. This bill addresses the concerns of landowners who felt the original bill was too unwieldy and needlessly infringed on property rights. The shoreland advisory committee, established in RSA 483-B:21, recently held its first meeting and will continue to review and comment, for any future legislation, on policies and programs relating to this act. SB 154 is just the first important step in the process of reform required to ensure a balance between appropriate environmental protection and property rights of the citizens of New Hampshire. Passage of this bill is a win for landowners, having simplified compliance standards, reduced fees and adding a permit by notification process that allows construction to proceed after ten days on minor projects. Vote 16-0.

Amendment (1578h)

Amend the bill by replacing sections 13 and 14 with the following:

13 Enforcement by Commissioner; Duties; Woodland Buffer. Amend RSA 483-B:5, II to read as follows:

II. The commissioner or his *or her* designee may, for cause, enter upon any *subject* land or parcel at any reasonable time *after written notification* to perform oversight and enforcement duties provided for in this chapter.

14 Permit Required; Exemption. Amend RSA 483-B:5-b, I to read as follows:

I.(a) No person shall commence construction, excavation, or filling activities within the protected shoreland without obtaining a permit from the department to ensure compliance with this chapter. *Projects which have no impact on water quality and which follow department rules shall qualify for a permit by notification. The owner may proceed with the proposed project immediately upon receipt of written notice from the department that a complete and accepted notification has been received by the department. A notification shall be complete and accepted provided it meets or exceeds all of the minimum standards under RSA 483-B:9, includes a notification form signed by the owner of property, the name and address of the property owner, the address of the site on which the work will occur, the name of the jurisdictional waterbody, the tax map and lot number on which the proposed work will occur, plans clearly and accurately depicting the work to be completed relative to the reference line of the jurisdictional waterbody, photographs of the area to be impacted, and identification of those project criteria listed below that would qualify the project for a permit by notification. Such project criteria shall include:*

(1) *Construction, excavation, and filling, or other activity that impacts less than 1,500 square feet and adds no more than 900 square feet of impervious area within a protected shoreland area.*

(2) *Construction, excavation, and filling, directly related to stormwater management improvements and erosion control projects or environmental restoration or enhancement projects.*

(3) *Maintenance, repairs, and improvements of public utilities, public roads, and public access facilities.*

(4) *Any similar activities defined as qualified for a permit by notification by rules of the department.*

(b) The permit application fee shall be \$100 plus \$.10 per square foot of area affected by the proposed activities and shall be deposited in the wetlands and shorelands review fund established under RSA 482-A:3, III. Such fees shall be capped as follows:

(1) For projects that qualify for permit by notification under *this paragraph* and RSA 483-B:17, X, \$100 for restoration of water quality improvement projects and \$250 for all other permit by notification projects.

(2) For projects of 0-9,999 square feet, *that do not qualify for a permit by notification*, \$750.

(3) For projects of 10,000-24,999 square feet, \$1,875.

(4) For projects of 25,000 square feet or more, \$3,750.

(c) *If the application is denied after relying on the recommendations of the department, the application fee shall be refunded to the applicant within 30 days of such denial.*

Amend RSA 483-B:5-b, V(d) as inserted by section 16 of the bill by replacing it with the following:

(d) *Within 5 business days of receipt of a permit by notification filing, the department shall issue a written notice to the property owner or agent stating that the notification has either been accepted or rejected. If the department does not respond within the 5-day period, the property owner or agent may submit to the department a written request for a response. A request submitted electronically by the applicant shall constitute a written request provided that the applicant has previously agreed to accept electronic communication. If the department fails to respond to the written request within an additional 5 days the property owner or agent shall be deemed to have a permit by notification and may proceed with the project as presented in the notification filing. The authorization provided by this subparagraph shall not relieve the applicant of complying with all requirements applicable to the project, including but not limited to requirements established in or under this chapter and RSA 485-A relative to water quality.*

Amend RSA 483-B:5-b,V(e)(4) as inserted by section 16 of the bill by replacing it with the following:

(4) Upon receipt of a written request from an applicant, the department shall issue written confirmation that the applicant has a permit by default pursuant to subparagraph [(d)] (e)(3), which

authorizes the applicant to proceed with the project as presented in the application and requires the work to comply with all requirements applicable to the project, including but not limited to requirements established in or under this chapter and RSA 485-A relating to water quality.

Amend the bill by replacing section 17 with the following:

17 Minimum Shoreland Protection Standards. Amend RSA 483-B:9, II(d) to read as follows:

(d) No fertilizer, except limestone, shall be applied to vegetation or soils located within 25 feet of the reference line of any public water. *Beyond 25 feet, [low phosphate, slow release nitrogen fertilizer or limestone,] slow or controlled release fertilizer, as defined by rules adopted by department, may be used [on areas beyond 25 feet from the reference line].*

Amend RSA 483-B:9, V(a)(2)(C) as inserted by section 18 of the bill by replacing it with the following:

(C) No natural ground cover shall be removed except as necessary for a foot path to water and access ways as provided under RSA 483-B:9, V(a)(2)(D), *(viii) and* (ix), for normal maintenance, to protect the waterfront buffer, cutting those portions that have grown over 3 feet in height for the purpose of providing a view, to provide access to natural areas or shoreline, or as specifically approved by the department, pursuant to RSA 482-A or RSA 483-B.

Amend RSA 483-B:9, V(a)(2)(D)(iv) as inserted by section 18 of the bill by replacing it with the following:

(iv) If the total tree and sapling score in any 50 foot by 50 foot segment exceeds 50 points, then trees, saplings, and shrubs over 3 feet in height may be removed as long as the sum of the scores for the remaining trees and saplings in that segment does not total less than 50 points. If for any reason there is insufficient area for a full segment, or the segment contains areas incapable of supporting trees and saplings, such as areas of rock, ledge, or beaches, the point score requirement for the remaining vegetation in that partial segment shall be reduced proportionally to that required of a full segment. Vegetation shall not be removed from any segment which fails to meet the minimum point score for that segment. Owners are encouraged to take efforts to plan the maintenance of their waterfront buffer areas including the planting of additional non-invasive vegetation to increase point scores within segments, thus providing sufficient points to allow the future removal of vegetation as may become necessary while still meeting the requirements of this paragraph.

Amend the bill by replacing section 27 with the following:

27 Permit Application Fees; Effective Date. Amend 2008, 5:28, II to read as follows:

II. Section 27 of this act shall take effect July 1, [2011] **2016**.

Amendment adopted.

Committee report adopted.

Referred to the Committee on Finance.

SB 58-FN-A, adding qualified community development entities to the definition of “qualified investment company” under the business profits tax and the business enterprise tax. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Gary S. Azarian for Ways and Means: This bill adds qualified community development entities to the definition of “qualified investment company” under the BPT and BET. The bill clarifies that a New Hampshire resident investor in a qualified investment company is only taxed on his or her proportionate share of interest and dividend income earned by the qualified investment company. The bill also clarifies tax treatment of capital gains earned by holders of ownership interests in qualified investment companies, mutual funds and unit investment trust. More importantly, the bill will entice greater investment into New Hampshire by offering tax credits on projects in distressed areas through federal new market tax credits. These credits keep down the cost of projects especially in distressed areas and are implemented by the business finance authority. Vote 20-0.

Amendment (1580h)

Amend RSA 77-A:1, XXI(a)(4) as inserted by section 2 of the bill by replacing it with the following:

(4) A qualified community development entity as defined in section 45D of the United States Internal Revenue Code, which entity is owned, controlled, or managed, directly or indirectly, by the business finance authority of the state of New Hampshire.

Amend the bill by replacing all after section 3 with the following:

4 Taxation of Income; What Taxable. RSA 77:4, V is repealed and reenacted to read as follows:

V. Amounts reported and taxed federally as dividends or interest to a holder of an ownership interest in a qualified investment company as defined in RSA 77-A:1, XXI, a mutual fund, or a unit investment trust.

5 Taxation of Income; Dividends Earned on Certain Mutual Funds and Distributions Received on Unit Investment Trusts Not Taxable. RSA 77:4-d is repealed and reenacted to read as follows:

77:4-d Special Rule for Qualified Investment Companies, Mutual Funds, and Unit Investment Trusts. Notwithstanding any other provision of RSA 77:4, the following income items shall not be treated as dividends or interest income taxable under this chapter:

I. Amounts accruing to the holder of an ownership interest in a qualified investment company, as defined in RSA 77-A:1, XXI, or a mutual fund or investment income earned or distributions received by the holder of an ownership interest in a unit investment trust, which qualified investment company, mutual fund, or unit investment trust invests solely in New Hampshire tax-exempt tax anticipation notes, bond anticipation notes, and other instruments exempt under New Hampshire law.

II. Amounts reported and taxed federally as capital gains to the holder of an ownership interest in a qualified investment company, as defined in RSA 77-A:1, XXI, a mutual fund, or a unit investment trust.

6 Applicability. Sections 1-3 of this act shall apply to taxable periods ending on or after December 31, 2010. Sections 4 and 5 of this act shall apply to taxable periods beginning on or after January 1, 2011.

7 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill adds qualified community development entities to the definition of “qualified investment company” under the business profits tax and the business enterprise tax. The bill clarifies that a New Hampshire resident investor in a qualified investment company is only taxable on his or her proportionate share of interest and dividend income earned by the qualified investment company.

The bill also adds a special rule to clarify tax treatment of capital gains earned by holders of ownership interests in qualified investment companies, mutual funds, and unit investment trusts. Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment. Rep. Cohn requested a roll call; sufficiently seconded.

Referred to the Committee on Finance.

CACR 5, relating to the governor's power to reduce appropriations. Providing that the governor shall have line item reduction power of items in any bill making appropriations of money. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Norman L. Major for the Majority of Ways and Means: The line-item veto is a tool used by 43 states as a mechanism to reduce spending. This bill would give the governor the ability to identify specific line items in the state budget for reductions. The legislature would then have the opportunity to override these vetoes and restore this funding, if appropriate. This is a common sense tool to deliver limited government and to protect New Hampshire's taxpayers. In an era of overspending,

this is an important measure to bring fiscal discipline back to state government. If this CACR were passed it would go on the 2012 general election ballot, where it would require a 2/3rd vote of the public to become part of the state budget. Vote 14-5.

Rep. Christine C. Hamm for the Minority of Ways and Means: This resolution violates a long-standing principle of New Hampshire government, as the state's constitution was created with the deliberate intention of reducing absolute control of the governor by providing that executive powers be shared among him/her and a five-person Executive Council. This resolution, on the other hand, would remove that oversight by giving the governor sole power to make line item reductions, even removals, in any bill making major appropriations of money, thus distorting the original principle by allowing one person rather than six to make the state's most significant financial decisions. It should be noted that this not only diminishes the authority of the Executive Council but also greatly reduces the power of the 424 elected members of the legislative branch. While it may be argued that constitutional amendments should go to the voters to be decided upon, if that principle were followed to its logical conclusion, the legislature could defer voting on any legislation and instead pass it along to the voters to decide. The fact is when New Hampshire voters elect their representatives, indeed the most representative body in all 50 states, they do so with the expectation that their elected delegates will assume the responsibility to make such decisions.

LAID ON THE TABLE

Rep. Stepanek moved that **CACR 5**, relating to the governor's power to reduce appropriations. Providing that the governor shall have line item reduction power of items in any bill making appropriations of money, be laid on the table.

On a division vote, 293 members having voted in the affirmative and 33 in the negative, the motion was adopted by the necessary three-fifths vote.

BILLS REMOVED FROM THE CONSENT CALENDAR

SB 89, establishing a study committee on the procurement of health insurance by employee leasing companies. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Chris F. Nevins for Commerce and Consumer Affairs: Many companies choose to use employee leasing companies to run and organize human resources functions. The study committee will study the procurement of health insurance by these leasing companies, including whether these companies should be exempt from the rating requirements and other standards for small employer coverage. The committee agrees with this need. Vote 18-0.

Amendment (1479h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to employee leasing companies.

Amend the bill by replacing all after the enacting clause with the following:

1 Employee Leasing Deemed Co-Employment. Amend RSA 277-B:9, I (a) to read as follows:

(a) Paying wages to leased employees. The employee leasing company may rely on initial hiring documentation of wages, ongoing pay change documentation, and reported payroll documentation regarding hours worked or other measured unit of employee compensation received from the client company. ~~[Notification shall be made in compliance with the signed notice as required by regulations issued by the department.]~~ ***An employee leasing company shall not knowingly rely on materially inaccurate information provided under this paragraph.***

2 Employee Leasing Deemed Co-Employment. Amend RSA 277-B:9, II(d)-(f) to read as follows:

(d) Providing accurate personnel and payroll information, and a record of hours and wages to the employee leasing company and department of labor when requested, as a co-employer on all leased employees as required of employers under RSA 279:27. ***Notification shall be made in compliance with the signed notice as required by rules adopted by the department.***

(e) Complying with all wage and hour laws, including recordkeeping requirements and determinations of exempt and non-exempt status.

(f) Providing a safe workplace to the employees free of all hazards in compliance with the Occupational Safety and Health Act of 1970 and regulations or any similar law. ***This shall include sole responsibility for compliance with the requirements of RSA 281-A:64 and similar requirements or regulations.***

3 Employee Leasing Deemed Co-Employment. Amend RSA 277-B:9, III to read as follows:

III. The employee leasing company shall notify the commissioner of employment security and the commissioner of the department of labor in writing of all new and terminated client companies within [†0] **20 business** days of engagement or termination.

4 Employee Benefits and Other Insurance. RSA 277-B:11, I and II are repealed and reenacted to read as follows:

I. An employee leasing company and a client shall each be deemed an employer under the laws of this state for the purposes of sponsoring employee welfare and retirement plans for its leased employees. Nothing in this section shall require an employee leasing company to provide comparable benefits to employees located at different work sites.

II.(a) An employee leasing company that provides health insurance benefits to its leased employees shall only provide such benefits through a fully- insured policy issued by an insurance carrier admitted to write such coverage in this state. Any such fully-insured welfare benefit plan offered to leased employees of a single employee leasing company shall be treated for purposes of state regulation as a single employer welfare benefit plan and for purposes of RSA 420-G, an employee leasing company that has employed on average at least 51 leased employees on business days during the previous calendar quarter shall be treated as a large employer.

(b) A fully-insured welfare benefit plan under this paragraph shall be exempt from any licensing requirements pursuant to RSA 420-L or 415-E.

5 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill clarifies the procedures for employee benefits and other insurance for employee leasing companies.

Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with amendment.

Reps. Pilotte and Hunt spoke in favor.

Committee report adopted and ordered to third reading.

SB 195, naming the Manchester Airport Access Road for Raymond Wieczorek. **OUGHT TO PASS.** Rep. Peter E. Ramsey for Public Works and Highways: The majority of the committee endorses the concept of naming the Manchester Airport Access Road, Raymond Wieczorek Drive. District 4 Executive Councilor Wieczorek has spent his entire life serving the public, as a U.S. Army Korean War Veteran, serving on over 20 non-profit and charitable groups, Commissioner of Manchester Housing and Redevelopment Authority, Mayor of the City of Manchester for 5 terms, Manchester Airport expansion, Verizon Wireless Arena, redevelopment of Manchester's historic Millyard, named Greater Manchester Chamber of Commerce Citizen of the year 1999. The committee feels that his many lifelong accomplishments and kind spirit is deserving of this wonderful honor. The committee vote of 13-2 is highly supportive, considering that Public Works members have a long history of attempting to avoid honoring living citizens with naming honors. The two votes in opposition to this measure reflect this position, not an opinion on the subject matter. The department of transportation has indicated that there would be no financial impact. Vote 13-2.

Rep. Bowers spoke against.

Rep. Vaillancourt spoke against and yielded to questions.

Rep. Baroody spoke in favor.

Rep. Manuse spoke in favor and yielded to questions.

MOTION TO LAY ON THE TABLE

Rep. Tamburello moved that **SB 195**, naming the Manchester Airport Access Road for Raymond Wieczorek, be laid on the table.

Rep. Ramsey requested a roll call; sufficiently seconded.

and the committee report was adopted and ordered to third reading.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Chandler moved that the House reconsider its actions whereby, on a roll call vote of 201-111, it adopted the committee report of Ought to Pass on **SB 195**, naming the Manchester Airport Access Road for Raymond Wieczorek.

Rep. Chandler spoke against.

Motion failed.

BILLS REMOVED FROM THE CONSENT CALENDAR (CONT'D)

SB 75-FN, relative to clarification of part-time service in the state retirement system. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Edward P. Moran for Special Committee on Public Employee Pensions Reform: This bill, as amended, defines part-time employment for the New Hampshire Retirement System. It sets the maximum hours to 1,300 per year to qualify as part-time for both Group I and Group II. It prohibits retired members from returning and collecting both a pension and full pay (double dipping). It also eliminates the option of a person to not participate in the NHRS for unclassified employees. Vote 13-0.

Amendment (1577h)

Amend the bill by replacing all after section 1 with the following:

2 New Paragraph; Definition Added; Part-time Employment. Amend RSA 100-A:1 by inserting after paragraph XXXIII the following new paragraph:

XXXIV. "Part-time," for purposes of employment of a member, means employment by an employer depending on the group classification of the employment as follows:

(a) For group I in no instance shall part-time employment of the member exceed 1,300 hours in a calendar year.

(b) For group II in no instance shall part-time employment of the member exceed 1,300 hours in a calendar year.

3 Membership; Optional. Amend the introductory paragraph of RSA 100-A:3, I(a) to read as follows:

I.(a) Any person who becomes an employee, teacher, permanent policeman, or permanent fireman after the date of establishment, working in a position for an employer under this chapter as determined by common law standards, shall become a member of the retirement system as a condition of employment; except that membership shall be optional in the case of *persons who commenced service prior to July 1, 2008 who are* elected officials, officials appointed for fixed terms, [~~unclassified state employees;~~] or those employees of the general court who are eligible for membership in the retirement system. Elected officials and officials appointed for fixed terms shall, however, be eligible for membership in the retirement system only under the following conditions:

4 Restoration to Service; Limited to Part-time. RSA 100-A:7 is repealed and reenacted to read as follows:

100-A:7 Service After Retirement; Part-time. No employer shall employ a member in other than a part-time position after the member's retirement pursuant to this chapter.

5 Effective Date.

I. Sections 2-4 of this act shall take effect July 1, 2011.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill defines part time employment for purposes of the New Hampshire retirement system and prohibits members in retirement from returning to full-time employment. The bill also modifies optional membership in the retirement system.

Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment.

Reps. James Belanger and Hawkins spoke in favor.

Rep. Bergevin spoke against and yielded to questions.

On a division vote, 276 members having voted in the affirmative and 29 in the negative, the committee report was adopted.

Referred to the Committee on Finance.

MOTION TO SUSPEND HOUSE RULES

Rep. Bettencourt moved that all House Rules necessary be so far suspended as to allow introduction and consideration at the present time of *HCR 27*, honoring the members of the military and intelligence community who carried out the mission that killed Osama bin Laden, and for other purposes.

Rep. Bettencourt spoke in favor.

Adopted by the necessary two-thirds vote.

RESOLUTION

Rep. Bettencourt offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, House Concurrent Resolution numbered 27 shall be by this resolution read a first and second time by the therein listed title.

Adopted.

CONSIDERATION OF HCR 27

HCR 27, honoring the members of the military and intelligence community who carried out the mission that killed Osama bin Laden, and for other purposes.

Rep. Bettencourt spoke in favor.

Unanimously adopted by voice vote and ordered to third reading.

MOTION TO PRINT REMARKS

Rep. Kurk moved that the remarks made by Rep. Bettencourt be placed in the Permanent Journal. Adopted.

REMARKS

Rep. Bettencourt: Thank you, Mister Speaker. I am seeking to introduce and pass House Concurrent Resolution 27. Mister Speaker and esteemed colleagues, nine years, seven months and twenty-one days. That's how long it took to bring one of the most despicable, evil people in history to justice. Thanks to the efforts of our military leaders and a very special group of Navy SEALs, the world is a safer place today not only for Americans but for people across the globe. Three thousand, five hundred twenty days after thousands of Americans were murdered in terrorist attacks on the twin towers, at the Pentagon and in Pennsylvania, Osama bin Laden, the man who masterminded and then gloated about the attacks, was finally brought to justice. This was a victory for all Americans, but especially for those who lost a loved one on that clear, sunny, September morning nearly ten years ago. I rise today to ask for your support of a resolution commending those members of the Special Forces unit who put their own lives in peril in a far away land so that justice could finally be served. It may have nearly taken a decade, but thanks to the resolve of two Presidents and the courage of the military forces, we have dealt a blow to the Al-Qaeda terrorist network and we hope that it is a significant one. We may never know the names of the heroes that performed the dangerous mission, but they do so, we know, because they love freedom and because they love their country. We are committed as they are to eliminating terrorism worldwide, but they do so without seeking recognition for their heroic actions. The news of the success of their mission brought out the same patriotic spirit that we witnessed in the hours after the morning of September 11th, but with baseball stadiums echoing chants of USA and with millions of Americans flooding our streets in New York City and in Washington rejoicing in the news, these heroes were quietly making their way back to their home base awaiting word of their next mission. Members of the House, I hope that you will join me in showing our appreciation for what these Special Forces do in the name of freedom. I ask that this body again join me in a loud voice to let our military leaders and the forces that serve under them know that we in New Hampshire appreciate their sacrifice. Has terrorism been totally eliminated by this mission? Certainly not, but it gives us hope. Thomas Friedman in the *New York Times* raised an excellent point, that there is one positive thing about the fact that Osama bin Laden survived nearly ten years after September 11th. It is that he lived long enough to see so many young Arabs repudiate his ideology. He lived long enough to see Arabs from Tunisia to Egypt to Syria rise up peacefully to gain the dignity, justice and self-rule that bin Laden claimed could only be obtained by murderous violence. We may only hope that ideology continues to be repudiated until it becomes fully extinct, but America has sent a message to the rest of the world that we will not stand by and let terrorist acts go unanswered. Those who masterminded these attacks will be brought to justice, and so, Mister Speaker, I hope that the House will join me in thanking the brave men and women who have taken such a substantial step in keeping America safe and free. Thank you.

SENATE MESSAGE**NONCONCURS WITH AMENDMENTS****REQUESTS COMMITTEE OF CONFERENCE**

SB 3-FN-A-L, making comprehensive changes to the state retirement system.

The President appointed Sens. Bradley, Carson and Larsen.

Rep. Hawkins moved that the House accede.

Adopted.

The Speaker appointed Reps. Hawkins, Kurk, William Smith and Sedensky.

RESOLUTION

Rep. Jasper offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, May 18, 2011 at 10:00 a.m. Adopted.

LATE SESSION**Third reading and final passage**

SB 116, relative to the manufactured housing installation standards board.

SB 122, establishing a committee to study the laws relating to electronic prescriptions.

SB 33-FN, relative to retired state employee contributions for medical benefits costs.

SB 81-FN, relative to powers and duties of commissioners of executive branch agencies, and relative to the extension of the expired term of a commissioner or agency head.

SB 148-FN, relative to health insurance coverage and declaring that the attorney general should join the lawsuit challenging the Patient Protection and Affordable Care Act.

HJR 4, prohibiting the implementation of certain rules of the board of medicine.

SB 89, establishing a study committee on the procurement of health insurance by employee leasing companies.

SB 195, naming the Manchester Airport Access Road for Raymond Wieczorek.

HCR 27, honoring the members of the military and intelligence community who carried out the mission that killed Osama bin Laden, and for other purposes.

RECESS MOTION

Rep. Bettencourt moved that the House stand in recess for the purposes of the introduction of bills, receiving Senate messages, enrolled bill amendments, enrolled bill reports and forming Committees of Conference.

Adopted.

The House recessed at 5:25 p.m.

HB 211, relative to the review and approval of proposed agency rules under the administrative procedures act.

HB 291, relative to permissible fireworks.

HB 313, requiring parental consent for court referral of a minor to a juvenile diversion program.

HB 317, relative to fire warning devices and carbon monoxide detection devices in dwellings.

HB 398, relative to service animals.

HB 413, directing the joint legislative oversight committee on the emergency management system to review the duties of certain other committees.

HB 521, relative to meeting dates for county conventions.

HB 532-L, relative to municipal liability for dog bites.

HB 651, allowing the sale and possession of monk parakeets.

NONCONCURRENCE

HB 160, relative to the powers of the joint committee on legislative facilities.

HB 257, relative to removal of political advertising.

HB 290, relative to staffing exceptions for small schools.

HB 450, relative to the regulatory authority of the board of barbering, cosmetology, and esthetics.

RE-REFERRED TO COMMITTEE

HB 210-FN, relative to the use of deadly force to protect oneself.

HB 225-FN, relative to the return of personal property confiscated by law enforcement agencies from a person charged with a crime.

HB 330-FN, relative to carrying firearms.

HB 378-FN, inserting an exception to the criminal threatening statute, relative to the minimum mandatory sentence for a felony conviction involving the possession, use, or attempted use of a firearm, and relative to the definition of “non-deadly” force.

HB 479-FN, relative to receivership of nursing homes and other residential health care facilities.

LAID ON THE TABLE

HB 113, prohibiting the use of state funds for New Hampshire public television.

HB 442-FN, relative to the use of marijuana for medicinal purposes.

HB 614, requiring a performance audit of the guardian ad litem board and guardian ad litem services.

HB 617, repealing the prohibitions on Sunday business activities.

HB 634-FN, relative to payment of guardian ad litem and mediator fees in marital cases where the parties are indigent.

RECESS

(Speaker O’Brien in the Chair)

Rep. Chandler moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 18

Wednesday, May 18, 2011

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Deputy Speaker, Rep. Tucker.

His Excellency, Governor John H. Lynch, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Roger Boucher.

The Lord is great and highly to be praised, and the greatness of the Lord has no end. Age after age praises Your work, Lord, and we continue to proclaim Your power. (Psalm 144)

Heavenly Lord, Psalm 144 helps us to see that we are loving creatures with open hands grateful for Your gifts. We praise You for the gift of our families, our spouses, and our children. We thank You for our friends, our constituents and the challenges of this day. Our concerns extend to those who need our thoughts and Your intercession; the sick, the suffering, all who need healing and those in uniform. Help us to see that a leader's greatest merit is his or her own humility and that from this center all Your people are susceptible to right example. Help us to turn, with seriousness and good conscience, to the strength of the first principles that secure our liberties. Keep us strong and vibrant for the time that we serve, for You are great and highly to be praised! Amen.

Representative Marjorie Porter, member from Hillsborough, led the Pledge of Allegiance.

Representative James Garrity of Atkinson led the singing of America the Beautiful.

LEAVES OF ABSENCE

Reps. Charron, Jennifer Coffey and Hofemann, the day, illness.

Reps. Avard, Ball, Comerford, Coughlin, Hess, Lambert, Leonard, Levasseur, Pastor, Pelletier, Michael Reed, Rosenwald, Summers, Joseph Thomas, Tilton, Ulery and Weber, the day, important business.

INTRODUCTION OF GUESTS

The Honorable, Jennifer Daler, former member from Temple, guest of Rep. Norelli. Roanne Sanborn and Bill Gordon, guests of Rep. Burt. Nan Munck, Catherine, Donald, Bridget, Donald and John Batsford; wife, daughter, son-in-law and grandchildren of Rep. Munck. Marj, Ruth, Lee and Clara Smith; wife, daughter-in-law and granddaughters of Rep. William Smith. John, Katie, Madison, and Jane Tucker, Jill Worthington and Deborah Cope; husband, children and guests of Rep. Tucker. Honey and Nich Putenbaugh, guests of Rep. Cataldo. James and Nancy Manuse, parents of Rep. Manuse. Tamara Fleury Howard, wife of Rep. Howard. Fourth graders from the Mont Vernon Village School, guests of the Hillsborough District 4 delegation.

Grant Reeder and Robert Sherman, students at Kearsarge Regional High School, Pages for the day.

(Speaker O'Brien in the Chair)

SENATE MESSAGES

REQUESTS CONCURRENCE WITH AMENDMENTS

HB 31, relative to insurance payments for ambulance services. (Amendment printed SJ 5-4-11)

Rep. Hunt moved that the House concur and spoke in favor.

Adopted.

HB 47, relative to inactive license status for real estate brokers and salespersons. (Amendment printed SJ 4-20-11)

Rep. Hunt moved that the House concur and spoke in favor.

Adopted.

HB 175, relative to technical changes in life, accident, and health insurance. (Amendment printed SJ 4-27-11)

Rep. Hunt moved that the House concur and spoke in favor.

Adopted.

HB 178, establishing a committee to study issues regarding Financial Resources Mortgage, Inc. (Amendment printed SJ 5-4-11)
Rep. Hunt moved that the House concur and spoke in favor.
Adopted.

HB 419-FN, relative to language in insurance certificates. (Amendment printed SJ 4-27-11)
Rep. Hunt moved that the House concur and spoke in favor.
Adopted.

HB 424, relative to surplus lines tax collection. (Amendment printed SJ 5-4-11)
Rep. Hunt moved that the House concur and spoke in favor.
Adopted.

HB 544, relative to state authority over firearms and ammunition. (Amendment printed SJ 5-11-11)
Rep. Swinford moved that the House concur and spoke in favor.
Adopted.

HB 30, relative to reciprocity for licensure by the board of veterinary medicine. (Amendment printed SJ 5-4-11)
Reps. Haefner and Carol McGuire moved that the House concur.
Rep. Haefner spoke in favor.
Adopted.

HB 380, exempting the commission on the status of men from repeal on June 30, 2011 and adding a duty to the commission. (Amendment printed SJ 5-4-11)
Rep. Carol McGuire moved that the House nonconcur and request a Committee of Conference.
Adopted.
The Speaker appointed Reps. Winter, Hansen, Whitehead and Bowers.

HB 295, relative to the use of long-term antibiotics for the treatment of Lyme disease. (Amendment printed SJ 5-4-11)
Rep. Reagan moved that the House concur and spoke in favor.
Adopted.

HB 26-FN, relative to the definition of gross misconduct for purposes of unemployment compensation. (Amendment printed SJ 5-4-11)
Rep. Daniels moved that the House nonconcur and request a Committee of Conference.
Adopted.
The Speaker appointed Reps. Daniels, Infantine, Laware and Goley.

HB 483-FN-L, relative to mosquito control. (Amendment printed SJ 4-20-11)
Rep. Ferrante moved that the House nonconcur and request a Committee of Conference.
Adopted.
The Speaker appointed Reps. Sterling, Ferrante, Kris Roberts and Burt.

HB 622, relative to adjustments to the semi-annual and quarterly collection of property taxes in towns and cities. (Amendment printed SJ 4-13-11)
Rep. Ferrante moved that the House nonconcur and request a Committee of Conference.
Adopted.
The Speaker appointed Reps. Betsey Patten, Ferrante, Sterling and Dorothea Hooper.

HB 149, designating segments of the Lamprey, North Branch, Pawtuckaway, North, Little, and Piscassic Rivers as protected rivers and exempting certain portions of the Lamprey River from the provisions of the comprehensive shoreland protection act. (Amendment printed SJ 5-4-11)
Rep. Renzullo moved that the House concur and spoke in favor.
Adopted.

HB 381, authorizing net metering for micro-combined heat and power systems. (Amendment printed SJ 5-4-11)
Rep. James Garrity moved that the House concur and spoke in favor.
Adopted.

HB 299-FN, relative to the method of financing for the judicial retirement plan. (Amendment printed SJ 5-11-11)

Rep. Hawkins moved that the House nonconcur and request a Committee of Conference.

Adopted.

The Speaker appointed Reps. Hawkins, Cohn, Winter and Sanborn.

HB 90, relative to enforcement of the requirement of boaters to have a safe boater education certificate. (Amendment printed SJ 4-20-11)

Rep. Packard moved that the House concur and spoke in favor.

Adopted.

HB 397, relative to image display devices in motor vehicles. (Amendment printed SJ 4-27-11)

Rep. Packard moved that the House concur and spoke in favor.

Adopted.

CONSENT CALENDAR

Rep. Bettencourt moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

Consent Calendar adopted.

SB 111, relative to short sales of a homeowner's residence. **OUGHT TO PASS.**

Rep. Sean M. McGuinness for Commerce and Consumer Affairs: This bill updates the relatively new law (RSA 479-A) a.k.a. the "Foreclosure Rescue Law" that was intended to protect consumers from equity scamming by certain unscrupulous "foreclosure consultants" and like kind operators. A "short sale" simply means a property owner may agree to sell property to a buyer for less than the amount of the outstanding mortgage debt as the lender may allow; it is usually accompanied by debt forgiveness and is widely accepted as a legitimate mechanism for avoiding foreclosure. It exempts buyer and seller from certain requirements pertaining to foreclosure consultants and it better defines and clarifies the existing statute. It removes real or perceived regulatory obstacles that became unintended consequences of the original legislation. The bill defines and regulates a "short sale." Finally, the bill improves the existing statute by requiring written consent and disclosure by the parties who are engaged in short sale transactions. This is not a licensing matter. This bill is unopposed and its passage will serve to improve the statute. Vote 16-0.

SB 179, relative to qualified purchasing alliances. **OUGHT TO PASS.**

Rep. Chris F. Nevins for Commerce and Consumer Affairs: This bill is a follow-up to SB 408, Chapter 346, Laws of 2010 which added RSA 420-M, establishing purchasing alliances for health insurance. This law established the definitions, application and licensing requirements and demonstration of necessary fiscal fitness to create a health purchasing alliance. Products sold by a purchasing alliance to members of small employers would be rated under the small group rating law and be priced as small group insurance. This bill improves and clarifies the current law for obtaining certification and establishes membership criteria that limit membership in the alliance to employers that are members of or affiliated with an association or trade group that has been in existence for at least 10 years and was established and maintained for purposes other than the provision of health coverage. The committee concurs with this clarification. Vote 16-0.

SB 123, relative to notification if a person found incompetent to stand trial and civilly committed is released into the community. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Larry G. Gagne for Criminal Justice and Public Safety: This bill adds felonious sexual assault to the crimes for which the victims are notified when an accused perpetrator, found incompetent to stand trial, is released unsupervised from civil commitment. It has also been amended so that the statute of limitation is suspended for murder, manslaughter and felonious sexual assault while the accused is incompetent to stand trial. Vote 15-1.

Amendment (1589h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to notification if a person found incompetent to stand trial and civilly committed is released into the community and relative to the prosecution of certain accused persons who have been found incompetent to stand trial.

Amend the bill by inserting after section 2 the following and renumbering the original section 3 to read as 4:

3 Limitations. Amend RSA 625:8, VI to read as follows:

VI. The period of limitations does not run:

(a) During any time when the accused is continuously absent from the state or has no reasonably ascertained place of abode or work within this state; ~~or~~

(b) During any time when a prosecution is pending against the accused in this state based on the same conduct; *or*

(c) During any time that a person who has been charged with murder pursuant to RSA 630:1, RSA 630:1-a, or RSA 630:1-b, manslaughter or aggravated felonious sexual assault is found and remains incompetent to stand trial pursuant to RSA 135:17-a.

AMENDED ANALYSIS

This bill clarifies the notification required if a person found incompetent to stand trial and civilly committed is released into the community. The bill also provides that the period of limitations on prosecution shall not run anytime that a person who has been charged with certain crimes is found and remains incompetent to stand trial.

SB 180, establishing a committee to study the availability of community supervision programs for prisoners released on probation or parole. **OUGHT TO PASS.**

Rep. Laura C. Pantelakos for Criminal Justice and Public Safety: This bill sets up a committee to study the availability of community supervision programs for prisoners released on probation or parole. This bill will insure that these programs are in place and working to benefit the state. Vote 16-0.

SB 37, relative to the determination of residency for certain pupils. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Kathleen A. Lauer-Rago for Education: This bill, as amended, gives parents more input when residency of their child is in dispute. It allows them to present a residency dispute for determination to the commissioner of education. It also changes the language to exclude homeless children in accordance with federal law. It also corrects the reference to RSA 193:28, which provides a proper definition of legal residence for purposes of school attendance. Vote 17-0.

Amendment (1808h)

Amend the bill by replacing section 1 with the following:

1 School Attendance; Legal Residence Required. Amend RSA 193:12, VI(a) to read as follows:

VI.(a) The commissioner of the department of education, or designee, shall decide residency issues for all pupils, ~~[including]~~ **excluding** homeless children and youths, in accordance with this section. If more than one school district is involved in a residency dispute, or the parents who live apart cannot agree on the residence of a minor child, the respective superintendents shall jointly make such decision. In those instances when an agreement cannot be reached, the commissioner of the department of education, or designee, shall make a determination within ~~[14]~~ **30** days of notice of the residency dispute and such determination shall be final. ***If the unresolved residency dispute has resulted in an interruption of educational or related services, or such an interruption is likely to occur if the determination cannot be made before the expiration of 30 days, the determination shall be made within 14 days. With the agreement of the school districts involved and of the minor child's parent or legal representative, the time for determination of the residency dispute may be extended. Residency disputes may be submitted to the commissioner for determination by a school district involved in a dispute. In cases where the failure to resolve a residency dispute has resulted in or is likely to result in the interruption of educational or related services, a minor child's parent or legal representative may submit a residency dispute for determination to the commissioner. In [any case] all cases, all parties with an interest in the dispute shall be notified of the pendency of the proceedings, shall have an opportunity to review all information provided to the commissioner, and shall have an opportunity to present facts and legal arguments to the commissioner. The commissioner's decision, including a written explanation for that decision,*** shall be provided to the parties of record and a copy of such explanation shall be kept on file by the department of education. No school district shall deny a pupil attendance or implementation of an existing individualized education program.

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3:

2 Legal Residence Required. Amend RSA 193:12, II(a)(2) to read as follows:

(2) In a divorce decree where parents are awarded joint decision making responsibility or joint legal custody, the legal residence of a minor child is the residence of the parent with whom the child resides. If a parent is awarded sole or primary residential responsibility or physical custody by a court of competent jurisdiction in this or any other state, legal residence of a minor child is the residence of the parent who has sole or primary residential responsibility or physical custody. If the parent with sole or primary physical custody lives outside the state of New Hampshire, the pupil does not have residence in New Hampshire. If the court order is for equal or approximately equal periods of residential responsibility, the child's legal residence for school attendance purposes shall be as stated in the order. If a child is in a court-ordered residential placement, foster home, or group home pursuant to RSA 169-B, RSA 169-C, RSA 169-D, RSA 170-C, or RSA 463, residence shall be determined in accordance with RSA [193:27] **193:28**.

SB 45, relative to criteria for designation as a Granite State scholar. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Ralph G. Boehm for Education: This bill changes the designation for Granite State scholar to be consistent with existing SAT scoring measures and to take care of this if SAT scoring changes in the future. The amendment includes other nationally recognized norm referenced assessments to determine Granite State scholars. Vote 17-0.

Amendment (1500h)

Amend the bill by replacing section 1 with the following:

1 Granite State Scholar Designation. Amend RSA 188-D:39, I to read as follows:

I. The granite state scholar designation shall be made for any New Hampshire resident who graduates in the top 10 percent of his or her class from an [accredited] **approved** New Hampshire high school, and who receives a combined score [of 1200 or more] **equaling at least 75 percent of the maximum possible score** on the Scholastic Aptitude Test I, or the equivalent score on [the ACT Assessment examination] **another nationally recognized and norm referenced assessment approved by the department of education**. The granite state scholar designation shall be determined using class rank and standardized test scores taken no later than January 31 of the student's senior year in high school.

AMENDED ANALYSIS

This bill changes the criteria relating to the required score on the Scholastic Aptitude Test or other nationally recognized and norm referenced assessment for designation as a Granite State scholar. The bill also changes the date by which the postsecondary education commission shall distribute matching funds to participating institutions.

This bill was requested by the postsecondary education commission.

SB 96, relative to amending the charter of The Pinkerton Academy. **OUGHT TO PASS.**

Rep. Robert H. Greemore for Education: This bill allows Pinkerton Academy to amend its charter in accordance with the provisions of RSA 292:7. This bill would allow Pinkerton Academy Board of Trustees to amend their charter without going to the General Court. This corrects an oversight by the school to make changes to its charter as other academies were allowed to do following statutory changes in 1992. Vote 17-0.

SB 128-FN-A, establishing a committee to study sources of funding for the search and rescue operations of the fish and game department. **OUGHT TO PASS.**

Rep. Tyler W. Simpson for Fish and Game and Marine Resources: Costs for search and rescue continue to rise. Last year, \$128,000 of funding came from hunters and fishermen as part of their license fees. These people are not those needing to be rescued. New sources of funding should be explored. Vote 13-0.

SB 36, relative to the permanent siting of the Hampton-Exeter District Court. **OUGHT TO PASS.**

Rep. Brian J. X. Murphy for Judiciary: This bill extends the date required for the permanent siting of the Hampton-Exeter District Court from January 1, 2011 (which has already passed) to January 1, 2015. The committee discussed the difficulty of siting a court that services 14 communities and balanced that challenge against the expectation that this project will receive priority attention over the next few years. It was determined by the committee that this bill achieved the necessary balance. Vote 15-1.

SB 54, relative to the definition of declarant under the condominium act and the duties of the committee to study laws relating to condominium and homeowners' associations. **OUGHT TO PASS.** Rep. J. Brandon Giuda for Judiciary: This bill modifies the definition of "declarant" under the condominium act in order to eliminate an unnecessary registration process for condominium developments that have been foreclosed upon by a lender. The statute currently requires a mortgage holder that forecloses and retains the property to complete the condominium registration process prior to selling to a new owner, even if the mortgage holder simply wants to sell the development. Any new owner must then also complete the lengthy condominium registration process. By eliminating such a mortgage holder from the definition of declarant, this bill reduces unnecessary regulatory requirements while still ensuring the individual condominium owners are protected. Vote 13-0.

SB 64, removing the oath requirement for criminal complaints filed by police officers. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Gregory M. Sorg for Judiciary: This bill seeks to amend RSA 592-A:7 by expanding the offenses that can be initiated by the unsworn complaint of a police officer to include not just violation-level offenses as under present law, but misdemeanors as well. The purpose of the bill is to address the difficulty frequently encountered, particularly in rural areas or late at night, in locating notaries or justices of the peace before whom to attest. The committee was sympathetic with the desire for convenience, but wanted to prevent possible abuses. Accordingly, in the committee amendment, the proposed expansion is limited to class B misdemeanors (the penalties for which do not allow for imprisonment), and requires the complaint to be signed by the officer and to contain a warning that the officer's making a false statement on the complaint could result in his or her criminal prosecution. The committee amendment also amends RSA 592-A:8 to make clear, consistent with Article 19 of Part I of the New Hampshire Constitution, that a complaint used as the basis of an arrest warrant must continue to be signed under oath. Vote 16-0.

Amendment (1696h)

Amend the title of the bill by replacing it with the following:

AN ACT removing the oath requirement for class B misdemeanor criminal complaints filed by police officers.

Amend the bill by replacing all after the enacting clause with the following:

1 Criminal Complaints. Amend RSA 592-A:7, I to read as follows:

I. Criminal proceedings before a district court shall be begun by complaint, signed and under oath, addressed to such court, briefly setting forth, by name or description, the party accused and the offense charged, provided that a complaint filed by a police officer, as defined in RSA 188-F:23, I, for a violation-level offense **or a class B misdemeanor** shall not require ~~a signature or~~ an oath. ~~[Any complaint]~~ **All complaints** filed ~~[electronically]~~ **by a police officer** shall include **the officer's signature and printed name and** notice that making a false statement on the complaint may result in criminal prosecution.

2 Warrants. Amend RSA 592-A:8 to read as follows:

592-A:8 Warrants. A justice of the peace or justice of the district ~~[or municipal]~~ court, upon such complaint **when signed under oath**, may issue a warrant for the arrest of the person so charged with an offense committed or triable in the county, directed to the sheriff of any county or his deputy or to any constable or police officer of any town in the county.

3 Criminal Complaints. Amend RSA 592-A:7, I to read as follows:

I. Criminal proceedings before a ~~[district]~~ **circuit** court shall be begun by complaint, signed and under oath, addressed to such court, briefly setting forth, by name or description, the party accused and the offense charged, provided that a complaint filed by a police officer, as defined in RSA 188-F:23, I, for a violation-level offense **or a class B misdemeanor** shall not require ~~a signature or~~ an oath. ~~[Any complaint]~~ **All complaints** filed ~~[electronically]~~ **by a police officer** shall include **the officer's signature and printed name and** notice that making a false statement on the complaint may result in criminal prosecution.

4 Warrants. Amend RSA 592-A:8 to read as follows:

592-A:8 Warrants. A justice of the peace or justice of the ~~[district or municipal]~~ **circuit** court, upon such complaint **when signed under oath**, may issue a warrant for the arrest of the person so charged with an offense committed or triable in the county, directed to the sheriff of any county or his deputy or to any constable or police officer of any town in the county.

5 Contingency. If HB 609-FN of the 2011 legislative session becomes law, sections 3 and 4 of this act shall take effect January 1, 2012 and sections 1 and 2 of this act shall not take effect. If HB 609-FN does not become law, sections 1 and 2 of this act shall take effect January 1, 2012 and sections 3 and 4 of this act shall not take effect.

6 Effective Date. This act shall take effect January 1, 2012.

AMENDED ANALYSIS

This bill removes the oath requirement for class B misdemeanor criminal complaints filed by police officers. The bill also requires a police officer filing a criminal complaint to sign the complaint.

SB 109, establishing a committee to study the foreclosure process in New Hampshire. **INEXPEDIENT TO LEGISLATE.**

Rep. J. Brandon Giuda for Judiciary: This bill proposes establishing a committee to study the foreclosure process in New Hampshire. The committee felt the bill was submitted in response to national media reports alleging significant foreclosure improprieties; however investigations have shown no such significant problems. The committee concluded that despite thousands of foreclosures in New Hampshire, there is no evidence of foreclosure problems that would necessitate any type of study. The committee also recognized that the current foreclosure process allows a property owner to seek judicial relief if improprieties exist. Because the committee strongly felt this bill was proposing a solution in search of a problem, the committee voted unanimously for inexpedient to legislate. Vote 16-0.

SB 20, relative to shoreland protection permits. **OUGHT TO PASS.**

Rep. Andrew Renzullo for Resources, Recreation and Development: This bill exempts terrain alteration permit holders from requiring certain shoreland protection permits. This eliminates a duplication of effort by both the applicant and agency and reduces costs. Vote 15-0.

SB 21, relative to exemptions from excavating and drainage permits. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Judith T. Spang for Resources, Recreation and Development: This bill exempts from permitting the maintenance work on water-related manmade structures such as detention basins, culverts, farm ponds and roadside ditches. It also allows such facilities to be modified or replaced as long as adjoining wetlands are not affected and best management practices are used. The amendment resolves a conflict with a bill now in the Senate and condenses the bill. Vote 13-0.

Amendment (1845h)

Amend the bill by replacing all after the enacting clause with the following:

1 Excavating and Dredging Permit; Exemptions. Amend RSA 482-A:3, IV(b) to read as follows:

(b) Man-made nontidal drainage ditches, *roadside and railroad ditches* ~~culverts~~, ~~[catch]~~ *detention* basins, ~~[and]~~ ponds, *and wetlands* that have been legally constructed to collect, ~~[or]~~ convey, *treat, or control* storm water and spring run-off, *legally constructed ponds on active farms, erosional features caused by proximate human activity*, fire ponds and intake areas of dry hydrants that have been legally constructed to provide water for municipal firefighting purposes as approved by a local fire chief, and *aggregate wash ponds, sluiceways, and other legally constructed* man-made water conveyance systems that are used for the commercial or industrial purpose of collecting, conveying, storing, and recycling water, may be ~~cleaned out when~~ *maintained, repaired, replaced, or modified as necessary* to preserve their usefulness without a permit ~~[from the department. Such drainage facilities, fire ponds, intake areas of any hydrants, or man-made water conveyance systems may be cleaned out by hand or machine]~~ *under this chapter*; provided, that the *exempted* facility, *area, or feature* is ~~[neither enlarged nor]~~ *not* extended into any area of wetlands jurisdiction of the department of environmental services, dredged spoils are deposited in areas outside wetlands jurisdiction of the department of environmental services, ~~[and]~~ wetlands or surface waters outside the limits of the ~~[constructed drainage facility, fire pond, intake area of a dry hydrant, or man-made water conveyance system]~~ *exempted facility, area, or feature* are neither disturbed nor degraded, *the exempted facility, area, or feature was not constructed as mitigation under a wetlands permit or as part of a settlement agreement, best management practices are followed, and the work does not infringe on the property rights or unreasonably affect the value or enjoyment of property of abutting owners.*

(c) Legally constructed culverts may be cleaned as necessary to preserve their usefulness without a permit under this chapter provided the conditions of subparagraph (b) are met.

2 Contingent Amendment; Excavating and Dredging Exemptions. Amend RSA 482-A:3, IV(c) to read as follows:

(c) Legally constructed culverts may be cleaned as necessary to preserve their usefulness without a permit under this chapter provided the conditions of subparagraph (b) are met, *however any repair, replacement or modification of a culvert must be made in accordance with RSA 482-A:3, XVI.*

3 Contingent Amendment; Municipalities; Permit by Notification. Amend RSA 482-A:3, XVI(a) to read as follows:

XVI.(a) Any person or political subdivision that repairs[;] *or* replaces[~~or maintains~~] *culverts or stream crossing* structures in accordance with the best management practices for routine roadway maintenance in New Hampshire published by the department of transportation, including culverts up to *and including* 48 inches in diameter or the functional hydraulic equivalent, and files an appropriate notice under subparagraph (b), shall satisfy the permitting requirements of this section for minimum impact activities, as defined by rules adopted by the commissioner.

4 Contingency.

I. If HB 621-FN-LOCAL of the 2011 legislative session becomes law before the effective date of section 1 of this act, section 2 shall take effect at 12:01 a.m. 60 days after passage of this act. If HB 621-FN-LOCAL of the 2011 legislative session becomes law after the effective date of section 1 of this act, section 2 shall take effect on the effective date of HB 621-FN-LOCAL. If HB 621-FN-LOCAL of the 2011 legislative session does not become law, then section 2 of this act shall not take effect.

II. If HB 621-FN-LOCAL of the 2011 legislative session becomes law, then section 3 of this act shall take effect at 12:01 a.m. on the effective date of HB 621-FN-LOCAL. If HB 621-FN-LOCAL of the 2011 legislative session does not become law, then section 3 of this act shall not take effect.

5 Effective Date.

I. Sections 2 and 3 of this act shall take effect as provided in section 4 of this act.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill modifies the exemptions from excavating and drainage permits.

SB 32, relative to water withdrawals for snow making. **OUGHT TO PASS.**

Rep. Peter S. Bolster for Resources, Recreation and Development: This bill was requested by the ski industry to reduce redundant measuring of large water withdrawal for the purpose of snowmaking. It will also reduce paperwork. The net effect is to lower costs to the businesses involved. Vote 15-0.

SB 38, relative to extensions for wetland and shoreland permits. **OUGHT TO PASS.**

Rep. Charlene M. Lovett for Resources, Recreation and Development: This bill provides for extensions of permits for excavating and dredging in wetlands and activities within the protected shoreland. Upon request, the department of environmental services (DES) may grant one extension of up to five additional years, provided the applicant demonstrates all of the following four criteria: a) The original permit has not been revoked or suspended without reinstatement. b) The extension would not violate a condition of law or rule. c) The project is proceeding towards completion in accordance with plans and documentation referenced by permit. d) Applicant proposes reasonable mitigation measures to protect shorelands and public waters of the state from deterioration during the extension. DES supports this bill which is reflective of current economic conditions and streamlines the process for the department and permit holders. Vote 15-0.

SB 47, extending the commission to study water infrastructure sustainability funding. **OUGHT TO PASS.**

Rep. Lawrence M. Kappler for Resources, Recreation and Development: This bill simply extends the commission to study water infrastructure sustainability funding for one year to allow it to complete its very complex study dealing with dam repair, water supply and wastewater. There are currently 77 wastewater projects waiting funding alone. Vote 15-0.

SB 100, relative to the size limitations on OHRVs operating in Jericho Mountain state park, and the definition of utility terrain vehicle. **OUGHT TO PASS WITH AMENDMENT.**

Rep. David H. Russell for Resources, Recreation and Development: This bill, as amended, will simply change the size and weight limitations of OHRV's only on specific trails and only within Jericho Mountain state park, at the request of the Department of Resources and Economic Development. The increase is due to the introduction of a so called "side by side" ATV. Section two of the bill, requiring a definition of a "UTV" "Utility Terrain Vehicle" is dropped, as there is a committee established in SB 107 to study the effectiveness of criteria for establishing ATV and trail bike trails on state lands. The committee felt this body was much better suited to come up with such a definition. Vote 13-0.

Amendment (1683h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the size limitations on OHRVs operating in Jericho Mountain state park.

Amend the bill by replacing all after section 1 with the following:

2 Repeal. RSA 216-A:3-g, VII(c), relative to vehicle limitations in Jericho Mountain state park, is repealed.

3 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill increases the size and weight limits for OHRVs allowed on designated trails in Jericho Mountain state park.

SB 105, exempting highway trail crossing from evaluation requirements for certain all terrain and trail bike trails. **OUGHT TO PASS.**

Rep. Christopher J. Ahlgren for Resources, Recreation and Development: This bill eliminates the redundancy in agency evaluations when ATV and trail bike trails cross a highway. The department of transportation already evaluates crossings over their highways, so requiring the trails bureau to do the same thing under RSA 215-A is unnecessary. Vote 15-0.

SB 107, establishing a committee to study the effectiveness of criteria for establishing ATV and trail bike trails on state lands. **OUGHT TO PASS.**

Rep. Andrew Renzullo for Resources, Recreation and Development: This bill establishes a committee to study the effectiveness of criteria for establishing ATV and trail bike trails on state land. This committee will make recommendations on simplifying and reworking an existing set of statutes that have become overly complicated and cumbersome. Vote 15-0.

SB 98, revising the international registration plan. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Brian D. Rhodes for Transportation: This bill simplifies accounting for New Hampshire trucking businesses. It allows them to travel unimpeded throughout the continuous 48 states and participating Canadian provinces. This bill only affects commercially registered vehicles which are required to register in the jurisdictions that they travel in/through. Vote 17-0.

Amendment (1353h)

Amend RSA 260:74, article XI, subparagraph A, 3(d) as inserted by section 1 of the bill by replacing it with the following:

(d) One-way vehicle. The owner of trucks registered for 26,000 pounds (11,793.401 kilograms) or less that are identified as a part of a one-way rental fleet may (i) allocate all of such vehicles to the respective member jurisdictions in proportion to the mileage operated in each member jurisdiction by the rental fleet, or (ii) register all of such vehicles as apportioned vehicles under the plan. A one-way rental vehicle registered in accordance with this subparagraph may be used in both interjurisdictional and intrajurisdictional operation.

SB 99, relative to trailer brakes. **OUGHT TO PASS WITH AMENDMENT.**

Rep. John E. Tholl for Transportation: Section 1 brings New Hampshire into compliance with federal regulations and exempts certain trailers that are utilized only in state from the federal requirements pertaining to trailer brakes. This applies only to a limited number such as wood sawing machines, log splitters and others that have a gross weight under 3000 pounds. This is a business friendly bill that helps small businesses. Vote 16-1.

Amendment (1603h)

Amend the bill by replacing section 1 with the following:

1 Trailer Brakes. Amend RSA 266:30 to read as follows:

266:30 Trailer Brakes.

~~I. No motor vehicle trailer or semi-trailer[, the weight of which, including its load, is 3,000 pounds or more,] shall be driven on the ways of this state unless equipped with adequate brakes in good working order and sufficient to control the said vehicle at all times. No house trailer weighing in excess of 1,500 pounds shall be driven on the ways of this state unless so equipped. [This section shall not apply to wood-sawing machines, log splitters, cement mixers, compressors, tar kettles, conveyors, or to devices of 2 wheels used by public utilities for the transportation of cables or poles not exceeding 6 in number, road rollers and sweepers, thawing devices, or to refreshment booths on wheels towed not more than 2 miles at any one time.]~~

II. This section shall not apply to:

(a) A motor vehicle trailer or semi-trailer with a gross weight of less than 3,000 pounds if the axle weight of the towed vehicle does not exceed 40 percent of the sum of the rated axle weights of the towing vehicle.

(b) Wood-sawing machines, log splitters, cement mixers, compressors, tar kettles, conveyors, devices of 2 wheels used by public utilities for the transportation of cables or poles not exceeding 6 in number, road rollers and sweepers, thawing devices, or refreshment booths on wheels towed not more than 2 miles at any one time, only if being driven in intrastate commerce on the ways of New Hampshire.

REGULAR CALENDAR

SB 30, relative to including a parent's residence in the parenting plan. **OUGHT TO PASS.**

Rep. Jeffrey D. Oligny for Children and Family Law: The bill requires parenting plans to include the party's legal residence in cases where joint decision-making responsibility is ordered, absent a history of domestic abuse, stalking or some other reason deemed not to be in the best interest of the children. Said addresses are also required to be updated as necessary. The committee felt that the bill was a step in the right direction. Vote 10-5.

Committee report adopted and ordered to third reading.

SB 197, regulating guaranteed price plans and prepaid contracts for heating oil, kerosene, or liquefied petroleum gas. **INEXPEDIENT TO LEGISLATE.**

Rep. Donna C. Mauro for Commerce and Consumer Affairs: This bill changes the recently enacted law related to home heating oil, kerosene or liquefied petroleum gas dealers to secure customer prepaid deposits by deleting the current law related to "futures contracts" to instead require the dealers to maintain an escrow account with the office of the attorney general as the beneficiary. The current law also allows for letter of credit or surety bond of a specified amount, but no dealers have posted them. While the committee recognizes a problem with some dealers who have gone out of business with the result that many consumers have taken losses of thousands of dollars due to the failure of prepaid contracts, the majority, however, felt this bill did not adequately address this problem and we have already retained a House bill that also addresses this problem. Vote 15-1. Committee report adopted.

SB 90, directing the legislative oversight committee to study the consolidation of school administrative units. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Gregory Hill for Education: The amendment changes the original bill in its entirety. This bill expands the duties of the SAU oversight committee. It currently monitors the organization and dissolution of SAU's as well as the general operations. This bill would extend its oversight to cooperative school districts as well in the same functions listed above for SAU's. Also, this bill requires the committee to study consolidation of SAU's into primarily one SAU per county with the exception of Hillsborough and Rockingham which would have 2 SAU's each. This bill also modifies the administrative rules making it less onerous and less time consuming to withdraw from SAU's or authorized regional enrollment area agreements. Finally, this bill provides for a suspension of the required 180 day school year in recognition of snow emergency days for the 2010-2011 school year only. Prior to this, a waiver was required, signed by the commissioner of the department of education. This bill would simply give this power to the local school board to make the decision. Vote 17-0.

Amendment (1687h)

Amend the title of the bill by replacing it with the following:

AN ACT expanding the duties of the school administrative unit legislative oversight committee, directing the committee to study the statewide consolidation of school administrative units, relative to withdrawal from a school administrative unit or an authorized regional enrollment area school, and relative to suspending the days of school requirement for the 2010-2011 school year. Amend the bill by replacing all after the enacting clause with the following:

1 School Administrative Unit; Legislative Oversight Committee. Amend RSA 194-C:12 to read as follows:

194-C:12 Duties of the Legislative Oversight Committee. The oversight committee shall monitor the process of organization and withdrawal of school districts from school administrative units and shall oversee the general operation, creation, or dissolution of school administrative units. *In addition, the oversight committee shall also monitor the process of organization and withdrawal from a cooperative school district as well as the process of amending a cooperative school district's articles of agreement.* The committee shall submit an annual report to the speaker of the house of representatives, the president of the senate, and the state board of education summarizing its findings.

2 New Section; Duties of the Legislative Oversight Committee. Amend RSA 195 by inserting after section 31 the following new section:

195:32 Duties of Legislative Oversight Committee. The legislative oversight committee established in RSA 194-C:11 shall, in addition to the duties set forth in RSA 194-C:12, monitor the process of organization and withdrawal from a cooperative school district as well as the process of amending a cooperative school district's articles of agreement. The legislative oversight committee shall annually submit a report on or before November 1 to the speaker of the house of representatives, the president of the senate, and the state board of education summarizing its findings.

3 Legislative Oversight Committee; Consolidation of School Administrative Units. The legislative oversight committee established in RSA 194-C:11 shall, in addition to its duties set forth in RSA 194-C:12, study the advantages, disadvantages, and costs associated with consolidating school administrative units statewide into one school administrative unit in each county, except for Hillsborough and Rockingham counties which would have 2 school administrative units each. The committee shall report its findings and any recommendations for proposed legislation to the president of the senate, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before December 31, 2011.

4 School Administrative Units; Withdrawal. Amend RSA 194-C:2, IV to read as follows:

IV. WITHDRAWAL.

(a) The planning committee shall:

(1) Study the advisability of the withdrawal of a specific school district from a school administrative unit in accordance with this chapter, its organization, operation and control, and the advisability of constructing, maintaining and operating a school or schools to serve the needs of such school district.

(2) Estimate the construction and operating costs of operating such school or schools.

(3) Investigate the methods of financing such school or schools, and any other matters pertaining to the organization and operation of a school administrative unit.

(4) Prepare an educational and fiscal analysis of the impact of the *withdrawal on the withdrawing district* ~~[on any school districts remaining in the school administrative unit]~~ and a proposed plan for the disposition of any school administrative unit assets and liabilities *held by the withdrawing district.*

(5) Consult with the department of education regarding any unique issues and resolve such issues in a timely manner and submit a report or reports of its findings and recommendations to the several school districts within the existing school administrative unit.

(b) If the planning committee recommends the withdrawal from a school administrative unit, it shall prepare a plan for organization or reorganization. The plan ~~[shall]~~ *may* include ~~[providing]~~ *provision of* superintendent services, which meet the requirements set forth in RSA 194-C:4, and a transition plan and timeline, which includes consideration of transition budgets and staffing for the withdrawing district, and is signed by at least a majority of the membership of the planning committee.

(c) The planning committee may submit to the board of an existing school administrative unit, a plan for joining the existing school administrative unit. If approved *by the board of the existing school administrative unit*, the plan shall be submitted to the state board of education ~~[and]~~ *which*

may, within 60 days of receipt of the plan, make recommendations to the planning committee. After receiving the state board's recommendations, the planning committee may revise the plan or submit it to the school district voters in accordance with this section.

(d) The planning committee shall submit a copy of the proposed plan to the several school districts and shall hold at least one public hearing no less than 14 days prior to submission to the state board. ~~[Within 60 days, the state board of education shall review the proposed plan for administrative structure and to determine whether or not the proposed plan complies with the requirements of this section and RSA 194-C:4.]~~

(e) If in the opinion of the ~~[state board]~~ *planning committee*, all requirements have been met, it shall forward the plan to the school district clerk for a vote at a regular or special school district meeting.

(f) If the ~~[state board of education]~~ *planning committee* determines that all requirements have not been properly addressed, the deficiencies shall be noted and the ~~[plan shall be promptly returned for revision]~~ *planning committee shall promptly revise the plan*. When the plan is ~~[resubmitted, the state board of education shall promptly return the plan and]~~ *revised, the planning committee shall submit a copy to the state board which shall make a written recommendation, within 60 days of receipt of the plan, for or against its adoption based on whether or not the plan complies with the requirements of this section and RSA 194-C:4. This recommendation shall be advisory only and shall be reported to the legislative body of the school district. [The state board shall not have veto power over any plan once it is resubmitted by the planning committee.]*

(g) ~~[The state board]~~ *Within 10 days of making its recommendation, the state board* shall submit the plan for district withdrawal from a school administrative unit to the school board of the withdrawing district for acceptance by the district as provided in subparagraph (h). Upon such submission, the state board shall cause the approved plan to be published once at the expense of the state in media of general availability and usage within the district which proposes to withdraw from a school administrative unit.

(h) ~~[Upon the receipt of written notice of the state board's recommendation of the plan;]~~ The plan shall be submitted for approval by the school district under the procedures outlined in paragraph I of this section. The question shall be in substantially the following form:

"Shall the school district accept the provisions of RSA 194-C providing for the withdrawal from a school administrative unit involving school districts of _____ and _____ etc., in accordance with the provisions of the proposed plan?"

Yes _____ No _____

(i) If 3/5 of the votes cast on the question in the withdrawing district shall vote in the affirmative, the clerk of that district shall forthwith send to the state board a certified copy of the warrant, certificate of posting, evidence of publication, if required, and minutes of the meeting in the district. If the state board finds that 3/5 of the votes cast in that district meeting have voted in favor of withdrawing from the school administrative unit, it shall issue its certificate to that effect; and such certificate shall be conclusive evidence of the lawful organization and formation of the new, single district school administrative unit as of the date of its issuance.

5 Authorized Regional Enrollment Area Schools; Withdrawal of District. Amend RSA 195-A:14, III-VIII to read as follows:

III. After the third anniversary of the date of operating responsibility a sending or receiving school district, at an annual or special school district meeting, may vote to undertake a study of the feasibility and suitability of a withdrawal from the area. The study shall be conducted by a committee composed of 2 school board members from each district of the area, the superintendent of schools as a non-voting member, and 2 members of the town or city governing body from the school district requesting the study. Within 180 days after the date of its formation, the committee shall submit to the state board of education either a report that withdrawal is not feasible or suitable or a report that includes a withdrawal plan prepared in accordance with paragraph IV. If the committee determines that withdrawal is not feasible or suitable, the district which voted to undertake the study may submit a minority report at the same time as the committee report is filed with the state board of education. If the committee report does not include a withdrawal plan, the minority report may include a withdrawal plan prepared in accordance with paragraph IV.

IV. A plan for the withdrawal of a district ~~[or districts]~~ from an area shall include the following:

(a) The name or names of the withdrawing district ~~[or districts]~~ and the grades.

(b) The proposed date of withdrawal from the area, at which time the withdrawing district shall be responsible for the education of its pupils and after which the area shall no longer have such educational responsibility.

(c) The liability of the withdrawing district for its share of any outstanding indebtedness of the area in accordance with paragraph V or, if the area was formed by 2 districts, provision for the disposition of *jointly held* property and a statement of assumption of liabilities upon dissolution of the area.

(d) A detailed analysis of the financial and educational consequences of the proposed withdrawal *on the withdrawing district*.

(e) The manner in which the withdrawing district [~~or districts~~] shall provide for the education of all pupils in the withdrawing district [~~or districts and a plan for the education of the pupils in the remaining sending and/or receiving districts~~]. This shall include the proposed assignment of pupils and any necessary tuition arrangements or contracts.

(f) Modifications to the area agreement necessitated by the withdrawal plan.

(g) Any other matters which the committee, consistent with the law, may consider appropriate to include in the withdrawal plan.

V. Each withdrawing sending district shall remain liable to the area, or to the receiving district in the case of a dissolution of the area, for a rental charge, as determined by the area agreement, for the length of any outstanding bond issue, and for the reduction of school building aid based on the decrease of the annual grant for the payment of debt service for school construction. Payments in discharge of such liability shall be made in accordance with a schedule which may provide for annual payments for the length of the existing bond issue or any other schedule agreed upon by the school boards of the area, or, in the event they fail to agree, as determined by the state board of education. Such payments shall be deemed to be trust funds and shall be applied by the area solely in payment of its indebtedness which was incurred to finance area school facilities and which was outstanding on the effective date of the withdrawal vote.

VI. A receiving district, 4 months prior to a vote on a bond issue for construction of new facilities or additions to an area school, shall notify a sending district of a pending vote on a bond issue. Upon receipt of such notice, a sending district may initiate a withdrawal study in accordance with paragraph III. If the sending district has initiated a withdrawal study prior to the vote in the receiving district, the sending district shall not be further obligated to any bonded indebtedness as a result of such bond issue vote if the voters in the sending district approve, by a majority vote, the withdrawal plan.

VII. The committee established pursuant to paragraph III shall submit a copy of all reports, including any minority reports, to the state board of education. If a report includes a plan for withdrawal, the state board of education shall review the proposed plan [~~to determine whether or not the proposed plan meets the requirements of paragraph IV. If, in the opinion of the state board, the requirements have been properly addressed, the state board shall recommend for or against its adoption based on its assessment of the plan's feasibility. If, in the opinion of the state board, the requirements have not been properly addressed, the deficiencies shall be noted and the plan shall be promptly returned for revision. When the plan is resubmitted, the state board shall promptly review the revised plan, return the plan, and make a recommendation for or against its adoption based on its assessment of the plan's feasibility.~~] *and may, within 60 days of receipt of the plan, issue written recommendations to the withdrawing district noting any deficiencies that may need to be addressed in the plan. The state board's recommendations shall be advisory only. After receiving the state board's recommendations, the committee may revise the plan or submit it to the voters in accordance with this section. In either case, the state board's [recommendation] recommendations shall be reported to the legislative body of the area districts. [The state board shall forward the plan for withdrawal to the school board of the withdrawing school district.]* The school board *of the withdrawing school district* shall publish the withdrawal plan once in a newspaper generally circulated within the area districts. The school board shall file the plan for withdrawal with the clerk of the withdrawing district and shall insert the plan in the warrant for the next annual meeting. The article in the warrant for the district meeting and the question on the ballot to be used at the meeting shall be in substantially the following form:

"Shall the school district accept the provisions of RSA 195-A:14, as amended, providing for the withdrawal of the sending (or receiving) district of _____ from the _____ area in accordance with the provisions of the proposed withdrawal plan filed with the school district clerk?"

Yes _____ No _____

If a majority of the voters present and voting shall vote in the affirmative, the clerk of the school district shall forthwith send to the state board of education a certified copy of the warrant, certificate of posting, evidence of publication, and minutes of the meeting. ~~[If the board finds that a majority of the voters present and voting have voted in favor of the withdrawal plan, it shall be conclusive evidence of the withdrawal of the district and the continuation of the area or the dissolution of a 2-district area.]~~

VIII. The vote to withdraw from an area shall take effect on July 1 of the calendar year which shall be at least 2 years after the date on which the withdrawal vote is adopted. The plan may provide for an earlier date.

6 Days of School; Requirement Suspended. For the 2010-2011 school year only, RSA 189:1 shall not apply to any school district in the state.

7 Effective Date.

I. Sections 1, 2, 4, and 5 of this act shall take effect 60 days after its passage.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

I. Expands the duties of the school administrative unit legislative oversight committee by requiring the committee to study specific issues relative to cooperative school districts.

II. Requires the committee to study the advantages, disadvantages, and costs associated with consolidating school administrative units statewide into one school administrative unit in each county, except for Hillsborough and Rockingham counties which would have 2 school administrative units each.

III. Makes various changes to the procedures for school district withdrawal from a school administrative unit or authorized regional enrollment area school.

IV. Provides that the days of school requirement shall be suspended for the 2010-2011 school year.

Amendment adopted.

Committee report adopted and ordered to third reading.

SB 117, relative to private postsecondary career schools and the student tuition guaranty fund. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. Ralph G. Boehm for the Majority of Education: This bill amends the requirements governing surety indemnification provided by a private postsecondary career school and authorizes the executive director of the postsecondary education commission to establish guidelines to exempt schools from providing surety indemnification after having paid into the guaranty fund for at least 5 years. The amendment corrects an unintended consequence by specifying legal entities that provide training to other legal entities, rather than to students, are not to be covered by this law. The amendment also provides that to obtain a license is completely voluntary. Schools deciding not to be licensed must state that they are not licensed. Vote 15-2.

Rep. J. R. Hoell for the Minority of Education: The bill, as amended by the majority of the committee, does benefit training schools that do not grant degrees, by making it optional for them to obtain a license from the postsecondary education commission. However, Section 3, Part V of the same amendment strongly encourages these schools to obtain a license, because if they don't get a license, they must prominently disclose, in all official correspondence and documentation of any kind and for any purpose, on websites and electronic medium, the fact that they are not licensed. The bill, as amended, seeks to remove one regulation and replace it with another regulation. It singles out a specific class of businesses, training schools that do not grant degrees and do not choose to be licensed, and requires them to state on all correspondence and documentation that they are not licensed. No other class of businesses must disclose this information. The minority believes that such disclosure will have a negative effect on business for these training schools. This requirement will create an additional burden for these private training entities. Training schools that choose to be licensed can always disclose the fact that they are licensed, and customers who care about licensing will seek out those schools. Lastly, who will enforce this new regulation and how much will it cost to enforce it? The minority amendment will correct this problem by changing three words in Section 3, Part V, eliminating this new regulation.

Majority Amendment (1819h)

Amend RSA 188-D:19, II as inserted by section 2 of the bill by replacing it with the following:

II. "Private postsecondary career school" shall not include barbering or cosmetology schools, schools offering training that has been approved by a state agency with appropriate jurisdiction over such training, including but not limited to the plumber's board, the electrician's board, the office of the state fire marshal, the division of fire standards and training and emergency medical services, and schools providing federally-required flight or ground instruction to students, or legal entities that license training and learning solutions primarily to other legal entities rather than to students. Amend the bill by replacing section 3 with the following:

3 Private Postsecondary Career Schools; Licenses and Fees. Amend RSA 188-D:20 to read as follows:

188-D:20 Licenses and Fees.

I. ~~[Prior to registering or renewing a business or trade name, or soliciting students for enrollment, an entity maintaining a physical presence in this state shall be reviewed by the executive director to determine if the entity requires a license. The executive director, in consultation with the postsecondary education commission, shall establish procedures to accomplish this review.~~

~~H-A] Any private postsecondary career school maintaining a physical presence in this state and which assesses tuition or fees for providing vocational or occupational training [shall] may register to obtain a license or license renewal from the postsecondary education commission. Upon request by a school for a license or license renewal under this section, the executive director shall review such school to determine if the school meets the minimum criteria established for a license.~~ The license shall be issued or renewed pursuant to rules, adopted under RSA 541-A, by the executive director~~[-in consultation with the postsecondary education commission]~~. The rules shall establish minimum criteria, including but not limited to, financial stability, educational program, administrative and staff qualifications, business procedures, facilities, equipment, and ethical practices to be met by licensees, and criteria for rejecting a licensing applicant and for suspending or revoking a license.

~~[H:] II. A school [that is not required to obtain a license may apply for a license and], upon issuance of the license, shall be subject to the provisions of RSA 188-D:19 through RSA 188-D:28. Such school may voluntarily surrender its license and revert to its original status.~~

~~[IV:] III. The executive director[-in consultation with the postsecondary education commission:] shall adopt rules pursuant to RSA 541-A to establish reasonable fines, reimbursement rates for consultants, and procedures for complaint investigations and enforcement actions, which are necessary for the administration of this subdivision.~~

~~[V:] IV. A private postsecondary career school which the executive director has determined [requires a] has met the minimum criteria for a license shall, prior to the issuance of a license, comply with [RSA 188-D:20;] RSA 188-D:20-a[;] and RSA 188-D:20-b.~~

V. A school which elects not to be licensed under this section shall prominently disclose, in all official correspondence and documentation of any kind and for any purpose, on its Internet website, and in any other electronic medium used, the fact that it is not licensed as a private postsecondary career school in this state.

Amend RSA 188-D:20-b, I(d) as inserted by section 5 of the bill by replacing it with the following:

(d) The fund shall be used to reimburse students when a *licensed* school has failed to faithfully perform its contractual obligations for tuition and instructional fees in the event of a school closing, and the expense of investigating and processing the claims. ~~[The owner of]~~ *A licensed* school which fails to perform its contractual obligations shall be ~~[personally]~~ liable to reimburse the fund for the difference between the per student amount paid into the fund by the school and the amount paid out of the fund to a student to settle a claim made against the school.

Amend the bill by inserting after section 8 the following and renumbering the original sections 9-10 to read as 10-11, respectively:

9 Regulation of Private Postsecondary Career Schools; Penalty. Amend RSA 188-D:28 to read as follows:

188-D:28 Penalty.

I. Whoever violates any provision of this subdivision shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person.

II. Whenever the executive director determines that a person is violating any provision of this subdivision or the rules adopted hereunder, the executive director shall request the attorney general, or other appropriate official having jurisdiction, to provide appropriate relief.

III. ~~[The executive director, upon verifying that a school is operating without a license, shall issue a cease and desist order to such school.]~~

IV. ~~IV.] The executive director shall notify the~~ postsecondary education commission ~~[shall be notified]~~ whenever a ~~[cease and desist order is issued to a school]~~ **violation has occurred**, or if a **licensed** school fails to provide the services required under a contract with any entity causing the bond to be forfeited~~], or if a school is required to have a license but is operating without a license]~~. Rep. Balboni moved Recommit and spoke in favor.

Adopted.

Recommitted to the Committee on Education.

SB 196, relative to the renomination or reelection of teachers and prohibiting assessing teacher performance based solely on assessment scores. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Gregory Hill for the Majority of Education: This bill extends the time from 3 years to 5 years required for a teacher to be entitled to rights of notification and hearing for failure to be renominated or re-elected. The feeling is that 5 years can give more time for development where an administrator can work with a borderline teacher. If the school is simply reducing the workforce, the reduction shall not be solely based on seniority. Finally, this bill limits the exclusive remedy available to a teacher on the issue of non-renewal to the same as it was prior to 2008, that is, a petition for review. Vote 13-4.

Rep. Barbara E. Shaw for the Minority of Education: The minority of the committee requested that the bill be divided or retained, but lost both suggestions. The minority agreed and were sympathetic with the extension of the probationary period from 3-5 years and, in addition, was favorable to the non-reelection clause stating that reduction in force shall not be based solely on seniority. Our serious concerns were regarding amendments to grievance procedures, specifically the elimination of collective bargaining.

Majority Amendment (1895h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the renomination or reelection of teachers and grievance procedures.

Amend the bill by replacing all after the enacting clause with the following:

1 Failure to be Renominated or Reelected. Amend RSA 189:14-a to read as follows:

189:14-a Failure to be Renominated or Reelected.

I.(a) Any teacher who has a professional standards certificate from the state board of education and who has taught for one or more years in the same school district shall be notified in writing on or before April 15 or within 15 days of the adoption of the district budget by the legislative body, whichever is later, if that teacher is not to be renominated or reelected, provided that no notification shall occur later than the Friday following the second Tuesday in May.

(b) Any such teacher who has taught for ~~[3 consecutive years or more in the same school district]~~ **5 consecutive years or more in the teacher's current school district, or who taught for 3 consecutive years or more in the teacher's current school district before July 1, 2011**, and who has been so notified may request in writing within 10 days of receipt of said notice a hearing before the school board and may in said request ask for reasons for failure to be renominated or reelected. For purposes of this section only, a leave of absence shall not interrupt the consecutive nature of a teacher's service, but neither shall such a leave be included in the computation of a teacher's service. Computation of a teacher's service for any other purposes shall not be affected by this section. The notice shall advise the teacher of all of the teacher's rights under this section. The school board, upon receipt of said request, shall provide for a hearing on the request to be held within 15 days. The school board shall issue its decision in writing within 15 days of the close of the hearing.

II. Any teacher who has a professional standards certificate from the state board of education ~~[and who has taught for 3 consecutive years or more in any school district in the state]~~ shall, ~~[after having taught for 2 consecutive years in any other school district in the state;]~~ be entitled to all of the rights for notification and hearing in paragraphs I(b), III, and IV of this section if:

(a) **The teacher has taught for 5 consecutive years or more in any school district in the state and has taught for 3 consecutive years or more in the teacher's current school district; or**

(b) **Before July 1, 2011, the teacher taught for 3 consecutive years or more in any school district in the state and taught for 2 consecutive years or more in the teacher's current school district.**

III. In cases of nonrenomination [~~because of unsatisfactory performance, the superintendent of the local school district shall demonstrate, at the school board hearing, by a preponderance of the evidence, that the teacher had received written notice that the teacher's unsatisfactory performance may lead to nonrenomination; that the teacher had a reasonable opportunity to correct such unsatisfactory performance, and that the teacher had failed to correct such unsatisfactory performance. Nothing in this paragraph shall be construed to require the superintendent or the school board to provide a teacher with remedial assistance to correct any deficiencies that form the basis for such teacher's nonrenomination~~] *or nonreelection because of reduction in force, the reduction in force shall not be based solely on seniority.*

IV. In all proceedings before the school board under this section, the burden of proof for nonrenewal of a teacher shall be on the superintendent of the local school district by a preponderance of the evidence. *Except as provided in paragraph III, the grounds for nonrenomination and nonreelection shall be determined at the sole discretion of the school board.*

V. *"Teacher" means any professional employee of any school district whose position requires certification as a professional engaged in teaching. The term "teacher" shall also include principals, assistant principals, librarians, and guidance counselors.*

2 Review by State Board. Amend RSA 189:14-b, I to read as follows:

I. A teacher aggrieved by such decision may [~~either~~] petition the state board of education for review thereof [~~or request arbitration under the terms of a collective bargaining agreement, if applicable, but may not do both~~]. Such petition must be in writing and filed with the state board within 10 days after the issuance of the decision to be reviewed. Upon receipt of such petition, the state board shall notify the school board of the petition for review, and shall forthwith proceed to a consideration of the matter. Such consideration shall include a hearing if either party shall request it. The state board shall issue its decision within 15 days after the petition for review is filed, and the decision of the state board shall be final and binding upon both parties. *A petition for review under this section shall constitute the exclusive remedy available to a teacher on the issue of the nonrenewal of such teacher.*

3 Grievance Procedures. Amend RSA 273-A:4 to read as follows:

273-A:4 Grievance Procedures. Every agreement negotiated under the terms of this chapter shall be reduced to writing and shall contain workable grievance procedures. *No grievance resulting from the failure of a teacher to be renewed pursuant to RSA 189:14-a shall be subject to arbitration or any other binding resolution, except as provided by RSA 189:14-a and RSA 189:14-b. Any such provision in force as of the effective date of this section shall be null and void upon the expiration date of that collective bargaining agreement. "Grievance resulting from failure of a teacher to be renewed" means a grievance that challenges nonrenewal, or that seeks reversal or reinstatement from nonrenewal as a remedy.*

4 Effective Date. This act shall take effect July 1, 2011.

AMENDED ANALYSIS

This bill amends the length of time required for a teacher to be entitled to the rights of notification and hearing for failure to be renominated or reelected. This bill declares that in cases of nonrenomination or nonreelection because of reduction in force, the reduction in force shall not be based solely on seniority. This bill also limits a petition for review as the exclusive remedy available to a teacher on the issue of the nonrenewal of such teacher. Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Boehm spoke in favor.

Rep. Ladd spoke in favor and yielded to questions.

Rep. Gorman spoke against and requested a roll call; sufficiently seconded.

----------------	-----------------	--------------------	-----------------

and the majority committee report was adopted and ordered to third reading.

SB 56-FN, authorizing the department of revenue administration to accept credit card and debit card payments of taxes. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Steve Vaillancourt for Finance: This bill provides a convenience for businesses or individuals to pay their tax bills by credit card. The committee amendment guarantees that the department of revenue administration will properly notify those paying that the cost from the credit card company will be added to the payment. Thus, the state will lose no money with this bill. In fact, there is evidence that this bill will save the state money since DRA numbers indicate it costs approximately \$2.23 to process a check (\$592,553 divided by 265,000 checks). DRA will negotiate the best rate available from a credit card company through an open bidding process. Nothing in this bill will require any entity or person to pay by credit card. Vote 26-0.

Amendment (1837h)

Amend the bill by replacing section 1 with the following:

1 New Section; Credit or Debit Card Payment. Amend RSA 21-J by inserting after section 43 the following new section:

21-J:43-a Credit or Debit Card Payment. The commissioner of the department of revenue administration and any authorized employee or agent of the commissioner may accept credit cards or debit cards for the online payment of any of the taxes, penalties, interest, or fees administered by the commissioner or collected by the department. The amount of any service charge required to be paid by the taxpayer to the credit card or debit card service provider to cover the provider's cost of this service shall be determined by the department through a competitive bid process, and the service provider shall add this charge to the amount due, in addition to any tax, penalties, and interest payable. The department, at the time of billing, shall disclose the amount of the service charge to the taxpayer. The commissioner shall adopt rules, pursuant to RSA 541-A, as necessary for the administration of such electronic transactions.

Amendment adopted.

Committee report adopted and ordered to third reading.

SB 58-FN-A, adding qualified community development entities to the definition of "qualified investment company" under the business profits tax and the business enterprise tax. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Lynne M. Ober for Finance: Finance was the second committee on this bill. While examining the fiscal impact to the state, it was discovered that the policy, as previously passed, would open the door for the filing of amended tax returns and possibly receiving a retroactive tax refund. The committee amendment ensures that it only applies to the current and future tax years thus prohibiting the possibility of retroactive tax refunds. The committee felt that it was important to emphasize that the interest and dividends tax was never intended to include capital gains. Vote 25-0.

Amendment (1859h)

Amend the bill by replacing section 6 with the following:

6 Applicability. Sections 1-3 of this act shall apply to taxable periods ending on or after December 31, 2010. Sections 4 and 5 of this act shall apply to taxable periods beginning on or after January 1, 2011, and also to taxable periods ending before January 1, 2011 if the taxable period is subject to assessment of tax and appealed pursuant to RSA 21-J:28-b.

Amendment adopted.

Committee report adopted and ordered to third reading.

SB 146-FN, relative to requiring submission of a reduced spending alternative as part of the biennial budget process. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Paul H. Simard for the Majority of Finance: This bill requires all departments to deliver to the commissioner of administrative services an estimate for reduced levels of expenditures of 10% for each year of the biennium. This estimate shall not include debt service. This estimate shall be used by the finance committee to formulate its budget. The amendment increases the original 5% to 10% to amplify department priorities. The 10% figure will communicate department priorities for budgeting purposes. Estimates will be completed by November 15 prior to each biennial legislative session. Vote 17-7.

Rep. John W. Cebrowski for the Minority of Finance: Earlier this year as we were launching into our budget work, the committee heard, and retained for study, HB's 618 and 269 which dealt with budget process improvement at the departmental/agency level and the subsequent benefits to the legislative budget process, the state and our constituents. (The budget itself, rightfully, had top priority at the time.) Both bills recognized the inadequacies and wastefulness of the current process and the immense opportunity to strengthen New Hampshire's budget creation process. Both bills drew on the suggestions contained in the ALEC (American Legislative Exchange Council) "State Budget Reform Toolkit." Both bills sought to drive continuous improvement, reform, innovation and the use of performance metrics. Both bills sought to cut spending. SB 146, although lacking in every one of those elements, with the exception of reducing spending, should have also been retained. While overly simplistic and perilous to the departments and to our constituents to take a 10% across-the-board ax to budgets, SB 146 deserves to be integrated into the study. The minority believes the bill should be retained so it can be studied alongside the other two budget process improvement bills.

Majority Amendment (1883h)

Amend RSA 9:4, III(a)(1) and (2) as inserted by section 1 of the bill by replacing them with the following:

(1) An estimate for a reduced level of expenditure for the first year of the next biennium that is 10 percent, not including debt service, less than the actual expenses of the first year of the current biennium.

(2) An estimate for a reduced level of expenditure for the second year of the next biennium that is 10 percent, not including debt service, less than the budget and any footnote adjustments or subsequent appropriations, additions, or reductions, implemented in the second year of the current biennium.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.

Rep. Foose spoke against and yielded to questions.

Rep. Lynne Ober spoke in favor and yielded to questions.

Rep. Dan McGuire requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

SB 161-FN, relative to procedures for adoption of agency rules under the administrative procedures act. **OUGHT TO PASS.**

Rep. Lynne M. Ober for Finance: SB 161 is the result of a lean process analysis by stakeholders on how to streamline the administrative rules process. After a thorough vetting by the policy committee, which felt the bill makes several changes, including shortening the public comment period following a public hearing from 10 to 5 days, providing for electronic publication of the rules register, authorizing agencies to hold a second public hearing when substantive changes are made in response to public comments at the initial public hearing, expanding the life-span of rules from 8 to 10 years, making provisions for allowing incorporation by reference of Internet content, allowing emergency rules to be adopted when substantial fiscal harm could occur if not addressed expeditiously and requiring the director of legislative services to develop a process for expedited re-adoption of rules which contain no substantive changes, the bill was sent to House Finance. After reviewing the financial impact of the bill to the state, the House Finance Committee concluded that there was little identifiable financial impact and recommended passage of the bill. Vote 24-0. Rep. Giuda spoke against and yielded to questions.

Reps. Lynne Ober, Carol McGuire and Betsey Patten spoke in favor and yielded to questions.

On a division vote, 233 members having voted in the affirmative and 121 in the negative, the committee report was adopted.

Ordered to third reading.

SB 86, requiring the department of labor to warn employers of certain violations prior to imposing a fine. **OUGHT TO PASS.**

Rep. William J. Infantine for Labor, Industrial and Rehabilitative Services: This legislation requires the New Hampshire department of labor to issue one warning for certain violations of law instead of a fine. Violations of laws that pose a threat to public safety or where the employer intends to cause harm will not be afforded a written warning. All warnings require the employer to correct the violation within a thirty day period. The department of labor worked closely with the Senate to craft this bill so as not to allow serious violations to go unpunished. Vote 13-3. Committee report adopted and ordered to third reading.

SB 121, relative to the application of the worker adjustment and retraining notification act. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Joanne A. Ward for the Majority of Labor, Industrial and Rehabilitative Services: This bill raises the threshold for companies affected by the WARN Act from 75 to 100 employees. This law provides protection to workers and communities by requiring employers to provide notification 60 calendar days in advance of closings and mass layoffs. New Hampshire is currently the only state in New England with a threshold lower than 100. Raising the limit to 100 helps New Hampshire to become more attractive to businesses seeking to relocate, creating employment opportunities. Vote 13-3.

Rep. Charles F. Weed for the Minority of Labor, Industrial and Rehabilitative Services: The minority believes that the employees of all businesses deserve notification of imminent closing within 60 days of the closing date. Moving the threshold for requiring notification from 75 to 100 employees may affect about 150 New Hampshire companies. Existing law allows exemptions for good faith confidential efforts in pursuit of bank loans. New Hampshire should not aim its recruitment of new firms toward those companies that would close their doors without advance notification to workers.

The question being adoption of the majority committee report of Ought to Pass.

Rep. Infantine spoke in favor.

Rep. Weed spoke against and requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

Rep. Merrick did not vote and notified the Clerk that she wished to be recorded against.

Rep. Rappaport did not vote and notified the Clerk that he wished to be recorded in favor.

The House recessed at 12:05 p.m.

RECESS**(Rep. Chandler in the Chair)**

The House reconvened at 1:15 p.m.

REGULAR CALENDAR (CONT'D)

SB 27, relative to speed limitations for boats. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Brian D. Rhodes for the Majority of Transportation: The committee heard overwhelming testimony from legislators and New Hampshire citizens against SB 27. This bill attempts to create an area on Lake Winnepesaukee where daytime speed limits would be raised to 55 mph. This increase would be 10 mph over the current limit. Our previous legislature worked very hard on the compromises that are now current law. Powerful testimony was given by lake residents and business owners as to how conditions on the big lake have drastically improved since the current legislation was enacted. Business leaders further testified that response from patrons has been extremely positive since the enactment of the existing law. The bipartisan majority of the transportation committee believes very strongly that "the lake" belongs to all residents and is not trying to single out a particular type of boat/owner, but after several hours of testimony we would not be protecting the interest and safety of the majority of our citizens and visitors if we changed the current law. Documented support for ITL of this bill was approximately 7 to 1 on the day of the public hearing. Vote 11-6.

Rep. Kyle D. Jones for the Minority of Transportation: The minority is in support of this bill because there is no evidence that supports the notion that speed alone affects safety. There are many factors that can affect the safety of a lake including closeness to shore, distance between boats, alcohol consumption, etc. The minority believes that the bi-partisan Senate compromise on this bill is a fair one. The increase in speed would only affect the vast area known as the broads, which is approximately 30 square miles or about the size of 14 Manchester airports. This basically boils down to a liberty issue. As long as a boater follows Coast Guard Rule 6, we believe that they should be able to travel at a speed they believe is safe and courteous.

The question being adoption of the majority committee report of Inexpedient to Legislate.

Reps. Burt, Comtois, Warden and Manuse spoke against.

Reps. Hikel and Bowers spoke against and yielded to questions.

Reps. Tobin, James Belanger, Bolster, Pilliod, Millham, Flanders and Hinch spoke in favor.

Reps. Swinford and Tregenza spoke in favor and yielded to questions.

Rep. Rhodes requested a roll call; sufficiently seconded.

and the majority committee report was adopted.

(Speaker O'Brien in the Chair)

SB 53-FN, relative to the definition of nursing and establishing a nursing assistant registry fund administered by the board of nursing. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. Keith Murphy for the Majority of Ways and Means: This bill segregates revenue collected by the act of operating the nursing assistant registry from revenue obtained by the board of nursing through other means, such as fees, fines and administrative charges. This segregation was a recommendation made in response to an LBA audit report dated 12/31/2008. The committee amendment clarifies that the revenues shall continue to be deposited in the general fund and deletes Section 1, a section that defined "nurse" as someone licensed as an APRN, RN, or LPN. Section 1 of this bill created many questions that could best be resolved by the ED&A or the Health and Human Services Committees. The committee heard testimony that licensed nurses are already required by statute to wear identification at work and the committee felt that it was more important to enforce current law than to add a change in definition at this time. The committee felt that the definition of nurse can be addressed in a separate bill. Vote 14-5.

Rep. William A. Hatch for the Minority of Ways and Means: The purpose of SB 53 is to define the term nurse and establish a nursing assistant fund to be administered by the board of nursing. It was agreed that this bill should have been sent to ED&A or the policy committee of Health and Human

Services prior to Ways and Means to address the issue of legally defining the term “Nurse” and Ways and Means as a second committee to review the fund activity. Considering this, the majority felt section 1 that defined nurse was not within the purview of Ways and Means and amended the bill to eliminate that portion of the bill. The minority disagreed that this section should be eliminated when considering the testimony from the agency stated it is very important to have this definition included. They noted it was necessary to clearly define a nurse as an APRN, RN or LPN so the public can readily identify what level of nurse is providing their treatment. The minority amendment restores the definition which was the original intent of the bill.

Majority Amendment (1582h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the nursing assistant registry administered by the board of nursing.

Amend the bill by replacing all after the enacting clause with the following:

1 Collection of Funds; Reference Corrected. Amend RSA 326-B:6 to read as follows:

326-B:6 Collection and Expenditure of Funds. The board shall receive and expend funds provided such funds are received and expended for the pursuit of the objectives authorized by this chapter. Fees, fines, and administrative charges, ~~[other than]~~ **including** those ~~[collected pursuant]~~ **related to** RSA ~~[326-B:8]~~ **326-B:26**, shall be deposited in the general fund.

2 Nursing Assistant Registry. Amend RSA 326-B:26 to read as follows:

326-B:26 ~~[Licensed]~~ Nursing Assistant Registry. The board shall maintain a registry of nursing assistants ~~[licensed]~~ who qualify pursuant to 42 C.F.R. section 483.156. Nursing assistants who are registered ~~[or licensed]~~ shall comply with all provisions of the Omnibus Budget Reconciliation Act (OBRA) of 1987, sections 1819 and 1919 of the Social Security Act, and all provisions of this chapter.

3 Repeal. The following are repealed:

I. RSA 326-B:7, relative to the nursing assistant fund.

II. RSA 6:12, I(b)(24), relative to moneys credited to the board of nursing’s nursing assistant fund.

4 Effective Date. This act shall take effect July 1, 2011.

AMENDED ANALYSIS

This bill clarifies the nursing assistant registry administered by the board of nursing.

Majority committee amendment adopted.

Majority committee report adopted and ordered to third reading.

SB 125-FN-A, relative to the business profits tax deduction for reasonable compensation. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Frank V. Sapareto for the Majority of Ways and Means: This bill solves the issue of reasonable compensation for LLC’s. It places the burden of disproving the deduction with the department of revenue administration as opposed to the taxpayer proving the deduction. It uses the commonly accepted standards of the Internal Revenue Code Section 162A and its record keeping requirements. It retains the \$50,000 safe-harbor as in current law and only applies to the taxable periods after January 1, 2011. All pending cases with the DRA prior to January 1, 2011 shall remain unaffected. This bill is a comprehensive clarification supported by the business industry in response to over aggressive audits. Vote 16-5.

Rep. Susan W. Almy for the Minority of Ways and Means: The minority agrees that the amendment goes a long way to sorting out how shifting the burden of proof from the taxpayer to the department of revenue would work. The minority is apprehensive about any revenue loss in such challenging times. A few other states tried to shift the burden of proof years ago and shifted back immediately due to severe revenue losses.

Majority Amendment (1717h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the standards and burden of proof with respect to the business profits tax deduction for reasonable compensation attributable to owners of partnerships, limited liability companies, and sole proprietorships.

Amend the bill by replacing all after section 1 with the following:

2 Clarification of Reasonable Compensation Deduction. RSA 77-A:4, III is repealed and reenacted as follows:

III.(a) In the case of a proprietorship, partnership, or limited liability company filing a business profits tax return as a proprietorship or partnership, a deduction equal to a fair and reasonable compensation for the actual personal services of a natural person who is a proprietor, partner, or member provided to the business organization; provided, however, that the amount of such deduction shall not reduce such business organization's taxable business profits to less than zero. The purpose of this paragraph is to permit a deduction from gross business profits of such a proprietorship, partnership, or limited liability company of all amounts that are fairly attributable to the actual personal services of the proprietor, partner, or member. Such amounts shall not exceed the amount reported as earned income on the federal income tax returns of the proprietor, partner, or member, but may also include an amount not to exceed net rental income as compensation for operating rental property, and an amount not to exceed 15 percent of the gross selling price as commissions on the sale of business assets.

(b) Subject to the provisions of subparagraph (c) which establishes a record-keeping safe harbor, the method of determining the amount of the deduction available to the business organization allowed under this paragraph shall be by using the standards set forth in section 162(a)(1) of the United States Internal Revenue Code, as it may be amended from time to time, and the Treasury Regulations, administrative rulings, and judicial cases issued thereunder. The business organization shall keep such records as may be necessary to determine that the deduction is reasonable under these standards.

(c) In lieu of substantiating the value of the personal services of proprietors, partners, or members, a business organization or group of related business organizations may elect, as a record-keeping safe harbor, to deduct up to \$50,000 as total compensation for the tax year;

(d)(1) In this paragraph, "record-keeping safe harbor" means that amount of compensation for personal services claimed by a business organization which does not need to be substantiated by any evidence, records, or legal or regulatory authority, except as provided in subparagraph (e).

(2) Notwithstanding subparagraph III(d)(1), the record-keeping safe harbor shall not be relevant or admissible for any purpose in determining whether a compensation deduction claimed in an amount in excess of any such record-keeping safe harbor is fair and reasonable.

(e) A business organization or group of related business organizations may elect the record-keeping safe harbor option in subparagraph III(c) without a redetermination of the reasonableness of the deduction by the commissioner. Any such deduction claimed by the business organization or group of related business organizations shall not be subject to challenge; provided, that upon request, the business organization or group of related business organizations shall be required to substantiate that the proprietor or at least one partner or member performed actual personal services for the business organization or group of related business organizations.

(f) Related business organizations electing not to substantiate the extent of the actual personal services of their proprietors, partners, and members, shall be limited to the record-keeping safe harbor deduction, less any owners' compensation taken on the federal tax returns of corporate members of the group, allocated among the related business organizations. For the purposes of RSA 77-A:4, III, "related business organizations" are unitary business organizations and business organizations that would qualify as unitary but for the fact that they conduct business only within the state.

(g) A business organization claiming a deduction under this paragraph shall bear the burden of proving that all proprietors, partners, or members for whom a deduction is being claimed provided actual personal services to the business organization at any time during the taxable period. Once a business organization has satisfied this burden of proof, the amount claimed as a deduction shall be presumed to be reasonable, unless the commissioner proves by a preponderance of the evidence that the deduction claimed by the business organization is clearly unreasonable.

3 New Paragraph; Appeal for Redetermination or Reconsideration; Procedure. Amend RSA 21-J:28-b by inserting after paragraph VII the following new paragraph:

VIII. The department shall bear the burden of proof on any change to any compensation deduction under RSA 77-A determined by examination.

4 New Section; Interest and Dividends Tax; Excess Compensation. Amend RSA 77 by inserting after section 4-f the following new section:

77:4-g Dividend. Excess compensation determined by audit of the department shall not be considered a dividend under this chapter unless such determination is accepted by the Internal Revenue Service.

5 Taxpayer Records. Amend RSA 77-A:11, I to read as follows:

I. Keep such records as may be necessary to determine the amount of its liability under this chapter *and to determine whether the compensation claimed as a deduction under RSA 77-A:4, III is reasonable*;

6 Applicability. This act shall apply with respect to taxable periods beginning on or after January 1, 2011.

7 Effective Date. This act shall take effect upon its passage.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Bettencourt requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

HOUSE RESOLUTION 12

A RESOLUTION affirming revenue estimates for fiscal years 2011, 2012, and 2013.

Whereas, the House Ways and Means Committee has considered what the unrestricted revenue estimates should be for fiscal years 2011, 2012, 2013 and has presented those estimates to the House of Representatives; now, therefore, be it

Resolved by the House of Representatives:

That the House wishes to go on record as affirming the following revenue estimates for fiscal years 2011, 2012, and 2013.

GEN'L & ED**TRUST FUNDS**

Rep. Stepanek moved Ought to Pass, spoke in favor and yielded to questions.

Rep. Hatch offered floor amendment (1848h).

Floor Amendment (1848h)

Amend the resolution by replacing the paragraph after the title with the following:

Whereas, the House Ways and Means Committee has considered what the unrestricted revenue estimates should be for fiscal years 2011, 2012, 2013 and has presented those estimates to the House of Representatives; and

Whereas, the service cuts to the disabled, mentally ill, working poor, infirm elderly, indigent, victims of violence and consumer fraud, and families dealing with alcohol and other drug problems, are too great for our state's citizenry to tolerate; and

Whereas, it is now the intention of the House of Representatives that any increase in revenue estimates or other revenue that can realistically be achieved before the passage of the final budget shall be applied to restore services to individuals which had to be cut in the original house-passed budget; now, therefore, be it

Reps. Hatch and Butynski spoke in favor.

Rep. Stepanek yielded to questions.

Rep. Butynski requested a roll call; sufficiently seconded.

ENROLLED BILLS REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bills numbered 43, 55, 61, 70, 114, 150, 155, 174, 211, 216, 278, 298, 358, 401, 413, 426, 431, 488, 504, 521, 555, 580, 651 and 629.

Rep. Kidder, Sen. Prescott for the Committee

SENATE MESSAGE**REQUESTS CONCURRENCE WITH AMENDMENT**

HB 524-FN, relative to the release of prisoners on probation or parole. (Amendment printed SJ 4-27-11)
Rep. Swinford moved that the House nonconcur and spoke in favor.
Adopted.

RESOLUTION

Rep. Bettencourt offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, May 25, 2011 at 10:00 a.m.
Adopted.

LATE SESSION**Third reading and final passage**

SB 111, relative to short sales of a homeowner's residence.
SB 179, relative to qualified purchasing alliances.
SB 123, relative to notification if a person found incompetent to stand trial and civilly committed is released into the community.
SB 180, establishing a committee to study the availability of community supervision programs for prisoners released on probation or parole.
SB 37, relative to the determination of residency for certain pupils.
SB 45, relative to criteria for designation as a Granite State scholar.
SB 96, relative to amending the charter of The Pinkerton Academy.
SB 128-FN-A, establishing a committee to study sources of funding for the search and rescue operations of the fish and game department.
SB 36, relative to the permanent siting of the Hampton-Exeter District Court.
SB 54, relative to the definition of declarant under the condominium act and the duties of the committee to study laws relating to condominium and homeowners' associations.
SB 64, removing the oath requirement for criminal complaints filed by police officers.
SB 20, relative to shoreland protection permits.
SB 21, relative to exemptions from excavating and drainage permits.
SB 32, relative to water withdrawals for snow making.
SB 38, relative to extensions for wetland and shoreland permits.
SB 47, extending the commission to study water infrastructure sustainability funding.
SB 100, relative to the size limitations on OHRVs operating in Jericho Mountain state park, and the definition of utility terrain vehicle.
SB 105, exempting highway trail crossing from evaluation requirements for certain all terrain and trail bike trails.
SB 107, establishing a committee to study the effectiveness of criteria for establishing ATV and trail bike trails on state lands.
SB 98, revising the international registration plan.
SB 99, relative to trailer brakes.
SB 30, relative to including a parent's residence in the parenting plan.
SB 90, directing the legislative oversight committee to study the consolidation of school administrative units.
SB 196, relative to the renomination or reelection of teachers and prohibiting assessing teacher performance based solely on assessment scores.

SB 56-FN, authorizing the department of revenue administration to accept credit card and debit card payments of taxes.

SB 58-FN-A, adding qualified community development entities to the definition of “qualified investment company” under the business profits tax and the business enterprise tax.

SB 146-FN, relative to requiring submission of a reduced spending alternative as part of the biennial budget process.

SB 161-FN, relative to procedures for adoption of agency rules under the administrative procedures act.

SB 86, requiring the department of labor to warn employers of certain violations prior to imposing a fine.

SB 121, relative to the application of the worker adjustment and retraining notification act.

SB 53-FN, relative to the definition of nursing and establishing a nursing assistant registry fund administered by the board of nursing.

SB 125-FN-A, relative to the business profits tax deduction for reasonable compensation.

HR 12, affirming revenue estimates for fiscal years 2011, 2012, and 2013.

RECESS MOTION

Rep. Bettencourt moved that the House stand in recess for the purposes of the introduction of bills, receiving Senate messages, enrolled bill amendments, enrolled bill reports and forming committees of conference.

Adopted.

The House recessed at 3:05 p.m.

RECESS

(Rep. Cox in the Chair)

ENROLLED BILL AMENDMENTS

HB 44, designating segments of the Oyster River as a protected river and exempting certain portions of the Oyster River from the provisions of the comprehensive shoreland protection act.

Amendment (1804-EBA)

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3:

2 Contingent Renumbering. If HB 336 of the 2011 legislative session becomes law, RSA 483:15, XVII as inserted by section 1 of this act shall be renumbered as RSA 483:15, XVIII.

Adopted.

HB 132, adopting and implementing the United States flag code.

Amendment (1794-EBA)

Amend section 1 of the bill by replacing lines 1 and 2 with the following:

1 New Sections; Flag Code for New Hampshire. Amend RSA 3-E by inserting after section 1 the following new sections:

Adopted.

HB 246, relative to prearranged funeral contracts or burial plans.

Amendment (1874-EBA)

Amend RSA 325:46-a, I(g)(2) as inserted by section 1 of the bill by replacing it with the following:

(2) The purchaser has the right to make the contract revocable, and that the purchaser has the right to revoke a revocable prearranged funeral contract.

Adopted.

HB 262-FN, relative to beverage manufacturers.

Amendment (1861-EBA)

Amend RSA 179:13, V as inserted by section 2 of the bill by replacing it with the following:

V. Each wholesale distributor, brew pub licensee, *nano brewery*, or beverage manufacturer shall notify any retailer reported to the commission pursuant to RSA 179:13, I who is delinquent in making

payment of accounts. Notification shall be delivered in writing to the licensee by a representative of the wholesaler, brew pub licensee, *nano brewery*, or beverage manufacturer. Proof of notification shall be forwarded to the commission, whose enforcement division shall issue an administrative notice for a violation of the provisions of RSA 179:13, I and shall forward a report of violation for administrative action. Any license issued to any business violating the provisions of RSA 179:13, I may be suspended by the commission for nonpayment of accounts which are delinquent more than 15 days from the date of the wholesale distributor's, brew pub licensee's, *nano brewery's*, or beverage manufacturer's notification, providing the requirements of this section have been met.
Adopted.

HB 284-FN, relative to contact lens prescriptions.

Amendment (1820-EBA)

Amend RSA 327:1, IV(e) as inserted by section 1 of the bill by replacing line 1 with the following:
(e) [~~The~~] Application, *prescribing*, or removal of Food and Drug Administration approved
Amend RSA 327:30, IV as inserted by section 3 of the bill by replacing line 2 with the following:
acting in violation of this chapter. The cease and desist order shall be enforceable in
Adopted.

HB 339-FN-A, allowing the state veterinarian to employ a meat inspection services administrator and making an appropriation therefor.

Amendment (1899-EBA)

Amend RSA 427:2, VIII(i)(1) as inserted by section 1 of the bill by replacing it with the following:
(1) The common or usual name of the food, if there is any, and
Amend RSA 427:6, II as inserted by section 1 of the bill by replacing it with the following:
II. Said inspectors shall mark, stamp, tag, or label as "New Hampshire Inspected and Passed"
all such products found to be not adulterated.
Amend RSA 427:6, III as inserted by section 1 of the bill by replacing lines 1-2 with the following:
III. Said inspectors shall label, mark, stamp, or tag as "New Hampshire Inspected and Condemned"
all such products found adulterated, and all such condemned meat food products shall
Amend the introductory paragraph in RSA 427:24 as inserted by section 6 of the bill by replacing
line 7 with the following:
that such article or animal has been, or is intended to be, distributed in violation of this subdivision:
Amend RSA 6:12, I(b)(305) as inserted by section 8 of the bill by replacing it with the following:
(305) Moneys deposited in the meat inspection program fund established under RSA
427:32-b.
Amend section 11 of the bill by replacing paragraph VI with the following:
VI. RSA 428:4, relative to intrastate commercial control of poultry inspection.
Adopted.

PETITIONS

Petitioner Representative Silva of Nashua, on behalf of Candy Knightly, seeks redress relative to a dispute with Judge Thomas Bamberger and the State of New Hampshire, Department of Health and Human Services, Division of Children, Youth, and Families.

Petitioner Representative Silva of Nashua, on behalf of Denise-Marie McIntosh, seeks redress relative to a dispute with Judge Thomas Bamberger and the State of New Hampshire, Department of Health and Human Services, Division of Children, Youth, and Families.

The Speaker referred the Petitions to the Committee on Redress of Grievances.

SENATE MESSAGES

CONCURRENCE

HB 133, relative to the minimum wage.

HB 258, eliminating certain unenforced election laws.

HB 461-FN, relative to repealing the authority for retirement system members to purchase service credit for certain out-of-state service.

HB 541, relative to ownership of property placed in trust qualifying for certain property tax exemptions and credits.

HB 589, repealing written majority authorization for an employee organization to be certified as the exclusive representative of public employees in a bargaining unit.

HB 594, relative to the application of procedures for discharge or suspension from county employment.

HB 647, relative to withholding of wages.

HCR 27, honoring the members of the military and intelligence community who carried out the mission that killed Osama bin Laden, and for other purposes.

NONCONCURRENCE

HB 307, relative to the authority of the superintendent of a county correctional facility.

HB 603, prohibiting public works projects and natural formations from being named in honor of any living elected, or formerly elected, official.

RE-REFERRED TO COMMITTEE

HB 382, relative to the maintenance of municipal public cemeteries.

HB 588, relative to polling hours and location of polling places.

LAID ON THE TABLE

HB 187-FN-A, relative to the carry forward periods for the business enterprise tax credit against the business profits tax.

HB 341, relative to local spending caps.

HB 557-FN-A, relative to the standards and burden of proof with respect to the business profits tax deduction for reasonable compensation attributable to owners of partnerships, limited liability companies, and sole proprietorships.

HB 590, expressing the position of the New Hampshire general court that the offering and acceptance of federal grants-in-aid relating to matters not included among the defined powers of the federal government is unconstitutional under the state and federal Constitutions and establishing a committee to review state participation in federal grant-in-aid programs.

HCR 6, requiring the Congress of the United States of America to reaffirm its adherence to the Constitution of the United States regarding international agreements and treaties.

HCR 11, to urge the Congress of the United States to withdraw the membership of the United States from the United Nations so that the United States may retain its sovereignty and control over its own funds and military forces.

HCR 12, urging Congress to withdraw the United States from the North American Free Trade Agreement (NAFTA) in accordance with Article 2205 of the agreement.

RECESS

(Speaker O'Brien in the Chair)

Rep. Tucker moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 19

Wednesday, May 25, 2011

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Roger Boucher.

Give thanks to the Lord, for he is good, for his mercy endures forever. It is better to take refuge in the Lord than to trust in man. It is better to take refuge in the Lord than to trust in princes. (Psalm 118). Heavenly Lord, scripture teaches us to ask for Your grace and strength when making tough choices. Though we often trust in ourselves for insight to shoulder our governing tasks, the wisdom of the scriptures focuses our minds on the people we serve and the benefit of the common good. We ask for Your strength to see shrewdly today and to choose wisely amidst the chaos of pressures, facts and opinions. The task is not an easy one and we call on Your strength to till this field together in harmony row by row. Help us to keep our families stable, our children favorably mentored and our communities prosperous. In this week of Memorial Day observance we bring to mind all those members of the military who have died in our nation's service. We lovingly remember, thank and honor their immeasurable sacrifice to keep our freedom secure and our constitution enduring. For those on active duty in these uncertain times we ask that You keep them safe from injury and harm. Instill in them a respect for the same vision for which our fellow countrymen sacrificed and reward them for their perseverance. As always, we ask Your intercession for our members who are ill or have family who need healing or consolation. Bless our deliberations and commitments this day. In Your great name we pray. Amen.

Representative Robert Greemore, member from Meredith, led the Pledge of Allegiance.

Representative James Garrity of Atkinson led the singing of the National Anthem.

LEAVES OF ABSENCE

Reps. Hofemann, Major and Welch, the day, illness.

Reps. Beattie, Deloge, Hatch, Hess, Leonard, John O'Connor, Packard, Pastor and Yvonne Thomas, the day, important business.

Rep. Scentsas, the day, death in the family.

COMMUNICATION

May 25, 2011

Ms. Karen Wadsworth
Clerk of the House of Representatives
State House
Concord, NH 03301

Dear Karen:

Please be advised that the following representative-elect was sworn into office by the Governor and Executive Council on this day:

Hillsborough County District No. 4, Jennifer Daler, d, Temple (PO Box 22) 03084

Sincerely,
William M. Gardner, Secretary of State

INTRODUCTION OF GUESTS

Shannon Blankenbeker and Ian Campbell, daughter and guest of Rep. Blankenbeker. Anna Summers and Dixie Summers Bingham, wife and sister of Rep. Summers. Leah Willingham, Jennie Rowntree and Meg Ortega, Girl Scouts participating in the Rock the Capitol program and Ally Hughes and Rachel Green, program coordinators, guests of Reps. Sad, Schlachman, and Weber. Carolyn Weir and Carol Croteau, guests of Rep. Schlachman. John Scheel, guest of Rep. Abrami. Lee Papastathis, guest of Rep. Rokas. Nicholas Azarian, son of Rep. Azarian. Mac Kittrich, guest of Rep. Cataldo. Terry and Caleen McCarthy, wife and grand-daughter of Rep. Frank McCarthy. Raymond and Marianne Shakir and Linda Teagan, guests of Rep. Pettengill.

Meghan Hussey and Megan Wirth, students at Kearsarge Regional High School, Pages for the day.

CONSENT CALENDAR

Rep. Jasper moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

SB 51, relative to the establishment of a state leadership team to address issues concerning certain adults with developmental disabilities who may present a substantial risk to the community, removed by Rep. Blankenbeker.

SB 95, establishing a commission to study youth sports concussions and other concussions received while at school, removed by Rep. Gile.

SB 40, making technical corrections to meals and rooms tax laws, removed by Rep. Weyler.
Consent Calendar adopted.

SB 28, establishing an exemption from the licensing requirements for nondepository first mortgage bankers and brokers for persons providing loans for certain seller-financed transactions. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Andrew J. Manuse for Commerce and Consumer Affairs: This bill is one of five bills introduced this session that is meant to ease private lending restrictions and regulatory overreach that came with the federal Secure and Fair Enforcement Act (SAFE Mortgage and Licensing Act of 2008). The federal SAFE Act was adopted by the legislature in July 2009, and its provisions were subsequently institutionalized in RSA 397-A. Because of this, current law bans private parties from lending money for a residential mortgage to other private parties, even if the money borrowed is from friends, family members, benefactors and etc. Current law requires any person to get a mortgage loan originators license from the New Hampshire banking department, even in harmless circumstances when licensing private citizens who intend to make up to three loans is not practical. Before the excessive enforcement of the SAFE Act in New Hampshire, private transactions between two parties had been allowed for many years. Such transactions were limited by regulation to no more than four private transactions a year as an exception to licensing law. New Hampshire's adoption of the SAFE Act harshly eliminated any legal commerce in most private residential lending. In moving this bill forward to the House, the committee found that SB 28 with its amendment was the most appropriate legislation to restore common sense to New Hampshire law by allowing up to three private transactions a year. The department of housing and urban development (HUD) ultimately regulates this matter pursuant to the new federal law. HUD has promised definitive new rules on this matter, yet such a ruling has not yet materialized. We need a fix in the interim period and this is it. In anticipation of any conflict between state and federal law in the future, the committee recommends an amendment that would allow the state banking department to recognize the HUD rules upon their adoption. Finally, the resolution of this issue and this bill in particular is supported by New Hampshire real estate, accounting and legal professionals, who all testified on this bill. The New Hampshire banking department does not object to the bill, as amended. Vote 17-0.

Amendment (1977h)

Amend RSA 397-A:4, VI as inserted by section 1 of the bill by replacing it with the following:

VI. An owner of real property who in any 12 consecutive month period makes no more than 3 mortgage loans to purchasers of the property for all or part of the purchase price of the real estate against which the mortgage is secured; provided, however, that the final regulations relating to the Secure and Fair Enforcement for Mortgage Licensing Act issued by the United States Department of Housing and Urban Development shall supersede the provisions of this paragraph to the extent such regulations conflict with the provisions of this paragraph.

SB 189, relative to the definition of mortgage loan originator. **OUGHT TO PASS WITH AMENDMENT.**

Rep. James M. Sullivan for Commerce and Consumer Affairs: This bill addresses an issue created by the federal SAFE Act and New Hampshire's corresponding state law recently enacted which was being interpreted to barring even a mortgagee's accountant from giving advice on a home mortgage without a banking department license. In this case, HUD has clarified its position on this issue. This bill brings state law into compliance with the new federal rules in granting an exception from mortgage loan origination status to those performing purely clerical or administrative tasks and doing so under supervision of a licensed person. Vote 17-0.

Amendment (1853h)

Amend RSA 397-A:1, XVII(a)(4) as inserted by section 1 of the bill by replacing it with the following:

(4) Any individual who is not otherwise described in subparagraph (a) and who performs purely administrative or clerical tasks as an employee at the direction of and subject to the supervision and instruction of a licensed person who is described in subparagraph (a).

SB 68, relative to records of disciplinary actions taken by the electricians' board. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Spec Bowers for Executive Departments and Administration: This bill creates a sort of "statute of limitations" for disciplinary hearings by the electrician's board. Records of such hearings shall not be retained or considered after 10 years. The committee amendment increased the retention period to 10 years. Vote 14-0.

Amendment (1844h)

Amend RSA 319-C:12, IV as inserted by section 1 of the bill by replacing it with the following:

IV. The board shall retain the record of an action taken in a disciplinary proceeding under this section for 10 years from the date of final decision of the action and shall not consider such disciplinary action more than 10 years after the final decision in any future disciplinary proceeding concerning the same licensee.

AMENDED ANALYSIS

This bill requires that records of actions taken in disciplinary proceedings by the electricians' board shall not be considered after 10 years.

SB 34-FN, relative to orders of notice in guardianship cases; relative to approvals of marriages for persons under 18 years of age by the judicial branch family division; and relative to the adjudicatory hearing date in child protection cases. **OUGHT TO PASS.**

Rep. Gregory M. Sorg for Judiciary: This bill amends RSA 463 to clarify responsibility for paying for and mailing orders of notice of guardianship proceedings to interested parties. It also amends RSA 457:6 by transferring jurisdiction for approving marriages for persons under age 18 to the judicial branch family division. Finally, it repeals and re-enacts RSA 169-C:15, III(d) to establish and clarify the time period within which the court must hold and issue written findings following the adjudicatory hearing in child protection cases. Vote 16-0.

SB 63, relative to the list of bail bondsmen and prohibiting law enforcement and corrections officers from indicating preferences for bail bond companies. **OUGHT TO PASS WITH AMENDMENT.** Rep. Gregory M. Sorg for Judiciary: This bill seeks to level the competitive playing field in the bail bond business. With the amendment, RSA 598-A:3 would be amended to require that the list of names of registered professional bail bondsmen already furnished by the secretary of state to all courts, jails and police stations under current law not be altered or supplemented and that it contain a statement informing defendants in need of bail that not all bail bondsmen charge the same fees or provide the same services and encouraging them to contact more than one. Vote 16-0.

Amendment (1600h)

Amend the bill by replacing section 1 with the following:

1 List of Professional Bondsmen. Amend RSA 598-A:3 to read as follows:

598-A:3 List of Professional Bondsmen. The secretary of state or designee shall furnish all superior court clerks, all district courts having authority to accept bail, all jails, and all police stations with a list of the names of all persons registered as professional bondsmen and shall notify such clerks, courts, jails, and police stations of any change in a bondsman's status. The secretary of state shall update the list as necessary, but not less than once per year. ~~[No person, other than the secretary of state or the secretary of state's designee, shall alter any list furnished under this section.]~~ **The list shall include the following statement in bold type: "You are encouraged to contact more than one bail bondsman because not all bail bondsmen charge the same fees or provide the same services."** The **unaltered** list shall be displayed prominently and visibly to defendants in all courts, jails, and police stations. **No other list shall be displayed, furnished, or provided.**

AMENDED ANALYSIS

This bill amends the criteria for the list of bail bondsmen provided to the courts. The bill also provides that a defendant released pending trial who fails to appear within 45 days of the date required shall forfeit all designated property held by the court to secure such defendant's appearance.

SB 65, making technical corrections to a law relative to court facility financing. **OUGHT TO PASS.** Rep. Gregory M. Sorg for Judiciary: This bill makes technical corrections to RSA 490-B:5, II, relating to court facility financing to reflect procedures already being followed for negotiating and approving leases. As amended, the statute will provide that negotiations concluded by the department of administrative services shall be subject to final approval by the governor and council or by the department of administrative services, as applicable, rather than by the fiscal committee of the general court. Vote 14-0.

SB 139-FN, relative to state recoveries of public assistance caused by fraud. **OUGHT TO PASS.** Rep. Joseph M. Hagan for Judiciary: A whistleblower who brings action for himself and the state against a defendant alleged to have committed Medicaid fraud, if successful, receives a percentage of the recovery. This bill would limit jurisdiction to cases involving New Hampshire healthcare providers. Other clarifications would reduce legal costs and increase monetary settlements. Vote 15-0.

SB 176, relative to marriage licenses. **OUGHT TO PASS.**

Rep. Gregory M. Sorg for Judiciary: This bill is a housekeeping measure that amends the marriage registration provisions of RSA 5-C:41 and 42 to make them consistent with the amendments in 2006 to RSA 457:26 and 27, which eliminated the three-day waiting period between applying for and issuance of a marriage license. Vote 13-1.

SB 144, relative to extending certain permits and approvals. **OUGHT TO PASS WITH AMENDMENT.**

Rep. James P. Belanger for Municipal and County Government: Presently, planning board subdivision plans and site approvals are exempt from subdivision, site plan review, impact fees and zoning ordinance changes for a period of four years as long as substantial development or building has begun within one year (12 months) of the approval and recording of the plans. This amended bill makes a minor but important change RSA 674:39 and extends the period to five years and start of substantial development or building to 24 months. Given the increased complexity of today's permitting and financing requirements and the slowed sale rate of new homes, projects need this additional time to earn vested rights. This was a bi-partisan vote with no testimony in opposition to the bill or to the amendment. Vote 15-0.

Amendment (1797h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to approvals for site plans and subdivision of land.

Amend the bill by replacing section 1 with the following:

1 Regulation of Subdivision of Land. Amend RSA 674:39 to read as follows:
674:39 [Four-Year] **Five-Year** Exemption.

I. Every subdivision plat approved by the planning board and properly recorded in the registry of deeds and every site plan approved by the planning board and properly recorded in the registry of deeds, if recording of site plans is required by the planning board or by local regulation, shall be exempt from all subsequent changes in subdivision regulations, site plan review regulations, impact fee ordinances, and zoning ordinances adopted by any city, town, or county in which there are located unincorporated towns or unorganized places, except those regulations and ordinances which expressly protect public health standards, such as water quality and sewage treatment requirements, for a period of [4] 5 years after the date of approval; provided that:

(a) Active and substantial development or building has begun on the site by the owner or the owner's successor in interest in accordance with the approved subdivision plat within [12] 24 months after the date of approval, or in accordance with the terms of the approval, and, if a bond or other security to cover the costs of roads, drains, or sewers is required in connection with such approval, such bond or other security is posted with the city, town, or county in which there are located unincorporated towns or unorganized places, at the time of commencement of such development;

(b) Development remains in full compliance with the public health regulations and ordinances specified in this section; and

(c) At the time of approval and recording, the subdivision plat or site plan conforms to the subdivision regulations, site plan review regulations, and zoning ordinances then in effect at the location of such subdivision plat or site plan.

II. Once substantial completion of the improvements as shown on the subdivision plat or site plan has occurred in compliance with the approved subdivision plat or site plan or the terms of said approval or unless otherwise stipulated by the planning board, the rights of the owner or the owner's successor in interest shall vest and no subsequent changes in subdivision regulations, site plan regulations, or zoning ordinances, except impact fees adopted pursuant to RSA 674:21 and 675:2-4, shall operate to affect such improvements.

III. The planning board may, as part of its subdivision and site plan regulations or as a condition of subdivision plat or site plan approval, specify the threshold levels of work that shall constitute the following terms, with due regard to the scope and details of a particular project:

(a) "Substantial completion of the improvements as shown on the subdivision plat or site plan," for purposes of fulfilling paragraph II; and

(b) "Active and substantial development or building," for the purposes of fulfilling paragraph I.

IV. Failure of a planning board to specify by regulation or as a condition of subdivision plat or site plan approval what shall constitute "active and substantial development or building" shall entitle the subdivision plat or site plan approved by the planning board to the ~~[4-year]~~ **5-year** exemption described in paragraph I. The planning board may, for good cause, extend the ~~[+2-month]~~ **24-month** period set forth in ~~[paragraph]~~ **subparagraph I(a)**.

~~[V. Notwithstanding the time limits established in paragraph I, every subdivision plat and site plan approved by the planning board on or after January 1, 2007 and prior to July 1, 2009 shall be allowed 36 months after the date of approval to achieve active and substantial development or building as described in subparagraph I(a) and every subdivision plat and site plan approved by the planning board on or after July 1, 2005 and prior to July 1, 2009 shall be allowed 6 years after the date of approval to achieve substantial completion of the improvements as described in paragraph H.]~~

SB 22, relative to alternative regulation of small incumbent local exchange carriers. **OUGHT TO PASS.**

Rep. Jacqueline A. Cali-Pitts for Science, Technology and Energy: The bill provides that small incumbent local exchange carriers having under 25,000 access lines may petition the PUC for alternative regulation. Alternative regulation provides that local rates do not exceed comparable rates and that all service obligations under law be maintained. The alternative regulation plan may also allow small incumbent local exchange carriers to offer bundled services such as data and video. Vote 15-0.

SENATE MESSAGES

REQUESTS CONCURRENCE WITH AMENDMENTS

HB 487-FN, relative to election day registrants. (Amendment printed SJ 5-11-11)

Rep. Bates moved that the House concur and spoke in favor.

Rep. Stepanek moved that the House nonconcur and request a Committee of Conference.

Adopted.

The Speaker appointed Reps. Major, Hess, Azarian and Almy.

REGULAR CALENDAR

SB 93, relative to pharmacist administration of vaccines. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Chris F. Nevins for Commerce and Consumer Affairs: This bill, as passed by the Senate, intended to expand the vaccines that may be administered by a pharmacist to include pneumococcal (for pneumonia) and varicella zoster (for shingles) for a sunsetted two-year period. It also removes redundant qualifications for pharmacists to administer vaccines. Currently, pharmacists in all 50 states are able to administer adult immunizations. New Hampshire is one of three states that limit pharmacists to administer only the seasonal flu vaccine. SB 93 would increase access to these vaccines thus improving immunization rates and decreasing long-term health care costs. Since documentation of vaccinations is also important, pharmacists are required to insure that the records are accurate and up-to-date and that the patient's physician is notified. The committee determined that the bill needed to be amended because the Senate's sunset clause unintentionally repealed the redundant current law. The sunset provision of the bill was removed in the committee's amendment. The committee feels this is a consumer friendly solution for New Hampshire residents. Vote 16-1.

Amendment (1868h)

Amend the bill by replacing all after section 1 with the following:

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill expands the vaccines which may be administered by a pharmacist and changes the qualifications for pharmacists to administer vaccines.

Amendment adopted.

Committee report adopted and ordered to third reading.

SB 120, relative to alcoholic beverage advertising restrictions. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Frederick C. Rice for Commerce and Consumer Affairs: Present regulations allow the advertising or promotion of liquor or beverages at reduced prices only within restaurants licensed premises, unless it is part of a "champagne brunch" or similar package. This bill would allow licensees to advertise liquor and beverage prices separately from any other advertisement or promotion. The bill allows the liquor commission to suspend any single advertising or promotion that is not in the spirit of public health or safety. The bill also includes a local opt out by allowing the legislative body of a city or town to adopt provisions prohibiting exterior signs advertising reduced price liquor or beverages. Beginning upon enactment and lasting up to next July 1st, the governing body of the city or town may adopt temporary prohibitions on such exterior advertising until the legislative body votes whether to adopt a permanent prohibition or the temporary prohibition expires, which ever occurs sooner. Vote 17-0.

Amendment (1956h)

Amend the bill by replacing section 2 with the following:

2 Alcoholic Beverages; Advertising Restrictions. Amend RSA 179:31, IX to read as follows:

IX. Advertising of liquor or beverages shall ~~[not be inconsistent]~~ **be consistent** with the spirit of **public health or safety** ~~[or safe driving]~~. **The commission may suspend any single advertising or promotion of liquor or beverage, at its discretion, that is inconsistent with the spirit of public health or safety.**

Amend RSA 179:31, XI-a as inserted by section 3 of the bill by replacing it with the following:

XI-a. Notwithstanding paragraph XI, if the legislative body of a city or town adopts a provision prohibiting exterior signs or signs in view of any public way promoting the sale of liquor or beverages at reduced prices by an on-premises licensee, such signs shall not be permitted in that city or town.

Amend the bill by replacing all after section 5 with the following:

6 Temporary Local Advertising Restrictions. The governing body of a city or town may adopt a temporary provision prohibiting exterior signs or signs in view of any public way promoting the sale of liquor or beverages at reduced prices by an on-premises licensee. The temporary prohibition shall be enforceable in the same manner as a prohibition adopted under RSA 179:31-a, XI-a. The temporary prohibition shall expire on the earliest of the following dates:

I. The date on which the legislative body of the city or town votes on whether to adopt a permanent prohibition under RSA 179:31, XI-a.

II. The date specified by the governing body when adopting the temporary prohibition.

III. July 1, 2012.

7 Effective Date. This act shall take effect upon its passage.

Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment.

Rep. Wallner requested a roll call; sufficiently seconded.

SB 162-FN, relative to federal health care reform 2010. **OUGHT TO PASS WITH AMENDMENT.** Rep. Andrew J. Manuse for Commerce and Consumer Affairs: This bill, as amended, repeals and replaces RSA 420-L with a new policy for managing federal health care reform in New Hampshire. The committee amendment makes changes to the bill that reflects other policy votes of the House on this matter. Passing this bill, as amended, will stake out a strong House position that creates a Joint Legislative Oversight Committee with real power to direct the insurance commissioner or any other department or agency official on whether or not to implement certain components of federal health care reform. While the law does not go as far as some of us would have liked to completely nullify recent federal healthcare reform the law also does not go as far as the past legislature went in giving the insurance commissioner authority to implement any part of the federal health care reform that he or she wanted. This bill strikes a good balance by giving an oversight committee real power to prevent implementation of choice parts of the federal health care reform, to revisit administrative rules passed previously and strike them if necessary, to approve new rules to be submitted through the regular process or to approve of proposals from the commissioner to implement parts of federal health care reform. The bill also requires the oversight committee to report back to the legislature, leaving room for changes to policy or the process. If the House does not act on this legislation, there will be no official arm of the government attending directly to the federal changes, which means any agency official might act to accept grant money for implementation of the act. By keeping this oversight committee in place, the legislature is ensuring a check on the executive branch of the government to make sure it is not enforcing or implementing parts of federal health care reform without authority. At the same time, the proposed committee will allow the state to implement parts of the federal law that make common sense. This bill also eliminates a permanent insurance department position that was meant to implement federal healthcare reform in New Hampshire, a position that is no longer needed. Eliminating this position will save the state money. Vote 16-1.

Amendment (1967h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to New Hampshire opting-out of federal health care reform.

Amend the bill by replacing all after the enacting clause with the following:

1 Federal Health Care Reform 2010. RSA 420-L:1-RSA 420-L:6 are repealed and reenacted to read as follows:

420-L:1 Purpose and Scope.

I. The intent of this chapter is to preserve the constitutional integrity and sovereignty of the State of New Hampshire under the Tenth Amendment to the United States Constitution and Part I, Article 7 of the New Hampshire Constitution by limiting the extent to which the commissioner shall or shall not enforce the insurance reforms under the Patient Protection and Affordable Care Act of 2009, as amended by the Health Care and Education Reconciliation Act of 2010, (hereinafter "Act").

II. Further, it is the intent of this chapter to prevent the state of New Hampshire from defaulting into federal oversight regarding the Act by not meeting certain federally mandated time frames measuring the progress being made of state-implemented requirements under the Act. It is not the intent of this chapter to commit the state of New Hampshire to implementation of the Act, but rather to prevent the implementation of the Act and to preserve the state's options regarding implementation of any constitutional portions as the general court directs.

420-L:2 Definitions. In this chapter:

I. "Act" means the Patient Protection and Affordable Care Act of 2009 (Public Law 111-148) as amended by the Health Care and Education Reconciliation Act of 2010 (Public Law 111-152).

II. "Commissioner" means the insurance commissioner.

III. "Department" means the insurance department.

IV. "Health Care and Education Reconciliation Act of 2010" means the law enacted by the 111th United States Congress, HR 4872, (Public Law 111-152) signed into law on March 30, 2010.

V. "Oversight committee" means the joint health insurance reform oversight committee established in RSA 420-L:5.

VI. "Patient Protection and Affordable Care Act of 2009" means the law enacted by the 111th United States Congress, HR 3590, (Public Law 111-148) signed into law on March 30, 2010.

420-L:3 Authority of the Commissioner.

I. Only with the prior approval of the majority of the oversight committee established in RSA 420-L:5, the commissioner shall have the authority to do the following with regard to the Act:

(a) Enforce the consumer protections and market reforms as set forth in the Act that relate to insurance;

(b) Take any action or permit the taking of any action by any state employee, state agent, or anyone to implement the Act;

(c) Establish any standards for enforcing the provisions of the Act;

(d) Make, adopt, or amend rules and regulations pursuant to RSA 541-A for, or as an aid to, the administration of any provision of the Act relating to insurance;

(e) Apply for any grant funds available under the Act;

(f) Adopt or apply standards consistent with the Act for form and rate review of insurance products and any other regulatory oversight functions performed by the department; or

(g) Expend any money, whether received by the federal government, the state government, any other governmental agency, a private organization, a nonprofit organization, or otherwise, on the implementation or advancement of the Act.

II. Any state official or agency outside the department, that seeks to enforce, implement, establish standards for enforcing, or otherwise take action under a provision of the Act, shall first obtain approval for the action from the majority of the oversight committee established in RSA 420-L:5.

420-L:4 Implementation of the Act.

I. The general court shall determine all policies within the state of New Hampshire regarding implementation of the Act if it is determined that the state of New Hampshire is required to implement the Act. The insurance commissioner, the department, or any other state official, agency or designee, working in conjunction with the oversight committee, shall act on the presumption that enforcement of any provision of the Act shall first be authorized by the general court.

II. The commissioner, the department, or any other state official, agency or designee, shall develop recommendations in conjunction with the oversight committee established in RSA 420-L:5, prior to any enforcement of the Act. In addition, any state official or agency that seeks to enforce the provisions of the Act shall first develop recommendations in conjunction with the oversight committee.

420-L:5 Joint Health Insurance Reform Oversight Committee.

I. There is established a joint health insurance reform oversight committee consisting of 5 members as follows:

(a) Two members of the senate, appointed by the senate president, one of whom shall be from the senate commerce committee.

(b) Three members of the house of representatives, appointed by the speaker of the house of representatives, 2 of whom shall be from the house commerce and consumer affairs committee.

II. The terms of the members of the oversight committee shall be for the biennium and shall be coterminous with their membership in the general court. The oversight committee shall elect a chairman from its membership. The oversight committee shall meet at the call of the chairman who may call a meeting as often as necessary. The oversight committee shall require 3 members for a quorum.

III. The commissioner, upon direction of the oversight committee, shall make such periodic reports to the oversight committee relative to the department's interaction with federal officials enforcing the Act, and relative to federal deadlines and requirements for the Act.

IV. The oversight committee shall provide legislative oversight, policy direction, and recommendations for further legislation to prevent implementation of the Act in the state of New Hampshire as it determines appropriate. The oversight committee shall also review existing rules adopted pursuant to the version of RSA 420-L enacted under 2010, 243 and may require that rules it deems unnecessary be withdrawn.

V. The oversight committee shall submit an annual report, together with any recommendations for legislation, to the president of the senate, the speaker of the house of representatives, the house commerce and consumer affairs committee, and the senate commerce committee on or before November 1, 2011, and thereafter on or before November 1 of each year.

2 Health Reform Coordinator Position. Amend RSA 400-A:6, VII to read as follows:

VII. The commissioner shall appoint, as the commissioner's assistants, a health care policy analyst, a health care statistician, a general counsel, an insurance fraud attorney, a senior insurance fraud investigator, an assistant property and casualty actuary, *and* a compliance and enforcement counsel, [~~and a health reform coordinator,~~] each of whom shall serve at the pleasure of the commissioner during good behavior. The health care policy analyst, health care statistician, general counsel, insurance fraud attorney, senior insurance fraud investigator, assistant property and casualty actuary, *and* compliance and enforcement counsel, [~~and health reform coordinator,~~] shall perform such duties and exercise such powers as the commissioner may authorize.

3 Repeal. The following are repealed:

I. 2010, 243:15, relative to the repeal of RSA 420-L, regarding federal health care reform.

II. 2010, 243:16, relative to relative to rules adopted pursuant to RSA 420-L.

4 Effective Date. This act shall take effect June 30, 2011.

AMENDED ANALYSIS

This bill removes the repeal of RSA 420-L, regarding federal health care reform. Under this bill, the general court is to determine all policies within the state of New Hampshire regarding implementation of the Patient Protection and Affordable Care Act of 2009 (Public Law 111-148) as amended by the Health Care and Education Reconciliation Act of 2010 (Public Law 111-152). The bill establishes an oversight committee to prevent implementation of such Act as it determines appropriate. This bill also eliminates the health reform coordinator position in the department of insurance.

Rep. Gary Richardson spoke against and yielded to questions.

Rep. Manuse spoke in favor.

Rep. Mirski requested a roll call; sufficiently seconded.

and the committee amendment was adopted.

Committee report adopted and ordered to third reading.

SB 171, relative to prescription drug benefits for the treatment of pain. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. Chris F. Nevins for the Majority of Commerce and Consumer Affairs: Current law requires that every health benefit plan that provides prescription drug benefits to maintain an expeditious exception process that does not exceed 48 hours. This bill intended to reduce that time limit to 24 hours for pain medications. A major problem with the bill was that there was no definition for pain. In testimony it was noted that the vast majority of prescriptions are approved immediately and that in the rare occasion where there is a problem, most emergency prescriptions are approved within a 24-hour period. While well intended, the law is redundant since "Urgent Care" is already covered by federal law. The committee is concerned about forcing an additional mandate on insurers, which would only serve to increase costs unnecessarily and ultimately higher premiums. The majority of the committee felt that New Hampshire consumers are already well served by current law. Vote 13-4. Rep. Kathleen N. Taylor for the Minority of Commerce and Consumer Affairs: Testimony from insurance companies was that they presently adhere to a 24-hour exception review process for "medically necessary" prescription drugs, including pain medication, but conflicting testimony detailed a 3-step process used by insurance companies before a patient can get the pain medication prescribed by a doctor. Current law requires a 48 hour expedited review process for non-formulary prescription drugs. The minority believes the Senate passed version establishing a 24 hour expedited review process for formulary and non-formulary pain medication is needed, considering the urgent need for proper pain relief by some patients. The expedited process will only apply to "medically necessary" drugs as currently defined in New Hampshire law and since it would conform to the practice insurance companies claim to use, giving consumers the ability to request assistance from the NH insurance department would be helpful. This bill will help doctors in their practice and take away insurance companies interference with "medically necessary" pain medication. Majority committee report adopted.

SB 52-FN, excluding persons convicted of violent crimes and sexually violent persons from mandatory early release on probation or parole. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Robbie L. Parsons for Criminal Justice and Public Safety: This bill makes important and necessary changes to SB 500, Chapter 247, laws of 2010 based upon input from the NH parole board, the attorney general's office, the department of corrections and other interested parties. The bill, as amended, gives the parole board a significant role over inmates returned to prison for recommitment after parole violations. Current law provides that the recommitment period can only be for up to 90 days; the amendment allows the parole board to extend this term beyond 90 days for the parolee's failure to meet a variety of factors. The bill, as amended, would apply to all parolees and give the parole board discretion over both violent and nonviolent offenders. The committee believes that this bill corrects an oversight in the law which will allow for its further successful implementation. Vote 14-0.

Amendment (1722h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to recommitment of prisoners on probation or parole.

Amend the bill by replacing all after the enacting clause with the following:

1 Effect of Reccommitment. Amend RSA 651-A:19 to read as follows:

651-A:19 Effect of Reccommitment.

I. A prisoner who is recommitment shall serve 90 days in prison before being placed back on parole or the remainder of his or her maximum sentence, whichever is shorter, *or may be subject to*

an extended term of recommitment pursuant to paragraphs III and IV. The time between the return of the parolee to prison after arrest and revocation of parole shall be considered as time served as a portion of the maximum sentence.

II. Prisoners who are recommitted shall be ~~[housed separately in a prison housing unit that provides]~~ **provided access to** focused, evidence-based programming aimed at reengaging parolees in their parole plan.

III. The parole board may impose an extended term of recommitment for greater than 90 days if:

- (a) *The prisoner has previously been recommitted for a parole violation; or*
- (b) *The prisoner was on parole for a sexual offense as defined in RSA 651-B:1, V or an offense against a child as defined in RSA 651-B:1, VII; and*
- (1) *The conduct underlying the parole violation is related to his or her offense or offending pattern; or*
- (2) *The prisoner has displayed a combination of dynamic risk factors, including but not limited to, homelessness, loss of supports, substance abuse, or non-compliance with treatment, as determined by the department of corrections sexual offender treatment program staff; or*
- (3) *Both subparagraphs (1) and (2); or*
- (c) *The prisoner was on parole for a violent crime as defined in RSA 651:5, XIII; or*
- (d) *The nature of the conduct underlying the parole violation constitutes a criminal act or is otherwise so serious as to warrant an extended period of recommitment.*

IV.(a) A prisoner may be brought before the parole board at any time during the 90-day term of recommitment to determine whether a longer term is warranted if:

- (1) *The prisoner did not participate in the evidence-based programming during the 90-day recommitment period; or*
- (2) *The prisoner received one or more major disciplinary violations during the 90-day recommitment period.*

(b) *The prisoner shall be provided notice of the hearing and the basis of the parole board's consideration of an extended term.*

V. The imposition of an extended term of recommitment pursuant to paragraph III or IV shall be supported by written findings and a written order.

VI. Any prisoner who is subject to an extended term of recommitment shall receive a hearing before the parole board after serving 6 months of his or her term of recommitment and every 6 months thereafter.

VII. At the revocation hearing, the parole board may impose a term of recommitment for less than 90 days if:

- (a) *The prisoner has not been previously recommitted for a parole violation;*
- (b) *The prisoner was not on parole for a sexual offense as defined in RSA 651-B:1, V or an offense against a child as defined in RSA 651-B:1, VII;*
- (c) *The prisoner was not on parole for a violent crime as defined in RSA 651:5, XIII;*
- (d) *The parole violation is not substantially related to his or her offense or offending pattern; and*
- (e) *The parole board determines that a lesser period of recommitment will aid in the rehabilitation of the parolee.*

2 Applicability. RSA 651-A:19 as inserted by section 1 of this act shall apply to any person who is on parole as of July 1, 2010 or thereafter. The version of RSA 651-A:19 as inserted by 2010, 247:10 shall not apply to any person who had absconded on parole prior to October 1, 2010 and was a fugitive as of that date.

3 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes additional criteria for recommitment of prisoners on probation or parole. Amendment adopted.

Committee report adopted and ordered to third reading.

SB 67, establishing a committee to study school vouchers and school choice. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Gregory Hill for the Majority of Education: This bill, as amended, strengthens the original bill by expanding the scope of study beyond vouchers to tax credit programs that have been operating

across the country. The goal for the study committee is to become well versed and therefore a resource to the House and Senate education committees. The study committee shall issue a report containing recommendations of features that should be included in future plans of this nature. The recommendations made by the committee will be helpful to ensure any programs are precise as to terminology and methodology and beneficial to parents and students. Vote 12-4.

Rep. Mary Stuart Gile for the Minority of Education: This bill proposes a committee to study the implementation of an education tax credit and education voucher program that would include but not be limited to authorizing a credit against the business profits tax for cash contributions from business organizations to support the education of students at non-public schools, authorizing the establishment of tax-exempt scholarship granting organizations which would award grants to offset the costs of attending non-public schools and administration and enforcement by department of revenue administration. The minority's position is that funding public education, given limited public and private resources, has to be the state's number one priority. While SB 67, as amended, is only a study, it will dilute time, energy and resources that could be better put to the support and improvement of public education for NH students.

Majority Amendment (1962h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study the implementation of an education tax credit plan in New Hampshire.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is established a committee to study the implementation of an education tax credit plan in New Hampshire.

2 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the senate, appointed by the president of the senate.

(b) Three members of the house of representatives, appointed by the speaker of the house of representatives.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Duties. The committee shall:

I. Study the implementation of an education tax credit plan in New Hampshire which could include, but not be limited to, authorizing a credit against the business profits tax for cash contributions from business organizations to support the education of students at nonpublic schools, authorizing the establishment of tax-exempt scholarship granting organizations which would award grants to offset the cost of attending nonpublic schools, and administration and enforcement by the department of revenue administration.

II. Study the features of education tax credit and education voucher programs which have been implemented or are under consideration in other states and recommend any feature of those plans that would merit inclusion in the plan proposed in New Hampshire.

III. Act as a resource to the house and senate education committees on education tax credit or education voucher legislation, including making recommendations as to appropriate terminology and methodology for such legislation to the committees.

IV. Solicit input from any individual or organization with relevant information or expertise.

V. Study any other matter the committee deems relevant to its objective.

4 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named senate member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

5 Report. The committee shall submit an interim report of its findings and any recommendations for proposed legislation to the president of the senate, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 2011 and a final report on or before November 1, 2012.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study the implementation of an education tax credit plan in New Hampshire.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.

Rep. Gorman spoke against.

Rep. Hoell spoke in favor.

Rep. Bettencourt requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

SB 192, establishing a commission to identify strategies needed for delivering a 21st century education. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Kathleen A. Lauer-Rago for the Majority of Education: The majority believes that this bill is another rehash of continual strategies tried and failed since the 1930's and therefore sees no need to open the door to a new fad which could result in moving further away from the basics and academic excellence. Vote 12-5.

Rep. Mary Stuart Gile for the Minority of Education: This bill proposed establishing a 21st century education commission to identify strategies for delivering a 21st century education to address student mastery of required course competencies in all learning environments, identify multiple models of financing for a 21st century education system and to identify the roles educators will play in a 21st century education. The minority supports SB 192's goal of ensuring that NH students attain mastery of course competencies in all learning environments. Further, the minority agrees that the opportunity to explore innovative and creative options and to think critically and futuristically about NH in the 21st century would provide positive benefits to the entire educational community.

The question being adoption of the majority committee report of Inexpedient to Legislate. Reps. Shaw and Gile spoke against.

Reps. Lauer-Rago and Hoell spoke in favor.

Rep. Gile requested a roll call; sufficiently seconded.

and the majority committee report was adopted.

SB 158-FN, relative to the payment of state aid grants for water and wastewater for 2009 and 2010.

MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Dan McGuire for the Majority of Finance: The state has a program to provide aid to public water and wastewater projects. Since October 2008 new money for these projects has been unavailable, so subsequent projects have been added to a waiting list. There are now 87 projects on the list. Current law would fund these projects on a first-come first-served basis. SB 158 would freeze the list as of June 30, 2011 and proportionally fund all projects on the list as funds become available. Any subsequent projects would go on a new first-come first-served list. While the majority is sympathetic to those municipalities who are waiting for funding, we dislike retroactive policy changes and see no compelling reason to change the operation of the waiting list. Vote 18-8.

Rep. Karen C. Umberger for the Minority of Finance: The current method of distributing payments for state aid grants for the 77 wastewater projects and 10 water projects, approved by the department of environmental services since 2008 should be changed from first in first paid to a sharing of any dollars available across all projects. When these projects were approved by the voters there was an expectation that funds would be available to support the state's promised 20% of the construction costs. This did not happen because no money was budgeted for the program. We believe the fairer method of funding is to share the money across all projects so every project would receive some funding as it might become available. We recognize there is no money in the budget to support funding for any of the 87 water/wastewater construction projects.

The question being adoption of the majority committee report of Inexpedient to legislate.

Rep. Umberger spoke against.

Rep. Dan McGuire spoke in favor and yielded to questions.

On a division vote, 282 members having voted in the affirmative and 91 in the negative, the majority committee report was adopted.

Rep. Cox declared a conflict of interest and did not participate.

SB 46, extending and revising the commission to develop a plan for the expansion of transmission capacity in the north country. **INEXPEDIENT TO LEGISLATE.**

Rep. James D. Summers for Science, Technology and Energy: This bill would have reconstituted a commission to study the upgrading of the Coos electric transmission system, also known as the "Coos loop." Prior commissions have studied the issue for almost 5 years, spent almost \$200,000 on consulting reports, had interesting dialogue, but still have not been able to get all stakeholders to reach a solution for funding the upgrades. The root of the problem is this: for-profit, renewable energy developers (wind farms, biomass plants, hydro-electric dams) want to build projects in the North Country (usually in remote locations), but do not want to pay for the transmission line upgrades necessary to bring their power onto the regional electric grid. Some stakeholders feel that the developers should bear all the cost; some feel that ratepayers should front the cost; some feel costs should be allocated or otherwise socialized. The majority of the committee believes that since the parties have been unable to reach agreement after all these years, another commission and potentially another consulting study would be a waste of time and resource. The majority also felt that electric ratepayers should not be expected to subsidize transmission upgrades which are not necessary for system reliability and which will benefit profit-making developers. Vote 10-6. Committee report adopted.

SB 55-FN, requiring certain engine coolants and antifreeze to include an aversive agent so that they are rendered unpalatable. **INEXPEDIENT TO LEGISLATE.**

Rep. Sam A. Cataldo for Science, Technology and Energy: This bill would have mandated that a specific chemical (denatonium benzoate) be added to certain engine coolants and antifreeze to render them unpalatable. The purpose of adding a "bittering agent" to antifreeze would be to make it unpalatable to animals and children, in the hopes that they will not drink it and be poisoned. While the majority cares about animal health, we had several problems with the bill. First, it mandated only one bittering solution, even though there are multiple options available in the market. Second, it frees both the antifreeze manufacturers and chemical manufacturers from legal liability when the products are blended. Third, it includes multiple exclusions that watered down the desired impact of the bill. This mandate is not needed and we encourage the antifreeze manufacturers to voluntarily offer "bittered" product for sale in the state. Vote 8-7.

Rep. Cali-Pitts spoke against.

LAI D ON THE TABLE

Rep. Cali-Pitts moved that **SB 55-FN**, requiring certain engine coolants and antifreeze to include an aversive agent so that they are rendered unpalatable, be laid on the table.

On a division vote, 303 members having voted in the affirmative and 70 in the negative, the motion was adopted.

BILLS REMOVED FROM THE CONSENT CALENDAR

SB 51, relative to the establishment of a state leadership team to address issues concerning certain adults with developmental disabilities who may present a substantial risk to the community. **TOUGH TO PASS.**

Rep. Larry G. Gagne for Criminal Justice and Public Safety: This bill requires the commissioners of the departments of health and human services, corrections and the attorney general to enter into a memorandum of understanding (MOU) to establish an inter-departmental team to address issues concerning certain adults with developmental disabilities who may present a substantial risk to the community. The purpose of the MOU is to promote collaboration and cooperation across all service systems to determine and recommend system responsibility for providing and/or funding specific services and supports to effectively meet the needs of the individual and the public safety of the community in accordance with the rules of the respective departments. There is no fiscal impact related to this bill. Vote 14-0.

Rep. Blankenbeker spoke in favor and requested a roll call; sufficiently seconded.

MOTION TO PRINT REMARKS

Rep. Baldasaro moved that the remarks made by Rep. Blankenkaker be printed in the Permanent Journal.
Adopted.

REMARKS

Rep. Blankenkaker: Thank you, Mister Speaker and thank you, colleagues. I just wanted to point out in SB 51 that the first line of the bill says that the Attorney General shall enter into a memorandum of understanding establishing an inter-departmental team. Further down on the bill it also says that the Attorney General shall submit an annual report beginning on November 1st to the President of the Senate, the Speaker of the House of Representatives and the Governor. I just wanted to remind everybody that when we listened to House Bill 89 and House Bill 440, the Attorney General testified in front of the State-Federal Relations Committee that it was unconstitutional, in his opinion, that we compel him to do anything and that statutorily he could not be compelled by this body or any other legislative body under the constitution to do anything. So, I just wanted to remind folks that that's out there. He did not, just for the record or to my knowledge and by the testimony from the Criminal Justice Committee to me, did not testify in front of the House Committee, Criminal Justice Committee on this bill to the contrary. He didn't come and state that again. We heard a lot of testimony. The last time I was at the well, I don't need to rehash all the reasons why I believe it's constitutional and, in fact, I found it quite interesting that the Senate brought this bill when they also have in our calendar's today that they are asking for the Supreme Court to give us a decision under a resolution, their Resolution 9, have asked the Supreme Court to answer that question for us. So, for those of you who believed that this is constitutional, feel free to vote with the bi-partisan 14-0 committee recommendation that this is constitutional and have it fly and for those of you who don't, well, I guess you can do what you want.

BILLS REMOVED FROM THE CONSENT CALENDAR (CONT'D)

SB 95, establishing a commission to study youth sports concussions and other concussions received while at school. **INEXPEDIENT TO LEGISLATE.**

Rep. Ralph G. Boehm for Education: Concussions are being studied across the country by professional and college sports. We do not need to do it also. The New Hampshire interscholastic athletic association (NHIAA) has adopted the very strict National Federation of state High Schools (NFHS) guidelines on handling concussions. These guidelines include cognitive abilities that have to be met before the student can even return to exercise for a sport. The NHIAA also has guidelines for any injury during a practice or game. It is no longer up to the coach, athlete or even the parents, a licensed medical professional has to give the okay and every high school has to have one available for all practices and games. Gone are the days of, "I'm okay coach. Put me in." Vote 13-3.

Rep. Gile spoke against.

Rep. Boehm spoke in favor.

On a division vote, 289 members having voted in the affirmative and 83 in the negative, the committee report was adopted.

SB 40, making technical corrections to meals and rooms tax laws. **OUGHT TO PASS.**

Rep. Patrick F. Abrami for Ways and Means: This bill simply makes technical corrections to meals and rooms tax laws as requested by the department of revenue administration. These changes involved license renewals, rate corrections, gender neutral statements, account separation due to delinquent payments and bond requirements. The committee unanimously agreed that these changes were both required and reasonable. Vote 17-0.

Rep. Weyler offered floor amendment (2163h).

Floor Amendment (2163h)

Amend the title of the bill by replacing it with the following:

AN ACT making technical corrections to meals and rooms tax laws and reducing the tobacco tax.

Amend the bill by replacing all after section 6 with the following:

7 Tobacco Tax Rate Reduced. Amend RSA 78:7 to read as follows:

78:7 Tax Imposed. A tax upon the retail consumer is hereby imposed at the rate of \$[~~1.78~~] **1.68** for each package containing 20 cigarettes or at a rate proportional to such rate for packages containing more or less than 20 cigarettes, on all cigarettes sold at retail in this state. The payment of the tax shall be evidenced by affixing stamps to the smallest packages containing the cigarettes in which such products usually are sold at retail. The word "package" as used in this section shall not include individual cigarettes. No tax is imposed on any transactions, the taxation of which by this state is prohibited by the Constitution of the United States.

8 Tobacco Products Other Than Cigarettes; Tax Rate Reduced. Amend RSA 78:7-c to read as follows:

78:7-c Tax Imposed on Tobacco Products Other Than Cigarettes. A tax upon the retail consumer is hereby imposed on tobacco products other than cigarettes at a rate of [~~65.03~~] **48** percent of the wholesale sales price. The tax under this section may be rounded to the nearest cent if the commissioner determines that the amount of tax would not thereby be made materially disproportionate. No such tax is imposed on any transactions, the taxation of which by this state is prohibited by the Constitution of the United States. No such tax shall be imposed on premium cigars.

9 Applicability. Sections 7 and 8 of this act shall apply to all persons licensed under RSA 78:2. Such persons shall have 60 days to sell inventory in their possession at the tax rate in effect prior to the rate reduction. The department of revenue administration shall not issue a refund for the difference, if any, in the amount paid previously on such inventory and the tax rate established in sections 7 and 8 of this act.

10 Effective Date.

I. Section 9 of this act shall take effect upon its passage.

II. The remainder of this act shall take effect 60 days from its passage.

AMENDED ANALYSIS

This bill makes technical corrections to meals and rooms tax laws. The bill also reduces the tobacco tax rate.

Rep. Weyler spoke in favor and yielded to questions.

Rep. Almy spoke against.

Rep. Jasper requested a roll call; sufficiently seconded.

LATE SESSION

Third reading and final passage

SB 28, establishing an exemption from the licensing requirements for nondepository first mortgage bankers and brokers for persons providing loans for certain seller-financed transactions.

SB 189, relative to the definition of mortgage loan originator.

SB 68, relative to records of disciplinary actions taken by the electricians' board.

SB 34-FN, relative to orders of notice in guardianship cases; relative to approvals of marriages for persons under 18 years of age by the judicial branch family division; and relative to the adjudicatory hearing date in child protection cases.

SB 63, relative to the list of bail bondsmen and prohibiting law enforcement and corrections officers from indicating preferences for bail bond companies.

SB 65, making technical corrections to a law relative to court facility financing.

SB 139-FN, relative to state recoveries of public assistance caused by fraud.

SB 176, relative to marriage licenses.

SB 144, relative to extending certain permits and approvals.

SB 22, relative to alternative regulation of small incumbent local exchange carriers.

SB 93, relative to pharmacist administration of vaccines.

SB 120, relative to alcoholic beverage advertising restrictions.

SB 162-FN, relative to federal health care reform 2010.

SB 52-FN, excluding persons convicted of violent crimes and sexually violent persons from mandatory early release on probation or parole.

SB 67, establishing a committee to study school vouchers and school choice.

SB 51, relative to the establishment of a state leadership team to address issues concerning certain adults with developmental disabilities who may present a substantial risk to the community.

SB 40, making technical corrections to meals and rooms tax laws.

UNANIMOUS CONSENT

Reps. Graham, Itse, Gile and Peter Schmidt addressed the House.

MOTION TO PRINT REMARKS

Rep. Mirski moved that the remarks made by Rep. Graham be printed in the Permanent Journal. Adopted.

REMARKS

Rep. Graham: Thank you, Mister Speaker. My colleagues at the close of, shall I say, an anticlimactic session it is only fitting that we contemplate for a moment those things that bind us together as a state and as a nation. Two weeks ago we approved a resolution lauding the efforts of our intelligence and military communities for their successful raid on the bin Laden compound. It was fitting that we did so, but that triumph must be bittersweet to those who have lost friends, family and loved ones over the last decade. This weekend we will, collectively, celebrate Memorial Day. Most, if not all of us, in this chamber will participate in parades or other ceremonies. It is an opportunity for us to

reflect on the sacrifices that each generation of Americans has been called upon to make in order that we might assemble in peace here in the Peoples' House. They truly understood that freedom is not free. The fourth and final stanza of the Star Spangled Banner hints at this sentiment. It reads in part:

"O! thus be it ever, when freemen shall stand
Between their loved home and the war's desolation.
Blest with vict'ry and peace, may the Heav'n rescued land
Praise the Power that hath made and preserved us a nation!"

And indeed we are blessed and we should recall that the preservation of our state and nation has been at the cost of the blood and lives of hundreds of thousands of men and women. It is this cost that we should all reflect on this weekend. Today our state has hundreds of men and women serving in the armed forces around the world and like their forefathers in spirit if not name, they continue to pay the price. Since last Memorial Day, New Hampshire has lost 5 young men in combat. Most of them have been previously eulogized in this Chamber, but let us take a moment, this Memorial Day, to remember them and reflect on their sacrifice one last time. They are: Staff Sergeant Kyle R. Warren, U.S. Army, from Manchester; Master Sergeant Jared N. Van Aalst, U.S. Army, from Laconia; Sergeant Andrew C. Nicol, U. S. Army, from Kensington; Corporal Philip G. E. Charte, U. S. Marine Corps, from Goffstown; and Lance Corporal Michael E. Geary, U. S. Marine Corps, from Derry. Mr. Speaker, I request a moment of silence to remember these men and their families. Thank you, Mr. Speaker.

MOMENT OF SILENCE

A moment of silence was observed in honor and in memory of the men and women who have lost their lives fighting for our freedom.

MOTION TO PRINT REMARKS

Rep. Norelli moved that the remarks made by Rep. Itse be printed in the Permanent Journal. Adopted.

REMARKS

Rep. Itse: Thank you, Mister Speaker. During my first two terms in this body, Representative Alf Jacobson would get up to commemorate the battle of Iwo Jima and he would tell us about his experiences because he was in the Marine Corps and was part of that assault on that island and he would tell us the hardships and tragedies of his comrades in arms and bring tears to this body. For the last several years we have not been doing that. I first want to commend Rep. Jacobson who left this earth a little more than a year ago on April 18, 2010. He was not only a Representative, but he served in the Senate from 1969 to 1978 and was President of the Senate from 1975 to 1978. For those of you who are freshmen, when you come across from the Storrs Street garage, you can see a plaque that bears his name as Senate President when that was constructed. He then came back to the House and served another ten terms as a Representative and was at the Constitutional Convention in 1984. I thought how can I possibly do justice to this man who not only sacrificed his time in this body, but put his very life on the line in Iwo Jima? I have something very special. My father graduated high school in 1944. He enlisted in the Navy in July of 1944 and then turned 18 on August 6 of 1944. A young farm boy went to war. He left me his journal and I will read you his excerpts on the battle of Iwo Jima and Okinawa. Now, Representative Jacobson was on the beach, but as you may know, for every man that is actually in combat, there are ten supporting him. My father was one of those. He served on a LST (Logistical Supply Transport).

April 13 – Arrived at Iwo Jima. Beached on Brown Beach and unloaded. LSM 87 got caught in our stern anchor during an air raid. She banged our side and boats. LCT 863 punched a hole in us amid ships. They are still fighting ashore. We can see them in hand-to-hand combat on the north end of the island. They did well for themselves. Iwo Jima is a funny island. Shaped like a diamond with a circle on one end. There are no trees or grass.

April 16 – We left Iwo Jima empty. We were followed all night by a ship. LE escort attacked her and sunk her.

April 29 – We arrived at Okinawa. We came into the west side at the Nagashi anchorage. We had to come in very fast as there was a battleship protecting at the anchorage, but at sea the Japanese shore batteries could find us. We came in at an emergency flank speed, about 13 knots. We got near the air strip and anchored. We began unloading the fog oil to all the small ships. They

would come alongside. The first night we had an air raid about dusk or 1900. There was much fire. Some bombs hit close. More landed on the airstrip. We sleep at 5 in the morning, then we unloaded some more. At about 9 that morning we launched an LCT on our main deck. LCT 463. Every night we had air raids and almost every day. Nice days and nights. I didn't get a chance to take my clothes off to sleep. One night suicide planes came. Only a cruiser was hit. Many merchant ships were sunk. A hospital ship was hit.

May 13 - We left Okinawa with our tank deck empty and our main deck clear.

June 1 - I was made Seaman First Class as a signalman.

June 26 - We arrived at Okinawa and went to Nagashushi. It is just north of B..... Bay. During our stay on the beach I went ashore with them. I looked over the homes and grave scene of Northern Okinawa. I picked up a few souvenirs there. They still have air raids here. Not as long and not as many planes.

July 1 - We went around the south point of the island over to the west side. It was very strong and two other ships were afraid and turned back. The waves were 30 to 60 ft high. Late in the afternoon we anchored in anchorage.

July 3- We went to Napa Harbor, the capital of Okinawa. It was a small harbor cluttered with sunken ships, the city in ruins with smoke still coming up. We loaded with marines and broken-down equipment.

July 4- We left Okinawa.

August 15 - V. J. Day

Aug 17 - We arrived at Okinawa. Unloaded troops and equipment. The place really stank when we got those men off. Went to Buchnes Bay to get the main engines repaired. Later we went to Nagushi and loaded with Army engineers and their equipment. Rad Parker came aboard and visited me.

Sept. 13- Left Okinawa. I met a couple of nice fellows here, one of them from Iowa.

Oct. 10 - We arrived at Okinawa and anchored at Nagushi. We were the only 4 ships. There were 6 of us when we left Taku. Don't know what became of the other two. We haven't had any mail for almost three months. August 6 was the last time I had mail. We were all expecting a lot of mail, but the Post Office had blown away. No mail. Things were a mess here. There were ships piled up on the beaches and the buildings ashore were flat.

Oct. 17 - We left Okinawa unloaded for the Philippines.

They were headed home. Thank you.

MOTION TO PRINT REMARKS

Rep. Wallner moved that the remarks made by Rep. Gile be printed in the Permanent Journal. Adopted.

REMARKS

Rep. Gile: Thank you, Mister Speaker. Mister Speaker and Honorable colleagues, I rise to pay tribute to a former member of the New Hampshire House who was a mentor and advisor to me during my freshman year fifteen years ago. In 1997, I was appointed to the House ED&A Committee and it was my good fortune to have Rep. Bob Murphy, Democrat from Manchester and Rep. Mert Dyer, Republican from Peterborough, as two of my friends. Mert died a few years ago. On May 12, 2011, Bob Murphy passed away. I decided that I would request unanimous consent on this Memorial Day weekend to share some of the information that I read in his obituary to tell you what an extraordinary person he was. Representative Murphy graduated from the University of Maine and joined the United States Army in 1939. Upon declaration of World War II, he joined the 18th Infantry Regiment of the First Army and commanded an infantry company in the amphibious invasion of Algeria, near Oran, the North African campaign, the amphibious invasion of Sicily, the D-Day invasion of Omaha Beach, Normandy, and the European Campaign. For his efforts he was awarded two Silver Stars, three Bronze Stars with Valor Device, the Croix de Guerre, and the Purple Heart. Following World War II he remained in the Army for a total of twenty-nine years and that included two tours of duty in Vietnam. Bob retired to Manchester in 1968 joining the Hillsborough County Superior Court as Deputy Clerk and became Clerk in 1980. He retired from the court system in 1988 and after a brief period as Hillsborough County Commissioner, was elected to the General Court where he served for many years. Colonel Robert Murphy dedicated more than sixty years of service to this nation and his state, including two wars on three continents. He truly was a member of the greatest generation and it was my privilege and good fortune to know and learn from this outstanding American.

MOMENT OF SILENCE

A moment of silence was observed in honor and in memory of former Representative Bob Murphy.

MOTION TO PRINT REMARKS

Rep. Watters moved that the remarks made by Rep. Peter Schmidt be printed in the Permanent Journal.

Adopted.

REMARKS

Rep. Peter Schmidt: Thank you, Mister Speaker. The name I'm about to utter will be unfamiliar to most of the members of the House, but to the longer serving members, it will be a name well known. Unfortunately the City of Dover suffered a great loss earlier this month when former Representative William McCann, Jr. died. Some of you may have seen the obituary. He came to an unfortunate end and somewhat mysterious in that he was found several days after the incident must have occurred on his cold kitchen floor in February having sustained some kind of a fall in which he broke his neck and he was subsequently put into rehabilitation. As you can imagine at the age of 66, such an injury puts you in very difficult circumstances and unfortunately, but perhaps for the best considering the circumstances, he passed away at the beginning of May. Those of you who have served here for a long time will remember Bill McCann as one of leadership of the Democrats in the House. He was an outstanding public servant for a long time in Dover. He was a member of the Dover school board for more than twenty years, serving as its Chairman as well. He was also on the Dover planning commission and the conservation commission in addition he was a tireless activist for all kinds of public good. Even if his name is unfamiliar to most, his passing should not go unremarked by this body and I would ask for a moment of silence in honor of Bill McCann, Jr. Thank you.

MOMENT OF SILENCE

A moment of silence was observed in honor and in memory of former Representative William McCann, Jr.

RECESS MOTION

Rep. Silva moved that the House stand in recess for the purposes of the introduction of bills, receiving Senate messages, enrolled bill amendments, enrolled bill reports and forming Committees of Conference.

Adopted.

The House recessed at 1:05 p.m.

RECESS

(Rep. Benn in the Chair)

ENROLLED BILL AMENDMENTS

SB 30, relative to including a parent's residence in the parenting plan. (Amendment printed SJ 5-25-11)
Adopted.

SB 86, requiring the department of labor to warn employers of certain violations prior to imposing a fine. (Amendment printed SJ 5-25-11)
Adopted.

SENATE MESSAGES**ACCEDES TO REQUESTS FOR COMMITTEE OF CONFERENCE**

HJR 4, prohibiting the implementation of certain rules of the board of medicine.

RECESS

(Speaker O'Brien in the Chair)

Rep. Silva moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 20

Wednesday, June 1, 2011

The House assembled at 9:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Roger Boucher.

Almighty and Heavenly Father in whom we live and move and have our being, without whom we can do nothing, grant, we humbly pray Your blessings and protection upon our Nation and this great State of New Hampshire. In our world of often heavy trials or small struggles we rely on You to secure the path to our higher nature in responding rightly to the challenges of the day. Save us from apathy and indifference. Give us a more realistic sense of Your presence and hold us high above the cynicism of the day. Keep us from freezing others into a condition of permanent injustice. Keep us focused on liberating them for the hope that is their due.....the right to exercise their unrestrained liberty given by You in this nation under God. Help us see that our work for the people is true government and no necessary evil, but rather a device of divine wisdom to supply true human wants. Next, after praising You, it is our greatest good. Following upon our Memorial weekend for the departed who defended our liberty and whose silent battalions now march before You, Lord, we ask for renewed strength and power to preserve all for which they died. Keep our way of life loved, respected, obeyed, and if need be, defended at the cost of all earthly goods and even of life. We pray this in Your Holy name. Amen.

Representative Daniel Sullivan, member from Manchester, led the Pledge of Allegiance.

Rep. Mary Griffin of Windham led the singing of the National Anthem.

LEAVES OF ABSENCE

Reps. Beattie and Hofemann, the day, illness.

Reps. James Coffey, Day, James Garrity, Kreis, Leonard, Bruce MacMahon, Dick Patten, Dennis Reed, Stroud and Yvonne Thomas, the day, important business.

INTRODUCTION OF GUESTS

Eric Spang, son of Rep. Spang. Claire and Paul Buffard, guests of Rep. Umberger. Ian Hill, son of Rep. Hill. Caroline Davenport, daughter of Rep. Davenport. The Honorable Ron Nowe, former member from Epping, guest of Rep. Weyler.

SENATE MESSAGES

NONCONCURS WITH AMENDMENT

REQUESTS COMMITTEE OF CONFERENCE

SB 89, establishing a study committee on the procurement of health insurance by employee leasing companies.

The President appointed Sens. Bragdon, Carson and Houde.

Rep. Hunt moved that the House accede.

Adopted.

The Speaker appointed Reps. Hunt, Flanders, Nevins and Taylor.

REQUESTS CONCURRENCE WITH AMENDMENT

HB 52, relative to grounds for modification of parental rights and responsibilities. (Amendment printed SJ 5-11-11)

Rep. Moran moved that the House concur and spoke in favor.

Adopted.

NONCONCURS WITH AMENDMENT

REQUESTS COMMITTEE OF CONFERENCE

SB 148-FN, relative to health insurance coverage and declaring that the attorney general should join the lawsuit challenging the Patient Protection and Affordable Care Act.

The President appointed Sens. Prescott, De Blois and Houde.

Rep. Hunt moved that the House accede.

Adopted.

The Speaker appointed Reps. Hunt, Flanders, Manuse and Leonard.

REQUESTS CONCURRENCE WITH AMENDMENTS

HB 248, establishing a commission to study business regulations in New Hampshire. (Amendment printed SJ 5-18-11)

Rep. Hunt moved that the House nonconcur and request a Committee of Conference.

Adopted.

The Speaker appointed Reps. Hunt, Jennifer Coffey, Mirski and Schlachman.

HB 322, relative to occupancy fees charged by manufactured housing park owners. (Amendment printed SJ 5-25-11)

Rep. Hunt moved that the House concur and spoke in favor.

Adopted.

HB 601-FN, relative to implementation of federal health care reform. (Amendment printed SJ 4-27-11)

Adopted.

The Speaker appointed Reps. Chandler, Seidel, Graham, Edwin Smith and Campbell.

HB 337-FN-L, relative to the calculation and distribution of adequate education grants. (Amendment printed SJ 5-25-11)

Rep. Lynne Ober moved that the House nonconcur and request a Committee of Conference.

Adopted.

The Speaker appointed Reps. Lynne Ober, Hess, Renzullo and Connie Soucy.

CONSENT CALENDAR

Rep. Jasper moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

Consent Calendar adopted.

Rep. William Panek declared a conflict of interest on SB 117 and did not participate in the vote on the Consent Calendar.

SB 117, relative to private postsecondary career schools and the student tuition guaranty fund. **UGHT TO PASS WITH AMENDMENT.**

Rep. J. R. Hoell for Education: This bill amends the definitions and exceptions for the governing of private postsecondary career schools. The bill authorizes the executive director of the postsecondary education commission to establish guidelines to exempt schools from providing surety indemnification after having paid into the guaranty fund for at least 5 years. This bill also eliminates the requirement that postsecondary career schools be licensed, allowing schools to opt out of the licensing system. Schools electing not to be licensed are required to prominently display in contracts and enrollment forms that the school is not licensed by the postsecondary education commission. Furthermore, the schools electing not to be licensed are required to notify the students that payments made to the school are not covered by the guaranty fund and may be subject to loss. Vote 15-0.

Amendment (2051h)

Amend RSA 188-D:19, II as inserted by section 2 of the bill by replacing it with the following:

II. "Private postsecondary career school" shall not include barbering or cosmetology schools, schools offering training that has been approved by a state agency with appropriate jurisdiction over such training, including but not limited to the plumber's board, the electrician's board, the office of the state fire marshal, the division of fire standards and training and emergency medical services, and schools providing federally-required flight or ground instruction to students, or legal entities that license training and learning solutions primarily to other legal entities rather than to students.

Amend the bill by replacing section 3 with the following:

3 Private Postsecondary Career Schools; Licenses and Fees. Amend RSA 188-D:20 to read as follows:

188-D:20 Licenses and Fees.

I. ~~[Prior to registering or renewing a business or trade name, or soliciting students for enrollment, an entity maintaining a physical presence in this state shall be reviewed by the executive director to determine if the entity requires a license. The executive director, in consultation with the postsecondary education commission, shall establish procedures to accomplish this review.~~

H. A] *Any private postsecondary career school maintaining a physical presence in this state and which assesses tuition or fees for providing vocational or occupational training [shall] may register to obtain a license or license renewal from the postsecondary education commission. Upon request by a school for a license or license renewal under this section, the executive director shall review such school to determine if the school meets the minimum criteria established for a license.* The license shall be issued or renewed pursuant to rules, adopted under RSA 541-A, by the executive director[; in consultation with the postsecondary education commission]. The rules shall establish minimum criteria, including but not limited to, financial stability, educational program, administrative and staff qualifications, business procedures, facilities, equipment, and ethical practices to be met by licensees, and criteria for rejecting a licensing applicant and for suspending or revoking a license.

[HE.] II. A school [that is not required to obtain a license may apply for a license and], upon issuance of the license, shall be subject to the provisions of RSA 188-D:19 through RSA 188-D:28. Such school may voluntarily surrender its license and revert to its original status.

[HV.] III. The executive director[; in consultation with the postsecondary education commission;] shall adopt rules pursuant to RSA 541-A to establish reasonable fines, reimbursement rates for consultants, and procedures for complaint investigations and enforcement actions, which are necessary for the administration of this subdivision.

[V.] IV. A private postsecondary career school which the executive director has determined [requires a] *has met the minimum criteria for a license* shall, prior to the issuance of a license, comply with [RSA 188-D:20;] RSA 188-D:20-a[;] and RSA 188-D:20-b.

V. *All enrollment forms and contracts used by an unlicensed private postsecondary career school in the state shall contain the following prominently displayed statement: "This postsecondary career school is not licensed by the state of New Hampshire. Any tuition payments made to this school are not guaranteed by the state and are subject to loss."*

VI. *When included in enrollment forms or contracts, the disclosure statement shall:*

(a) *Be printed in bold font and at least 14-point type, or at least 2 font sizes larger than the size of the font used for the majority of the document; and*

(b) *Be dated and initialed separately by the enrollee.*

Amend RSA 188-D:20-b, I(d) as inserted by section 5 of the bill by replacing it with the following:

(d) The fund shall be used to reimburse students when a *licensed* school has failed to faithfully perform its contractual obligations for tuition and instructional fees in the event of a school closing, and the expense of investigating and processing the claims. [The owner of] A *licensed* school which fails to perform its contractual obligations shall be [personally] liable to reimburse the fund for the difference between the per student amount paid into the fund by the school and the amount paid out of the fund to a student to settle a claim made against the school.

Amend the bill by inserting after section 8 the following and renumbering the original sections 9-10 to read as 10-11, respectively:

9 Regulation of Private Postsecondary Career Schools; Penalty. Amend RSA 188-D:28 to read as follows:

188-D:28 Penalty.

I. Whoever violates any provision of this subdivision shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person.

II. Whenever the executive director determines that a person is violating any provision of this subdivision or the rules adopted hereunder, the executive director shall request the attorney general, or other appropriate official having jurisdiction, to provide appropriate relief.

III. ~~[The executive director, upon verifying that a school is operating without a license, shall issue a cease and desist order to such school.~~

IV.] *The executive director shall notify the postsecondary education commission [shall be notified] whenever a [cease and desist order is issued to a school] violation has occurred, or if a*

licensed school fails to provide the services required under a contract with any entity causing the bond to be forfeited~~[-or if a school is required to have a license but is operating without a license].~~

SB 172, relative to performance-based school accountability criteria. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Gregory Hill for Education: Best practices and high academic standards are necessary components of a quality education. The NH board of education approved the common core standards developed through a joint project of the National Governor's Association center for best practices and the chief state school officers. As of May 24, 2010, the department of education (DOE) had not yet received unformatted math standards. The state board of education approved the common core standards in principle on July 8, 2010. Eleven states received "Race to the Top" funding totaling \$4.35 billion to implement core standards, while NH received nothing but continues to move forward with the adoption process. NH already has an adopted curriculum framework with academic standards. Yes, those standards may require improvement, but this process should be a result of the NH DOE working closely with local school boards, educators and NH residents. Implementing the new curriculum standards will also be expensive: textbooks, testing design and implementation, teacher training, etc. This bill clearly states that common core standards shall not be adopted by rule pursuant to RSA 541-A, or included or implemented in any way in New Hampshire curriculum frameworks or used as a measure of an adequate public education without prior approval of the general court. Vote 16-0.

Amendment (1594h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to performance-based school accountability criteria and relative to requiring legislative approval for the adoption of the common core state standards in New Hampshire.

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3:

2 Substantive Educational Content of an Adequate Education. Amend RSA 193-E:2-a, IV to read as follows:

IV.(a) The school approval standards for the areas identified in paragraph I shall constitute the opportunity for the delivery of an adequate education. The general court shall periodically, but not less frequently than every 10 years, review, revise, and update, as necessary, the standards identified in paragraph I and shall ensure that the high quality of the standards is maintained. Changes made by the board of education to the school approval standards through rulemaking after the effective date of this section shall not be included within the standards that constitute the opportunity for the delivery of an adequate education without prior adoption by the general court. The board of education shall provide written notice to the speaker of the house of representatives, the president of the senate, and the chairs of the house and senate education committees of any changes to the school approval standards adopted pursuant to RSA 541-A.

(b) The "common core state standards" developed jointly by the National Governors Association Center for Best Practices and the Council of Chief State School Officers shall not be adopted by rule pursuant to RSA 541-A, or included or implemented in any way in the New Hampshire curriculum frameworks, or used as a measure of an adequate public education, without prior approval of the general court.

AMENDED ANALYSIS

This bill identifies new criteria for evaluating school accountability and requires prior approval by the general court for the inclusion or implementation of the common core state standards in the definition of an adequate education or as part of the New Hampshire curriculum frameworks.

SB 194, transferring all real and personal property from the former department of regional community-technical colleges to the board of trustees of the community college system of New Hampshire. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Joseph W. Fleck for Education: This bill authorizes transfer of all real and personal property from the former department of regional community technical colleges to the board of trustees of the community college system of New Hampshire. It further authorizes the board of trustees to sell real property with prior approval of the governor and council and the long-range capital planning and utilization committee. Effective date of this bill is contingent on the community college completing a survey of its Concord property and evidence of insurance on the property. Vote 15-0.

Amendment (2145h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the transfer of real and personal property from the former department of regional community-technical colleges to the board of trustees of the community college system of New Hampshire and relative to the tax exempt status of real estate and personal property owned by the community college system of New Hampshire.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Community College System of New Hampshire; Transfer Authorized. Amend RSA 188-F by inserting after section 1 the following new section:

188-F:1-a Transfer Authorized. All functions, powers, duties, books, papers, records, and property of every kind, tangible and intangible, real and personal, possessed, controlled, or used by the former department of regional community-technical colleges as of the effective date of this section are hereby transferred to and vested in the board of trustees of the community college system of New Hampshire established in RSA 188-F:4. Nothing in this section shall transfer real property commonly associated with the McAuliffe-Shepard discovery center or the police standards and training council.

2 Real Estate and Personal Property Tax Exemption. Amend RSA 72:23, I(d) to read as follows:

(d) The exemptions provided in subparagraph (a) shall apply to the lands and the buildings and structures thereon and therein and personal property owned by the university system of New Hampshire *or the community college system of New Hampshire*. The requirements of subparagraph (b) shall apply to all leases and other agreements entered into or renewed on or after April 1, 2006, the terms of which provide for the use or occupation by others of real or personal property owned by the university system of New Hampshire *or the community college system of New Hampshire*. The remedies set forth in subparagraph (c) shall be available to enforce the payment of real and personal property taxes assessed against the lessees of property owned by the university system of New Hampshire *or the community college system of New Hampshire* pursuant to this subparagraph.

3 New Paragraph; Community College System of New Hampshire; Authority of Board of Trustees. Amend RSA 188-F:6 by inserting after paragraph XIII the following new paragraph:

XIII-a. Enter into a contract for the sale of real property with the prior approval of the long range capital planning and utilization committee and governor and council, provided that the state shall retain the right of first refusal in any proposed sale of real property. This paragraph shall not apply to real property acquired by the community college system of New Hampshire after the effective date of this paragraph.

4 Community College System of New Hampshire; Survey of Concord Property. Sections 1-3 of this act shall take effect on the date the community college system of New Hampshire provides written notice to the secretary of state, the attorney general, and the director of the office of legislative services that a survey of the community college system's Concord property has been completed and that the community college system has secured insurance on all land, buildings, and personal property on its Concord property.

5 Effective Date.

I. Sections 1-3 of this act shall take effect as provided in section 4 of this act.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

I. Authorizes the transfer of all real and personal property from the former department of regional community-technical colleges to the board of trustees of the community college system of New Hampshire.

II. Clarifies the tax exempt status for real estate and personal property owned by the community college system of New Hampshire.

III. Authorizes the board of trustees of the community college system of New Hampshire to sell real property with prior approval of the long range capital planning and utilization committee.

IV. Provides that the effective date of this act is contingent on the community college system of New Hampshire completing a survey of its Concord property and providing evidence of insurance coverage for its Concord property.

SB 115, relative to observing voter check-in. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Kathleen M. Hoelzel for Election Law: This bill clarifies that authorized challengers, election officials and any others authorized by law, may stand within six feet of the ballot clerks for observing voter check-in. All others would stand at least six feet away unless authorized by the moderator. Vote 15-0.

Amendment (1983h)

Amend the bill by replacing section 1 with the following:

1 Observing Voter Check-In. Amend RSA 659:13-a to read as follows:

659:13-a Observing Voter Check-In. No person ~~[not]~~ ***other than an authorized challenger, an election official, or any other person*** authorized by law may stand or sit within 6 feet of the ballot clerk for purposes of observing the check-in of voters without the express permission of the moderator.

AMENDED ANALYSIS

This bill identifies persons who are exempt from the restrictions on observing voter check-in.

SB 135-FN-A, relative to election returns and election records. **OUGHT TO PASS.**

Rep. Cameron W. DeJong for Election Law: This bill modifies the requirements for election returns and establishes additional election recordkeeping requirements. The bill requires that neglect by a moderator or clerk be intentional for the neglect to be punishable as a violation. The committee decided that the modifications herein will assist moderators and other election officials in their duties by reducing the amount of paperwork required on election night and by increasing the deadlines for submission of other paperwork to the secretary of state. Vote 15-0.

SB 193, relative to nomination of political organizations. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Shawn N. Jasper for Election Law: As introduced, the legislation would have extended the time period from about 5 to about 17 months for a political organization to collect signatures to present nomination papers representing 3 percent of the registered voters along with a slate of candidates to be voted on in the general election. The amendment makes changes which allow political organizations to file nomination papers to establish party status and participate in the primary process. Under the amendment, the chairman of the organization shall notify the secretary of state that the organization intends to collect signatures to achieve ballot status. After the notification, and within a year of collecting the first signature, the organization must turn in signatures equal to at least 3 percent of the voters of the state. Those voters signing the papers will do so understanding that, if the organization obtains ballot status, they will become registered members of that new party. In order to maintain ballot status, the party must receive at least 4 percent of the votes cast for the office of governor or U. S. senate, which is the current law. The committee believes that by making these changes we have leveled the playing field by giving a new party the opportunity to participate in the primary. We also believe that the existing law, which allows the petitioners to decide who will run for office in the general election without voter input, is not part of a healthy process. Vote 15-0.

Amendment (2158h)

Amend the bill by replacing all after the enacting clause with the following:

1 Terms and Definitions; Party. Amend RSA 652:11 to read as follows:

652:11 Party. "Party" shall mean any political organization which:

I. At the preceding state general election received at least 4 percent of the total number of votes cast for any one of the following: the office of governor or the offices of United States senators; ***or***

II. Is certified by the secretary of state pursuant to RSA 655:40-a.

2 New Paragraph; Change of Registration. Amend RSA 654:34 by inserting after paragraph V the following new paragraph:

VI. Upon certification of a political organization as a party by the secretary of state pursuant to RSA 655:40-a, every voter signing a nomination paper submitted for the party shall be registered as a member of that party, regardless of whether the voter has been previously registered as a member of another party or as an undeclared voter. Such voter shall not disaffiliate with the party between the date of certification and the date of the state primary election. If the party does not receive sufficient votes at the general election to retain its status as a party, voters registered as a member of the party shall then be reregistered as undeclared voters. The secretary of state shall cause all changes of registration required by this paragraph to be entered in the statewide centralized voter registration database.

3 Declaration of Intent. Amend RSA 655:17-c to read as follows:

655:17-c Declaration of Intent; Political Organization. Declarations of intent for political organizations shall be in the following form and signed by the chairman of the political organization:

I, _____, chairman of the _____ organization hereby declare that the _____ organization intends to file nomination papers by the deadline established under RSA 655:43, I. ~~[I further declare that the _____ organization intends to file the names of candidates for the following offices with the nomination papers.]~~

4 Nomination Papers. Amend RSA 655:40 to read as follows:

655:40 General Provisions. As an alternative to nomination by party primary, a candidate may have his or her name placed on the ballot for the state general election by submitting the requisite number of nomination papers. Such papers shall contain the name and domicile of the candidate, the office for which the candidate is nominated, and the political organization or principles the candidate represents. Nomination papers shall be signed by such persons only as are registered to vote at the state general election. No voter shall sign more than one nomination paper for each office to be voted for, and no nomination paper shall contain the names of more candidates than there are offices to be filled. Each voter shall sign and date an individual nomination paper. Nomination papers **for a candidate** shall be dated in the year of the election.

5 Nomination of Organization. Amend RSA 655:40-a to read as follows:

655:40-a Nomination of Organization. A political organization may ~~[have its name placed on the ballot for the state general election]~~ **be certified as a party** by submitting the requisite number of nomination papers, in the form prescribed by the secretary of state, pursuant to RSA 655:42, III. Such papers shall contain the name of the political organization and **a statement that the signer agrees that, if the political organization is certified as a party, the signer's voter registration shall be changed so that he or she shall then be registered as a member of that party. Nomination papers shall be signed and dated** by such persons only as are registered to vote at the state general election. No voter shall sign more than one nomination paper ~~[which allows]~~ **nominating** a political organization ~~[access to the]~~ **during any biennial state general election [ballot] cycle. No nomination paper shall be submitted under this section that was executed more than one year before the submission or that was executed before the organization's filing of its declaration of intent under RSA 655:43, III. The certification of a political organization as a party shall be effective from the date of the certification through the date of next following state general election.**

6 Filing Deadlines. Amend RSA 655:43, I to read as follows:

I. Nomination papers **for a candidate** shall be filed with the secretary of state no later than 5:00 p.m. on the Wednesday one week before the primary. **Nomination papers for a political organization shall be filed with the secretary of state no later than 5:00 p.m. on the Friday 5 weeks before the beginning of the candidate filing period.** Nomination papers to be filed shall be grouped by municipality. No nomination papers **for a candidate** shall be accepted by the secretary of state unless the candidate shall have met the age and domicile qualifications for the office he or she seeks at the time of the general election and meets all the other qualifications at the time of filing; and if a candidate for the office of governor, executive councilor, state senator, or state representative, unless the candidate shall file with the nomination papers an affidavit of qualifications as provided in RSA 655:28 and 655:29; and if a candidate for United States senator or United States representative, unless the candidate shall meet the qualifications for office under RSA 655:3 and 655:4.

7 Filing Deadlines. Amend RSA 655:43, III to read as follows:

III. No political organization ~~[shall have the names of its candidates placed on the ballot]~~ **may be certified as a party** unless the chairman of the organization ~~[files]~~ **had filed** a declaration of intent, as provided in RSA 655:17-c, ~~[within the filing deadline for candidates established in RSA 655:14-a]~~ **prior to the collection of signed and dated nomination papers.**

8 Repeal. RSA 655:40-b, relative to filing names of candidates, is repealed.

9 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill changes the definition of "party" for election purposes to include a political organization nominated by nomination papers. Voters signing the nomination papers will be reregistered as members of that party. The certification of a party expires at the next general election.

SB 166, relative to medical benefits for beneficiaries of a police officer or firefighter killed in the line of duty. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Kenneth Hawkins for Executive Departments and Administration: This bill would have the State of N.H. pay a medical insurance benefit to the surviving spouse and family for someone killed

in the line of duty. The amount paid would be the difference between the total premium due and the medical subsidy, if any, that is paid by the New Hampshire retirement system. Currently, state workers are given this benefit and this would add municipalities, cities and towns. The committee amendment merely changes the effective date. Vote 14-0.

Amendment (2174h)

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect upon its passage.

SB 12-FN, relative to screening panels for medical injury claims. OUGHT TO PASS WITH AMENDMENT.

Rep. Gregory M. Sorg for Judiciary: This bill, as amended by the Senate, seeks to extend to December 1, 2013 the life of the joint medical malpractice panel and insurance oversight committee created by Chapter 197:1 of the Laws of 2005 and codified at RSA 519-B:11. The purpose of the committee was to study and make a final report by December 1, 2010 on the effects, if any, that the prescreening process mandated by Chapter 197 for suits alleging medical malpractice was having on medical malpractice insurance premiums and access to the courts by injured parties. In its final report, the committee recommended extending the life of the committee by reason that the limited number of medical malpractice claims filed between 2005 and 2010 had provided insufficient data upon which to base definitive findings. As amended, this bill would reconstitute the committee and require it to make its final report by December 1, 2012. Vote 15-0.

Amendment (2150h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Sections; Medical Malpractice Panel and Insurance Oversight Committee Established.
Amend RSA 519-B by inserting after section 12 the following new sections:

519-B:13 Medical Malpractice Panel and Insurance Oversight Committee Established.

I. There is established a committee to study medical malpractice insurance rates in this state and the mandatory panels for medical injury claims process.

II. The committee shall consist of 4 members of the senate appointed by the senate president, and 4 members of the house of representatives, appointed by the speaker of the house of representatives. The house members shall include at least:

(a) One member of the house judiciary committee.

(b) One member of the house health, human services and elderly affairs committee.

(c) One member of the house commerce and consumer affairs committee.

III. The members of the committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named senate member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Five members of the committee shall constitute a quorum.

IV. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

V. The committee shall review and analyze information provided by the administrative office of the courts and the insurance department related to medical injury liability claim activity in order to determine the effectiveness of mandatory screening panels for medical injury claims established in this chapter. The committee's review shall include, but not be limited to, whether medical malpractice insurance premiums have been affected and whether there has been any limitation of access to the courts by injured parties.

VI. The committee shall make a final report of its findings about medical liability insurance rates and the mandatory panel process and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before December 1, 2012. The report shall include a recommendation to terminate, continue, or amend RSA 519-B.

519-B:14 Reports.

I.(a) The administrative office of the courts shall collect data on medical injury claims and submit a report on the screening panel process to the committee established in RSA 519-B:13 and to the insurance commissioner on or before September 30 of each year.

(b) The report required by this paragraph shall include the number of medical injury cases filed, pending, and resolved; and the number of panel hearings and the number of panel hearing days during the fiscal year ending on the June 30 preceding the report date.

(c) The report required by this paragraph shall also include, for medical injury cases resolved during the fiscal year:

(1) The mean and median lengths of time from initial filing to final resolution.

(2) The number and average settlement amount of cases that were resolved prior to the panel hearing.

(3) The number and average settlement amount of cases that were resolved after a panel hearing but before a trial.

(4) The number and average settlement amount of cases that were resolved by or after a jury verdict.

(d) The report required by this paragraph shall also include, for medical injury cases in which a panel made findings during the fiscal year, the number of cases that fell into each category of possible results of a panel hearing (unanimous for the plaintiff; majority for the plaintiff; unanimous for the defendant; majority for the defendant), the status, and, if applicable, the results of the cases in each category.

(e) To the extent possible, the report required by this paragraph shall include comparative data from the previous 5 years.

II.(a) The insurance commissioner shall report to the committee established in RSA 519-B:13 annually, on or before November 1 of each year, on the medical malpractice market and the effects of the panel process established in this chapter. Such reports shall include, but not be limited to, the average rates of medical liability insurance for categories of medical providers and specialties identified by the insurance commissioner, the frequency and severity of medical injury claims, and the time for resolution of medical injury claims from first notice to final resolution.

(b) The insurance commissioner may adopt rules to collect the data from insurers necessary to prepare the report required by this paragraph. To the extent the commissioner collects information from insurers regarding individual claims, loss adjustment and other expenses, reserves, indemnity payments, or other financial information that is not otherwise reported to the commissioner and available to the public, such information shall be treated as examination materials, kept confidential, and not be subject to RSA 91-A.

2 Repeal. The following are repealed:

I. RSA 519-B:13, relative to the medical malpractice panel and insurance oversight committee.

II. RSA 519-B:14, relative to reports.

3 Effective Date.

I. Section 2 of this act shall take effect December 31, 2012.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill reestablishes the medical malpractice panel and insurance oversight committee.

SB 50, making various changes to laws regulating trusts and trust companies. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Gregory M. Sorg for Judiciary: This is a second committee referral for this bill, which, as recommended with amendment by the Commerce and Consumer Affairs Committee, passed the House on the Consent Calendar on May 4th. The bill makes changes to the statutes governing trusts and trust administration in order to maintain New Hampshire's competitiveness among the states in this growing economic sector, in furtherance of this state's policy of establishing and maintaining New Hampshire as a leading jurisdiction in the national market for financial, trust and fiduciary services and in the creation of the financial service jobs that will bring. The committee amendment merely eliminates certain redundant statutory references. Vote 15-0.

Amendment (1999h)

Amend RSA 564:19 inserted by section 5 of the bill by deleting paragraph VI.

Amend RSA 564-B:10-1005 as inserted by section 11 of the bill by deleting subparagraph (e).

SB 108, relative to emergency obstetrical care. **INEXPEDIENT TO LEGISLATE.**

Rep. J. Brandon Giuda for Judiciary: The committee agreed that the goal of the sponsors is laudable, namely encouraging health care professionals to practice in the North Country and reducing medical care liability costs for health care professionals. The committee also unanimously agreed that this bill does nothing to attain the stated goals. The bill purports to provide civil immunity to those

providing emergency obstetrical care in a licensed facility to a new patient, by providing immunity from damages or injuries caused by conduct prior to the rendering of emergency obstetrical care. However, under existing law, no medical professional can be held liable for damages or injuries caused by conduct prior to them seeing the patient. As such, this bill is simply unnecessary. Vote 15-0.

SB 97, relative to the application of the community revitalization tax relief incentive. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Frank V. Sapareto for Ways and Means: This bill enables local communities around the state to offer community revitalization tax relief for buildings that have been destroyed by fire or acts of nature where such destruction occurred within 15 years prior to local adoption of the chapter. This incentive was previously available only to existing buildings that were sought to be revitalized or replaced. County and state revenues will not be impacted by this bill. Vote 20-0.

Amendment (2005h)

Amend RSA 79-E:2, I as inserted by section 1 of the bill by replacing it with the following:

I. "Qualifying structure" means a building located in a district officially designated in a municipality's master plan, or by zoning ordinance, as a downtown, town center, central business district, or village center, or, where no such designation has been made, in a geographic area which, as a result of its compact development patterns and uses, is identified by the governing body as the downtown, town center, or village center for purposes of this chapter. Cities or towns may further limit "qualifying structure" according to the procedure in RSA 79-E:3 as meaning only a structure located within such districts that meet certain age, occupancy, condition, size, or other similar criteria consistent with local economic conditions, community character, and local planning and development goals. *Cities or towns may further modify "qualifying structure" to include buildings that have been destroyed by fire or acts of nature, including where such destruction occurred within 15 years prior to the adoption of the provisions of this chapter by the city or town.* Amend RSA 79-E:13, II as inserted by section 3 of the bill by replacing it with the following:

[HH:] **II.** The tax relief granted under this chapter shall only apply to substantial rehabilitation or replacement that commences after the governing body approves the application for tax relief and the owner grants to the municipality the covenant to protect the public benefit as required in this chapter, *provided that in the case of a qualifying structure which is a building destroyed by fire or act of nature, and which occurred within 15 years prior to the adoption of the provisions of this chapter by the city or town, the tax relief may apply to such qualifying structure for which replacement has begun, but which has not been completed, on the date the application for relief under this chapter is approved.*

SB 170, relative to the New Hampshire Medical Malpractice Joint Underwriting Association. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Bill Ohm for Ways and Means: This bill declares that the accumulated surplus funds in the Medical Malpractice Joint Underwriting Association (JUA) belong to the policyholders who paid these premiums and shall be returned to them. The surplus cannot be used for other purposes such as transfer to the general fund. The only exception is grants to providers of underserved populations, using only those funds due policyholders who cannot be located. The surplus is approximately \$110 million. A question as to a potential tax liability was raised and now this bill requires the JUA, the insurance commissioner and a representative of the policyholders to request an opinion from the IRS as to the potential tax liability. It is unclear if there is indeed any federal tax liability. The auditing firm PricewaterhouseCoopers LLP estimates the maximum potential tax liability to be \$19.4 million. To be safe, this bill puts aside \$25 million of the \$110 million surplus to cover this potential tax liability and provides a "claw back" on the distributions if the reserve is exceeded. An amendment to the bill makes it clear that any potential deficit in the JUA created by this distribution would be made up solely by the policyholders and the insurance companies would have no liability. This amendment was agreed to by both the policyholders and the insurance companies. This bill also establishes a commission to study the future of the JUA, make recommendations for proposed legislation and report back by December 1, 2011. Vote 20-0.

Amendment (2133h)

Amend RSA 404-C:14, II as inserted by section 2 of the bill by replacing it with the following:

II. All funds held as of the effective date of this section by the NHMMJUA in excess of the amount required for the fund to remain actuarially sound, as determined by a qualified actuary, shall

constitute excess surplus funds and shall not be less than \$110,000,000 in accordance with 2009, 144:1. Such determination shall be completed under the direction of the NHMMJUA board of directors not more than 45 days from the effective date of this section. All such excess surplus funds have resulted from premiums paid under assessable and participating medical malpractice insurance policies, belong to the policyholders who paid these premiums, and shall be returned as directed under this section. Within 60 days from the effective date of this section, all excess surplus funds, except for a reserve of \$25,000,000 for the payment of any federal tax liability, shall be interpleaded into the Merrimack County Superior Court, docket no. 217-2010-CV-00414 for the purpose of adjudicating all policyholders' claims to excess surplus funds. All distributions made to policyholders shall be subject to a claim from the NHMMJUA to reclaim a pro rata portion of the distribution to satisfy any federal tax liabilities in excess of the \$25,000,000 reserved for such claims.

Notwithstanding any other provision of law to the contrary, in no event shall any insurer which is a member of the NHMMJUA, as defined in Ins 1703.01(i), be assessed nor shall there be a surcharge, as provided in Ins 1703.07(f)(2), with respect to any deficit arising from the distribution of excess surplus funds described in this paragraph.

REGULAR CALENDAR

SB 88, relative to physical force in defense of a person and relative to the brandishing of a firearm or other means of self-defense. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Kenneth Kreis for the Majority of Criminal Justice and Public Safety: This bill allows a person, who is anywhere he or she has a right to be, to use deadly force to protect oneself or a third person. It provides that a person, unless prohibited by statute who is anywhere they have a right to be and permits persons who meet the requirement established in RSA 159:4 to carry a firearm openly or concealed, loaded or not in a vehicle. Includes a civil immunity provision. Vote 9-3.

Rep. Philip E. Ginsburg for the Minority of Criminal Justice and Public Safety: This bill makes several changes in the laws related to the citizen's right to self-defense and licensing to carry firearms. The minority is concerned primarily with two elements of the bill. This bill expands the conditions in RSA 627:4, III, under which a person may use deadly force to defend himself or a third person against a person he fears may use deadly force against either of them. RSA 627 designates action under these conditions as a "complete defense" to any offense that would be considered unlawful in other circumstances. The minority's concern is primarily with new provisions under RSA 627:4, III. The existing law says deadly force in self-defense is justified and then lists exceptions. One exception occurs if the person can safely retreat from the encounter. The law then provides for an exception, involving the so-called "Castle Doctrine." The law treats a person's dwelling as distinct from all other places, conferring special protection to the individual confronting an intruder: a person is not required to retreat within his dwelling or associated areas ("curtilage"). This bill expands this exemption from the obligation to retreat to "anywhere [a person] has a right to be," treating every place, public or private, as if it were equal to the sacred precincts of one's home. We are concerned that in expanding this special privilege beyond the rightly sacrosanct boundaries of the home, the bill unnecessarily endangers public safety. The invitation to untrained amateurs with firearms or other deadly weapons to insert themselves into a situation where they have no knowledge of prior events or the individuals involved can only endanger public safety by adding to the complexity of the scene, thus compromising the ability of law enforcement officers or others involved to manage a threatening person while securing the safety of members of the public. This bill also eliminates the requirement of a license to carry a concealed weapon. The minority opposes this provision for three reasons: 1) It removes the useful opportunity for licensing authorities to observe applicants at regular intervals (now four years, five years under SB 88 to check for any changes in legal status or personal circumstances that might affect their suitability to carry a concealed weapon; 2) it eliminates a source of income for municipalities that places a very small burden on those paying the fees; and 3) it eliminates a useful tool for law enforcement personnel investigating public disturbances involving armed persons, where they may use possession of a license to distinguish between law-abiding citizens and others.

Majority Amendment (2156h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to physical force in defense of a person, brandishing a firearm or other means of self-defense, and carrying firearms.

Amend the bill by replacing all after the enacting clause with the following:

1 Physical Force in Defense of Person. Amend RSA 627:4, III to read as follows:

III. A person is not justified in using deadly force on another to defend himself or *herself* or a third person from deadly force by the other if he *or she* knows that he *or she* and the third person can, with complete safety:

(a) Retreat from the encounter, except that he *or she* is not required to retreat if he *or she* is within his *or her* dwelling [or], its curtilage, *or anywhere he or she has a right to be*, and was not the initial aggressor; or

(b) Surrender property to a person asserting a claim of right thereto; or

(c) Comply with a demand that he *or she* abstain from performing an act which he *or she* is not obliged to perform; nor is the use of deadly force justifiable when, with the purpose of causing death or serious bodily harm, the [actor] *person* has provoked the use of force against himself *or herself* in the same encounter[-]; *or*

(d) If he *or she* is a law enforcement officer or a private person assisting [him] *the officer* at [his] *the officer's* direction and was acting pursuant to RSA 627:5, [he] *the person* need not retreat.

2 Sentences and Limitations. Amend RSA 651:2, II-g to read as follows:

II-g. If a person is convicted of a felony, an element of which is the possession, use or attempted use of a deadly weapon, and the deadly weapon is a firearm, such person may be sentenced to a maximum term of 20 years' imprisonment in lieu of any other sentence prescribed for the crime. ~~[The person shall be given a minimum mandatory sentence of not less than 3 years' imprisonment for a first offense and a minimum mandatory sentence of not less than 6 years' imprisonment if such person has been previously convicted of any state or federal offense for which the maximum penalty provided was imprisonment in excess of one year, and an element of which was the possession, use or attempted use of a firearm. Neither the whole nor any part of the minimum sentence imposed under this paragraph shall be suspended or reduced.]~~

3 Pistols and Revolvers; Carrying Without License. RSA 159:4 is repealed and reenacted to read as follows:

159:4 Carrying Without License.

I. Notwithstanding any provision of law to the contrary, no person shall be guilty of an offense for carrying a firearm, openly or concealed, loaded or unloaded, upon or about his or her person, or upon or in a vehicle, whether or not such person possesses a license, permit, or other authorization to carry a firearm.

II. The provisions of paragraph I shall not constitute a bar to prosecution for any of the following offenses:

(a) RSA 159:3, relative to convicted felons.

(b) RSA 159:3-a, relative to armed career criminals.

(c) RSA 159:19, relative to courthouse security.

(d) RSA 207:7, relative to hunting from a motor vehicle, OHRV, snowmobile, boat, or aircraft.

(e) RSA 215-A:20, relative to loaded firearms on an OHRV.

(f) RSA 215-C:35, relative to loaded firearms on a snowmobile.

(g) RSA 637:7, relative to receiving stolen property.

(h) RSA 637:7-a, relative to possession of property without a serial number.

(i) RSA 597:7-a, relative to default or breach of conditions of release.

4 Pistols and Revolvers; Exceptions. Amend RSA 159:5 to read as follows:

159:5 Exceptions. ~~[The provisions of]~~ RSA 159:3 ~~[and 4]~~ shall not apply to marshals, sheriffs, policemen or other duly appointed peace and other law enforcement officers, or bailiffs and court officers responsible for court security; nor to the regular and ordinary transportation of pistols or revolvers as merchandise, nor to members of the armed services of the United States when on duty; nor to the national guard when on duty; nor to organizations by law authorized to purchase or receive such weapons; nor to duly authorized military or civil organizations when parading, or the members thereof when at, or going to or from, their customary places of assembly.

5 Pistols and Revolvers; Optional License to Carry. Amend RSA 159:6, I to read as follows:

I. The selectmen of a town or the mayor or chief of police of a city or some full-time police officer designated by them respectively, upon application of any resident of such town or city, or the director of state police, or some person designated by such director, upon application of a non-resident, shall issue a license to such applicant authorizing the applicant to carry a loaded pistol or

revolver in this state for not less than [4] 5 years from the date of issue, if it appears that the applicant has good reason to fear injury to the applicant's person or property or has any proper purpose, and that the applicant is a suitable person to be licensed. Hunting, target shooting, or self-defense shall be considered a proper purpose. The license shall be valid for all allowable purposes regardless of the purpose for which it was originally issued. The license shall be in duplicate and shall bear the name, address, description, and signature of the licensee. The original shall be delivered to the licensee and the duplicate shall be preserved by the people issuing the same for [4] 5 years. When required, license renewal shall take place within the month of the ~~[fourth]~~ **fifth** anniversary of the license holder's date of birth following the date of issuance. The license shall be issued within 14 days after application, and, if such application is denied, the reason for such denial shall be stated in writing, the original of which such writing shall be delivered to the applicant, and a copy kept in the office of the person to whom the application was made. The fee for licenses issued to residents of the state shall be \$10, which fee shall be for the use of the law enforcement department of the town or city granting said licenses; the fee for licenses granted to out-of-state residents shall be ~~[\$100]~~ **\$50**, which fee shall be for the use of the state. The director of state police is hereby authorized and directed to prepare forms for the licenses required under this chapter and forms for the application for such licenses and to supply the same to officials of the cities and towns authorized to issue the licenses. ***The form shall require no more information than was required on the state of New Hampshire application for pistol/revolver license, form DSSP 85, as revised in December 2009.*** No other forms shall be used by officials of cities and towns. The cost of the forms shall be paid out of the fees received from nonresident licenses.

6 Pistols and Revolvers; Reciprocity. Amend RSA 159:6-d to read as follows:

159:6-d Full Faith and Credit for Licenses From Other States; Reciprocity. ~~[Notwithstanding the provisions of RSA 159:6,] No nonresident [holding a current and valid license to carry a loaded pistol or revolver in the state in which he resides] or [who is a] peace officer [in the state in which he resides,] shall be required to obtain a license to carry a loaded pistol or revolver within this state if:~~

I. Such nonresident carries upon his person the license held from the state in which he resides; ~~[and] or~~

II. Such nonresident is in compliance with RSA 159:4; or

~~[H:]~~ ***III.*** The state in which such person is a resident provides a reciprocal privilege for residents of this state.

7 Pistols and Revolvers; Exemption. Amend RSA 159:14 to read as follows:

159:14 Exemption. None of the provisions of this chapter shall prohibit an individual not licensed under the provisions thereof who is not engaged in the business of selling pistols or revolvers from selling a pistol or revolver to a person ***qualified pursuant to RSA 159:4, or who is*** licensed under this chapter, or to a person personally known to him ***or her.***

8 Game Animals; Bow and Arrow. Amend RSA 208:5, V to read as follows:

V. The licensee shall not be entitled to carry any firearms while hunting under the provisions of this section, unless such licensee also possesses a valid firearms hunting license ~~[or a valid license to carry firearms issued pursuant to RSA 159] or is otherwise qualified pursuant to RSA 159:4.~~

9 New Section; Justification; Civil Immunity. Amend RSA 627 by inserting after section 1 the following new section:

627:1-a Civil Immunity. A person who uses force in self-protection or in the protection of other persons pursuant to RSA 627:4, in the protection of premises and property pursuant to RSA 627:7 and 627:8, in law enforcement pursuant to RSA 627:5, or in the care or welfare of a minor pursuant to RSA 627:6, is justified in using such force and shall be immune from civil liability for personal injuries sustained by a perpetrator which were caused by the acts or omissions of the person as a result of the use of force. In a civil action initiated by or on behalf of a perpetrator against the person, the court shall award the person reasonable attorney's fees, and costs, including but not limited to, expert witness fees, court costs, and compensation for loss of income.

10 Justification; Definitions. Amend RSA 627:9, IV to read as follows:

IV. "Non-deadly force" means any assault or confinement which does not constitute deadly force. ***The act of producing or displaying a weapon shall constitute non-deadly force.***

11 Repeal. RSA 21-P:14, II(f), relative to the authority of the commissioner of the department of safety to adopt rules relative to the issuance of nonresident pistol permits, is repealed.

12 Effective Date.

I. Section 1 of this act shall take effect 60 days after its passage.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

I. Allows a person who is anywhere he or she has a right to be to use deadly force to protect oneself or a third person.

II. Permits any person who meets the requirements established in RSA 159:4 to carry a firearm openly or concealed, loaded or unloaded, on or about his or her person or upon or in a vehicle.

III. Removes, under certain circumstances, the requirement that nonresidents obtain a license to possess a firearm while in New Hampshire.

IV. Inserts a civil immunity provision for the use of force against a perpetrator in certain circumstances.

V. Deletes the minimum mandatory sentencing requirement for felony convictions which include the possession, use, or attempted use of a firearm.

VI. Amends the definition of "non-deadly force" to include the act of producing or displaying a weapon.

Majority committee amendment adopted.

Rep. Hoell offered floor amendment (2235h).

Floor Amendment (2235h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the use of deadly force to protect oneself, inserting an exception to the criminal threatening statute, relative to the minimum mandatory sentence for a felony conviction involving the possession, use, or attempted use of a firearm, relative to the definition of "non-deadly" force, and relative to the natural right to carry a firearm, openly or concealed, without a license.

Amend the bill by replacing all after the enacting clause with the following:

1 Title. This act shall be known as the Constitutional Carry Act of 2011.

2 Physical Force in Defense of a Person. Amend RSA 627:4, III(a) to read as follows:

(a) Retreat from the encounter, except that he *or she* is not required to retreat if he *or she* is within his *or her* dwelling [or], its curtilage, *or in any place where he or she has a right to be or reasonably believes he or she has a right to be*, and was not the initial aggressor; or

3 New Paragraph; Assault and Related Offenses; Criminal Threatening. Amend RSA 631:4 by inserting after paragraph IV the following new paragraph:

V. A person who is on his or her own property and who responds to a trespasser who refuses to leave and displays or points a firearm or other means of self-defense with the intent to warn away the person shall not have committed a criminal act under this section.

4 Sentences and Limitations. Amend RSA 651:2, II-g to read as follows:

II-g. If a person is convicted of a felony, an element of which is the possession, use or attempted use of a deadly weapon, and the deadly weapon is a firearm, such person may be sentenced to a maximum term of 20 years' imprisonment in lieu of any other sentence prescribed for the crime. The person [shall] *may* be given a minimum [mandatory] sentence of not less than 3 years' imprisonment for a first offense and a minimum [mandatory] sentence of not less than 6 years' imprisonment if such person has been previously convicted of any state or federal offense for which the maximum penalty provided was imprisonment in excess of one year, and an element of which was the possession, use or attempted use of a firearm. Neither the whole nor any part of the minimum sentence imposed under this paragraph shall be suspended or reduced.

5 Justification; Definitions. Amend RSA 627:9, IV to read as follows:

IV. "Non-deadly force" means any assault or confinement which does not constitute deadly force. *The act of producing, displaying, or pointing a weapon shall constitute non-deadly force.*

6 Purpose. The General Court finds that the laws in existence regulating firearms ownership, possession, and use, do nothing to prevent crime, and only interfere with the natural rights of law abiding citizens. The General Court also finds that citizens engaged in practices currently lawful under New Hampshire laws, such as open or concealed carry of a firearm, have been subjected to harassment by law enforcement. Therefore the General Court finds it necessary to codify the inherent

right to such practices. The General Court also reiterates that the right to self-defense is an inherent natural right and is stated in Part First, Articles 2 and 2-a, and shall not be abridged in any manner.

7 Affirmative Right to Carry. RSA 159:4 is repealed and reenacted to read as follows:

159:4 Affirmative Right to Carry. Notwithstanding any other provision of law to the contrary, except RSA 159:3, RSA 159:3-a, and RSA 159:19, every person present in this state, and not incarcerated in a prison or jail or under court order to be in a mental institution or who is not otherwise prohibited from possessing a firearm under RSA 159:3 or RSA 159:3-a shall have an affirmative right to keep and bear arms, such right includes but is not limited to: carrying openly or concealed, carrying loaded or unloaded, possession, use, acquiring, purchasing, transferring, inheriting, buying, selling, giving, or otherwise disposing of or receiving any firearm or self-defense tool without any license, permission, or restriction of any kind from or by any government agency.

8 Pistols and Revolvers; License to Carry. Amend RSA 159:6 to read as follows:

159:6 *Optional License to Carry.*

I. The selectmen of a town or the mayor or chief of police of a city or some full-time police officer designated by them respectively, upon application of any resident of such town or city, or the director of state police, or some person designated by such director, upon application of a non-resident, shall issue a license to such applicant authorizing the applicant to carry a loaded pistol or revolver in this state for not less than ~~[4]~~ 5 years from the *next anniversary of the applicant's date of birth following the date of issue*, if ~~[it appears that the applicant has good reason to fear injury to the applicant's person or property or has any proper purpose, and that]~~ the applicant is a suitable person to be licensed. ~~[Hunting, target shooting, or self-defense shall be considered a proper purpose.]~~ *Any person not prohibited from possessing a firearm under RSA 159:3 or RSA 159:3-a shall be deemed a suitable person.* The license shall be valid for all ~~[allowable]~~ lawful purposes ~~[regardless of the purpose for which it was originally issued]~~. The license shall be in duplicate and shall bear the name, address, description, and signature of the licensee. The original shall be delivered to the licensee and the duplicate shall be preserved by the people issuing the same for ~~[4]~~ 5 years. ~~[When required, license renewal shall take place within the month of the fourth anniversary of the license holder's date of birth following the date of issuance.]~~ The license shall be issued within 14 calendar days after application, and, if such application is denied, the reason for such denial shall be stated in writing, the original of which such writing shall be delivered to the applicant, and a copy kept in the office of the person to whom the application was made. *The issuing authority shall be required to prove beyond a reasonable doubt that an applicant is not a suitable person under this section.* The fee for licenses issued to residents of the state shall be \$10, which fee shall be for the use of the law enforcement department of the town or city granting said licenses; the fee for licenses granted to out-of-state residents shall be ~~[\$100]~~ \$20, which fee shall be for the use of the state. The director of state police is hereby authorized and directed to prepare forms for the licenses required under this chapter and forms for the application for such licenses and to supply the same to officials of the cities and towns authorized to issue the licenses. *The form shall request no more information than was requested and require no more information than was required on the State of New Hampshire application for resident pistol/revolver license, form DSSP 85, as revised in December 2009.* No other forms shall be used *and no other information shall be requested* by officials of cities and towns. The cost of the forms shall be paid out of the fees received from nonresident licenses.

II. No photograph or fingerprint shall be required or used as a basis to grant, deny, or renew a license to carry for a resident or nonresident, unless requested by the applicant.

III. Nothing in this section shall be construed to require that any person obtain a license under this section. Obtaining a license under this section is optional, but the voluntary nature of the license shall not be construed to relieve the issuing authority of the burden of proof for denying an application for a license. Issuance of a license under this section by law enforcement authorities shall be a per se determination that law enforcement authorities have verified that the individual is qualified under the law. Nothing in this paragraph shall prohibit a qualified applicant from obtaining a license from the selectmen of a town or the mayor of a city.

IV. The license issued under this section to a licensee who relocates from the city or town in which the license was issued, or who relocates from or becomes a resident of another state, shall remain valid until the expiration date on the license, and the licensee shall be under no obligation to obtain a new license or to notify the issuing authority in the licensee's new place of residence.

9 Pistols and Revolvers; Suspension or Revocation. Amend RSA 159:6-b to read as follows:
159:6-b Suspension or Revocation of License.

[E] The issuing authority may order a license to carry a loaded pistol or revolver issued to any person pursuant to RSA 159:6 to be suspended or revoked for just cause, provided written notice of the suspension or revocation and the reason therefore is given to the licensee. ~~[A licensee whose license has been suspended or revoked shall be permitted a hearing on such suspension or revocation if a hearing is requested by the licensee to the issuing authority within 7 days of the suspension or revocation]~~

~~H. When the licensee hereunder ceases to be a resident of the community in which the license was issued he shall notify in writing the issuing authority at his new place of residence that he has a current license. Such license shall remain in effect until it expires pursuant to RSA 159:6.]~~ ***In this section, "just cause" shall mean a person who is not a suitable person pursuant to RSA 159:6, I.***

10 Pistols and Revolvers; Appeal From Suspension or Denial. Amend RSA 159:6-c to read as follows:

159:6-c Appeal From Denial, Suspension, or Revocation. Any person whose application for a license to carry a loaded pistol or revolver has been denied pursuant to RSA 159:6 or whose license to carry a loaded pistol or revolver has been suspended or revoked pursuant to RSA 159:6-b may, within 30 days thereafter, petition the ***superior or*** district ~~[or municipal]~~ court in the jurisdiction in which such person resides to determine whether the petitioner is entitled to a license. The court shall conduct a hearing within 14 ***calendar*** days after receipt of the petition. ***The issuing authority shall afford discovery to the licensee or applicant at least 5 days prior to the hearing.*** During this hearing the burden shall be upon the issuing authority to demonstrate ~~[by clear and convincing proof]~~ ***beyond a reasonable doubt*** why any denial, suspension, or revocation was justified, failing which the court shall enter an order directing the issuing authority to grant or reinstate the petitioner's license. The court shall issue its decision not later than 14 days after the hearing on whether the petitioner is entitled to a license.

11 Pistols and Revolvers; Reciprocity. RSA 159:6-d is repealed and reenacted to read as follows:

159:6-d Reciprocity. The director of the division of state police shall negotiate and enter into reciprocal agreements in other jurisdictions to recognize in those jurisdictions the validity of the license issued under RSA 159:6. The director shall apply to every jurisdiction with which New Hampshire does not currently have a reciprocity agreement, at least once every 5 years to obtain recognition in those jurisdictions of the license issued under RSA 159:6. Any such agreement executed shall not expire unless an expiration date is required under the statutes of the reciprocal jurisdiction.

12 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

I. Allows a person who is in any place where he or she has a right to be or reasonably believes he or she has a right to be to use deadly force to protect oneself.

II. Provides that a person who is on his or her own property and who responds to a trespasser who refuses to leave and displays or points a firearm or other means of self-defense with the intent to warn away the person making the threat shall not have committed criminal threatening.

III. Removes the minimum mandatory sentence for conviction of a felony involving the possession, use, or attempted use of a firearm, and makes the sentence for such a felony conviction discretionary.

IV. Provides that any person present in this state, and not incarcerated, in a prison, jail, or other secure facility, or who is not otherwise prohibited from possessing a firearm, shall have the affirmative right to possess or carry, whether openly or concealed, or use, acquire, purchase, inherit, sell, give, dispose of, or receive any firearm without a license, permit, or restriction of any kind from or by any government agency.

V. Provides that obtaining a license to carry a pistol or revolver shall be voluntary, shall be granted to any suitable person, and shall only be denied, suspended, or revoked upon proof of just cause beyond a reasonable doubt.

VI. Requires the director of the division of state police to negotiate and enter into agreements with other jurisdictions to recognize in those jurisdictions the validity of the license to carry issued in this state.

Rep. Hoell spoke in favor.

LAID ON THE TABLE

Rep. Swinford moved that floor amendment (2235h) be laid on the table.
Rep. Hoell requested a roll call; sufficiently seconded.

SENATE MESSAGES**NONCONCURS WITH AMENDMENT****REQUESTS COMMITTEE OF CONFERENCE**

SB 33-FN, relative to retired state employee contributions for medical benefits costs.
The President appointed Sens. Carson, Groen and D'Allesandro.
Rep. Carol McGuire moved that the House accede.
Adopted.

The Speaker appointed Reps. Carol McGuire, Pilotte, Winter and Bowers.

REQUESTS CONCURRENCE WITH AMENDMENTS

HCR 9, urging Congress to support H.R. 6416 or similar legislation relative to airport security.
(Amendment printed SJ 5-25-11)
Rep. Baldasaro moved that the House concur and spoke in favor.
Rep. Kurk spoke in favor.
Adopted.

HB 218, repealing the New Hampshire rail transit authority. (Amendment printed SJ 5-11-11)
Rep. Packard moved that the House concur and spoke in favor.
Adopted.

REGULAR CALENDAR (CONT'D)

SB 75-FN, relative to clarification of part-time service in the state retirement system. **OUGHT TO PASS.**

Rep. William B. Smith for Finance: This bill redefines the nature of part-time employment for retirement system purposes. The first section applies to state employees and was in the bill as it came from the Senate. It precludes the retirement system from allowing two or more part-time jobs held by a state employee to be considered a full-time job that would qualify the employee for retirement system benefits. The second section was added by the Special House Committee on Pensions and applies to both the state and its political subdivisions. Among other things, it defines part-time employment as working no more than 1,300 hours per year (an average of 25 hours per week). Under current law, a retiree collecting a pension from the retirement system cannot simultaneously be employed by a member of the system other than in a part-time position. Having determined that any impact on state general funds or restricted funds would not be significant, the committee recommends that the bill should be passed. Vote 24-1.
Committee report adopted and ordered to third reading.

SB 82-FN, extending the state board of education's authority to approve chartered public schools and relative to the funding of chartered public schools approved by a school district. **OUGHT TO PASS WITH AMENDMENT.**

Rep. William B. Smith for Finance: This bill gives the state board of education permanent authority to approve chartered public schools and requires the state to pay tuition at adequacy funding level for each pupil who resides in the state and attends a chartered public school authorized by a school district other than the pupil's resident school district. The committee amended the bill to clarify wording, and also removed the section that would have required unexpended funds to be distributed annually to approved chartered public schools. Vote 25-0.

Amendment (2028h)

Amend the title of the bill by replacing it with the following:

AN ACT extending the state board of education's authority to approve chartered public schools and relative to the funding of chartered public schools approved by a school district.

Amend RSA 194-B:11, I(a) as inserted by section 2 of the bill by replacing it with the following:

I.(a) There shall be no tuition charge for any pupil attending a charter conversion school located in that pupil's resident district. Funding limitations in this chapter shall not be applicable to charter

conversion schools located in a pupil's resident district. For a chartered public school authorized by the school district, the pupil's resident district shall pay to such school an amount equal to not less than 80 percent of that district's average cost per pupil as determined by the department of education using the most recent available data as reported by the district to the department. *For pupils resident in this state who attend full-time a chartered public school authorized by a school district other than the pupil's resident school district, the state shall pay tuition pursuant to RSA 198:40-a directly to the chartered public school for such pupil. Nothing in this subparagraph shall alter or modify the funding of the Virtual Learning Academy Charter School.*

Amend the bill by deleting section 3 and renumbering the original sections 4-5 to read as 3-4, respectively.

Amend the bill by replacing section 4 with the following:

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

I. Repeals the 10-year pilot program for state board of education approval of chartered public schools and gives the state board of education permanent authority to approve chartered public schools.

II. Requires that the state pay tuition for each resident pupil attending full-time a chartered public school authorized by a school district other than the pupil's resident school district.

Amendment adopted.

Committee report adopted and ordered to third reading.

Rep. Ball declared a conflict of interest and did not participate.

SB 129-FN, relative to presenting photo identification to vote in person and relative to the election fund. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.** Rep. Charles E. Sova for the Majority of Finance: The fiscal notes for this bill left a great deal to be desired. The data was mostly guesses and the preparers when pressed admitted there was no way to really know what is going to happen. However, this bill provides an opportunity to collect data in the 2011 city elections, the 2012 Presidential primary and the 2012 municipal elections that would lead to more accurate fiscal calculations. The question of whether the legislation was legal or not also kept coming up. Due to the November 1, 2012 effective date for using photo ID, in order to receive a ballot or a provisional ballot should you not have an ID on the day of the election, it will provide more than ample time to answer all these fiscal and legal questions. Finally, if the data or legal questions produce unfavorable results for the bill, there will be time next year to fix the legislation or delay its implementation. Vote 18-8.

Rep. Robert A. Foose for the Minority of Finance: The minority cannot support the committee recommendation on SB 129 and asks that a vote of ITL be made. Reacting solely from the perspective of how SB 129 would impact the budget, there will be an additional cost to the secretary of state's budget. While there also was inconclusive testimony regarding the impact on cities and towns, there was a clear indication that there will be some level of additional costs downshifted from the state. The minority believes that, in a period that demands fiscal restraint, it is not logical to incur additional budgetary pressure. Regarding the transition period before the law is fully implemented, the minority has a real concern that the recent improper behavior by the clerk in New Boston may be repeated across the state with real consequences on voter access unless a serious budgetary investment is made in additional training and voter education.

The question being adoption of the majority committee report of Ought to Pass.

Rep. Pierce offered floor amendment (2209h).

Floor Amendment (2209h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to presenting proof of identity to vote in person and relative to the election fund.

Amend the bill by replacing section 1 with the following:

1 Obtaining a Ballot. Amend RSA 659:13 to read as follows:

659:13 Obtaining a Ballot.

I. A person desiring to vote shall, before being admitted to the enclosed space within the guard-rail, announce his or her name to one of the ballot clerks who shall thereupon repeat the name; and,

if the name is found on the checklist by the ballot clerk, the ballot clerk shall put a checkmark beside it and again repeat the name. The ballot clerk shall state the address listed on the checklist for the voter, and ask if the address is correct; if the address on the checklist is not correct, the ballot clerk shall correct the address in red on the paper checklist and the supervisors of the checklist shall cause the centralized voter registration database to reflect the correction. ***The ballot clerk shall request that the voter prove his or her identity by presenting a means of proof meeting the requirements of paragraph II. If the voter does not present any such proof of identity, the ballot clerk shall inform the voter that he or she may vote by provisional ballot in accordance with RSA 659:13-b and present proof of identity meeting the requirements of paragraph II, official documentation of driver's license suspension or revocation, waiver issued by the secretary of state under RSA 659:13-d, or affidavit of religious exemption to the city or town clerk by noon of the third business day after the election. If the voter presents a photo identification that is an out-of-state driver's license, the ballot clerk shall record the state of issuance on the checklist in a color designated for such entries and the supervisors of the checklist shall submit the information to the secretary of state.*** The voter, if still qualified to vote in the town or ward and having presented sufficient proof verifying the voter's identity, and unless challenged as provided for in RSA [659:27-33] 659:27 through 659:33, shall then be allowed to enter the space enclosed by the guardrail. After the voter enters the enclosed space, the ballot clerk shall give the voter one of each ballot to be voted on in that election which shall be folded as it was upon receipt from the secretary of state.

II. A person may prove his or her identity as required under paragraph I by any reasonable means, including, but not limited to, any one of the following means of proof:

(a) Photo driver's license issued by any state or the federal government.

(b) United States passport, armed services identification, or other photo identification issued by the United States government.

(c) Photo identification issued by local or state government.

(d) A photo identification not authorized by subparagraph (a), (b), or (c) but determined to be legitimate by the supervisors of the checklist or the clerk.

(e) Verification of the person's identity by another person registered as a voter and known to a supervisor or the clerk.

(f) Verification of the identity of a resident of a nursing home or similar facility by the administrator of the facility or by his or her designee.

III. A photo identification accepted under paragraph II shall satisfy each of the following:

(a) The identification shows the name of the individual to whom the identification was issued, and the name substantially conforms to the name on the checklist or in the individual's voter registration record.

(b) The identification shows a photograph of the individual to whom the identification was issued.

Amend RSA 655:13-b, I as inserted by section 2 of the bill by replacing it with the following:

I. If a voter has not presented proof of identity under RSA 659:13 and is otherwise qualified to vote, the voter may cast a provisional ballot. The ballot clerk shall indicate on the checklist that the voter has voted by provisional ballot. The provisional ballot shall be the same as the ballot used at the polling place, but shall be sealed in a plain envelope by the voter after he or she has marked the ballot. The voter shall insert the plain envelope into an envelope on which is printed the same information as the affidavit of a challenged voter to be executed by the voter and shall sufficiently identify the voter to allow verification of the ballot once the voter has confirmed his or her identity.

Amend RSA 655:13-b, III as inserted by section 2 of the bill by replacing it with the following:

III. By noon of the third business day after the election, a voter who has cast a provisional ballot may appear in person before the city or town clerk and present proof of identity meeting the requirements of RSA 659:13, II, official documentation of driver's license suspension or revocation, a waiver issued by the secretary of state under RSA 659:13-d, or an affidavit of religious exemption. Upon presentation of proof of identity, verification of driver's license suspension or revocation, or receipt of a waiver issued by the secretary of state under RSA 659:13-d or an affidavit of religious exemption, the clerk shall mark the list prepared by the moderator to that effect. The clerk shall require each person presenting proof of identity, official documentation of driver's license suspension or revocation, or a waiver issued by the secretary of state under RSA 659:13-d, or executing an affidavit of religious exemption to sign the list next to or beneath his or her name. At noon of

the third business day after the election, the clerk shall forward all provisional ballots for which verification of identity has been provided to the moderator. The clerk shall post notice of the time and place of the processing of provisional ballots in accordance with RSA 91-A.

Amend the bill by replacing sections 6-7 with the following:

6 Voter Education.

I. The department of state shall prominently display on the department's website information for voters relating to the proof of identity requirements established by this act. The department shall also provide explanatory information relating to this act to media outlets for the purpose of educating the public regarding voter identification requirements.

II. Every town and city clerk shall prominently display a notice prepared by the secretary of state explaining the proof of identity requirements for voters and directing voters to the department of state's website for additional information. Such notice shall be displayed for at least 14 days prior to each election held after the effective date of this act during 2011 and 2012.

7 Applicability. In accordance with RSA 659:13, as amended by this act, ballot clerks shall request that the voters present proof of identity at all elections after the effective date of this act. However, notwithstanding such provisions, no person shall be denied the right to vote for failure to present proof of identity or other documentation acceptable under this act prior to November 1, 2012. The ballot clerks shall tally the number of voters that do not present proof of identity at each election prior to November 1, 2012, and the town or city clerk shall report the number with the election return.

AMENDED ANALYSIS

This bill requires that a voter present proof of identity to vote in person. Voters without proof of identity may vote by provisional ballot, provided that they subsequently appear in person before the city or town clerk and present proof of identity, official documentation of driver's license suspension or revocation, a waiver issued by the secretary of state, or an affidavit of religious exemption. This bill also requires that the secretary of state pay the cost for a nondriver's picture identification card upon presentation of a voucher to the division of motor vehicles.

Rep. Pierce spoke in favor and yielded to questions.

Rep. Bates spoke against.

On a division vote, 138 members having voted in the affirmative and 228 in the negative, floor amendment (2209h) failed.

The question now being adoption of the majority committee report of Ought to Pass.

Rep. Foose spoke against.

Rep. Vaillancourt spoke in favor.

Rep. Dan McGuire requested a roll call; sufficiently seconded.

PROTEST

In accordance with Part II, Article 24 of the New Hampshire Constitution, I hereby submit my protest regarding the vote on HB 129-FN. This bill is an affront to liberty and democracy.
Rep. Horrigan.

SENATE MESSAGES

REQUESTS CONCURRENCE WITH AMENDMENTS

HB 191, relative to the community mental health system. (Amendment printed SJ 5-25-11)
Rep. Reagan moved that the House concur and spoke in favor.
Adopted.

NONCONCURS WITH AMENDMENT

REQUESTS COMMITTEE OF CONFERENCE

SB 92, establishing an economic strategic commission to review the relationship between business and government.

The President appointed Sens. Carson, Sanborn and Larsen.

Rep. Carol McGuire moved that the House accede.

Adopted.

The Speaker appointed Reps. Carol McGuire, Peter Schmidt, Proulx and Hansen.

REGULAR CALENDAR (CONT'D)

SB 151-FN, relative to contracts of the department of health and human services. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Neal M. Kurk for Finance: The bill, as it came to Finance, required the department of health and human services to develop a plan to consolidate the several thousand department contracts in order to reduce general fund spending on administrative costs by approximately \$5.5 million. These savings are included in the House budget for FY 12/13. The committee believes a more certain way to achieve the savings is to require, not merely plan for, contract consolidations. This is what the amendment does, specifying that the \$5.5 million savings must be achieved in the next biennium and authorizing the department to use any savings in excess of the specified amount to provide additional services to department clients. Quarterly reporting to the HHS oversight committee is required. Vote 26-0.

Amendment (2113h)

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose. It is the objective of the general court to assure that appropriations for providing health and human services are expended directly in aid and assistance to the citizens of New Hampshire and that overhead and administrative costs are kept to a minimum. One method for reaching this objective is to consolidate the number of contracts entered into by the department for providing services to persons it serves. It is the intent of the general court that this consolidation be done within the biennium ending June 30, 2013.

2 Contract Consolidation; Department of Health and Human Services.

I. For contracts executed on or after July 1, 2011, the department of health and human services shall consolidate contracts of the department including, but not limited to, contracts for the acquisition of goods and services and for providing services to clients of the department, to the fewest number reasonably possible to:

(a) Realize general fund savings in the amount of \$1,250,000 in fiscal year 2012 and \$4,300,000 in fiscal year 2013 as required in the budget approved for the department;

(b) Reduce the administrative costs associated with the processing and approval of state contracts;

(c) Minimize expenditures in areas other than direct care and assistance to the persons in need served by the department;

(d) Utilize any savings in addition to those specified in subparagraph (a) to provide additional direct services to clients of the department;

(e) Create an efficient, effective, and stable community system of health and human services agencies for the future.

II. The consolidation shall be completed by June 30, 2013.

III. For the biennium ending June 30, 2013, the commissioner shall provide reports on a quarterly basis to the oversight committee on health and human services and the fiscal committee of the general court regarding contract consolidation efforts.

3 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requires the commissioner of the department of health and human services to consolidate contracts of the department and provides parameters for such consolidation. The bill requires the commissioner of the department of health and human services to provide reports on a quarterly basis for the biennium ending June 30, 2013 to the oversight committee on health and human services. Amendment adopted.

Committee report adopted and ordered to third reading.

SB 154-FN, reforming and renaming the comprehensive shoreland protection act. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.** Rep. Kenneth L. Weyler for the Majority of Finance: Extensive work had been done on the shoreland protection act, especially changing its emphasis to water quality protection. The Finance committee examined the fiscal aspects of the changes and found that they did not add to the costs of enforcement. However, two minor changes were made. One change was to make it effective upon passage rather than 60 days after passage so that the enabling of rules would not expire on June 30. Another was to change the word "and" to "or" to make one paragraph clearer. A major change in the amendment was to amend HB 519, repeal of RGGI language at the end of the bill. This verifies the position of the House in a related area. Vote 20-6.

Rep. Robert A. Foose for the Minority of Finance: The minority cannot support the inclusion of the language of a bill that the House has already voted on and sent to the Senate. In approving the amendment that inserted the RGGI legislation, the committee is resubmitting the same RGGI legislation in a bill that had careful and extensive work in its preparation. As a result, approval of this bill would create a political football rather than a thoughtfully crafted and necessary improvement to the Shoreland Protection Act that enjoyed bipartisan support.

Majority Amendment (2006h)

Amend the title of the bill by replacing it with the following:

AN ACT reforming and renaming the comprehensive shoreland protection act and repealing New Hampshire's regional greenhouse gas initiative cap and trade program for controlling carbon dioxide emissions.

Amend RSA 483-B:5-b, I(b)(1) as inserted by section 14 of the bill by replacing it with the following:

(1) For projects that qualify for permit by notification under *this paragraph or* RSA 483-B:17, X, \$100 for restoration of water quality improvement projects and \$250 for all other permit by notification projects.

Amend the bill by replacing all after section 31 with the following:

32 Powers and Duties of Commissioner; Reference Deleted. Amend RSA 125-O:6, I to read as follows:

I. Develop a trading and banking program to provide appropriate compliance flexibility in meeting the emission caps established under RSA 125-O:3, III [~~and allowance requirements of RSA 125-O:21 and RSA 125-O:22~~], and to encourage earlier and greater emissions reductions and the development of new emission control technologies in order to maximize the cost-effectiveness with which the environmental benefits of this chapter are achieved.

33 Rulemaking Authority. Amend RSA 125-O:8 to read as follows:

125-O:8 Rulemaking Authority.

[E.] The commissioner shall adopt rules under RSA 541-A, commencing no later than 180 days after the effective date of this section, relative to:

[~~(a)~~] **I.** The establishment of trading and banking programs as authorized by RSA 125-O:6, I.

[~~(b)~~] **II.** The establishment of a method for allocating allowances and other emissions reduction units or mechanisms as authorized by RSA 125-O:3, II and III.

[~~(c)~~] **III.** Emissions [~~and allowance~~] monitoring, [~~tracking~~], recordkeeping, reporting, and other such actions as may be necessary to verify compliance with this chapter.

[~~(d)~~] The method and requirements for auctioning budget allowances under RSA 125-O:21, which may use regional organizations:

[~~(e)~~] Defining eligible projects for early reduction allowances under RSA 125-O:21, IV, and establishing criteria to quantify and grant such allowances.

[~~(f)~~] Defining eligible projects for offset allowances under RSA 125-O:21, V, and establishing criteria to quantify and grant such allowances, including the accreditation of third-party verifiers.

[~~(g)~~] The forms and information required on applications for a temporary or operating permit required under RSA 125-O:22.

H. The public utilities commission shall adopt rules, under RSA 541-A, to administer the greenhouse gas emissions reduction fund pursuant to RSA 125-O:23.]

34 Compliance Dates. Amend RSA 125-O:9 to read as follows:

125-O:9 Compliance Dates. The owner or operator of each affected source shall comply with the provisions of this chapter, excluding the subdivision on mercury emissions, RSA 125-O:11 through 125-O:18, [~~and the subdivision for CO₂ emissions, RSA 125-O:19 through RSA 125-O:28;~~] by December 31, 2006.

35 Non-Severability. Amend RSA 125-O:10 to read as follows:

125-O:10 Non-Severability. No provision of [~~RSA 125-O:1 through RSA 125-O:18 of~~] this chapter shall be implemented in a manner inconsistent with the integrated, multi-pollutant strategy [~~or RSA 125-O:1 through RSA 125-O:18~~] of this chapter, and to this end, the provisions of [~~RSA 125-O:1 through RSA 125-O:18 of~~] this chapter are not severable.

36 Compliance. The repeal of the regional greenhouse gas initiative program on January 1, 2012 under this act shall not affect each affected CO₂ source's obligation to satisfy the program's requirements for the compliance period ending December 31, 2011, including those contained in adopted rules. All means of enforcement shall remain in place for these requirements, including the provisions of RSA 125-O:7 and any permit issued or modified by the department of environmental services in accordance with RSA 125-O:22, IV.

37 Use of Funds. Notwithstanding the provisions of RSA 125-O:23, all moneys in the greenhouse gas emissions reduction fund as of July 1, 2011, and all subsequent moneys deposited into the fund, shall be allocated by the commission as an additional source of funding to electric distribution companies for CORE energy efficiency programs that are funded by system benefits charges.

38 Repeal. The following are repealed:

I. RSA 6:12, I(b)(272), relative to moneys deposited in the greenhouse gas emissions reduction fund.

II. RSA 125-O:3, III(d), relative to carbon dioxide cap.

III. RSA 125-O:19 through 125-O:28, relative to the regional greenhouse gas initiative.

39 Effective Date.

I. Section 27 of this act shall take effect June 30, 2011.

II. Sections 32-35 and paragraphs II and III of section 38 shall take effect January 1, 2012.

III. Paragraph I of section 38 of this act shall take effect January 1, 2013.

IV. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill makes extensive changes to the comprehensive shoreland protection act.

This bill repeals New Hampshire's regional greenhouse gas initiative cap and trade program for controlling carbon dioxide emissions. This bill also clarifies how the moneys in the greenhouse gas emissions reduction fund may be used.

Rep. Spang spoke against.

Rep. Weyler spoke in favor.

On a division vote, 248 members having voted in the affirmative and 109 in the negative, the majority committee amendment was adopted.

Majority committee report adopted and ordered to third reading.

SB 70-FN, relative to remedies in landlord-tenant actions. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS.**

Rep. J. Brandon Giuda for the Majority of Judiciary: This pro-business bill levels the playing field for landlords in three significant ways. First, the bill reduces the time period that certain landlords are required to store abandoned property from 28 days to 7 days, thereby freeing up the landlord's property and reducing storage costs. Second, the bill reduces the exposure of landlords who violate the statute from triple damages and legal fees to actual damages and legal fees, thereby stopping frivolous claims against landlords for excessive damages. Third, the bill repeals the new 2011 requirement (RSA 540:1-b) that landlords provide service of process information to the appropriate municipality by January 31, 2011 or face a \$1,000 fine. The new 2011 requirement was enacted in an attempt to ease the burden on certain municipalities when litigating against out-of-state landlords. Repealing this bad law is logical because: (1) municipalities already have the requisite information for service of process in their tax departments (ie., owner of the property), (2) municipalities can use the same streamlined service of process procedures as every other litigant in New Hampshire, (3) the penalty on landlords is disproportionate to any purported harm done, (4) the requirement is overbroad as it applies to all landlords, not just out-of-state landlords, and (5) most landlords in New Hampshire are not aware of this requirement and therefore can now be held liable for a \$1,000 fine. Vote 10-5.

Rep. Lucy M. Weber for the Minority of Judiciary: This bill, as passed by the Senate, simply amends RSA 540-A:3 to reduce from 28 to 7 the number of days a landlord is required to store the possessions of a departed tenant. It also lowers the fines a landlord would have to pay for non-compliance with the provision. At the public hearing on SB 70, an amendment was proposed which would have made an alteration to a different chapter of the statute, Chapter 540, as opposed to Chapter 540-A. The section to be modified relates to the registration of a landlords or an agent for a landlord. The proposed amendment modified the registration requirements only for in-state landlords. At that time, it was suggested that the amendment was not germane to the substance of the original bill and that a new hearing should be held giving notice so that anyone who wanted to express an opinion on the revision of a different chapter of the statute would have notice and an opportunity to do so. No such hearing was held. At the executive session, a different and more extensive amendment was offered. The amendment attached to this bill, without any notice to the public or opportunity for public comment, repeals RSA 540:1-b in its entirety. RSA 540:1-b, passed last year, requires owners of restricted property to file a statement with the town or city clerk giving the name, address and phone number of a person within the state authorized to accept legal process on any legal proceeding related to the property. A civil penalty of \$1,000 is assessed for failure to file. The provision was enacted at the request of cities and towns to address the difficulty of enforcing compliance with building codes, particularly against out of state landlords. Its repeal will result either in higher costs of enforcement to cities and towns or in less acceptable living conditions for our poorest tenants.

Majority Amendment (1405h)

Amend the bill by replacing all after section 2 with the following:

3 Repeal. RSA 540:1-b, relative to landlord agents, is repealed.

4 Effective Date.

I. Sections 1 and 2 of this act shall take effect January 1, 2012.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

I. Shortens the time period during which a landlord is required to store a tenant's abandoned property.

II. Reduces the amount of damages available for violations of the storage requirement.

III. Repeals the requirement that certain residential landlords provide the town clerk with the name and address of an agent authorized to accept service on their behalf.

Rep. Weber spoke against.

Rep. Giuda spoke in favor.

On a division vote, 266 members having voted in the affirmative and 86 in the negative, the majority committee amendment was adopted.

Reps. Brian Murphy and Greazzo declared a conflict of interest and did not participate.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.
 Rep. Weber spoke against.
 Rep. Warden spoke in favor.
 Majority committee report adopted and ordered to third reading.
 Reps. Brian Murphy and Greazzo declared a conflict of interest and did not participate.

SB 2, relative to adoption of spending caps by municipalities. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Franklin W. Sterling for the Majority of Municipal and County Government: The purpose and intent of SB 2 is to provide a process by which any municipality may adopt a tax/spending cap. The bill amends RSA 49-C and RSA 49-D so that cities or towns that are governed by a town or city council can amend their charters to include spending caps. The legislation provides a clear process by which a charter can be amended and it provides the language necessary to comply with a recent supreme court ruling. Further, SB 2 includes amendments to RSA 32 that contain process and rules governing the adoption of a tax cap by municipalities that have a traditional town meeting form of government and those towns which have adopted the official ballot form of government. Also included in the legislation is a provision to ratify and declare valid other spending caps adopted prior to the enactment of this bill. Vote 12-4.

Rep. Kris E. Roberts for the Minority of Municipal and County Government: The minority believes that the real goal of many of the supporters of this bill is not to have cities, towns or school districts adopt a tax cap to limit increases to the amount to be raised by taxes in the annual budget as an effective means of limiting growth in the local property rates; the goal is to give the minority the ability to have more power and authority to reduce education funding, shrink the size of local government and combat the perceived power of the public sector unions. The committee was told that the deliberative session was a failed system; that in one recent local school budget session approximately 150 people voted in favor of the budget and about 50 voted against the budget. The committee was told that this happens all the time and that people of that community needed the ability to correct the faults in the current system. The minority asked where is the fault if 75% of the voters approve a budget increase? If there are faults in the current system this body should not be passing legislation that would give greater power to the minority at the expense of the majority. In Keene, with about 12,000 voters, rarely do more than 125 appear for the school budget session where they have the ability to make changes to the proposed budget, about 10-12% show up to vote and sometimes Keene is hard pressed to find three people willing to sign up for three school board positions. The minority believes that this body should be following the advice of Thomas Jefferson, a man who posed great confidence in the wisdom and discretion of the American people, who stated that a successful republic requires a well educated, well informed and a proactive citizenship, but once the vote was taken it was the responsibility of the minority to support the decisions of the majority. If the current system has failings it is due to the lack of public interest and the unwillingness of our citizens to take an active role in government. This bill will not solve that problem. All it will do is create an opportunity to replace one minority group with another minority group. History has repeatedly shown that minority interest, minority issue government has always resulted in real harm to our communities. This bill in many ways is a one size fits all approach to rising local property taxes and will not limit the growth of such taxes. A review of the past 10 plus years shows the largest factor in the rapid growth of local property taxes has not been an increase in local service and public payrolls, because the majority of New Hampshire communities have reduced both services and employees - governments at all level are shrinking - the greatest cause has been the downshifting of costs by the state to local communities and county governments. Many members of this body also serve as selectmen and city councilors. In many ways passage of this bill will not benefit the taxpayers, but will provide political cover at the local community level. Passage of this bill, combined with our no income tax, no sales tax and no death tax policies, will ensure that NH remains one of the best states in which to retire as we support the special interests of people who have no children or grandchildren in our school systems. But it has the potential to ensure that New Hampshire remains as one of the fastest graying states and one of the states with the greatest out-migration of 18-30 year olds as we reduce funding for public education, public safety and other important quality of life programs.

Majority Amendment (1978h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to adoption of tax caps by cities, towns, and other political subdivisions.

Amend the bill by replacing all after the enacting clause with the following:

1 Findings; Intent. The general court finds that:

I. There is a need to enact enabling legislation to allow the citizens of New Hampshire to adopt a tax cap either in their charters or at their town meetings.

II. A simple process for towns and other political subdivisions to enact a tax cap is to limit the amount of money to be raised by taxes by the governing body at the local level.

III. The general court hereby proposes that in towns and districts adopting a tax cap the estimated amount of taxes to be raised for the fiscal year shall not exceed the taxes raised for the prior year by a percentage or fixed amount as determined by the legislative body.

2 New Paragraph; City Charters; Vote. Amend RSA 49-C:12 by inserting after paragraph II the following new paragraph:

III. Notwithstanding any contrary provision in paragraph I, the adoption of an override threshold provision to a tax cap included in a charter pursuant to RSA 49-C:33, I(d) shall provide for a supermajority vote of the elected body to adopt the annual budget.

3 New Subparagraph; City Charters; Optional Provisions; Tax Cap Added. Amend RSA 49-C:33, I by inserting after subparagraph (c) the following new subparagraph:

(d) A limit on the annual spending increases that increase the amount raised by taxes under the city budget adopted pursuant to RSA 49-C:23. Such a tax cap shall provide for an override threshold on a vote to exceed the limit on annual increases which shall be by a supermajority as determined in the charter. A tax cap provision in the city charter may provide for specific exclusions for dedicated, enterprise, or self-supporting funds or accounts, capital reserve funds, grants, or revenue from sources other than local taxes.

4 Town Charters; Optional Matters; Tax Cap. Amend RSA 49-D: 3, I(e) to read as follows:

(e) Other matters of local concern may be included in a charter including, but not limited to, conflict of interest provisions which shall be at least as strict as those established in the general laws, citizen powers of initiative, referendum and recall as described in RSA 49-C, ~~and~~ *the* adoption and periodic review of an administrative code, a merit personnel system, a purchasing system, and a town investment policy, *and the adoption of a tax cap limiting the annual increases in amounts raised by taxes under the town budget. Such tax cap shall include an override threshold on a vote to exceed the limit on annual increases which shall be by a supermajority as determined in the charter. Such tax cap may specifically exclude certain dedicated, enterprise, or self-supporting funds or accounts, capital reserve funds, grants, or revenue from sources other than local taxes.*

5 Municipal Budget Law; Application. Amend RSA 32:2 to read as follows:

32:2 Application. RSA 32:1-13, shall apply to all towns, school districts, cooperative school districts, village districts, and any other municipal entities, including those created pursuant to RSA 53-A or 53-B, which adopt their budgets at an annual meeting of their voters, *except RSA 32:5-b, which shall apply only in those towns or districts adopting that section pursuant to RSA 32:5-c.* RSA 32:14-23, concerning budget committees, shall apply only in those towns or districts adopting that section pursuant to RSA 32:14, I, and shall apply automatically in school districts or village districts located wholly within towns adopting that section.

6 New Sections; Local Tax Cap; Adoption of Local Tax Cap. Amend RSA 32 by inserting after section 5-a the following new sections:

32:5-b Local Tax Cap. Upon adoption under RSA 32:5-c, the following shall apply:

I. In a town or district that has adopted this section, the estimated amount of local taxes to be raised for the fiscal year, as shown on the budget certified by the governing body or the budget committee and posted with the warrant for the annual meeting pursuant to RSA 32:5, shall not exceed the local taxes raised for the prior year, as shown on the same budget, by more than the tax cap authorized when this section was adopted.

II. The tax cap shall be either a fixed dollar amount or a fixed percentage applied to the amount of local taxes raised by the town or district for the prior fiscal year as reported to the department of revenue administration.

III. The legislative body may override the cap by the usual procedures applicable to annual meetings and deliberative sessions of the legislative body. The provisions of this section shall not limit the legislative body's authority to increase or decrease the amount of any appropriation or the total amount of all appropriations.

32:5-c Adoption of Local Tax Cap.

I. The provisions of RSA 32:5-b may be adopted by any local political subdivision of the state whose legislative body raises and appropriates funds through an annual meeting. A 3/5 majority of those voting on the question shall be required to adopt the provisions of RSA 32:5-b. Only votes in the affirmative or negative shall be included in the calculation of the 3/5 majority.

II. The question shall be placed on the warrant of the annual meeting by the governing body or by petition under the procedures set out in RSA 39:3 or RSA 197:6.

III. A public hearing shall be held by the local governing body on the question at least 15 days, but not more than 30 days, before the question is to be voted on. In multi-town districts, a public hearing shall be held in each town embraced by the district, none of which shall be held on the same day. Notice of the hearing shall be posted in at least 2 public places in the town and at least 2 public places in each town of multi-town districts, and published in a newspaper of general circulation at least 7 days prior to the date of the hearing.

IV. The wording of the question shall be: "Shall we adopt the provisions of RSA 32:5-b, and implement a tax cap whereby the governing body (or budget committee) shall not submit a recommended budget that increases the amount to be raised by local taxes, based on the prior fiscal year's actual amount of local taxes raised, by more than _____ (insert either a fixed dollar amount or a fixed percentage)?"

V. Voting on the question shall be by ballot, but the question shall not be placed on the official ballot used to elect officers, except in the case of a legislative body that uses an official ballot form of meeting under RSA 40:13 or under a charter adopted pursuant to RSA 49-D. Polls shall remain open and ballots shall be accepted by the moderator for a period of not less than one hour following the completion of discussion on the question. If a 3/5 majority of those voting on the question vote "yes," RSA 32:5-b shall apply within the local political subdivision beginning with the following fiscal year and for all subsequent years until it is rescinded as provided in paragraph VI.

VI. Any local political subdivision which has adopted RSA 32:5-b may consider rescinding its action in the manner described in paragraphs I through V. The wording of the question shall be: "Shall we rescind the provisions of RSA 32:5-b, known as the tax cap, as adopted by the (local subdivision) on (date of adoption), so that there will no longer be a limit on increases to the recommended budget in the amount to be raised by local taxes?" A 3/5 majority of those voting on the question shall be required to rescind the provisions of this section, except in the case of repeal by charter enactment under RSA 49-D. Only votes in the affirmative or negative shall be included in the calculation of the 3/5 majority.

7 Home Rule Municipal Charters; Preservation. Amend RSA 49-B:13 to read as follows:

49-B:13 Separability; Preservation.

I. The provisions of this chapter and of charters created under this chapter are separable. If any portion of this chapter, or of any charter adopted under the provisions of this chapter, or if the application of the chapter or such charter to any person or circumstance shall be invalid, the remainder of the chapter or such charter or the application of such invalid portions to other persons or circumstances shall not be affected by such invalidation.

II. All town and city charters which have been adopted, revised, or amended; all charter commissions which have been properly established and elected; all elections properly held; and actions properly taken pursuant to such charters are hereby legalized, provided that such charters at the time of their adoption were not contrary to the general laws and constitution of the state.

II-a. All town or city charters which have been adopted, revised, or amended to include a tax or spending cap of any kind and all charter commissions which have been properly established and elected; all elections properly held; and all actions properly taken related to the tax or spending cap in such charters are hereby endorsed, ratified, validated, and legalized and are fully enforceable, without regard to whether such entities or actions were authorized by law at the time they were established or taken.

III. RSA 32 shall not apply to a municipality adopting, revising, or amending a charter under RSA 49-C or RSA 49-D unless that municipality adopts a budgetary town meeting, official ballot town meeting, an official ballot town council, or representative town meeting pursuant to RSA 49-D:3, I-a, II, II-a and III. ***Except that a municipality may adopt a tax cap as provided in RSA 49-C:33, I(d) or RSA 49-D:3, I(e), notwithstanding the provisions of RSA 32:5-b and RSA 32:5-c.***

8 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill allows cities and towns under a charter, and towns, school districts, and other political subdivisions under the municipal budget act to adopt a tax cap to limit increases to the amount to be raised by taxes in the annual budget.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Kris Roberts spoke against and yielded to questions.

Rep. Sterling spoke in favor.

Rep. Dan McGuire requested a roll call; sufficiently seconded.

CACR 14, relating to public education. Providing that the general court shall have the authority to define standards for public education, establish standards of accountability, mitigate local disparities in educational opportunity and fiscal capacity, and shall have full discretion to determine the amount of state funding for education. **WITHOUT RECOMMENDATION.**

LAI'D ON THE TABLE

Rep. Lynne Ober moved that **CACR 14**, relating to public education. Providing that the general court shall have the authority to define standards for public education, establish standards of accountability, mitigate local disparities in educational opportunity and fiscal capacity, and shall have full discretion to determine the amount of state funding for education, be laid on the table.

On a division vote, 346 members having voted in the affirmative and 27 in the negative, the motion was adopted by the necessary three-fifths vote.

REGULAR CALENDAR (CONT'D)

SB 183-FN-L, amending the calculation and distribution of adequate education grants, repealing fiscal capacity disparity aid, and providing stabilization grants to certain municipalities. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.** Rep. William S. Belvin for the Majority of the Special Committee on Education Funding Reform: The amendment to SB 183 combines the best elements of both HB 337, as passed by the House and SB 183, as passed by the Senate. It comprehensively addresses and modifies the current statutory

provisions for the state's funding of education in five critical ways. First, it provides predictability and continuity to that funding because under the amendment, no town, city or school district will receive either a greater or lesser education grant from the state in the coming biennium than it is receiving in the current fiscal year. Going out into the future, no town, city or school district will receive a lesser education grant than it is currently receiving, but it can receive a greater grant if it qualifies based upon changes in school population and the number of students who qualify for targeted aid. This provides the assurance of continuing state aid to our school boards, administrators and local property tax payers, who both need and deserve that assurance. However, no town, city or school district will receive a grant in any year more than 105.5% greater than the grant it received in the previous fiscal year. Second, for the coming biennium only, this bill calculates the base cost per pupil by using empirical, realistic standards and criteria currently in law. The standards and criteria used to set the base cost in the next biennium are derived from the state department of education minimum standards for school approval already promulgated in its rules and from the federal definition of a "highly qualified" teacher. After the coming biennium, these costs will be adjusted automatically by a CPI component which can not be manipulated or "gamed," but which will objectively reflect increasing costs over time. Third, as a result of the revised formula for calculating the base cost per pupil, this bill significantly increases targeted aid to provide additional resources for those pupils and communities which would most benefit from such state aid. Under this bill, targeted aid increases from less than 25% of total aid to over 40% of total aid. It continues targeted aid to special education students and students from disadvantaged backgrounds who qualify for the federal free and reduced lunch program, but at higher amounts than this year based upon a CPI increase. And it provides targeted aid at a fixed dollar amount only to those students who qualify for the federal free and reduced lunch program and not for the entire student population in schools which contain more than a certain percentage of such eligible students. It also continues targeted aid for English-language learner students while providing new incentive aid for students who demonstrate reading proficiency at the third grade level. Fourth, this bill substantially increases fiscal capacity disparity aid to our most disadvantaged districts, a formula which has been shown to best target aid to these communities. Fifth and finally, this bill eliminates donor towns. In conclusion, this bill accomplishes all these objectives without increasing the aggregate state aid for education and puts the state on a path for reasonable, sustainable future aid to our students and communities. Vote 11-4.

Rep. Robert A. Foose for the Minority of the Special Committee on Education Funding Reform: The minority of the committee cannot agree with the decision of OTPA. In 2007-08, the legislature created a carefully researched and transparent structure that for the first time met the state's responsibility to fund an adequate public education. Since the passage of adequacy, the structure survived one court challenge from Londonderry and New Hampshire has enjoyed an unprecedented period of judicial peace. However, in 2008, the legislature asked 119 communities to forego what they were entitled to until July, 2011 to moderate the impact on other communities that had been receiving an unequal proportion of the total funds due under adequacy. In response to the challenge of building the next biennial budget, both the House and the Senate have crafted new proposals for calculating educational funding that cut some \$80 million from what is due under current laws. To make the reductions more palatable, both the House and the Senate calculations maintained precisely the same payment to every city and town that was received in 2010. In effect, the transition period is being extended for two more years and the 84 communities that were due additional funding may never see the funds. Further, the formula that is embedded in the proposed legislation introduces the concept of bare minimum standards in place of adequate standards for the calculation of payments to cities and towns. While the formula that will be used for the next two years is constructed to preserve the current payments to all, it reduces the base calculation and sets the table for an effort by future legislatures to reduce state support for our public education system.

Majority Amendment (1982h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the calculation and distribution of adequate education grants.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose.

I. The general court is committed to providing the opportunity for an adequate education for all public school students, as established in this act, based upon the 2007 Laws of New Hampshire, chapter 270. Methodologies for costing, determination of resources, and elements of cost are included in this act.

II. The individual components of the cost were selected on the basis of their effectiveness in delivering educational opportunity and after extensive review, debate, and discussion, including review of the report of the joint legislative oversight committee on costing an adequate education. The legislative process consisted of obtaining information from professional educators, government officials, education policy and finance experts, and the public on the establishment of the cost of an adequate education.

III. The cost of delivering this educational opportunity consists of several elements. The base cost represents the per pupil resources necessary to provide an adequate education where no additional aid is necessary to cover the increased costs of providing that opportunity to students who have special education needs, who have limited English language proficiency, or who are economically disadvantaged. The base cost represents the costs attributable only to the subset of education that is included in the definition in RSA 193-E:2-a.

IV. In calculating the base cost, the general court adhered to and adopted the standards for the professional positions referred to in the costing formula as specified or necessarily implied in the minimum standards for public school approval adopted by the state department of education and in effect on July 1, 2010. These standards incorporate and include the definition of a "highly qualified" teachers under federal law. The professional-to-student ratios used in the costing formula were also derived from the state minimum standards for public school approval. All costing elements were derived from actual, empirical data.

V. The general court further finds that additional aid, referred to as differentiated aid, is also required to provide this educational opportunity for certain students. This act allocates such differentiated aid to special education students, English language learners, and economically disadvantaged students, the latter category based upon eligibility for federally-provided free and reduced-price lunch programs and the concentration of such eligible students in a school.

VI. In determining the need for differentiated aid in addition to providing the base cost for an adequate education, the general court recognizes that the resources needed to provide this educational opportunity are not the same for all students.

VII. The general court recognizes that special education students face unique challenges that require educational support and instructional resources in addition to those provided by the base cost. After reviewing the findings of the joint legislative oversight committee and conducting its own inquiry into forms of special education funding and the laws relevant to such funding mechanisms, the general court finds that each special education student should receive additional funding above the base cost. This per pupil amount is not dependent upon a student's level of disability or learning environment because the general court wishes to encourage the placement of special education students in the least restrictive learning environment possible.

VIII. After reviewing the findings of the legislative oversight committee, including its survey of services provided to English language learners throughout the country and in New Hampshire, the general court finds that additional funding is required to provide English language learners with the opportunity for an adequate education. Accordingly, the general court finds that an amount should be distributed to each pupil receiving English language instruction in a district. This supplemental amount is based upon providing one teacher per 70 students receiving English language instruction and is inline with funding provided throughout the United States to English language learners.

IX. The joint legislative oversight committee recognized that economically disadvantaged students require supplemental funding in addition to the base cost amount. During its deliberations, the committee heard testimony and thoroughly reviewed studies, research, and data about the challenges that school districts face when educating economically disadvantaged students as well as the costs and considerations involved in implementing programs designed to overcome those obstacles. The general court finds it necessary to provide additional aid to economically disadvantaged pupils in schools with significant concentrations of economically disadvantaged pupils to provide them with the opportunity for an adequate education. Based upon credible evidence received by, and the discussion of the joint legislative oversight committee on costing an adequate education in January 25, 2008, the general court concludes that such additional aid should be provided to disadvantaged students only when the concentration of such students in a school exceeds 12 percent. This level is less than one-half of the threshold concentration of 25 percent of such pupils in a school recommended by Management Analysis & Planning, Inc. in its October 5, 2000 report, p. 40.

X. The general court recognizes that certain communities lack the relative wealth and fiscal capacity to fund local education to the extent desired by those communities. For this reason, the general court finds it appropriate to provide money above the cost of delivering adequate educational opportunity based upon the fiscal capacity and relative need of certain communities.

XI. This act is not intended to stand in isolation from the other statutes and rules relating to educating New Hampshire students as required by state and federal law.

XII. This act maintains state funding for the delivery of educational opportunity at the same level as provided in fiscal years 2010 and 2011, and at a slightly higher overall average per pupil level than in those years.

2 Adequate Education; Definitions. RSA 198:38 is repealed and reenacted to read as follows:

198:38 Definitions. In this subdivision:

I. "Average daily membership in attendance" or "ADMA" means the aggregate half-day membership of pupils in kindergarten through grade 12 attending schools operated by a school district divided by the number of half-days of instruction offered. The average daily membership in attendance shall include any pupil who is a resident of New Hampshire educated at public expense, including any pupil whose school district provides his or her education through a private or out-of-district placement.

II. "Average daily membership in residence" or "ADMR" means the average daily membership in residence of pupils in kindergarten through grade 12, as defined in RSA 189:1-d, IV of the second school year preceding the year in which the calculation is made, provided that no kindergarten pupil shall count as more than 1/2 day attendance per calendar year.

III. "Commissioner" means the commissioner of the department of education.

IV. "Department" means the department of education.

V. "Determination year" means the fiscal year that was 3 years prior to the fiscal year for which aid is to be determined. Unless otherwise indicated, determination year data shall be used to calculate aid.

VI. "Educationally disabled child" or "educationally disabled pupil" shall mean "child with a disability" as defined in RSA 186-C:2, I.

VII. "English language learner" means a child who has a predominant language other than English or who is educationally disadvantaged by a limited English proficiency, and who is receiving regularly scheduled English language instruction.

VIII. "Pupils eligible for a free or reduced-price meal" means pupils in kindergarten through grade 12 who are eligible for the federal free or reduced-price meal program.

IX. "School district" means school district as defined in RSA 194:1 and shall include cooperative school districts as defined in RSA 195:1, I.

3 Adequate Education; Base Cost Per Pupil. RSA 198:40-a is repealed and reenacted to read as follows:

198:40-a Adequate Education; Base Cost Per Pupil.

I. For the biennium beginning July 1, 2011 only, the commissioner shall determine the base cost per pupil of the opportunity for an adequate education in each school district using the most recent statewide salary data available, divided into quartiles, as follows:

(a)(1) The average of the 3rd and 4th quartiles of salary for a teacher possessing at least a bachelor's degree with no experience, multiplied by 1.33, then multiply the product by 1.05.

(2) For a teacher teaching art, music, world languages, media/technology, health, or physical education, multiply the amount determined under subparagraph (a)(1) by .20.

(b) The average of the 3rd and 4th quartiles of salary for a principal possessing at least a master's degree and 3 years of educator experience, multiplied by 1.33, then multiply the product by 1.05.

(c) The average of the 3rd and 4th quartiles of salary for a guidance counselor possessing at least a master's degree, multiplied by 1.33, then multiply the product by 1.05.

(d) The average of the 3rd and 4th quartiles of salary for a library/media specialist possessing at least a bachelor's degree with no experience, multiplied by 1.33, then multiply the product by 1.05.

(e) The average of the 3rd and 4th quartiles of salary for a technology coordinator possessing at least a bachelor's degree with no experience, multiplied by 1.33, then multiply the product by 1.05.

(f) The average of the 3rd and 4th quartiles of salary for a reading specialist possessing at least a master's degree at step 2 of the teacher salary schedule for that position, multiplied by 1.33, then multiply the product by 1.05.

(g) The average of the 3rd and 4th quartiles of salary for an administrative assistant, multiplied by 1.33, then multiply the product by 1.05.

(h) The average of the 3rd and 4th quartiles of salary for a custodian, multiplied by 1.33, then multiply the product by 1.05.

II. For the biennium beginning July 1, 2011 only, the commissioner shall calculate the base cost per pupil of the opportunity for an adequate education in each school district as the sum of the following:

(a)(1) For teachers of pupils in kindergarten through grade 2, divide the ADMR of pupils in the municipality in kindergarten through grade 2 by 25, then multiply the result by the salary for teachers determined in subparagraph I(a)(1).

(2) For teachers of pupils in grades 3 through 12, divide the ADMR of pupils in the municipality in grades 3 through 12 by 30, then multiply the result by the salary for teachers determined in subparagraph I(a)(1).

(3) For a teacher teaching art, music, world languages, media/technology, health, or physical education to pupils in kindergarten through grade 2, divide the ADMR of pupils in the municipality in kindergarten through grade 2 by 25, then multiply the result by the amount determined in subparagraph I(a)(2).

(4) For a teacher teaching art, music, world languages, media/technology, health, or physical education to pupils in grades 3 through 12, divide the ADMR of pupils in the municipality in grades 3 through 12 by 30, then multiply the result by the amount determined in subparagraph I(a)(2).

(b) For principals, divide the ADMR of pupils in the municipality in kindergarten through grade 12 by 500, then multiply the result by the salary for principals determined in subparagraph I(b).

(c)(1) For guidance counselors for pupils in kindergarten through grade 8, divide the ADMR of pupils in the municipality in kindergarten through grade 8 by 500, then multiply the result by the salary for guidance counselors determined in subparagraph I(c).

(2) For guidance counselors for pupils in grades 9 through 12, divide the ADMR of pupils in the municipality in grades 9 through 12 by 300, then multiply the result by the salary for guidance counselors determined in subparagraph I(c).

(d) For library/media specialists, divide the ADMR of pupils in the municipality in kindergarten through grade 12 by 500, then multiply the result by the salary for library/media specialists determined in subparagraph I(d).

(e) For technology coordinators, divide the ADMR of pupils in the municipality in kindergarten through grade 12 by 1,200, then multiply the result by the salary for technology coordinators determined in subparagraph I(e).

(f) For reading specialists, divide the ADMR of pupils in the municipality in kindergarten through grade 8 by 500, then multiply the result by the salary for reading specialists determined in subparagraph I(f).

(g) For administrative assistants, divide the ADMR of pupils in the municipality in kindergarten through grade 12 by 500, then multiply this amount by the salary for administrative assistants determined in subparagraph I(g).

(h) For custodians, divide the ADMR of pupils in the municipality in kindergarten through grade 12 by 500, then multiply this amount by the salary for custodians determined in subparagraph I(h).

(i) For instructional materials, multiply the ADMR of pupils in the municipality in kindergarten through grade 12 by \$130.

(j)(1) For technology costs for pupils in kindergarten through grade 8, multiply the ADMR of pupils in the municipality in kindergarten through grade 8 by \$25.

(2) For technology costs for pupils in grades 9 through 12, multiply the ADMR of pupils in the municipality in grades 9 through 12 by \$65.

(k) For transportation costs, multiply the ADMR of pupils in the municipality in kindergarten through grade 8 by \$304.

III. In addition to the base cost calculated under paragraphs I and II:

(a) An additional \$1,770 for each pupil who is in kindergarten through grade 12, who is eligible for the federal free and reduced-price meal program, and who attends a public school in which at least 12 percent of pupils reported in the school's ADMR in the determination year are eligible for the federal free and reduced-price meal program.

(b) An additional \$600 for each pupil reported in the public school's ADMR in the determination year who is an English language learner and who is receiving English language instruction.

(c) An additional \$1,904 for each pupil reported in the public school's ADMR in the determination year who is receiving special education.

(d) To encourage early literacy and provide accountability to local school districts, for each third grade pupil in the public school's ADMA in the determination year who is not eligible to receive special education, English language learners, or federal free or reduced-price meal program funds in the determination year, a school district shall:

(1) Receive an additional \$100 for each such pupil who has tested at the proficient level or above in the reading component of the state assessment; and

(2) Incur a reduction of \$100 for each such pupil who has not tested at the proficient level or above in the reading component of the state assessment; provided that

(3) The net amount of any additions or reductions under this subparagraph shall not be less than zero.

IV.(a) The sum total calculated under paragraphs I-III of this section shall be the cost of the opportunity for an adequate education in each year of the biennium ending June 30, 2013.

(b) Prior to or coinciding with the first disbursement of each fiscal year under RSA 198:42, the department shall notify a school district of the total amount of funds that have been allocated for each school within its jurisdiction during the fiscal year based on the sum of the school district's adequate education grant amount plus the amount available to the school district from the education tax. In addition, the department shall furnish to each municipality a report showing the municipality's cost of an adequate education sorted by a pupil's municipality of residence.

V. The department shall notify school districts of the estimated amounts of grants by the November 15 preceding the fiscal year for which aid is determined. The commissioner shall provide to the general court all data or reports requested by the general court in a form which the general court determines will facilitate the calculations required in this section.

4 Adequate Education; Provisions for Grants to Municipalities. RSA 198:40-b is repealed and reenacted to read as follows:

198:40-b Provisions for Grants to Municipalities.

I. For the biennium ending June 30, 2013, no municipality shall receive a total education grant in a fiscal year which is greater than the total education grant received in the fiscal year ending June 30, 2011.

II. Each fiscal year, the commissioner of the department of education shall determine if a municipality is scheduled to receive a total education grant which is less than the total education grant received in the fiscal year ending June 30, 2011, and shall disburse to such municipality an additional grant from the education trust fund in an amount equal to 100 percent of the amount of the decrease.

III. Beginning July 1, 2013, and each fiscal year thereafter, the department of education shall not distribute a total education grant on behalf of all pupils who reside in a municipality that exceeds 105.5 percent of the total education grant distributed to such municipality in the previous fiscal year.

5 Adequate Education; Provisions for Grants to Municipalities; Version Effective July 1, 2013. RSA 198:40-b is repealed and reenacted to read as follows:

198:40-b Provisions for Grants to Municipalities. Each fiscal year, the commissioner of the department of education shall determine if a municipality is scheduled to receive a total education grant which is less than the total education grant received in the fiscal year ending June 30, 2011, and shall disburse to such municipality an additional grant from the education trust fund in an amount equal to 100 percent of the amount of the decrease.

6 Adequate Education; Fiscal Capacity Disparity Aid. RSA 198:40-c is repealed and reenacted to read as follows:

198:40-c Fiscal Capacity Disparity Aid.

I. In addition to aid for the cost of the opportunity for an adequate education provided under RSA 198:40-a, each fiscal year the department shall provide fiscal capacity disparity aid to a municipality's school districts as follows:

(a) The department of revenue administration shall calculate the equalized valuation per pupil for each municipality in the state and shall sort the results into quartiles based on equalized valuation per pupil. The quartile containing municipalities with the lowest equalized valuation per pupil shall then be divided in half.

(b) A municipality with an equalized valuation per pupil in the lower half of the lowest quartile and which has a median family income which is less than the state average median family income shall receive fiscal capacity disparity aid in the amount of \$3,360 multiplied by the municipality's average daily membership in residence.

(c) A municipality with an equalized valuation per pupil in the upper half of the lowest quartile which has a median family income which is less than the state average median family income shall receive fiscal capacity disparity aid in the amount of \$2,100 multiplied by the municipality's average daily membership in residence.

II. Aid under this section shall be distributed pursuant to RSA 198:42.

III. In this section:

(a) "Equalized valuation per pupil" means a municipality's equalized valuation, including properties subject to taxation under RSA 82 and RSA 83-F, as determined by the department of revenue administration, that was the basis for the local tax assessment in the determination year, divided by the school district's average daily membership in residence, as defined in RSA 189:1-d for the determination year, provided that no kindergarten pupil shall count as more than ½ day attendance per calendar day.

(b) "Median family income" means the most recent census data published for New Hampshire counties and municipalities by the United States Census Bureau, United States Department of Commerce, as of October 1 preceding the beginning of the biennium for which aid is to be determined.

7 Adequate Education; Consumer Price Index Adjustment. Amend RSA 198:40-d to read as follows:

198:40-d Consumer Price Index Adjustment. Beginning July 1, [2011] **2013** and every biennium thereafter, the department of education shall adjust the sum of the amounts determined under RSA 198:40-a based on the average change in the Consumer Price Index for All Urban Consumers, Northeast Region, using the "services less medical care services" special aggregate index, as published by the Bureau of Labor Statistics, United States Department of Labor. The average change shall be calculated using the 3 calendar years ending 18 months before the beginning of the biennium for which the calculation is to be performed.

8 Adequate Education; Determination of Grants; Excess Tax. Amend the section heading in RSA 198:41 and RSA 198:41, I-II to read as follows:

198:41 Determination of *Education* Grants [~~and Excess Tax~~].

I. Except for municipalities where all school districts therein provide education to all of their pupils by paying tuition to other institutions, the department of education shall determine the amount of the *total* education grant for the municipality as follows:

(a) Add the per pupil cost of providing the opportunity for an adequate education for which each pupil is eligible pursuant to RSA 198:40-a, I-III, and from such amount;

(b) Subtract the amount of the education [~~property~~] tax warrant to be issued by the commissioner of revenue administration for such municipality reported pursuant to RSA 76:9 for the next tax year, and from such amount; and

(c) Add the fiscal capacity disparity aid pursuant to RSA 198:40-c.

II. For municipalities where all school districts therein provide education to all of their pupils by paying tuition to other institutions, the department of education shall determine the amount of the [~~adequate~~] *total* education grant for each municipality as the lesser of the 2 following calculations:

(a) The amount calculated in accordance with paragraph I of this section; or

(b) The total amount paid for items of current education expense as determined by the department of education minus the amount of the education [~~property~~] tax warrant to be issued by the commissioner of revenue administration for such municipality reported pursuant to RSA 76:9 for the next tax year.

9 Excess Education Property Tax Payment; Subdivision Heading Amended. Amend the subdivision heading preceding RSA 198:46 to read as follows:

[~~Excess Education Property Tax Payment~~]

Local Control and Alternative Kindergarten Programs

10 Application of Receipts. Amend RSA 6:12, I(b)(65) to read as follows:

(65) Money received under RSA 77-A, RSA 77-E, RSA 78, RSA 78-A, RSA 78-B, RSA 83-F, [RSA 198:46;] and from the sweepstakes fund, which shall be credited to the education trust fund under RSA 198:39.

11 Commissioner's Warrant. Amend RSA 76:8, II to read as follows:

II. The commissioner shall issue a warrant under the commissioner's hand and official seal for the amount computed in paragraph I to the selectmen or assessors of each municipality by December 15 directing them to assess such sum and pay it to the municipality for the use of the school district or districts ~~[and, if there is an excess education tax payment due pursuant to RSA 198:46, directing them to assess the amount of the excess payment and pay it to the department of revenue administration for deposit in the education trust fund]~~. Such sums shall be assessed at such times as may be prescribed for other taxes assessed by such selectmen or assessors of the municipality.

12 Joint Legislative Oversight Committee on Accountability for an Adequate Education.

I.(a) There is hereby established the joint legislative oversight committee on accountability for an adequate education. The members of the committee shall be as follows:

(1) Three members of the house of representatives, which shall include 2 members of the house education committee and one member of the house finance committee, appointed by the speaker of the house of representatives.

(2) Three members of the senate, which shall include 2 members of the senate education committee and one member of the senate finance committee, appointed by the president of the senate.

(b) Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

II. The committee shall review and study the assessment and assistance methods, reporting requirements, and other methods of accountability presently being used by the department of education and local school districts to determine whether such methods, programs, and standards will ensure the delivery of an adequate education as set forth in RSA 193-E:2-a.

III. Following a public hearing, the committee shall report its findings and recommendations concerning the sufficiency of existing statutory law to provide accountability for the delivery of the opportunity for an adequate education as defined in RSA 193-E:2-a, and the possible need for additional legislation, to the governor, the speaker of the house of representatives, the president of the senate, and the state librarian no later than November 15, 2011.

13 Chartered Public Schools; Funding. Amend RSA 194-B:11, I(b) to read as follows:

(b) For any chartered public school authorized by the state board of education pursuant to RSA 194-B:3-a, the state shall pay ~~[tuition]~~ **the greater of \$5,450 or the sum of \$2,000 plus the amount calculated** pursuant to RSA 198:40-a ~~[and RSA 198:40-e]~~ directly to the chartered public school for each pupil who is a resident of this state in attendance at such chartered public school.

14 References Amended. Amend the following RSA sections by replacing "statewide education property tax" or "education property tax" or "education property taxes" with "education tax" or "education taxes," as the context dictates: RSA 76:8, I; the introductory paragraph in RSA 198:57, IV, and RSA 198:57, VI(a).

15 Repeal. The following are repealed:

I. RSA 198:46, relative to excess education tax payments.

II. RSA 198:47, relative to forms used for the reporting and remitting of excess education tax payments.

III. RSA 198:39, I(g), relative to excess education tax payments deposited into the education trust fund.

16 Severability. If any provision in sections 1-11 of this act or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of such sections which can be given effect without the invalid provision or application, and to this end the provisions of such sections are declared to be severable.

17 Effective Date.

I. Section 5 of this act shall take effect July 1, 2013.

II. The remainder of this act shall take effect July 1, 2011 at 12:01 a.m.

AMENDED ANALYSIS

This bill:

I. Determines the per pupil cost of the opportunity for an adequate education which includes aid distributed to schools based on the number of pupils eligible to receive special education, or eligible for a free or reduced-price lunch, or who are English language learners.

II. Provides fiscal capacity disparity aid, in addition to aid for the cost of the opportunity for an adequate education, based on a municipality's equalized valuation, including utilities, per pupil and median family income.

III. Provides that for the biennium ending June 30, 2013, no municipality shall receive an adequate education grant in a fiscal year which is greater than the adequate education grant received in the 2011 fiscal year.

IV. Requires a municipality which is scheduled to receive an adequate education grant in a fiscal year which is less than the grant such municipality received in the 2011 fiscal year to receive an additional grant from the education trust fund in an amount equal to 100 percent of the amount of the decrease.

V. Provides that beginning July 1, 2013, a municipality's total education grant shall not exceed 105.5 percent of the total education grant received in the preceding fiscal year.

VI. Provides additional funds for each third grade pupil who has tested at the proficient level or above in the reading component of the state assessment and who is not eligible to receive special education, English as a second language, or free or reduced-price meal program funds and authorizes a reduction of funds for each such pupil who does not test at the proficient level or above in the reading component of the state assessment.

VII. Repeals the statutory provisions requiring that excess education tax payments be remitted to the department of revenue administration thereby permitting municipalities to retain any excess education tax revenues.

VIII. Establishes a joint legislative oversight committee on accountability for an adequate education.

IX. Provides that the state shall pay the greater of \$5,450 or the sum of \$2,000 plus the amount calculated under RSA 198:40-a to chartered public school pupils.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Reps. Grassie, Foose, Gile and Gary Richardson spoke against.

Rep. Lynne Ober yielded to questions.

Rep. Hess spoke in favor.

Rep. Gile requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

SB 72-FN, establishing a comprehensive cancer plan fund. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Keith Murphy for the Majority of Ways and Means: This bill would establish a dedicated fund for the purpose of receiving grants to be used to fight cancer. The majority of the committee

acknowledges that cancer is a horrible disease and we truly hope and pray for effective treatments to be developed. However, there are dozens if not hundreds of private charities dedicated to the treatment of cancer. The state should not supplant the efforts of private groups and citizens and foundations have a wide choice of cancer-related charities to support without this fund. Indeed, the sentiment of the committee is that there are already too many dedicated funds, however well-intended, and that adding this one to the list is unnecessary in a state which professes to support the concept of limited government. Vote 15-5.

Rep. Susan W. Almy for the Minority of Ways and Means: The minority believes that the state has a major public interest in combating cancer. It also has a huge monetary stake in the costs of cancer. This bill merely allows the existence of a dedicated fund (run at no cost to the state) to accept contributions to allow the many private and public entities dealing with cancer to coordinate their work for maximum effect. The policy committee already passed this bill and there is no issue for Ways and Means other than the cost of maintaining the fund (zero).

Majority committee report adopted.

SB 157-FN, relative to the division of weights and measures and fees for licensing weighing devices and the definition of service technician. **OUGHT TO PASS.**

Rep. Patrick F. Abrami for Ways and Means: This bill does four things. It eliminates the rulemaking authority of the commissioner of the department of agriculture, markets and foods to set fees for licensing weighing devices; allows service technicians to issue state seals; sets a fee schedule for licensing weighing devices; and requires the commissioner of the department of agriculture, markets and food to make an annual report to the House and Senate regarding consumer complaints, inspections and audits. The committee was satisfied that the proposed license fee structure covered the direct expense and reasonable indirect expenses associated with the weights and measures program. With the passage of this bill these licensing fees for the first time will be in statute. A majority of the committee agreed the fee structure is reasonable and that the other changes are necessary. Vote 18-2.

Rep. Abrami spoke in favor and yielded to questions.

Rep. Butynski spoke against and requested a roll call; sufficiently seconded.

and the committee report was adopted and ordered to third reading.

RESOLUTION

Rep. Bettencourt offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, June 8, 2011 at 1:00 p.m.
Adopted.

LATE SESSION**Third reading and final passage**

SB 117, relative to private postsecondary career schools and the student tuition guaranty fund.

SB 172, relative to performance-based school accountability criteria.

SB 194, transferring all real and personal property from the former department of regional community-technical colleges to the board of trustees of the community college system of New Hampshire.

SB 115, relative to observing voter check-in.

SB 135-FN-A, relative to election returns and election records.

SB 193, relative to nomination of political organizations.

SB 166, relative to medical benefits for beneficiaries of a police officer or firefighter killed in the line of duty.

SB 12-FN, relative to screening panels for medical injury claims.

SB 50, making various changes to laws regulating trusts and trust companies.

SB 97, relative to the application of the community revitalization tax relief incentive.

SB 170, relative to the New Hampshire Medical Malpractice Joint Underwriting Association.

SB 88, relative to physical force in defense of a person and relative to the brandishing of a firearm or other means of self-defense.

SB 75-FN, relative to clarification of part-time service in the state retirement system.

SB 82-FN, extending the state board of education's authority to approve chartered public schools and relative to the funding of chartered public schools approved by a school district.

SB 129-FN, relative to presenting photo identification to vote in person and relative to the election fund.

SB 151-FN, relative to contracts of the department of health and human services.

SB 154-FN, reforming and renaming the comprehensive shoreland protection act.

SB 70-FN, relative to remedies in landlord-tenant actions.

SB 2, relative to adoption of spending caps by municipalities.

SB 183-FN-L, amending the calculation and distribution of adequate education grants, repealing fiscal capacity disparity aid, and providing stabilization grants to certain municipalities.

SB 157-FN, relative to the division of weights and measures and fees for licensing weighing devices and the definition of service technician.

UNANIMOUS CONSENT

Reps. Duarte, Ulery, Frank McCarthy and Kurk addressed the House.

MOTION TO PRINT REMARKS

Rep. Jasper moved that the remarks made by Rep. Duarte be printed in the Permanent Journal.
Adopted.

REMARKS

Rep. Duarte: Thank you, Mister Speaker. I rise today to tell you a story about Flag Day since it will be coming very shortly here in a couple of weeks. I was born in a place far, far away from here. It's called Viano Do Castello (village of the castle). My father came to America. One morning we got up and my mother was very excited and told us that in a few days we were going to come here

to America. We weren't really crazy about it, we were happy there, but because of her excitement, she kept telling us it's a very, very special place where everybody can be happy and your dreams can come true, we bought into that and the next day we were on our way to Lisbon which is a very long train ride. I never thought we'd get there. We had to go to Lisbon to get on a plane to come to America. I don't remember the plane ride and I don't remember Ellis Island. I do remember Boston. That was the first time that I had a glass of milk. I didn't like it much at six years old. The cookie was good. You see, in Viano Do Castello, we had three boys and two girls. We got a bowl of wine in the morning. Red wine with a nice sweet biscuit and it wasn't a cup; it was a bowl like a cereal bowl. By 9:00 in the morning we were very happy children. I think some of the things that come into play was that nap time came early. The parents were happy. The kids were off the streets. Then I remember coming to Provincetown and that was a fishing business. We had 40 fishing boats there and the Governor said they were going to make everything better there in Provincetown. Now they have 2 boats left so that didn't carry much weight. The story about my mother began when she started working really hard to get her citizenship. I came home from school one afternoon and this woman, Maria, was sitting there sobbing hysterically and I said, "Ma, what's the matter?" She continued to cry, but I did understand what she said and I knew she knew all the Presidents and she knew the history, but she looked at me with those crocodile tears and said, "They had me read this piece of paper and I couldn't do it and I failed." I can tell you, we could hear her crying that night throughout the house. The captain was out at sea, he was always at sea so there wasn't anybody there to kind of help her a little bit. We decided that we would all study with her and get her to pass. Well, two months later I came home from school again and my brother, Manny, was outside and he said, "We got troubles. Mama is in there crying her heart out." I could barely understand her. This time she says, "I did good here. I did good there. I even was able to read the paper they gave me." That is what we had her train on. "But then when they asked me to write it, I failed again." Oh my God, we all cried, three boys, two girls and my mother and of course captain was always at sea so he wasn't around. I said, Ma, the next time you go, I want to go with you. Let me tell you, it's a two hour cab ride. We had a cab ride from Provincetown to Boston and that's all she talked about all the way up, how she was going to pass the test. Anyway, the testing seemed to go on forever, but finally the doors opened and I saw people coming out with their little flags. I saw my mother and she didn't have her flag, but I did see that great big smile. When she approached me, she had the flag down by her side and she stuck it up and she says, "I passed. I got everything right. I love America. God bless America, I am so happy." So today I am so happy about her and that story. I have relayed it to you. When we lost her because of a battle with cancer in a very cold February in 1999, there were two things that she wanted to go with her. One was her rosary beads and the other was the little flag. So I could tell you that there is no doubt in my mind that when Flag Day comes, if the good Lord would just let us take a peek up there, you know what you would see? You would see my mother, Maria, with her little flag and she would be going around the room saying, "I love America. God bless America. I am so happy." Thank you very much.

MOTION TO PRINT REMARKS

Rep. Itse moved that the remarks made by Rep. Ulery be printed in the Permanent Journal. Adopted.

REMARKS

Rep. Ulery: Thank you, Mister Speaker. I thank my colleagues for the opportunity to speak. This past weekend we honored those who gave, as Lincoln so eloquently stated, "the last full measure of devotion." It is right and fitting that we honor those who died defending this, the "last and best hope of mankind" to live free, but even the ceremonies on Memorial Day recognize another factor associated with the tribute. On Memorial Day morning our flag is hoisted to the top of the staff, briskly, and then lowered to half-staff, reverently. At noon, the living, the survivors, the grateful nation, comes to attention once again and briskly returns the flag to full-staff with pride and dignity reflecting that we, the living, vow to "carry on" preserving this great land from all threats to our liberty and freedom. There is more than the solemnity and honor on Memorial Day; there is the reflection upon those that serve now, those who, God forbid, we may mourn in the future. I rise today to speak about those who serve now. I had the honor and privilege of visiting a Marine Corps Air Station recently and living with Marines and their families for a short time. What was planned as a celebration so my better half could visit with our grandson turned, sadly, into a somber visit.

My son's former CO and his good friend, LTC Benjamin Palmer (on TDY with 2nd MEF) was killed by an Afghan policeman days before we arrived. The respect shown to the killed warrior and his family was remarkable. The turnout on a small base, including completely silencing traffic at the Memorial Service, was an example of the warrior bond that exists between our military members. Work stopped, aircraft were silent, and men and women literally poured from their duty stations to salute the hearse as it maneuvered off base headed to Arlington, VA and a resting place on the grounds of the former mansion of Robert E. Lee. Before that service, my wife and I were the guests of my son's unit at a family day cook-out, a pre-school graduation, tours of facilities by staff officers and senior NCOs. I had the privilege of speaking with officers and men and women who had seen combat in Iraq and Afghanistan. I watched them play volleyball, throw water balloons, play with their children, change diapers of their babies, scold misbehaving youngsters (although there were very few misbehaving), toss footballs with their sons and daughters, hug their wives or girlfriends, watch a dunk tank (with ranking officers and senior NCOs getting wet- of course), in short do what everyone does at a picnic. These men and women spoke of the same things we do, why gas costs so much, why there are so few jobs "in the real world," why they were denied pay a few weeks ago, why politicians seem so intent on telling everyone how to live their lives, why the value of their dollar is shrinking, how bad the food is overseas, how dirty and hot it was in Afghanistan, why on base pre-school and kindergarten costs so much money, why aircraft flew overhead at midnight (I could commiserate on that one as planes frequently make a run over my house to line up for Manchester – but a AV-8B Harrier II is much, much louder. That Rolls Royce turbofan engine is one noisy piece of work.) The southern cooking was superb, although I find I am not fond of corn dodgers and I like molasses in my baked beans. These men and women had their fair share of complaints about both Washington politicians and their home state politicians. They certainly took advantage of the opportunity to speak openly and clearly about their issues, yet these same men and women, without hesitation or mental reservation, serve our nation. I learned how, after a large tornado wreaked havoc on a trailer park near the base, it was the individual unit commanders who organized volunteer rescue parties to "practice disaster readiness skills" off base and who arrived and rendered aid before the local authorities were able to collect their wits. In the days that followed, the spouses (mostly wives) organized food drives, clothing drives and held collection drives for household goods to help their fellow non-military citizens. These same wives endure the forced separation of their family when their husband is deployed and in harm's way for months, even years at a time. These same wives, regardless of the rank of their husband, provided meals and comfort to LTC Palmer's widow and family without hesitation, but not without tears. These men and women stand ready, often at a moment's notice, to place their lives on the line for us. They are ready to leave family and home and like the verse in our National Anthem says, "Stand between them and war's desolation." On Memorial Day we honor those who died, but we also honor the living, those for whom the flag is restored to full-staff. There is an old movie titled *The Bridges at Toko-Ri*. At the end of the movie an admiral is on the flight bridge of a carrier, after losing several men in an air raid and rescue attempt in Korea. He pauses as flight operations continue in the background and asks the rhetorical question, "Where do we get such men?" Mr. Speaker and colleagues, I suggest to you that we get such men and women today and into the future from our youth. We have a duty to these young men and women to teach them the importance of individual responsibility, honor, courage and yes, old fashioned patriotism. These men and women will continue to serve us, the living, only if we teach them dedication to the proposition Mr. Lincoln made, oh so many years ago – that this nation shall not perish from the earth!

MOTION TO PRINT REMARKS

Rep. Baldasaro moved that the remarks made by Rep. Frank McCarthy be printed in the Permanent Journal.

Adopted.

REMARKS

Rep. Frank McCarthy: Thank you, Mister Speaker. Thank all of you for allowing me a few minutes on this warm and humid day to recognize the sacrifice of our men and women in uniform during this Memorial week. Lance Corporal John Tanney was an 18 year old Marine serving in Vietnam on September 23, 1968. John was a member of Lima Company, 3rd Battalion, 26th Marine Regiment during the siege and hill fights at Khe Sanh in Northwest I Corps. I was a platoon commander. I

had the 3rd platoon of Lima Company, but on this particular day I was aboard the hospital ship, the USS Sanctuary, having been severely wounded during an assault on Hill 689 in June. Lance Corporal Tanney's mom had recently seen fit to award John with a baby brother. Concerned that he may never see his baby brother in mortal flesh, John decided to write his brother an introductory letter. I believe it fitting and proper that this letter be heard 44 years later during Memorial Day week. John wrote the following:

Dear baby brother: I know that you won't be able to read this for a while, but I felt a compulsion to write to you anyway. I'm waiting to load up on a helicopter along with my buddies. My platoon is spearheading the assault up Hill 881 North. The enemy has many soldiers up top and they are dug in as well as we are at Khe Sanh. It will be a hard and bitter struggle, but no question, we Marines will take the objective. You are little now and haven't the slightest idea of what's going on in the world, but what we are doing here concerns you as much as anyone. It's important for you to remember what the Bible says, "I am my brother's keeper." Someday when you come of age you too will render your services to your country. You do not have to join the Marine Corps because I did. Just do your duty, actually, your privilege. Yes, it is truly a privilege to serve one's country, especially during a time of war. War is far, far worse than hell. Men are torn apart like worn-out rag dolls. War has a smell all its own. The smell of charred flesh. War has its own sounds. The sounds of men dying. Bob, I hope you will never have to go to war. I hope you can stop this thing from spreading. I hope the men of peace will sit down and discuss living in peace, but alas, I hope in vain. I am nearly going crazy thinking about assaulting that hill. I'm a Marine and I shall not falter. I will be confident in the Lord and in the training as a Marine. Bob, if anything should happen to me, remember this: I am fighting for the right to choose my own religion. I'm fighting for you, Mom, Dad and Cindy. I want to make my own decisions and be my own man and yes, I am fighting for my flag and for my country which means so much to me. I'm so very proud to fight for it. I know that you will be, too. You know, I am over 18 years older than you and I have spent so little time with you, but you are near to me not so much in my mind, as in my heart. I hope your generation of people will respect what we are doing here. I hope that they understand that we, too, love life. I've lost many friends here and that saddens me greatly, however, I am a Marine. We are used to fighting with the odds stacked against us, yet our spirit is indomitable and our loyalty unquestionable. Well little brother, I felt like writing to you. Perhaps it sounds foolish and maybe it is, but you can never imagine what it's like not knowing if I'm coming back down off that hill. I wanted you to have something from me to you. I love you, little brother, but you are too young to know that, but some day you will. I will leave now, time is short. With much love, your brother John.

Lance Corporal John Tanney, Lima Company, 3rd Battalion, 26th Marines was killed in action later that same day, September 23, 1968. Thank you.

RECESS MOTION

Rep. Bettencourt moved that the House stand in recess for the purposes of the introduction of bills, receiving Senate messages, enrolled bill amendments, enrolled bill reports and forming Committees of Conference.

Adopted.

The House recessed at 1:50 p.m.

RECESS

(Rep. Jasper in the Chair)

ENROLLED BILLS REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bills numbered 30, 31, 47, 90, 133, 149, 258, 295, 313, 397, 419, 461, 532, 541, 544, 589, 594 and 647 and Senate Bills numbered 20, 32, 38, 47, 54, 105, 111, 121, 128 and 179.

Rep. Kidder, Sen. Prescott for the Committee

ENROLLED BILL AMENDMENTS

SB 116, relative to the manufactured housing installation standards board and relative to the definition of a modular building. (Amendment printed SJ 6-1-11)
Adopted.

SB 156-FN-L, authorizing retail vehicle dealers to act as agents of the division of motor vehicles for vehicle registration and title applications. (Amendment printed SJ 6-1-11)
Adopted.

RECESS

(Speaker O'Brien in the Chair)

SENATE MESSAGE**NONCONCURS WITH AMENDMENT****REQUESTS COMMITTEE OF CONFERENCE**

SB 91, relative to automatic fire suppression sprinklers.

The President appointed Sens. Barnes, Boutin and Merrill.

Rep. Bettencourt moved that the House accede.

Adopted.

The Speaker appointed Reps. Sterling, Ferrante, Betsey Patten and Burt.

CONCURRENCE

HB 51, relative to screening panel members for screening panels for medical injury claims.

HB 276-FN, relative to wine manufacturers.

HB 490-FN, adopting the interstate compact for juveniles.

HB 505-FN, making charter schools eligible for grants for leased space.

HB 565, establishing a dental hygienists committee within the board of dental examiners.

NONCONCURRENCE

HB 259, requiring the supreme court to adopt rules of evidence for the judicial branch family division.

HB 429, permitting a child 16 years of age or older to withdraw from school with parental permission.

CONCURRENCE WITH AMENDMENTS

SB 21, relative to exemptions from excavating and drainage permits.

SB 37, relative to the determination of residency for certain pupils.

SB 58-FN-A, adding qualified community development entities to the definition of "qualified investment company" under the business profits tax and the business enterprise tax.

SB 98, revising the international registration plan.

SB 99, relative to trailer brakes.

SB 125-FN-A, relative to the standards and burden of proof with respect to the business profits tax deduction for reasonable compensation attributable to owners of partnerships, limited liability companies, and sole proprietorships.

NONCONCURRENCE WITH AMENDMENT

SB 40, making technical corrections to meals and rooms tax laws.

RE-REFERRED TO COMMITTEE

CACR 6, relating to taxation. Providing that a 3/5 vote is required to pass legislation imposing new or increased taxes or license fees, or to authorize the issuance of state bonds and providing that the general court shall appropriate funds for payment of interest and installments of principle of all state bonds.

CACR 12, relating to public education. Providing that the general court shall have the authority to define standards for public education, establish standards of accountability, mitigate local disparities in educational opportunity and fiscal capacity, and have full discretion to determine the amount of state funding for education.

HB 110, requiring professional safety and security services personnel to report certain criminal offenses.

HB 145, permitting the audio and video recording of a law enforcement officer while in the course of his or her official duties.

HB 146, relative to the right of a jury to judge the application of the law in relationship to the facts in controversy.

HB 158, relative to the misuse of social security numbers.

HB 597, revising the child support guidelines based on an income shares model of calculating child support.

HB 648, relative to eminent domain petitions by public utilities.

COMMITTEE ASSIGNMENTS

The Speaker made the following changes to committee assignments:

Reps. Daler and Soltani on the Committee on Redress of Grievances.

Rep. Marshall Quandt on the Committee on State-Federal Relations and Veterans Affairs.

Rep. Laware off the Committee on Labor, Industrial and Rehabilitative Services and on the Committee on Transportation.

CONFEREE CHANGES

SB 3-FN-A-L, making comprehensive changes to the state retirement system.

Rep. Kappler replaced Rep. Sedensky.

RECESS

(Rep. Rodeschin in the Chair)

ENROLLED BILL AMENDMENT

HB 381, authorizing net metering for micro-combined heat and power systems.

Amendment (2120-EBA)

Amend RSA 362-A:9, I as inserted by section 3 of the bill by replacing line 12 with the following:

RSA 362-A:1-a, I-d.

Adopted.

RECESS

(Speaker O'Brien in the Chair)

SENATE MESSAGES

REQUESTS CONCURRENCE WITH AMENDMENTS

HB 1-A, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2012 and June 30, 2013. (Amendment printed SJ 6-1-11)

Rep. Chandler moved that the House nonconcur and request a Committee of Conference.

Adopted.

The Speaker appointed Reps. Weyler, Belvin, William Smith, Kurk and Lynne Ober.

Alternates: Reps. Stepanek, Thomas Keane and Dan McGuire.

HB 2-FN-A-L, relative to state fees, funds, revenues, and expenditures. (Amendment printed SJ 6-1-11)

Rep. Chandler moved that the House nonconcur and request a Committee of Conference.

Adopted.

The Speaker appointed Reps. Lynne Ober, Weyler, Kurk, Belvin and William Smith.

Alternates: Reps. Sova, Major and Carol McGuire.

HB 462-FN, relative to the determination of employer assessments for excess benefits paid by employers in the retirement system. (Amendment printed SJ 6-1-11)

Rep. Chandler moved that the House nonconcur and request a Committee of Conference.

Adopted.

The Speaker appointed Reps. Hawkins, Sedensky, Bowers and Winter.

RECESS

(Rep. Bettencourt in the Chair)

ENROLLED BILL REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bill numbered 291.

Rep. Kidder, Sen. Prescott for the Committee

ENROLLED BILL AMENDMENTS

HB 175, relative to technical changes in life, accident, and health insurance.

Amendment (2286-EBA)

Amend the bill by replacing all after section 9 with the following:

10 Health Services Corporations; Reference Additions; Contingent Version. RSA 420-A:2 is repealed and reenacted to read as follows:

420-A:2 Applicable Statutes. Every health service corporation shall be governed by this chapter and the relevant provisions of RSA 161-H, and shall be exempt from this title except for the provisions of RSA 400-A:39, RSA 401-B, RSA 402-C, RSA 404-F, RSA 415-A, RSA 415-F, RSA 415:6, II(4), RSA 415:6-g, RSA 415:6-k, RSA 415:6-m, RSA 415:6-o, RSA 415:18, V, RSA 415:18, VII(g), RSA 415:18, XVI and XVII, RSA 415:18, VII-a, RSA 415:18-a, RSA 415:18-j, RSA 415:18-o, RSA 415:18-r, RSA 415:18-t, RSA 415:18-u, RSA 415:18-v, RSA 415:22, RSA 417, RSA 417-E, RSA 420-J, and all applicable provisions of title XXXVII wherein such corporations are specifically included. Every health service corporation and its agents shall be subject to the fees prescribed for health service corporations under RSA 400-A:29, VII.

11 Health Maintenance Organizations; Reference Additions; Contingent Version. RSA 420-B:20, III is repealed and reenacted to read as follows:

III. The requirements of RSA 400-A:39, RSA 401-B, RSA 402-C, RSA 404-F, RSA 415:6-g, RSA 415:6-m, RSA 415:6-o, RSA 415:18, VII(g), RSA 415:18, VII-a, RSA 415:18, XVI and XVII, RSA 415:18-j, RSA 415:18-r, RSA 415:18-t, RSA 415:18-u, RSA 415:18-v, RSA 415-A, RSA 415-F, RSA 420-G, and RSA 420-J shall apply to health maintenance organizations.

12 Contingency. If HB 31 of the 2011 legislative session becomes law, sections 10 and 11 of this act shall take effect January 1, 2012 at 12:01 a.m. If HB 31 of the 2011 legislative session does not become law, sections 10 and 11 of this act shall not take effect.

13 Effective Date.

I. Section 8 and 9 of this act shall take effect upon its passage.

II. Sections 10 and 11 of this act shall take effect as provided in section 12 of this act.

III. The remainder of this act shall take effect 60 days after its passage.

Adopted.

HB 585, proclaiming the third week of October as New Hampshire history week.

Amendment (2275-EBA)

Amend section 2 of the bill by replacing lines 2-3 with the following:

Amend RSA 4 by inserting after section 13-p the following new section:

4:13-q New Hampshire History Week. The governor shall annually issue a proclamation calling
Adopted.

CONFEREE CHANGES

HB 1-A, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2012 and June 30, 2013.

Rep. Cebrowski replaced Rep. Thomas Keane.

RECESS**(Speaker O'Brien in the Chair)**

Rep. Tucker moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 21

Wednesday, June 8, 2011

The House assembled at 1:00 p.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Roger Boucher.

On this day, Lord, keep us observant of the traditions of civility. Keep us keen to avoid the fallacies which accompany mediocrity. Give us cool minds and hearts as well as the coolness of Your garden. Let Your face shine upon us and be gracious to us and give us Your peace. Amen.

Representative Peter Bolster, member from Alton, led the Pledge of Allegiance.

Representative James Garrity of Atkinson led the singing of the National Anthem.

LEAVES OF ABSENCE

Reps. Chirichiello, Eaton, Fesh, Hofemann and Tobin, the day, illness.

Reps. Robert Elliott, Gargas, Hatch, Thomas Keane, Lundgren, John O'Connor, Michael Reed, Scala, Edwin Smith, Todd Smith, Kevin Sullivan and Waterhouse, the day, important business.

INTRODUCTION OF GUESTS

Gwenyth Dawson and Sheila Peterson, mother and daughter of Rep. Peterson. Joanne Jacobs, guest of Reps. Matt and Lee Quandt. Theodore Groh, guest of Rep. Daler. The Honorable Bob Perry, former member from Strafford, guest of Rep. Horrigan. Alice and Norman Tregenza, Bruce and Rae Gordon, parents and guests of Rep. Tregenza.

Speaker O'Brien addressed the House.

MOTION TO PRINT REMARKS

Rep. Bettencourt moved that the remarks made by Speaker O'Brien be printed in the Permanent Journal.

Adopted.

MEMORIAL REMARKS FOR GOVERNOR WALTER PETERSON

Speaker O'Brien: Governor Walter Peterson was a New Hampshire icon, and a tremendous champion for many important civic and charitable causes across New Hampshire and he leaves a great hole for us all to step up and fill. Governor Peterson's life was spent in service to the state and country he loved. From his military service in the Pacific during World War II to his days in the State House, and then as president of Franklin Pierce College, he served this state well. We offer our heartfelt condolences to his family, especially to his son, and our former colleague, Andy Peterson. We join with the Peterson family and fellow Granite Staters in remembering and celebrating Governor Peterson's many accomplishments.

MOMENT OF SILENCE

A moment of silence was observed in honor and in memory of former Governor Walter Peterson.

COMMITTEE OF CONFERENCE REPORT ON SENATE BILLS

COMMITTEE OF CONFERENCE REPORT ON SB 3

Committee of Conference Report on SB 3-FN-A-LOCAL, an act making comprehensive changes to the state retirement system.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing all after the enacting clause with the following:

1 Findings; Intent. The New Hampshire general court makes the following findings of fact and states the following intent and purpose for this act.

I. Immediate action is necessary to make the New Hampshire retirement system (NHRS) viable and solvent.

(a) NHRS is the successor to the State Employees' Retirement System. NHRS was created and established as of July 1, 1967. The NHRS was intended to and does establish a defined benefit pension plan qualified under Section 401(a) of the United States Internal Revenue Code (IRC). The NHRS plan is a governmental plan within the meaning of Section 414(d) of the IRC.

(b) As a defined benefit pension plan, the provisions of NHRS describe benefits which will be made available to members as vested deferred retirement benefits payable on retirement or on events such as disability or death. Benefits pursuant to the NHRS are payable after a period of years during which members accrue creditable service. Members are deemed to be in vested status for those benefits after 10 years of creditable service.

(c) As a governmental plan, the NHRS is only available to governmental employers.

(d) The NHRS is funded with contributions from members, through mandatory payroll deductions, and with contributions from the governmental employers, all of which are raised through taxation. Such contributions are held in trust by the NHRS Board of Trustees; funds held by the trust are held and invested on behalf of all members.

(e) As a defined benefit pension plan, the NHRS requires actuarial calculations in order to determine benefits which are payable as well as funding obligations.

(f) The benefit calculations which are required by the NHRS generate funding obligations which are complex and depend on numerous variables with consequences that occur over a period of many years, in some circumstances in ways that are not foreseeable.

(g) The NHRS has an estimated unfunded pension liability of \$3.72 billion and an estimated unfunded medical insurance liability of \$976 million.

(h) In 2007, legislation was adopted to require the state and other public employers to pay down over 30 years the unfunded accrued liability, which was approximately \$2.7 billion at the time. While that plan is now being implemented, large increases in the amount of the unfunded liability result in the current \$4.7 billion total, uncertainties in future market returns, recommendations by NHRS actuaries to lower income earning assumptions, rapid increases in medical costs, increases in life expectancy, and slower growth in public sector employment require prudent legislative intervention to ensure financial viability of NHRS.

(i) Financial viability of the NHRS is essential to the operation of state government and local government performing its constitutional and statutory obligations. Therefore, the stability of NHRS is an important, immediate, and fundamental necessity.

(j) The Pew Institute has concluded that unfunded pension and health care liabilities are a nationwide problem, estimated at over \$1 trillion. Additionally, the level of direct federal debt in excess of \$14 trillion means that federal funding to the states will have to be significantly reduced in the near future. Thus, the state cannot expect assistance from the federal government in meeting NHRS obligations, and indeed it is reasonable to anticipate a loss in federal funds.

(k) The NHRS plan (and its trust) was created by the New Hampshire legislature and can be amended or terminated by the New Hampshire legislature at any time. Notwithstanding the general court's power, it is the general court's intention and public necessity to protect the reasonable interests of the members who accrue benefits under the NHRS plan, of the employers of those members, and of the citizens of New Hampshire.

(l) It is the legislature's intention that its actions taken at this time will not prevent future legislatures from acting to make any and all laws necessary and proper to preserve the public security, order, health, morality and justice, including further changes to the NHRS.

(m) The legislature's ongoing power to amend the NHRS is a fundamental power essential to government, and cannot and will not be surrendered by the legislature or irrevocably transferred away from government.

(n) The legislature finds that members who are deemed to be in vested status should be treated differently than members who are not deemed to be in vested status.

(o) The legislature finds that pension entitlements must be viewed in terms of benefits which have accrued up to the time when valuation is determined, and that such entitlements can be essentially expressed as a dollar value by taking into account the time value of money.

(p) The legislature finds that participants who are deemed to be in vested status in the NHRS have a reasonable expectation that the value of benefits which have accrued to them will not be taken away, although they may be changed prospectively.

(q) The legislature intends that the present value of accrued benefits for members who are deemed to be vested will not be diminished financially, as determined based upon an actuarial determination.

(r) It is the legislature's intention that benefits of members who have already retired will not be significantly diminished or impaired.

(s) The legislature does not intend that the rate of future benefit accruals is or should be protected.

(t) It is the legislature's intention that changes to the NHRS are and will continue to be constrained by the Internal Revenue Code tax qualification requirements imposed by Code Section 401(a) and related guidance; that is, changes will be made, or will not be made, in order to protect the NHRS qualified status.

II. Making NHRS viable and solvent through the actions to be undertaken pursuant to this legislation is a matter of extreme policy importance to the state.

(a) On average, benefits currently constitute an additional 52 percent increase to the cost of state employee salaries.

(b) These benefits paid by the NHRS are significantly higher than are paid in the private sector and cannot be sustained. Public employees are increasingly not cost-competitive with private alternatives to providing state and municipal services.

(c) Absent the actions to be taken pursuant to this legislation, it is likely that the state and its political subdivisions will not be able to afford to continue providing governmental services directly, but will have to provide these services through private alternatives.

(d) Public employee contributions to their pensions have not been increased for many years.

(e) Public employer contributions have been increasing significantly, erratically, and unpredictably in amounts that are undermining state and local government budgets, the public policies reflected in these budgets, and the ability of the state and local government to perform core constitutional and statutory obligations.

(f) Public employees provide state and municipal services which are essential to residents and visitors. Without changes to address the unsustainable increases in the costs of public employee benefits, however, the state and local governments will be forced to reduce the number of public employees, and shrink public service, in order to fund these growing benefit costs. The general court finds that such a result would be detrimental to the ability of state and local government to protect the lives, health, morale, comfort, and general welfare of the public.

(g) Increasing employer contributions would result in significant harm to the state's economy.

(h) Taxes to fund employer contributions are imposing an unreasonable burden on taxpayers.

III. This act contains the minimum actions necessary to assure the viability and solvency of the NHRS.

(a) The changes to be made to the NHRS at this time pursuant to this act are essential to assuring the solvency of the NHRS, addressing its structural problems, and balancing reforms fairly among employee classes, while minimizing the impact on present employees, especially those closest to retirement.

(b) The legislature specifically finds after many public hearings, hours of studying the issue, and hours of debate, that this act constitutes the minimum actions necessary to assure the viability and solvency of the NHRS.

(c) The response of public sector employers to significantly increasing premium contributions has been to reduce their number of employees. Without significant reform to the NHRS, this trend is likely to escalate.

(d) Absent this legislation, public safety, public education, and other elements of the social safety net will be increasingly compromised and unable to provide services to the public.

(e) This legislation represents the minimum reform necessary to continue to provide appropriate public safety, public education, and other governmental services.

(f) Where public sector employers have raised taxes to pay for increasing pension contributions, there has been an adverse effect on job growth and retention.

(g) Raising taxes to pay for increasing pension contributions, would discourage business from relocating to this state and encourage businesses to move from New Hampshire or expand their operations in other states.

(h) The legislature specifically finds after many public hearings, hours of studying the issue and hours of debate, that raising taxes to address NHRS' issues would be harmful to the state's economy, the quality of life of its citizens, place New Hampshire at a competitive disadvantage to other states, and would be against the public interest.

(i) The financial viability of the NHRS must be preserved, as it serves an important public purpose. The general court expressly finds that the changes made in this act are reasonable and necessary, and are the minimum adjustments possible to the retirement system and to public employee retirement benefits to accomplish the important public purpose of preserving and maintaining the ability of the state and local government to provide retirement benefits to public employees.

(j) The changes set forth in this act have been deliberately designed to adjust the system fairly among employee classes, to introduce changes in a way to minimize the impact on present employees, especially those closest to retirement, and to improve the long-term fiscal health and sustainability of the retirement system.

2 Retirement System; Definition of Earnable Compensation. Amend RSA 100-A:1, XVII to read as follows:

XVII. "Earnable compensation" shall mean:

(a) For [aH] members *who have attained vested status prior to January 1, 2012* the full base rate of compensation paid, *as determined by the employer*, plus any overtime pay, holiday and vacation pay, sick pay, longevity or severance pay, cost of living bonus, additional pay for extracurricular and instructional activities [~~or for other extra or special duty~~], and any military differential pay, plus the fair market value of non-cash compensation paid to, or on behalf of, the member for meals or living quarters if subject to federal income tax, but excluding other compensation except cash incentives paid by an employer to encourage members to retire, supplemental pay paid by the employer while the member is receiving workers' compensation, and teacher development pay that is not part of the contracted annual salary. *Compensation for extra and special duty, as reported by the employer, shall be included but limited during the highest 3 years of creditable service as provided in paragraph XVIII.* However, earnable compensation in the final 12 months of creditable service prior to termination of employment shall be limited to 1-1/2 times the higher of the earnable compensation in the 12-month period preceding the final 12 months or the highest compensation year as determined for the purpose of calculating average final compensation, but excluding the final 12 months. Any compensation received in the final 12 months of employment in excess of such limit shall not be subject to member or employer contributions to the retirement system and shall not be considered in the computation of average final compensation. Provided that, the annual compensation limit for members of governmental defined benefit pension plans under section 401(a)(17) of the United States Internal Revenue Code of 1986, as amended, shall apply to earnable compensation for all employees, teachers, permanent firemen, and permanent policemen who first become eligible for membership in the system on or after July 1, 1996. Earnable compensation shall not include compensation in any form paid later than 120 days after the member's termination of employment from a retirement eligible position, with the limited exceptions of disability related severance pay paid to a member or retiree no later than 120 days after a decision by the board of trustees granting the member or retiree disability retirement benefits pursuant to RSA 100-A:6 and of severance pay which a member was entitled to be paid within 120 days after termination but which, without the consent of the member and not through any fault of the member, was paid more than 120 days after the member's termination. The member shall have the burden of proving to the board of trustees that any severance payment paid later than 120 days after the member's termination of employment is earnable compensation and meets the requirements of an asserted exception to the 120-day post-termination payment requirement.

(b)(1) *For members who have not attained vested status prior to January 1, 2012, the full base rate of compensation paid, as determined by the employer, plus compensation over base pay. Compensation over base pay shall include as applicable, subject to subparagraphs (2), (3), and (4), any overtime pay, holiday and vacation pay, sick pay, cost of living bonus, annual longevity pay, additional pay for extracurricular and instructional activities, compensation for extra and special duty, and any military differential pay, plus the fair market value of non-cash compensation paid to, or on behalf of, the member for meals or living quarters if subject to federal income tax, but excluding other compensation except supplemental pay paid by the employer while the member is receiving workers' compensation and teacher development pay that is not part of the contracted annual salary.*

(2) *Compensation over base pay shall be limited during the highest 5 years of creditable service as provided in paragraph XVIII.*

(3) *Earnable compensation shall not include compensation for extra and special duty for members who commence service on and after July 1, 2011.*

(4) Earnable compensation shall not include incentives to encourage members to retire, severance pay or end-of-career additional longevity payments, and pay for unused sick or vacation time. Earnable compensation in the final 12 months of creditable service prior to termination of employment shall be limited to 1-1/2 times the higher of the earnable compensation in the 12-month period preceding the final 12 months or the highest compensation year as determined for the purpose of calculating average final compensation, but excluding the final 12 months. Any compensation received in the final 12 months of employment in excess of such limit shall not be subject to member or employer contributions to the retirement system and shall not be considered in the computation of average final compensation. Provided that, the annual compensation limit for members of governmental defined benefit pension plans under section 401(a)(17) of the United States Internal Revenue Code of 1986, as amended, shall apply to earnable compensation for all employees, teachers, permanent firemen, and permanent policemen who first become eligible for membership in the system on or after July 1, 1996. Earnable compensation shall not include compensation in any form paid later than 120 days after the member's termination of employment from a retirement eligible position.

3 Applicability; Earnable Compensation. For members of the retirement system who were in active status immediately prior to the effective date of section 2 of this act, the provisions of RSA 100-A:1, XVII as amended by section 2 of this act shall not apply until January 1, 2012.

4 Retirement System; Definitions; Average Final Compensation. Amend RSA 100-A:1, XVIII to read as follows:

XVIII. "Average final compensation" shall mean:

(a) For members who have attained vested status prior to January 1, 2012, the average annual earnable compensation of a member during his or her highest 3 years of creditable service, or during all of the years in his or her creditable service if less than 3 years. For purposes of this calculation, the inclusion of the average annual compensation for extra and special duty in the 3 years shall not exceed the average annual amount of compensation for extra and special duty paid to the members over the member's last 7 years or over all of the years in his or her creditable service if less than 7 years.

(b) For members who commenced service on or after July 1, 2011 or who have not attained vested status prior to January 1, 2012, the average annual earnable compensation of a member during his or her highest 5 years of creditable service, or during all of the years in his or her creditable service if less than 5 years. For purposes of this calculation, inclusion of compensation in each of the highest 5 years which is in excess of the full base rate of compensation paid as determined by the employer shall not exceed the average annual amount of compensation over base pay paid to the member over all the member's years of service on or after January 1, 2012, but excluding the highest 5 years.

5 Maximum Initial Benefit. Amend RSA 100-A:6-a to read as follows:

100-A:6-a Maximum Retirement Benefit. Notwithstanding any other provision of this chapter to the contrary, for members who commenced service before July 1, 2009, a member's initial calculation of the retirement benefit granted under the provisions of RSA 100-A:5 or RSA 100-A:6 shall not exceed 100 percent of the member's highest year of earnable compensation. ~~[For members who commenced service on or after July 1, 2009, a member's maximum retirement benefit granted under the provisions of RSA 100-A:5 or RSA 100-A:6 shall not exceed \$120,000.]~~ *For members who commenced service on or after July 1, 2009 or have not attained vested status prior to January 1, 2012, a member's maximum retirement benefit granted under the provisions of RSA 100-A:5 or RSA 100-A:6 shall not exceed the lesser of 85 percent of the member's average final compensation or \$120,000.* Nothing in this section shall affect the ability of a member to receive disability benefits pursuant to RSA 100-A:6, II(b) and (c). This provision shall not limit the application of supplemental allowances ~~[under RSA 100-A:41-a]~~.

6 State Employees; Medical and Surgical Benefits; Eligibility. Amend RSA 21-I:30 to read as follows:

21-I:30 Medical and Surgical Benefits.

I. The state shall pay a premium for each state employee and permanent temporary or permanent seasonal employee as defined in RSA 98-A:3 including spouse and minor, fully dependent children, if any, and each retired employee, as defined in paragraph II of this section, and his or her spouse, or retired employee's beneficiary, only if an option was taken at the time of retirement and the employee is not now living, toward group hospitalization, hospital medical care, surgical care and

other medical benefits plan or a self-funded alternative within the limits of the funds appropriated at each legislative session and providing any change in plan or vendor is approved by the fiscal committee of the general court prior to its adoption. Funds appropriated for this purpose shall not be transferred or used for any other purpose.

II. For the purposes of this section, "retired employee" means each group I state employee who:

(a)(1) Has at least 10 years of creditable service for the state if the employee's service began prior to July 1, 2003 or 20 years of creditable service if the employee's service began on or after July 1, 2003 **and prior to July 1, 2011**, and who also is at least 60 years of age at the time of retirement; or

(2) **Has at least 20 years of creditable service if the employee's service began on or after July 1, 2011, and who also is at least 60 years of age at the time of retirement, provided the employee shall not be eligible to receive benefits under this section until attaining 65 years of age; or**

(b) Has at least 30 years of creditable service for the state at the time of retirement **if the employee's service began prior to July 1, 2011**, regardless of the employee's age; or

(c) Is but for the provisions of 1989, 376:10, otherwise eligible to receive medical and surgical benefits under this section notwithstanding subparagraphs (a) and (b), and paragraph IV, on June 30, 1989, and who retires between July 1, 1989, and June 30, 1994; or

(d) Dies or retires and is eligible for accidental death or accidental disability retirement benefits, regardless of the state employee's age or number of years of creditable service; or

(e) Retires and is eligible for ordinary disability retirement benefits, regardless of the state employee's age; or

(f) Dies and is eligible for ordinary death retirement benefits, if the state employee was eligible for service retirement at the time of his **or her** death, if the state employee had at least 10 years of creditable service for the state if the employee's service began prior to July 1, 2003 or 20 years of creditable service if the employee's service began on or after July 1, 2003.

II-a. For the purposes of this section, "retired employee" also means each group II state employee who:

(a) Retires if the employee's state service began prior to July 1, 2010 or who retires with at least 20 years of creditable service for the state if the employee's state service began on or after July 1, 2010; or

(b) Dies or retires and is eligible for accidental death or accidental disability retirement benefits, regardless of the state employee's age or number of years of creditable service; or

(c) Retires and is eligible for ordinary disability retirement benefits, regardless of the state employee's age; or

(d) Dies and is eligible for ordinary death retirement benefits, if the state employee was eligible for service retirement at the time of his or her death, if the state employee had at least 20 years of creditable service for the state if the employee's state service began on or after July 1, 2010.

III. Any vested deferred state retiree may receive medical and surgical benefits under this section if the vested deferred state retiree is eligible. To be eligible, a group I vested deferred state retiree shall have at least 10 years of creditable service with the state if the employee's service began prior to July 1, 2003 or 20 years of creditable service with the state if the employee's service began on or after July 1, 2003 and a group II vested deferred state retiree shall have at least 20 years of creditable service with the state if the employee's service with the state began on or after July 1, 2010. In addition, if the vested deferred state retiree is a member of group I, such retiree shall be at least 60 years of age to be eligible. If the vested deferred state retiree is a member of group II **who is in vested status before January 1, 2012**, such retiree shall not be eligible until 20 years from the date of becoming a member of group II and shall be at least 45 years of age, **and any group II member who commenced service on or after July 1, 2011 shall not be eligible until 25 years from the date of becoming a member of group II and shall be at least 50 years of age, and group II members who have not attained vested status prior to January 1, 2012 shall be as provided in the transition provisions in RSA 100-A:5, II(d).**

IV. Each state employee who has at least 10 years of creditable service for the state if the employee's service began prior to July 1, 2003 or 20 years of creditable service if the employee's service began on or after July 1, 2003 **and prior to July 1, 2011**, and who elects to take a reduced service

retirement allowance shall be defined as a “retired employee” for the purposes of being eligible to receive medical and surgical benefits under this section when the state employee reaches age 60.

V. No state employee who terminates his or her state service before he or she becomes eligible for retirement benefits as a “retired employee” as defined under paragraphs II-IV shall be eligible for medical and surgical benefits under this section.

VI. A state employee who commences service on or after July 1, 2011 and who is eligible for benefits under this section shall not receive such benefit until attaining age 52.5 if the state employee retired from group II service with the state or attaining age 65 if the state employee retired from group I service with the state.

7 Service Retirement Benefits. Amend RSA 100-A:5 to read as follows:

100-A:5 Service Retirement Benefits.

I. Group I Members.

(a) Any group I member may retire on a service retirement allowance upon written application to the board of trustees setting forth at what time, not less than 30 days nor more than 90 days subsequent to the filing thereof, the member desires to be retired, provided the member at the time so specified for retirement has attained age 60 and notwithstanding that during such period of notification the member may have separated from service. For the purposes of this section, a teacher member of group I who remains in service throughout a school year shall be deemed to be in service during July and August at the end of such school year. ***Provided, however, that a group I member who commenced service on or after July 1, 2011 shall not receive a service retirement allowance until attaining the age of 65; but may receive a reduced allowance after age 60 if the member has at least 30 years of creditable service where the allowance shall be reduced, for each month by which the date on which benefits commence precedes the month after which the member attains 65 years of age, by 1/4 of one percent.***

(b) Upon service retirement, an employee member or teacher member of group I shall receive a service retirement allowance which shall consist of a member annuity which shall be the actuarial equivalent of the member’s accumulated contributions at the time of retirement, and a state annuity. Prior to the member’s attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/60 of the member’s average final compensation multiplied by the number of years of creditable service. After attainment of age 65, the state annuity, together with the member annuity, shall be equal to 1/66 of the member’s average final compensation multiplied by the number of years of creditable service. ***Provided, however, that a group I member who commenced service on or after July 1, 2011 shall not receive a service retirement allowance until attaining the age of 65; but may receive a reduced allowance after age 60 if the member has at least 30 years of creditable service where the allowance shall be reduced, for each month by which the date on which benefits commence precedes the month after which the member attains 65 years of age, by 1/4 of one percent.***

(c) Notwithstanding any other provision of law, any group I member ***who commenced service prior to July 1, 2011*** who meets the requirements of RSA 100-A:10, I(a), and who has either completed at least 20 years of creditable service which, when combined with his ***or her*** age equals at least 70 years, or who has attained the age of 50, but not the age of 60, may elect to retire and have benefits commence immediately as a reduced service retirement allowance upon written application to the board of trustees setting forth the time, not less than 30 days nor more than 90 days subsequent to the filing thereof, at which the member desires to have benefits commence. The service retirement allowance shall be determined in accordance with RSA 100-A:5, I(b) and shall be reduced, for each month by which the date on which benefits commence precedes the month after which the member attains 60 years of age, by 1/8 of one percent if the member has 35 years or more of creditable service, by 1/4 of one percent if the member has 30 years but less than 35 years of creditable service, by 1/3 of one percent if the member has at least 25 years but less than 30 years of creditable service, by 5/12 of one percent if the member has at least 20 years but less than 25 years of creditable service, and by 5/9 of one percent if the member has less than 20 years of creditable service.

(d) [Repealed.]

II. Group II Members.

(a) Any group II member in service, ***who is in vested status before January 1, 2012***, who has attained age 45 and completed 20 years of creditable service, ***and any group II member who commenced service on or after July 1, 2011 who has attained age 50 and completed 25 years of***

creditable service, and group II members who have not attained vested status prior to January 1, 2012 as provided in the transition provisions in RSA 100-A:5, II(d), or any group II member in service who has attained age 60 regardless of the number of years of creditable service, may retire on a service retirement allowance upon written application to the board of trustees setting forth at what time not less than 30 days nor more than 90 days subsequent to the filing thereof the member desires to be retired, notwithstanding that during such period of notification the member may have separated from service. Provided, however, that a group II member who commenced service on or after July 1, 2011 shall not receive a service retirement allowance until attaining the age of 52.5; but may receive a reduced allowance after age 50 if the member has at least 25 years of creditable service where the allowance shall be reduced, for each month by which the date on which benefits commence precedes the month after which the member attains 52.5 years of age, by 1/4 of one percent.

(b) Upon service retirement, a group II member shall receive a service retirement allowance which shall consist of:

(1) A member annuity which shall be the actuarial equivalent of his *or her* accumulated contributions at the time of retirement; and

(2) *For members who are in vested status before January 1, 2012*, a state annuity which, together with his *or her* member annuity, shall be equal to 2-1/2 percent of his *or her* average final compensation multiplied by the number of years of his *or her* creditable service not in excess of 40 years, *or for members who commenced service on or after July 1, 2011, a state annuity which, together with his or her member annuity, shall be equal to 2 percent of his or her average final compensation multiplied by the number of years of his or her creditable service not in excess of 42.5 years, and group II members who have not attained vested status prior to January 1, 2012 shall be as provided in the transition provisions in RSA 100-A:5, II(d) with the maximum number of years of creditable service not in excess of 40.5 years.*

(3) *Provided, however, that a group II member who commenced service on or after July 1, 2011 shall not receive a service retirement allowance until attaining the age of 52.5; but may receive a reduced allowance after age 50 if the member has at least 25 years of creditable service where the allowance shall be reduced, for each month by which the date on which benefits commence precedes the month after which the member attains 52.5 years of age, by 1/4 of one percent.*

(c)(1) Notwithstanding any provision of RSA 100-A to the contrary, any group II member who *is in vested status before January 1, 2012 and* has retired on or after the effective date of this subparagraph after attaining the age of 45 with at least 20 years of creditable service, *and any group II member who commenced service on or after July 1, 2011 and retires after the effective date of this subparagraph after attaining the age of 50 with at least 25 years of creditable service, and group II members who have not attained vested status prior to January 1, 2012 who qualify as provided in the transition provisions in RSA 100-A:5, II(d),* shall receive a minimum annual service retirement allowance of \$10,000. If such group II member has elected to convert the retirement allowance into an optional allowance for the surviving spouse under RSA 100-A:13, the surviving spouse shall be entitled to a proportional share of the \$10,000.

(2) [Repealed.]

(3) [Repealed.]

(d) *Active group II members who commenced service prior to July 1, 2011 and who have not attained vested status prior to January 1, 2012 shall be subject to the following transition provisions for years of service required for regular service retirement, the minimum age for regular service retirement, and the multiplier used to calculate the retirement annuity, which shall be applicable on or after January 1, 2012 according to the following table:*

<u>Creditable service</u> <u>on January 1, 2012</u>	<u>Minimum years of service</u>	<u>Minimum age attained</u>	<u>Annuity multiplier</u>
(1) <i>Less than 4 years</i>	24	age 49	2.1%
(2) <i>At least 4 years but less than 6 years</i>	23	age 48	2.2%
(3) <i>At least 6 years but less than 8 years</i>	22	age 47	2.3%
(4) <i>At least 8 years but less than 10 years</i>	21	age 46	2.4%

8 Ordinary Disability Retirement; Group II. Amend RSA 100-A:6, II(b) to read as follows:

(b) Upon ordinary disability retirement, the group II member shall receive an ordinary disability retirement allowance which shall consist of: a member annuity which shall be the actuarial equivalent of his *or her* accumulated contributions at the time of his *or her* ordinary disability retirement; and a state annuity which, together with his *or her* member annuity, *for members who are in vested status before January 1, 2012*, shall be equal to 2-1/2 percent of his *or her* average final compensation at the time of [his] ordinary disability retirement multiplied by the number of years of his *or her* creditable service not in excess of 40 at the time of [his] ordinary disability retirement, *or for members who commenced service on or after July 1, 2011, shall be equal to 2 percent of his or her average final compensation at the time of ordinary disability retirement multiplied by the number of years of his or her creditable service not in excess of 42.5 at the time of ordinary disability retirement, and group II members who have not attained vested status prior to January 1, 2012 shall be as provided in the transition provisions in RSA 100-A:5, II(d) with the maximum number of years of creditable service not in excess of 40.5 years* provided, however, that such allowance shall not be less than 25 percent of the member's final compensation at the time of his *or her* disability retirement.

9 Accidental Disability Retirement; Group II. Amend RSA 100-A:6, II(d) to read as follows:

(d) Upon accidental disability retirement, the group II member shall receive an accidental disability retirement allowance equal to 2/3 of his *or her* average final compensation at the time of [his] disability retirement.

(1) *For members who are in vested status before January 1, 2012*, any group II member who has more than 26-2/3 years of service, a supplemental disability retirement allowance shall be paid. Such supplement shall be equal to 2-1/2 percent of his *or her* average final compensation multiplied by the number of years of his *or her* creditable service in excess of 26-2/3 but not in excess of 40 years.

(2) *For members who commenced service on or after July 1, 2011, any group II member who has more than 33-1/3 years of service, a supplemental disability retirement allowance shall be paid. Such supplement shall be equal to 2 percent of his or her average final compensation multiplied by the number of years of his or her creditable service in excess of 33-1/3 but not in excess of 42.5 years.*

(3) *For group II members who have not attained vested status prior to January 1, 2012 calculation of the supplemental allowance shall be as provided in the transition provisions in RSA 100-A:5, II(d) with the number of years for the supplement adjusted proportionally.*

10 Vested Deferred Retirement. Amend RSA 100-A:10 to read as follows:

100-A:10 Vested Deferred Retirement Benefit.

I. Group I Members.

(a) A group I member who has completed 10 years of creditable service and who, for reasons other than retirement or death, ceases to be an employee or teacher shall be deemed in vested status and upon meeting the eligibility requirements of subparagraph (b) may collect a vested deferred retirement allowance. In lieu of a vested deferred retirement allowance, the member may make application on a form prescribed by the board of trustees and receive a return of the member's accumulated contributions under RSA 100-A:11. *Provided, however, that a group I member who commenced service on or after July 1, 2011 shall not receive a vested deferred retirement allowance until attaining the age of 65; but may receive a reduced allowance after age 60 if the member has at least 30 years of creditable service where the allowance shall be reduced, for each month by which the date on which benefits commence precedes the month after which the member attains 65 years of age, by 1/4 of one percent.*

(b) At any time after attainment of age 50, a group I member who meets the requirement of subparagraph (a) may make application on a form prescribed by the board of trustees and receive a vested deferred retirement allowance which shall consist of a member annuity which shall be the actuarial equivalent of the member's accumulated contributions on the date of retirement and a state annuity which, together with the member annuity, shall be equal to either the service retirement allowance payable under RSA 100-A:5, I(a) and I(b) or the reduced early service retirement allowance payable under RSA 100-A:5, I(c), based on the member's age when the vested deferred retirement allowance begins and on the member's average final compensation and creditable service at the time service is terminated. *Provided, however, that a group I member who commenced service on or after July 1, 2011 shall not receive a vested deferred retirement allowance until attaining the*

age of 65; but may receive a reduced allowance after age 60 if the member has at least 30 years of creditable service where the allowance shall be reduced, for each month by which the date on which benefits commence precedes the month after which the member attains 65 years of age, by 1/4 of one percent.

II. Group II Members.

(a) A group II member who has completed 10 years of creditable service and who, for reasons other than retirement or death, ceases to be a permanent policeman or permanent fireman shall be deemed in vested status and upon meeting the eligibility requirements of subparagraph (b) may collect a vested deferred retirement allowance. In lieu of a vested deferred retirement allowance, the member may make application on a form prescribed by the board of trustees and receive a return of the member's accumulated contributions under RSA 100-A:11. *Provided, however, that a group II member who commenced service on or after July 1, 2011 shall not receive a vested deferred retirement allowance until attaining the age of 52.5; but may receive a reduced allowance after age 50 if the member has at least 25 years of creditable service where the allowance shall be reduced, for each month by which the date on which benefits commence precedes the month after which the member attains 52.5 years of age, by 1/4 of one percent.*

(b) *For members who are in vested status before January 1, 2012*, upon the member's attainment of age 45, provided the member would then have completed 20 years of creditable service, otherwise the subsequent date on which such 20 years would have been completed, *or for members who commenced service on or after July 1, 2011, upon the member's attainment of age 50, provided the member would then have completed 25 years of creditable service, otherwise the subsequent date on which such 25 years would have been completed, and group II members who have not attained vested status prior to January 1, 2012 shall be as provided in the transition provisions in RSA 100-A:5, II(d)*, or at any time after age 60, a group II member who meets the requirement of subparagraph (a) may make application on a form prescribed by the board of trustees and receive a vested deferred retirement allowance which shall consist of: (1) A member annuity which shall be the actuarial equivalent of accumulated contributions on the date the member's retirement allowance commences; and (2) A state annuity which, together with the member annuity, shall be equal to a service retirement allowance based on the member's average final compensation and creditable service at the time the member's service is terminated. *Provided, however, that a group II member who commenced service on or after July 1, 2011 shall not receive a vested deferred retirement allowance until attaining the age of 52.5; but may receive a reduced allowance after age 50 if the member has at least 25 years of creditable service where the allowance shall be reduced, for each month by which the date on which benefits commence precedes the month after which the member attains 52.5 years of age, by 1/4 of one percent.*

11 Split Benefits; Minimum Age. Amend RSA 100-A:19-b, II to read as follows:

II.(a) For a member *who is in vested status before January 1, 2012 and*, who has completed 20 or more years of combined creditable service, one year shall be deducted from age 60 for each year of creditable group II service, provided that the age shall not be less than 45 years.

(b) *For a member who commenced service on or after July 1, 2011 and who has completed 25 or more years of combined creditable service, one year shall be deducted from age 60 for each year of creditable group II service, provided that the age shall not be less than 50 years, and provided that a the member shall not be eligible to receive a retirement allowance until attaining the age of 52.5.*

(c) *For members who have not attained vested status prior to January 1, 2012, minimum age shall be as provided in the transition provisions in RSA 100-A:5, II(d) with one year deducted from age 60 to not less than the adjusted minimum age.*

12 Split Benefits; Reduced Early Retirement. Amend RSA 100-A:19-d to read as follows:

100-A:19-d Reduced Early Retirement. Notwithstanding any other provision of law, any retirement system member who has creditable service in both group I and group II with at least 10 years combined creditable service, and who has attained an age which is at least 45 *for members who are in vested status with group II service before January 1, 2012 or at least 50 for members who commenced group II service on or after July 1, 2011, and group II members who have not attained vested status prior to January 1, 2012 shall be as provided in the transition provisions in RSA 100-A:5, II(d)*, and is within 10 years of the minimum age set forth in RSA 100-A:19-b, may elect to retire and have benefits commence immediately as a reduced split-benefit service retirement allowance. Application shall be as provided in RSA 100-A:5, I(c). The allowance shall

be determined as a split-benefit service retirement allowance in accordance with RSA 100-A:19-c, and the total combined split-benefit service allowance shall be reduced by the percentages shown in RSA 100-A:5, I(c), based on the total combined length of creditable service, for each month by which the date on which benefits commence precedes the month after which the member attains the minimum age set forth in RSA 100-A:19-b.

13 Financing; Member Contribution Rates; Group II Member Payroll Deduction. Amend RSA 100-A:16, I(a) to read as follows:

(a) The member annuity savings fund shall be a fund in which shall be accumulated the contributions deducted from the compensation of members to provide for their member annuities together with any amounts transferred thereto from a similar fund under one or more of the predecessor systems. Such contribution shall be, for each member, *and except as provided in RSA 100-A:16, II-a*, dependent upon the member's employment classification at the rate determined in accordance with the following table:

(1) [Employees of employers other than the state	5.00
Employees of the state hired on or before June 30, 2009	5.00
Employees of the state hired after June 30, 2009	7.00
Teachers	5.00]
Group I members,	7.00
(2) [Permanent Policemen	9.30
Permanent Firemen	9.30]
Group II permanent fireman members,	11.80
Group II permanent police members,	11.55

(aa) The board of trustees shall certify to the proper authority or officer responsible for making up the payroll of each employer, and such authority or officer shall cause to be deducted from the compensation of each member, except group II members *who are in vested status before January 1, 2012* with creditable service in excess of 40 years, *and group II members who commenced service on or after July 1, 2011 or who have not attained vested status prior to January 1, 2012 with creditable service in excess of 42.5 years* as provided in RSA 100-A:5, II(b) and RSA 100-A:6, II(b), on each and every payroll of such employer for each and every payroll period, the percentage of earnable compensation applicable to such member. No deduction from earnable compensation under this paragraph shall apply to any group II member *who is in vested status before January 1, 2012* with creditable service in excess of 40 years, *and any group II member who commenced service on or after July 1, 2011 or who have not attained vested status prior to January 1, 2012 with creditable service in excess of 42.5 years* as provided in RSA 100-A:5, II(b) and RSA 100-A:6, II(b), and this provision for such members shall not affect the method of determining average final compensation as provided in RSA 100-A:1, XVIII. In determining the amount earnable by a member in a payroll period, the board may consider the rate of compensation payable to such member on the first day of a payroll period as continuing throughout the payroll period and it may omit deduction from compensation for any period less than a full payroll period if such person was not a member on the first day of the payroll period, and to facilitate the making of deductions it may modify the deduction required of any member by such an amount as shall not exceed 1/10 of one percent of the annual earnable compensation upon the basis of which such deduction is made. The amounts deducted shall be reported to the board of trustees. Each of such amounts, when deducted, shall be paid to the retirement system at such times as may be designated by the board of trustees and credited to the individual account, in the member annuity savings fund, of the member from whose compensation the deduction was made.

14 New Paragraph; Alternative Contribution Calculation. Amend RSA 100-A:16 by inserting after paragraph II the following new paragraph:

II-a.(a) Notwithstanding the method of calculating member and employer contributions under this section, if for any year the board of trustees certifies that within a member classification the employer rates determined under paragraph III have lowered to require them to be equal to the member rates under paragraph I, then for all subsequent years following such certification the employer rates and the members rates for such member classification shall continue to be equal whether the system liabilities increase or decrease.

(b) The provisions of subparagraph (a) shall not take effect and shall be inapplicable to the retirement system calculation of contribution rates under this section if such provisions of subparagraph (a) would violate the requirements set forth in U.S. Treasury Regulation 1.401-1.

15 Retirement System; Administration; Membership of Board. Amend RSA 100-A:14, I to read as follows:

I. The administration of this system is vested in a board of ~~[14]~~ **13** trustees. Each newly appointed or reappointed trustee shall have familiarity with or experience in finance or business management. The state treasurer shall be an ex officio voting member of the board. The governor and council shall appoint ~~[2]~~ **4** trustees, to be known as nonmember trustees, who shall be qualified persons with investment and/or financial experience as provided in this paragraph and not be members of the system, and who shall serve for a term of 2 years and until their successors are appointed and qualified. The nonmember trustees of the board shall have substantial experience in the field of institutional investment or finance, taking into account factors such as educational background, business experience, and professional licensure and designations. The original appointment of ~~[one of]~~ the nonmember trustees shall be ~~[for a term of one year]~~ **made to provide for staggered terms**. The remaining ~~[11]~~ **8** members of the board shall consist of ~~[2 employees, 2 teachers, 2 permanent policemen, 2 permanent firemen, one member of the senate who shall be appointed annually by the senate president, one member of the house of representatives who serves on the executive departments and administration committee and who shall be appointed annually by the speaker of the house, and one person representing management in local government. Whenever a vacancy occurs, the senate president or the speaker of the house shall fill the vacancy in the same manner by appointing a senate or a house member who shall serve for the unexpired term.]; one employee member, one teacher member, one permanent police member, one permanent fireman member, and 4 employer members.~~ The New Hampshire state employees' association, the New Hampshire education association, the New Hampshire police association, **and** the New Hampshire state permanent firemen's association~~[-and the New Hampshire Local Government Center]~~ shall each annually nominate from their members a panel of 5 persons, all of whom ~~[except for the panel of the Local Government Center]~~ shall be active members of the retirement system~~[-or one of the 4 predecessor systems]~~, no later than May 31 of each year, and the panels so named shall be filed with the secretary of state no later than June 10 of each year. From ~~[each of]~~ the above named panels the governor and council shall appoint ~~[one person annually to]~~ **the active member trustees** of the board~~[-except for the panel of the Local Government Center, which shall have one person appointed every 2 years]~~ **as needed so as to maintain the representation on the board. The governor and council shall appoint the employer members of the board with one member nominated by the New Hampshire Association of Counties, one member nominated by the New Hampshire Municipal Association, one member nominated by the New Hampshire School Boards Association, and one member to represent management of state employees.** Members appointed to the board in the manner aforesaid shall serve for a term of 2 years. Each member so appointed shall hold office until his or her successor shall be appointed and qualified. Whenever a vacancy occurs, the governor and council shall fill the vacancy by appointing a member who shall serve for the unexpired term ~~[from the same panel from which the former member was appointed]~~. The governor shall designate one of the nonmember trustees to serve as chairman of said board of trustees.

16 Application; Board of Trustees Membership. Upon the effective date of this section, and based upon the suggestions submitted by the New Hampshire state employees' association, the New Hampshire education association, the New Hampshire police association, and the New Hampshire state permanent firemen's association, the governor and council shall determine which one of the 2 current member trustees in each of the 4 employee categories shall remain on the board. Upon a vacancy occurring in the membership on the board of trustees after the effective date of this section, the appointment of a trustee shall be made to reasonably conform to the trustee designations in RSA 100-A:14, I as amended by this act.

17 New Paragraph; Board of Trustees; Report to General Court. Amend RSA 100-A:14 by inserting after paragraph VII the following new paragraph:

VII-a. The board of trustees shall submit a report each quarter by January 1, April 1, July 1, and October 1, to the chairpersons of the house and senate executive departments and administration committees. Such report shall describe recent board actions including any changes to actuarial assumptions and investment returns.

18 Medical Benefits Subsidy; Payment by Retirement System. RSA 100-A:52, II is repealed and reenacted to read as follows:

II. For the fiscal year beginning July 1, 2011, the maximum amount payable by the retirement system under this subdivision on account of each person qualified under paragraph I who is not

entitled to Medicare benefits, shall be \$375.56 per month, and on account of each person qualified under paragraph I who is entitled to Medicare benefits, shall be \$236.84 per month. The rate payable under this paragraph shall not be increased.

19 Retirement System Membership. Amend RSA 100-A:3, I to read as follows:

I.(a) Any person who becomes an employee, teacher, permanent policeman, or permanent fireman after the date of establishment, working in a position for an employer under this chapter as determined by common law standards, shall become a member of the retirement system as a condition of employment. ***In addition, employees appointed to an unclassified position with no fixed term on or after July 1, 2011 shall become members of the retirement system as a condition of employment, if they are receiving benefits from the retirement system. Any retirement benefit collected by such an unclassified employee shall be suspended during the period of employment. Membership in the retirement system*** [~~;- except that membership~~] shall be optional in the case of elected officials, officials appointed for fixed terms, [~~unclassified state employees~~] ***employees appointed to an unclassified position with no fixed term prior to July 1, 2011,*** or those employees of the general court who are eligible for membership in the retirement system. Elected officials and officials appointed for fixed terms shall, however, be eligible for membership in the retirement system only under the following conditions:

(1) The office held is a full-time position with eligibility for the same fringe benefits as other full-time employees of the employer;

(2) The office held is the primary occupation of the person holding the office;

(3) The base rate of annual compensation for the office held is at least \$15,000, and requires at least 1,700 hours of employment; and

(4) The official satisfies the condition under subparagraphs (1)-(3) by using only one elected or appointed office to qualify.

(b) Any employee who is currently an employee of the general court who works on a full-time basis and who is eligible for other state benefits, but whose salary was or is calculated on a per diem basis shall be eligible to exercise those buy-back provisions set forth in RSA 100-A:3, VI(a), (b), and (c) for such previous service, only if the employee is currently a member in the retirement system.

(c) [Repealed.]

(d) The option in subparagraph (a) shall not be available in the case of any newly created positions for unclassified employees or officials whether appointed with fixed terms or with no fixed terms nor in the case of any newly appointed positions created by political subdivisions after July 1, 2011.

20 New Paragraph; Definition Added; Part-time Employment. Amend RSA 100-A:1 by inserting after paragraph XXXIII the following new paragraph:

XXXIV. "Part-time," for purposes of employment of a member, but excepting per diem court security officers and court bailiffs, means employment by an employer depending on the group classification of the employment as follows:

(a) For group I, in no instance shall part-time employment of the member exceed 32 hours in a normal calendar week.

(b) For group II, part-time employment of the member shall not exceed 32 hours in a normal calendar week; except for group II employment which in some instances may exceed 32 hours in any normal calendar week. In such case the part-time employment of the member shall not exceed 1,300 hours in a calendar year, so long as such part-time employment does not occur outside of a 5-consecutive-month period in any 12-month period.

21 Credit of Interest. Amend RSA 100-A:16, II(g) to read as follows:

(g) All interest and dividends earned on the funds of the retirement system shall be credited to the state annuity accumulation fund. The board of trustees shall allow interest [~~at such rate or rates as it shall determine from time to time~~] on the individual accounts of members in the member annuity savings fund and shall annually transfer such interest amount from the state annuity accumulation fund. ***The rate of interest shall be 2 percentage points less than either the most recent board of trustees approved assumed rate of return determined under RSA 100-A:16, II(h) or the actual rate of return, whichever is lower, for the immediately preceding fiscal year as reported in the comprehensive annual financial report (CAFR) as approved and accepted by the board of trustees by December 1 of each year, provided the rate shall not be less than zero.*** Such interest shall be compounded at an annual rate and shall be prorated and credited to the member annuity savings fund to the date of processing upon termination of active service for any reason including withdrawal, retirement, or death.

22 Management of Funds; Investment Committee. Amend RSA 100-A:15, I to read as follows:

I. The members of the board of trustees shall be the trustees of the several funds created hereby and shall set the investment policy relative to those funds. The independent investment committee shall have full power to invest and reinvest such funds in accordance with the policy set by the board. The board of trustees *and the members of the independent investment committee* shall have the powers, privileges, and immunities of a corporation. The independent investment committee shall have full power to hold, purchase, sell, assign, transfer, and dispose of any of the securities and investments in which any of the funds created hereby have been invested, as well as the proceeds of such investments in accordance with the policy set by the board. All of the assets and proceeds, and income therefrom, of the New Hampshire retirement system, and all contributions and payments made thereto, shall be held, invested, or disbursed in trust.

23 Independent Investment Committee Amend RSA 100-A:15, IX to read as follows:

IX. The non-trustee members of the independent investment committee shall be afforded the same liability insurance [and], indemnification, *and statutory protections* as board members.

24 Additional Temporary Supplemental Allowance; 2012 Added. Amend RSA 100-A:41-d, III to read as follows:

III. The supplemental allowance in this paragraph shall apply only for the fiscal years beginning July 1, 2008 up to and including the fiscal year beginning July 1, ~~[2011]~~ **2012**. In addition to paragraphs I and II, any retired member of the New Hampshire retirement system or any of its predecessor systems or any beneficiary of such retired member who is receiving an allowance, except for a retired state member, or his or her beneficiary, whose medical benefits are paid by the state pursuant to RSA 21-I, who is receiving a medical benefit subsidy payment under RSA 100-A:52 or RSA 100-A:52-a, shall be entitled to receive an additional supplemental allowance, in addition to the provisions of RSA 100-A:41-a, on the retired member's latest anniversary date. The amount of the additional temporary supplemental allowance under this paragraph shall be \$500 for retirees taking a one-person medical benefit and \$1,000 for retirees taking a 2-person medical benefit, paid from the respective component of the special account. Provided, however that no 2-person subsidy recipient may receive more than \$1,000 per year under this paragraph, and that once a recipient is entitled to Medicare, the additional allowance under this paragraph shall be reduced to 60 percent of the non-Medicare eligible retiree amounts.

25 Transfer of Balance of Special Account. Except for funds necessary to comply with the requirement of RSA 100-A:41-d, III as amended by this act, any funds remaining in the special account as of June 30, 2011 as determined on a generally accepted accounting principles basis shall be transferred to the respective components of the state annuity accumulation fund effective June 30, 2011.

26 Study Committee Established; Voluntary Defined Contribution Plan. There is established a committee to study the establishment of a federal tax qualified voluntary defined contribution plan.

I. The members of the committee shall be as follows:

(a) Three members of the senate, appointed by the president of the senate.

(b) Three members of the house of representatives, appointed by the speaker of the house of representatives.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

III. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named senate member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

IV. The committee shall report its findings and any recommendations for proposed legislation to the president of the senate, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 2011.

27 Study Committee Established; Disability, Medical Subsidy, COLAs. There is established a committee to study retirement system matters related to disability retirement, medical subsidies, and cost of living adjustments or supplemental allowances.

I. The members of the committee shall be as follows:

(a) Three members of the senate, appointed by the president of the senate.

(b) Three members of the house of representatives, appointed by the speaker of the house of representatives.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

III. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named senate member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

IV. The committee shall report its findings and any recommendations for proposed legislation to the president of the senate, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 2011.

28 Repeal. The following are repealed:

I. RSA 100-A:6, III(b)(3), relative to the group II accidental disability beneficiary exception from gainful occupation reduction.

II. RSA 100-A:4-b, relative to group I employees and teachers purchase of credit for out-of-state service.

III. RSA 100-A:4-c, relative to group II members purchase of credit for out-of state service.

29 Severability. If any provision of this act or the application of such provision to any person or circumstance is held invalid or is deemed not to comply with applicable law or regulations of the Internal Revenue Service so as to jeopardize the retirement system's status as a qualified governmental pension plan, the invalidity or non-compliance does not affect other provisions or applications of the act which can be given effect without the invalid provisions or applications, and to this end the provisions of this act are severable.

30 Retirement System; Recalculation of Employer Rates; Recertification. Notwithstanding the notice requirements of RSA 100-A:16, III, the board of trustees of the retirement system shall recalculate employer contribution rates for the state fiscal years 2012 and 2013 to reflect the requirements of this act. The retirement system board of trustees has determined that the assumed rate of return recently approved by the board is determined to take effect in fiscal year 2014. Notwithstanding the notice requirements of RSA 100-A:16, III, such employer contribution rates shall be effective as soon as possible following July 1, 2011. The recertification of employer contribution percentages shall be effective when provided to each employer within a reasonable period of time not to exceed 30 days from the approval by the board of the recalculation from the system actuary. The exception to the notice requirements of RSA 100-A:16, III in this section shall be limited to the applicable employer contribution rates for the biennium beginning July 1, 2011.

31 Effective Date.

I. Sections 2-14 and 18-21 of this act shall take effect July 1, 2011.

II. Sections 15-17 of this act shall take effect September 1, 2011.

III. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill makes various changes to the state retirement system including:

I. Increasing retirement ages of group II members for service retirement, disability retirement, vested deferred retirement, and split benefits.

II. Changing the definitions of earnable compensation and average final compensation used in calculating retirement benefits.

III. Changing the composition of the board of trustees.

IV. Transferring remaining funds from the special account into the state annuity accumulation fund.

V. Eliminating future increases to medical benefits premium payments.

VI. Increasing member contribution rates.

VII. Establishing a committee to study the establishment of a federal tax qualified voluntary defined contribution plan and a committee to study matters related to disability, medical subsidies, and COLAs.

VIII. Limiting when the option to become a member of retirement system applies, and defining part-time employment.

IX. Changing the eligibility for state employees to receive medical benefits.

X. Extending a temporary supplemental allowance for fiscal year 2013

XI. Changing the interest calculation attributed to contributions.

Conferees: Sens. Bradley, Dist. 3; Carson, Dist. 14; and Groen, Dist. 6.

Conferees: Reps. Hawkins, Hills. 18; Kurk, Hills 7; William Smith, Rock. 18; and Kappler, Rock. 2. Rep. Shurtleff spoke against.

Reps. Kurk and Hawkins spoke in favor and yielded to questions.
Rep. Patrick Garrity requested a roll call; sufficiently seconded.

Rep. Kidder, Sen. Prescott for the Committee

RESOLUTION

Rep. Bettencourt offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time and when the House adjourns today, it be to meet Wednesday, June 22, 2011 at 10:00 a.m.

Adopted.

UNANIMOUS CONSENT

Rep. Gonzalez addressed the House.

MOTION TO PRINT REMARKS

Rep. Tucker moved that the remarks made by Rep. Gonzalez be printed in the Permanent Journal.
Adopted.

REMARKS

Rep. Gonzalez: Thank you, Mister Speaker. Rest in peace Governor Walter Peterson. Your legacy will always be in the spirit of the many you touched in New Hampshire. As I come to share with you about the life of Governor Peterson, please allow me to share this with you all.

There is a time for everything and activity under Heaven: a time to hate and a time to love; a time to be born and a time to die; a time to plant and a time to harvest; a time to be sad and a time to be happy; a time to tear and a time to mend; a time to be silent and a time to speak.

Today I come to you to talk about my father-in-law, a grandpa, a father and a friend. I called him my 2nd father. I am originally from the Dominican Republic and became a citizen of the United

States in 1990. My family is a first generation family as many families who came as immigrants before me to the United States. I am the only one of all of my family in the USA. I met Meg Peterson, daughter of Governor Peterson at the University of New Hampshire in 1987. I did not know she was the Governor's daughter. We became boyfriend/girlfriend and talked about marriage, but I told her I could not get married unless I met her family. She then agreed and brought me to meet her family. I met Governor Peterson and Mrs. Dorothy Peterson and the moment I met them I knew they loved me, and then I got married to their daughter. Family for me was as important as to Governor Peterson then. When he passed away he was married to Dorothy for 60 years. However, that was not the case for me and their daughter. After 9 years we got divorced. With their help I tried to save my family, but I soon realized that I had to let her go and divorce became a reality. It was summer when it happened. I was a teacher. I did not have a job then. Close as I was with Governor Peterson, I kept him informed. I did not know what would happen to me in another country with no one to help me, no money, no job, no friends and no place to live. I asked God to help me stay in the United States so I could be a good father to our boys, Sam, Marc and Max. God did answer my prayers, for my number one friend by God's design was Governor Walter Peterson, the grandfather of my boys. For both of us family and love for our families was then as it is today, very important. He knew I did not want a divorce. He knew I was in trouble with no job and no money then, so he not only assisted me with my rent, but he bought me a TV set and VCR in a small apartment where he helped me move. He told me, "Do not tell my daughter I am helping you. I do not want her angry with me." He told me, "Carlos, this TV will be your friend. It will keep your mind busy for you do not have any friends in New Hampshire, but me." So he went to tell me, "Keep in touch, I will always be with you if you need me." I lived then in Ashland, New Hampshire, a small town with no diversity. He told me, "You need to move to Manchester where you will find diversity and meet people like you." So I moved to Manchester in 1991. He was right. I then became a politician with his help and that of Executive Councilor and Mayor Ray Wiecezorek. I became the first ever elected Hispanic/Latino State Representative in New Hampshire. I also ran for mayor of the city in 1993 and for welfare commissioner. Each time I won the primaries. Through the ups and downs of life, Governor Peterson was behind me, supporting and encouraging me to keep going so I could be a good father figure to his grandchildren. Three weeks ago I saw him in good spirits fighting lung cancer. Little did I know he was going to pass away so soon. So today and as a summary of who he was in life, I share this with all of you on what love for Governor Peterson was.

Love. If I give all I have to the poor but have not love; I gain nothing. Love is patient, love is kind. It does not envy or boast. It is not proud. It's not self-seeking, it's not easily angered. It keeps no records of wrongs. Love does not delight in evil but rejoices with the truth. Always hopes, always perseveres. Love never fails. Now of all these three remain: faith, hope and love. But the greatest of these is love.

That is how and who Governor Peterson was; always loving towards all. My father-in-law, Governor Walter Peterson, rest in peace. I know you are with God where you will continue helping and loving others. God bless you and your family and the great state of New Hampshire.

SENATE MESSAGES

ACCEDES TO REQUESTS FOR COMMITTEE OF CONFERENCE

HB 1-A, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2012 and June 30, 2013.

RECESS

(Speaker O'Brien in the Chair)

Rep. Tucker moved that the House adjourn.
Adopted.

HOUSE JOURNAL No. 22

Wednesday, June 22, 2011

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Roger Boucher.

Search us, O God, and know our hearts today. As we draw near to the two hundred thirty fifth year of National Independence we ask that You bless these men and women who are here again to establish the laws which secure the solid foundation for political order and to make the hard choices to delete those that do not. Help them to keep vigilant over our human rights, acknowledged in the founding of this great nation and state, but not infinitely malleable or to be abused, for eternal vigilance is the price of liberty. Each of these representatives are a sign of the most deeply felt universal human drives, ambitions and desires of our people. Under the tolerance of our constitution, we acknowledge the need for Your guidance, Lord, for without You our feet are clay, and, in addition, the order of liberty obligates a profound respect for You, Nature's God, You, who compel us to establish good law and use common sense. Press us forward, then, without sentimentalism, but with courage, to bring confidence in our governing to the people, that their life plans will be meaningful and that the common good will be protected. We always remember those of the chamber in the hospital and their families who are ill as well as our active duty men and women. Keep them safe and give them healing. Out of the many we are one, if not by birth, then by commitment, and we still, confidently assert that we are one nation, under God, with liberty and justice for all. Therefore, help us to bear good fruit this day. Help us to work together with the best displays of leadership. Bless us with the wisdom needed to sustain the life-force which You, O Lord, have forged and delivered as a free gift to all of us who are the true, the grateful, and the free. We ask this in Your name. Amen.

Representative Derek Owen, member from Hopkinton, led the Pledge of Allegiance.

Representative Kevin Avard of Nashua led the singing of the National Anthem.

LEAVES OF ABSENCE

Reps. Hofemann, Lerandeau, Michael Reed and Sad, the day, illness.

Reps. Foose, Lauer-Rago, Leonard, Bruce MacMahon, Panek, Schroadter, Tasker and Worsman, the day, important business.

Rep. Sapareto, the day, death in the family.

INTRODUCTION OF GUESTS

Clark and Jan Lindley, guests of Rep. Chip Rice. Mary Beth Spainhower and R. Scott Beaumont, wife and brother-in-law of Rep. Spainhower. Franziska Bahl and Ruth Owen, guest and wife of Rep. Owen. Ed and Betty Dotterweich, mother and father-in-law of Rep. Proulx.

INTRODUCTION OF SPECIAL GUESTS

Members and coach of the Portsmouth High School Baseball team, division II State Champions; members and coach of the Portsmouth High School Girl's Lacrosse team, division II State Champions; and members and instructor of the Portsmouth High School Percussion Ensemble, winners of the open class division at the Winter Guard International Percussion World Championships.

The Speaker introduced the Honorable Pam Coughlin, former member from Mont Vernon and Hillsborough County Register of Deeds and Derry District Court Justice, the Honorable John Coughlin and parents of Rep. Coughlin. Judge Coughlin is home on leave from service to our country in Iraq.

COMMITTEE OF CONFERENCE REPORTS ON SENATE BILLS

COMMITTEE OF CONFERENCE REPORT ON SB 12-FN

Committee of Conference Report on SB 12-FN, an act relative to screening panels for medical injury claims.

Recommendation:

That the Senate recede from its position of nonconcurrency with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend RSA 519-B:13, VI as inserted by section 1 of the bill by replacing it with the following:

VI. The committee shall make a final report of its findings about medical liability insurance rates and the mandatory panel process and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before December 1, 2013. The report shall include a recommendation to terminate, continue, or amend RSA 519-B.

Amend the bill by replacing section 3 with the following:

3 Effective Date.

I. Section 2 of this act shall take effect December 31, 2013.

II. The remainder of this act shall take effect 60 days after its passage.

Conferees: Sens. Houde, Dist. 5; Groen, Dist. 6; and Luther, Dist. 12.

Conferees: Reps. Rowe, Hills. 6; Giuda, Merr. 7; Peterson, Hills. 19; and Barry Palmer, Hills. 26.

Committee of Conference Report adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 33-FN

Committee of Conference Report on SB 33-FN, an act relative to retired state employee contributions for medical benefits costs.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House each pass the bill as amended by the House.

Conferees: Sens. Carson, Dist. 14; Groen, Dist. 6; and D'Allesandro, Dist. 20.

Conferees: Reps. Carol McGuire, Merr. 8; Pilotte, Hills. 16; Winter, Merr. 3; and Bowers, Sull. 3. Rep. Carol McGuire spoke against.

Committee of Conference Report failed.

MOTION TO SUSPEND HOUSE RULES

Rep. Carol McGuire moved that House Rules be so far suspended as to allow formation of a new Committee of Conference, sign off and consideration after the deadline on **SB 33**, relative to retired state employee contributions for medical benefits costs.

On a division vote, 258 members having voted in the affirmative and 97 in the negative, the motion was adopted by the necessary two-thirds vote.

The Speaker appointed Reps. Carol McGuire, Pilotte, Winter and Bowers.

COMMITTEE OF CONFERENCE REPORTS ON SENATE BILLS (CONT'D)

COMMITTEE OF CONFERENCE REPORT ON SB 45

Committee of Conference Report on SB 45, an act relative to criteria for designation as a granite state scholar.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend RSA 188-D:39, I as inserted by section 1 of the bill by replacing it with the following:

I. The granite state scholar designation shall be made for any New Hampshire resident who graduates in the top 10 percent of his or her class from an accredited *or approved* New Hampshire high school, and who receives a combined score ~~[of 1200 or more]~~ *equaling at least 75 percent of the maximum possible score* on the Scholastic Aptitude Test I, or the equivalent score on ~~[the ACT Assessment examination]~~ *another nationally recognized and norm referenced assessment recognized by the department of education for the purpose of granting granite state scholar designation*. The granite state scholar designation shall be determined using class rank and standardized test scores taken no later than January 31 of the student's senior year in high school.

Conferees: Sens. Stiles, Dist. 24; Forsythe, Dist. 4; and D'Allesandro, Dist. 20.

Conferees: Reps. Balboni, Hills. 21; Ladd, Graf. 5; Boehm, Hills. 27; and Gile, Merr. 10.

Committee of Conference Report adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 50

Committee of Conference Report on SB 50, an act making various changes to laws regulating trusts and trust companies.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend RSA 564-B:12-1206(e) as inserted by section 14 of the bill by replacing it with the following:

(e) Nothing in this section shall limit the authority of the director of charitable trusts or the department of health and human services provided by common law or other statute.

Amend RSA 564-B:10-1005 as inserted by section 11 of the bill by inserting after paragraph (d) the following new paragraph:

(e) Nothing in this section shall limit the authority of the director of charitable trusts or the department of health and human services otherwise provided by common law or other statute.

Amend RSA 564:19 as inserted by section 5 of the bill by inserting after paragraph V the following new paragraph:

VI. Nothing in this section shall limit the authority of the director of charitable trusts or the department of health and human services otherwise provided by common law or other statute.

Conferees: Sens. Bradley, Dist. 3; White, Dist. 9; and D'Allesandro, Dist. 20.

Conferees: Reps. Hunt, Ches. 7; Jennifer Coffey, Merr. 6; McClarren, Hills. 21; and Schlachman, Rock. 13.

Committee of Conference Report adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 52-FN

Committee of Conference Report on SB 52-FN, an act excluding persons convicted of violent crimes and sexually violent persons from mandatory early release on probation or parole.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and

That the House recede from its position in adopting its amendment to the bill, and

That the Senate and House each pass the bill as amended by the Senate.

Conferees: Sens. Groen, Dist. 6; Luther, Dist. 12; and Houde, Dist. 5.

Conferees: Reps. Bettencourt, Rock. 4; Kreis, Merr. 6; Gagne, Hills. 13; and Swinford, Belk. 5.

Rep. Shurtleff spoke against.

Rep. Bettencourt spoke in favor.

Rep. Pierce requested a roll call; sufficiently seconded.

and the Committee of Conference Report was adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 53-FN

Committee of Conference Report on SB 53-FN, an act relative to the definition of nursing and establishing a nursing assistant registry fund administered by the board of nursing.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by inserting after the enacting clause the following and renumbering the original sections 1-4 to read as 2-5, respectively:

1 New Paragraph; Nurse Practice Act; Definitions. Amend RSA 326-B:2 by inserting after paragraph VII the following new paragraph:

VII-a. "Nurse" means a person authorized to practice nursing and who holds a current license to provide care as an APRN, RN, or LPN.

AMENDED ANALYSIS

This bill adds a definition for nurse and clarifies the nursing assistant registry administered by the board of nursing.

Conferees: Sens. Luther, Dist. 12; Larsen, Dist. 15; and D'Allesandro, Dist. 20.

Conferees: Reps. Hess, Merr. 9; Russell Ober, Hills. 27; Keith Murphy, Hills. 18; and Daugherty, Coos 1.

Committee of Conference Report adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 68

Committee of Conference Report on SB 68, an act relative to records of disciplinary actions taken by the electricians' board.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend RSA 319-C:12, IV as inserted by section 1 of the bill by replacing it with the following:

IV. The board shall retain the record of an action taken in a disciplinary proceeding under this section for 7 years from the date of final decision of the action and shall not consider such disciplinary action more than 7 years after the final decision in any future disciplinary proceeding concerning the same licensee.

AMENDED ANALYSIS

This bill requires that records of actions taken in disciplinary proceedings by the electricians' board shall not be considered after 7 years.

Conferees: Sens. Gallus, Dist. 1; Luther, Dist. 12; and Larsen, Dist. 15.

Conferees: Reps. Hawkins, Hills. 18; Sytek, Rock. 4; Hansen, Hills. 6; and Bowers, Sull. 3.

Committee of Conference Report adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 70-FN

Committee of Conference Report on SB 70-FN, an act relative to remedies in landlord-tenant actions.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing section 3 with the following:

3 Repeal. RSA 540:1-b, IV, relative to the civil penalty for landlord agents, is repealed.

AMENDED ANALYSIS

This bill:

I. Reduces the number of days a landlord is required to store a tenant's abandoned property.

II. Limits the damages available for violations of the storage requirement.

III. Repeals the \$1,000 civil penalty imposed on landlords of restricted property who do not provide the town clerk with the name and address of an agent authorized to accept service on their behalf.

Conferees: Sens. Prescott, Dist. 23; De Blois, Dist. 18; and D'Allesandro, Dist. 20.

Conferees: Reps. Giuda, Merr. 7; Sorg, Graf. 3; McClarren, Hills. 21; and Rowe, Hills. 6.

Committee of Conference Report adopted.

Reps. Greazzo and Brian Murphy declared a conflict of interest and did not participate.

COMMITTEE OF CONFERENCE REPORT ON SB 75-FN

Committee of Conference Report on SB 75-FN, an act relative to clarification of part-time service in the state retirement system.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing all after section 1 with the following:

2 New Paragraph; Retirement System; Part Time; Group I and Group II. Amend RSA 100-A:1 by inserting after paragraph XXXIII the following new paragraph:

XXXIV. "Part-time," for purposes of employment of a retired member of the New Hampshire retirement system, but excepting per diem court security officers and court bailiffs, means employment by an employer depending on the group classification of the employment as follows:

(a) For group I, part-time employment of the retired member shall not exceed 32 hours in a normal calendar week; except for group I employment which in some instances may exceed 32 hours in any normal calendar week. In such case the part-time employment of the retired member shall not exceed 1,300 hours in a calendar year, so long as such part-time employment does not occur outside of a 5-consecutive-month period in any 12-month period.

(b) For group II, part-time employment of the retired member shall not exceed 32 hours in a normal calendar week; except for group II employment which in some instances may exceed 32 hours in any normal calendar week. In such case the part-time employment of the retired member shall not exceed 1,300 hours in a calendar year, so long as such part-time employment does not occur outside of a 5-consecutive-month period in any 12-month period.

3 Contingency. If SB 3-FN-A-LOCAL of the 2011 regular legislative session becomes law, then section 20 of SB 3-FN-A-LOCAL shall not take effect.

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill defines part time employment for purposes of the New Hampshire retirement system. The bill also modifies the definition of part-time employment under the retirement system inserted by SB 3-FN-A-LOCAL of the 2011 legislative session.

Conferees: Sens. Groen, Dist. 6; Bradley, Dist. 3; and Larsen, Dist. 15.

Conferees: Reps. Hawkins, Hills. 18; Cohn, Merr. 6; Winter, Merr. 3; and Shuler, Rock. 11.

Committee of Conference Report adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 88

Committee of Conference Report on SB 88, an act relative to physical force in defense of a person and relative to brandishing of a firearm or other means of self-defense.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing all after the enacting clause with the following:

1 Physical Force in Defense of Person. Amend RSA 627:4, III to read as follows:

III. A person is not justified in using deadly force on another to defend himself or *herself* or a third person from deadly force by the other if he *or she* knows that he *or she* and the third person can, with complete safety:

(a) Retreat from the encounter, except that he *or she* is not required to retreat if he *or she* is within his *or her* dwelling [or], its curtilage, *or anywhere he or she has a right to be*, and was not the initial aggressor; or

(b) Surrender property to a person asserting a claim of right thereto; or

(c) Comply with a demand that he *or she* abstain from performing an act which he *or she* is not obliged to perform; nor is the use of deadly force justifiable when, with the purpose of causing death or serious bodily harm, the [actor] *person* has provoked the use of force against himself *or herself* in the same encounter[-]; *or*

(d) If he *or she* is a law enforcement officer or a private person assisting [him] *the officer* at [his] *the officer's* direction and was acting pursuant to RSA 627:5, [he] *the person* need not retreat.

2 Sentences and Limitations. Amend RSA 651:2, II-g to read as follows:

II-g. If a person is convicted of a felony, an element of which is the possession, use or attempted use of a deadly weapon, and the deadly weapon is a firearm, such person may be sentenced to a maximum term of 20 years' imprisonment in lieu of any other sentence prescribed for the crime. ~~[The person shall be given a minimum mandatory sentence of not less than 3 years' imprisonment for a first offense and a minimum mandatory sentence of not less than 6 years' imprisonment if such person has been previously convicted of any state or federal offense for which the maximum penalty provided was imprisonment in excess of one year, and an element of which was the possession, use or attempted use of a firearm. Neither the whole nor any part of the minimum sentence imposed under this paragraph shall be suspended or reduced.]~~

3 New Section; Justification; Civil Immunity. Amend RSA 627 by inserting after section 1 the following new section:

627:1-a Civil Immunity. A person who uses force in self-protection or in the protection of other persons pursuant to RSA 627:4, in the protection of premises and property pursuant to RSA 627:7 and 627:8, in law enforcement pursuant to RSA 627:5, or in the care or welfare of a minor pursuant to RSA 627:6, is justified in using such force and shall be immune from civil liability for personal injuries sustained by a perpetrator which were caused by the acts or omissions of the person as a result of the use of force. In a civil action initiated by or on behalf of a perpetrator against the person, the court shall award the person reasonable attorney's fees, and costs, including but not limited to, expert witness fees, court costs, and compensation for loss of income.

4 Justification; Definitions. Amend RSA 627:9, IV to read as follows:

IV. "Non-deadly force" means any assault or confinement which does not constitute deadly force. *The act of producing or displaying a weapon shall constitute non-deadly force.*

5 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

I. Allows a person who is anywhere he or she has a right to be to use deadly force to protect oneself or a third person.

II. Inserts a civil immunity provision for the use of force against a perpetrator in certain circumstances.

III. Deletes the minimum mandatory sentencing requirement for felony convictions which include the possession, use, or attempted use of a firearm.

IV. Amends the definition of "non-deadly force" to include the act of producing or displaying a weapon.

Conferees: Sens. Boutin, Dist. 16; Groen, Dist. 6; and White, Dist. 9.

Conferees: Reps. Kreis, Merr. 6; Bettencourt, Rock. 4; Warden, Hills. 7; and Shurtleff, Merr. 10.

Rep. Ginsburg spoke against.

Rep. Welch spoke in favor.

Rep. Jennifer Coffey requested a roll call; sufficiently seconded.

and the Committee of Conference Report was adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 89

Committee of Conference Report on SB 89, an act establishing a study committee on the procurement of health insurance by employee leasing companies.

Recommendation:

That the Senate recede from its position of nonconcurrency with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing all after section 3 with the following:

4 Committee Established. There is established a committee to study the procurement of health insurance by employee leasing companies.

5 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the house of representatives, appointed by the speaker of the house of representatives.

(b) Three members of the senate, appointed by the president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

6 Duties. The committee shall study the procurement of health insurance by employee leasing companies licensed under RSA 277-B, including whether policies sponsored by employee leasing companies should be exempt from the rating requirements and other standards for small employer coverage set forth in RSA 420-G.

7 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

8 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2011.

9 Insurance Bulletin Suspended. The department of insurance bulletin INS NO. 10-008-AB is hereby suspended until December 31, 2013.

10 Effective Date.

I. Sections 1-3 of this act shall take effect 60 days after its passage.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill clarifies the procedures for employee benefits and for employee leasing companies. This bill reestablishes the committee to study the procurement of health insurance by employee leasing companies. The bill also repeals insurance bulletin INS NO. 10-008-AB.

Conferees: Sens. Bragdon, Dist. 11; Carson, Dist. 14; and Houde, Dist. 5.

Conferees: Reps. Hunt, Ches. 7; Flanders, Belk. 4; Nevins, Rock. 15; and Taylor, Graf. 2.

Committee of Conference Report adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 91

Committee of Conference Report on SB 91, an act relative to automatic fire suppression sprinklers. Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing section 1 with the following:

1 New Paragraph; Power to Amend State Building Code and Establish Enforcement Procedures.

Amend RSA 674:51 by inserting after paragraph IV the following new paragraph:

V. No municipality or local land use board as defined in RSA 672:7 shall adopt any ordinance, regulation, code, or administrative practice requiring the installation of automatic fire suppression sprinklers in any new or existing detached one- or 2-family dwelling unit in a structure used only for residential purposes. Notwithstanding any provision of law to the contrary, no municipality or local land use board shall enforce any existing ordinance, regulation, code, or administrative practice requiring the installation or use of automatic fire suppression sprinklers in any manufactured housing unit as defined in RSA 674:31 situated in a manufactured housing park as defined in RSA 205-A:1, II.

Conferees: Sens. Barnes, Dist. 17; Boutin, Dist. 16; and Forrester, Dist. 2.

Conferees: Reps. Sterling, Ches. 7; Ferrante, Rock. 5; Betsey Patten, Carr. 4; and Burt, Hills. 7.

Rep. Sterling yielded to questions.

Rep. DeStefano requested a roll call; sufficiently seconded.

and the Committee of Conference Report was adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 92

Committee of Conference Report on SB 92, an act establishing an economic strategic commission to review the relationship between business and government.

Recommendation:

That the Senate recede from its position of nonconcurrency with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend RSA 359-K:3, I(e) as inserted by section 1 of the bill by replacing it with the following:

(e) Three commissioners of New Hampshire departments or their designees, one of whom shall be appointed by the governor, one of whom shall be appointed by the senate president, and one of whom shall be appointed by the speaker of the house of representatives.

Conferees: Sens. Carson, Dist. 14; Sanborn, Dist. 7; and Larsen, Dist. 13.

Conferees: Reps. Carol McGuire, Merr. 8; Peter Schmidt, Straf. 4; Proulx, Hills. 15; and Hansen, Hills. 6.

Committee of Conference Report adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 123

Committee of Conference Report on SB 123, an act relative to notification if a person found incompetent to stand trial and civilly committed is released into the community.

Recommendation:

That the Senate recede from its position of nonconcurrency with the House amendment, and

That the House recede from its position in adopting its amendment to the bill, and

That the Senate and House each pass the bill as passed by the Senate.

Conferees: Sens. Houde, Dist. 5; Groen, Dist. 6; and Luther, Dist. 12.

Conferees: Reps. Swinford, Belk. 5; Kreis, Merr. 6; Gagne, Hills. 13; and Welch, Rock.8.

Committee of Conference Report adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 148-FN

Committee of Conference Report on SB 148-FN, an act relative to health insurance coverage and declaring that the attorney general should join the lawsuit challenging the Patient Protection and Affordable Care Act.

Recommendation:

That the Senate recede from its position of nonconcurrency with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing all after section 1 with the following:

2 Effective Date. This act shall take effect July 1, 2011.

AMENDED ANALYSIS

This bill provides that a resident of New Hampshire shall not be required to obtain, or be assessed a fee or fine for failure to obtain, health insurance coverage.

Conferees: Sens. Prescott, Dist. 23; De Blois, Dist. 18; and Bradley, Dist. 3.

Conferees: Reps. Hunt, Ches. 7; Flanders, Belk. 4; Manuse, Rock. 5; and Leonard, Straf. 1.

Committee of Conference Report adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 161-FN

Committee of Conference Report on SB 161-FN, an act relative to procedures for adoption of agency rules under the administrative procedures act.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing section 5 with the following.

5 Filing Proposed Rule Text; Establishing and Revising Text of Rules. RSA 541-A:10 is repealed and reenacted to read as follows:

541-A:10 Filing of Proposed Rule Text; Establishing and Revising Text.

I. At the same time the notice required by RSA 541-A:6, I is filed, the agency shall file the text of the proposed rule with the director of legislative services. The first time a rule is proposed under RSA 541-A:3 to implement newly-enacted state authority, the agency shall send an electronic copy of the notice and proposed rule to the chair of each house and senate standing policy committee, as defined in RSA 541-A:1, XVI, for distribution to the members of such standing policy committees. If the newly-enacted state authority was not referred originally to a standing policy committee, the agency shall send an electronic copy of the notice and proposed rule to the speaker of the house and senate president for appropriate distribution. If the agency does not have the technology necessary to send an electronic copy, the agency shall send a paper copy. The members of the standing policy committees receiving proposed rules may review the proposed rules to determine whether the proposed rule is consistent with the intent of the authorizing legislation. If a standing policy committee concludes that the proposed rule is not consistent with the intent of the authorizing legislation, the standing policy committee shall send written notice to the agency, with a copy to the director of legislative services, identifying the provision or provisions the committee believes to be inconsistent with legislative intent. Such written notice may be sent to the agency via e-mail and shall be delivered so as to be received by the agency no later than the deadline for public comment specified in the rulemaking notice. If the agency does not receive notice from any standing policy committee by the end of the public comment period, the agency may proceed on the basis that the rule is consistent with the intent of the authorizing legislation. The text of the proposed rules as filed by the agency pursuant to RSA 541-A:3, III shall not be changed prior to the hearing held pursuant to RSA 541-A:11, I(a).

II. The agency shall not establish the text of the final proposal until after the conclusion of the public comment period established pursuant to RSA 541-A:11, I(b). If the agency elects to solicit comment pursuant to RSA 541-A:11, I(c), the agency shall prepare a draft final proposal that is annotated to show how the rules as initially proposed are proposed to be changed. In response to comment received, the agency may revise the draft prior to filing the final proposal in accordance with RSA 541-A:12.

Conferees: Sens. Merrill, Dist. 21; White, Dist. 9; and Luther, Dist. 12.

Conferees: Reps. Carol McGuire, Merr. 8; Whitehead, Hills. 26; Sytek, Rock. 4; and Pilotte, Hills. 16. Committee of Conference Report adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 166

Committee of Conference Report on SB 166, an act relative to medical benefits for beneficiaries of a police officer or firefighter killed in the line of duty.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing all after the enacting clause with the following:

1 Findings and Purpose. The legislature finds that, through no fault of their own, certain persons entitled to benefits as surviving spouses and dependents of group II members killed in the line of duty have been provided with incorrect information concerning the benefits to which they are entitled over an extended period of time. Such persons have relied in good faith upon this incorrect information and have ordered their lives accordingly. In order to avoid the unfairness that would occur if these errors were retrospectively corrected, the state of New Hampshire will provide such persons in this position with the benefits that they were promised.

2 Additional Medical Benefits; Surviving Spouse and Dependents; Group II Member Killed in Line of Duty. On the effective date of this act, if the premium payment under RSA 100-A:52 and RSA 21-I:30-a for the surviving spouse and dependent children of a police officer or firefighter killed in the line of duty, as determined under RSA 21-I:29-a, is not for the full amount of the premium for eligible medical and surgical benefits, and the local political subdivision has elected not to pay the excess cost of the premium for such medical and surgical benefits, the state shall pay the difference between the amount paid by the local political subdivision and the amount under RSA 21-I:30-a, I, so that the benefit is not reduced by the application of any benefit limitation or premium contribution for such surviving spouses and dependent children.

3 Application. Nothing in this act shall authorize or require the state to pay for any premium for eligible medical and surgical benefits that was being paid for by the local political subdivision on January 1, 2011.

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill provides for payment of the premium for medical benefits for surviving spouses and dependent children of a police officer or firefighter killed in the line of duty.

Conferees: Sens. Carson, Dist. 14; Luther, Dist. 12; and Larsen, Dist. 15.

Conferees: Reps. Carol McGuire, Merr. 8; Hawkins, Hills. 18; Winter, Merr. 3; and Daniel Sullivan, Hills. 8.

Committee of Conference Report adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 196

Committee of Conference Report on SB 196, an act relative to the renomination or reelection of teachers and prohibiting assessing teacher performance based solely on assessment scores.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend RSA 189:14-a, I as inserted by section 1 of the bill by replacing it with the following:

I.(a) Any teacher who has a professional standards certificate from the state board of education and who has taught for one or more years in the same school district shall be notified in writing on or before April 15 or within 15 days of the adoption of the district budget by the legislative body, whichever is later, if that teacher is not to be renominated or reelected, provided that no notification shall occur later than the Friday following the second Tuesday in May.

(b) *School boards shall have a teacher performance evaluation policy.*

(c) Any such teacher who has taught for ~~[3 consecutive years or more in the same school district]~~ **5 consecutive years or more in the teacher's current school district, or who taught for 3 consecutive years or more in the teacher's current school district before July 1, 2011**, and who has been so notified may request in writing within 10 days of receipt of said notice a hearing before the school board and may in said request ask for reasons for failure to be renominated or reelected. For purposes of this section only, a leave of absence shall not interrupt the consecutive nature of a teacher's service, but neither shall such a leave be included in the computation of a teacher's service. Computation of a teacher's service for any other purposes shall not be affected by this section. The notice shall advise the teacher of all of the teacher's rights under this section. The school board, upon receipt of said request, shall provide for a hearing on the request to be held within 15 days. The school board shall issue its decision in writing within 15 days of the close of the hearing.

Amend the bill by replacing sections 2 and 3 with the following:

2 Review by State Board. Amend RSA 189:14-b, I to read as follows:

I. A teacher aggrieved by such decision may either petition the state board of education for review thereof or request arbitration under the terms of a collective bargaining agreement *pursuant to RSA 273-A:4*, if applicable, but may not do both. Such petition must be in writing and filed with the state board within 10 days after the issuance of the decision to be reviewed. Upon receipt of such petition, the state board shall notify the school board of the petition for review, and shall forthwith proceed to a consideration of the matter. Such consideration shall include a hearing if either party shall request it. The state board shall issue its decision within 15 days after the petition for review

is filed, and the decision of the state board shall be final and binding upon both parties. *A petition for review under this section shall constitute the exclusive remedy available to a teacher on the issue of the nonrenewal of such teacher.*

3 Grievance Procedures. Amend RSA 273-A:4 to read as follows:

273-A:4 Grievance Procedures. Every agreement negotiated under the terms of this chapter shall be reduced to writing and shall contain workable grievance procedures. *No grievance resulting from the failure of a teacher to be renewed pursuant to RSA 189:14-a shall be subject to arbitration or any other binding resolution, except as provided by RSA 189:14-a and RSA 189:14-b. Any such provision in force as of the effective date of this section shall be null and void upon the expiration date of that collective bargaining agreement. However, after the expiration date of that collective bargaining agreement, nothing in this section shall be deemed to prohibit the school district public employer and the exclusive bargaining representative from entering into a subsequent agreement that may include arbitration or any other binding resolution for teacher nonrenewals pursuant to RSA 189:14-a and RSA 189:14-b. If such grievance procedures become incorporated into a subsequent collective bargaining agreement, those procedures shall become null and void at the expiration of that agreement. "Grievance resulting from failure of a teacher to be renewed" means a grievance that challenges nonrenewal, or that seeks reversal or reinstatement from nonrenewal as a remedy.*

Conferees: Sens. Stiles, Dist. 24; Forsythe, Dist. 4; and Bragdon, Dist. 11.

Conferees: Reps. Balboni, Hills. 21; Boehm, Hills. 27; Hill, Merr. 6; and Gile, Merr. 10.

Committee of Conference Report adopted.

The House recessed at 10:55 a.m.

RECESS

(Speaker O'Brien in the Chair)

The House reconvened at 11:50 a.m.

SENATE MESSAGE

ADOPTION OF COMMITTEE OF CONFERENCE REPORT

HB 1-A, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2012 and June 30, 2013.

COMMITTEE OF CONFERENCE REPORT ON HOUSE BILL

HB 1-A, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2012 and June 30, 2013. (Report printed SJ 6-22-11)

Reps. Rosenwald, Benn, Baroody and Wallner spoke against.

Rep. Weyler spoke in favor and yielded to questions.

Rep. Jasper requested a roll call; sufficiently seconded.

SENATE MESSAGE**ACCEDES TO REQUEST FOR NEW COMMITTEE OF CONFERENCE**

SB 33-FN, relative to retired state employee contributions for medical benefits costs. The President appointed Sens. Carson, Groen and D'Allesandro.

MOTION TO SUSPEND HOUSE RULES

Rep. Carol McGuire moved that the rules be so far suspended as to allow consideration at the present time and without the required printing of a Committee of Conference Report on **SB 33-FN**, relative to retired state employee contributions for medical benefits costs.

On a division vote, 280 members having voted in the affirmative and 98 in the negative, the motion was adopted by the necessary two-thirds vote.

COMMITTEE OF CONFERENCE REPORT ON SENATE BILL**NEW COMMITTEE OF CONFERENCE REPORT ON SB 33-FN**

Committee of Conference Report on SB 33-FN, an act relative to retired state employee contributions for medical benefits costs.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; State Employee Contributions to Medical and Surgical Benefits. Amend RSA 21-I:30 by inserting after paragraph VII the following new paragraph:

VIII. The commissioner of administrative services shall invoice and collect from retired state employees under the age of 65 years receiving medical and surgical benefits provided under this section, who do not receive a retirement allowance as defined in RSA 100-A:1, XXII, the premium contribution amounts of 12.5 percent of the total monthly premium for each such retiree and 12.5 percent of the total monthly premium for each applicable spouse; provided that the charge to each household shall not exceed 12.5 percent of the total monthly premium for 2 plan participants. The commissioner of administrative services is also authorized to invoice and collect from such other participants contribution amounts as specified by law. Collected amounts shall be deposited in the employee and retiree benefit risk management fund. Failure to remit payment of the contribution amount in full within 30 days of billing shall be grounds for terminating benefits, effective from the beginning of the billing period. Reenrollment shall be dependent upon payment of any outstanding contribution or other amounts within 6 months of the termination date. If a participant fails to remit payment in full for participation within 30 days of billing, on the 30th day the participant shall be notified by certified mail, return receipt requested, that he or she shall remit payment to the department within 10 business days of receiving the letter or his or her benefits shall be terminated effective upon the 10th business day after receipt of the letter and that reenrollment shall be dependent upon payment of any outstanding contribution or other amount within 6 months of the termination date.

2 New Hampshire Retirement System; Medical and Surgical Benefit Administration. RSA 100-A:54, III is repealed and reenacted to read as follows:

III. The retirement system shall deduct from the monthly retirement allowance of retired state employees under the age of 65 years receiving medical and surgical benefits provided pursuant to RSA 21-I:30, the premium contribution amounts of 12.5 percent of the total monthly premium for each such retiree and 12.5 percent of the total monthly premium for each applicable spouse; provided that the charge to each household shall not exceed 12.5 percent of the total monthly premium for 2 plan participants. The department of administrative services shall provide information as to the total monthly premium cost for each participant to the retirement system for purposes of calculating this deduction. Deducted amounts, which shall be in addition to and notwithstanding any amounts payable by the retirement system pursuant to RSA 100-A:52, RSA 100-A:52-a, and RSA 100-A:52-b, shall be deposited in the employee and retiree benefit risk management fund. In the event the retiree's monthly allowance is insufficient to cover the certified contribution amount, the retirement system shall so notify the department of administrative services, which shall invoice and collect from the retiree the remaining contribution amount. Failure to remit payment of the contribution amount in

full within 30 days of billing shall be grounds for terminating benefits, effective from the beginning of the billing period. Reenrollment shall be dependent upon payment of any outstanding contribution or other amounts within 6 months of the termination date. The department of administrative services shall provide notice of the termination of benefits as provided in RSA 21-I:30, VIII.

3 Effective Date. This act shall take effect July 1, 2011 at 12:01 a.m.

Conferees: Sens. Carson, Dist. 14; Groen, Dist. 6; and D'Allesandro, Dist. 20.

Conferees: Reps. Carol McGuire, Merr. 8; Pilotte, Hills. 16; Winter, Merr. 3; and Bowers, Sull. 3. Rep. Carol McGuire spoke in favor.

Rep. Patrick Garrity requested a roll call; sufficiently seconded.

The House recessed at 1:50 p.m.

RECESS**(Speaker O'Brien in the Chair)**

The House reconvened at 2:50 p.m.

GOVERNOR'S VETO MESSAGE ON HB 109

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on June 15, 2011, I vetoed HB 109, an act relative to residential fire sprinklers. HB 109 prohibits local planning boards from requiring the installation of a fire suppression sprinkler system in proposed one or two-family residences as a condition of approval for a local permits. It also lessens the ability of local communities to work cooperatively with developers to move projects forward in cost-effective ways. Instead of allowing communities to work with developers to substitute sprin-

kler systems, communities will now have to revert to requiring what may be more costly options: fire ponds, cisterns, wider road widths, increasing the size of building lots and increasing the size of distance between buildings. HB 109 will also prohibit municipalities from enforcing their current sprinkler ordinances. Today, communities from Salem to Hooksett to Boscawen to Lebanon have these ordinances, which have been approved by the local governing bodies. I believe that the decision of whether or not to require fire sprinklers for new or renovated residential development should remain a local one. The State should not dictate a required course of action. It is obviously the local community that is impacted from new residential development both in terms of land use and in terms of bearing the costs of providing increased fire protection services. This legislation will remove local control over an important issue. The State Fire Marshal and numerous local fire departments across the State also have concerns about the ability of local officials to continue to have fire sprinkler systems as a local option. For these reasons, I am vetoing HB 109.

Respectfully submitted, John H. Lynch, Governor

The question being, notwithstanding the Governor's veto, shall **HB 109**, relative to residential fire sprinklers, become law?

Rep. Kris Roberts spoke against.

Reps. Sterling and Hunt spoke in favor.

Pursuant to the New Hampshire Constitution, Part II, Article 44, a roll call, requiring a two-thirds vote of the House for approval, was taken.

and the veto was overridden.

GOVERNOR'S VETO MESSAGE ON HB 133

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on June 8, 2011, I vetoed HB 133, relative to the minimum wage. This legislation repeals New Hampshire's state minimum wage law, effectively ceding state control and authority to the federal

government. This legislation would make New Hampshire one of only a handful of states that completely defer to the federal government and do not independently establish their own minimum wage laws. I do not support turning over complete authority to the federal government to determine what makes sense for our citizens or our businesses. The minimum wage law ensures that our citizens receive at least a minimum level of compensation for their hard work. It also helps ensure a level playing field for business owners - the overwhelming majority of whom want to give their employees a decent day's wage for a day's hard work. New Hampshire's current minimum wage is set at the federal level, and it is appropriate. But four years ago, we agreed that - after a decade of federal inaction - we needed to act to help families meet rising costs. This legislation removes the New Hampshire legislature from that debate, and gives authority to set the minimum wage solely to the federal government. New Hampshire's current economic strategy is working. We have one of the lowest unemployment rates in the nation. Ten thousand more people are working now than at the same time last year. We have one of the fastest-growing economies in the nation. And we have one of the highest median incomes in the nation. New Hampshire has had a minimum wage law since 1949, and neither our citizens nor our businesses have called for its repeal. There is no need to undermine our state's economic strategy or cede our state authority to the federal government. Therefore I am vetoing this legislation.

Respectfully submitted, John H. Lynch, Governor

The question being, notwithstanding the Governor's veto, shall **HB 133**, relative to the minimum wage, become law?

Reps. White, Weed and Campbell spoke against.

Rep. Daniels spoke in favor.

Pursuant to the New Hampshire Constitution, Part II, Article 44, a roll call, requiring a two-thirds vote of the House for approval, was taken.

GOVERNOR'S VETO MESSAGE ON HB 329-FN

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on June 15, 2011, I vetoed HB 329. I support parental notification and parental involvement in a minor's decision to seek an abortion. The decision whether to complete a pregnancy or seek an abortion is a serious and life-changing one for any pregnant woman. Minors need and benefit from the support and guidance of their parents. However, any law must make reasonable allowances for cases where that is not possible. I am particularly troubled by the lack of an exception for the victims of rape, incest and abuse. If the legislature works with me on this change and the other limited, common-sense changes outlined in this message, I would sign parental notification legislation. First, a young woman should not be forced to involve the person that abused her in the first place in this decision. That is why of the 36 states that require some form of parental involvement, 16 include exceptions from notification for rape or incest or abuse. There must be an exception for rape, incest and abuse in any parental notification law in New Hampshire. Second, some of the provisions of this legislation are unclear and too narrow. The health exception does not allow a physician to sufficiently exercise his or her best medical judgment and proceed with an abortion when a delay will create a grave and immediate risk to the minor's health. For example, when a physician sees a minor patient who is hemorrhaging, the physician may not be able to definitively determine whether a delay in performing an abortion would result in the irreversible impairment of a major bodily function, even if the physician has determined that there is surely a grave and immediate risk to the minor's health. The bill's medical emergency provision requires a physician to determine in a very short time frame that a delay will create a serious risk of a substantial and irreversible impairment of a major bodily function. That standard is narrow, complex and unworkable. It is difficult for a physician – at any point in time – to be certain that a delay will present a "serious risk" that there will be both a "substantial and irreversible" impairment of a major bodily function. If the physician chooses not go forward with the abortion because of uncertainty of the risk, the minor's health could be affected. If the physician performs the abortion and is wrong in that determination, then he or she is subject to criminal liability. The medical emergency standard now in HB 329 needs to allow physicians to exercise their full professional judgment based on all the potential serious health impacts to their patients. Lastly, this bill subjects medical professionals to potential imprisonment and civil lawsuits without giving medical providers sufficient guidance on how to comply with the law. The law should include clear standards on what information must be collected from the minor and what records should be kept. Because this legislation lacks an exception for rape and incest, and for the other reasons I have articulated, I am vetoing HB 329. If the legislature passes a bill that addresses these concerns, then I am prepared to sign a parental notification law.

Respectfully submitted, John H. Lynch, Governor

The question being, notwithstanding the Governor's veto, shall **HB 329-FN**, requiring parental notification before abortions may be performed on unemancipated minors, become law?
 Reps. Rowe, Giuda, Souza and Groen spoke in favor.
 Reps. Chase and Bouchard spoke against.

Pursuant to the New Hampshire Constitution, Part II, Article 44, a roll call, requiring a two-thirds vote of the House for approval, was taken.

MOTION TO PRINT REMARKS

Rep. Kappler moved that the remarks made during the Parliamentary Inquiries on **HB 1-A**, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2012 and June 30, 2013 and **HB 2-FN-A-L**, relative to state fees funds, revenues, and expenditures, be printed in the Permanent Journal.

On a division vote, 205 members having voted in the affirmative and 163 in the negative, the motion was adopted.

PARLIAMENTARY INQUIRIES – HB 1-A

Rep. Nordgren: Thank you, Mister Speaker. If I know that HB 1 will forever change the state of New Hampshire and harm hundreds of citizens we have been elected to serve; if I know that HB 1 will withdraw lifesaving services to the disabled, mentally ill and elderly struggling to remain independent; if I know HB 1, created in backrooms out of the public view, will prevent job creation; that the largest cuts in the nation to higher education will prevent our talented students from joining our work force; if I know that this proposed budget will be remembered for raising property taxes, cutting services for citizens, victims of domestic abuse, putting families in communities at risk by horrendous funding cuts in programs for our most troubled children; if I know that this body has abandoned our most needy citizens, turned our backs on our citizens and changed the very fabric of this state; and, Mister Speaker, if I know New Hampshire voters will not forget this reckless budget, would I press the red button and remember our friends and neighbors in need? Thank you, Mister Speaker.

Rep. Jasper: Thank you, Mister Speaker. Mister Speaker, if I know that members of my party stood here for two budget cycles and warned of what was coming, warned of over spending, warned of over taxation and warned of the dire situation we would find ourselves in because those tax increases and those spending increases were unsustainable; Mister Speaker, because I know all that, I find the complaints from the loyal opposition to ring hollow. Mister Speaker, if I know that we suffered through a 24% increase in our budget over two cycles and I know that this budget only goes down 11%; and, Mister Speaker, I know that the people of the state of New Hampshire are resilient and I know that the generosity of the people of New Hampshire to those in need through private charities and churches know no bounds when people are truly in need, but I know that this is a responsible budget because you can't say that the state of New Hampshire will fall apart over 11% decrease in spending; Mister Speaker, if I know we have done the very best we could given the disaster that was handed to us from the loyal opposition; Mister Speaker would I then support the hard work of both the House and the Senate conferees and the members of the Finance Committee on both of those bodies and do the right thing and the responsible thing and push the green button and support the Committee of Conference Report?

PARLIAMENTARY INQUIRIES – HB 2-FN-A-L

Rep. Wallner: Thank you, Mister Speaker. If I know that passing HB 2 will have devastating effects on New Hampshire's children, working families and senior citizens; and, if I know that HB 2 is a job killer and does not create new jobs; and, if I know that HB 2 will increase property taxes by downshifting the state's responsibility to the local communities; and, if I further know that for

the legislature, the budget process may be ending, however our citizens will just be beginning to deal with the devastating effects on their lives by our actions here today, would I now press the red button because we can and we must do better for our children, our working families, our businesses and our citizens?

Rep. Jasper: Thank you, Mister Speaker. Mister Speaker, if I know that I along with many other people would have liked to have done better, would have liked to have seen more of the House position, but, Mister Speaker, if I know one thing, Mister Speaker, and that is no Committee of Conference on the budget gets signed off without the approval of the Speaker of this House; and, Mister Speaker, if I know one other thing and that is that you are not a man who capitulates; and, Mister Speaker, if I know that you signed off on a budget that you believed was the best deal that we could get and a HB 2 that was the best deal that we were going to get; and, Mister Speaker, if I know that I listened to someone up here very passionately talk about doing better, but admitting to having voted for the budget that caused us to bleed so heavily, because Mister Speaker, he said that he was afraid it was going to result in more spending if we didn't pass it, but Mister Speaker, if I know that I heard the loyal opposition say that they looked to sky for revenues and spending; and, Mister Speaker, I know there was never any danger of that budget going higher or that budget being defeated; Mister Speaker would I then do the right thing and support the Committee of Conference by pushing the green button?

MOTION TO PRINT REMARKS

Rep. Tamburello moved that the remarks made by Rep. Groen on **HB 329-FN**, requiring parental notification before abortions may be performed on unemancipated minors, be printed in the Permanent Journal.

On a division vote, 210 members having voted in the affirmative and 159 in the negative, the motion was adopted.

CLERK'S NOTE

A motion to print the entire debate on on **HB 329-FN**, requiring parental notification before abortions may be performed on unemancipated minors, was adopted and the debate can be found later in this Journal.

APPEAL OF THE RULING OF THE CHAIR

Rep. DeStefano appealed the ruling of the Chair whereby the Chair declared that the House cannot take up the Veto Message on **HB 474-FN**, relative to freedom of choice on whether to join a labor union, because it is not on the Agenda.

The question being shall the ruling of the Chair be upheld?

Reps. DeStefano and Weber spoke against.

Reps. Jasper and Chandler spoke in favor.

Rep. Weber requested a roll call; sufficiently seconded.
